Nicole: You really let out the feelings you had for the girls you and Qin went to school with, that's just like with the girls Dad met in his travels and at school, and the Guardian Angels Lincoln met.

Lincoln: Yeah, and over time, they blossomed into love, and you're since married to May and you also have a harem of the girls you went to school with long ago and are still reuniting with, and you also have awesome kids.

Nico: (Hugs Lincoln) Along with you as a godfather to my kids, Lincoln, and everyone as their aunts, uncles, grandparents, and cousins.

We went and checked out the Warrior Siblings and they were really badly mangled up.

Me: Whoa are you guys all right?

Prohyas had nasty bruises and cuts and all that and Vambre had bruises all over.

Qin: Boy they really did a number on you guys!

Nico: Let's get you guys to the infirmary.

Varie: I have a Medivac Unit coming.

A hover Ambulance came and Robo Lori, Maria Santiago, Nurse Joy and Gina Green came with gurneys.

Girls: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded them up onto the gurneys.

Girls: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

Maria Santiago: Boy those dinosaurs did a number on them.

Qin: You're not kidding there.

Gina Green: We'll get them looked after and healed up.

Lincoln: Thanks guys.

They were loaded up and then taken to the infirmary.

Me: They will be all right. Now we have Swartz's Creations to face.

Maria: We sure do.

Eli: I'll sense where they are.

Eli concentrated.

Eli: I found them. There's five of them coming. The closest one is 5 klicks.

Nico: Okay then.

Qin: I have a feeling this will be awesome.

Camie: Same here.

Nico: Who's up first?

Rainbow Dash: I'll go first.

Eli: The first one I sensed is for Another Ariel.

Qin: The Huntik version or the Ariel from Atlantica.

Eli: No god no! I don't want to see that happen to anyone. It's the Huntik Ariel.

Me: That's a relief.

Qin: Yeah.

We saw a tornado coming.

Nico: She's here!

We stood ready.

Then the tornado faded and we saw a dark version of Ariel! It was ANOTHER ARIEL!

Qin: WHOA!

Me: Scary!

Another Ariel: (In a girls voice) Help me J.D.!

Me: (GASP) That voice!

She reverted back and she was a girl with green hair and had green clothes and a blue vest and had green angel wings and had the symbol for Huntik's Ariel on her Skirt, Arm and in the middle of her forehead and she had her hands clutching her head and she was in pain.

Me: (GASP) Ariolla Ariel!

Ariolla: J.D. help me! I can't control this power! Help me!

Me: Hang on Ariolla.

Nico: You got to fight it!

Me: Fight it Ariolla. Don't let it win.

Ariolla: I can't! (GRUNTS) IT'S Too Strong!

Maria: You could vomit it out.

Ariolla: I don't know how!

Me: Think of the most grossest thing you can think of!

Ariolla thought about it and it was TRIPE STEW that she had and it made her hurl!

Ariolla: (VOMITS!)

She vomited big time!

All of us: Ew.

But nothing was in the contents of the throw up.

Me: Nothing.

Rainbow Dash: Guess we're gonna have to fight.

Ariolla: Just get me back to normal!

She then screamed and turned back into Another Ariel and she flew into the air and Rainbow Dash followed her and she flew fast and smashed her down and I caught the Wonder Ride Book and purified it. It was called The Storm of the Wind of Ariel.

Me: Cool.

I picked up Ariolla and brought her over to us.

Me: That did it.

Nico: Yep.

Me: Nice job R.D.

Rainbow Dash: That was awesome though.

Nico: Who's next?

Eli: Another Solar is next.

But then a massive flash of bright light shined in front of us.

Me: WHOA! That is bright!

Qin: WOW! Blinding!

Nico put on his shades and he saw a figure and it was a dark version of Solar! It was ANOTHER SOLAR!

Nico: Whoa! Another Solar! This one is bright!

Luan: This one is Illuminating. (LAUGHS) Get it?

We laughed at her joke!

Eddy: (LAUGHS) That was a good one.

Another Solar: (In a girls voice) Help me!

Me: (GASP) That voice!

It reverted back and was a girl with blond hair and had all yellow clothes and yellow angel wings and the symbol of Solar on her skirt, arm and forehead and she had Orange eyes.

Me: (GASP) Celestia Solar!

Nico: WHOA!

Celestia Solar: You have to help me!

Me: We'll try Celestia. Hold on.

Nico: Any volunteers?

Luan: I will do it.

Me: Okay Luan.

Luan went over to her.

Luan: Hold on Celestia.

Celestia Solar: It's too strong!

Luan: Just hang on.

She fired a wave of light and it hit her and she vomited up the Wonder Ride Book and I caught it and purified it. It was called THE CELESTIAL SUN OF LIGHT.

I went and brought her over.

Me: Good job Luan!

Qin: Yeah.

Me: 2 down.

Eli: Another Jirwolf is next.

Me: Okay.

Nico: I see her!

We saw a Star Wolf come out and it was a dark version of Another Jirwolf!

Qin: WHOA! This one is pretty.

Lola: Yeah!

Another Jirwolf: (In a girls voice) Help me J.D.!

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and had blue clothes and she had dark blue eyes and purple angel wings.

Me: (GASP) Veronica Jirwolf!

Nico: Oh man!

Veronica Jirwolf: Help me guys! I can't control this power!

Nicole: I'll face you Veronica. Hold on.

Nico: Go get her.

Nicole fired a wave of stars and knocked her down and I caught the Wonder Ride Book and purified it. It was called The Howl of The Star Wolf.

I flew over and brought her over.

Nico: Anyone else we're missing?

Eli: 2 more. Another Lunar is coming.

Me: Oh boy.

Then a bright light of moonlight came and out came a dark version of Lunar. It was called ANOTHER LUNAR!

Qin: Whoa Another Lunar.

Xenia: This one will be interesting.

Another Luna: (In a girls voice) Help me! Qin help!

Qin: (GASP) That voice!

She reverted back and it was a girl with dark blue hair and purple eyes and had purple clothes and she had blue angel wings.

Qin: (GASP) Tsuki! You're all right!

Tsuki Chen: (GRUNTS) Help me!

Qin: I'll save you!

Nico: I haven't seen Tsuki since she was a little girl. She has grown a lot.

Qin: That's right. She's my little sister. One of them.

Qin went over and fired waves of energy and smashed her down and I caught the Wonder Ride Book and purified it. It was called THE MOONLIGHT OF THE NIGHT ANGEL!

Qin brought her over.

Nico: We're getting close to Another Johnny 13.

Eli: Yep. Just one more and that's Another Umbra.

Me: Whoa this one is gonna be powerful.

Eli: Yep. It's also a Sailor Soldier too.

Me: A Sailor Soldier as well? Whoa!

Qin: Wow.

Then we saw a figure come out and it was a dark version of Umbra the Shadow Jaguar, Titan of Dimensions! It was ANOTHER UMBRA!

Me: Whoa! Another Umbra!

Qin: Wow!

Another Umbra: (In a girls voice) But good work saving the others.

Me: (GASP) That voice.

She reverted back and was a girl that had orange hair and purple and orange Sailor Soldier clothes on.

Me: (GASP) Minami Glaren A.K.A. Sailor Glaren!

Qin: Whoa! The Sailor Soldier of the planet Glaren.

Nico: Our battlefield planet.

Sailor Glaren: I saw all the craters, battle debris and scars and flaming rocks from all your battles and those were intense.

Nico: You're not just talking about today, right?

Me: I think she means from all the battles we had on Glaren over the years.

Nico: Oh. Right.

Xenia: But those were awesome battles.

Me: Yeah. Sorry we made a huge on your home planet.

Sailor Glaren: No worries guys but those were awesome and amazing battles you guys did.

Camie: They sure were awesome.

Me: We may have our big day battle on Glaren yet again because of the threat that Nemesis poses.

Sailor Glaren: I understand.

Nico: Or we could have it in Honeyhive Galaxy.

Nicole: I remember the Honeyhive Galaxy from Super Mario Galaxy.

Qin: That was one of my favorites because of how Mario got bee powers.

Xenia: Yep.

Sailor Glaren: That is cool.

Me: By the way Minami any other opponents with you?

Nico: We pretty much know what's coming J.D.

Me: I know but that question is always going to be mandatory.

Nico: Oh right.

Sailor Glaren: Actually yes there is. Another version of him.

She pointed to Johnny 13.

Johnny 13: Another version of me!? Wow!

Sailor Glaren: Yep.

Me: Friendly or hostile?

Sailor Glaren: Friendly and this one is quite a Motorcycle driver.

Nico: I have a feeling this one will be awesome.

Me: Yep.

Leni: But I will totes face you.

Sailor Glaren: Okay then.

Nico: Remember, Leni. Eyes on the opponent.

Me: You can do it Leni.

Leni: I will.

Sailor Glaren: Here we go.

She turned into Another Umbra and Leni fired waves of gravity energy and smashed her down and I caught the Wonder Ride Book and purified it. It was called GLAREN'S BATTLESTORM OF JUSTICE!

I went over and picked up Sailor Glaren and brought her over.

Nico: Awesome job Leni!

Leni: Thanks Nico.

Me: Not done yet though.

Johnny 13: I have a feeling this will be fun.

Nico: Yep.

Then we heard motorcycle revving.

Johnny 13: That's not mine!

Ghost Rider: Not mine either.

Me: I think the gang is coming!

We saw a dust trail coming and we saw a dark version of Johnny 13 coming! It was ANOTHER JOHNNY 13!

Me: There she is!

Nico: Wow!

Another Johnny 13 pulled up to us.

Me: Hey cool ride.

Nico: I'll say.

Another Johnny 13: (In a girls voice) Hey thanks. And it's good to see you again J.D.

Me: I knew it was going to be you Felicia Hellfire Roland.

Another Johnny 13: Yeah it's me guys.

Nico: You know her?

Me: Yep. She's a member of the Hells Angels Motorcycle gang.

Qin: Wicked!

Kaito: (Gets out Gokaiger gear) Did Swartz promise you anything?

Zocks: (Gets out Go Busters gear) Because we can grant it instead.

Kaito got a Gokaiger blaster and sword and Zocks got a Beast X Blaster.

Another Johnny 13: Just to bring the members of evil Motorcycle gangs to justice.

Me: We can easily do that. In fact we get into fights with motorcycle gangs all the time. We use a place called the Bike and Brawl as a trap and then we beat the living shit out of them and deliver them to the cops.

Qin: Yeah it's great.

Another Johnny 13: That is awesome!

Nico: Yep.

Me: Too bad we didn't bring our cars for this.

Nico: Yeah.

Rainbow Dash: But this will still be awesome.

Another Johnny 13: I know. Come at me guys and don't hold back.

Me: We won't.

(GHOST RIDERS IN THE SKY BY SPIDERBAIT PLAYS)

Ghost Rider: Lets ride!

He transformed and revved his engine and we went after Another Johnny 13.

Sougo: (gets out Super Megaforce Ridewatch) We can always use our Ridestrikers for this.

Geiz: (gets out Beast Morphers Ridewatch) But then, we would fall off when using our Ridewatches)

Sougo got SuperMegaforceRedArmor while Geiz got RedBeastMorpherArmor.

Me: We could. But I like either flying or riding on my Rapidash.

Xenia: Yeah!

Me: This will be awesome.

I pulled out a shotgun and used Ghost Rider's powers and turned it into a Hellfire Blaze Gun!

Nico: NICE!

I fired a blast of fire and it hit Another Johnny 13 on the ground and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Camie: Nice shot!

Lola: Yeah!

Nico: (gets out Johnny 13's Ridewatch) Motorcycle action isn't a bad idea!

Nico activated it.

Nico: SHADOW BLAST HER!

Johnny 13's Shadow came and fired energy blasts and smashed her all over!

Me: Nice one!

Johnny 13: Great job Nico!

Nico: Thanks.

Qin: YEAH!

Nico: (gets out Boil Man's Ridewatch) Time for things to boil!

Nico activated it and fired waves of scalding hot water and she dodged them.

I fired waves of energy and smashed her all over.

Ghost Rider fired waves of fire and smashed her down.

Qin: YEAH!

May: This is gonna hurt. (ACTIVATES CROW'S RIDEWATCH!)

She fired waves of darkness and smashed her all over.

May: Time to roll! (ACTIVATES ORB BOT'S RIDEWATCH)

She fired waves of energy and smashed her all over.

Maria: (Speaking in Korean) 이것은 수정으로 가득 찬 고통의 근원이 될 것입니다. (This is gonna be a crystal filled source of pain.) (ACTIVATES LEE"S RIDEWATCH)

She fired waves of energy and rainbows and magic and smashed her down.

Maria: Try this! (ACTIVATES UNIVERSE 666 CAPTAIN GUTT AND CREW'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Time to use the Masters of Evil Cannon!

Me: And to fight Motorcycles with Motorcycles.

Maria: (TURNS DIAL) JAMAICAN FORCE 6 MON!

She summoned Kangor, Evil Star Man, Giant Palm, Slyther, Springload, and James Nixon McGarfield, 1984 Terminator, Evil Nitro Man and the Six Gum Gang!

Nico: YEAH!

Qin: This is gonna be awesome.

Then Speed Demon and his team consisting of Reverse Flash, Universe 666 Cull Obsidian, Universe 666 Sailor Saturn the Dark Sailor Soldier, Firestorm Prometheus and Mucus then came.

Nico: Nice team, Speed Demon!

Speed Demon: Thanks guys.

Reverse Flash: This is gonna be awesome.

Chester Cheetah: My turn!

He activated Boil Man's ridewatch and fired scalding nacho cheese and smashed her down!

Me: Dangerously cheesy!

Qin: YEAH!

Lola: Oh yeah!

Then we saw something spinning and coming right at Another Johnny 13.

Maria: What's that?

We saw that it was a Hitmontop!

Qin: Hey it's a Hitmontop!

Xenia: Wow this one really is spinning!

Maria: It must be the next Gene Slammer!

Me: I'm getting dizzy just watching!

It hit Another Johnny 13 and smashed her down and I caught the Ridewatch she had and purified it and I went over to Felicia and picked her up. She was a girl with black hair and had black clothes and a black Hell's Angels vest on.

Felicia Hellfire Roland: (GROANS) What a crash.

Me: Sorry about that Felicia.

POW!

She punched me in the face.

Me: OW! What the heck was that for?

Felicia Hellfire Roland: That was because I missed you.

Me: You know there are other ways to say you do.

I brought her over.

Hitmontop then stopped.

Me: That was awesome spinning there.

Hitmontop: (In a girls voice) Thanks.

Nico: (GASP) Caitlin Cuillinane! Whoa!

Me: Another friend of yours from school?

Nico: Yep. Caitlin is a friend from fight club.

Me: Fight Club huh? Nice.

Chester Cheetah: What's your favorite memory of Nico?

Hitmontop: My favorite is when me and Nico kicked Billy Exetor's butt.

Sylvia Exetor: Ah my stupid little brother. Always has been a pain in my ass.

Me: I never knew you had a brother Sylvia.

Sylvia Exetor: I don't talk about him. I hate him with every fiber of my being. He was born a mistake.

Nico: She has issues with him. Lets leave it at that.

Qin: Oh boy.

Nico: Yeah.

Me: Lets get you back to normal. (Puts on blind man glasses)

Nico pulled out a blue leotard.

The boys covered their eyes and I snapped my fingers and she reverted back and was a girl with black hair and had blue eyes and Nico gave her the leotard and she put it on.

Caitlin Cuillinane: (GROANS) That was rough.

Nico and Caitlin hugged.

Nico: I've really missed you.

Caitlin Cuillinane: Me too Nico. Me too.

Qin: That was awesome though.

Caitlin: This leotard feels tight though

Me: It'll fit you Caitlin.

Qin: Yeah. But that was awesome how you gave Billy the worst wedgie ever.

Caitlin: I know. That was awesome and funny.

Camie: It sure was.

Laney: Sylvia why do you hate your brother so much?

Sylvia Exetor: I don't like talking about it but you guys have a right to know.

Nico: Sylvia you don't have to tell us.

Sylvia Exetor: No I want to tell you guys just to get it off my chest. Me and my brother hate each other because Billy is a Sociopathic monster and I was born a goth girl. It was bad blood ever since he was born. I knew there was darkness in his heart from day one. He did some horrible crimes that make him a monster. He's like Amy McKale. But not as bad.

Nico: Yeah Sylvia hated him ever since.

Qin: Yeah he was a nasty piece of work.

Me: In other words one seriously nasty and dark piece of shit.

Sylvia Exetor: Yeah.

We went back home.

And even worse, he's also the son of Antonio Maldonado, the leader of The Order of Nuestra Señora de la Santa Muerte, and he, like his father, has killed many innocent people and all for his devotion to Santa Muerte and Black Santeria. When his crimes were exposed, he went mad and tried to kill The Aquatic Swim Club once again, but he was defeated, expelled, and he was sent to prison for life, but like his father and the other members of The Order of Nuestra Señora de la Santa Muerte, his life sentence was upgraded to death. But, before his death sentence could be carried out, he escaped from prison, now he's out for revenge, but we're not going to let him get away with this, he's going to meet his maker right before we also kill his equally religiously insane evil father after we destroy The Dark Nebula and Nemesis.

Lincoln: Whoa, we're here in the Balkans, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're also going to destroy Moreno Maldonado.

Nico: I can tell I'm not going to like this guy.

Lincoln: You're right about that one, Nico: he's a cruel, remorseless, evil bully who's caused tons of havoc in Royal Woods before it became Gotham Royal York, and he's tried to kill The Aquatic Swim Club many times before only to fail at every turn.

Jessica Rosearanae: (Spanish Accent) He was the worst kind of monster, and to make things worse, he's also the son of Antonio Maldonado, the leader of The Order of Nuestra Señora de la Santa Muerte, and he, like his father, has killed many innocent people and all for his devotion to Santa Muerte and Black Santeria.

Me: This is no coincidence though, because not only are we going after Dark Nebula and Nemesis today, but we're going to destroy the last of The Order of Nuestra Señora de la Santa, Antonio Maldonado.

Nanami Shironagasukujira: (Japanese Accent) That's right. And after Moreno's crimes were exposed, he went mad and tried to kill The Aquatic Swim Club once again, but he was defeated, expelled, and he was sent to prison for life.

Mimi Zǐfúfèn: (Chinese Accent) But like his father and all the other members of The Order of Nuestra Señora de la Santa Muerte, Moreno Maldonado's life sentence was upgraded to death.

Rika Pinguinod'oro: (Italian Accent) We thought we'd finally be rid of him, but we were wrong.

Yolei Dulfayn'akhdar: (Arabic Accent) That's right, before his death sentence could be carried out, he escaped from prison, now he's out for revenge, but we're not going to let him get away with this, he's going to meet his maker right before we also kill his equally religiously insane evil father after we destroy The Dark Nebula and Nemesis.

Lincoln: That's right, girls, and we'll also piss off Antonio Maldonado even more by killing his equally religiously insane son before we send his father to join him, and I want to thank you and your team for joining us, Duncan.

Duncan: No problem, Lincoln. Plus, it's good we're getting rid of Moreno Maldonado, when I was in Juvie, I'd heard a lot of things this guy did, and it's not pretty.

Nico: In other words, he's just like his father in every single way possible.

Suddenly, we saw The Weather Painter Rain appear before us, and with her are the nine girls.

Nico: Whoa, that's The Weather Painter Rain, awesome.

Weather Painter Cloud: (Girl's voice) That's right, and I got the nine girls away from that murderous religious fanatic and heretic, Moreno Maldonado, and I wound up pissing him off even more.

Lincoln: (Gasps) That voice, Rayne Dodola, I knew it was you, it's awesome to see you again, but we'll talk later.

?: (ENRAGED SCREAMING) (Spanish Accent) YOU WILL PAY FOR RUINING THE SACRIFICIAL RITUAL TO SANTA MUERTE!

We then saw our target, a man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Moreno Maldonado, the son of Antonio Maldonado, leader of The Order of Nuestra Señora de la Santa Muerte, and he was outright pissed off.

Lincoln: Whoa, you really made him mad, Rayne, now we can finish him off once and for all.

Then, Lincoln fired energy blades from a swing of his massive greatsword at Moreno Maldonado and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Moreno Maldonado and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Lincoln gave Moreno Maldonado The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation, just like your father and the rest of The Order of Nuestra Señora de la Santa Muerte. (To Rayne Dodola) And it's so good to see you again, Rayne Dodola.

Rayne Dodola reverted back to normal, and she's a beautiful girl with long indigo hair, indigo eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful indigo angel wings and she reigned in the power of Weather Painter Rain, she's dressed in a sleeveless indigo blouse, sleeveless indigo midriff top, indigo skirt, indigo pants, indigo knee-high high-heeled boots, and long white sleeveless trenchcoat with indigo lights, rain, paints, and angels on the coattails and on the back is Weather Painter Rain and holstered on her back is a massive Weather Painter Rain-themed greatsword with embedded indigo gems and Weather Painter Rain etched on the 7'0" massive, wide, double-edged indigo blade, large Weather Painter Rain heads for the crossguard, large indigo gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Rain heads and large violet gem on the bottom of the large Weather Painter Rain heads for the pommel.

Rayne Dodola: You too, Lincoln, it's been such a long time.

Lincoln went up to Rayne Dodola and he hugged her, and Rayne Dodola is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Rayne Dodola: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Rayne Dodola, she's my Guardian Angel from Michigan and my classmate in Art, and she was born amazing and incredibly powerful powers over the rain and the indigo color of the spectrum, and she's also recognizable because of her indigo hair and massive and beautiful indigo angel wings. She, Laney, Althea, Nephele, and I painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Me: They painted some amazing paintings there, and they were really awesome.

Nico: Awesome.

Lincoln: And it gets even more awesome, Rayne Dodola is also the daughter of Dodola, the Slavic Goddess of Rain.

Eli: Whoa!

Timmy Turner: And like with Althea Iridiana and Nephele Zephyrine, Rayne Dodola is also my cousin, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates my parents for their constant stupidity for always leaving me alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and my other despicable enemies as well.

Rayne Dodola: That's right. I can't believe that my aunt and uncle could be so stupid as to leave my own cousin at the hands of that demonic babysitter, even neglecting the fact that they have a son, and I want nothing more than to see those two put in jail for the rest of their… !

Timmy ran up to Nephele Zephyrine and hugged her to cool her down, and she hugged him back.

Timmy Turner: I haven't even forgotten how much you hated my parents and despised Icky Vicky, Francis, Crocker, and my other enemies as well, Rayne. But, it's also good to see you again.

Rayne Dodola: You too, Timmy, and you've really grown up a lot since last we met.

Lincoln: Timmy joined us over six years ago, and soon it'll be seven years to the day that he joined us, and he'll be seventeen soon. Plus, we also put that demonic babysitter in as humiliation fodder, threw Francis in prison, gave Crocker The Black Gates, and many of Timmy's other enemies are either in The Masters of Evil or sent to The Black Gates as well.

Rayne Dodola: Awesome. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Rayne Dodola: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Rayne Dodola: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Rayne Dodola, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rayne Dodola: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rayne Dodola's neck with indigo gems on the gold lightning bolts and indigo crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rayne Dodola: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rayne Dodola.

Rayne Dodola had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln who they were, he immediately recognized them. The nine girls are Anzu Hoshino and Saki Takamine from Romantic Killer, Momo Kashiwabara, Hina Tachibana, and Rui Tachibana from Domestic Girlfriend, and Rika Hoshizaki, Nagisa Minase, Saki Saki, and Shino Kiryuu from Girlfriend, Girlfriend.

Lincoln: Oh wow, it's Anzu Hoshino and Saki Takamine from Romantic Killer, Momo Kashiwabara, Hina Tachibana, and Rui Tachibana from Domestic Girlfriend, and Rika Hoshizaki, Nagisa Minase, Saki Saki, and Shino Kiryuu from Girlfriend, Girlfriend.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Anzu Hoshino: Yes, we're okay, thanks to you.

Then, when Anzu Hoshino and the other eight girls saw who it was that saved them from that fanatic and heretic Moreno Maldonado, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Anzu Hoshino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Anzu Hoshino: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anzu Hoshino, Saki Takamine, Momo Kashiwabara, Hina Tachibana, Rui Tachibana, Rika Hoshizaki, Nagisa Minase, Saki Saki, and Shino Kiryuu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Moreno Maldonado, a cruel, remorseless, evil bully who'd caused tons of havoc in Royal Woods before it became Gotham Royal York, and he'd tried to kill The

Aquatic Swim Club many times before only to fail at every turn, and even worse, he's also the son of Antonio Maldonado, the leader of The Order of Nuestra Señora de la Santa Muerte, and he, like his father, had killed many innocent people and all for his devotion to Santa Muerte and Black Santeria. When his crimes were exposed, he went mad and tried to kill The Aquatic Swim Club once again, but he was defeated, expelled, and he was sent to prison for life, but like his father and the other members of The Order of Nuestra Señora de la Santa Muerte, his life sentence was upgraded to death. But, before his death sentence could be carried out, he escaped from prison, and he was out wanting revenge.

But, when Lincoln showed what we all did in beating him down and Lincoln finishing him off by firing a blood red and black energy beam which hit Moreno Maldonado and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and Lincoln gave him The Black Gates for good when his spirit appeared, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Rayne Dodola have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that Moreno Maldonado tried to kill you guys numerous times, and even worse, he's also the son of Antonio Maldonado.

Lincoln: None of us didn't know about it, until Maria Garcia told us about that monster long before we had him expelled years ago. But, at least, we killed him, and it's a prelude to our final showdown with Antonio Maldonado, right after we destroy Dark Nebula and Nemesis.

Nico: You got that right, Linc. Plus, I also want to hear about what memories The Aquatic Swim Club had with you.

---

After finally destroying Moreno Maldonado and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rayne Dodola saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rayne Dodola: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rayne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rayne Dodola: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Rayne Dodola: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Jessica, Nanami, Yolei, Mimi, Rika, and Rayne, what memories did you have with Lincoln?

Jessica Rosearanae: (Spanish Accent) Oh, we have one that we still remember to this day, and it also involved us clobbering Lynn. One day, Lincoln and I were at the swimming pool at our gym, and we were doing some swimming practice because we had a swimming competition the next day. But, then, we'd heard the sound of a loud burp in the air, and we knew who it was: Lynn. If she was out to cause us grief again, she was in for one brutal pounding, so some of the Guardian Angels then went outside to catch her and clobber her. But, what they didn't know was that she snuck in through the back, and she dived into the pool. But, we saw something in the water, and we saw who it was, it was Lynn. But, before she could grab and yank off Lincoln's swim shorts, we swam after Lynn and punched her hard in the face and sent her flying out of the pool, and when we told the rest of The Guardian Angels of what Lynn tried to do after they came back in, they pounced on and pummeled her.

Nanami Shironagasukujira: (Japanese Accent) Then, we made her sing like a canary and she told us of what she planned to do: which was grab Lincoln's swim shorts and yank them off and get him to chase her into a trap and all for a cruel prank she'd set up: to photograph him naked and have him humiliated at the competition the next day by posting the picture on the internet. We were absolutely mad at Lynn big time for that, and we'd already pummeled her. So, we did the second bad thing to happen to her: we called Luna, and after we told her of what Lynn tried to do, she rushed in and grabbed Lynn and she dragged her back to The Loud House.

Mimi Zǐfúfèn: (Chinese Accent) We then finished our training, and we went back to The Loud House, and we found out the parents grounded Lynn for a week, but she didn't do this to get an advantage in the competition, in fact, she wasn't even allowed to compete in any swimming competitions due to her aggressive nature. So, she did this to humiliate her own brother in front of everyone, so that he'd chicken out of the competition, and she'd ruin his reputation.

Yolei Dulfayn'akhdar: (Arabic Accent) But it didn't work, the next day: the day of the competition: Lincoln and all of us won the competition.

Rika Pinguinod'oro: (Italian Accent) We never tolerated Lynn's dumb stunts, but what she tried to do, that was by far the lowest stunt ever, and we gave her her just desserts.

Nico: I would've expected this sort of thing from Luan because of her Dark Side, but when it comes to competitions, I think we can expect that from Lynn when her Dark Side takes over.

Me: Yep, that sore loser Dark Lynn went too far, now we're really glad she got The Black Gates forever.

Rayne Dodola: She really was a sore loser, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, and I were working on a huge art project in Art Class, we were asked to create a mural of Michigan to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired rain and indigo energy blasts at them and it washed away Lori and Lola's make-up, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to

Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Rayne Dodola: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, and Rayne, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Nico: That stupid killjoy, I ought to beat his brains in, if he even had any, and I'd make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

We got a shower, and then, Lincoln, Maud Pie, Doo Wop, and Sunny Sugarsocks are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Maud Pie, Doo Wop, and Sunny Sugarsocks were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Maud Pie, Doo Wop, and Sunny Sugarsocks had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Sunny Sugarsocks: Wow, so this is Emerald Coast, awesome.

Lincoln: I've been here many times before, Sunny, and it's always awesome. Plus, I found out there's some Gene-Slammers here in Emerald Coast, shall we?

Lincoln, Maud Pie, Doo Wop, and Sunny Sugarsocks dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they back to the beach and they also had a game of volleyball, and Maud Pie, Doo Wop, and Sunny Sugarsocks got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

?: (Wolf Whistles) Looks like our favorite white-haired handsome hunk's still been hitting the gym like crazy, look at those abnormally massive and powerful upper and lower body muscles and eight-pack abs really hard at work.

?: (Japanese Accent) Along with those thirteen massive and long white wolf tails, and you changed your swimwear, and you look even more sexier in a speedo. Rawr!

Nadia Furīzuhāto: (Japanese Accent) You too, Lincoln, it's been a long time, Thunderstorm Zapdos.

Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà went up to Lincoln, who hugged each of them, and Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you six since you were six, and as you can see, I really grew a lot since then.

Jasmine Wallflower: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Doo Wop: I knew it, they must be more of your Guardian Angels, Lincoln. But, who are they? And why did one of them call you Thunderstorm Zapdos?

Lincoln: Glad you asked, Doo Wop. These six girls are members of The Galaxy Pokemon Heroes, a team of Pokemon Trainers dedicated to protecting the Pokemon world from the forces of evil. They moved to Royal Woods when they and I were 6 years old, and they also love to wear their bikinis underneath their clothes in case they and I go swimming which is most of the time. I'm also one of the members of the Galaxy Pokemon Heroes, and I'm known as Lincoln, The Thunderstorm Zapdos. We have watched the Pokemon anime and played the Pokemon games since the first generation. We also do swimming and aquatic activities for charity, and as you can see, I made each of the other members of the Galaxy Pokemon Heroes a Pokemon themed bikini, and to show thanks, each of the other members of the Galaxy Pokemon Heroes kissed me on the lips underwater, and they hate the jerks and Team Rocket with a passion.

Nadia Furīzuhāto: (Japanese Accent) That's right, but when we heard of Jessie, James, and Meowth getting canned before the attack on Giovanni and also you guys turning them to good, we were really stunned, but Giovanni never treated them with any respect whatsoever, and allow us to introduce ourselves. My name is Nadia Furīzuhāto, Gene-Slammer of Mammott, I'm Lincoln's Guardian Angel from Japan and classmate in Math, and I'm known as Blizzard Articuno, because I specialize in Ice Pokemon. My last name, Furīzuhāto, means Freeze Heart in Japanese. Lincoln and I both love to play in the snow in the wintertime or whenever we're in the mountains, and we also love to swim as well, and as you can see, Lincoln made me an Articuno themed bikini, and to show thanks, I kissed Lincoln on the lips underwater. I'm the twin sister of Candice, and I hate Billy McLean with a passion.

Jasmine Waterflower: I am Jasmine Waterflower, Gene-Slammer of Toe Jammer, I'm Lincoln's Guardian Angel from New York and classmate in Science, and I'm known as Tidal Wave Kyogre, because I specialize in Water Pokemon. Lincoln and I love to swim with sea creatures and even swim with Water Pokemon, and we both love to make sand castles too, and as you can see, Lincoln made me a Kyogre-themed bikini and to show thanks, I kissed Lincoln on the lips underwater. I'm also the twin sister of Misty and I hate Lila Rossi with a passion.

Pebbles Harrison: I am Pebbles Harrison, Gene-Slammer of Groudon, I'm Lincoln's Guardian Angel from Kentucky and classmate in Art, and I'm known as Earthquake Groudon, because I specialize in Rock Pokemon. Lincoln and I love to explore the caves and we also love to swim as well. We also love to check out rocks and see what minerals are in them, and as you can see, Lincoln made me a Groudon-themed bikini, and to show thanks, I kissed Lincoln on the lips underwater. I'm also the twin sister of Brock, and I hate Flip with a passion.

Sheena Grassheart: I am Sheena Grassheart, Gene-Slammer of Potbelly, I'm Lincoln's Guardian Angel from New York and classmate in Gym, and I'm known as Leafstorm Tapu Bulu, because I specialize in Leaf Pokemon. Lincoln and I would plant various crops including a variety of cherries and apricots, and we also love to swim as well, and as you can see, Lincoln made me a Tapu Bulu themed bikini, and to show thanks, I kissed Lincoln on the lips underwater. I'm also the sister of Erika, and I hate Icky Vicky with a passion.

Molly Jetstream: I am Molly Jetstream, Gene-Slammer of Tweedle, I'm Lincoln's Guardian Angel from Minnesota and classmate in Art, and I'm known as Cyclone Rayquaza, because I specialize in Flying Type Pokemon. Lincoln and I would look at the clouds and play in the rain, and we also love to swim as well, and as you can see, Lincoln made me a Rayquaza themed bikini, and to show thanks, I kissed Lincoln on the lips underwater. I'm also the cousin of Ash Ketchum and I hate The Wet Bandits with a passion.

Nina Huǒjùbàozhà: (Chinese Accent) And I'm Nina Huǒjùbàozhà, Gene-Slammer of Kayna, I'm Lincoln's Guardian Angel from China and classmate in Math, and I'm known as Firestorm Moltres, because I specialize in Fire Pokemon. My last name, Huǒjùbàozhà, means Torch Blast in Chinese. Lincoln and I, alongside Lisa, love to experiment with fire in safe conditions and with safety precautions, and Lincoln and I love to swim as well, and as you can see, Lincoln made me a Moltres-themed bikini, and to show thanks, I kissed Lincoln underwater. I'm also the cousin of Gary Oak, and I hate Trina Riffins with a passion.

Maud Pie: That's interesting, and we also have something in common, Pebbles: a love for rocks, and to see what minerals are in them.

Lincoln: We'd been keeping a journal entry on them ever since, and you girls are in for awesome huge reunion when we get back. But, first things first.

Lincoln went up to each member of The Pokemon Galaxy Heroes, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nadia Furīzuhāto: (Japanese Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Jasmine Waterflower: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà.

Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Maud Pie, Doo Wop, Sunny Sugarsocks, Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà, and they hugged the girls in their abnormally massive and powerful muscular arms, and Maud Pie, Doo Wop, Sunny Sugarsocks, Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lori: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maud Pie, Doo Wop, and Sunny Sugarsocks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Maud Pie, Doo Wop, and Sunny Sugarsocks had the hots for Lincoln. (Sees Nadia Furīzuhāto, Jasmine Waterflower, Pebbles Harrison, Sheena Grassheart, Molly Jetstream, and Nina Huǒjùbàozhà) Whoa, and who are these six?

Lincoln told them everything, and they were stunned.

Me: Whoa, so you also ran into six of your Guardian Angels while at Bubblaine, that's really awesome.

May: And I didn't know you guys formed a club dedicated to protecting the Pokemon world from evil, and one of those evils is Team Rocket.

Lincoln: Along with the other Villain Teams, May.

Dawn (Pokemon): And you're also a member of The Pokemon Galaxy Heroes, which explains your moniker as Lincoln, The Thunderstorm Zapdos, and each of them have monikers, because of their Elemental Pokemon team and the Legendary Pokemon they represent, incredible.

Me: It sure is, wow!

Lincoln: Yep, and Villain Teams of The Regions, beware, The Pokemon Galaxy Heroes are back!

Pokemon Galaxy Heroes: And we shall make you all pay for your crimes against the Pokemon World in full, along with your crimes against mankind!

Elemental forces appeared from nowhere, along with the Elemental Pokemon of said element.

Nico: Whoa!

---

Later it was time for Yan Lin's Final mission.

William: Anyone else want to go with Yan Lin? Besides Izuku and Hitoshi?

Fiona Hernandez: Me and my sisters will go with.

Nico: I had a feeling you would girls.

Xenia: You guys have fun.

May: I might as well come with too.

Nico: Okay May.

Lincoln: And me and my siblings will come with as well.

Nico: Okay then. This will be awesome.

Me: This is gonna be so awesome.

Nico: Yep. Lets go guys.

We were off to California.

---

We arrived.

Jim Lake: Hey guys!

Me: What's up guys.

Yan Lin: Jim, meet Izuku and Hitoshi.

Izuku: Awesome to meet you guys. Izuku Midoriya, member of U.A. Academy and Hero in training.

Hitoshi: And I'm Hitoshi Hidaka, leader of the Hibiki Kamen Rider team.

Toby: Awesome to meet you guys.

May: I'm May Chan, Nico's awesome wive.

Nico: Yep.

Me: And these are the Hernandez sisters.

Fiona: Awesome to meet you guys. I'm Fiona Hernandez.

Maria: I'm Maria Hernandez.

Nicole: I'm Nicole Hernandez.

Natasha: And I'm Natasha Hernandez.

Toby: Wow awesome to meet you girls.

Jim Lake: Your dresses are amazing.

Fiona Hernandez: Thanks. We get that a lot.

Me: And these are the Loud Siblings.

Lincoln: Awesome to meet you guys. Lincoln Loud.

Lori: I'm Lori.

Leni: My name is Leni.

Luna: Sup dudes. I'm Luna.

Luan: Hey I'm Luan.

Lynn: Name's Lynn Jr.

Linka: I'm Linka.

Lyra: I'm Lyra.

Laney: I'm Laney.

Lana: My name is Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Jim Lake: Wow! That's a lot of kids. Awesome to meet you guys.

Lincoln: Same here.

Me: Yeah and their mom and dad thought it would be cute if all their names started with the letter L.

Nico: Yep.

Me: (Whispers to Jim) They come from a family that doesn't believe in condoms.

Jim snickered at that one.

Jim: Lincoln, are you guys really gonna go through with leaving Gothal Royal York for the Ridonculous Race?

Lincoln: Why the Hell not? It's not like the public has done anything to get us to keep defending them. During the Team Buktu incident, they turned against us for the second time, chose Albedo's teammates over us, threw rotten tomatoes at us, and the icing on the cake? J.D.'s rant got interrupted!

Me: Okay now lets calm down. Besides it's all over in the past.

Nico: You just had to bring that up didn't you.

Jim Lake: Sorry.

Me: Besides that's over.

Toby: C'mon. Are you guys really gonna leave everyone unprotected just because J.D.'s rant got interrupted?

Me: That's irrelevant to the situation back then.

Toby: Oh.

Lincoln: Yeah. We're gonna have some fun traveling the world.

Nico: Yeah we have our security system to look out for everyone while we're gone.

Eli: That's true.

Me: Jim we appreciate your concern but we got everything under control.

Nico: Yeah we're going to be fine.

Lola: Yeah. Lincoln you need to get over that incident.

Lily: Yeah bro it happened long ago and we need to get over that.

Lincoln: Oh you're right guys. I'm sorry guys.

Me: No worries.

Jim: (to Izuku) So, how does it feel to have one of your fellow heroes be in J.D.'s harem?

Izuku: It feels awesome.

Nico: It sure does.

Me: And also thanks to the Hernandez sisters we cured one of their most dangerous enemies of a dangerously unstable Quirk.

Fiona Hernandez: It's true. Himiko's quirk was going to destroy her had something not been done.

Nicole Hernandez: With our powers we cured her and made her a better person.

Will Vandom: They sure did and it was awesome.

Steve then came over to us holding his left eye.

Jim: What do you want now, Steve?

Steve groaned as he revealed that he had a black left eye.

We gasped!

Me: (WHISTLES) Nice shiner!

Nico: Who did that?

Steve: Claire did this!

Me: Claire did!?

Nico: Why?

Steve: I was just trying to return her pencil and then she punched me.

Eli: That wasn't very nice!

Me: Speaking of which, where is Claire?

Yan Lin: Yeah we haven't seen her since we got here.

Steve: Don't blame me for this. But she's been acting like a bad girl.

Jim: Okay, Claire's been blowing us off ever since the last visit. And she's engaging in questionable behavior.

Toby: Yeah! Like hangout out with bad boys and getting into more fights with students.

Me: Hmm. (GASP) Oh no! It's Morgana!

Eli: Oh man! I sense it! Morgana has already started to take over her!

Lola: Morgana!? You mean Morgan Le Fay!?

Fiona Hernandez: Oh man! This is not good!

Nicole Hernandez: We got to get her out of her!

May: We got to help her!

Nico: (to Steve) Steve, for once, you didn't cause anything. And we're very sorry about this. My suggestion? Go to the Nurse's office to get that black eye looked at.

Me: Yeah lets hope that shiner didn't damage it.

Steve: For once you'll get no argument from me.

Steve went to the Nurse.

Me: We got to find Claire and fast.

Nico: Where is she right now?!

Jim Lake: She's over at the school.

Me: Lets get over there.

Eli: She's in the gym. I sense it.

Catherine Arthur: (British Accent) Looks like me and Morgana have over 1,500 years of unfinished business to settle.

Toby: Oh boy.

Me: Jim you better power up.

Jim Lake: Right. FOR THE GLORY OF MERLIN, DAYLIGHT IS MINE TO COMMAND!

He donned his armor!

Lori: Wow! That is literally awesome!

Jim: Thanks Lori.

We were off to the school.

We arrived at the gym and saw Claire.

Me: Claire!

She saw us.

Nico: Claire, please. Let us help.

Claire: You want to help? Here's how! (gives Lincoln weed)

Lincoln: What's this?

Claire: Weed. Smoke it or I'm gonna beat your ass!

Me: I'd like to see you try.

Lincoln threw it away.

Me: And you can drop the act!

Catherine Arthur: Yeah! Come on out Morgan Le Fay!

Claire laughed and it turned malevolent.

Lori: Lincoln's literally not gonna smoke weed. He's too young!

Me: Yeah!

Claire: Then he will die!

Her eyes turned black and dangerous!

Morgan Le Fay: (Through Claire) Now you will suffer!

Catherine Arthur: You and I have 1,500 years of catching up to do.

Morgan Le Fay: Catherine Arthur. How have you been after all these years?

Catherine Arthur: Still living. Just waiting to kill you for everything you did. Your dark side anyway!

Morgan Le Fay: I see. (To me) And who are you?

Me: I see you don't recognize me after all this time. You may not recognize me now but years ago I helped Jim and friends take you down when you were about to unleash the Eternal Night.

Morgan Le Fay: It can't be!? J.D. Knudson!?

Me: That's right! I'm back, Stronger and more powerful than ever before.

I then went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) Time to make you pay.

Hitoshi: I think drugs are the last straw. (pings his device)

He transformed!

Nico: And he is not alone either! (GOES SUPER SAIYAN!)

Me: This is gonna be good.

Nico: (gets out Pied Piper and Dayu's Ridewatches) I haven't used these yesterday!

Nico activated them and fired waves of magic and blasted her all over.

Me: We got to get Morgan out of her.

Lori: But how?

Fiona Hernandez: Remember what we just talked about a while ago?

Me: Yeah I do. But can you remind me just in case.

Maria Hernandez: We can try.

Fiona Hernandez: It's the same way we cured Himiko.

Me: Oh right! Go for it girls!

Nico: Eli!

Eli: I'm way ahead of you!

He held her in place with the Force.

They got into formation.

Hernandez Sisters: (CHANTING THE LORDS PRAYER)

Our Father, which art in heaven,

Hallowed be thy Name;

Thy kingdom come;

Thy will be done

in earth, as it is in heaven:

Give us this day our daily bread;

And forgive us our trespasses,

as we forgive them that trespass against us;

And lead us not into temptation,

But deliver us from evil;

For thine is the kingdom,

the power, and the glory,

For ever and ever.

Amen.

EVIL SPIRIT EXORCISM FORMATION!

They glowed in auras of red, yellow, blue and black and then the evil spirit of Morgan Le Fey left Claire! It materialized and formed into MORGAN LE FAY!

---

Morgana le Fay is a major character in the Tales of Arcadia franchise. She serves as the main antagonist of the first installment Trollhunters, specifically serving as the unseen overarching antagonist of Part 1, the overarching antagonist of Part 2 and the main antagonist of Part 3, an unseen antagonist in the second installment 3Below, a major character in the third installment Wizards, and a posthumous character in Trollhunters: Rise of the Titans.

She also appears as the overarching antagonist of the Trollhunters novel series, appearing in Age of the Amulet, The Way of the Wizard, and Angor Reborn, and is mentioned in the Dark Horse graphic novel The Felled. She is the main antagonist of the video game Trollhunters: Defenders of Arcadia.

She is a powerful witch who was Merlin's pupil before she betrayed him and became his sworn enemy, and served as Claire Nuñez's possessor. Being merciless and sadistic, Morgana's ultimate goal was to unleash the Eternal Night upon the world and destroy mankind through Gunmar and the Gumm-Gumms. She was also Angor Rot's mistress before his redemption and King Arthur's sister, as well as one of Bellroc and Skrael's pawns before her own redemption.

She is voiced by Lena Headey, who also played Ma-Ma in Dredd, Aunt Grandma in Uncle Grampa, Cersei Lannister in Game of

Thrones, and Big Mama in Rise of the Teenage Mutant Ninja Turtles.

Morgana was the sister of King Arthur and childhood friend of Guinevere. As children, the three of them often went into the Wild Woods to play together to escape their troubles. However, while Arthur viewed magical creatures as dangerous and demonic, Morgana and Guinevere loved them, and even came across Nari, who they didn't know was part of the Arcane Order. Morgana and Arthur's different beliefs on magical beings weakened their bond, and it weakened more when she proved capable of using magic.

Morgana watching Guinevere's death in horror.

Eventually, Morgana became Merlin's student with whom she experimented on magic, while Arthur became the King of Camelot and became married to Guinevere. However, Guinevere went with Morgana into the Wild Woods one day and accidentally fell into a Stalkling's nest, and even though Morgana tried to save Guinevere's life, it was too late. Guinevere's death led King Arthur to go to the extreme and genocidal step against magical creatures, regardless of whether or not they were good or evil; because of his prejudice against magical beings, Morgana fought for the freedom of trollkind.

## Joining the Arcane Order

During a battle just outside of Camelot, King Arthur cut Morgana's left-hand clean-off though she blamed it on Merlin, which caused her to fall to her death, with Merlin later forging the Amulet of Daylight from her left hand. Following this, Angor Rot dropped her dead body at the shore, telling her to rest in peace. Afterward, Morgana was revived by the Arcane Order consisting of Bellroc, Skrael, and Nari, who used her magic to make a green prosthetic to replace Morgana's left hand, and the latter was declared as the Arcane Order's "champion".

Morgana's hatred of King Arthur and his genocidal attempts on magical creatures corrupted her, and she also developed an intense hatred towards her former master, Merlin. She even came up with the idea of a doomsday scenario called the Eternal Night, which she could use to commit genocide on mankind by troll kind destroying them all without the fear of being turned to stone by daylight. However, she genuinely cared for trollkind and didn't want them to live under fear by mankind, and wanted to conquer the world through the Eternal Night to ensure their freedom.

Morgana and Merlin dueling for the fate of the world during the Battle of Killahead Bridge.

Unbeknownst to the trolls in the Battle of Killahead Bridge, when Deya the Deliverer, the first Trollhunter, banished Gunmar and the Gumm-Gumms into the Darklands, Merlin and Morgana clashed to determine the world's fate. However, Merlin won the battle and trapped Morgana in the Heartstone in Trollmarket, which was beneath the land that would eventually become the town of Arcadia, although he lost most of his magic upon doing so. After his battle with Morgana, Merlin went to his tomb, where he slept for centuries.

Despite her imprisonment, Morgana's spirit was completely awake and able to frequently exit her body, as she continued her plot to free herself and Gunmar so she could eventually unleash the Eternal Night upon the planet. During this time, she became the spiritual advisor of an evil organization of changelings known as the Janus Order, led by Otto Scaarbach, who became dedicated to freeing Gunmar. They worshiped Morgana as their Lady Creator, who spoke to them through an old turntable.

Morgana makes the Inferna Copula.

Additionally, in the year 1297 AD after the Battle of Killahead Bridge, Angor Rot sought out Morgana and asked for power so he can protect his village from Gunmar and his armies. However, full of hatred of her former master Merlin for siding with Arthur when she tried to kill the latter, the Pale Lady instead turned Angor's offering into a curse and created a ring called the Inferna Copula, which she would use to enslave Angor Rot by encasing his soul, using him to kill Merlin's Trollhunters that succeeded Deya. At some point in her life, she lost the Inferna Copula, which eventually came to another one of her creations, Stricklander, by unknown means.

The Genesis Seals, which the Arcane Order now plot to use to unleash the Titans, destroy the universe, and remake the Earth, all because of Morgana's half-measures.

Meanwhile, it was because of Morgana's failure to bring about Bellroc and Skrael's version of the balance between magical beings and humankind as their "champion" that they gave up on bringing it back, despite never acknowledging the fact that their actions brought devastation instead of balance, and Nari still believing in the balance. Thus, the two decided to change their endgame goals completely to unlocking the Genesis Seals, the very essence of magic, so that they can unleash the Titans upon the world and connect them to the Heartstone located beneath Arcadia.

As Arcadia is the center of the universe, this would eradicate the universe completely, allowing the Arcane Order to remake the Earth in its own image. To kickstart their new plot, Bellroc and Skrael resurrected Morgana's brother, King Arthur, and turned him into the Green Knight to help them achieve their new goal.

## Tormenting Claire

Through the turntable, Morgana speaks to Otto while he was interrogating Toby Domzalski, Claire Nuñez, Blinky Galadrigal, and NotEnrique. However, she abandons them after Gunmar enters the Janus Order's secret base and kills them all before going to Trollmarket (except for Otto Scaarbach, who he uses as a vessel to distract the new Trollhunter, Jim Lake Jr., but Otto is killed by Jim).

After Gunmar takes control of Trollmarket with Usurna's help, Claire Nuñez uses her Shadow Staff (which she took from Angor Rot in Part 1) to create a portal so big that her friends and the remaining trolls could evacuate Trollmarket. However, as a result, she is linked to Morgana because of the Shadow Staff. She takes Angor's head and goes to Morgana to free her from her imprisonment. When Claire presents his head, Morgana says that Angor shall rise and set her free, before telling Claire that they are forever linked to each other and that they are one.

Eventually, Dictatious Maximus Galadrigal tries to find anything that can help him, but couldn't see well because his eyes were blinded by Blinky. However, he hears Morgana's voice, which comes from the Janus Order's turntable, and repeatedly whispers, "I will return."

When Dictatious gets soothed by her voice, she creepily reaches out her right hand out of the phonograph's horn at his ear. Dictatious tells this to Queen Usurna, who believes Morgana to be nothing but a myth. In an attempt to prove him wrong, Usurna repeats her name four times, but since her name is cursed, the phonograph starts turning again and Morgana says to call to her. Because she believes that Gunmar should remain unaware of this, Usurna throws the phonograph down a deep chasm, saying it will be forgotten to the ages.

In Blinky's library, as Gunmar scurries through many books in desperation to find the key to creating the Eternal Night, Morgana uses a magical book to tell him to call to her so the key to the Eternal Night will be his, despite the fact that the phonograph is now lost in a chasm, and reveals to him a shrine in Bulgaria. Gunmar reaches the said shrine by crossing the Black Sea, and when he arrives, Morgana has Claire give him the head of Angor Rot, promising that her champion will find the way to bring forth the Eternal Night upon the world. She also tells Gunmar that Dictatious is a fraud.

As Claire still has her sickness, Morgana toys with her and sadistically possesses her, and later tries to use her connection with Claire on a murder attempt on her boyfriend, Jim Lake Jr., who is now the Trollhunter. Jim is surprised to see that Morgana is using Claire's body to try to kill him, and she tries to suck him down a black portal, but NotEnrique manages to get Claire unconscious. When Jim asks him who Morgana is, NotEnrique tells him that it's not someone he would want to date.

Morgana tries to trick Stricklander into sealing Jim and Toby's fate by using his love for Barbara Lake.

Following this, Morgana, in Claire's body, gets subjugated by Jim and Toby with help from Blinky and Stricklander. She gloats about herself and tries to use it as a distraction, but Stricklander and Blinky are able to open a portal to the Shadow Realm, thus allowing Jim and Toby to return Claire's spirit to her body before she is lost for good. Morgana nearly succeeds in tempting Stricklander into closing the portal, but it is too late for her; the boys are able to return Claire's spirit to her body, thus severing her and Morgana's connection.

## Preparing to Assault Arcadia

Morgana's spirit appears once again at the Temple of Aysa-Thoon toward Gunmar, a brainwashed Draal, and a chained AAARRRGGHH!. Gunmar gives her Angor's eye. Using this, she restores his soul and resurrects him so she can use him as her assassin once again. Once resurrected, Angor vows to kill Jim Lake, Jr. once and for all. Morgana tells Gunmar and Angor to set up a trap for the Trollhunter and his friends.

At the time Gunmar takes the Staff of Avalon from Merlin's tomb, a wisp reveals that Morgana's body is trapped in a secret chamber beneath the Heartstone in Trollmarket. Angor soon arrives at Trollmarket to confront Gunmar for betraying him and leaving him for dead, but Morgana reminds Angor of who he truly serves, but threatens to destroy him if he fails her.

Gunmar attempts to use the Staff of Avalon to free Morgana's body but realizes that only humans can wield the staff. With that, he demands that Ursuna kidnap a changeling, who fails. However, Gunmar is able to use his forces to kidnap both Stricklander and Barbara Lake, holding Barbara hostage to convince Stricklander into freeing Morgana in exchange for Barbara's life. While Stricklander holds the staff and speaks the incantation, he uses it to attack Gunmar. Then, he and Barbara escape, not realizing the Staff is still activated, thus unknowingly allowing Gunmar to use it to free Morgana's body. Morgana's spirit enters her body seconds before this happens. With Gunmar's help, Morgana is finally free of her imprisonment, where she proclaims, "The Eternal Night is here!"

## The Eternal Night Arrives

Now that she is finally free after centuries of being imprisoned, Morgana begins to create the Eternal Night, starting with killing off a few of Gunmar's Gumm-Gumm soldiers to use their remains in her spell, as it was a necessary sacrifice so that troll kind could finally be free. She also activates the Staff of Avalon. While Gunmar makes a speech about trollkind's dominance in the world, Morgana holds a private meeting with Angor Rot, in which, while telling him that he is her champion and she will be by her side when she dominates the world, she reveals that Gunmar is merely a pawn to do what she wants and that he will be disposed of once he's outlived his usefulness.

Soon, cracks begin to form in the ground underneath the canal, and Eli Pepperjack observes them from beneath the ground and calls Steve, who is in the Zeron Brotherhood's ship, about what is going on, but he accidentally drops his phone into the cracks. That morning, Claire and Toby, wearing new suits of armor gifted to them by Merlin, arrive at the Battle of the Bands once high school is over for the year. Once her, Darci, and Mary's performance starts, Claire tries to get everyone to evacuate from what is to come, but Darci and Mary don't believe it, believing it's just part of the performance.

They realize it's too late and that Claire was right all along, as the ground shatters and a fiery twister shoots up into the air, covering Arcadia entirely in darkness and allowing Gunmar's army to emerge from underneath and attack the citizens. Meanwhile, Aja and Krel Tarron, Varvatos Vex, and Zadra, who were all affected by Morgana's attack, kill some of the Gumm-Gumms that Morgana used in her attack, and Zeron Alpha and the first OMEN made by General Morando use the event to keep the Royals occupied while the Mothership's programming is corrupted by the OMEN to go back to Akiridion-5 where Morando could crush the cores of King Fialkov and Queen Coranda.

Both Merlin and AAARRRGGHH! try to ambush Morgana. They manage to regain the Staff of Avalon but realize too late that she has drained it of its power and siphoned Merlin's magic for herself. At that time, Morgana arrives and brutalizes Merlin without hesitation, but AAARRRGGHH! is able to summon the spirits of past Trollhunters, which possess the Gumm-Gumms guarding Trollmarket, using them to attack Morgana. Presumably slaying all of the possessed Gumm-Gumms, Morgana proceeds to come from underground and confronts Jim in his new half-troll form, who has just slain Gunmar. She uses her power to toss Jim from Arcadia square all the way to the bridge, where she begins to attack him mercilessly. When Jim asks her what her problem is with him, Morgana reveals that Merlin cut off her left hand and used it to create the Amulet of Daylight, but uses this as an excuse to her advantage. She tries to cast Jim into the fiery twister, only for the latter to be rescued by Toby, who has emerged from a portal.

Soon, she sees that the Trollhunter and company are attacking her from all sides. She uses her magic to restrain them all, only to be confronted by Angor Rot. Morgana offers him a final blow to Jim, but he instead punches her, where he detests Morgana, claiming he's no one's pawn. Seeing that Angor was redeemed, Morgana demands Jim what he told Angor, and strikes Jim before fighting Angor, the latter of which is able to restrain her, allowing Jim to ram the Sword of Daylight through both of them. While Angor bids him farewell, Morgana gloats about how the Sword can only work on trolls, before she casts a deadly spell to attempt murder on Jim and his friends. However, Jim is able to take the full blast of her spell, which knocks him unconscious. In his final moments, Angor spots the Shadow Staff, urging Claire to use it.

Morgana ends up trapped in the Shadow Realm.

Claire opens a portal to the Shadow Realm and tries to force Morgana through, but the latter blasts Angor into pieces and takes Claire with her into the portal. However, Claire is able to make another portal out of the Shadow Realm but is snatched by Morgana's magic, who tries to pull her into the Shadow Realm by force. Claire tells Toby to destroy the Shadow Staff and throws it to AAARRRGGHH!, who holds it on the ground so Toby can smash the Staff with his warhammer. The Shadow Staff is destroyed, thus causing an explosion of dark energy which forced Morgana to release Claire and enabled Blinky to pull Claire out. Morgana shrieks as the portal closes and she gets trapped in the Shadow Realm. At around the same time, the OMEN that is sent by Morando is destroyed by Aja and the royal cores are kept safe.

Impact of Morgana

With Morgana defeated, Merlin gets all his magic back and uses it to end the Eternal Night. However, due to Morgana's actions, Zeron Alpha kidnaps Varvatos, and takes him to the Moon where Morando's bounty hunters are after the Eternal Night has ended. At this point, Morgana's status is left debatable because it's possible that she remains in the Shadow Realm for the rest of her life. At the end of the episode, however, Merlin got his magic back, and the only way he could get it back was that Morgana was killed, which he has been saying for a long time, so it's possible that she died off-screen due to the suction into the Shadow Realm.

She is later mentioned a couple of times by Toby, including at the time when he goes to Eli Pepperjack's house and sees his conspiracy wall. Toby mentions that he met a couple of wizards, referring to Merlin and Morgana when he was aiding Jim in his quest to slay Gunmar. Later on, Colonel Kubritz shows General Morando the footage of Morgana making the Eternal Night while the latter is on his quest to get Gaylen's Core for himself so he can become a self-proclaimed "god".

Morando sees that Aja, Krel, Varvatos, Toby, and AAARRRGGHH! used a Horngazel to enter Trollmarket, but the portal closes and he and his OMENs can't catch up with them, but, remembering that the fiery twister used to cause the Eternal Night in the first place came from underground, he tells the OMENs that they can use the lasers beneath the bridge to enter Trollmarket, and upon finding Gaylen's Core, takes it for himself and eventually merges with it to become even bigger and more powerful than ever before. However, Morando is vaporized by Aja and Krel using Seklos's Cannon during the final battle of the series, and during said battle, Toby mentions her when he compares Morando's strength to Morgana's.

## Massive Changes in History

Morgana reappears after Douxie Casperan, Jim Lake Jr., Claire Nuñez, and Steve Palchuk time-traveled to the 12th century and are brought before King Arthur. She tries to convince him that his prejudice is unfair, but he does not listen to her. When King Arthur tries to have Sir Lancelot and another knight bring Jim into the sunlight to slowly and painfully turn him into stone, Claire uses her own shadow magic to bring the sunlight away from Jim, something Morgana is impressed by.

Both Claire and Morgana plead with him to let Jim live, which Arthur reluctantly does, but also has Sir Galahad throw him in the dungeon. When Arthur has Douxie return to Merlin and Steve go with Lancelot to the barracks, Morgana takes Claire as her handmaiden. After that, Morgana argues with Merlin about him creating the Amulet of Daylight when he tries to tell her why he is doing so, with Douxie trying to use it as a distraction so he could get the Time Map even though Merlin sees him and tells him to help him. She tells Merlin that creating the Amulet is pointless and that Arthur will eventually come after the both of us, and calls him a fool before leaving.

When Claire enters a room in the main castle in Camelot and reports for handmaiden duty, Morgana arrives and tells her that she witnessed her using shadow magic in King Arthur's courtroom. She then asks her what she knows about shadow magic and reminds her that she stood against Arthur to save a troll, claiming that magic is not weakness, but true strength. She demonstrates her powers by casting a spell on a painting of her and Arthur, slowly covering it in darkness as the darkness surrounds the painting of Arthur's face, but she hesitates and the painting returns to normal. When Morgana asks Claire if she will ever be able to save trolls from him, Claire mentions that she is stronger than she believes she is and that she might convince Arthur to free the trolls, but Morgana tells her that Arthur used to be a good person until Guinevere died, though she must do what she can to end his prejudice.

Unfortunately, Arthur overhears this and accuses Morgana of treason, telling her that she is blinded by her sympathy towards trollkind and that they never quit attacking Camelot. Morgana calls him out for driving innocent trolls out of their homeland and imprisoning them in his dungeons, but much to Morgana's horror, Arthur concludes that he'll kill all of the imprisoned trolls at dawn to protect his people. Later on, Douxie and Claire help Jim and the trolls escape from their dungeons, and as Jim and Claire are about to be killed by Galahad, Morgana saves Jim and Claire's lives by making it look like a dragon is near and causing Galahad to flee in terror, thus playing a crucial role in the trolls' escape from Camelot as Claire uses her shadow magic to block the sunlight so the trolls can flee. Afterward, Morgana thanks Claire for helping free the trolls and tells her that she will deal with Arthur.

## Rebellion Against Her King

After the trolls' exodus from Camelot into the Wild Wood, King

Arthur sends Morgana to his throne room and accuses her of being the one who ultimately freed the trolls, threatening her life that if she doesn't help him kill the trolls who fled to the Wild Wood, he will execute her. When she follows him into the Wild Woods, they try to chase down Jim and Callista but lose them, so they venture out on foot. Along the way, Morgana tells Claire that Arthur accused her of treason and that she is the only person that she can trust, but she doesn't mention what made Arthur stop trusting her. Douxie later uses his magic to help Arthur and Morgana remember their past in an attempt to get them to reconcile, but it proves futile when Lancelot tells Arthur about a Gumm-Gumm wandering in the woods, and he and his men kill it despite Morgana's pleas. After Bular is captured by Arthur's knights, he decides to have him taken to Camelot to be killed after a private tournament, and Morgana questions him who is the real monster.

Further, into the Wild Wood, Morgana is told by Arthur that she must join the right side and that she can only return if she kills any troll that comes in her way, but she refuses to be obedient to him, which is made clear when she helps Jim back up after he stumbled while running and attempts to draw Arthur and his knights away from him and Claire. However, Arthur pummels Jim to the ground, realizing that his suspicion of Morgana turning against him and helping the trolls was true. He reminds her of what would happen to her since she didn't kill anyone along the way and attempts to execute Jim on the spot, but she uses her Shadow Staff to defend him from her brother and immediately fights the latter, but Merlin blasts her magic against her. Feeling betrayed by her own master, Morgana declares everyone around her as traitors, including Douxie, Archie, and Claire, even though they were trying to calm her down. She creates shadow versions of herself to fight them all off, resulting in a battle during which Morgana tries to kill Arthur, but he cuts off her left hand and she falls to her death off of a cliff, her dead body being washed away by the ocean waves.

Eventually, Morgana's corpse is found floating in the Black Sea by Angor Rot, who feels sorry for her and drops her corpse off at shore, saying that he hopes that the spirits will guide her home. The Arcane Order soon finds her corpse, and Nari revives her creates a green prosthetic where her left hand used to be. When Morgana asks her why she was resurrected, Bellroc tells her that she will be the Arcane Order's champion. Soon, each member of the Arcane Order has been introduced afterward. Bellroc and Skrael tell Morgana that they have watched over the magics ever since the stars were young, but they saw mankind destroy the balance between the magic and themselves, as they tried to destroy her. They also tell her that she can correct mankind's mistakes because while she is human, she fights for the magical beings, and they don golden armor on her created by their magics, to which Morgana accepts and becomes a member of the Arcane Order. While Morgana continues to scheme with them to kill Arthur and thus end his prejudice, she quickly finds Claire and Archie spying on her through the Shadow Realm, and chases them out.

## Plot to Assassinate Arthur

It turns out that Morgana's plot was that she sends a Changeling named Janus disguised as a normal civilian of Camelot to kill Arthur while he is busy at the same tournament he created, which was made to further prepare for the war against Gunmar and where the tournament's winner is given the honor of slaying Bular in front of the crowd.

Claire arrogantly comes to a false assumption that the Knight of Skulls is Morgana's champion who wants to kill Arthur just because she heard him saying that he needs to achieve victory for his "dark queen", so she follows him into the tournament while wearing purple armor under the alias "Sir Clairee of the House of Nuenz". She uses magic against him and demands to know Morgana's location, but he doesn't know because the queen he serves is Queen Sophia of the Dark Isles. However, Claire soon saves Arthur's life as he is about to be killed by the Changeling and the latter is killed by Douxie and Merlin, but not before freeing Bular. After her plan fails, Morgana tells Bellroc and Skrael that it is only the start.

Morgana then ventures to Gunmar's location and tells him that she was responsible for destroying Arthur's keep, and gives him and Bular the offer of achieving freedom through the Eternal Night, which they accept. Gunmar later reports to Morgana that Arthur has sorcerers of his own and that they won't be tricked by her Changelings anymore, and Morgana enchants his Decimaar Blade so that he can use it to brainwash anyone to his will. Gunmar then uses it to create a Gumm-Gumm out of green crystals and tells the Gumm-Gumm to bring Morgana to him, but because the witch is standing in the sunlight, the Gumm-Gumm crumbles to stone. Morgana orders Gunmar to create a Gumm-Gumm army, and he tells her that their enemies will tremble.

Finding Repentence

Despite her imprisonment, Morgana is eventually freed from the Shadow Realm by Bellroc and Skrael during the 21st century because of them using a ritual that ultimately destroys the Amulet of Daylight, so that they could use her as their pawn once again, even though she was in peace when she was in the Shadow Realm. Morgana becomes remorseful for her actions, and it causes her to turn against the Arcane Order and redeem herself.

She also works as a team with Claire as she tries to save Arthur's soul, while Claire tries to save Jim's. However, Arthur refuses to let Morgana help him because he believes that he is beyond redemption and that he has to redeem the world by remaking it under the name of the Arcane Order. Morgana continues to fight her brother to get him to change, but he fatally wounds her by thrusting one of his shards into her abdomen. In her final moments before her death, Morgana redeems herself by lifting up one of Camelot's remains to crush King Arthur.

Morgana reappears in Camelot's castle in the afterlife with Douxie and Merlin, as Douxie fell to his death and Merlin was killed by Arthur. As Merlin and Morgana live peacefully in the afterlife, they walk out the door together while Douxie returns back to the planet Earth.

Catherine Arthur: Thy time has come Morgana!

Claire had a huge and tremendous headache.

Claire: What? What happened?

Eli: Ugly story Claire.

Me: Long story short, Morgan Le Fay took over your body again and she made you do terrible things against your will. You punched Steve and gave him a REALLY NASTY black eye and you gave Lincoln weed.

We told her everthing and it was shocking!

Claire: I'm so sorry, guys!

Lola: Claire it's not your fault.

Fiona Hernandez: Yeah you did all that against your will.

Nico: I don't even want to know where you got weed!

Claire: Me neither! Lets get this monster!

I fired waves of energy and blasted Morgan all over.

Fiona fired waves of fire and burned her.

Hitoshi: (gets out Man Ray's Disk Animal) This will teach you.

He pinged it and it formed into a mini Man Ray and it fired energy lasers and blasted her all over.

Lori summoned Leonard's pigs and they blasted her all over with dynamite and blew her all over.

Lola: Take this!

She fired waves of fire and blasted her down.

Jim: (gets out Ketchup Bandit's Disk Animal) This is for what you made Claire do!

He pinged it and it formed into a mini Ketchup Bandit and it fired ketchup blasts and drenched her.

Lola: Messy and awesome.

Izuku: (gets out Tiki Tong's Disk Animal) My turn!

He pinged it and it formed into a mini Tiki Tong and it roared and fired energy blasts and blasted down Morgana.

Nico: This will show you.

Nico fired waves of energy and blasted her all over.

Lana and Lily fired waves of water and ice and smashed her down more.

Lincoln: Nico, anytime you want to get the Dark Side out!

Nico: You got it.

Nico fired a wave of light and it hit her and then a blob of darkness left her.

Morgan Le Fay was purified.

Nico: You okay?

Morgan Le Fay: (Weakly) Thank you.

She was knocked out cold.

Me: She'll be out cold like this for a while.

I picked her up.

Me: Now lets banish this monster to the Warp.

Izuku: Sorry. But we can't have you cause anymore damage until the big day. So, let's put you in the Warp until then.

I teleported and had my hand at her face.

Me: HAKAI!

She was banished to the Warp.

Nico: That did it.

Me: At least until April 7th.

We powered down.

Claire then looked like she was crying and then she hugged Jim and cried hard.

Jim: Claire, it's going to be okAy.

Claire: (Crying) I'm sorry Jim!

Me: Claire you didn't mean to do all that.

Catherine Arthur: Yeah it wasn't your fault.

Nico: That's right Claire.

Me: Besides we freed you from Morgan.

Nico: Yep.

Claire: Thanks, guys!

Me: You're welcome.

Yan Lin: Now we just have to wait till February 7th.

Lola: Yeah.

Jim: Yan Lin, ever since I met you, I've seen you as my big sister.

Yan: Oh thank you Jim. Thank you.

She and Jim hugged.

Nico: Aww.

May: So awesome.

We later came back home.

William: Hey guys. How did it go?

Me: Awesome.

We told everyone what happened.

Varie: Oh man! I'll have Morgana put into the infirmary.

She took her there.

May: Nerissa, for your first mission, Jack Landors and 1 Rabbid should go with you.

Nerissa: Great idea!

Nico:Awesome.

Me: Yep.

Back home we were watching TV and reading the newspaper.

Me: Mm-hmm. Oh the President had another terrorist group out to kill us executed earlier this morning.

Nico: Cool.

Poromon: Okay, let me clarify on one thing. Me and the other mascots don't like weed. We like beer.

Coloratura: There's nothing wrong with that.

Applejack: I agree there Rara.

Qin: Me too.

Then Rarity came in and she was really crying her eyes out.

Me: Rarity? Is something wrong?

Rarity then went over to the sofa and then…

Rarity: (BAWLING HER EYES OUT)

She hugged me as she was crying hard.

Jets of tears exploded out of her eyes as she was crying.

Dream Girl: Rarity, what happened?!

Me: Rarity what's wrong?

Rarity: (CRYING)

Me: Rarity calm down. Calm down. Now tell us what happened.

Rarity: (Crying) It's this frog! He called me a… a… HE CALLED ME A BUNCH OF HORRIBLE NAMES AND SAID HORRIBLE THINGS TO ME! (BAWLING MORE)

Me: Oh Rarity.

Vambre: (British Accent) Oh dear. Helmet got to her.

Sweetie Belle then started glowing in an intensely ferocious fire aura!

Qin: Uh oh.

Sweetie Belle: (ENRAGED SCREAMING) THAT ROTTEN LITTLE HELMET-HEADED FREAK! NO ONE INSULTS MY SISTER LIKE THAT AND GETS AWAY WITH IT!

Juru: DARN TOOTIN SWEETIE BELLE!

They then rushed out of the estate and then we heard the sounds of ferocious fighting and brutal buttkicking as both Sweetie Belle and Juru went completely apeshit on Helmet!

Prohyas: OH MAN!

Vambre: Oh my goodness!

Simone: Jeez they are really mad at him.

Me: You're telling me.

BRUTAL AND FEROCIOUS FIGHTING SOUNDS!

Misfire: You know what? We'll just let those two have their fun.

Me: He brought all that on himself. Nico I need a tub of ice cream stat!

Nico: Right!

Nico went to the kitchen and brought some over for Rarity.

Me: Rarity just calm down and we can help you get through this.

Xenia: Besides you should be happy that Sweetie Belle and Juru are defending you.

Lincoln was helping Rarity by giving her the ice cream.

Lincoln: Besides Rarity, you should not let that putrid dork's insults get to you.

Applejack: Yeah Rarity buck up. Don't listen to that little guys insults.

Sureshot: And while you're at it, try different flavors of ice cream.

Me: Yeah Rarity.

BRUTAL AND FEROCIOUS FIGHTING CONTINUES!

Qin: JUMPING JELLYBEANS!

Nico: Lets see how long this will go on.

---

French Narrator: (French Accent) 3 Hours Later…

---

The fighting was still going on as Sweetie Belle and Juru were still pulverizing and beating the living shit out of Helmet! Rarity was still crying and eating many tubs of her ice cream. Different flavors though.

Unknown to the two of them, a Smoochum was watching the whole

thing.

Then they stopped.

Me: Oh they're done.

Qin: Boy that fight went on for 3 hours, 17 minutes and 47 seconds.

Lola: Awesome wait to keep track.

Sweetie Belle and Juru came back and they were drenched in sweat and smelled horrible.

Me: Boy you two REALLY went at him!

Nico: I hope you guys didn't kill him.

Juru: No. But we did make him suffer

Sweetie Belle: We put him in a full body cast with every single bone in his body broken.

Me: At least Brittney reverted him back to human.

Brittney: Yep.

Rarity: But thank you two for defending me.

Me: The Nerve of that Helmet.

Prohyas: Yeah what is up with that kid?

Vambre: It's like he was born with a mean bone inside him.

Nico: Yeah.

Nico saw the Smoochum.

Nico: Hey look.

We saw it.

Me: Hey a Smoochum.

Eli: That's funny and we have a Jynx fully covered.

Lola: We sure do.

Smoochum: (In a girls voice) Sorry about that guys. But that fight was great.

Nico: (GASP) Avery Quincy! Wow!

She reverted back and was a girl with pink hair and yellow and magenta clothes.

Avery Quincy: That was amazing. I saw Helmet berate Rarity and that was cruel!

Varie: No kidding there.

Maria: What's your favorite memory of Nico?

Avery Quincy: My favorite is when me and Nico made an awesome and amazing jeweled dress.

She showed a picture of it and it was a beautiful jeweled magenta dress.

Me: Wow that dress is beautiful.

Rarity: Oh that dress is amazing darling.

Avery Quincy: Thanks. I learned how to make great dresses from many magazines.

Lola: That is cool.

Nico and Avery hugged.

Nico: I've really missed you.

Avery Quincy: Me too Nico.

Flame Man: Nemesis and Dark Nebula. Can we get a recap on them?

Me: I sure can.

I went over who they were.

---

## DARK NEBULA

Dark Nebula is a major antagonistic organization in Beyblade: Metal Fusion. They are a group that wants to use the Dark power of L-Drago to take over the world.

### Biography

The group was founded to revive Nemesis. Doji and Ryuga stole the bay to use for their plan, but were attempted to be stopped by Ryo (Gingka's dad), but Ryo failed to stop L-Drago and likely died which made Gingka swaer to stop them.

## NEMESIS

Nemesis is the main antagonist in Beyblade: Metal Fury. He is known as the god of destruction.

### Biography

#### Past

Years ago, a powerful ruler named King Hades created a bey from a star fragment in hope to take over the world but the bey went out of control and became Nemesis, god of destruction. After Hades' brother Zeus defeated Nemesis, Hades said that Nemesis would return and the true destruction would start.

#### Beyblade: Metal Fury

Rago, Pluto and, Doji (former leader of the Dark Nebula Organization), three members of a group of bladers who worship Nemesis, try to get the powers of ten beys to wake Nemesis once again and take over the world. When they already have the power of nine beys, the bladers who own the powers try to create Zeus' barrier which would destroy Nemesis forever. However, Doji who once lead the organization Dark Nebula, convinces the tenth blader Ryuga who once worked for him to attack Nemesis alone, so the barrier isn't complete. Because of this attack, their bey Proto Nemesis gets all ten powers and becomes Diablo Nemesis. Although Diablo Nemesis gets beaten, it got revived by a shard of Pluto's Fusion Hades Fusion Wheel, Nemesis fused with Pluto and Rago. Nemesis fought with Gingka Hagane and his friend to try to bring the world to destruction with Nemsis beating all the legendary bladers except Ginka. In the end, Gingka Hagane defeated Nemesis with the help of the Legendary Bladers and the millions of Bladers around the world. Nemesis was then vanquished, along with Rago and Pluto as the Black Sun was destroyed.

When I was done everyone that hadn't heard about it was shocked!

Flame Man: WHOA MAN!

Camie: NOT GOOD!

Me: Yep and we have to stop them at all costs.

Mandarin: Nico, which Gene Slammers do you think you'll meet next?

Dark Mikey: And are you okay, Rarity?

Nico: Elekid and Magby next.

Qin: Ooh the first forms of Electavire and Magmortar. Awesome choices.

Nico: Yep.

Rarity: (Sniffle) And I still feel hurt by what Helmet said.

Nico: That wretched Helmet wearing kid!

Avery Quincy: I heard him call Rarity an ugly dork and she just ran back home crying her eyes out.

We gasped!

Dark Raph: I oughta pound that kid!

Dark Don: Let's worry about him later. We got bigger fish to fry.

Me: I agree there. Dark Nebula and Nemesis are more important to deal with. But beating up Helmet is not needed. Sweetie Belle and Juru beat you to that one.

Avery Quincy: It's true. I saw the whole thing.

She showed a video of the fight and it showed Helmet calling people dorks and then Sweetie Belle and Juru jumped him and the fight was BRUTAL!

Dark Don: WHOA!

Dark Raph: Wow look at them go.

Nico: We might see the Tyrogue Gene Slammer when we get there

Me: I have that feeling myself.

Camie: Yeah.

Lola: Yeah.

Madame Masque: Let's get going.

Jellax: By the way, Nico, which teams have you made today?

Nico: Ant Man's team will include Andrea Davenport, Lindsey Hollywood, Syrus, Bastion, and Atticus Rhodes. Shope's team will include Erasa, Melanie Romanova, Adrien Gecko, Doppel, and Amy Wong.

Shope: Awesome!

Ant Man: This is gonna be fun!

Andrea Davenport: I'll say!

Syrus: I'm really excited for this one too.

Atticus Rhodes: We're going to have fun on that.

Doppel: We sure are.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Antonio Maldonado of The Order of Nuestra Señora de la Santa Muerte, and he's finally lost it big time, and he's coming here to kill Maria Garcia and the other Fabled Gene-Slammers once and for all. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Antonio Maldonado finally coming after us?

Lincoln: You guessed it, Rayman, and he's finally lost it big time. Now that many of his members are dead and the news of us slaying his son had hit him, now he's out for blood and he won't stop until he's gotten his revenge.

Maria Garcia: (Spanish Accent) Finally, the time has come. Soon, we will finally be rid of the last of The Order of Nuestra Señora de la Santa Muerte once and for all, and then, we can finally move on to dealing with The Extraterrestrial Order of The Planets of Holy Ghidorah.

Me: That's right, and with what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, you've really pissed off Antonio Maldonado big time, and you really pissed him off even more when we killed his equally religiously fanatical son today.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, it's time to meet with Gingka and his friends and help them destroy Dark Nebula and Nemesis once and for all.

Lincoln: We'll make those monsters pay for every last one of their crimes, and it's going to be both brutal and bloody, and once we get done with those monsters, you better be ready for one final battle with us, Antonio Maldonado.

Maria Garcia: (Spanish Accent) You are through killing more victims to sacrifice to Santa Muerte and to satisfy your fanatical devotion to Dark Santeria, now, years of payback and retribution are finally coming, and you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation, and for the stunts that all your insane followers, along with yourself, have pulled, you've made it even easier for us to carry out your death sentence, Antonio Maldonado.

Ellie Singh: Hang in there, Gingka, we're coming.

We were off to Japan.

---

We arrived in Japan and saw Gingka and friends battling numerous Dark Nebula henchmen.

Birdbrain: There they are.

Me: Lets lend a hand.

Nico: You don't have to ask me twice.

We went at them.

Gingka punched a bad guy and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Gingka: That's Zocks!

We flew in and blasted the rest of the henchmen and killed them all.

Madoka: YEAH!

Tsubasa: Hey guys! You made it!

Me: We sure did.

Gingka: Awesome entrance.

Me: Thanks. That was a minor entrance for you guys.

Nico: The main entrance is for the main event.

Gingka: Awesome you guys made it!

Qin: We wouldn't miss this for anything.

Nico: Yep.

Knightbrace: Listen, have you guys seen a Tyrogue?

Gingka: Is it one of yours?

Garigari: Something like that!

Gingka: I think you might know this one.

He stepped back and then we saw a Tyrogue.

Me: There it is.

Nico: Awesome.

Tyrogue: (In a girls voice) Sorry I didn't show up at the estate guys.

Nico: Kira Jordan!? Whoa!

She reverted back and was a girl with purple hair and purple sports clothes.

Gingka: Awesome. What's your favorite memory of Nico.

May: Aww Gingka I was gonna ask that.

Gingka: Sorry May.

Me: But you're catching on.

Kira Jordan: My favorite is when me and Nico had an all you can eat curry contest of the hottest curry in the world and Nico and me both won against a great eating contest winner.

Me: Wow! You sure love the spicy stuff.

Nico: Yep.

Laney: Awesome.

Nico and Kira hugged.

Nico: I've really missed you.

Kira Jordan: Me too Nico.

Me: Now that that's settled lets get down to some business.

Madoka: Lets head in.

We went inside the shop.

G1 Darkwing: We want to thank you guys for beating up D-Stroy.

Madoka: It was no problem.

Ellie Singh: Yeah he totally underestimated the power of our blades.

Tsubasa: He sure did.

Qin: You got that right.

Eli: Yeah.

Abra Kadabra: Is Big Bang Pegasus really your most powerful Beyblade?

Queen of the Black Puddle: Or is there something more powerful?

Gingka: J.D.'s new Beyblade he got is far more powerful.

Me: Yeah I did some tests and found out that Elemental Cosmos Phoenix is 1,000,000 times more powerful than Big Bang Pegasus.

All of us: WOW!

Qin: That is amazing!

Moondancer: Wow! My Ambassador Mission with the Ghostbusters in Ireland turned out to be a big find for J.D.

Me: It sure did.

Xenia: That is amazing.

Poromon came out in a fairy costume carrying one bottle of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to the Metal Fusion gang) Hello there! I'm the beer fairy! Come to give you guys one bottle of beer!

Skullcruncher: Better beer than weed.

Gingka: Uh we're too young to drink.

Madoka: Yeah.

Me: I brought something else for this.

I pulled out a cooler and in it was a bunch of bottles of root beer.

Madoka: Root beer is better.

Ellie Singh: Good idea.

Madoka: Poromon's new costume is cute.

Me: It sure is. Poromon is now the Beer Fairy.

Xenia: We all thought it was cute.

Me: This Root Beer is from the Soda Planet we went to.

Xenia: You should have seen what that planet was like.

Nico: Yeah.

Madoka: Awesome.

Gingka: How is Ryoga doing?

Garigari: Oh he's doing great. He is fitting right in with us.

Qin: Yep.

Manta Bayarsh: So, has their been any trouble from Dark Nebula?

Yost Executioner: Or Nemesis for that matter?

Gingka: Well the henchmen are still after us.

Me: Revenge on you guys for defeating Nemesis the first time no doubt.

Gingka: Yep.

Me: Oh boy.

Madoka: Yeah. (See's Rarity still hurt) Rarity is something wrong? Your mascara has been running.

Nico: Rarity was badly insulted.

Me: Yeah she was crying hard for 3 whole hours.

Lola: One of Prohyas and Vambre's enemies that belittled them a lot insulted her.

Madoka: Oh boy.

Nico: Yeah.

Madoka: By the way, I saw a poster for a movie called Winnie the Pooh Blood and Honey. I know Pooh's with you guys. So, I just want to know if you saw it too.

Me: You did?

Pounce: Madoka, I don't think that's a good-

Poromon: OH, WHY WAIT FOR OUR REACTION?! WE'LL GLADLY SHOW YOU THE TRAILER TO THAT ABOMINATION!

shows trailer close to Gingka's face) LOOK AT IT!

Gingka: IT'S HORRIBLE!

Manaphy: (shows trailer close to Madoka's face) LOOK AT IT!

Madoka: WHAT A MONSTROSITY!

Poliwag: (shows trailer close to Kyoya's face) LOOK AT IT!

Kyoya: GET THAT AWAY FROM ME!

Horsea: (shows trailer close to Masamune's face) LOOK AT IT!

Masamune: WHAT WERE THEY THINKING!

Jirachi: (shows trailer close to King's face) LOOK AT IT!

King: IT'S HORRIBLE!

Tentacool: (shows trailer close to Tsubasa's face) LOOK AT IT!

Tsubasa: WHAT KIND OF PEOPLE WOULD DO THIS!?

Mascots: WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Ryuga came in, having heard the entire thing from outside.

Ryuga: If it makes you guys feel any better, Jim Cummings, Pooh and Tigger's voice actor, finds the film to be disgusting and said that anyone who decides to put his voice in the movie is gonna be in trouble.

Me: I like how you think Ryuga. One sec. (SPINS MAGISWORD BRACELET)

ROUNDY SPINNY THING MAGISWORD!

I calmed the Mascots down with it.

Me: There. But nice going Madoka.

Madoka: I'm sorry. I didn't know that you guys saw it already.

Me: Yeah we did.

Spymaster: Relax. You were just asking an innocent question.

Morrigan Aensland: (Scottish Accent) But yes. We did watch it. And it was disgusting.

Me: We thought it was an absolute atrocity and disgrace to the iconic classics of Winnie the Pooh that we know and love. Turns out people are making terrifying abominations like that.

Nico: He's right. I heard rumors flying around that they are making a horror movie version of Bambi.

Bambi: Are they really?!

Nico: Yeah.

Ryuga: Look on the bright side. The killing actions done to those girls in the movie? We can do that to Nemesis and Dark Nebula later.

Cross Crow: (Russian Accent) That's a good way of looking at it.

Me: I agree. I even incorporated some of those methods in a vicious and bloody massacre we did in Paris on a werewolf cult.

Nico: That's right.

Madoka: I remember hearing about that. That was brutal.

Lola: A Total Bloodbath.

Gingka: Is it true that you are really J.D. the Nocturnal?

Me: Yep. I sure am.

Camie: He looks so awesome as a werewolf.

Zuria: (Turned on) Really gets me going.

Gingka: You guys don't have to help us do take those assholes down. You've helped us enough already. You probably don't owe us anything.

Harpymon: You're wrong. We owe you guys plenty.

Eddy: Yeah! If it wasn't for you guys, I wouldn't have kicked my dark side out of my body.

Snow Ghost: Besides, what Nemesis and Dark Nebula are doing doesn't just put this area in danger. It also endangers the rest of the world too.

Me: They are going to destroy the entire planet if we don't stop them.

Qin: That's right. The world is in terrible danger and we have to stop them at all costs.

Me: It's part of what we have to do. As superheroes and the most powerful force in the entire universe we can't let them destroy our planet.

Nico: I agree.

Eli: We have to stop Dark Nebula at all costs.

Ryuga: I agree too. Dark Nebula and Nemesis made me do terrible and horrible things.

Tsubasa: Same here. And we have to end this now.

Drag Strip: Besides, what kind of people would we be if we didn't help you guys, huh?

Ryuga: (smiles) You guys really are good people. And if anyone thinks otherwise, well, that's their problem.

Me: Well said Ryuga.

Lincoln: I agree there.

Madoka: Yeah. Oh got this for Evelyn.

She pulled out a message and gave it to her.

Evelyn: (Reads) "Got the severed head of Masato, good job turning him into a shower of blood. Looking forward to seeing you all. Kazuma."

Me: Awesome. Glad he got our message.

Cassidy: Nice to know.

Evil Desert Man: Wait. Kazuma got that to you?!

Gameface: Did he walk all the way here to do it?

Gingka: He sure did. Actually he took his motorcycle.

Me: Okay then.

Madoka: What did he mean by that?

Me: We killed an evil Kamen Rider during Cassidy's Ambassador missions with the Faiz team. His name is Masato Kusaka. You might have known him as Kamen Rider Kaixa. He was a really rotten to the core douchebag rider.

Qin: Yeah he sure was.

Me: I killed him as J.D. the Nocturnal and we ripped him to shreds and banished him to the Black Gates.

Nico: Yeah it was really fitting. But the Universe 666 version of him is the polar opposite version of him.

Gingka: Universe 666?

Me: Yeah. It's a crazy story.

Qin: A Little over 2 months ago we battled an evil version of us.

I went over what happened and it was a horrible thing.

Gingka: Oh man! That's awful!

Varie: Yeah it was.

Inque: How about we show you the usual battles? Gingka is included as well.

Me: Yeah.

Gingka: Sweet!

Nico: Lets get ready.

We went outside and Maria called it in

Yost Vulture: But after the usual battles, what's coming next won't be a simple Beyblade game. We're playing for keeps now.

Kite Man: In other words, it's do or fucking die.

Me: That's right. It's a fight to the death and to decide the future of the world.

Qin: Yep.

Nico: Yep.

Then Eris, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, El Oso, Bronze Kneecap, Ebon, Wrecking Crew, Quackor the Fowl, Wolfman (Gaggle of Galloping Ghosts), Yost Living Laser, Lillith, Sir Toasty, Ghost of Elias Kingston, Don Octavio, Nightshade, and Bulldozer Org came.

Eris: This is probably the second Beyblade mission we've been on.

Count Vertigo: And the second Beyblade team we've recruited.

Overdrive: I know, right?

Me: Yep. In less than a year.

DC Enchantress: (to Nico) We heard you fought the Dino Patrol.

Nico: We sure did.

Tar Pit: They'll be good additions to our ranks.

Me: Yeah they sure will.

Qin: I agree there.

?: I do too.

A figure came out and it was Sasamatage from Episode 21 of Shinkenger!

---

Finding the Rokumon Junk empty, Sasamatage decides to cause trouble on his own by placing his eggs on humans to make them violent. The eggs can also be used as explosive projectiles. He is destroyed by the teamwork of Shinken Red, Blue and Yellow, Sasamatage enlarges and is quickly destroyed by the teamwork of Tenkuu ShinkenOh's Tenku Bamboo Slice with help from DaikaiOh West.

Yokai Origin

According to folklore, the kameosa (瓶長) is an old bottle that has been possessed and has an infinite amount of liquid inside. Sasamatage's right shoulder, which appears to be a bottle spilling sake, is thought to be the basis of this legend.

---

Eli: Sasamatage! I remember you! You were sent to place eggs on humans to make them violent.

Sasamatage: That's right Eli. Good memory.

Qin: Yeah!

Sasamatage: Too bad I wasn't adapted in America.

William: I know. Eggs making people violent is definitely Xandred's MO.

Me: I agree there. But that would have been an awesome episode.

Qin: Yeah what a ripoff!

Me: Aw Qin I was gonna say that!

Qin: Sorry J.D. (LAUGHS)

We laughed.

We got the battles underway.

## Ilana, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Victoria Nottingham, Hercules, Darkwing and Dreadwind VS June Moone A.K.A. Enchantress (DC) - Meeting 2 awesome Weather Painter Gene-slammers

Enchantress was next.

DC Enchantress: (to Ilana) I heard you guys met 2 awesome Weather Painter Gene-slammers. What are their names?

Ilana: We met 7 of them actually. Their names are Nephele Zephyrine, Rayne Dodola, Jessica Roseranae, Nanami Shironagasukujira, Mimi Zifūfèn, Yolei Dulfayn'akhdar and Rika Pinguind'oro.

Twilight Sparkle: Their stories are really awesome too.

Starshine Sparkle: Here's what we found out both yesterday and today.

FLASHBACK - YESTERDAY

Nico: Yep. So, Nephele, what's the story on why you hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Timmy Turner: I'll just get some dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case I find out they almost caused a life-threatening injury.

Timmy made dummies of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan ready, in case he find out they almost caused a life-threatening injury.

Nephele Zephyrine: You're not going to like it. One day, Lincoln, Laney, Althea, and I were working on a huge art project in Art Class, we were asked to create a mural of Royal Woods to show to the town for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired clouds and violet energy blasts at them and blinded them badly, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was outright furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Nephele Zephyrine: Yep, just like what happened with Althea Iridiana, Laney, and Lincoln's mural for Scotland, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy the mural project and kill Lincoln, Laney, Althea, and Nephele, I went ballistic and I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "That'll teach you not to go after my kids ever again!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He sure was a glutton for punishment alright.

Nico: That killjoy sure is nothing but a big fat jerk to you, Lincoln.

Lincoln: Tell me about it.

FLASHBACK 2 - TODAY

Rayne Dodola: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Jessica, Nanami, Yolei, Mimi, Rika, and Rayne, what memories did you have with Lincoln?

Jessica Rosearanae: (Spanish Accent) Oh, we have one that we still remember to this day, and it also involved us clobbering Lynn. One day, Lincoln and I were at the swimming pool at our gym, and we were doing some swimming practice because we had a swimming competition the next day. But, then, we'd heard the sound of a loud burp in the air, and we knew who it was: Lynn. If she was out to cause us grief again, she was in for one brutal pounding, so some of the Guardian Angels then went outside to catch her and clobber her. But, what they didn't know was that she snuck in through the back, and she dived into the pool. But, we saw something in the water, and we saw who it was, it was Lynn. But, before she could grab and yank off Lincoln's swim shorts, we swam after Lynn and punched her hard in the face and sent her flying out of the pool, and when we told the rest of The Guardian Angels of what Lynn tried to do after they came back in, they pounced on and pummeled her.

Nanami Shironagasukujira: (Japanese Accent) Then, we made her sing like a canary and she told us of what she planned to do: which was grab Lincoln's swim shorts and yank them off and get him to chase her into a trap and all for a cruel prank she'd set up: to photograph him naked and have him humiliated at the competition the next day by posting the picture on the internet. We were absolutely mad at Lynn big time for that, and we'd already pummeled her. So, we did the second bad thing to happen to her: we called Luna, and after we told her of what Lynn tried to do, she rushed in and grabbed Lynn and she dragged her back to The Loud House.

Mimi Zǐfúfèn: (Chinese Accent) We then finished our training, and we went back to The Loud House, and we found out the parents grounded Lynn for a week, but she didn't do this to get an advantage in the competition, in fact, she wasn't even allowed to compete in any swimming competitions due to her aggressive nature. So, she did this to humiliate her own brother in front of everyone, so that he'd chicken out of the competition, and she'd ruin his reputation.

Yolei Dulfayn'akhdar: (Arabic Accent) But it didn't work, the next day: the day of the competition: Lincoln and all of us won the competition.

Rika Pinguinod'oro: (Italian Accent) We never tolerated Lynn's dumb stunts, but what she tried to do, that was by far the lowest stunt ever, and we gave her her just desserts.

Nico: I would've expected this sort of thing from Luan because of her Dark Side, but when it comes to competitions, I think we can expect that from Lynn when her Dark Side takes over.

Me: Yep, that sore loser Dark Lynn went too far, now we're really glad she got The Black Gates forever.

Rayne Dodola: She really was a sore loser, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, and I were working on a huge art project in Art Class, we were asked to create a mural of Michigan to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired rain and indigo energy blasts at them and it washed away Lori and Lola's make-up, and we pounced on and attacked them with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Rayne Dodola: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, and Rayne, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Nico: That stupid killjoy, I ought to beat his brains in, if he even had any, and I'd make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

Jackson Chappell: I have a feeling you are ready.

Yost Wolverine: You bet I am.

He fired waves of energy and smashed him down.

## Juni VS Miranda Frost

Miranda Frost: (British Accent) You ready for me little boy?

Juni: Oh I sure am.

Juni unsheathed his sword and clashed with her and smashed her down.

## Gentaro VS Fault Zone

## Gingka VS Slug King

Gingka was facing The Slug King.

Gingka: This is gonna be awesome!

Slug King: You ready for me little boy?

Gingka: Always ready.

Gingka fired waves of stars and blasted him down.

## Samurai Rangers, Megaforce Rangers, J.D., Camie, Celica, Zarya, Cassidy, Eli, Nunnally, C.C., Laney, Lana, Lola, Lisa and Lily VS Sasamatage

Sasamatage was next.

Sasamatage: Boy I can't believe that Helmet insulted Rarity like that!

Me: No kidding! What a jerk and a freak!

Camie: Yeah no kidding!

Celica: He was literally born on the wrong side of the bed!

Zarya: You got that right!

Cassidy: No kidding.

Sasamatage: Man what a jerk. Lets do it!

I teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Dark Nebula and Nemesis, they're a collection of massive greatswords with embedded colored gems and the anti-Dark Nebula and Nemesis symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored Pegasi heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored Pegasi heads and large colored gems on the bottom of the Pegasi heads for the pommels, and there's also blasters included with the greatswords. Once in hand, they'll get a massive power and energy increase.

I teleported back with them.

Samurai Rangers: IT'S MORPHIN TIME! SAMURAIZERS! GO GO SAMURAI!

Antonio: SAMURAI MORPHER! GOLD POWER!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! SAMURAI!

Me: Lets get him!

Jayden: Fire Buster Cannon mode!

He put his Fire Buster into Cannon Mode and I put on a Thunderbird Disk. They loaded the disks.

Me: FIRE!

We fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and his sword flew out and Cassidy caught it.

Me: YEAH! Sasamatage you have failed this city!

Jayden: Samurai Rangers, Victory is ours.

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and we cheered wildly.

Gingka: That was so fun!

Madoka: Yeah!

Qin: Yeah it sure is!

Triggerhappy: Now with the usual battles done, we can go after Nemesis and Dark Nebula.

Nico: You read my mind.

Dark Leo: First, we need to find out where they are.

Jetsam: Eli, if you would?

Eli: On it.

He concentrated and found them.

Eli: Found them. In Aokigahara Forest.

Me: The Suicide Forest.

Nico: Very fitting. Coming on guys. (EYES GLOW RED) It's time to end the darkness of Dark Nebula and Nemesis forever.

We were off!

We flew on and we arrived at a temple.

Me: This it?

Gingka: Yep.

Then we saw a figure and it was TETSUYA WATARIGANI!

Me: Tetsuya Watarigani.

Tetsuya Watarigani: Sorry I can't let you pass.

Gingka: Look, Tetsuya. We don't have time to mess around with you.

Tetsuya Watarigani: (laughs) Too bad. Because I got time for all of you!

Me: Then you too will die.

Turn up!

Me: I know that morph anywhere!

Out came the Blade Team!

Kazuma: Looks like the fun has started.

Nico: YEAH!

Kazuma: We'll hold him off. Go get Nemesis guys.

Evelyn: Let me help you guys!

Kazuma: Awesome!

We went passed him.

Chick Hicks came.

Nico: Thanks for coming, Chick.

Chick: Anytime Nico.

Qin: This is gonna be good.

Then we got to a main room and then we saw a shadowy, figure with glowing evil red eyes. It was NEMESIS!

Me: Whoa that's him.

Chick went over to him.

Chick: It's over Nemesis!

Nemesis: (laughs) One puny car is going to try and kill me?

Chick Hicks: Hey, I might be small. But you shouldn't underestimate me!

Then the spirits of the Beyblades appeared and they swirled around him and then they converged and then a giant beyblade appeared and spun fast and a huge phoenix appeared from it and it cried and then it spread its wings and out came us!

Qin: Nemesis you will pay for your crimes!

Me: You and Dark Nebula will die! Right now!

Tyson: That's right! You are going to pay!

Nemesis: Another team of Beyblade fools?! No matter. You will all die the same. And then, the Universe will belong to Dark Nebula!

Me: Like hell it will!

Nemesis: Tronics! Attack!

An army of Tronics appeared.

Me: Tronics!

Camie: Nice!

I fired waves of energy and blasted them all over and then I blasted Nemesis and knocked him down.

Then the Tronics jumped Gingka and friends.

Gingka and his friends lay defeated at the hands of the Tronics.

Nemesis: (laughs) Your days of being a thorn on my side are over, Gingka. (to Ryuga) And after that, I think I'm going to return you to my side.

Ryuga: (weakly) Like Hell you will.

Ryuga still had some strength left in him as he pushed a Tronic back.

Tyson: (punches a Tronic) Ellie, just like what Tahu did in his mission. You know what to do!

I fired waves of energy and blasted the Tronics and Nemesis.

Ellie nodded, already getting an idea.

Ellie: (to everyone watching) Everyone out there! Lend them your strength! They get stronger with your support! When I go "Beyblade", shout "Let it Rip"! Okay? Beyblade…

All: LET IT RIP!

Ellie: One more time! Beyblade…

All: LET IT RIP!

Ellie: Louder! 1,2…

All: LET IT RIP!

Jamesdean5842: LET IT RIP!

At these words, Gingka found the strength to get up.

Including strength from the author!

Gingka: Think we're gonna do down easily, Nemesis? Guess again!

Gingka punched a Tronic attempting to finish him off, knocking it to the ground!

Nemesis: WHAT!?

Me: You will pay for your crimes!

Gingka: Thanks for the help, guys.

Madoka: I can't believe we have so many people cheering for us.

Kyoya: So, this is how Tyson and the others felt.

Masamune: It sure does.

Me: Yep. Power of Friendship and hope.

King: Well, what are we waiting for?

Tsubasa: Let's finish this!

Nico: You got that right!

Me: Time to go all out!

I went Super Angel Celestial Eternal Xelnaga!

Nemesis: NO!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Friendship, Justice, Love, Courage and Light) **You will never get away with everything you did Nemesis!**

Xenia: That's right!

Nico went Super Saiyan Infinity!

Nico: You are going to die right here and right now.

Me: Fight us if you're ready to die.

Ellie: Can I transform with you guys?

Devon: Sure, Ellie.

Beast Morpher Rangers: IT'S MORPHIN TIME! ACTIVATE BEAST POWER!

They transformed!

Ryusei slides a switch on his belt, activating it

Meteor Driver: Meteor, Ready?

While this goes on, Gentaro is busy flipping the red switches on his belt downwards before grabbing the lever.

Fourze Driver: 3! 2! 1!

Ryusei. Nadeshiko and Gentaro: Henshin!

With that, Gentaro pulls the lever and is surrounded by some sort of construction field resembling a Stargate almost while Ryusei is surrounded by cosmic energy, causing him to take the form of a meteor and fly into several Tronics before returning back to the point he originated from, at which point the suits are revealed. Ryusei is shown in a black suit resembling a star map and decorated with a blue shoulder pad and sash connector and blue comet looking helmet with red eyes atop a silver base, with a strange device on his right wrist and an odd blue point on his left thumb. Meanwhile, Gentaro appears clad in white and black with huge orange eyes and accents of the same orange, and four unique points on his wrists and ankles: an orange circle on his right wrist, a blue X on his right ankle, a yellow triangle on his left ankle, and a black square on the left wrist.

Beast Morpher Rangers: UNLEASH THE BEAST!

Ellie Singh: Alright, that's it, I've had it up to hear with you both to last an eternity, Dark Nebula and Nemesis.

Suddenly, Ellie Singh's blue eyes turned neon blue and she was surrounded by a sky blue energy aura with winds, angels, and Kinecelerans, and as she approached Dark Nebula and Nemesis, she left sky blue energy, winds, angels, and Kinecelerans with every step.

Ellie Singh: You two twisted monsters make me absolutely sick, you both have caused Gingka and his friends enough grief to last an eternity with your dark schemes and your desires to destroy the world, and now, I will see to it that the both of you die here and now.

Suddenly, Ellie Singh was surrounded by a massive vortex of sky blue energy with winds surrounding the vortex, there are angels flying and a Kineceleran running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Ellie Singh emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ellie Singh grew to 7'1" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her long blonde hair, she has neon blue eyes and a sky blue energy aura with winds, angels, and Kinecelerans surrounding her, she has a Kineceleran emblazoned on her forehead, she has on Kineceleran earrings with blue gems for eyes and holding the Wind, Speed, and Eternity Kanjis in its hands, she also has a Kineceleran with blue gems for eyes and holding the Wind, Speed, and Eternity Kanjis in its hands on the bottom of her blue Kineceleran-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems embedded in the gold wind links. Ellie Singh has on a blue sleeveless vest, sleeveless blue crop top, blue skirt, camoflage shorts, blue skates, and long sleeveless white trenchcoat with winds, angels, and Kinecelerans on the coattails, and on the back is a Kineceleran surrounded by winds. Suddenly, Ellie Singh felt a sharp pain on her back, and then, massive blonde angel wings with blue tips on the large feathers, grew and spread out from her back and she now has eleven massive and long blonde wolf tails. Ellie Singh has on her

Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Ellie Singh's massive Sword of The Quantum Quartet and all of the greatswords she'd got began merging together and they're surrounded by a kaleidoscope of sky blue energy, winds, angels, and Kinecelerans and when it emerged, it was transformed into Kineceleran's Speed Storm Wind Greatsword of Speed Wind Justice, it's a brand-new massive greatsword with embedded sky blue gems and a Kineceleran etched on the 7'0" massive, wide, double-edged sky blue blade, large Kineceleran heads for the crossguard, large sky blue gem embedded in the rainguard, longer midnight black handle, four Kineceleran heads with red gems for eyes and large sky blue gem on the bottom of the Kineceleran heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with sky blue gems on her wrists, her Belt of Elemental Bravery with a gold Kineceleran head with blue gems for eyes and a large sky blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sky blue kanji below the Kineceleran that said, "Ellie Singh, Gene-Slammer of The Kineceleran, Member of The Quantum Quartet, Dear Friend of Qin Chen, Missy Rodgers, and Erica Haddock, Loving Future Wife of Jim Crocodile Cook, Archenemy of Chick Hicks, Loving Sister of Gingka and His Friends, Destroyer of Nemesis and Dark Nebula, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Speed, and Kinecelerans"

エリー・シン、ザ・キネセレランのジーン・スラマー、クォンタム・カルテットのメンバー、チン・チェンの親愛なる友人、ミッシー・ロジャース、エリカ・ハドック、ジム・クロコダイル・クックの愛する未来の妻、チック・ヒックスの大敵、ギンカと彼の友人の愛する姉妹、ネメシスとダーク ネビュラの破壊者、悪のスレイ

ヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、風、スピード、キネセレランの達人

Ellie Singh has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY HURRICANE SPEED STORM KINECELERAN ANGEL OF DIVINE SPEED STORM KINECELERAN JUSTICE AND DIVINE SPEED STORM KINECELERAN LOVE!

We were amazed by Ellie Singh's Super Angel Xelnaga Eternity Infinity transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dark Nebula and Nemesis saw it, they went mad with rage and fired dark energy blasts at her to kill her, but Ellie Singh used her superfast speed and dodged the dark energy blasts, and she fired two powerful sky blue energy blasts with winds, angels, and Kinecelerans at Dark Nebula and Nemesis, and they exploded as they hit them, and it really angered them now.

Gingka: Whoa, so that's her…?!

Nico: That's her Phase 1 transformation, Gingka, her Phase 2 transformation is coming later on.

Lincoln: And against the one bastard who's finally about to meet his long-awaited fate with death.

Maria Garcia: (Spanish Accent) Antonio Maldonado.

Ellie Singh: (Divine Echoing Cosmic Voice of The Hurricane Speed Storm Kineceleran and Divine Speed Storm Hurricane Kineceleran Love) **Yeah, The Order of Nuestra Señora de la Santa Muerte are one bad cult who've killed innocent people for their devotion to Santa Muerte and their Black Santeria practices.**

Me: **But, it'll end soon with Antonio Maldonado's death.**

Gentaro: (Throwing his arms up in his classic pose) Space is here! Time to settle this, man-to-man.

Ryusei: Time to decide your fate.

Beast Morpher Rangers: Unleash the beast!

Me: **Lets get him!**

Nico: ATTACK!

We went at them all!

**THE BATTLE THAT WILL DECIDE THE FATE OF THE ENTIRE UNIVERSE HAS BEGUN!**

Maria: Time for this! (TURNS DIAL) METEOR FORCE 6!

She summoned Avalanche, Lexaeus, Aligned Chop Shop, Clampdown, Flying Fish (Hero 108), Armadeevil, Golem (Dark Cloud), Meteormon, Stonedozer, Golemon, Minotarumon and Triceramon!

Nico: YEAH!

We fired waves of energy and elements and blasted him all over.

Troy: Save some for us!

Tsukasa: Don't leave us out!

Kamen Ride: Red Beast Morpher!

Kamen Ride: Blue Beast Morpher!

Kamen Ride: Yellow Beast Morpher!

Kamen Ride: Gold Beast Morpher!

Kamen Ride: Silver Beast Morpher!

Megaforce Rangers: LEGENDARY RANGER MODE! BEAST MORPHERS!

The Megaforce Rangers turned into the Beast Morphers too and Tsukasa turned into the Red Beast Morpher and Daiji summoned clones of the Beast Morphers too!

We blasted and smashed and obliterated the Tronics all over.

I fired a massive energy blast and it hit Nemesis and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: **Take this!**

I formed a powerful black energy ball.

Me: **ELECTRO ECLIPSE BOMB!**

I fired it and it hit Nemesis and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The explosion blasted him big and he was wounded.

Yusei: (gets out Mysterio's Astroswitch) Let's see what this does here!

Yusei flicked it and summoned the World of Chaos Heartless Robot and it fired waves of darkness and energy and smashed the Tronics all over and blasted them.

Yusei: I summon Stardust Dragon!

He summoned Stardust Dragon!

Yusei: Attack! Cosmic Flare!

It fired a massive blast of Star Fire and smashed them all down.

Nico: Yeah!

Ravi: (gets out Atomic Flounder's Astroswitch) I don't need to overheat to take you guys down!

He flicked it and glowed an intense radioactive glow and melted the Tronics.

Me: **NUOVA STAR!**

I fired a blast of Fire with Nuova Shenron's power and it hit Nemesis and exploded in a massive and intense pillar of fire!

He was burned all over.

Me: **Wait I remember now.**

I looked up and saw BLACK SUN!

Me: **That's it! It's the source of his power!**

I then had the 7 Dragonballs glow red and they fired red beams of energy and they formed into a powerful massive red energy ball and I condensed it.

Me: **NEGATIVE KARMA BALL!**

I fired it and it went at the Black Sun.

It hit the Black Sun and exploded with unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE EXPLOSION!

THE EXPLOSION WAS SO MASSIVE, SO POWERFUL AND SO DEVASTATING THAT IT WAS UNBELIEVABLE! When the smoke cleared, I was sucking in the negative energy from the Black Sun and it formed a massive and powerful vortex of negative energy and it was sucked right into me like water through a straw! When it was sucked in I got more powerful than ever before.

Ingrid Cortez: (gets out Can of Whup Ass' Astroswitch) I hope I do this right.

She flicked it and a can formed and then she opened it and punched numerous Tronics all over.

Qin: YEAH!

Carmen Cortez: GO MOM!

Me: **Now it's brighter than ever without the Black Sun.**

Nemesis: DO YOU FUCKING FOOLS REALIZE WHAT YOU HAVE JUST DONE!?

Me: **Destroyed your source of power.**

Yost Kitty: (gets out NES Phoenix's Astroswitch) No phasing needed here.

She flicked it and fired numerous fireballs and obliterated numerous Tronics!

Qin: Take that!

Qin fired waves of fire and they exploded!

Nicole: Awesome! The Phoenix from Godzilla for NES.

Nico: Love that one.

Nadeshiko: (gets out Pounder's Astroswitch) It's pounding time!

She flicked it and smashed numerous Tronics flater than pancakes.

Nico: YEAH!

I kicked Nemesis in his face.

Me: **Not much of a power now that Black Sun has been destroyed huh?**

Nemesis: YOU WILL PAY FOR THAT! I HATE YOU!

My aura flared up with explosive force!

Me: **Thanks for the power boost!**

I kicked him in the stomach and kneed him in the face and kicked him in the chest and knocked him down.

Tsubasa: (gets out Meat's Astroswitch) Wonder what this will do.

He flicked it and buffed up and then smashed numerous Tronics into scrap metal!

Lola: YEAH!

We then set our sights on Nemesis who was brutally mangled up from when I was kicking his ass.

Me: **You are dead meat Nemesis!**

Qin: Time for you to die!

We went at him and blasted and smashed him and pulverized him all over.

Beast Morphers: Beast-X Visor Linked! Activate Beast-X Mode!

Gentaro pulls the orange module out of the Fourze Driver, replacing it with one that's blue with a large silver-covered doomsday button like device, before exposing the doomsday button by pushing down the silver part.

Fourze Driver: Cosmic!

Ryusei removed the module in his Meteor Driver and replaced it with one with a yellow and silver pinwheel on the front

Meteor Storm Switch: Meteor Storm!

Meteor Driver: (As Ryusei presses a previously unseen yellow button on the Meteor Storm Switch) Meteor On! Ready?

With their devices in place, Gentaro presses the big red doomsday button while Ryusei spins the pinwheel on the Meteor Storm Switch

Cosmic Switch: Cosmic, ON!

Now each Rider is surrounded by Cosmic Energy, forming their final forms, Gentaro's limb denoting symbols all turn silver as his white undersuit turns blue, complete with a new touchscreen chestpiece with four quadrants of symbols marked 1-40, and a new helmet with black and yellow decorum and giant red eyes as a booster rocket looking weapon with a blue handle and silver grip materializes in his hand. Meanwhile the same energy turns Ryusei's black and silver undersuit blue and gold, generates a second shoulder pad and turns the blue parts of his normal suit a bright gold before generating a blue polearm in his hands

Nico: YEAH!

We fired more energy blasts and elements.

Nico: It's over Nemesis! YOU'RE FINISHED!

Nico flared up his power!

Nemesis: HOW DARE YOU!? Me!? Finished!? NO ONE SAYS THAT TO ME! I WILL MAKE THIS UNIVERSE MINE IN THE NAME OF EVIL! (GROWLS WITH RAGE)!

I fired waves of energy and blasted him all over.

Quadore blasted him all over.

Nico: (Nemesis laughs) Now what's so funny?

Nemesis: You really thought you absorbed ALL the Black Sun? In truth, I had actually absorbed much of it to do this!

With the Black Sun Energy he managed to absorb, Nemesis grew giant.

WE GASPED!

I snapped my fingers and grew to his size.

We fired massive black energy blasts which hit Dark Nebula and Nemesis, and both of them were sent to The Black Gates forever.

Tetsuya had a huge hole blasted through his chest courtesy of Evelyn.

He fell over dead.

Kazuma: Stay down. I mean it!

Evelyn: You got that right! Kazuma thank you for your gift. I got it.

Kazuma: Glad you got our gift from J.D.

We were not done yet.

Gingka: We did it, Dark Nebula and Nemesis are finally gone for good.

Nico: You got that right, Gingka. Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) He's right, there's still the matter of Antonio Maldonado, the leader of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic/heretic and the last of The Order of Nuestra Señora de la Santa Muerte should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Antonio Maldonado.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Antonio Maldonado, the religiously fanatical heretic, leader, and last remaining member of The Order of Nuestra Señora de la Santa Muerte.

Maria Garcia: (Spanish Accent) I knew Lincoln was right that you and all the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you're going to get your revenge on us, then, you're just as insane as ever. And by the way, we've already destroyed every last one of your members one by one and we also killed your malevolent son as well, now only you are the last one left.

Antonio Maldonado: You will all be sacrificed to Santa Muerte, and our deity will reward me as I bathe in your blood, and I will enjoy hearing your screams of pain and agony as I tear your hearts out of your chests and eat them right in front of you!

Suddenly, Ellie Singh's blue eyes turned neon blue and she was surrounded by a sky blue energy aura with winds, angels, and Kinecelerans, she unholstered her massive Kineceleran's Speed Storm Wind Greatsword of Speed Wind Justice, and as she approached Antonio Maldonado, she left sky blue energy, winds, angels, and Kinecelerans with every step.

Ellie Singh: Yeesh, you really are just as insane as Maria Garcia and the other Fabled Gene-Slammers say, but either way, you're the last one standing, Antonio Maldonado, and now, we'll make sure that you join the rest of your followers and your son in death.

Suddenly, Ellie Singh was surrounded by a massive vortex of sky blue energy with winds surrounding the vortex, there are angels flying and a Kineceleran running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Ellie Singh emerged, but she was changed forever.

Ellie Singh has transformed into SUPER ANGEL-KINECELERAN-HARMONY CELESTIAL ETERNAL XELNAGA ETERNITY HURRICANE SPEED STORM KINECELERAN ANGEL OF DIVINE SPEED STORM KINECELERAN JUSTICE AND DIVINE SPEED STORM KINECELERAN LOVE!

We were amazed by Ellie Singh's Super Angel-Kineceleran-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Antonio Maldonado saw it, he went insane and he got out his sacrificial knife to stab her, but Ellie Singh fired a powerful sky blue energy blast with winds, angels, and Kinecelerans at Antonio Maldonado, which hit him and pushed him back, but this really pissed him off now.

Qin: Whoa, now Ellie's transformed into her Super Angel-Kineceleran-Harmony Celestial Eternal Xelnaga form, awesome!

Ellie Singh: (Divine Echoing Cosmic Voice of The Hurricane Speed Storm Kineceleran Angel and Divine Speed Storm Hurricane Kineceleran Love) You got that right, Qin. Now, it's high-time for Maria Garcia to transform, so that all three of us can end this religious fanatic and heretic once and for all.

Maria Garcia: (Spanish Accent) Right, now we can finally bring an end to this once and for all.

Suddenly, Maria Garcia's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Leviathan-themed greatsword from her back, and as she approached Antonio Maldonado, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Maria Garcia: (Spanish Accent) At least, I know you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Antonio Maldonado. You and the rest of The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Leviathan and leader of The Order of The Fabled, I hereby sentence you to death for your bloody crimes, today, The Order of Nuestra Señora de la Santa Muerte dies here and now!

Suddenly, Maria Garcia was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Leviathan flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Maria Garcia emerged, but she was changed forever.

We were amazed by Maria Garcia's Super Angel-Fabled Leviathan-

Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Antonio Maldonado saw it, he went insane and he got out his sacrificial knife again, this time to stab his hated enemy, but Maria Garcia fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Antonio Maldonado, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Isabella Andwraith: (Spanish Accent) Incredible, now the last of the Fabled Gene-Slammers and The Leader of The Order of The Fabled, Maria Garcia, has transformed.

Lincoln: Yeah, and she really sent Antonio Maldonado back with that energy blast she fired and that really pissed him off now, and Maria, you look beautiful, how do you feel?

Maria Garcia: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Leviathan and Divine Darkness Light Fabled Leviathan Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Antonio Maldonado once and for all?

Lincoln: (Smiles) And put an end to The Order of Nuestra Señora de la Santa Muerte for good, with pleasure, Maria.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Maria Garcia and Ellie Singh.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're

done running, Antonio Maldonado, and now, you're going to pay for the times you and your religiously insane pals have tried to kill my Guardian Angels in the past.

Maria Garcia, Lincoln, and Ellie Singh went after Antonio Maldonado, and they fired extremely powerful blasts of rainbow energy, black energy, sky blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Antonio Maldonado and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Maria Garcia sent her three imps and Lincoln summoned his own imps and they sent them at Antonio Maldonado, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes. Ellie Singh fired a blast of wind and the gusts of wind cut his cheek and drew blood.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal, and Ellie fired a blast of wind and the wind gusts cut him and also drew more blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Maria Garcia, her hand-cannon Blaster is known as

Fabled Leviathan's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Leviathan surrounded by imps and light etched on the sides, and a red gem on the top of the blaster.

Then, another beam of light descended and another hand-cannon Blaster appeared, this time for Ellie Singh, her hand-cannon Blaster is known as Kineceleran's Hurricane Speed Storm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with wind gusts on the blaster and with a Phoenix, Angel, and a Kineceleran surrounded by winds etched on the sides, and a sky blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Maria Garcia, and Ellie Singh aimed their hand-cannon blasters at Antonio Maldonado.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Antonio Maldonado!

Maria Garcia, Lincoln, and Ellie Singh fired blasts of rainbow energy, black energy, sky blue energy, and elemental forces at Antonio Maldonado and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holstered their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Antonio Maldonado and the blades skewered him, and he was pinned to a cross that appeared from nowhere.

Antonio Maldonado: (Spanish Accent) You may have defeated me, but soon, you shall be in for much worse, The Extraterrestrial Order of The Planets of Holy Ghidorah will come for you all, and you will all perish! (LAUGHING MALEVOLENTLY)

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) We'd since been made aware of that, thanks to my vision, and now, it's time for you to join the rest of your members and your son in eternal damnation.

Lincoln fired a blood red and black energy beam which hits Antonio Maldonado and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Maria Garcia and Lincoln gave Antonio Maldonado The Black Gates for good. We cheered as Maria Garcia, Lincoln, and Ellie Singh holstered their massive greatswords on their backs and powered down, and Maria Garcia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Ellie Singh's new body, clothes, weapons, jewelry, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Ellie Singh: See ya never, Antonio Maldonado.

Maria Garcia: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me bring a well-deserved and permanent end to Antonio Maldonado and The Order of Nuestra Señora de la Santa Muerte for good, Linky. You too, Ellie.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Ellie Singh: Now, we won't have any trouble in the days to come.

Suddenly, Maria Garcia wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Maria Garcia's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Leviathan flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Maria Garcia absorbed the light and they came back to us as the display and Fabled Leviathan vanished.

Nico: Wow, Maria, Lincoln, Ellie, that was one awesome battle you fought, and thanks to you guys, Antonio Maldonado has been destroyed, and The Order of Nuestra Señora de la Santa Muerte has been brought to an end for good.

Lincoln: Yeah, and now, tomorrow comes the real fight.

Gingka: And what did he mean by a new cult arising?

Lincoln explained to Gingka and his friends all about The Extraterrestrial Order of The Planets of Holy Ghidorah, an evil cult of Exif and their mission is to resurrect 2018's King Ghidorah and destroy the Earth, but in the time where Haruo, Yuko, and his team came from in 20,000 years from now, they destroyed Ghidorah and now they want revenge on all of us for ruining their plans and they want to destroy us and bring back 2018 King Ghidorah, and when Lincoln was finished, they were shocked.

Gingka: Oh man, they're really bad news, and the war against them will begin tomorrow, right?

Nico: That's right, The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah begins tomorrow, but we're now ready for them and we won't let them destroy our world. Say, Lincoln, which Weather Gene-Slammer are you hoping to meet tomorrow?

Lincoln: The next one we're meeting tomorrow is the Gene-Slammer of The Weather Painter Snow.

Althea Iridiana: Yes, and there's one person I know who'd be Gene-Slammed into The Weather Painter Snow: Morana Marzanna, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over snow and ice and the blue color of the spectrum, and she's also recognizable because of her blue hair and massive and beautiful blue angel wings. She, Lincoln, Laney, Nephele, Rayne, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Nico: So, we got another artist to meet tomorrow.

Lincoln: Plus, you're also in for a surprise: Morana Marzanna's also the daughter of Marzanna, The Slavic Goddess of Winter, Death, and Rebirth, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa! So, that means the Weather Painter Gene-Slammers are not only your Guardian Angels.

Timmy Turner: But, also children of the Gods and my cousins, that's right.

Nico: (Whistles) Whoa. But, now we know what to expect when we meet the other Weather Painter Gene-Slammers.

We powered down.

Black Spider: Another Beyblade adventure done.

El Oso: And Nemesis is no more.

Me: Thank goodness.

Nico: Yeah.

Bronze Kneecap: (to the Blade team) You guys helped too.

Kazuma: We sure did.

Me: We owe you big time Kazuma. Glad you guys got my little severed head present.

Kazuma: (LAUGHS) Yeah we sure did.

Gingka: See you in 5 days.

Kazuma: Gotcha. It'll be the battle everyone's been waiting for.

Gingka and Kazuma high five each other.

Ebon: Too bad we didn't go to Honeyhive Galaxy.

Piledriver: Maybe next time.

Me: Yeah.

Bulldozer: For now, let's enjoy the moment.

Me: Besides we saved the universe from doom.

Nico: Yep we sure did. Great job everyone.

Gingka: (To the viewers) This was an awesome adventure. Hope you all liked it.

Me: I know we all did.

Camie: Yep.

Nico: Lets go home.

We went back home and it was an awesome adventure. We enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Denver, Colorado, and Lincoln and his group are going to defeat Universe 666 Ets, who like Universe 666 Lincoln, had his harem murdered by Evil Nico and his cohorts and he's seriously out for revenge, but after we defeat him, Universe 666 Lincoln is going to talk some sense into him, and then, they're going to recruit Universe 666 Ets into the Redemption Squad, and bring the Universe 666 version of Ets' harem back from the dead and recruit them into the Redemption Squad as well, and after we do all that, we're going after the main target: another bully from Nico's past named Daniel Collymore, he's a rotten, black-hearted, sadistic monster who enjoyed terrorizing everyone for his own sick amusement until he was defeated by Nico, Qin, and all of their friends, and he was expelled from school and sent to a boarding school in Russia. But, we got word he escaped, and he wants revenge on Nico, Qin, and their friends for getting him expelled, hope he likes spending the rest of his life in The Uranus Prison.

And we're going to meet the next Gene-Slammer for The Weather Painter Monsters, this time, it's a Gene-Slammer for Weather Painter Snow named Morana Marzanna, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over snow and ice and the blue color of the spectrum, and she's also recognizable because of her blue hair and massive and beautiful blue angel wings. She, Lincoln, Laney, Nephele, Rayne, and Althea also painted many beautiful works of art in Art and the paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Morana Marzanna's also the daughter of Marzanna, The Slavic Goddess of Winter, Death, and Rebirth, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Boy this will be awesome seeing Quark Industries. More of the building. Last time we were here we didn't get that opportunity.

Nico: No we sure didn't.

Cheetor: Boy the robots here are really something.

Rattrap: They sure are.

Lincoln: And they are really well built.

Xenia: I think it's amazing how they build all sorts of futuristic devices and all that.

Qin: I'll say.

Nico: Jaden, I want to thank you, Speed Demon, and your teams for coming.

Jaden: Hey no problem Nico. It's gonna be awesome helping you guys out.

Reggie McDonald: It sure will be awesome.

Alexis Rhodes: We're all looking forward to this one.

Nico: We sure are.

Me: I'm really excited for this.

Nico: Reggie, how did you and Lincoln first meet?

Reggie McDonald: Me and Lincoln first met when we were in gym class and I protected him from most of the strikes from dodgeballs. Also I have known about Lincoln and Girl Jordan's little secret crush for a long time and I thought it was awesome.

Nico: That is so cool.

Lincoln: It sure is. Reggie is not only a very powerful umbrakinesis master but is also a great dodgeball master.

Reggie McDonald: He's right on that.

Nico: That is so cool.

Me: All of Lincoln's guardian angels are awesome at many things as they are at protecting Lincoln from the worst threats that his enemies can dish out on him.

Nico: And now, you're part of Lincoln's harem.

Reggie McDonald: I sure am. Along with many others.

Me: And more are pouring in.

Qin: Yep. Just like with you and Nico and many of us.

Me: Yeah.

Camie: So awesome.

Nico: Ellie, you should be proud if yourself for yesterday.

Ellie Singh: I sure am Nico. All of us had fun yesterday.

Cheetor: Boy we sure did! That was so awesome!

Me: It sure was and now Gingka and friends are part of the team and Ryoga is in the M.O.E.

Nico: Yep.

Eli: And the best part is that we have 2 Beyblade teams with us now.

Ellie Singh: Yep. Tahu's team and now my team.

Xenia: That is so cool.

Me: And we're rid of the evils of Nemesis and the darkness he caused to the world over the eons.

Nico: And Gingka gave you that Christmas present.

Ellie Singh: He sure did.

Me: I told your dad everything you did and he is so proud of you Ellie.

Ellie Singh: I'm so happy he is.

Me: Nico you aren't still pissed about what he said to Ellie are you even though he was out of his mind?

Nico: Nah. But I never thought I'd actually get that pissed.

Me: You were just defending Ellie. But to be honest, if it were me I would have done the same thing.

Leni: I totes agree.

Eli: Me too.

Lily: Same here. But I'm glad we didn't resort to a mercy kill.

Ellie Singh: I know. Thank you guys and thank you Lily for curing dad.

Nico: That is awful that he went that far downhill like that.

Ellie Singh: I know. But it's good that everything is back to normal now.

Nico: Yeah. It sure is.

Lola: Yep.

Elemental HERO Dark Neos: It's good that Ellie has her family back together now.

Elemental HERO Air Neos: It sure is and we're happy for her.

Nico: Yes we all are and she has awesome friends and more.

Ellie Singh: Yeah. I sure do.

Juran: Remind us what this place is again?

Me: Quark is a huge and top of the line robotics and nanotechnologies company. It's primary job is to make products both for the civilians and the military. They make robots, laser weapons, nanotechnological machines, computer devices and more.

Juran: Wow that is amazing.

Cheetor: It sure is! I think it's cool that we're here too.

Me: Yeah it sure is.

Eli: They make stuff for the Military and the civilians that is highly advanced.

Me: Like how we have at the estate.

Vroon: Were you guys here before?

Me: Yes we were. But it was before the Battle we had with Thanos.

Qin: I remember that and I just joined the team back then.

Xenia: That was awesome.

Me: And I used my Data Eyes on the Legion Ex Machina and analyzed them all.

Nico: I remember that. That was awesome.

Vroon: Wow! That is amazing.

Camie: No kidding there.

Speed Demon: Yeah at first we thought they were normal human beings but we saw that they were actually robots.

Me: Yeah this is what they look like underneath artificial skin so to speak.

I showed a hologram of their Exoskeletons.

Vroon: Wow! That is amazing.

Juran: Very advanced.

Speed Demon: How about me and Reverse Flash speed through the building to find any recruits?

Nico: Go for it. Just pick up any papers on the way if people spill any.

Reverse Flash: Okay.

ZOOM ZOOM!

They ran fast.

Me: Now we wait. But I do have some potential recruits for the M.O.E.

Nico: You do?

Me: Yep.

I looked up my files and showed Dr. Neugog, Po the Obliterator, The Undersea Leviathan, The EP-327, The 11X, and more.

Nico: Those are awesome recruits.

Lola: Yeah.

Eli: I like them.

Nico: We just need to find them.

Me: Well according to this it says that Dr. Neugog is locked up in the

Quark Maximum Securty. Same with Po the Obliterator. The EP-327 is in the Storage. The 11X is in the lab for analysis.

Nico: Then lets head to the Lab.

We did so.

We arrived.

Dr. Erica Slate: Hey there guys.

Me: Hello doctor. Sorry to drop by like this.

Nico: We were wondering if we could have a look at the 11X.

Dr. Erica Slate: Sure.

We looked at the wreckage of the 11X from when I destroyed it 3 and a half years ago.

Nico: (WHISTLES) Man I forgot how well you blew this entire robot into scrap metal.

Me: Yeah I fired an energy blast right into its Microfusion Particle Cannon and blew it apart into flaming rubble.

Vroon: Whoa! That took a lot of power.

Me: Yeah it sure did.

Nico: I still remember that day

Eli: I wasn't with you guys but that was intense.

Me: Well the 11X would make an amazing addition to the M.O.E. Dark Spicer and the group can fix it up no problem.

Nico: Yeah he sure can.

Maria: Let's get it to them.

Nico called in Dark.

Dark Spicer: Hey guys. Wow. The 11X will be perfect for our ranks.

Me: It sure will Dark.

Nico: You're getting a bunch of new members too.

Dark Spicer: Sweet. (To me) And just a warning J.D.: Your ass is going to be kicked.

Me: Bring it on little man. I can tell it's going to be your turn later on today.

We laughed.

Maria: It probably will take a day to fix this

Me: With Dark, not even that long.

Dark Spicer: Yeah we can fix this guy up in a jiffy.

Me: Nice.

Nico: Looking forward to seeing it in action again.

Dark gathered up the pieces and teleported back.

Speed Demon and Reverse Flash came back.

Speed Demon: We put the newest recruits you suggested into the M.O.E.

Qin: Awesome.

Me: Cool.

Nico: This is going to be one awesome rescue, not only are we here for another rescue, but we got word from Vypra that The Vengeance Express 6 kids have gotten loose from their cage again, and they're back for more punishment!

We gasped.

Speed Demon: Yeah Vypra told us to tell you guys that.

Me: Why, those miserable, reprehensible clods!

Lincoln: Yeah, they really are gluttons for punishment, and they refuse to quit. Well, now we're going to make them suffer even more with some brutal punishments, but the question is who's going to face them?

Elaine Wittgenstein: I will, those rotten little clods need to be taught a really severe lesson, and they need to be put in their place once again.

Salene Sallamandia: Same here.

Gem Cavvenport: Yeah, he needs to be taught a lesson.

Nalania Cherikova: One he'll never ever forget.

Estella Skyla: He's really going to get burned big time.

Olivia Orrovia: And you might even burn his Dino Patrol to ashes

Leona Terra: And we'll even leave some scars on him for good measure.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury, and Moonface the Silver appeared as well.

Rosa Laurence: I've absolutely had it with those Vengeance Express 6 clods always disobeying Vypra to get revenge on the Eds again, if they keep this up, I'm going to unleash pure Alchemical Hell on them!

Nico: Yikes! But, we'll settle for beating them senseless once again.

Lincoln: Yeah, that's a good idea, but Rosa's right, this hasn't been the first time that those revenge-crazed clods have gotten loose from Vypra's leash to go after the Eds again, and we've had to beat them senseless.

Nico: Yeah no kidding.

Qin: Yeah.

Nico: Eli, can you sense for Swartz's creations?

Eli: Lets see.

Eli concentrated.

Eli: I sense them. But the Another Huntik Titan is gonna be a shock to us.

Qin: Oh boy. Do you know what it is?

Eli: Yes I do. It's another version of The Betrayer's signature titan, Demigorgan the Titan of Betrayal.

We gasped!

Nico: Hopefully, the person won't be evil.

Eli: It's not. But she's having trouble maintaining its power.

Qin: Weird.

Lola: Oh boy.

Nico: But first we got smaller fish to fry.

Suddenly, we heard three screams, and Lincoln used his deep sapphire blue cyborg eyes and Third Eye and his energy sensing ability and The Force, and then, he saw who it was that made those loud screams: it was the Eds, and they're getting thrashed about by the Vengeance Express 6 Kids again and they were in the Park.

Me: They are in the park!

Lincoln: Get your claws away from our friends, you vengeance-crazed clods!

Nico: Let's get those monsters!

We rushed on over.

Vengeance Express Kevin: SAY GOODBYE, DORKS!

But, before The Vengeance Express 6 could get rid of the Eds, Lincoln charged in at superhuman speeds and he used six of his elven massive and long white wolf tails to grab the Vengeance Express 6 kids and he threw them outside.

I fired my blaster and blew the Vengeance Express 6 away from them.

Lincoln: Hang on, guys, I got just the thing.

Then, Lincoln took out a potion with a rainbow liquid inside it, and he poured a drop into the mouths of the Eds, and their injuries were healed.

Edd: Thank you, Lincoln.

Eddy: Why, you little twerps, now you really are going to pay!

Vengeance Express Sarah: I WILL KILL YOU ALL!

Nico: Bring it on, dumbasses!

Me: It'll be awesome getting a good laugh out of this one!

Elaine Wittgenstein: Okay you parasitic freaks of doom, I've had it with you blockheads to last an eternity!

Suddenly, something within Elaine Wittgenstein's mind snapped as memories of the Vengeance Express 6's constant thrashing of the Eds rushed through her head and her blue eyes turned neon blue and she was surrounded by a blue and silver energy aura with water, mercury, and Echeneis, she unholstered her Alchemy Beast - Ekenas the Mercury-themed greatsword from her back, and as she approached the Vengeance Express 6, she left blue and silver energy, water, mercury, and Echeneis with every step.

Elaine Wittgenstein: That's it, I've had just about enough of you six rotten-brained psychopathic little clods to last an eternity, Vypra warned you over and over again to never go after the Eds. (Suddenly Getting Pissed Off) I would've thought that you learned your lesson after you were defeated by us so many, but no, you continue to disobey Vypra and break out of your leashes to beat up the Eds and try to murder them once more… , YOU'VE GONE TOO FAR FOR THE LAST FREAKING TIME, AND NOW, I WILL SEE TO IT THAT YOU SIX GOOD-FOR-NOTHING, ROTTEN-BRAIN, MALIGNANT CLODS PAY THE PRICE FOR EVERYTHING THAT YOU HAVE DONE TO THE EDS!

We gasped at the extent of Elaine Wittgenstein's fury.

Me: Uh oh!

Nico: Whoa!

Lincoln: They've really fucked up for the last time, now they're going to get a really severe beating even worse than all the times we've beaten them up. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but the Vengeance Express 6 kids went insane with homicidal rage and went after Elaine Wittgenstein to kill her, but Elaine Wittgenstein screamed like a madwoman and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM

There was a massive explosion and she was surrounded by a massive vortex of blue and silver energy with mercury and water surrounding the vortex, there's an army of Echeneis and Alchemy Beast - Ekenas the Mercury flying around the vortex, and in the vortex is a silver phoenix, and the force of the vortex blew the Vengeance Express 6 back and they crashed into another wall. Then, as the vortex faded, Elaine Wittgenstein emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elaine Wittgenstein has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Elaine Wittgenstein's massive Alchemy Beast - Ekenas the Mercury-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of blue and silver energy, water, mercury, and Echeneis, and when it emerged, it was transformed into Alchemy Beast - Ekenas the Mercury's Maelstrom Mercury Echenei Alchemy Greatsword of Alchemical Mercury Water Justice, it's a brand-new massive greatsword with embedded mercury-colored gems and Alchemy Beast - Ekenas the Mercury etched on the 7'0" massive, wide, double-edged blue blade, large Alchemy Beast - Ekenas the Mercury heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large Alchemy Beast - Ekenas the Mercury heads with blue gems for eyes and large blue gem on the bottom of the Alchemy Beast - Ekenas the Mercury heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blue gems on her wrists, her Belt of Elemental Bravery with a gold version of Alchemy Beast - Ekenas the Mercury's head with turquoise gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Elaine Wittgenstein has transformed into SUPER ANGEL-EKENAS THE MERCURY-ECHENEIS-HARMONY CELESTIAL ETERNAL XELNAGA ALCHEMICAL MERCURY MAELSTROM EKENAS THE MERCURY WATER ECHENEIS ANGEL OF DIVINE ALCHEMICAL MAELSTROM MERCURY ECHENEIS JUSTICE AND DIVINE ALCHEMICAL MERCURY MAELSTROM EKENAS ECHENEIS LOVE!

We were amazed by Elaine Wittgenstein's Super Angel-Ekenas the Mercury-Echeneis-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when the Vengeance Express 6 kids saw it, they went absolutely ballistic and they ran at her to kill her, but Elaine Wittgenstein fired a barrage of powerful blue and silver energy blasts with water, mercury, and Echeneis at The Vengeance Express 6 kids and it exploded as it hit them, and they were now really pissed off now.

Elaine Wittgenstein: (Divine Echoing Cosmic Voice of The Maelstrom Alchemical Mercury Echeneis Angel and Divine Alchemical Mercury Maelstrom Ekenas Echeneis Love) There's plenty more where that came from, you malignant clods!

Vengeance Express Kevin: I WILL KILL YOU BITCH!

Maria fired a blast of water.

SPLASH!

He got drenched!

Me: Try this one on!

I pulled out my Wonder Ride Book.

Me: (Reads Verse) "And then a stinky old man got up beside the foes and a loud rumbling was heard and his cheeks puffed up and then the foes looked at him and the old man retched all over the foes with really rotten vomit and stomach contents that smelled like 10,000 dead corpses."

Everything I said happened and it was really Ol Facefull and he threw up on the Vengeance Express 6! YUCK!

Nico: Clean up on Aisle 12!

Me: (Reads another verse) "Just when the foes have had enough, numerous spring loaded boxing gloves popped out and they hit the foes smack dab in their faces and knocked out all their teeth."

DING DING! KRABAP!

They were hit square in their faces hard and all their teeth were knocked out! OUCH!

Nico: That's gotta hurt!

Me: Not as much as this will. Hey guys! Watch this!

LOUD CRUNCH!

I cracked my knuckles so loudly and they hurt their ears!

Vengeance Express Jimmy: JUMPIN JEHOSHAPHAT!

Vengeance Express Nazz: NOT COOL!

Nico: Just like what Jonny did!

Me: That's just the beginning! (Reads Another Verse) "And just when it couldn't get any worse for the foes, they were hit with numerous objects that fell from the sky. Starting with a giant mine that hit them and exploded."

A huge naval mine fell and landed onto them and then..

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were burned all over from the explosion.

Me: (Continues reading) "Then a huge house crashed onto them."

FALLING WHISTLE! KRASMASH!

A huge house fell onto them and smashed onto them.

Me: (Continues Reading) "Followed by a huge cruise ship."

KRASMASH!

A massive cruise ship crashed onto them.

FOGHORN HONK!

Nico: I hope no one was on there!

Me: Don't worry it was an abandoned cruise ship. But guys you may want to duck and cover for this one.

Nico: Oh boy.

Me: (Continues Reading) "And to make the foes really suffer, the hero of the Monobrow roared and went on a ballistic rampage and ripped the foes to shreds in a massive rampage of destruction around them!"

Ed: [enraged] "RAAAAAAHHHHHHHH!" [His eyes turn red and he rips his eyebrow in half and angrily screams loudly at the world.] "BIG TROUBLE!"

[Edd faints and Eddy stands there, stunned, as the gale unleashed by Ed's scream rips his shirt off. Ed grabs his stump and proceeds to smash the Vengeance Express 6 kids with it and then bashes them with the playground equipment. Eddy frantically fans Edd. Ed bites into various pieces of playground equipment and tosses them in the air. And then they smashed onto the Vengeance Express 6 and crushed them brutally!]

Eddy: Better them than us!

ED WAS VICIOUSLY SMASHING AND PULVERIZING THE VENGEANCE EXPRESS 6 VICIOUSLY AND FEROCIOUSLY!

Me: Time to wrap this up.

Nico: Let me in on this as well, Elaine, it's high-time someone teaches those miserable clods a very painful lesson again.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Elaine Wittgenstein.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you rotten-brained clods, time to face your punishment for what you tried to do to The Eds, 'cause once we hand you back to Vypra, you all are in for something even far worse than Hell itself!

Elaine Wittgenstein and Nico went after The Vengeance Express 6 kids who've now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, blue and silver energy, mercury, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Vengeance Express 6 kids and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them.

Nico turned his fingernails into claws and he slashed at the dorks, drawing blood and leaving more scars on him, and he was being driven even more ballistic. Then, he used his eleven massive dark blue wolf tails and they brutally pulverized them all over the place, and he used six of them to grab the dorks by the ankles and smash them down onto the left and right and sent them flying into yet another tree again.

Lincoln: Ooh! That's going to leave a mark!

Nico: (Divine Echoing Voice of Rainbow Redemption) I'm surprised I didn't shatter any of their bones.

Lincoln: With just how strong you've been getting, Nico, you could've broken their bones, but they're a lot tougher than they look, but for now, let's send them packing!

Elaine Wittgenstein: (Divine Echoing Cosmic Voice of The Maelstrom Alchemical Mercury Echeneis Angel and Divine Alchemical Mercury Maelstrom Ekenas Echeneis Love) Right.

Rosa Laurence: Time to send you six clods packing back to The Masters of Evil to face punishment for your unwarranted attack on the Eds yet again!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and

Gem Cavvenport surrounded The Vengeance Express 6 kids on eight sides, and then, Elaine Wittgenstein's blue and silver energy aura had flared up even more, and Nalania Cherikova, Estella Skyla, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport were surrounded by colored energy auras representing the other Alchemy Beasts, and Rosa Laurence was surrounded by a red energy aura with the elemental forces of all Seven Alchemy Beasts.

Vengeance Express Kevin: YOU DORKS HAVE NOT SEEN THE LAST OF US!

Rosa Laurence: That's the sort of line that losers like you would say before they die, but you'll wish we killed you clods, because Vypra's got some horrific tortures in store for you six.

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport: SEVEN ALCHEMY BEASTS ELEMENTAL METAL STRAITJACKET PRISON!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport fired energy blasts with the elemental metals of the Seven Alchemy Beasts, and as they hit The Vengeance Express 6 kids, they were put in straitjackets made of gold, silver, tin, mercury, lead, steel, and bronze, and they were sent back to The Masters of Evil to face Vypra's wrath. We cheered as Elaine Wittgenstein and Nico holster their massive greatswords on their backs and power down, and Elaine Wittgenstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive silver wolf tails, and massive blue star angel wings are permanent.

Elaine Wittgenstein: That'll teach you six clods never to come after the Eds ever again. Thanks for helping take The Vengeance Express 6 kids down once again, Nico.

Nico: (Smiles Warmly) You're welcome, Elaine.

Suddenly, Elaine Wittgenstein wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Elaine Wittgenstein's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Ekenas the Mercury flying in the air, and we saw many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Nico and Elaine Wittgenstein absorbed the water and they came back to us as the display and Alchemy Beast - Ekenas the Mercury vanished.

Me: Wow, guys, that was one awesome battle you fought, and that was one awesome display we saw when you guys kissed.

Nico: Thanks, J.D., and I hope Vypra puts those clods through Hell once again.

Lincoln: Oh, don't worry, I told Vypra to put those clods through something far worse than Hell.

Nico: (Gasps) Oh God, tell me you didn't…?!

Lincoln: (Smirks) Yep, I asked Vypra that once we send those six back to her to put those six under an illusion and for the illusion, they'd be dealing with illusions of Lori, Lynn, Lola, Lisa, and Luan at their absolute worst because of their Dark Sides breaking loose.

We gasped.

Eli: Holy guacamole!

Nico: Dude, that's by far the most sadistic punishment you can come up with. (Smirks) Nice one!

Nico and Lincoln high-fived.

Hailey Helios: How did you come up with that kind of sadistic punishment, I doubt it's because you'd learned that from Anko.

Me: Actually, he combined Anko's lessons on psychological torture with the physical torture that he'd went through with Lori, Lynn, Lola, Lisa, and Luan at their absolute worst because of their Dark Sides breaking loose.

Nico: WHOA!

Qin: That is genius!

Xenia: I'll say!

Nico: But we're not done yet.

Me: Nope.

Eli: But those were awesome cartoon comedy gags you did bro.

Me: Thanks. Ren and Stimpy, Looney Tunes, the adventures that the Ed's have and others gave me the ideas for them from the Wonder Ride Books.

Nico: That is awesome.

Lola: Yeah!

Eli: And just in time too!

We saw a figure come out and it was a dark version of a Demigorgan! It was ANOTHER DEMIGORGAN!

Nico: WHOA!

Camie: Another Demigorgan!

Nico: Who's up first?

Carly Atlas: I will go first. I've been wanting to try this out.

Me: Go for it Carly.

Carly went up to her.

Me: But first who is our Treachery Titan lookalike?

Another Demigorgan: (In a girls voice) (GROANS) J.D.! Help me!

Me: (GASP) That voice.

She reverted back and was a girl with neon red hair and orange eyes and had black clothes and black angel wings.

Me: (GASP) Lucilla Demigorgan!

Nico: WHOA!

Lucilla Demigorgan: You guys! (GROANS) I can't control this power! Help me!

Carly Atlas: Hold on!

She fired waves of energy and smashed her down and the Wonder Ride Book flew out and I caught it. It was called THE TREACHERY OF THE TITAN OF BETRAYAL!

Me: Wicked.

I went and brought her over.

Lucilla Demigorgan: (GROANS) What hit me?

Qin: You really got hit hard.

Lucilla Demigorgan: Swartz! He did this!

Me: He's gone now Lucilla.

Nico: How do you know Lucilla?

Me: She is known as the Double Crosser of evil. She is a covert agent. She gets all of the info on Evil while blending in and then betrays them by blasting them or delivering them to the cops. She hits them with the worst form of ultimate betrayal ever.

Nico: Whoa! Using Treachery on Evil.

Me: A Very powerful sense of poetic justice.

Nico: Yeah.

Qin: No kidding.

Nico: Swartz must've been on to her.

Me: Actually she is that cunning and clever that evil forces never even see it coming.

Xenia: Wow!

Nico: Very amazing.

Lucilla Demigorgan: Yeah. Sorry about that guys. I'm glad Swartz is gone.

Nico: How did you betray him?

Lucilla Demigorgan: When he put that Wonder Ride Book into me, I fired an energy blast and blew his left leg off.

We gasped!

Me: That explains why he has an artificial leg.

Nico: No kidding!

Me: Yeah. Lucilla really left her mark on him.

Sougo: You should have done that to some of the other Dai Shocker members, like Evolt.

Lucilla Demigorgan: I wanted to but I knew that I wouldn't stand a chance. So I decided to leave them to you guys.

Nico: Good thinking there.

Me: Yeah. Sorry you went through all that.

Lucilla Demigorgan: No worries. I'm okay now.

Me: Any other opponents with you?

Lucilla Demigorgan: Actually there are. Another version of him.

She pointed to Speed Demon.

Speed Demon: Another me? Whoa!

Me: This one is gonna be fast.

Nico: Yep.

Me: Friendly or hostile?

Lucilla Demigorgan: Friendly. And she is also a really silly one.

Nico: Oh boy.

Me: Yeah.

Nico: Is there anymore before that one?

Eli: (Concentrates) Nope. Just the Another Speed Demon.

Nico: Wow.

Qin: Lets get ready.

But then…

ZOOOOM!

Something zoomed by us REALLY FAST and then Nico got a nasty atomic wedgie!

Nico: HEY! I can't see!

Me: Whoa!

May and Maria got his underwear off him.

Nico: Who's the wiseass?!

A figure came out and it was a dark version of Speed Demon! It was ANOTHER SPEED DEMON!

Nico: WHOA!

Me: Another Speed Demon.

Qin: This one is really fast.

Nico: Give me a wedgie will ya!?

Another Speed Demon: (LAUGHS) (In a girls voice) Sorry I couldn't resist.

Me: (LAUGHS) Deborah Edwards! I knew it was your mischievous ways along with your fast running.

Another Speed Demon: Yeah you know I love a good run and prank.

Me: Deborah is a very fast runner in track and running class and she is a really funny prankster. She can do all kinds of funny prank and even do them while running too.

Nico: Wow!

Kaito: (gets out Gekiranger gear) Did Swartz promise you anything?

Zocks: (gets out Go Onger gear) Because we can grant it instead.

Another Speed Demon: Just to be a great track star.

Me: You already are that Deborah. You and I both won the Colorado Triathlon together for that.

Another Speed Demon: That's true. But I knew that Swartz lied to me.

Me: He lied to everyone. But we gave him the Black Gates.

Nico: Yeah.

Kaito got a Jungle Fury Staff and Zocks got a Road Sword.

Me: Sorry we have to fight like this though.

Another Speed Demon: I know. No worries. Come at me and don't hold back.

Me: With pleasure.

Sougo: (gets out Jungle Fury Ridewatch) I bet Banno must've been jealous when Swartz put that Ridewatch in you.

Geiz: (gets out RPM Ridewatch) Of course, you're probably more faster then he ever was.

Sougo got JungleFuryRedArmor while Geiz got RPMRedArmor.

Another Speed Demon: Yes he was jealous. In fact he was infuriated.

Me: Good. Made our jobs for destroying him fun.

Nico: Yep.

Me: Yep.

Nico: (gets out Speed Demon's Ridewatch) Hope we don't end up in the Speed Force because of this.

Nico activated it and ran fast and smashed her down.

Nico: That's for the wedgie. Now this. (ACTIVATES REVERSE FLASH'S RIDEWATCH)

He ran fast more and bashed her all over.

Nico: YEAH!

May: Now here is a fun one. (Activates Universe 666 Cull Obsidian's Ridewatch)

She fired waves of energy and smashed her down.

May: Top this one too. (Activates Universe 666 Sailor Saturn the Dark Sailor Soldier's ridewatch) She got her glaive and fired waves of energy and smashed her down.

Maria: Feel the burn. (ACTIVATES FIRESTORM PROMETHEUS'S

RIDEWATCH)

She fired waves of fire and smashed her down.

Maria: And feel the gross. (ACTIVATES MUCUS'S RIDEWATCH)

She fired waves of slime and smashed her down.

Nico: YEAH!

Reggie McDonald: My turn!

She activated Reverse Flash's ridewatch too and ran fast and smashed her down all over the place.

Then Captain Boomerang, and his team consisting of Yost Dynamo, Universe 666 Negative 10, Cranky Wizard, Catman and Giraffa Undead appeared.

Nico: Nice team Captain Boomerang.

Captain Boomerang: (Australian Accent) Hey thanks mate.

Maria: Time for more backup!

She got out the M.O.E. Cannon.

Maria: (TURNS DIAL) CRYSTAL EARTH SPIRIT FORCE!

She summoned, Grumblemon, Bluto, Jasper, Santa and Mrs. Clause the Vampires, Universe 666 Trigon-Powered Slade, and Movie Cronby the Troll, Golemon, Golem (Dark Cloud), Minotarumon, Lythos, Lexaeus and Shiv.

Nico: Yeah!

Qin: Awesome!

Grumblemon: This is gonna be good.

Maria: I hope the next Gene Slammer is close.

Maria then started feeling hot.

Maria: Whew. Is it hot out here?

Me: I think it's that little guy there.

She saw a Magby touching her.

Maria: Hey a Magby.

Nico: Awesome.

Magby: (In a girls voice) Sorry to come in like this.

Nico: (GASP) Volcanna Quest? Wow!

She reverted back and was a girl with neon orange hair and had orange and black clothes.

Volcanna Quest: I got this.

She fired a wave of fire and blasted her down and I caught the ridewatch and purified it and I went over to Deborah Edwards and she was a girl with blond hair and blue eyes and haf yellow clothes.

I brought her over.

Me: Wait are you related to…

Volcanna Quest: Yes I sure am. Dr. Benton Quest is my father. I specialize in volcanology.

Nicole: That's awesome! Awesome to meet a fellow volcanologist.

Me: Dr. Quest will be so happy to have you back. Same with Jonny.

Volcanna Quest: I know. I missed my brother a lot.

Reggie McDonald: What's your favorite memory of Nico?

Volcanna Quest: My favorite is when me and Nico went to Kilauea and collected samples of hot lava and they were for our science classes.

Nico: Yep.

Me: Wow that is awesome.

Nico and Volcanna hugged.

Nico: I've really missed you.

Volcanna Quest: Me too Nico. Me too.

We went back home

Our first mission: defeat Universe 666 Ets, who like Universe 666 Lincoln, had his harem murdered by Evil Nico and his cohorts and he's seriously out for revenge, but after we defeat him, Universe 666

Lincoln is going to talk some sense into him, and then, they're going to recruit Universe 666 Ets into the Redemption Squad, and bring the Universe 666 version of Ets' harem back from the dead and recruit them into the Redemption Squad as well. And our second mission: we're going after the main target: another bully from Nico's past named Daniel Collymore, he's a rotten, black-hearted, sadistic monster who enjoyed terrorizing everyone for his own sick amusement until he was defeated by Nico, Qin, and all of their friends, and he was expelled from school and sent to a boarding school in Russia. But, we got word he escaped, and he wants revenge on Nico, Qin, and their friends for getting him expelled, hope he likes spending the rest of his life in The Uranus Prison.

Lincoln: Whoa, we're here in The Mile High City of Denver, Colorado, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got two huge missions for this rescue.

Universe 666 Lincoln: Yeah, the first part is to defeat Universe 666 Ets, who like me, had his harem murdered by Evil Nico and his cohorts and he's seriously out for revenge, but after we defeat him, I'm going to talk some sense into him, and then, we're going to recruit Universe 666 Ets into The Redemption Squad, and bring the Universe 666 version of Ets' harem back from the dead and recruit them into The Redemption Squad as well.

Nico: So, our first mission is to save Universe 666 Ets' heart, just like when we first met you.

Lincoln: Yep, but after that, we're moving on to the next part, which is going after the main target: another bully from your past named Daniel Collymore.

Qin: Not that sadist again, I thought we sent him off to a boarding school in Russia.

Nico: After we kicked his ass long ago!

Me: Uh oh, I'm not liking this guy one bit.

Nico: You're right about that, J.D., Daniel Collymore is a rotten, black-hearted, sadistic monster who enjoyed terrorizing everyone for his own sick amusement until we defeated him, and he was expelled from school and sent to a boarding school in Russia. But, I can't believe it, he escaped, and now, he wants revenge on us for getting him expelled.

Eli: I hope he likes spending the rest of his life in The Uranus Prison.

Lincoln: That's exactly where he's going, Eli, and I want to thank you and your team for joining us, Yugi.

Yugi: You're welcome, Lincoln. If Universe 666 Ets is just like our Ets, we're in for a rough fight.

Universe 666 Becky Long: Which is why we got a little something for our Linky.

Universe 666 Becky Long took out a beaker and inside was some kind of mixture.

Becky Long: It's my powerful muscle growth infused with advanced nanomachine technology that won't be seen until 3,000 years later formula, and I also added in muscle growth stimulants and other muscle stimulants to this, and once you consume the contents, Universe 666 Lincoln, it'll not only give you a hardened musculoskeletal system and hardened muscular system, but it'll also give you immense superhuman strength, superhuman flexibility, superhuman speed, superhuman durability, superhuman stamina, superhuman senses, superhuman dexterity, superhuman reflexes, superhuman regeneration, and enhanced elemental powers and base powers infinite-fold and beyond.

Lincoln: I tried it out along with everyone else on the team, and it really works.

Universe 666 Lincoln was offered the beaker with Becky Long's formula, and he drank it. Suddenly, Universe 666 Lincoln felt a powerful heat rush through him, and he felt the formula's effects, as he suddenly began growing to 7'5" in height, and then, all his upper and lower body muscles began to grow at an exponential rate, and the sudden explosive muscle growth caused his shirt to explode due to the sudden muscle growth, and he now has abnormally massive and powerful muscles and eight-pack abs and his hair grew reaching the bottom of his neck, and a white energy aura with elemental forces and mythological animals flared up, and not only di Universe 666 Lincoln gain an astronomical infinite power and energy boost, but the formula also gave him a hardened musculoskeletal system and a hardened muscular system, and infinite and immense superhuman strength, superhuman flexibility, superhuman speed, superhuman durability, superhuman stamina, superhuman senses, superhuman dexterity, superhuman reflexes, superhuman regeneration, and enhanced his elemental powers and powers infinite-fold and beyond.

When the formula's effects stopped, Universe 666 Lincoln stood up, and when his harem saw him, they literally had an atomic red blush on his face, hearts in their eyes, and their noses were bleeding.

Lincoln: Take a look.

Lincoln made a mirror of water, and when Universe 666 Lincoln saw what happened to him, he was stunned.

Universe 666 Lincoln: (Deeper Voice) Whoa! I now look like a really ripped bodybuilder, awesome!

But, of course, the blush on the faces of Universe 666 Lincoln's harem got even more redder when they heard his now deeper manlier voice. Suddenly, Universe 666 Lincoln felt a pain on his now wider and more muscular back, and then, massive white angel wings grew and sprouted out from his back.

Nico: Whoa, now that was unexpected, but really awesome.

Universe 666 Lincoln: It sure is. Now, we got to find my universe's Ets before he does something really bad.

We travelled through the city of Denver, Colorado, but then, we saw a figure heading right for us, it was Universe 666 Ets, and he was out for revenge.

Universe 666 Ets: NICO, I WILL MAKE YOU EAT YOUR OWN

HEART AFTER I TEAR IT OUT OF YOUR CHEST!

Nico: Uh oh, here he comes!

Universe 666 Lincoln: Right on time. Lincoln, let's get him!

Lincoln: Yeah!

Lincoln and Universe 666 Lincoln went after Universe 666 Ets, and they defeated him by pummeling him and Lincoln fired a rainbow energy straitjacket which tied Universe 666 Ets up.

Universe 666 Ets: (Growls) Let me out of here!

Universe 666 Lincoln: No, not until you hear us out, Ets.

Universe 666 Ets was stunned to see Universe 666 Lincoln here.

Universe 666 Ets: Lincoln?! But, how, I thought that?!

Universe 666 Lincoln: No, I'm still alive. But, more to the point, Ets, I understand how you feel, just like you, I'd lost my harem to Nico and his cohorts, and it led to me being consumed by revenge and I lost the ability to love again. But, I soon realized one thing: revenge isn't worth losing my life over, and I'm no fool to think that, Team Loud Phoenix Storm came and saved me, and they also had help from our old friends.

Then, Universe 666 Ets saw Universe 666 Lincoln's good sisters, parents, harem and Guardian Angels, Universe 666 Me, and Universe 666 Varie, and it shocked him even more to see them alive once again.

Universe 666 Ets: J.D., Varie, Leni, Luna, Laney, Lucy, Lana, Lily, Mr. and Mrs. Loud, and your harem and Guardian Angels, but how, you guys… !

Universe 666 Me: I know, we did die at the hands of Nico and his cohorts, but thanks to Lincoln and our prime universe counterparts, we'd been brought back by both Lincoln and J.D., and we became members of The Redemption Squad to wash away the horrors of what our former team did.

Suddenly, Universe 666 Ets had tears in his eyes: every word that Universe 666 Lincoln said was true to his heart, and seeing Universe 666 Lincoln's good sisters, parents, harem and Guardian Angels, Universe 666 Me, and Universe 666 Varie finally did it, as he broke down and cried. Lincoln undid the straitjacket and he hugged Universe 666 Lincoln, who hugged him back, and Universe 666 Lincoln's good sisters, parents, harem and Guardian Angels, Universe 666 Me, and Universe 666 Varie joined in on the hug.

Universe 666 Ets: What have I done, I was so consumed by hatred and madness because of what that heartless snake did, I almost lost who I was. But, even so, I know I can never get back what I lost: my harem.

Universe 666 Lincoln: It's not impossible, Team Loud Phoenix Storm are Gods among men, they can do anything, which also means getting your harem back, Ets, it's not too late.

Lincoln: He's right, and you need them now more than ever.

Lincoln snapped his fingers, and beams of heavenly light shined down with angels singing, and then, many figures came down: it was Universe 666 Ets' harem, now brought back to life, and when he saw them, he had tears of happiness in his eyes as he went to them and they all hugged Universe 666 Ets for the first time since their murders.

Universe 666 Ets: Thank you all, Team Loud Phoenix Storm, and I apologize for what I tried to do. Can you forgive me?

Lincoln: Of course, we knew your reasons and you suffered just like Universe 666 Lincoln, when he'd lost those he loved to that heartless snake. Now, did someone else tell you a lie and said Nico is Evil Nico?

Universe 666 Ets: Yes, it was a male with black hair, eyes filled with hatred, and he was in a jumpsuit from a Russian Boarding School.

Nico: Daniel Collymore, I knew it, that shit for brains bully, he's going to pay for this.

Qin: He sure will.

Suddenly, we saw The Weather Painter Snow appear before us, and with her are the six girls.

Nico: Whoa, that's The Weather Painter Snow, awesome.

Weather Painter Cloud: (Girl's voice) That's right, and I got the six girls away from that murderous piece of shit, Daniel Collymore, and he lied to Universe 666 Ets.

Lincoln: (Gasps) That voice, Morana Marzanna, I knew it was you, it's awesome to see you again, but we'll talk later.

?: (ENRAGED SCREAMING) YOU USELESS CYBORG, I KNEW YOU COULDN'T GET THE JOB DONE, AND NOW, I WILL KILL YOU AND YOUR WHORES MYSELF, NICO CHAN!

We then saw a male with black hair, eyes filled with hatred, and he was in a jumpsuit from a Russian Boarding School, it was Daniel Collymore, and boy, was he pissed off big time!

Nico: And there's no mistaking that bellow from anywhere, and for what he just did in calling my wife, my sister, and my harem that word, FUCK YOU, ASSHOLE!

Nico fired an energy blast at Daniel Collymore's feet, which tripped him and he landed right at us, and when he saw us, he was really really pissed off.

Lincoln: You took advantage of Universe 666 Ets' desire for revenge to try and off Nico, you really are a good-for-nothing piece of crap.

Daniel Collymore: That monkey-tailed freak and those whores ruined my life, and now, I will kill him and all of you!

Nico: Not happening, asswipe, and now, you're getting an even worse ass-kicking than the one we'd dealt you years ago.

Then, Lincoln fired a rainbow energy blast which turned into a rainbow energy straitjacket which tied Daniel Collymore up, and before he could bellow out again, Lincoln beamed him to The Uranus Prison for good. We cheered as we holstered our weapons and powered down.

Lincoln: You don't deserve to be free ever again, you heartless piece of trash. To (Morana Marzanna) And it's so good to see you again, Morana Marzanna.

Morana Marzanna reverted back to normal, and she's a beautiful girl with long blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful blue angel wings and she reigned in the power of Weather Painter Snow, she's dressed in a sleeveless blue blouse, sleeveless blue midriff top, blue skirt, blue pants, blue knee-high high-heeled boots, and long white sleeveless trenchcoat with blue lights, snow, ice, paints, and angels on the coattails and on the back is Weather Painter Snow and holstered on her back is a massive Weather Painter Snow-themed greatsword with embedded blue gems and Weather Painter Snow etched on the 7'0" massive, wide, double-edged blue blade, large Weather Painter Snow heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Snow heads and large blue gem on the bottom of the large Weather Painter Snow heads for the pommel.

Morana Marzanna: You too, Lincoln, it's been such a long time.

Lincoln went up to Morana Marzanna and he hugged her, and Morana Marzanna is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Morana Marzanna: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Morana Marzanna, she's my Guardian Angel from Michigan and my classmate in Art, and she was born amazing and incredibly powerful powers over snow and ice and the blue color of the spectrum, and she's also recognizable because of her blue hair and massive and beautiful blue angel wings. She, Laney, Althea, Nephele, Rayne, and I painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Me: They painted some amazing paintings there, and they were really awesome.

Nico: Awesome.

Lincoln: And it gets even more awesome, Morana Marzanna is also the daughter of Marzanna, The Slavic Goddess of Winter, Death, and Rebirth.

Eli: Whoa!

Timmy Turner: And just like before, Morana Marzanna is also my cousin, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates my parents for their constant stupidity for always leaving me alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and my other despicable enemies as well.

Morana Marzanna: That's right. I can't believe that my aunt and uncle could be so stupid as to leave my own cousin at the hands of that demonic babysitter, even neglecting the fact that they have a son, and I want nothing more than to see those two put in jail for the rest of their… !

Timmy ran up to Morana Marzanna and hugged her to cool her down, and she hugged him back.

Timmy Turner: I haven't even forgotten how much you hated my parents and despised Icky Vicky, Francis, Crocker, and my other enemies as well, Morana. But, it's also good to see you again.

Morana Marzanna: You too, Timmy, and you've really grown up a lot since last we met.

Lincoln: Timmy joined us over six years ago, and soon it'll be seven years to the day that he joined us, and he'll be seventeen soon. Plus, we also put that demonic babysitter in as humiliation fodder, threw Francis in prison, gave Crocker The Black Gates, and many of Timmy's other enemies are either in The Masters of Evil or sent to The Black Gates as well.

Morana Marzanna: Awesome. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Morana Marzanna: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Morana Marzanna: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Morana Marzanna, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Morana Marzanna: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Morana Marzanna's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rayne Dodola: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Morana Marzanna.

Morana Marzanna had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln who they were, he immediately recognized them. The six girls are Orihara from Don't Toy With Me, Miss Nagatoro and Hana N. Fountainstand, Tami Nishimikado, Yaya Sasame, Naru Sekiya, and Machi Tokiwa from Hanayamata.

Lincoln: Oh wow, it's Orihara from Don't Toy With Me, Miss Nagatoro and Hana N. Fountainstand, Tami Nishimikado, Yaya Sasame, Naru Sekiya, and Machi Tokiwa from Hanayamata.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Orihara: Yes, we're okay, thanks to you.

Then, when Orihara and the other five girls saw who it was that saved them from Daniel Collymore, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Orihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Orihara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Orihara, Hana N. Fountainstand, Tami Nishimikado, Yaya Sasame, Naru Sekiya, and Machi Tokiwa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and we told everyone what we did to save Universe 666 Ets' soul and that he went through the same thing as Universe 666 Lincoln and they're glad that he's on the road to recovery and redemption and the rest of the team were shocked to find out the villain we went after was another bully from Nico's past named Daniel Collymore, a rotten, black-hearted, sadistic monster who enjoyed terrorizing everyone for his own sick amusement until he was defeated by Nico, Qin, and all of their friends, and he was expelled from school and sent to a boarding school in Russia. But, we got word he escaped, and he wants revenge on Nico, Qin, and their friends, and even worse, he'd lied to Universe 666 Ets saying Nico is Evil Nico, which was really low.

But, when Lincoln showed what we all did in beating him down and Lincoln tying him up and sending him to prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Morana Marzanna have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that piece of shit would do something like that.

Lincoln: He lied to Universe 666 Ets and took advantage of his grief and desire for revenge, so that he can get rid of Nico, Qin, May, and his harem for good. But, Universe 666 Lincoln and I made sure that Universe 666 Ets saw the error of his ways, and I also brought his harem back.

Universe 666 Lincoln: Ets is so glad to have his harem back, but what Daniel Collymore did in lying to him so he can get rid of Nico, that was low.

Nico: Many of the bullies we'd dealt with were really low, and they resorted to underhanded tactics to try and get revenge, but we beat them down and made them pay with either prison or death.

Universe 666 Ets was then welcomed into The Redemption Squad along with his harem, and as for that lowlife, Daniel Collymore, he was sentenced to Eternity in The Uranus Prison, he was put into the Maximum Security Solitary Confinement Wing and chained to the wall with Neutronium Chains lined with rainbow energy, and he'll never be free again.

---

After saving Universe 666 Ets from his hatred and taking down Daniel Collymore, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Morana Marzanna saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Morana Marzanna: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Morana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Morana Marzanna: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Morana Marzanna: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Nadia, Jasmine, Pebbles, Sheena, Molly, Nina, Morana, what memories did you have with Lincoln?

Nadia Furīzuhāto: (Japanese Accent) Oh, we have one that we still remember to this day, and it also involved us clobbering Lori. One day, Lincoln and the rest of the Pokemon Galaxy Heroes were at our swimming pool in our gym, and we were doing some swimming practices. But, then, we heard a loud banshee scream in the air, and there was only one person who could scream like that: Lori. Then, we saw the doors burst open, and we saw that cold, unfeeling, heartless banshee, and she was out to kill Lincoln yet again, but she made a massive mistake coming after us, because all the Guardian Angels were there, especially those who hated Lori.

Jasmine Waterflower: We then pounced on her and we brutally pulverized her, but Lori wasn't giving up, she was still out for blood, so Lincoln eventually went after her himself, and he fired a powerful blast of ice cold water which gave her quite a freezing sensation as she shrieked again. But, then we tied her up in an energy straitjacket, then, we called Luna, and after we told her of what Lori tried to do to Lincoln, she rushed in and grabbed Lori and she dragged her back to The Loud House.

Sheena Grassheart: We finished our swimming lessons, and after we came back to The Loud House, we got there just in time to see Mr. and Mrs. Loud hand down Lori's sentence for trying to kill Lincoln yet again: grounded for three weeks and she lost her phone as well. Then, Luna grabbed Lori and she threw that venom-spitting conniving snake into a cage, and many of us Guardian Angels gave her the finger and she went ballistic again.

Nico: So, Lori was just on a rampage yet again, jeez, that Dark Lori absolutely hated Lincoln to the core.

Morana Marzanna: Which is why we always pulverize her in case she had any ideas to get rid of our man, and we even insult her at every turn.

Me: Yeah, and they're among some of the nastiest insults I'd ever heard.

Nico: But, they're indeed warranted given the nature of the five meanest Loud Sisters and the hatred they had for Lincoln, due to their Dark Sides.

Morana Marzanna: Exactly our point, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Mexico to show to for the exhibition tonight, and it was going to be at Great Lakes City. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired snow and blue energy blasts at them and they got frozen in blocks of ice, Lincoln punched the ice blocks to pieces and Lori, Lynn, Lola, Lisa, and Luan were shivering, but that wasn't going to save them from us. We pounced on and attacked them all with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Morana Marzanna: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did, and Ronnie Anne's Uncle Carlos was there with us.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, and Rayne, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and when Tio Carlos and Tia Frida heard of what that killjoy did, they were super mad, Tia Frida was absolutely furious especially, because he ruined a mural of the history of Mexico that they were going to show in the Great Lakes City exhibition.

Maria Santiago: Lincoln wanted to show it to everyone there, and that killjoy ruined it just because of his hatred, and when he got Lori, Lynn, Lola, Lisa, and Luan involved yet again, I was tempted to go down there and beat them with a Chancla. But, Mama always kept her Chanclas with her at all times, and I never wear Chanclas, just shoes.

Carlota Casagrande: But, we were super mad at that killjoy big time.

Ronnie Anne: And they questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy and a jerk to Lincoln.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

We got a shower, and then, Lincoln, Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Fleur de Lis: Wow, so this is Lake Lamode, awesome.

Lincoln: I've been here many times before, Fleur de Lis, and it's always awesome. Plus, I found out there's some Gene-Slammers here in Lake Lamode. Shall we?

Lincoln, Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went into an indestructible dome and they also had a game of volleyball, and Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

?: (Wolf Whistles) Looks like our favorite white-haired handsome hunk's still been hitting the gym like crazy, look at those abnormally massive and powerful upper and lower body muscles and eight-pack abs really hard at work.

?: Along with those thirteen massive and long white wolf tails, and you changed your swimwear, and you look even more sexier in a speedo. Rawr!

Suddenly, Lincoln, Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad saw Maw, Fwog, Furcorn, Drumpler, Shrubb, Pango, Dandidoo, Quibble, Cybop, and Oaktopus appear before them, and with them are Agumon, Gabumon, Biyomon, Tentomon, Aruraumon, Gomamon, Patamon, Salamon, Elecmon, and Gaiomon.

Lincoln: (Gasps) Those voices, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carly Hida of The Digimon Digital Heroes, I knew it was you girls, it's so good to see you all, along with Agumon, Gabumon, Biyomon, Tentomon, Aruraumon, Gomamon, Patamon, Salamon, Elecmon, and Gaiomon again.

Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carly Hida reverted back to normal, and they're ten beautiful girls with long hair, eyes, and massive and beautiful angel wings in the colors of the monsters they were Gene-Slammed into, they were 6'5" in height and had the bodies of goddesses, and they're dressed in Agumon, Gabumon, Biyomon, Tentomon, Aruraumon, Gomamon, Patamon, Salamon, Elecmon, and Gaiomon-themed two piece bikinis, sandals, and long white sleeveless trenchcoats with elemental forces and creatures on the coattails and on the backs are the creatures they were Gene-Slammed into along with the Crests of Courage, Friendship, Love, Knowledge, Sincerity, Reliability, Hope, Light, Kindness, and Destiny, and holstered on their backs are massive Maw, Fwog, Furcorn, Drumpler, Shrubb, Pango, Dandidoo, Quibble, Cybop, and Oaktopus-themed greatswords.

Haruhi Kamiya: You too, Lincoln, it's been such a long time, Miraculous Magnamon.

Just then, Magnamon also appeared right beside Lincoln.

Magnamon: And it's also good to see you all again, Agumon, Gabumon, Biyomon, Tentomon, Aruraumon, Gomamon, Patamon, Salamon, Elecmon, and Gaiomon.

Agumon, Gabumon, Biyomon, Tentomon, Aruraumon, Gomamon, Patamon, Salamon, Elecmon, and Gaiomon: You too, Magnamon.

Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carly Hida went up to Lincoln, who hugged each of them, and

Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carly Hida are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you ten since you were ten, and as you can see, I really grew a lot since then.

Darla Motomiya: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Chestnut Magnifico: I knew it, they must be more of your Guardian Angels, Lincoln. But, who are they? And why did one of them call you Miraculous Magnamon, and you never told us you had a Digimon as well.

Then, we suddenly appeared.

Me: Same with us.

Nico: But, this is incredible, and we can tell we're in for one huge story.

Lincoln: You sure are, and I'm glad you got Tai, Matt, Sora, Izzy, Mimi, Joe, Ken, Davis, Yolei, and Cody with you guys, 'cause you're all in for one wild story, and Tai, Nico, you guys and the others aren't the only ones who've gone into the Digital World.

Lincoln, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carly Hida took out Digivices with the Crests of Courage, Friendship, Love, Knowledge, Sincerity, Reliability, Hope, Light, Kindness, and Destiny on them, and we were absolutely stunned with shock, we fainted.

Nico: Holy crap, so that means, you guys… !

Lincoln: We've been Digi-Destined since we were ten years old. We are known as The Digimon Digital Heroes, a group of Digi-Destined dedicated to protecting the Digital World and the real world from the forces of evil especially The Seven Great Demon Lords, the evil Demon Lord Digimon representing the Seven Deadly Sins, and even that genocidal mad scientist, Akihiro Kurata himself, and here's a really surprising twist: at one point, Kurata was once part of Team Rocket.

We gasped in pure shock and horror.

Matt Damon: That madman was once part of Team Rocket?!

Lincoln: That's right, Matt, and he helped Giovanni by collecting Digimon and Yu-Gi-Oh monsters DNA samples for his Gene-Slammer Project, and I'm one of the members of The Digimon Digital Heroes as the Miraculous Magnamon, as as you can see, I have a Magnamon as well as the Crest of Miracles.

Suddenly, we saw the Crest of Miracles appear on his massive right pec.

Me: Whoa!

Nico: Oh man, now I remember, you're The Digi-Destined of Miracles, that's so awesome!

Lincoln: That's right, and I'm the Second-In-Command and strategist of the Digimon Digital Heroes, and Magnamon is always by my side, as we and the other members of the Digimon Digital Heroes are ready to face against the forces of evil. The Digimon Digital Heroes moved to Michigan when they were 6 years old, and we watched Digimon while we were 10 years old, and surprisingly, during one of the episodes of Digimon, we ended up finding our Digimon partners, and at one point, we'd fought against Megaseadramon who at the time was under employ of Leviamon.

Poromon: Wait, you guys did what?!

Tai: Whoa, you guys fought against Megaseadramon, that's incredible!

Lincoln: And it gets even better: we finally defeated the Seven Great Demon Lords, even when they combined into Ogudomon, we successfully defeated the Seven Great Demon Lords and Ogudomon thanks to our combined teamwork.

The Digi-Destined and Nico's jaws literally dropped to the floor upon hearing that, including mine.

Nico: Holy crap, you guys literally defeated the Seven Great Demon Lords themselves, along with their combined form Ogduomon, that was really incredible, and they were really tough.

Lincoln: They sure were, and the members of the Digimon Digital Heroes, like the Galaxy Pokemon Heroes, would wear bikinis underneath their outfits as they love to swim, and as you can see, I even made the members of the Digimon Digital Heroes bikinis based on their partner Digimon, and to show thanks, they each kissed me on the lips, and they hate the jerks with a passion. Now, for the intros, Haruhi, would you like to do the honors?

Lincoln and I would often help the members during our time in the Digital World and we managed to take down Belphemon while he was in rage mode, and as you can see, Lincoln made me a MirageGaogamon themed bikini, and to show thanks, I kissed Lincoln on the lips while underwater. Plus, I'm also the cousin of Joe Kido, and I hate that cheapskate, Flip, with a passion.

Kari Ichijouji: I'm Kari Ichijouji, Gene-Slammer of Dandidoo, I'm Lincoln's Guardian Angel from Japan and classmate in Science, and I'm also known as The Hopeful Goldramon, as I have a Patamon with the mega form of Goldramon and the Crest of Hope. I'm also the cousin of Ken Ichijouji, and thankfully, I was already aware of what happened to my cousin, as Lincoln explained the whole situation to me alone and I hope to help her cousin however I can. Lincoln and I even helped make a bracelet that wards off evil powers, especially Dark Spores, in case any evil power would try and take over Ken again, and as you can see, Lincoln made Kari a Goldramon themed bikini, and to show thanks, I kissed Lincoln on the lips while underwater, and I hate those heartless butt-faced psychopaths, Pablo and Anderson, with a passion.

Ken Ichijouji: Wait, so you and Lincoln made me a bracelet that wards off evil powers, including Dark Spores?

Lincoln: Yep.

Kari took out a gold bracelet with gold crosses and jewels of different colors on the crosses, and she put it on Ken, and he was now surrounded by a gold aura of protective energy.

Ken Ichijouji: Wow, thanks, you guys. Plus, we also destroyed The Dark Spores on Nico's rescue last year, along with MaloMyotismon, and that was when Demon Shimmer was running loose.

Kari Ichijouji: Whoa, I remembered hearing about that, that's awesome.

Nico: And we closed yet another dark chapter of my past for good.

Darla Motomiya: That's good to hear, Nico. I'm Darla Motomiya, Gene-Slammer of Quibble, I'm Lincoln's Guardian Angel from Japan and classmate in Gym, and I'm also known as The Shining LovelyAngemon as I have a Salamon with the mega form of LovelyAngemon and the Crest of Light. Plus, I'm also the cousin of Cody Hida and I hate that psychopathic sadistic traitor to Canada and mankind, Billy McLean, with a passion.

We were absolutely stunned at what we'd heard.

Nico: Whoa, now that's really, really incredible.

Lincoln: Yep, we did a lot to protect the Digital World and the real world from The Seven Demon Lords and that genocidal mad scientist, Kurata, as well.

Tai: Plus, it's been years since we'd last seen our cousins, and now, we know why they went missing: Team Rocket Gene-Slammed them, and even worse, I can't believe Kurata was also a member of Team Rocket and he helped them by acquiring Digimon and Duel Monsters DNA for Giovanni's Gene-Slammer project.

Lincoln: Now, we know who's been helping them with their Gene-Slammer project, and we're so glad we gave Kurata The Black Gates before we went after Lord Bagra. Now, then, there's also another thing to attend to.

Lincoln went up to each member of The Digimon Digital Heroes, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Haruhi Tamiya: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Haruhi Kamiya: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida.

Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it.

Nico: Looks like we got some awesome new members to the Digi-Destined branch of the team. See you guys back home.

We took our leave while Lincoln and the girls continued with their date, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Fleur de Lis, Chestnut Magnifico, Ursula, Solidad, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida, and they hugged the girls in their abnormally massive and powerful muscular arms, and Fleur de Lis, Chestnut Magnifico, Ursula, Solidad, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lori: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Fleur de Lis, Chestnut Magnifico, Ursula, and Solidad had the hots for Lincoln, and we also met Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, and Carla Hida, who are members of another Digi-Destined group, and Lincoln's also a member of said group.

Lincoln: Plus, you also met my Magnamon and you also found out I'm the Digi-Destined of Miracles.

Ranamon: We sure did, Linky, and that's yet another thing that no one else knew about you, which makes you something even more interesting as we hear many more things about you day by day, along with the accomplishments you've done.

Lily the Mermaid: Indeed. Of course, whenever we hear more interesting things about you, that also makes you even more of an interesting person.

The girls in Lincoln's harem piled on, and they covered his face and massive muscular upper body and eight-pack abs in kisses, and as they got off, Lincoln was on the floor with a beyond lovestruck look on his face with atomic red blush, and steam whistling out of his ears, and then, he got back up.

Nicole: Ooh, hubba, hubba!

Lincoln: (Even In Heaven) That… was… really… awesome!

---

We were watching TV and then the mascots came with a bunch of paint cans.

Syrus: What are you guys doing?

Dark Magician Girl: And why do you guys have paint cans?

Poromon: We're going to do this.

Poromon then dumped the paint on himself. He was turned green!

WE GASPED!

Me: Uhh Nico you got to see this!

Kita Yuan: (laughs) Hey, guys! It's the Incredible Poromon!

Poromon laughed.

Poromon: HEY That is cute! ME POROMON! POROMON SMASH!

Hulk laughed!

Hulk: Hulk think Mascot funny.

Camie: That's cute!

Nico: I hope that paint washes off.

Poliwag: Don't worry Nico. It's washable paint.

Me: Oh.

Poliwag then dumped gold paint on himself.

Homer: (LAUGHS) Poliwag reminds me of me being turned into the Golden Buddha. (Season 16 Episode 12)

Triggerhappy: (laughs) Hey, Sunstreaker! Poliwag's gold color is brighter than yours!

Sunstreaker: (offended) No, it's not!

Me: He's as golden as the sun.

Smolderdash: That's right J.D.

Me and Smolderdash high five.

Manaphy them splashed red glitter paint on herself!

Me: Oooh! Sparkly.

Pointblack: Hey, May. Manaphy's red like one of your outfits!

May: She sure is.

Me: But sparkling.

Qin: Yep.

Horsea: Watch this.

She dumped paint on herself. But it was clear?

Me: Uhh. What does…

CLICK.

She turned out the lights and we gasped as she was GLOWING IN THE DARK! She was glowing a neon blue color!

Me: WHOA!

Horsea: I'm glow in the dark!

Me: You sure are.

Rarity: Wow that is amazing on you darling. (GASP) (Singsong) IDEA!

Me: (Imitating French Narrator) Ooh it seems as though inspiration has struck.

She got her fashion stuff and made lots of gorgeous new dresses and they were glowing in a dark in numbers of neon colors.

Rarity: I call it Full Glow of Fashions.

Nico: Wow! Those dresses are amazing!

Camie: Boy they sure are!

Juru: (laughs) That's like how I get inspiration!

Me: That's Rarity for you Juru. And her dresses and clothes are absolutely amazing.

Qin: They sure are.

Carol: Me and Lori wear them a lot and everyone at school and all over the city envy them.

Nico: They sure do. Where did you get the glow in the dark fabric?

Rarity: Oh I made it. Saved it for a special occasion. Had tons of it leftover.

Qin: Awesome.

Maria: Anyone else want to get painted?

Mevya: (hears a knock) As much as we'd like to, we know what's coming next.

Maria: Lets wash you guys off.

Me: Wait first this.

I took my phone and snapped a photo of Horsea glowing and then turned on the lights and snapped a photo of the mascots painted different colors.

Maria washed them off.

Maria: There.

Me: What do you think Pipp?

Pipp Petals: (GASP) Oh my Glitter! That is so gorge. Post.

I did so.

Mr. Krabs: Come in.

We saw an Elekid come in.

Me: Hey an Elekid.

Nico: She's my friend from middle school and we went to science class together. She specially is a powerful lightning user.

Qin: Awesome.

Elekid: Yeah that is so awesome.

May: What's your favorite memory of Nico?

Elekid: When me and Nico went to get our books from our lockers and I used my lightning powers and made a bully get shocked as well as light his butt on fire. Then some kid had him sit in a bucket of gasoline and he exploded!

Me: Nice! Like what I saw in all those cartoons. That is funny.

Nico: He deserved it.

Me: (LAUGHS) He sure does.

Nico: Lets get you back to normal.

He pulled out a yellow jumpsuit and Elekid went to the bathroom and I snapped my fingers. She came out wearing it and was a girl with yellow and black hair and had black lightning bolt marks on her face and had yellow eyes.

Ashley Darling: That was nuts.

Nico and Ashley hugged and Nico's hair stood up because of electricity.

Nathalie: Nico, which teams have you made this time?

Nico: Right's team will include Fright Rider, Cleo Ulysses, Humphrey and Kate, Patrick Smash, and Lucky Seven Sampson. Nick's team will include Huntsman, Meridith McHenrickson, Good 11, Luminoth, and Dachora & Etecoons

Me: Great ideas.

Nico: Yep.

Samus: It'll be amazing for my animal friends here.

The Dachora and Etecoons were excited.

Meridith McHenrickson: (Scottish Accent) It'll be fun now.

Me: But Nico we haven't met Humphrey and Kate from Alpha and Omega yet. And we haven't met Patrick Smash yet.

Nico: I know. But we'll save those teams for later.

Me: Okay then.

The Previous group came.

Eris: Can me, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, El Oso, Bronze Kneecap, Ebon, and Wrecking Crew go with you guys?

Quackor the Fowl: Me, Wolfman (Gaggle of Galloping Ghosts), Yost Living Laser, Lillith, Sir Toasty, Ghost of Elias Kingston, Don Octavio, Nightshade, and Bulldozer Org will come too.

Bulldozer: I can't believe we missed the mascots' paint colors!

Me: Don't worry I posted them on social media and it's awesome.

Qin: Yep.

Nico: And yes you guys can come with.

Eli: But we don't know what our mission will be.

Me: It will come.

Bai Tza: Nico, which Gene Slammers do you think you'll meet next?

Piledriver: These ones are probably gonna wear leotards.

Nico: Yes they will. I'm going for Miltank, Blissey, Raikou, Suicune and Entei next.

Me: Whoa!

Qin: Nice!

Cow: This will be interesting. A cow pokemon.

Jessie: And I knew a Blissey myself too.

Lola: Wow! I didn't know about that.

Nico: Me neither.

Then Yusei came in and he was frantic!

Yusei: GUYS WE HAVE HUGE TROUBLE!

Me: What's wrong Yusei?

Yusei: Z-One has returned!

We gasped!

Me: Wait who is he?

Yusei: He is a scientist and he is trying to destroy Ener-D.

He told us about his history and what we found out was shocking and horrible!

Z-one is the overarching antagonist of the 2008 season and the third installment of the Yu-Gi-Oh! franchise, Yu-Gi-Oh! 5Ds.

He is responsible for many of the series' events, including the founding of Yliaster and the Zero Reverse incident.

He is a scientist who hails from a post-apocalyptic future where humanity is in a status of near-extinction, caused by the Meklord Emperors. Z-one, alongside Aporia, Antinomy, and Paradox, having traveled back in time to alter history and prevent said future from happening by any means necessary, even if it means at the cost of the lives of innocents.

He was voiced by Hideo Ishikawa in Japanese and Marc Thompson in English.

Z-one was a scientist from a time in which humanity used Ener-D to control and accelerate their own evolution but did so with greedy and selfish desires. Eventually, their Ener-D went out of control, creating an army of Meklord Emperors to destroy the human race. Researching how to stop them, Z-one discovered a way to stop their power source: the Ener-D and the Planetary Pieces in people's hearts.

Realizing that he alone wouldn't be able to inspire others, Z-one researched into the life of Yusei Fudo, a legendary duelist who saved New Domino City long ago. He then proceeded to perform a surgery on himself in order to take on Yusei's appearance, as well as implant a device into his head to make him think like him.

Unfortunately, while Z-one's actions did inspire people to help each other and caused the Meklord Emperors to stop attacking; he was too late as Ener-D proceeded to explode, destroying society and leaving only a few survivors. Z-one survived, however, though the device in his brain was now broken, and he lost faith in humanity.

Eventually, Z-one encountered three other survivors; Antimony, Aporia, and Paradox. Together, the four men spent many years researching ways to restore mankind and undo the destruction that Ener-D caused. Unfortunately, they grew old while doing so, and Antimony, Aporia, and Paradox eventually died, while Z-one connected himself to a device that prolongs his life leaving him as the last survivor of mankind.

Before dying, each of Z-one's comrades wished for Z-one to use their power to change the past, Z-one fulfilled their wishes by creating androids with the appearance and memories of his fallen comrades albeit in their younger forms. Aporia's android was an exception, as he had requested to instead be recreated as three separate androids each representing a different stage in his life. Although Z-one respected the androids and treated them as his friends, he still saw them as nothing but replicas of the real survivors; it is implied that the androids were also aware that they were fake substitutes, nonetheless they were fiercely loyal to Z-one, even seeing him as a god.

Z-one instructed all the androids to travel back in time to prevent the creation of Ener-D by whatever means necessary, with each of them having their own schemes to change the past.

The android modeled after Paradox planned to kill Maximillion Pegasus, in order to wipe the Duel Monsters card game from existence and thus prevent Ener-D from being created since it drew energy from the spirits of the monsters in the game. He stole some of the best cards in history to use in his plan, but thanks to the intervention of the Crimson Dragon, he was stopped by the combined efforts of Yusei, Jaden, and Yugi.

Meanwhile, the androids of Antimony and Aporia travelled back to the time of Yusei Fudo; while Antimony was meant to help Yusei in his growth so that he would discover a way to fix the catastrophic flaw in the Ener-D's design that would eventually lead to mankind's extermination in the future, the three androids that represent Aporia was sent back in time to complete the Grand Design, which would open a time rift large enough to bring the Divine Temple, Z-one's headquarters built from the ruins of New Domino and Satellite, crashing into New Domino City and destroying it. In doing so, Z-one would take countless lives, but would also destroy all traces if Ener-D in Yusei's time, thus preventing his future from ever occurring. Antinomy's plans contradicted Aporia's own schemes, causing him to become conflicted whether he should continue to follow Z-one's wishes or remain by Yusei's side multiple times.

When he was done we were shocked!

Me: OH MAN!

Nico: He came from an Apocalyptic Future and wants to destroy Ener-G to stop it from happening even if it means killing countless lives!? That's crazy and insane!

Wolfman: It's hard not to feel sorry for him.

Count Vertigo: Yeah, he wants Ener-D destroyed at all costs. But after what he went through, who can blame him?

Me: That is horrible he went through all that. I remember seeing the Divine Temple on the news and that was crazy and horrible!

Nico: Yeah it sure was! It looked like a temple that was an upside down fortress.

Me: No kidding.

Yusei: And the future he came from was a nasty place.

Yusei showed us a picture of it and it looked like the Divine Temple over a graveyard with an Apocalyptic Red Scary Sun. The Earth was a malevolent and desolate world and destroyed forever.

We gasped in shock and horror.

Majar: Earth look bad.

Borth: "Bad"?! Majar, the Earth there is destroyed!

Me: Everything is gone!

Qin: No kidding!

Laney: That is terrible!

Carmen then broke down crying and Maria comforted her.

Me: This is a nightmare! Trunks this is worse than the future you came from.

Trunks: You're not kidding!

Ken Knudson: It's even worse than what happened in my time.

Overdrive: Um… I think I'll need a big vehicle for this.

Yost Living Laser: Considering who we're up against, it should be one with a shit ton of weapons!

Nico: No kidding.

Me: Luckily I have just the thing. Follow me.

We went to the garage.

Crankcase: I have a feeling that any of us who went through what happened there would be in his shoes.

Me: I know.

We got to the garage and I showed an awesome flying war dreadnaught ship!

Nico: WHOA!

Me: Meet the TLPS Inferno Dreadnaught. It's a Superdreadnaught flying warship. It's equipped with all the latest in our technologies and more.

Nico: COOL!

DC Enchantress: This will definitely come in handy.

Lillith: (Scottish Accent) Especially today.

Nico: I agree there. Lets get ready.

We went into the ship and got ready.

Rumble: Z-One went through Hell. But that doesn't mean we should let him do this.

Me: I agree there. What happened to him was horrible.

Nico: Yeah no kidding there. But we still have to stop him.

Eli: That's right.

Nico: Lets get ready guys.

We went onto the ship and got it ready.

Sir Toasty: We're not gonna kill him.

Tar Pit: Instead, we're gonna get him the help he needs.

Me: And that is to restore the people he lost.

Nico: But Ener-D is what made that future he came from.

Eli: We got to discontinue its use.

Me: There has to be a way to destroy it without destroying the Earth in the process.

Yusei: We might not have to. Me and my team have been working on a program called Fortune.

Wind Man: Isn't that the program that assimilates the lifeline of New Domino City, by linking it with other cities, with the City becoming the central pillar?

Yusei: That's right.

Me: That's genius Yusei.

Qin: It sure is.

Xenia: Yeah.

Yusei: Thanks. It will be perfect for this.

Black Spider: I get it. This way, we can still use Ener D without it getting out of control.

Ghost of Elias Kingston: And therefore, the bad future won't happen.

Yusei: Exactly.

Me: That is just what we need.

Lola: So we're going to keep Z-One busy while you install it.

Yusei: Yep.

Me: I get the feeling that after everything he did he may want us to kill him as a mercy kill.

Strike Man: Lemme think about that. (pretends to think) No fucking way!

Me: He may have done some terrible things but he doesn't deserve to go out that way.

Xenia: Yeah. And all this just to prevent an apocalyptic future from happening.

Nico: Yeah. Lets head on out guys.

Qin: Right.

We got the ship ready and we were off.

Marvel Nightshade: (to Ebon) Can't you open a portal to his location?

Ebon: So he can go ape on my ass? No way!

Nico: We need to sneak up on him and surprise him.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed fifty-two dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures were none other than The Extraterrestrial Order of The Planets of Holy Ghidorah, they've finally risen from the darkness, and now, they're out to kill us all for ruining their plans and they want to kill us and bring back 2018 King Ghidorah. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, they've finally risen from the darkness, and now, they're out to kill us all for ruining their plans, and they still want to kill us and bring back 2018 King Ghidorah.

Nico: Just as we expected, but now that The Order of Nuestra Señora de la Santa Muerte is gone for good, now we can finally deal with them one at a time. So, who's up first?

Lincoln: The first of The Extraterrestrial Order of The Planets of Holy Ghidorah is Entrada.

Fira Han: Which means, I'm going to face Entrada, and Nico's joining in.

Rhonda Monroe: Entrada's so going to get burned big time for this.

Lincoln: We should also be very careful, I sense the members of The Extraterrestrial Order of The Planets of Holy Ghidorah aren't going to go down without a fight, and like with The Church of Necrom and The Order of The Black Cross, they've got some tricks up their sleeves.

Nico: Good idea, Lincoln, if they're just like with those two Satanic groups, we've got to watch it with them. Alright, gang, let's go, we've got to stop Z-One.

Lincoln: And help repair his damaged soul, and once we stop Z-One and repair his damaged soul, you better be ready to die, Entrada.

Fira Han: You better be ready, Entrada, for the dark fires of The Netherworld will consume your soul and you will be incinerated into nothing but ashes.

Star Man: It's still gonna be a while before we get there.

Thunderball: Might want to get comfortable.

Me: Yep. But what do you guys think of the ship?

Nico: This is amazing.

Lola: I'll say!

Camie: It's amazing how you built it.

El Oso: (Spanish Accent) I hope he hasn't caused too much damage yet.

Don Octavio: (Italian Accent) I hope not.

Nico: I have a feeling he hasn't.

Me: But he'll have everyone in the city evacuated.

Qin: Yeah.

Nico: Yep.

June: Jaden, you should probably summon Divine Neos for this.

Jaden: Good idea.

Me: We'll summon our strongest monsters for this.

Xenia: I agree there.

Bronze Kneecap: We're getting close.

Fracture: I can see smoke.

Nico: Wait that's not smoke.

We saw a storm ahead and we saw THE DIVINE TEMPLE!

Nico: Target sighted.

Me: It's even scarier up close than in the picture.

Qin: Yeah.

Nico: That must be him on top.

We saw a figure and it was Z-ONE!

Elena: Entrance time!

Nico: Lets do it!

We parked and we were beside the temple.

Z-One: What the!?

Then the spirits of the duel monsters appeared and swirled around him and then converged and then massive numbers of Duel Monster cards appeared and they had our pictures on them and then they glowed and out came us.

Yusei: Z-One you can't do this!

Z-One: I must!

Wrecker: Look, Z One. We get why you're doing this.

Bulldozer Org: But do you have any idea how many people you'll hurt?

Z One: I could care less as long as Ener-D is gone.

Nico: (gets out Speed Demon and Johnny 13's Ridewatches) Then we're sorry we have to do this.

Me: Because we're going to kick your butt!

Crow: Better play this! (plays Hyperdrive on radio)

He played it.

I teleported and kicked him in the stomach and smashed him on his butt!

Eli: Ener-D might be to blame for everything that happened to you but you're going to kill everyone!

Me: Yeah!

Nico activated the ridewatches and ran fast and bashed him all over.

Nico: The need for speed!

Me: Awesome!

Z One: Goodwin, is that you?

Rex Goodwin: It's me. Z One, I truly am sorry about what happened.

Z One: Then you know why I have to do this!

Hydro Man: The Hell you are, man!

Me: Because what you are doing is cold blooded murder and annihilation!

Qin: That's right!

Gator Ghoul: (to Nico) We heard you went to Quark Industries.

Nico: We sure did.

Roxy Rocket: The members you recruited will be very useful.

Me: Nice.

Dark Spicer (to Nico) Here's your warning: Your ass is about to be kicked!

Me: Like I said earlier this morning, Bring it on little man!

Nico: Yeah!

?: Awesome huh?

A figure came out and it was GLYTCHER from episode 21 of Megaforce!

---

He had the ability to make electric material malfunction. He first caused a blackout in the mall, but it was quickly fixed.

He later disguised as a medium and set up a small booth, which Troy, Jake, Gia and Noah visited.

He showed them various Insectoids, but was puzzled and distressed because the Power Rangers kept appearing in his visions. While showing these visions, he feels pity for the monsters. He first showed Virox, then Dragonflay, then Yuffo, and finally Creepox.

While watching Creepox's battle, he learned who the Rangers were due to Troy and Noah unmorphing. After learning so, he immediately revealed his identity and left the mall to cause chaos in order to avenge Gremlin, his fallen cousin.

The Rangers, along with Robo Knight, battled Glytcher but were no match for him due to his speed, as well as an apparent invulnerability to their attacks.

When joining the battle, Emma threw flour on him and covered his eyes with the bowl containing the flour to slow him down before defeating him and tickled him as a giant in order to distract him long enough to finally finish him off.

---

Troy: Glytcher!

Glytcher: Been a while rangers.

Me: I remember you! You found out Troy and Noah's identities and you caused lots of power outages.

Nico: Not only that but Emma provided the perfect distraction by throwing flour on you.

Glytcher: (to Emma) I still won't forget how you used flour on me!

Emma: Hey, it worked, didn't it?

Me: It sure did!

Qin: That was awesome.

Me: Yep.

Dark Spicer: And watch this.

He turned into a black version of a Ruimtever and it had spikes all over it and had 9 planets all around it.

Zonestar: I call this one… Zonestar!

Shanan: Whoa! A Ruimtever hybrid!

Nico: You know that's probably one of your most powerful forms, right?

Zonestar: I still think Alien Ξ is powerful too. (fires wave of energy from his mouth at Shanan)

Shanan deflected the blast back and it hit Z-One!

Qin: Nice one!

Then Dark turned into a dark version of a Dermochea and it had spikes surging with intense lightning on it.

Archshock: Meet Archshock!

Shanan: Wow! A Dermochea Hybrid.

Rainbow Dash: Now that's shocking!

Archshock: (laughs) I know, right? (fires blast of lightning at Rainbow Dash)

She deflected the lightning back and it hit Z-One and electrocuted him.

Me: Awesome choices Dark!

Dark Spicer reverted back.

Dark Spicer: Thanks.

We got the battles underway.

## Becca Chang, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Vina Bagge, Ben 10,000, Barath Beyond, and Borth Majar VS Gator Ghoul - Lincoln's Rescue

---

Gator Ghoul was next.

Gator Ghoul: (to Becca) I heard Lincoln's rescue was in Denver. How was it?

Becca: It was really fun. We had 2 huge missions there. Our first mission: defeat Universe 666 Ets, who like Universe 666 Lincoln, had his harem murdered by Evil Nico and his cohorts and he's seriously out for revenge, but after we defeat him, Universe 666 Lincoln is going to talk some sense into him, and then, they're going to recruit Universe 666 Ets into the Redemption Squad, and bring the Universe 666 version of Ets' harem back from the dead and recruit them into the Redemption Squad as well. And our second mission: we're going after the main target: another bully from Nico's past named Daniel Collymore, he's a rotten, black-hearted, sadistic monster who enjoyed terrorizing everyone for his own sick amusement until he was defeated by Nico, Qin, and all of their friends, and he was expelled from school and sent to a boarding school in Russia. But, we got word he escaped, and he wants revenge on Nico, Qin, and their friends for getting him expelled, hope he likes spending the rest of his life in The Uranus Prison.

Gator Ghoul: WHOA! You guys were busy over there. And the bullies you face are really dangerous from Nico's past.

Fluttershy: Yes they sure are. But we are glad that we have Universe 666's version of Ets with us.

Tornado Bolt: Yeah we sure are and it's really cool.

Seabreeze: (Swedish Accent) Oh ja. We are glad we saved him from himself.

Stealth Elf: We sure are and it was great.

Danny Phantom: Her name is Morana Marzanna and she is a really powerful one.

Starlight Glimmer: She sure is and she is amazing. Her story is awesome too.

Cozy Glow: You got that right.

---

Nico: Yep. So, Nadia, Jasmine, Pebbles, Sheena, Molly, Nina, Morana, what memories did you have with Lincoln?

Nadia Furīzuhāto: (Japanese Accent) Oh, we have one that we still remember to this day, and it also involved us clobbering Lori. One day, Lincoln and the rest of the Pokemon Galaxy Heroes were at our swimming pool in our gym, and we were doing some swimming practices. But, then, we heard a loud banshee scream in the air, and there was only one person who could scream like that: Lori. Then, we saw the doors burst open, and we saw that cold, unfeeling, heartless banshee, and she was out to kill Lincoln yet again, but she made a massive mistake coming after us, because all the Guardian Angels were there, especially those who hated Lori.

Jasmine Waterflower: We then pounced on her and we brutally pulverized her, but Lori wasn't giving up, she was still out for blood, so Lincoln eventually went after her himself, and he fired a powerful blast of ice cold water which gave her quite a freezing sensation as she shrieked again. But, then we tied her up in an energy straitjacket, then, we called Luna, and after we told her of what Lori tried to do to Lincoln, she rushed in and grabbed Lori and she dragged her back to The Loud House.

Sheena Grassheart: We finished our swimming lessons, and after we came back to The Loud House, we got there just in time to see Mr. and Mrs. Loud hand down Lori's sentence for trying to kill Lincoln yet again: grounded for three weeks and she lost her phone as well. Then, Luna grabbed Lori and she threw that venom-spitting conniving snake into a cage, and many of us Guardian Angels gave her the finger and she went ballistic again.

Nico: So, Lori was just on a rampage yet again, jeez, that Dark Lori absolutely hated Lincoln to the core.

Morana Marzanna: Which is why we always pulverize her in case she had any ideas to get rid of our man, and we even insult her at every turn.

Me: Yeah, and they're among some of the nastiest insults I'd ever heard.

Nico: But, they're indeed warranted given the nature of the five meanest Loud Sisters and the hatred they had for Lincoln, due to their Dark Sides.

Morana Marzanna: Exactly our point, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Mexico to show to for the exhibition tonight, and it was going to be at Great Lakes City. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired snow and blue energy blasts at them and they got frozen in blocks of ice, Lincoln punched the ice blocks to pieces and Lori, Lynn, Lola, Lisa, and Luan were shivering, but that wasn't going to save them from us. We pounced on and attacked them all with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Morana Marzanna: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for eight months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did, and Ronnie Anne's Uncle Carlos was there with us.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, and Rayne, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and when Tio Carlos and Tia Frida heard of what that killjoy did, they were super mad, Tia Frida was absolutely furious especially, because he ruined a mural of the history of Mexico that they were going to show in the Great Lakes City exhibition.

Maria Santiago: Lincoln wanted to show it to everyone there, and that killjoy ruined it just because of his hatred, and when he got Lori, Lynn, Lola, Lisa, and Luan involved yet again, I was tempted to go down there and beat them with a Chancla. But, Mama always kept her Chanclas with her at all times, and I never wear Chanclas, just shoes.

Carlota Casagrande: But, we were super mad at that killjoy big time.

Ronnie Anne: And they questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy and a jerk to Lincoln.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

FLASHBACK ENDS

Roxy Rocket: That stupid killjoy! What the hell is wrong with him?

Hex: We don't have any idea what is wrong with that jerk and why he hates Lincoln.

Dora Santiago: I'm willing to bet that Killjoy Huggins might have had something to do with all those dark sides and why they want Lincoln dead.

Casper: I have that same feeling myself.

Roxy Rocket: Hmm. You might be on to something. Lets do it!

Cassidy: It might have been an unstable energy source or a programming error.

Adagio Dazzle: That could be it.

Sonata Dusk: Yeah no kidding there. That was awful.

I teleported and opened his safe and in it was a bunch of weapons for us called the Destroyers of The Extraterrestrial Order of The Planets of Holy Ghidorah, they're a collection of massive greatswords with embedded colored gems and the anti-Extraterrestrial Order of The Planets of Holy Ghidorah symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored phoenix heads and large colored gems on the bottom of the Pegasi heads for the pommels, and there's also blasters and spellbooks included with the greatswords. Once in hand, we'll get a massive power and energy increase.

I teleported back with them.

Nico: And in the process, repaired his damaged soul. Awesome job, gang, but we're not done yet.

Fira Han: That's right, we still got Entrada to deal with, and the first of The Extraterrestrial Order of the Planets of Holy Ghidorah should be arriving… right now.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Entrada.

A figure came out, and it was none other than Entrada, the first of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Entrada, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Entrada: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Fira Han: The only one who deserves to be destroyed is you.

Suddenly, Fira Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Inferno Wing-themed greatsword from her back, and as she approached Entrada, she left black energy, darkness, dark magic, fiends, phoenixes, and dark angels with every step.

Fira Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Entrada: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Fira Han was surrounded by a massive vortex of black energy with darkness, dark magic, and flames surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Inferno Wing flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Entrada: the red eyes of death. Then, as the vortex faded, Fira Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Fira Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Inferno Wing emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Fire, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Inferno Wing with red gems for eyes and holding the Fire, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Fira Han has on a short-sleeved blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, flames, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Inferno Wing surrounded by darkness and flames. Suddenly, Fira Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Fira Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Fira Han's massive Evil HERO Inferno Wing-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Inferno Wing's Darkness Firestorm Fiendish Phoenix Greatsword of Darkness Dark Fire Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Inferno Wing etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Inferno Wing's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Infernal Wing that said, "Fira Han, Gene-Slammer of Evil HERO Inferno Wing, Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Elensca the Fire Angel, Destroyer of Entrada of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Fire, Dark Magic, and Infernal Phoenixes"

Fira Han has transformed into SUPER ANGEL-EVIL HERO INFERNO WING-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNO WING PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNO WING JUSTICE AND DIVINE DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNO WING LOVE!

We were amazed by Fira Han's Super Angel-Evil HERO Inferno Wing-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Entrada saw it, he fell into an infernal rage and he got out a blaster to fire at her, but Fira Han fired a powerful black energy blast with darkness, dark magic, flames, fiends, phoenixes, and dark angels at Entrada, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Gaia Han: Whoa, Fira's transformed, incredible!

Rhonda Monroe: That's really incredible, and she really burned Entrada badly.

Nico: And she's really got him pissed off now big time.

Fira Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Evil HERO Inferno Wing Angel and Divine Demonic Darkness Infernal Firestorm Darkness Phoenix Love) **And now, the dark fires of The Netherworld are coming for you, Entrada.**

Nico: Let me join in as well, Fira, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Fira Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) **Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!**

Fira Han and Nico went after Entrada who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Entrada and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Me: YEAH! GET HIM!

Nico turned his fingernails into claws and he slashed at Entrada, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Entrada took out a vial containing a mysterious fluid, then he drank it. Suddenly, he began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: (Gasps) So, that's what Lincoln meant: each of the members have a potion that'll turn them into a creature like King Ghidorah!

Entrada fired a Gravity Lightning blast at Fira Han and Nico, who dodged it.

KRABBBBOOOOOOM! KRABBBBBOOOOOOOOOOMMM! KRABBBBBBOOOOOOOOMMM! KRABBBBBBOOOOOOOOMMMM!

Massive fiery explosions blasted off from the gravity lightning blasts!

Lincoln: And it also gives the members King Ghidorah's powers. Fira, Nico, hang on!

Lincoln fired an energy blast which separated Entrada from his monster form, and then, Lincoln went at Monster Entrada and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing Monster Entrada into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) **Thanks for the save, Lincoln. Now, Fira, let's end this asshole for good.**

Fira Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Evil HERO Inferno Wing Angel and Divine Demonic Darkness Infernal Firestorm Darkness Phoenix Love) **You got it, Nico.**

Fira Han and Nico sent Entrada flying into the air, and then, they prepared their combo to put an end to Entrada.

Fira Han and Nico: DARK INFERNAL EVIL HERO INFERNO WING PHOENIX FIRESTORM KAMEHAMEHA!

Fira Han and Nico fired two massive black energy Kamehameha waves with dark fire, fire, darkness, and phoenixes which hit Entrada, and they exploded with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Fira Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Fira Han and Nico holster their massive greatswords on their backs and powered down, and Fira Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Fira Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and fifty-two members to go. Thanks for helping me destroy Entrada once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Fira.

Suddenly, Fira Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Fira Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Inferno Wing flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Fira Han absorbed the flames and they came back to us as the display and Evil HERO Inferno Wing vanished.

Me: Whoa, now that's what I call an awesome opening to the war, nice job, Nico and Fira.

Nico: Thanks, J.D., and I didn't think the members of The Extraterrestrial Order of The Planets of Holy Ghidorah would resort to making a potion to give them the same powers as 2018 King Ghidorah, but in the process, it'll transform them into a King Ghidorah-like monster.

Lincoln: That's just like with the potions that the high-ranking members of The Church of Necrom had used last year, but that potion, it had a drop of 2018 King Ghidorah's blood, and it's really powerful. But, now we know what they're going to do if they really get enraged, and I'll give you guys a hand.

Nico: Thanks, Lincoln, and for tomorrow, the next member is Venthera, which means you're up next, Gaia.

Gaia Han: Yeah, we'll make Venthera pay.

Nico: We sure will. Say, Lincoln, which Weather Gene-Slammer are you hoping to meet tomorrow?

Lincoln: The next one we're meeting tomorrow is the Gene-Slammer of The Weather Painter Aurora.

Althea Iridiana: Yes, and there's one person I know who'd be Gene-Slammed into The Weather Painter Aurora: Aurora Leocadia, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over darkness and the dusk and the green color of the spectrum, and she's also recognizable because of her green hair and massive and beautiful green angel wings. She, Lincoln, Laney, Nephele, Rayne, Morana, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Nico: So, we got another artist to meet tomorrow.

Lincoln: Plus, you're also in for a surprise: Aurora Leocadia's also the daughter of Aurora, the Roman Goddess of Dawn, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa! So, that means the Weather Painter Gene-Slammers are not only your Guardian Angels.

Timmy Turner: But, also children of the Gods and my cousins, that's right.

Nico: (Whistles) Whoa. But, now we know what to expect when we meet the other Weather Painter Gene-Slammers.

We went over to Z-One.

He was down.

Z One: Go ahead and use the Black Gates on me. My existence is pointless now anyway.

Avalanche: You really think we're gonna do that?

Puff: You've suffered enough.

Me: Besides, you went through enough torture with that. After what you went through that would be like throwing a dead horse to a voracious swarm of piranhas. (To Twilight and friends) No offense.

Twilight Sparkle: None taken.

Nico: That's extreme but yeah.

Duff Killigan: Lad, what we're gonna do is get you some help.

Doctor Octopus: And then, you can join the Masters of Evil.

Me: If you are up for that.

Electro: (to Ino) You're gonna have your work cut out for you.

Ino: But I'm always up for the challenge.

Qin: Good.

Nico: But great job everyone.

Yusei: (To the viewers) This was still an awesome adventure though. Hope you all loved it.

Me: I know I did.

We went back home and enjoyed the rest of the day and went to sleep.

This chapter is based on the funny movies for Space Chimps

In the early morning hours, at around 2:14 AM, I was awake and couldn't sleep at all.

Me: (In my head) I have a feeling Roxy and Dora might be on to something. What could have caused the dark sides of the Loud Sisters to come out like that. It doesn't happen without a probable cause. Hmm…

I got up and went downstairs and left a note for Nico. I told him that I would be back in a few minutes.

I went to the Gotham Royal York Hospital and went to their medicine supply room.

Me: Hmm. There has to be one bottle out of the ordinary here.

I looked in the closet and then I spotted something.

Me: Wait what's this?

It was a medicine bottle filled with a strange black liquid.

Me: Hmm. I better take a look at this one.

I took it with me and ran some tests on it back at the estate.

I analyzed it and what the computer saw was shocking! It was actually a DARK SIDE CREATION FORMULA MADE BY KILLJOY HUGGINS! HE MADE THIS FORMULA WHEN LINCOLN WAS IN 3RD GRADE AND HE INJECTED IT INTO LORI, LUAN, LYNN, LOLA AND LISA AND MADE THEM DO ALL KINDS OF HORRIBLE THINGS! EVERYTHING THAT LINCOLN'S GUARDIAN ANGELS SAID WAS ALL BECAUSE OF THIS FORMULA!

Me: (GASP) (INFURIATED GROWLING) (In my head) I DEFINITELY KNOW WHO IS GETTING THE BLACK GATES FOR ALL THIS! But this is gonna blow all their revelations all out of the water!

I printed the files on what I found out.

---

In the early morning hours at 3:00 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Giza, Egypt. But, they were no ordinary two figures,they were, Sphinx Moth, daughter of Lincoln's future wife, Fluttershy. and Magnolia May, daughter of Lincoln's future wife, Applejack. Lincoln woke up from the dream, but he wasn't the only one, Fluttershy, Anthea, Applejack, Golden Delicious, Black Alpha, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Fluttershy: And not only that, it also means that we found out where our kids are at.

Applejack: And the question is, Where?

Me: they're at Giza, Egypt.

Nico: The second-largest city in Egypt after Cairo? That's not good. Is not a safe place for them.

Lincoln: I know, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Fluttershy, Anthea, Applejack, Golden Delicious, Me, and Nico were heading to Ireland, Dublin. Lincoln saw a slender but muscular 10-year-old girl who has pale yellow skin, teal eyes, long pink hair that fades into a white color at the halfway point, which she wears in three thick braids, and mechanical moth-like wings on her back. She wears a plain white haori, a light and dark purple ombre dress, a pink belt with a butterfly-shaped buckle, navy pink thigh-high socks layered with striped lime-green socks, and white zōri with pink straps. And a slim 10-year-old girl who has light orange skin, light blue eyes with light purple eyeshadow, eyelashes, dark purple hair with light purple, pink, and tan streaks that's tied on a small ponytail, and freckles. She wears a light purple scarf tied around her neck, purple sleeveless dress with southern flowers designs and a light orange belt with a dark purple buckle forming a "southern flower", light purple tight leggings, and purple ballet flats. Lincoln saw who they are, they were Sphinx Moth and Magnolia May.

Lincoln: Excuse me, are you Sphinx Moth and Magnolia May?

Magnolia May: Yes we are, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Fluttershy and Applejack came out, and when Sphinx Moth and Magnolia May saw them, they were stunned.

Sphinx Moth: Mother, is that you?

Fluttershy: Yes, little butterfly, it's me.

Sphinx Moth and Magnolia May ran up to Fluttershy and Applejack, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Anthea, Golden Delicious, and Black Alpha.

Lincoln: And there's something you should know, Fluttershy, Applejack, your mothers are one of my many future wives.

Sphinx Moth and Magnolia May: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Sphinx Moth and Magnolia May with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sphinx Moth and Magnolia May to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Fluttershy and Applejack with their daughters, and Sphinx Moth and Magnolia May now has a loving, strong, brave, and caring father in their life.

Gusto And Knight Mare and we were there for an amazing and awesome rescue.

Qin: Planet Valmorg. Just as scary and hot as ever.

Xenia: Yeah but still awesome.

Lola: It sure is.

Me: Coming here is always awesome and cool.

Misty Tredwell: It sure is.

Julie Yamamoto: I always have a lot of fun on these adventures with you guys.

Meg: We sure do.

Nico: Julie, I want to thank you, Captain Boomerang, and your teams for coming.

Julie Yamamoto: It's not problem Nico.

Captain Boomerang: (Australian Accent) It's great we are helping you out mate.

Qin: It sure is.

Nico: Meg, do you like seeing Hercules in action during battle?

Meg: I sure do. He is an amazing Wonder Boy.

Eli: He sure is. Hercules is awesome. Hades is funny too.

Qin: (LAUGHS) He sure is.

Xenia: Hades always cracks me up.

Lola: He sure does!

Nico: Yeah! (LAUGHS) And it's really funny well Eli blows his hair out.

Camie: (LAUGHS) That is funny!

We laughed!

Nico: Also, is it okay if we call you Meg rather than Megara?

Meg: Everyone calls me Meg. But I'm cool with that Nico.

Qin: Awesome.

Nico: Good.

Me: Awesome.

Nico: Yeah.

Me: Yesterday's mission was awesome though. But it was awful that Z-one went through all that.

Eli: Yeah no kidding there!

Qin: That was horrible!

Shanan: I just can't believe that all that happened there.

Nico: What he was doing was wrong. But I get why he was doing it.

Me: I know. His future and everything and everyone he knew and more was completely destroyed.

Qin: All because of an out of control energy reactor.

Lola: Yeah that was horrible!

Captain Boomerang: No kidding there mates. I'm glad you guys stopped him.

Yost Domino: That is just really awful he did all that.

Nico: No kidding there.

Xenia: Yeah.

Captain Boomerang: (to Nico) Mate, you would more or less resort to doing the same thing in his shoes.

Nico: But not like that. I would never kill millions of innocent people just to change the future. I would find a safer alternative and do what Trunks would have done and that is warn everyone and get them prepared for it.

Xenia: That's a better idea.

Nico: Yeah it sure is.

Lola: I agree there too.

Qin: But I feel really bad for Z-one. He lost everything. He went through a hell that I wouldn't wish on even my most dangerous enemies.

Nico: Me neither.

Camie: That was horrible!

Julie: How's he doing right now?

Me: Ino said she is working really hard on him. But his mind is one brutal challenge.

Qin: She had to have her dad come and help her out with it.

Nico: With everything he went through I don't blame her for wanting help.

Tsuyu: It's just horrible he went through all that in his time.

Camie: No kidding.

Lola: Yeah.

I then sighed.

Me: Guys earlier this morning I found out some very grim news. But Lincoln, it's gonna really be shocking for you mostly.

Lincoln: What is it?

Me: I found out that Killjoy Huggins was behind all this.

Anna Anyanova: We already know that Killjoy Huggins was responsible for you hurting Lincoln.

Me: No Anna this is much more serious than that.

I pulled out the bottle of the Dark Side Formula Creation Serum.

Anna Anyanova: (GASP) Is that what I think it is!?

Lincoln: Oh dear god!

Me: I'm afraid so. This is a Dark Side Creation Serum. It was made by Killjoy Huggins.

I told everyone my findings and more and how all of the revelations from Lincoln's Guardian Angels that we were told were all because of Killjoy Huggins!

Nico: THAT MONSTER! I SHOULD HAVE KNOWN!

Lincoln: HUGGINS YOU ARE A TRUE EVIL!

Qin: NO KIDDING!

Captain Boomerang: Mate, how crowded is the humiliation roster right now?

Nico: Lets see.

Nico counted who we have.

Nico: I think we have 21 with Killjoy Huggins included.

Captain Boomerang: Mate, if you kill him, it'll be an even 20.

Nico: We'll do that after we tell everyone back home.

Anna Anyanova: I can't believe this!

Lola: Huggins is a monster!

Qin: I can't believe that killjoy would hate Lincoln so much that he was willing to have his OWN family kill him!

Lola: WHEN I GET MY HANDS ON HIM HE IS GONNA WISH HE WAS NEVER BORN!

Nico: Calm down Lola. Calm down. He will get what's coming to him. Besides, we'll worry about that later.

Me: Nico is right. We have a rescue we need to do.

Nico: This is going to be one awesome rescue, not only are we here for another rescue, but we got word from Billy, Mandy, and Grim that an evil version of Billy has been sighted on Valmorg, and Evil Billy's out to kill J.D. for ruining his plans to keep girls away from sports and for stealing his crush who happens to be one of his future wives!

We gasped.

Me: That's the very thing we'd had to deal with in Billy last year, and I knew he'd one day show up.

Lincoln: Yeah, but we're not going to let him hurt you, J.D., we'll smash his non-existent brain into mush, but the question is who's going to face him?

Gem Cavvenport: I will, I'm not letting that stupid idiot hurt J.D. again, and he needs to have his non-existent brain smashed into mush, that stupid, bubble-nosed, malodorous, malignant little turd face!

Salene Sallamandia: Oh, he's really going to get burned, big time!

Elaine Wittgenstein: Yeah, he needs to be taught a lesson.

Nalania Cherikova: One he'll never ever forget.

Estella Skyla: He's really going to get burned big time.

Olivia Orrovia: And you might even burn his Dino Patrol to ashes.

Leona Terra: And we'll even leave some scars on him for good measure.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury, and Moonface the Silver appeared as well.

Rosa Laurence: I've absolutely had it with that evil version of Billy, this time, we're not going to show him any mercy whatsoever, This… Means… WAR!

Nico: Yeah! That little idiot's going to get the beating of a lifetime for his stupidity!

Lincoln: We all want to have our chance to beat him senseless for every stupid thing he's ever done!

Nico: Okay, do you want me to just snap my fingers and get destroying Killjoy Huggins over with?

Me: Nah that would be too easy. Lets have EVERYONE witness it all.

Nico: Fair point. But J.D. well done on finding this out. And thanks for leaving me a note.

Me: No problem.

Eli: Yeah.

Nico: Now we got an evil idiot to find.

Suddenly, we heard the insane babbling of a stupid bubble-nosed idiot, and Lincoln used his deep sapphire blue cyborg eyes and Third Eye and his energy sensing ability and The Force, and then, he saw who it was that made that insane babbling: it was an evil version of Billy, and he was heading right for me!

Lincoln: Get away from my brother, you stupid, bubble-nosed, malodorous, malignant idiot!

But, before Evil Billy could try to pounce and pummel me, Lincoln charged in at superhuman speeds and he used one of his elven massive and long white wolf tails to grab Evil Billy by the waist and he threw him onto the ground. Evil Billy got back up, and he was babbling like crazy!

Evil Billy: (CRAZY BABBLING)

Me: Sorry, we don't speak idiot!

Nico: Um… what did you just say?!

POW!

I punched Evil Billy in his face.

Me: That was for beating me up in a jealous rage you turd head!

Qin: YEAH!

POW!

I kicked him in his crotch!

Me: That was for beating me up for you not letting Mandy play sports!

Evil Billy: (CRAZY BABBLING)

Nico: (to Evil Billy) I can't understand what you're saying!

Me: He's an idiot Nico.

Evil Billy REALLY WAS CRAZY!

Gem Cavvenport: Yeah, and you're not laying one hand on J.D. ever again, you malignant buffoon!

Suddenly, something within Gem Cavvenport's mind snapped as memories of Evil Billy thrashing me last year rushed through her head and her blue eyes turned neon blue and she was surrounded by a moonlight blue and silver energy aura with darkness, silver, crescent and full moons, and beasts of the full moon, she unholstered her Alchemy Beast - Moonface the Silver-themed greatsword from her back, and as she approached Evil Billy, she left moonlight blue and silver energy, darkness, silver, crescent and full moons, and beasts of the full moon with every step.

Gem Cavvenport: That's it, I've had just about enough of you to last an eternity, no matter how many times we've had to teach you a lesson, it just won't go through your skull. At least, the real Billy has learned his lesson last year. (Suddenly Getting Pissed Off) But, you, I will never forget what you tried to do in trying to get girls banned from playing Sports and that brutal beating you gave J.D. and for a girl who's one of his future wives,… , YOU'VE GONE TOO FAR FOR THE LAST FREAKING TIME, YOU BUBBLE-NOSED BABOON, AND NOW, I WILL SEE TO IT THAT YOU PAY THE PRICE FOR EVERYTHING THAT YOU HAVE DONE, YOU STUPID, BUBBLE-NOSED, WOODEN-HEADED, GOOD-FOR-NOTHING, MALODOROUS, MALIGNANT TURD FACE! I HOPE YOU LIKE GETTING YOUR NON-EXISTENT BRAIN SMASHED INTO MUSH!

We gasped at the extent of Gem Cavvenport's fury.

Nico: Whoa!

Lincoln: Evil Billy's really fucked up for the last time, now he's going to get a really severe beating even worse than all the times J.D.'s beaten him up. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Evil Billy went insane with homicidal rage and went after Gem Cavvenport to kill her, but Gem Cavvenport screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMM!

There was a massive explosion and she was surrounded by a massive vortex of moonlight blue and silver energy with darkness and silver surrounding the vortex, there's an army of beasts of the full moon and Alchemy Beast - Moonface the Silver flying around the vortex, and in the vortex is a silver phoenix, and the force of the vortex blew Evil Billy back and he crashed into another wall. Then, as the vortex faded, Gem Cavvenport emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elaine Wittgenstein grew to 7'4" in height, she has the body of a goddess, she has silver highlights in the bangs of her long braided moonlight blue hair, she has neon blue eyes and a moonlight blue and silver energy aura with darkness, silver, crescent and full moons, and beasts of the full moon surrounding her, she has Alchemy Beast - Moonface the Silver emblazoned on her forehead and Third Eye with moonlight blue iris, she has on werewolf earrings with moonlight blue gems for eyes and holding the Silver, Moon, Dark, and Eternity Kanjis in its claws, she also has Alchemy Beast - Moonface the Silver with moonlight blue gems for eyes and holding the Silver, Moon, Dark, and Eternity Kanjis in its hands on the bottom of her moonlight blue werewolf-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with moonlight blue crystal links from her merged Crystal Necklace of the Buddha and moonlight blue gems on the gold flame links. Suddenly, Gem Cavvenport felt a sharp pain on her back, and then, her massive silver angel wings with moonlight blue tips on the large feathers, grew much bigger for her new body and she now has eleven massive and long moonlight blue wolf tails. Gem Cavvenport has on her Ring of the Phoenix with large moonlight blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Gem Cavvenport's massive Alchemy Beast - Moonface the Silver-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of moonlight blue and silver energy, darkness, silver, crescent and full moons, and beasts of the full moon, and when it emerged, it was transformed into Alchemy Beast - Moonface the Silver's Darkness Silver Lunar Beast Alchemy Greatsword of Alchemical Silver Dark Justice, it's a brand-new massive greatsword with embedded silver-colored gems and Alchemy Beast - Moonface the Silver etched on the 7'0" massive, wide, double-edged moonlight blue blade, large Alchemy Beast - Moonface the Silver heads for the crossguard, large moonlight blue gem embedded in the rainguard, longer midnight black handle, four large Alchemy Beast - Moonface the Silver heads with moonlight blue gems for eyes and large moonlight blue gem on the bottom of the Alchemy Beast - Moonface the Silver heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with moonlight blue gems on her wrists, her Belt of Elemental Bravery with a gold version of Alchemy Beast - Moonface the Silver's head with moonlight blue gems for eyes and a large moonlight blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a moonlight blue kanji below Alchemy Beast - Moonface the Silver that said, "Gem Cavvenport, Gene-Slammer of Alchemy Beast - Moonface the Silver, Amazing Miner, Silver Mine Owner, Miner of Silver, Gold, Jewels, and Precious Stones, Amazing and Powerful Master of Darkness and Silver, Loving Friend and Future Wife of Nico Chan, Archenemy of Cenicienta, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of

Darkness, Silver, and The Full Moon"

Gem Cavvenport's transformed into SUPER ANGEL-MOONFACE THE SILVER-LUNAR BEAST-HARMONY CELESTIAL ETERNAL XELNAGA ALCHEMICAL SILVER DARKNESS MOONFACE THE SILVER DARKNESS MOON BEAST ANGEL OF DIVINE ALCHEMICAL DARKNESS SILVER MOONFACE LUNAR BEAST JUSTICE AND DIVINE ALCHEMICAL DARKNESS SILVER MOONFACE LUNAR BEAST LOVE!

We were amazed by Gem Cavvenport's Super Angel-Moonface the Silver-Lunar Beast-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Billy saw it, he went absolutely even more ballistic and he ran at her to kill her, but Gem Cavvenport fired a barrage of powerful blue and silver energy blasts with darkness, silver, crescent and full moons, and beasts of the full moon at Evil Billy and it exploded as it hit him, and he was now really pissed off now as he babbled even more like an idiot.

Gem Cavvenport: (Divine Echoing Cosmic Voice of The Darkness Alchemical Silver Moon Beast Angel and Divine Alchemical Silver Darkness Moonface Moon Beast Love Maelstrom) **There's plenty more where that came from, you malignant bubble-nosed clod!**

Nico: Ah, screw it! We're killing him anyway!

Me: Lets all get him!

Nico: Let me in on this as well, Elaine, it's high-time someone teaches that malignant turd face a very painful lesson again.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Gem Cavvenport.

Nico: (Divine Echoing Voice of Rainbow Redemption) **Alright, you bubble-nosed baboon, time to face your punishment for what you've done last year!**

Gem Cavvenport and Nico went after Evil Billy who've now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, moonlight blue and silver energy, silver, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Billy and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at the idiot, drawing blood and leaving more scars on him, and he was being driven even more ballistic. Then, he used his eleven massive dark blue wolf tails and they brutally pulverized them all over the place, and he used one of them to grab the idiot by the ankles and smash him down onto the left and right and sent him flying into another wall again.

Lincoln: Ooh! That's going to leave a mark!

Nico: (Divine Echoing Voice of Rainbow Redemption) **I'm surprised I didn't shatter any of his bones.**

Lincoln: With just how strong you've been getting, Nico, you could've broken his bones, but that idiot is a lot tougher than he looks, but for now, let's send him packing!

Gem Cavvenport: (Divine Echoing Cosmic Voice of The Darkness Alchemical Silver Moon Beast Angel and Divine Alchemical Silver Darkness Moonface Moon Beast Love Maelstrom) **Right.**

Rosa Laurence: You're too dangerous to let live, you stupid idiot, now it's time for you to experience true pain and suffering!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport surrounded The Vengeance Express 6 kids on eight sides, and then, Gem Cavvenport's moonlight blue and silver energy aura flared up even more, and Nalania Cherikova, Estella Skyla, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport were surrounded by colored energy auras representing the other Alchemy Beasts, and Rosa Laurence was surrounded by a red energy aura with the elemental forces of all Seven Alchemy Beasts.

Evil Billy: (INSANE BABBLING)

Rosa Laurence: Like J.D. said, I don't speak babbling idiot, but I can tell you this, this is the last time we ever have to deal with you!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport: SEVEN ALCHEMY BEASTS ELEMENT METAL COFFIN!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport fired energy blasts with the elemental metals of the Seven Alchemy Beasts, and as they hit Evil Billy, he was then put in a coffin made of gold, silver, tin, mercury, lead, steel, and bronze.

Rosa Laurence: Now, Lincoln!

Lincoln fired a blast of darkness with snow, ice, and ice crystals: it was Winter Icyin's dark power, Jack Frost's Dark Winter Embrace, and as it hits Evil Billy's metal coffin, his body suddenly went cold as

Lincoln sucked out all of his body heat and it caused his body temperature to drop to nothing. Then, as his soul appeared, Nico gave him The Black Gates and he was gone for good.

We cheered as Gem Cavvenport and Nico holster their massive greatswords on their backs and power down, and Gem Cavvenport's new body, clothes, weapons, jewelry, Third Eye, eleven massive moonlight blue wolf tails, and massive silver angel wings are permanent.

Gem Cavvenport: That'll teach you never to come after J.D. ever again. Thanks for helping me take Evil Billy down for good, Nico.

Nico: (Smiles Warmly) You're welcome, Gem.

Suddenly, Gem Cavvenport wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Gem Cavvenport's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Moonface the Silver flying in the air, and we saw many animals running across the field, along with elemental forces and the moon's silver light shining down on them and we cheered wildly. Then, Nico and Gem Cavvenport absorbed the moonlight and they came back to us as the display and Alchemy Beast - Moonface the Silver vanished.

Me: Wow, guys, that was one awesome battle you fought, and that was one awesome display we saw when you guys kissed.

Nico: Thanks, J.D., and Lincoln, what was that attack you used on Evil Billy?

Lincoln: That was Winter Icyin's dark power: Jack Frost's Dark Winter Embrace, when she uses it on those truly irredeemable, she fires a blast of darkness with snow, ice, and ice crystals, and when it hits the truly irredeemable person, their body suddenly goes cold as

Winter sucks out all of the victim's body heat and causes their body temperature to drop to nothing.

Me: Brr, that's a really ice cold judgement.

Nico: You forgot to mention that when we met her, didn't you?

Lincoln: Yeah, I did, but at least, you saw how it works, right?

Eli opens the coffin and he sees Evil Billy's body, and he was literally frozen and he scanned for body temperature and heat, but nothing.

Eli: Yikes!

Nico: Whoa, Winter's got one icy power, and those who are irredeemable will not survive this curse.

Me: Yeah that is amazing!

Lola: Boy no kidding.

Camie: Now he is just a lifeless frozen vegetable. Without his spirit and it being in the Black Gates he is just a soulless brainless lifeless vegetable.

Qin: Yep.

Me: He'll be a good trophy for us.

Maria: Eli, sense for Swartz's creations

Eli: On it.

Eli sensed for them.

Eli: Found them! 30 klicks north northeast. One of them is Another Madea.

Nico: Ooh this one will be interesting.

Lola: Yep.

Nico: Just need to wait for the signal.

Me: Yeah.

Lola: But at least we don't have to go far.

Camie: True.

Nico: So, who's up next?

Maria: I will go next.

Qin: Yeah!

Nico: Lets be ready.

May: (pats Maria's back) Good luck, Maria.

Maria: Thanks May.

Then we saw a dark figure come out and it was a dark version of Madea! It was ANOTHER MADEA!

Qin: Whoa! This one looks amazing!

Nico: Another Madea. Wow!

Maria: And you are?

Another Madea clutched her head and groaned.

She reverted back and it was a girl with blue hair and blue clothes and neon blue angel wings.

Me: (GASP) Maria Madea!

Qin: Oh man!

Maria Madea: (GRUNTS) Help me J.D.! Help me! I can't control this power!

Maria: What a coincidence. My first name is Maria as well.

Me: Maria hold on.

Maria: I got this!

She flew and teleported and chanted an incantation and out came a blue Wonder Ride Book. It was called THE ILLUSIONS OF THE SIREN'S SONG!

She picked up Maria Madea and brought her over and Varie looked her over.

Varie: She'll be all right.

Qin: Good.

Maria: That was awesome though.

Eli: The one before Another Captain Boomerang is a Sailor Soldier.

Qin: I have a feeling this one will be interesting.

Nico: Who's next?

Laney: I have a feeling I will like this one. So I'll face her.

Nico: Okay.

Then a fairy came out and it was a beautiful one.

Qin: Wow.

Laney: A beautiful fairy.

But the fairy was a dark version of Crysta.

Another Crysta: (In a girls voice) But I am not like Crysta actually.

Me: (GASP) That voice.

She flew and reverted back and it was a sailor soldier that had pink hair and green clothes.

Me: (GASP) Fiona FernGully A.K.A. Sailor FernGully.

Nico: WHOA! FernGully's Sailor Soldier!

Laney: WOW! I'm glad I made the right call facing you.

Sailor FernGully: You sure did. And I heard that you guys all destroyed Hexxus twice. Thank you all.

Me: You're welcome Fiona. That was so fun and cool.

Nico: We did the environment a favor in destroying him.

Me: More than that, we saved the whole planet from his wrath.

Laney: We sure did.

Sailor FernGully: I'm so glad. Also it was awesome that you all restored the forest like that.

Xenia: That was amazing when we heard that.

Lola: Yeah it sure was.

Me: Hexxus got what was coming to him. Thank goodness.

Sailor FernGully: It's good he did.

Me: Yep. Any other opponents with you?

Sailor FernGully: Actually yes. Another version of him.

She pointed to Captain Boomerang.

Captain Boomerang: Another version of me mates? Crikey!

Qin: Oh boy.

Me: Friendly or hostile?

Sailor FernGully: Friendly. But this one speaks really highly of you J.D.

Me: I have a feeling it will be interesting.

Nico: Yep.

Laney: Lets do it.

She turned into Another Crysta and She fired waves of energy and smashed her down and I caught the Wonder Ride Book. It was called Fairies of Dark Nature. It glowed and turned into a new book called THE NATURE FAIRIES OF LIFE!

I went over and brought her over.

Maria: Time to summon backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) 6 OF FIRE!

Loki, Quakemon, Asmodeus, Princess Igam, Canis Major Zodiarts, and Brown Cowls along with Vypra, Diabolico, Jinxer, Fireor, Whirlin, Quakemon, Falkar and Freezard!

Nico: Awesome!

Lincoln: Cool!

Vypra: Awesome team huh.

Nico: Yep.

Vypra: Good luck convincing Brainy to come back to the Legion, J.D. You're gonna need it.

Me: It will be well worth the challenge and the effort.

Qin: Besides, he did nothing to deserve that.

Nico: Yeah.

Lola: Yep.

Me: Besides Brainiac 5 is going to come back.

Xenia: We'll do our best to help him out.

Vypra: I know you can do it.

Then we heard something.

Nico: You guys hear something?

Me: INCOMING!

We saw a boomerang coming!

Me: DIVE ASIDE!

We dove aside and it hit the ground by us and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded!

Qin: WHOA!

Nico: Powerful!

Then we saw a figure and it was a dark version of Captain Boomerang! It was ANOTHER CAPTAIN BOOMERANG!

Me: Whoa! Another Captain Boomerang!

Xenia: This one has deadly boomerangs.

Another Captain Boomerang: (In a girls voice) (Australian Accent) Sorry about that mates. But it was great doing that.

Me: Shazza Arthur A.K.A. Sailor Australia!

Nico: WHOA!

Me: This is for the world of Ty the Tasmanian Tiger. Shazza is a member of Bush Rescue and has been in battle with Boss Cass ever since. Also she made it her mission to hunt him down and bring him to justice. She like Ty, is a master of using Boomerangs of many kinds.

Another Captain Boomerang: That's right mate. But it's great to see you again J.D.

Me: Same here Shazza.

Kaito: (gets out Gokaiger gear) Did Swartz promise you anything?

Zocks: (gets out Go Busters gear) Because we can grant it instead.

Kaito got a Super Megaforce Blaster and sword and Zocks got a Beast Morpher Sword.

Another Captain Boomerang: Just to help me bring Boss Cass to justice.

Me: Well it's a bit too late for that. We beat you to the punch on that one.

Qin: Yeah we destroyed him. He was going to keep coming back for more.

Lola: But he is gone forever.

Another Captain Boomerang: Well that's good he is gone mates.

Me: He is. Also Swartz was given the Black Gates for his crimes.

Another Captain Boomerang: Thank goodness.

Me: Sorry we have to fight like this Shazza.

Another Captain Boomerang: No worries mate. Come at me and don't hold back.

Me: That we can do.

Sougo: (gets out Super Megaforce Ridewatch) Ty will love meeting you.

Geiz: (gets out Beast Morphers Ridewatch) He sure will.

Sougo got SuperMegaforceRedArmor while Geiz got RedBeastMorpherArmor.

Me: This will be fun.

Captain Boomerang: I got some fun toys too mates.

He threw boomerangs and they hit her and smashed her down.

Nico: Lets kick this off mates! (ACTIVATES CAPTAIN BOOMERANG'S RIDEWATCH!)

He threw boomerangs and smashed her down.

Meg: Try this one on. (ACTIVATES YOST DOMINO'S RIDEWATCH)

She fired waves of energy and smashed her down.

Nico: Nice one! Now for me. (ACTIVATES YOST DOMINO'S RIDEWATCH)

He did the same thing.

May: Time for Negative 10 Power. (ACTIVATES UNIVERSE 666 NEGATIVE 10'S RIDEWATCH)

She fired 10 blasts of energy and smashed her down.

May: I HAVE HAD IT WITH YOU GUYS GETTING IN MY WAY! (ACTIVATES CRANKY WIZARD'S RIDEWATCH)

She fired waves of magic and blasted her down.

Me: I hope that didn't turn her into a chicken.

May: It didn't.

Maria: This one will scratch you up! (ACTIVATES CATMAN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: And this one too. (ACTIVATES GIRAFFA UN!DEAD'S RIDEWATCH)

She fired waves of energy and smashed her down!

Boomerang and his team consisting of Evil Wood Man, Mesmeralda, Asbestos Woman, So Yaguruma and Queen Bee Deadman came.

Nico: Nice team, Boomerang!

Boomerang: (Australian Accent) It sure is awesome.

Me: And Victoria Murdock A.K.A. Asbestos Woman. We haven't met you or faced you yet.

Asbestos Woman: This is the first time we met though. But it's awesome too.

Nico: Yep.

We fired waves of energy and smashed Another Captain Boomerang all over.

So: Just so you know, my Another Kabuto form is seperate from me.

Me: I had a feeling. Good.

Nico: Yeah no kidding.

Lola: But at least we're not fighting that one.

Maria: Is the next Gene Slammer near?

Nico: I have a feeling they are.

Then a roar was heard and then out came 3 figures! They were Raikou, Suicune and Entei!

Qin: WHOA! The Three Legendary Wolves!

Lola: Wow! Raikou, Entei and Suicune!

Me: Cool!

Suicune: (In a girls voice) Looks like the fun has started.

Raikou: (In a girls voice) It sure has.

Entei: (In a girls Voice) But we're ready.

Nico: The Lupin Sisters! I had a feeling it was you guys.

Entei: I know. We got this.

They fired waves of energy and smashed her down and I caught the ridewatch and purified it and then I went over and picked her up. Sailor Australia was a girl with blue hair and had red clothes on. I picked her up and brought her over.

Entei: Sorry we should introduce ourselves. My name is Moonbeam Lupin.

Suicune: I'm April Lupin.

Raikou: And I'm Luna Lupin.

Me: Awesome to meet you girls.

Meg: What are your favorite memories of Nico?

Suicune: Our favorites are when we made awesome chili in cooking class.

Raikou: We made it so spacy that it was really amazing.

Me: Cool!

Nico: Yeah everyone loved it.

Me: Neat. Lets get you girls back to normal.

I put on my blind man glasses and Nico pulled out 3 leotards. One red, one blue and one yellow and the boys covered their eyes and I snapped my fingers and they were reverting back. Moonbeam was a girl with red hair and red eyes, April was a girl with blue hair and blue eyes and Raikou was a girl with Yellow Hair and Yellow Eyes. Nico gave them the leotards and they groaned and put them on.

Moonbeam Lupin: (GROANS) That was crazy.

April Lupin: No kidding.

Luna Lupin: Yeah that hurt too.

Nico hugged them.

Nico: I've really missed you girls.

Moonbeam Lupin: We missed you too Nico.

April Lupin: Yeah.

Moonbeam Lupin: These leotards are tight though!

Nico: You'll get used to it.

We later went back home. And we told everyone our findings on Killjoy Huggins.

Then, Lincoln rushed at Mason Finnegan and pinned him to the ground, and then, he bit him hard on the neck and he sucked out all of Mason Finnegan's blood until the Team Rocket thug is nothing but a desiccated corpse drained of his life force. Then, Lincoln sent his soul to The Black Gates for good, we cheered as we holstered our weapons and powered down.

Nico: You know, I'll never know how you, Lucy, or the other vampires on the team always enjoy the taste of blood, whenever any of us use one of the Ride Watches for one of the vampire members of The Masters of Evil, it ends with us getting the metallic taste of the blood out with mouth-wash.

Lucy Loud: We always make sure to wash our mouths with mouth-wash after feeding on blood, and it also whitens our fangs even more.

Lincoln: Same with me, and we've gotten used to it over time, I did especially when I got turned into a vampire-werewolf hybrid, and it's not as bad as you think. And I can tell from his blood: Mason has been eating a ton of veggies and beef for seven years thinking he can bulk up in muscle to pound us, heh, fat chance. (To Aurora Leocadia) And it's so good to see you again, Aurora Leocadia.

Aurora Leocadia reverted back to normal, and she's a beautiful girl with long green hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful green angel wings and she reigned in the power of Weather Painter Aurora, she's dressed in a sleeveless green blouse, sleeveless green midriff top, green skirt, green pants, green knee-high high-heeled boots, and long white sleeveless trenchcoat with green lights, darkness, dusk, paints, and angels on the coattails and on the back is Weather Painter Aurora and holstered on her back is a massive Weather Painter Aurora-themed greatsword with embedded green gems and Weather Painter Aurora etched on the 7'0" massive, wide, double-edged blue blade, large Weather Painter Aurora heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Aurora heads and large blue gem on the bottom of the large Weather Painter Aurora heads for the pommel.

Aurora Leocadia: You too, Lincoln, it's been such a long time.

Lincoln went up to Aurora Leocadia and he hugged her, and Aurora Leocadia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Aurora Leocadia: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Aurora Leocadia, she's my Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over darkness and the dusk and the green color of the spectrum, and she's also recognizable because of her green hair and massive and beautiful green angel wings. She, Laney, Nephele, Rayne, Morana, Althea, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Me: They painted some amazing paintings there, and they were really awesome.

Nico: Awesome.

Lincoln: And it gets even more awesome, Aurora Leocadia's also the daughter of Aurora, the Roman Goddess of Dawn.

Eli: Whoa!

Timmy Turner: And just like before, Aurora Leocadia is also my cousin, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates my parents for their constant stupidity for always leaving me alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and my other despicable enemies as well.

Aurora Leocadia: That's right. I can't believe that my aunt and uncle could be so stupid as to leave my own cousin at the hands of that demonic babysitter, even neglecting the fact that they have a son, and I want nothing more than to see those two put in jail for the rest of their… !

Timmy ran up to Aurora Leocadia and hugged her to cool her down, and she hugged him back.

Timmy Turner: I haven't even forgotten how much you hated my parents and despised Icky Vicky, Francis, Crocker, and my other enemies as well, Aurora. But, it's also good to see you again.

Aurora Leocadia: You too, Timmy, and you've really grown up a lot since last we met.

Lincoln: Timmy joined us over six years ago, and soon it'll be seven years to the day that he joined us, and he'll be seventeen soon. Plus, we also put that demonic babysitter in as humiliation fodder, threw Francis in prison, gave Crocker The Black Gates, and many of Timmy's other enemies are either in The Masters of Evil or sent to The Black Gates as well.

Aurora Leocadia: Awesome. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Aurora Leocadia: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Aurora Leocadia: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Aurora Leocadia, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aurora Leocadia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aurora Leocadia's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Aurora Leocadia: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aurora Leocadia.

Aurora Leocadia had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln who they were, he immediately recognized them. The six girls are Asuka from Burning Rival, Tsubame Hokkyoku and Mikado from Bushido Blade, and Nephra, Orion, and Juni from Cardinal Syn.

Lincoln: Oh wow, it's Asuka from Burning Rival, Tsubame Hokkyoku and Mikado from Bushido Blade, and Nephra, Orion, and Juni from Cardinal Syn.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tsubame Hokkyoku: Yes, we're okay, thanks to you.

Then, when Asuka and the other five girls saw who it was that saved them from that Team Rocket thug Mason Finnegan, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asuka, Tsubame Hokkyoku, Mikado, Nephra, Orion, and Juni with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an old enemy of The Galaxy Pokemon Heroes from seven years ago named Mason Finnegan, a sadistic thug who enjoyed terrorizing everyone for his own sick amusement, and even worse, Mason's also a member of Team Rocket, but Lincoln and The Galaxy Pokemon Heroes exposed his dirty secret to everyone in school, and they defeated Mason Finnegan, and not only was he expelled, but he was arrested for his crimes and he was sent to prison for life. But, seven years later, Mason Finnegan escaped from prison, and he wanted revenge on The Galaxy Pokemon Heroes.

But, when Lincoln showed what we all did in beating that thug down and Lincoln finishing him off by biting him on the neck and sucking out all his blood turning him into a desiccated corpse and finally sending his spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Aurora Leocadia have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so that bully you guys dealt with seven years ago when you guys were eleven was also a member of Team Rocket, jeez!

Lincoln: I know, it was shocking, but we made sure he paid the price that day when we exposed him in front of everyone and got him expelled, arrested, and sent to prison for life.

Nico: But, then, seven years later, he broke out and wanted revenge, but he eventually paid the price when Lincoln drained him dry of his blood.

Me: And got sent to The Black Gates for good, and he suffered the same fate that befell Team Rocket.

---

After putting an end to Team Rocket agent and thug Mason Finnegan, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aurora Leocadia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aurora Leocadia: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aurora Leocadia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Aurora Leocadia: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, Carla Hida, and Aurora Leocadia, what memories did you have with Lincoln?

Haruhi Kamiya: Oh, we have one that we still remember to this day, and it involved an attack by that control freak, Lori, that sore loser, Lynn, that blackmailing pageant demon, Lola, that heartless mad scientist, Lisa, and that homicidal deranged prankster, Luan. One day, Lincoln was with me, Jenna, Kaze, Irene, Mariah, Judy, Kari, Darla, Yuria, and Carla, and we were doing some workouts at our gym, and the rest of Lincoln's Guardian Angels were also with us and keeping an eye out for trouble.

Jenna Ishida: But, then, we heard the sound of a thunderous loud burp in the air, and there was only one person who could do something like that: Lynn, and then, we heard deranged laughter, followed by the sound of three banshee screams, and we knew Lynn wasn't alone, she also had Lori, Luan, Lola, and Lisa with her, and they wanted Lincoln's head once again, along with ours.

Kaze Takenouchi: Then, the doors burst open, and we saw the five hated Loud Sisters with red eyes filled with insane rage and hatred, and even worse, they had knives in hand. We knew they've now gone to resorting to try and stabbing Lincoln again, fat chance of that since Lincoln's a vampire-werewolf hybrid, so we put down the weights and we went after those five brats again as Lincoln fired blasts of fire which melted their knives, Lola, Lisa, and Luan tried to attack first, but Lincoln grabbed Lola and Lisa and he head bonked their heads with Luan's head in the middle and he knocked those three out.

Irene Izumi: But, then came our two big challenges: Lori who was incredibly dangerous when her already dangerously violent temper is at its peak, and Lynn who was an aggressive, bad-tempered monster and she acts like an animal. But, before any of us could do so, Lynn just ran at Lincoln yet again and tried to beat him to death, but he grabbed Lynn's fists in his hands, and Lynn tried to kick him in the crotch, but he tightened his grip on Lynn's fists and made her fall to her knees, then he'd thrown a sharp right hook and knocked that animal down, and finally, Lori was left, and she ran right at Lincoln with hatred in her heart, but Lincoln stood his ground and punched her in the stomach and he made her fall down to the floor.

Mariah Tachikawa: We were really impressed by Lincoln's rapidly developing and impressive immense upper-body and lower-body strength, and then, Lincoln fired red energy beams from his white angel wings and hands which turned into ropes and tied those five up. Then, we called Luna, and when that happened, she ran down there along with the rest of the Louds, and she was big-time mad at those five once again. But, Lincoln explained everything, and Nicholette Torrington showed the video clip of what Lincoln did to those five, and they were stunned. Luna said that Lincoln's like a dominant alpha male, and the way he stood his ground to defend his ladies, and we were blushing like mad.

Judy Kido: And so was Lincoln, that Luna sure knows how to tease us and her little bro. But, after we told and showed them what Lincoln did to stop Lori, Lynn, Lola, Lisa, and Luan, everyone cheered for Lincoln and they were proud of him for standing up for his Guardian Angels yet again, and for taking down Lori, Lynn, Lola, Lisa, and Luan. And as a result, Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they got sent to Aunt Ruth's during that time.

Leni: Having to deal with Aunt Ruth for fifteen weeks, that was a nightmare for those five, but they deserved it, if they were going to try and kill our brother, that's going to be the result of their horrible behavior.

Aurora Leocadia: Indeed, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, Morana, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Rome to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired darkness and green energy blasts at them and they got blinded by darkness and hit with the energy blasts, then, we pounced on and attacked them all with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Aurora Leocadia: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, Nephele, Morana, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for nine months months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, Rayne, Morana, and Aurora, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and we still questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy.

Girl Jordan: And a total big fat jerk to Linky.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

We got a shower, and then, Lincoln, Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Alexa: Wow, so this is Spa Island, awesome.

Lincoln: Luffy and his friends have been here before, but this is our first time coming here, Alexa. Plus, I found out there's some Gene-Slammers here. Shall we?

Lincoln, Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel dived into the swimming pool and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they also went on the waterslides, plus, they went to the Cola Baths for a massage and relaxation, and Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

?: (Wolf Whistles) Looks like our favorite white-haired handsome hunk's still been hitting the gym like crazy, look at those abnormally massive and powerful upper and lower body muscles and eight-pack abs really hard at work.

?: Along with those thirteen massive and long white wolf tails, and you changed your swimwear, and you look even more sexier in a speedo. Rawr!

Suddenly, Lincoln, Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel saw T-Rox, Clamble, Bowgart, Pummel, Congle, Spunge, Thumpies, PomPom, Scups, and Reedling appear before them.

Lincoln: (Gasps) Those voices, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate of The Rainbow Treasure Pirates, I knew it was you girls, it's so good to see you all again.

Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate reverted back to normal, and they're ten beautiful girls with long hair, eyes, and massive and beautiful angel wings in the colors of the monsters they were Gene-Slammed into, they were 6'5" in height and had the bodies of goddesses, and they're dressed in colored two piece bikinis, sandals, and long white sleeveless trenchcoats with elemental forces and creatures on the coattails and on the backs are the creatures they were Gene-Slammed into, and holstered on their backs are T-Rox, Clamble, Bowgart, Pummel, Congle, Spunge, Thumpies, PomPom, Scups, and Reedling-themed greatswords.

Monkey D. Luna: You too, Lincoln, it's been such a long time, Lincoln "Jack-Of-All-Trades" Loud.

Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate went up to Lincoln, who hugged each of them, and Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you ten since you were six, and as you can see, I really grew a lot since then.

Monkey D. Luna: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute six-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Derpy Hooves: I knew it, they must be more of your Guardian Angels, Lincoln. But, who are they? And why did one of them call you Lincoln "Jack-Of-All-Trades" Loud?

Then, we suddenly appeared.

Me: And why are they somehow familiar to Luffy and his Straw Hat Pirate crew?

Nico: Oh we're in for one huge story.

Lincoln: You sure are. Everyone, meet The Rainbow Treasure Pirates, we're a group of pirates who, like the Straw Hat Pirates, love to visit other places as well getting treasure and we're thieves with honor and would only steal from dirtbags such as Flip, and will gladly take down any dirtbag who would hurt any innocent people. They moved to Michigan when they're 6 years old, and I'm one of the members of The Rainbow Treasure Pirates as Lincoln "Jack of All Trades" Loud due to the skills I learned from my Guardian Angels, especially cooking from Dad.

Nico: Whoa!

Lincoln: And we even journeyed through the Grand Line several times. We also love to swim, hence the bikinis the girls wear through the sea with the exception being cold places. I made the symbol of the Rainbow Treasure Pirates and put it onto their bikinis, and to show thanks, each member kissed me on the lips while underwater, and they hate the jerks with a passion.

Me: That's so awesome, so you guys have your own pirate crew like The Straw Hat Pirates, and you are also thieves with honor, meaning you steal from dirtbags.

Nico: Specifically Flip, since he's the only dirtbag who'd stolen and conned anyone of their money, and you'll also take down those said dirtbags who dare to hurt the innocent, awesome.

Lincoln: Yep, and now, for the introductions.

Monkey D. Luna: Why don't you do them this time, Lincoln?

Lincoln: You got it. The first Rainbow Treasure Pirate is Monkey D. Luna, Gene-Slammer of T-Rox, she's my Guardian Angel from Japan and classmate in English, and she's also the Captain of The Rainbow Treasure Pirates. She and I watched Luffy's adventures ever since we were twelve years old, and ever since, we were inspired to become pirates. I even made Luna a beautiful rainbow straw hat, and to show thanks, she kissed me on the lips while underwater. Plus, she's the twin sister of Monkey D. Luffy, and she hates Flip with a passion.

Eli: Whoa, I had no idea, Luffy had a twin sister, that's so awesome!

Nico: Really awesome, oh, they're so in for a huge reunion when you guys come back.

Lincoln: They sure are, now to continue. The second Rainbow Treasure Pirate is Zaria Roronoa, Gene-Slammer of Clamble, she's my Guardian Angel from Hawaii and classmate in Gym, and she's known as The Deadly Swordswoman of The Rainbow Treasure Pirates. She and I often trained in using many swords, and Zaria even learned to dual wield as well. I also made Zaria beautiful and durable swords, and to show thanks, she kissed me on the lips while underwater. She's also the cousin of Zoro Roronoa, and she hates Scoots with a passion.

Me: Awesome.

Lincoln: The third Rainbow Treasure Pirate is Mina Stormbringer, Gene-Slammer of Bowgart, she's my Guardian Angel from New York and classmate in Gym, she's known as The Navigator of The Rainbow Treasure Pirates and is one of the best wielders of weather powers. She and I studied the weather to prepare the crew for the journeys, and we even made a sea chart that shows the Grand Line and the places they've been. I made Mina a map that shows all the places in the world, and to show thanks, she kissed me on the lips while underwater. She's also the cousin of Nami, and she hates Lila Rossi with a passion.

Nico: Nice, it's always important to stay prepared when going out to sea, especially with the weather.

Me: And along with dealing with rough waters.

Lincoln: The fourth Rainbow Treasure Pirate is Usagi Snipblast, Gene-Slammer of Pummel, she's my Guardian Angel from Minnesota and classmate in Art, and she's known as The Sniper of The Rainbow Treasure Pirates and one of the best snipers as well. She and I would do target practice together and we also went fishing together. I made Usagi a slingshot capable of fire up to 10,000 feet, and to show thanks, she kissed me on the lips while underwater, and she hates Lewis Travolta with a passion, and she's not related to any of the Straw Hat Pirates.

Nico: Buzzkill.

Lincoln: The fifth Rainbow Treasure Pirate is Saria Vinsmoke, Gene-Slammer of Congle, she's my Guardian Angel from Florida and classmate in Cooking, and she's known as The Master Chef of The Rainbow Treasure Pirates and also known as Pink Leg Saria, because her favorite color is pink. She and I made the crew delicious foods and we even helped the poor people as well. I made Saria beautiful pink cooking pans and pots, and to show thanks, she kissed me on the lips while underwater and she hates Bubble Bass with a passion, and she's also not related to any of the Straw Hat Pirates.

Me: Double buzzkill.

Lincoln: The sixth Rainbow Treasure Pirate is Mylene Risqueboots, Gene-Slammer of Spunge, she's my Guardian Angel from New York and classmate in Science, and she's the Medic of the Rainbow Treasure Pirates. She and I helped heal injured crew members and we even helped injured people along the way. I made Mylene a giant medic box full of medical supplies, and to show thanks, she kissed me on the lips while underwater. She's also the cousin of one of my future wives, Risky Boots, and she hates Icky Vicky with a passion.

Nico: Whoa, I had no idea Risky Boots is her cousin.

Lincoln: She only told me about her cousin long ago. The seventh Rainbow Treasure Pirate is Nico Relena, Gene-Slammer of

Thumpies, she's my Guardian Angel from Japan and classmate in Math, and she's the archeologist of The Rainbow Treasure Pirates. She and I studied various ancient ruins throughout our journeys, and I even made her a giant journal so that she can keep track of all the findings. To show thanks, she kissed me on the lips while underwater. She's also the sister of Nico Robin, and she hates the Wet Bandits with a passion.

Nico: And I don't blame her for hating them, those morons were nothing but incompetent thieves who are out for their next score.

Lincoln: But, now they're out of the business and they're our humiliation fodder forever. The eighth Rainbow Treasure Pirate is Lili Nefertari, Gene-Slammer of PomPom, she's my Guardian Angel from Egypt and classmate in Cooking, and she's known as the Shipwright of The Rainbow Treasure Pirates. She and I built the ship for The Rainbow Treasure Pirates which we dubbed Beautiful Rainbow Merry, which is said to have to sailed throughout the world multiple times. I made Lili a giant tool chest to help maintain the ship, and to show thanks, she kissed me on the lips. She's also the twin sister of one of my future wives, Vivi Nefertari, and she hates Al Bundy with a passion. Plus, like Vivi, she also has rainbow angel wings.

Nico: Awesome.

Lincoln: The ninth Rainbow Treasure Pirate is Soul Princess Brenda Songsoul, Gene-Slammer of Scups, she's my Guardian Angel from Iowa and classmate in Music, and she's the Musician of The Rainbow Treasure Pirates. She and I would play music for the crew and play music for charity. I also made Brenda a massive collection of musical instruments, and to show thanks, she kissed me on the lips underwater. She's also the granddaughter of Brook, and she hates NO MA'AM with a passion.

Luna: Yeah, every pirate crew needs a musician to liven things up, and I've heard her and Lincoln play, they're so awesome.

Lincoln: And the tenth Rainbow Treasure Pirate is Jenbay Fishkarate, Gene-Slammer of Reedling, she's my Guardian Angel from Michigan and classmate in Gym, and she's known as the

Helmsman of The Rainbow Treasure Pirates. She and I would often steer the Beautiful Rainbow Merry to even the dangerous places unharmed, and Jenbay is also a master of Fish-Man Karate. I made Jenbay a beautiful necklace and bracelet of her favorite colors, and to show thanks, she kissed me on the lips while underwater. She's also the sister of Jimbei, and she hates Trina Riffins with a passion.

Nico: Whoa, now that's really, really incredible.

Lincoln: Yep, we did a lot in our adventures, and we saw a lot of places around the world and put a stop to our resident jerks and dirtbags more than once. Now, then, there's also another thing to attend to.

Lincoln went up to each member of The Rainbow Treasure Pirates, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Monkey D. Luna: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Monkey D. Luna: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate.

Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it.

Nico: Looks like we got some awesome new members to the Straw Hats Pirates branch of the team. See you guys back home.

We took our leave while Lincoln and the girls continued with their date, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Derpy Hooves, Alexa, Arcade Star Dahlia, Fennel, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate, and they hugged the girls in their abnormally massive and powerful muscular arms, and Derpy Hooves, Alexa, Arcade Star Dahlia, Fennel, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lori: (Snickers) Looks like someone's enjoyed their beach date at Spa Island, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Derpy Hooves, Alexa, Arcade Star Dahlia, and Fennel had the hots for Lincoln, and we also met Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, and Jenbay Fishkarate, who are members of a group of pirates like The Straw Hats Pirates, and Lincoln's also a member of said group.

Lincoln: That's right, and you also told Luffy and his crew about them, right.

Ranamon: We sure did, Linky, and that's yet another thing that no one else knew about you, which makes you something even more interesting as we hear many more things about you day by day, along with the accomplishments you've done.

Lily the Mermaid: Indeed. Of course, whenever we hear more interesting things about you, that also makes you even more of an interesting person.

The girls in Lincoln's harem piled on, and they covered his face and massive muscular upper body and eight-pack abs in kisses, and as they got off, Lincoln was on the floor with a beyond lovestruck look on his face with atomic red blush, and steam whistling out of his ears, and then, he got back up.

Nicole: Ooh, hubba, hubba!

Lincoln: (Even In Heaven) That… was… really… awesome!

---

Later it was time for Nerissa's first ever mission and it was gonna be awesome.

Nico: This is gonna be awesome meeting the Legion of Superherioes.

Me: I have a feeling this is gonna be awesome.

William: Anyone else want to go with Nerissa? Besides Jack Landors and 1 Rabbid?

Me: Sure thing.

Legion Superman: Are the other me's part of your team too?

Me: Yep. Justice Lord Superman is in the Redemption Squad and the Neo Gotham City Superman is too as well as the Prime Universe version of Superman.

Nico: Yep.

We arrived at the base.

Bouncing Boy: Wow! Team Loud Phoenix Storm!

Me: Hello everyone.

Eli: Awesome to meet you guys.

Triplicate Girl: Wow it's truly an honor to have you all here!

Phantom Girl: Dream Girl awesome to see you.

Dream Girl: It's great to be home.

Me: Thanks for sending Nura to us.

Phantom Girl: It's no problem.

Lincoln: We heard about everything that happened from Mekt and that was awful.

Chameleon Boy: You guys did awesome destroying Lex Luthor.

Timber Wolf: That was probably for the best too. He might've been destroyed last year by you guys in your time. But in this time, he's been dead for centuries.

Me: Good riddance. But yeah.

Nerissa: We're glad Lex is dead.

Nico: So is everyone on the team.

Legion Superman: Yeah thank goodness. But his descendant Alexis is in prison now.

Me: We were told by Mekt that his descendant is her. She would make an awesome addition to the M.O.E.

Nico: I agree. Same with the Fatal Five.

Me: Don't worry they are not our primary target here for the big day mission.

Bouncing Boy: Who is the primary target for that day on what day?

Me: We're projecting April 7th. And our primary target is Brainiac, Brainy's ancestor.

Lightning Lad: And can you guys honestly believe the crap they're saying about you guys being the kids of Luthor and the Joker? What's next? Captain America serving those Hydra guys?

Saturn Girl: It's not funny, Garth! What if someone takes those rumors seriously?!

Cosmic Boy: I hate to agree with Lightning Lad for once. But he's right. By now, those said rumors are believed to be hoaxes.

Me: We don't buy those rumors one bit guys. But no way we will ever believe them.

Nico: No way in hell are we like them.

Lincoln: Besides we found out that it was Dark Orbs inside us that were doing all that. But now we are permanently free of them.

Eli: Thank goodness.

Saturn Girl: That's great news.

Cosmic Boy: I'm glad.

Me: By the way Garth, we're so sorry about what happened to your sister Ayla. But we're very happy for you to have her back.

Lightning Lad: Thanks J.D.

Me: You're welcome. Also that artificial arm is really cool.

Lightning Lad: I think so too.

Me: Mekt is now in our frenemies in the Masters of Evil.

Nico: He sure is. We met on my first ever rescue.

Lola: And that was fun.

Lightning Lad: I guess that answers the question of where Mekt has been for the last year.

Lori: You literally don't mind the loss of your real arm?

Lightning Lad: Hey, Yang might have been depressed the first few weeks after she lost HER arm thanks to Adam Taurus. But I don't mind this replacement. It was given to me by-

He paused as he realized who he was about to refer to.

Me: Brainiac 5. You guys really miss him don't you?

Triplicate Girl: We sure do.

Me: I'm sorry about what happened to you guys. You have our deepest condolences.

Laney: Yeah we were told about everything from Mekt and we're really sorry about it.

Cosmic Boy: I know.

Lightning Lad: (to Cosmic Boy) You know, you can pretend like nothing happened. But whether you want to deny it or not, Brainy's gone and he's never coming back! But to be honest, to you, it's probably the best thing that's ever happened.

Cosmic Boy: Do you really think I don't miss him? Because I do! I've learned from my mistakes ever since the incident were Timber Wolf got framed! But Brainy coming back to the team isn't up to me. He has to decide that on his own!

Me: Okay guys calm down. We can help you guys bring back Brainy. One thing that we have learned over the years is that Friends always support each other. Brainy may have done some really bad things in the past that caused him to leave you all, but like it or not, he redeemed himself in the end. But there's another thing that friends do and that is always have your back.

Nico: And are always there to guide and help you.

Eli: And right now we need to find him and bring him back.

Laney: That's right.

Nerissa: I learned from my mistakes. I was one of Team Loud Phoenix Storm's enemies before. Now I'm redeemed thanks to them.

Cassidy: And we are all back together.

Cosmic Boy: You're right guys. I'm sorry.

Me: No worries Rokk.

Cosmic Boy: How do you guys know our real names?

Me: Superhero and Supervillain Identities are pretty much squat in our universe.

Lincoln: We read all sorts of comics and books and learned a lot of their real names.

Lightning Lad: I can tell.

The Rabbid gibbered.

Jack Landors: (sighs) And this is a Rabbid.

Saturn Girl: Aww he is so cute.

Me: He sure is. But they aren't the brightest lightbulbs in the closet if you know what I mean.

Lana: Yeah but they are funny too.

Eddy: They sure are.

Kevin: We all do.

Legion Superman: (sees Rabbid about to lick an electrical socket) No! Don't lick that!

The Rabbid blew a raspberry at him and licked the socket.

ZZZZZZZAAAAAAAAAAAAAAPPPPPPPP!

He was puffed up.

Me: See what I mean?

Legion Superman: Oh so they are really stupid.

Me: Yeah but they are great for comedy and laughter.

Nico: (LAUGHS) Yeah it's funny.

Me: By the way Kal, we heard that you now have Krypton back. Are you happy about that?

Legion Superman: I do?

Me: Brainy erased your memory. No worries. (SNAPS FINGERS)

I snapped my fingers and he remembered.

Legion Superman: Whoa. I do have Krypton back!

Me: Blame the original Brainiac for it.

Legion Superman: I remember. But I know now that Brainy is NOT like his ancestor.

Me: Never has been and never will be.

Phantom Girl: If we knew where he is, we can get him back.

Eli: Leave that to me.

Eli concentrated and then he found him.

Eli: Found him! He's on the planet Odym.

Me: The Blue Lanterns homeworld.

Nico: Oh wow.

Legion Superman: What are we waiting for then? We've got a friend to get back.

Me: I can get us there. Hold on tight.

Everyone gathered and I used Instant Transmission and teleported us to Odym.

We were then at Odym.

Bouncing Boy: WHOA!

Phantom Girl: Wow that was fast!

Me: Sorry guys. Instant Transmission is a very fast way to get to places. My master Goku taught it to me.

Nico: Yeah we'll tell you later.

Eli: I sense him on that cliff.

We saw the cliff and flew up to it and we saw Brainiac 5.

Me: Brainiac 5.

Brainiac 5: You guys must be Team Loud Phoenix Storm.

Me: That's right and it's awesome to meet you.

Nico: Same here.

Legion Superman: Brainy we missed having you around.

Brainiac 5: I missed you guys too. But I just can't go back.

Me: Brainy what happened to you is not your fault. That was your ancestor doing all that against your will. You are better than he ever was. Because he lacked one thing that makes you much better than him and that is a heart.

Kevin: Kinda expecting you to get a job somewhere.

Brainiac 5: Hard to do when everyone remembers you as the one who Brainiac controlled.

Me: Well if it makes you feel a little better, our prime universe version of your ancestor was given the Black Gates and is gone forever.

Brainiac 5: That does make me feel better. Thank you.

Me: You're welcome. But Brainiac listen, it was not your fault you did all that. Your ancestor did all that and made you do it against your will.

Nerissa: He's right. Many of us know what that was like.

Nico: Our friend Tara was turned evil by Slade Wilson and she did terrible things until Beast Boy and the Teen Titans saved her.

Lola: It's true.

Brainiac 5: Shouldn't you guys be killing an Evil Sasuke right now?

Bouncing Boy: (gets angry) You know what? Maybe we should! It's better then wasting our breath on a quitter after everything we've been through!

Lightning Lad: Hey, you might want to give up on Brainy! But I'm not!

Lynn: Besides, do you even know where to find an Evil Sasuke?

Nico: Guys stop. As much as we would like to do that we can't.

Me: He's right. Brainy as much as we would love to kill an evil Sasuke right now we can't. That's not the reason why we are here. We are here to help you get back with the Legion. You are a family member to them. Just like we have been family to Nura.

Dream Girl: That's right. I was sent to help Team Loud Phoenix Storm. And they taught me so much over the last few days.

Nico: That's right. And Brainy I once was in your shoes too.

Brainiac 5: You were?

Nico: I was. When my contingency plans that I made for in case we ended up like the Royal Defenders were turned against us by Talon and everyone thought I was a traitor, I left the team to find solace. But J.D. and everyone didn't give up on me! And when the 20 Days of Darkness came, J.D. and everyone didn't give up on me! They are true friends that they have helped me get through the darkest of times.

Nerissa: And I've been in your shoes as well.

Brainiac 5: Why? Were you mind controlled into trying to enslave humanity.

Nerissa: No. But I accidentally killed Cassidy and became evil after that. Does that qualify?

Me: It's true.

Brainiac 5: That's awful.

Will Vandom: This is what did it.

She held up the Heart of Candrakar.

Me: The power of the Heart was corrupting her. But I saved her from the darkness inside her.

Nico: Long story on that.

Me: Brainy listen. Many people that did terrible things before they redeemed themselves all have one thing in common and that is that they learned from their mistakes and learn from them so that they can never do it again. Because they have the one thing of so many people that helps make them healed.

Brainiac 5: What's that?

Me: Their forgiveness. And you were punished enough because of your ancestor.

Legion Superman: That's right. Because we forgive you for everything you did because of your ancestor.

Brainiac 5: You really mean that?

Legion Superman: Absolutely!

Cosmic Boy: We even kept your room to prove it.

Me: That's right. And your friends never gave up on you. Because they kept another thing too. Hope.

Nico: That's right.

Brainiac 5 them smiled.

Brainiac 5: You're right guys! I can't believe I let what my ancestor did to me haunt me and hurt me so easily. I was so hurt by the guilt that I did stupid stuff. I'm sorry I left you guys.

Legion Superman: It's all right Brainy.

Me: It's not too late for you to come back.

Brainiac 5: I will do it!

Me: Awesome.

Legion Superman and Brainiac 5 shook hands.

Legion Superman: Welcome back Brainy.

Lightning Lad: (to us) This is probably the easiest Ambassador mission you guys have been on.

Nazz: Yeah, don't count on it.

Me: Lets not get ahead of ourselves Garth. This was only the beginning. This was phase 1.

Nico: Yep.

Me: Oh guys I forgot to tell you, just a forewarning, there's a dark side of Eddy here that is going to come after you guys to kill you.

Eddy: It's true.

Me: We call him Dark Eddy.

We told them what happened and more.

Timber Wolf: Great. Now, in addition to one of our enemies, we got a crazy gun wielding asshole to deal with.

Me: That's right.

Nico: But I put a curse on Dark Eddy. After 24 times on the first missions of the first half of the year, he will be banished to the black gates.

Timber Wolf: Wow.

Lola: Yep.

Me: This will be number 13.

Brainiac 5: We can worry about him later. I can't wait to see everyone else on the Legion again.

?: Apologies, Brainiac 5.

Alexis Luthor came out of the shadows.

Alexis Luthor: But I regret to inform you that you're not gonna live long enough to see the rest of your precious Legionnares ever again. (takes out laser blaster)

Brainy got shocked as she began charging her blaster.

She fired and Eli used his Lightsaber to deflect the blast back and it hit the ground by her and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We saw ALEXIS LUTHOR!

---

Alexis Luthor is a character from Legion of Super-Heroes and originally a friend of Superman, though she was always spoiled and selfish.

She would only turn antagonistic after Superman began to try and break ties with her in order to help the Legion deal with supervillains, unwilling to stand by and let Superman be a hero Alexis decided to "get rid of the competition" by attacking the Legion with the aid of her hi-technology and even attempted to kill Superman after he rejected her once again.

Yet in the explosion caused by her failed attempts to damage Superman her hair fell off (a subtle reference to the Golden Age origin of Lex Luthor's baldness) and she blamed Superman for her humiliation - as well as her subsequent imprisonment for her crimes.

When last Alexis was seen she was still in prison and clearly still holding a grudge against Superman, despite him having done everything he could to reason with her. Alexis was supposed to have a role in the second season working for Imperiex alongside Lightning Lord, ultimately redeeming herself by betraying him and helping to defeat him, earning her a high political position. However, the WB Network wanted fewer female characters on the show, and as a result this plan was scrapped.

---

Me: Alexis Luthor, I presume?

Alexis Luthor: J.D. Knudson and Team Loud Phoenix Storm. I have heard so many amazing things about you. Your reputations precede you.

Me: So we have heard. Your ancestor gave us a helluva bunch of NUMEROUS headaches in the Prime Universe.

Jack Landors: SPD Emergency!

Jack transformed!

Jack Landors: 1 SPD Red!

Nico: At least you didn't inherit your ancestors baldness.

Alexis Luthor: Very funny. But true.

Me: I can definitely sense that you are not as cunning and manipulative as your ancestor was back in his days.

Laney: Yeah he really gave the Justice League and Superman a nasty bunch of battles and all that.

Eli: It's true.

Alexis Luthor fired another shot but we avoided it.

Alexis Luthor: There have been rumors saying that you all are the children of my ancestor and the Joker. And I don't like it. I'm the one who truly deserves the Luthor name. Not all of you!

She fired another shot that we avoided.

Alexis: AND HOW THE HELL COULD MY ANCESTOR AND THAT CLOWN HAVE CHILDREN IN THE FIRST PLACE?! IT'S COMPLETELY RIDICULOUS!

Nico: Hey, no argument from me. I agree with you on that last part!

Me: Same with me. You'll get no argument from me on that one. I don't buy that fucking load of bullshit there for even one second.

Saturn Girl: (to Lightning Lad) See? I told you some people would take those rumors seriously?!

Me: We have been called many things like that Imra. You get used to it. Besides we are not intimidated by it. Maybe if we were contaminated with dark orbs we would have taken that seriously. But not ever again.

Saturn Girl: I see.

Me: Besides Alexis, the Joker and your ancestor paid the ultimate price for their crimes.

I then saw something in the bushes behind Alexis and it had a blaster pointed at Alexis's back.

I got out my blaster and fired it and then it hit the bush and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A figure was blasted out and it was Dark Eddy!

Nico: I knew it was him.

Dark Eddy: Congrats, Brainy. You rejoined the Legion just to die. (fires a shot at him)

Timber Wolf: Get down! (tackles Brainy to safety)

Eli deflected the blast with his lightsaber and it hit Dark Eddy in his shoulder and blasted his arm.

Me: Alexis consider that a courtesy call.

Alexis Luthor: I guess I owe you for saving me on that one.

Nico: (to Alexis Luthor) You okay?

Alexis Luthor: (points blaster at Nico) Don't pretend to be sympathetic to me. You're all trying to steal my birthright. And that won't happen!

Nico: Hey, you want your birthright? You can have it! We don't want it!

Jack: (gets out Cad Bane's Fullbottle) You two want blaster fire? I'll give you blaster fire!

CAD BANE! FIREPOWER! BEST MATCH!

He fired waves of lasers and missiles and they hit Dark Eddy and Alexis all over.

Me: Besides you deserve much better than following in the evil footsteps of your ancestor. Unlike you he was a monster.

Nico: And then some.

Me: The monster was trying to tempt me with a time portal to go back in time and use the black gates on all evil. But you know what I did?

Alexis Luthor: What?

Me: I blasted him in his leg and told him to fuck off. That would have been taking the easy way out.

Dark Eddy kicked Timber Wolf to the ground.

Dark Eddy: Shame you're not human anymore. But tell you what? (puts blaster at Timber Wolf's head) I'll make the pain go away with one shot to the head.

Chameleon Boy: The Hell you will! (turns into a rhino and charges at Dark Eddy)

He smashed him down.

I fired my blaster and blew Dark Eddy's Hands off again!

He screamed in pain as his hands were burned clear off of him.

Me: Take that.

I took Dark Eddy's blaster and gave it to Leni.

Alexis Luthor tried blasting Nico but he avoided them each time.

Nico: (keeps avoiding the shots) You want to know what your ancestor was like? Fine. He wasn't someone to look up to! He didn't care about anyone but himself and he hurt countless people just to get what he wanted. In an alternate world, he killed the Flash and led to the Creatiion of the Justice Lords. In OUR world, he merged with Brainiac and tried ending the Earth and possibly the universe. And his final and most dangerous crime? Like mentioned before, he tried pressuring J.D. to end all evil with the Black Gates. All the while promising Lothor's demise!

Me: Geez, you're never letting that go, are you?

Cosmic Boy: To be fair, you DID show signs of being tempted on erasing all evil. But I don't blame you for that. (sighs) If I was in your shoes, I would've prevented Ferro Lad's death and stopped the Sun Eater another way. And I also would've helped our Superman talk Brainy out of leaving the first time.

Me: I would NEVER do that. Because I don't take the easy way out. Besides Ferro Lad can come back. (SNAPS FINGERS)

I snapped my fingers and then a light shined down and the singing of angels was heard and then out came Andrew Nolan A.K.A. Ferro Lad!

Ferro Lad: I'm back? But how?

Legion Superman: Ferro Lad! You're back!

Ferro Lad: I am.

Me: I resurrected you.

Ferro Lad: Wait you're…

Me: J.D. Knudson, Second in Command of Team Loud Phoenix Storm. I'll tell you all about it later. Right now we got two problems we need to deal with.

I fired waves of energy and blasted Dark Eddy all over.

Nazz: (to Dark Eddy) In respect to Lightning Lad's arm, we're not blasting your hands and arms off any further.

Lightning Lad: Thanks. But how about you guys do combos with each of us?

Nazz: You got it Garth.

Nazz and Lightning Lad: LIGHTNING FORCE OF COOLNESS!

They fired a massive blast of lightning and electrocuted him all over.

Rolf: Rolf wants to join in too!

Bouncing Boy: Lets do it!

Rolf and Bouncing Boy: THAT'S MY BOUNCING HORSE!

They formed into balls and smashed Dark Eddy with the force of a meteor!

Nico: NICE!

Lola: Take that!

Alexis Luthor: My ancestor was the greatest!

Me: Uh you need to wake up.

Lola: Look, we know that deep down, you're a good person. There's still hope for you. So, we're not gonna kill you.

Lori: Your ancestor is literally gone. You literally want to bring honor to the Luthor name? You literally got one shot. And you can literally start by joining the Masters of Evil. Don't let your ancestor win.

Legion Superman: But if you DO join the Masters of Evil, I prefer it if we just remain friends.

Me: That's right Alexis. Your ancestor was not only Superman's most greatest archnemesis, but he was also the most dangerous, most evil and most ruthless monster that ever lived. He didn't care about anyone.

Nico: No he didn't. He turned John Corben into Metallo after he put an incurable and 100% fatal virus in him.

Me: And that's just only ONE of his crimes. Your ancestor did NUMEROUS Atrocities.

I showed her a list of things he did and it was horrible! He did it all:

Genocide

Mass murder

Organized crime

Crimes against humanity

Terrorism

Assault

Conspiracy

Torture

Unethical experimentation

Smuggling

Brainwashing

Bribery

Innumerable property damage

Embezzlement

Slavery

Corruption

Kidnapping

Hacking

Prostitution

Felony escape

Slander

Incrimination

Sabotage

Fraud

Treason

Theft

Usurpation

Altering reality

Blackmail

Illegal dealings (drugs and weapons)

Abuse (physical, psychological, and of power)

Extortion

Vandalism

Pollution

Conning

Gambling

Animal cruelty

Hate crimes

Grand-theft-pastry

Countless other offences

And to rub more salt in the wound, I showed her the terrible things he did in the Prime Universe and more and how he did it. When it was done she was shocked and more! HER BIRTHRIGHT WAS AN ABSOLUTELY DANGEROUS AND EVIL ONE! LEX LUTHOR WAS PURE EVIL AND A MONSTER 1,000 TIMES WORSE THAN THE DEVIL!

Brainiac 5: Let me join in on the combos as well. I want to get back in the swing of things.

Sarah: Lets do it Brainy!

Sarah and Brainiac 5: COLU BRAINS FURY BLAST!

They fired waves of energy and blasted down Dark Eddy!

Kevin and Saturn Girl: SATURN FURY PSYCHIC BLAST!

They fired waves of psychic energy and smashed him into dust!

Alexis Luthor: I-I didn't know.

Nico: Hey, if it makes you feel better, the Lego version of your Ancestor is actually a nice guy. He even helped us kill Brainiac in our world.

Me: It's true. The Lego Version of Lex Luthor is funny too.

Will Vandom: All the Lego Counterparts of the heroes and villains are cool.

Nico: Yep.

Jonny 2x4: Me, Jimmy, and Plank want to go as well!

Timber Wolf: Wait. You're including that hunk of wood too?

Jonny 2x4: He's more than a Hunk of wood. He's my best friend.

Jonny 2x4 and Timber Wolf: NATURE FURY BLAST!

They fired waves of energy and blasted Dark Eddy all over and then he fell to the ground and a huge tree exploded in growth from his mouth and he inflated as foliage bloomed and then he flew out of the tree and Jonny dealt a powerful headbutt and sent him crashing into the tree.

Me: It's not too late Alexis. You can still cleanse the Luthor name by redeeming yourself and helping our frenemies in the Masters of Evil.

Laney: Yeah.

Alexis Luthor: You're really trusting me to bring honor back to the Luthor name after everything my ancestor tried to do to you guys?

Nico: Well, you AND Lena Luthor.

Me: Yeah.

Alexis Luthor thought about it.

Alexis Luthor: I'll do it!

Nico: Good choice.

Jimmy: Um… I hope I don't mess up with this combo.

Phantom Girl: You won't Jimmy.

Jimmy and Phantom Girl: PHANTOM JAWBREAKER PUNCH!

They punched Dark Eddy and smashed him hard into the ground.

Dark Eddy: (Dazed and stupid) Granddad you ran another stop sign.

Nerissa: (gets out Mandark's Fullbottle) You made the right choice, Alexis. But don't take this personally. This is just a way to close out our portion of this battle that involves fighting you.

MANDARK! DR. DIABLOS! BEST MATCH!

She fired a blast of energy and smashed her down.

Alexis was knocked down.

Me: Nice one! Now for Dark Eddy!

Eddy: Clark, after our combo, we'll let some… incoming backup deal with Dark Eddy.

Legion Superman: What do you mean?

Eddy: You'll see.

Eddy and Legion Superman: KRYPTON JUSTICE BLAST!

They fired a massive blast of energy and smashed him down.

Dark Eddy: Can things get any worse?

Eddy: (hears footsteps) For you? Fuck yes!

He looked behind him and saw a Blissey.

Blissey: (In a girls voice) Hello and goodbye.

She used psychic power and then sent him flying back into the Book of Vile Darkness dimension.

Nico: Take that.

Me: Hey a Blissey. Awesome.

Brainiac 5: Guys thank you so much for helping me get back with my true friends.

Me: Not a problem Brainy.

Saturn Girl: I can sense a human brain pattern in the Blissey.

Me: That's because it's a gene-slammer.

Blissey: I sure am.

Nico: Carrie Turrington? Whoa!

Lola: Boy Jessie is gonna love meeting you. She knew a Blissey long ago.

Nico: It's true.

Me: What's your favorite memory of Nico?

Blissey: My favorite is when me and Nico went to the local hospital and I read stories to all the sick kids there and Nico gave them all rings to help them get better.

Nico: That was awesome.

Me: That's really cool. Lets get you back to normal.

I put on my blind man glasses.

Eli: The boys may want to cover their eyes. Bros daughter Nicole will come and pulverize you if you don't.

Bouncing Boy: Naked underneath?

Me: Yep.

Nico got out a pink Leotard and I snapped my fingers and she reverted back. She was a girl with pink hair and had pink eyes.

She was given the leotard and she put it on and got up.

Carrie Turrington: (GROANS) That was brutal. But it's good I'm back to normal.

Nico: It sure is.

Nico and Carrie hugged.

Nico: I've really missed you.

Carrie Turrington: Me too Nico. Me too.

Later we were back on Earth and sure enough, Nico was in front of the entire Legion of Superheroes roster. Including Ferro Lad abd Brainiac 5. Legion of Superman presented Nico with a Legion Flight Ring, which Nico accepted.

Nico: To the Legion of Super-Heroes, I make this solemn pledge: to use my powers for good. To fight for justice and protect the innocent. To aid my fellow Legionnaires in times of peril and to keep their secrets safe. I am… Nico Chan! (raises hand with ring up high) Long live the Legion!

Legion of Superheroes: LONG LIVE THE LEGION!

We cheered!

Me: But we all are happy we're in the legion.

We later went back.

May: Hey guys!

Nico: We had a really fun time.

Me: Nerissa did great on her first ever mission.

May: Did you guys succeed in bringing back Brainy?

Me: Did we ever.

We told everyone what went down and it was awesome.

Qin: Wow! That is awesome! And congratulations guys on becoming part of the Legion.

Nico: Thanks. It was awesome.

Me: The rings they have are amazing.

May: Next time, Mandark should go with you.

Nerissa: Good idea.

Me: And the Justice League all can come with too. It'll be awesome to have them meet our prime universe Justice League.

Nico: Good idea.

---

Later we were watching TV.

Laura Comparetto: Nico, how DID you get my glasses? They should've been destroyed along with my clothes when I transformed?

Nico: (sheepishly) Honestly, King Kai teleported them to me intact.

Lola: That's good he did.

Laura Comparetto: I agree there. Thanks Nico.

I was on the computer and then I saw something on the Super Smash Brothers website that really was incredible!

Me: (GASP) Hey guys come look at this!

Everyone came over.

Lincoln: What is it?

Me: They just updated Lincoln's final smash on the Super Smash Brothers game.

Lincoln: Oh man!

Electro and the Previous group of M.O.E. Members came.

Electro: Oh we got to see this!

I pressed play.

SSBU Lincoln: Sorry guys but you're going to face some friends of mine.

Dracula: What friends?

SSBU Lincoln: Here they come.

He played a flute and then rainbow stars appeared in the sky.

SSBU Lincoln: GUARDIAN ANGELS ATTACK!

We saw that the stars were really Lincoln's Guardian Angels! Many of them we met and many of them we haven't met yet!

Anna Anyanova: WHOA is that us!?

Wendy Sapphira: That is amazing!

They flew at the Super Smash Brothers Roster members and pulverized them all over and their damage meters went up to 999% and then Lincoln delivered the ultimate finishing blow that sent ALL OF THEM FLYING FAR!

SSBU Lincoln: My angels will protect me from all of my enemies.

Lincoln: WHOA!

Qin: That was awesome!

Samurai Jack: This has not been touched in a long time.

Me: No it sure hasn't Jack.

Ashi: But that was incredible!

Lola: Wow! Linky that is so cool!

Laney: Now you have not only us as assist trophies but now you have all your guardian angels in an awesome and epic final smash!

Twilight Sparkle: Boy that is so cool!

Rainbow Dash: That is AWESOME!

Nico: Boy it sure is!

Me: Shigeru Miyamoto you've really outdone yourself.

Xenia Orromov: I wonder if the rest of us can be in this as well.

Me: That would be an awesome and amazing sight to see.

Nico: It sure would. Maybe me and J.D. can try that out someday.

Qin: It would be awesome and amazing.

Camie: Boy that is so cool!

Xenia: It sure is.

Electro: But that updated version of Lincoln's final smash is awesome!

Xenia: It sure is!

Nico: Yeah it is amazing.

Me: Even after all this time we are still floored by all that.

Maria: Lincoln was absolutely floored when he found out that he and his sisters were added to the Super Smash Brothers Roster.

Laney: Yeah we ALL were floored!

Nico: News about that spread all over the world like wildfire.

Touma: Wow! That explains why we saw a new character in Super Smash Brothers.

Emu: That is so cool!

Poppy: That is really awesome that Lincoln and his sisters are in Super Smash Brothers.

Nicole: You got that right. We are all amazed.

DING DONG.

Seawing: (hears the doorbell ring) Who could that be?

Me: (Singsong) Come in!

In came a Miltank!

Me: Hey a Miltank!

Xenia: Awesome!

Miltank: (In a girls voice) (French Accent) Sorry about coming in like this.

Nico: Sasha De Bellis! Whoa!

Qin: The great crepe master has come!

Miltank: Oh oui and it's great to see you again Qin. And you too Nico.

Me: You and Remy would get along great.

Nico: Yep.

May: What's your favorite memory of Nico.

Miltank: Ah mon ami zat is a good one. My favorite is when me and Nico made ze greatest crepe recipe ever. We made consommé bouillabaisse soup and zat was really amazing and good.

Nico: It sure was.

Me: Boy we'll have to try it.

Nico gave her a pink leotard and she went into the bathroom and I snapped my fingers. She reverted back and came out with it on and was a blond hair girl and had blue eyes.

Sasha De Bellis: (Groans) Sacre Bleu zat was awful.

Nico and Sasha hugged.

Nico: I've really missed you.

Sasha De Bellis: Me too Nico.

She gave him the French kiss.

SMOOCH SMOOCH!

Crosshairs: Sorry if the leotard's tight.

Sasha De Bellis: Ah no worries. I'll be fine.

Me: Good.

Nico: Yeah.

Dirge: Boss, which teams have you made this time?

Nico: Gwen Tennyson's team will include Bulma, Shannon Littlefield, Nefertimon, Paildramon and Shakkoumon. Raven's team will include Derpy Hooves, Aniya Florrentine, Silphymon, Lucilla Demigorgan and Sailor Ysmault.

Me: Good choices dude.

Qin: Yeah.

Derpy Hooves: This is gonna be great!

CRASH!

She fell over from excitement.

Derpy Hooves: My bad!

Shannon Littlefield: This is gonna be great.

Nefertimon: It sure will be.

Roxy Rocket: Can me, Rex Goodwin, Hydro Man, Gator Ghoul, Avalanche, Puff, Duff Killigan, Dark Spicer, Doctor Octopus, and Electro go with you guys?

Astronema: Me, Blackbird, Liquidator, Yost Pyro, Astronema, Lexaeus, Stink Bug, Evil Strike Man, MODOK, Iron Maiden, and Evil Elec Man will come too.

Nico: Yes you all sure can come with us.

Qin: Yeah and you guys are going to love the next mission.

Nico: Yep.

Top Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Tyrannitar and Lugia next.

Qin: Ooh good ones!

Xenia: Yep.

Nico: Now here is our mission. We're going to meet Ham, Luna and Titan of the Space Chimps.

Qin: COOL!

Me: Yep.

Nico: And first we're going to watch the movie and then we're going to get ready.

We got to watching the movie.

In outer space, an unmanned, intelligent life-searching NASA space probe, Infinity, is dragged into an intergalactic wormhole and crash-lands on the other side of the galaxy. It lands on the Earth-like alien planet named Malgor, populated by colorful alien beings. Zartog (Jeff Daniels), an evil-minded inhabitant, accidentally discovers how to take manual control of the onboard machinery and uses it to enslave the population. Faced with the possible extinction of Infinity and their budget, the scientists hire multiple chimpanzees as astronauts to regain contact with the probe and retrieve it: technical genius Comet (Zack Shada), lieutenant Luna (Cheryl Hines) and commander Titan (Patrick Warburton). For media attention, the Senator (Stanley Tucci) adds to the team Ham III (Andy Samberg), grandson of Ham, the first chimpanzee in space, who works as a cannonball at a circus. Ham III is uninterested in the mission, but he (along with the other space chimps (except Comet)) is launched into space despite his best efforts to escape the scientist's training facility.

Ham, Luna and Titan enter the wormhole, where the latter two pass out from the pressure, leaving Ham with the task of getting the ship out and landing it. The ship and Titan are taken by Zartog's henchmen, and Titan teaches Zartog about the probe's features. Ham and Luna journey to Zartog's palace. Ham reveals that he believes Space Chimps is a joke in which makes Luna angry at him. They receiving guidance from inhabitant Kilowatt (Kristin Chenoweth). They go into a valley of the aliens' food where they meet some globhoppers, and then they go into the cave of the Flesh-Devouring Beast where Kilowatt sacrifices themselves by getting eaten by the monster so Ham and Luna bypass it, They then go inside the Dark Cloud of Id in which they fall out of. Once at the palace, they rescue Titan and plan to leave. However, Ham, Luna and Titan alter their course of action after noticing Zartog torturing the inhabitants who are being frozen in a pool of freznar, feeling they owe it to Kilowatt to rescue the planet.

Zartog then attacks the chimpanzees with the probe. Just as they are about to get destroyed, Titan tricks Zartog into what he thought could have him dominate the universe, triggering an ejection mechanism in the probe, which in turn leads to his defeat by falling into the freznar. The chimps then discover that Kilowatt has survived, and they make contact with Comet and Houston (Carlos Alazraqui), a friend of Ham's grandfather, back on Earth through a walkie-talkie. Since the ship they boarded is not on Malgor as the chimpanzees jumped out during its launch, Comet, Luna, and Titan use a different method to exit the planet. They redesign the probe, with help from the planet's inhabitants, and use an erupting volcano to thrust it off the planet's gravity.

The chimpanzees go into space, and just as they are about to re-enter the wormhole, Titan hands the controls over to Ham, the one who can withstand the pressure and thus pilot the ship. Ham, although initially skeptical, is motivated by a mental conversation with his grandfather's spirit; he maneuvers the ship back to Earth and lands it with Luna's help, and the Senator, under pressure from the press, decides to dramatically increase the space program's funding. The scientists celebrate the chimpanzee' return.

When it was done we were laughing and more.

Me: That was so awesome and funny!

Nico: Yeah it was!

Xenia: Yeah!

Hydro Man: Man, those chimps were funny!

Liquidator: But who's the main target?

Shanan: His name is Zartog. He is a Maltorian and they are a race of barbarian warlords that want to take over the weakest worlds in the universe.

Qin: Whoa!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Venthera, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Venthera of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Venthera, right, Gaia?

Gaia Han: Right, and just like what happened yesterday with Entrada, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his monster form from his real form and absorb his monster form.

Gretchen Holland: While you and Nico destroy Venthera and give him The Black Gates.

Lincoln: And I've got an idea on what to call them when they transform by drinking that potion with 2018 King Ghidorah's blood: King Ghidorah Hybrids.

Nico: Good name, Lincoln, and from what we saw, their King Ghidorah hybrid forms are bound to be big trouble, but you'll always be ready to take action and separate their King Ghidorah hybrid forms and absorb them into your body. Alright, gang, let's go, we're going to meet the Space Chimps and take down Zartog.

Lincoln: This is going to be one awesome, fun, and really funny adventure, and once we get done with that villain, Zartog, you better be ready to die, Venthera.

Gaia Han: You better be ready, Venthera, for you shall be buried underneath the dark earth of The Netherworld, and your soul will know nothing but eternal suffering.

Blitzwing: Let's head on out.

We were off to NASA.

---

We were off to the National Aeronautics and Space Administration or NASA and it was gonna be awesome and cool.

Nico: This will bw awesome and fun.

Qin: Oh yeah.

Me: Boy we haven't seen a launching of chimps into space ever since the Cold War era.

We arrived.

Me: Hello everyone.

Nico: Sorry to drop by like this but we're looking for someone.

Puff: Ok, this is gonna sound very weird.

Stink Bug: But we're looking for some chimps. (sweatdrops) Yeah, that sounded a lot better in my head.

They came out.

Ham III: Hey Team Loud Phoenix Storm!

Titan: This is awesome! It's awesome to meet you guys!

Luna (SC): Yeah it's great to meet you.

Me: Same here to you three too.

Joe Swanson: (LAUGHS) That's funny. Titan sounds so much like me.

Flynn: And me too. BOOM!

Alternate Chrysalis: No gorillas among you guys?

Ham III: Nope. Just us chimps.

Me: That's cool.

Qin: I still think you guys are all amazing.

Nico: Yeah you sure are.

Varie: Yeah you guys are so funny.

Titan farts!

Ham III: Titan!

Titan: Sorry.

Me: That's funny!

LOUD TOOT FART!

Me: Oops pardon me

MODOK: How does it feel to be the only monkeys to go to space?

Dark Spicer: Besides some of us, of course.

Ham III: It feels really awesome.

Me: Awesome.

Nico: But you guys are heroes too.

Titan: It sure is awesome.

Overbite: You know why we're here.

Luna (SC): Zartog is back.

Overbite: Well… yes.

Nico: We came to help you guys destroy him forever.

Xenia: That's right.

Ham III: I knew he was going to come back.

Qin: You know you guys also remind me of the Rocket Monkeys. Wally and Gus and they are really funny.

Nico: I haven't watched that in a long time.

Electro: I remember them.

Evil Elec Man: Good times, huh?

Qin: (LAUGHS) And their farts are so funny!

Ham: (LAUGHS) That is funny!

Titan: (LAUGHS) Awesome!

Nico: (LAUGHS) That is funny! Anyway we need to find Zartog.

Eli: I'll search.

He concentrated.

Eli: Found him. His rocket ship is in space next to Mars.

Qin: Then that's where we'll find him.

Dive Man: Can we use your rocket ship?

Ham III: All of you guys won't fit on it.

Me: We can use our ship.

Nico: Good idea.

Sunset Shimmer: I can't wait to burn that monster.

Ham III: But you guys follow our ship so you don't get lost

Doctor Octopus: Good idea.

Me: With a ship as huge as ours that won't be a problem.

Iron Maiden: What are we waiting for then?

Nico: Lets go.

We went to our ship and the chimps went to their ship and we were

off.

Titan: (singing) I am Titan, I am strong! (to us) Sing it with me, guys!

Ham III: (rolls his eyes) No one wants to sing along.

Chill Bill: Um… no comment

Me: (LAUGHS) That is funny.

Xenia: Yeah!

Qin: I agree.

Duff Killigan: (Scottish Accent) Congrats on becoming Legionnaires, lads.

Evil Strike Man: After what you accomplished back there, you earned it.

Qin: I agree there. That was awesome.

Nico: Thanks guys.

Me: These rings are all very stylish.

Camie: It sure is awesome.

Nico: Yep. I'm glad Brainy is back with his friends.

Electro: We are too. And Alexis Luthor will make a great addition to the M.O.E.

Dream Girl: She sure will.

Fisticuffs: (to the viewers) Sorry if you guys expected to hear all their initiations. But the rest of them got initiated off screen

Nico: But it's all right.

Qin: But it's still awesome that you guys are now in the Legion.

Me: We are truly honored.

Dream Girl: It was great to be home though.

Fry: I'm really glad you guys got to see the world of the Legion of Superheroes.

Me: You would feel right at home Fry. It's in the 31st Century as well and it is right up your alley.

Fry: You bet I would.

Bender: Dammit, I wish I could've been there!

Avalanche: Don't worry, Bender.

Lexaeus: You'll still have 3 more opportunities.

Me: The Planet Express is more than welcome to join us next time.

Leela: We're really looking forward to it.

Me: Bender you want to hear what I would say to Imperiex?

Bender: What?

Me: Bite my big fat fucking ass!

We laughed.

Lisa Loud: Nico sensors are showing another vessel up ahead.

Nico: On screen.

We saw another ship 2 million kilometers ahead.

Arixam: I see another ship.

Me: I see it too.

Ham III: That's him.

Nico: Battlestations. All hands red alert.

The alarms sounded and we were ready.

Yost Pyro: Any henchmen?

Gator Ghoul: Please say yes. I'm hungry!

Lisa Loud: Sensors are reading hundreds of Maltorians on board his ship.

Gator Ghoul: All right! It's feeding time!

Nico: Lets roll.

We went over the ship and opened a docking tube.

Nico: Lets do it.

Gantu: Entrance time!

Nico: Lets do it!

We went into the ship.

Zartog's men were ready and then the spirits of planets and monkeys came and swirled around them and then converged on the door and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and a phoenix cry was heard and then numerous lasers blasted the Maltorians all over and blew them apart and we jumped out and blasted and smashed them.

Gator Ghoul: FEEDING FRENZY!

He chomped and ate them all over!

We busted into the Bridge and we were facing ZARTOG!

Me: Zartog you will pay for your crimes.

Nico: No one takes over Earth without a fight!

Zartog: After I kill you all, Earth is next.

Blackbird: In other words, you think Earth is weak.

Rex Goodwin: You don't know how wrong you are.

Me: We are stronger than you EVER will be.

Xenia: You're the one that is weak!

Zartog: YOU WRETCH!

Lola: Yeah it is!

Zartog: What are you waiting for!? Kill them!

Hsi Wu: We don't take orders from you! We are our own organization!

Electrocutioner: That's a real shocking revelation about Killjoy Huggins. No pun intended.

Pyro: Please tell me you guys killed him for that.

Nico: Dammit, we forgot!

Grumblemon: Well, you'll just have to do it tomorrow.

Me: After we have the Guardian Angels rough him up first.

Hsi Wu: We heard you faced an Evil Billy.

Me: Yep. We sure did.

Biowulf: Was he really talking nonsense?

Me: Yeah he was a REALLY BABBLING moron.

Xenia: Yep.

Cybax then appeared again.

Cybax: I know. It has been a while.

Qin: Yeah it sure has.

Cybax: (to Jack Landors) Nice job in Nerissa's mission.

Jack Landors: Thanks. That was fun and awesome.

---

Grumblemon was next.

Grumblemon: (to Earth) I heard Lincoln's rescue was in Washington DC. How was it?

Earth: It was really awesome. We were there to stop a bully from Nico's past. His name was Mason Finnegan, a thug who enjoyed terrorizing everyone for his own sick amusement, and even worse, they also found out that Mason's a member of Team Rocket, and they exposed his dirty secret to everyone in the school, which infuriated him, but in the end, Mason Finnegan was defeated by Lincoln and The Galaxy Pokemon Heroes, and not only was he expelled, but he was arrested for his crimes and he was sent off to prison for life. But now, years later, Mason Finnegan escaped from prison, and he wants revenge on The Galaxy Pokemon Heroes for ruining him, too bad for him, he's about to meet the same fate as the rest of Team Rocket.

## Georgina Montgomery, Rainbow Dash, Scootaloo, Air Skylanders, Selene Wenvolva, Draco, Slobber Trap and Alternate Chrysalis VS Hsi Wu - Meeting a gene-slammer for Weather Painter Aurora

Hsi Wu the Demon Sorcerer of The Sky was next.

Hsi Wu: (to Georgina) I heard you guys met a gene-slammer for Weather Painter Aurora. What's her name?

Georgina: Her name is Aurora Leocadia and she is a really amazing and skilled painter.

Rainbow Dash: She sure is. And her story is awesome too. Along with the cousins of the Digidestined.

Scootaloo: It was awesome.

Nico: Yep. So, Haruhi Kamiya, Jenna Ishida, Kaze Takenouchi, Irene Izumi, Mariah Tachikawa, Judy Kido, Kari Ichijouji, Darla Motomiya, Yuria Inoue, Carla Hida, and Aurora Leocadia, what memories did you have with Lincoln?

Haruhi Kamiya: Oh, we have one that we still remember to this day, and it involved an attack by that control freak, Lori, that sore loser, Lynn, that blackmailing pageant demon, Lola, that heartless mad scientist, Lisa, and that homicidal deranged prankster, Luan. One day, Lincoln was with me, Jenna, Kaze, Irene, Mariah, Judy, Kari, Darla, Yuria, and Carla, and we were doing some workouts at our gym, and the rest of Lincoln's Guardian Angels were also with us and keeping an eye out for trouble.

Jenna Ishida: But, then, we heard the sound of a thunderous loud burp in the air, and there was only one person who could do something like that: Lynn, and then, we heard deranged laughter, followed by the sound of three banshee screams, and we knew Lynn wasn't alone, she also had Lori, Luan, Lola, and Lisa with her, and they wanted Lincoln's head once again, along with ours.

Kaze Takenouchi: Then, the doors burst open, and we saw the five hated Loud Sisters with red eyes filled with insane rage and hatred, and even worse, they had knives in hand. We knew they've now gone to resorting to try and stabbing Lincoln again, fat chance of that since Lincoln's a vampire-werewolf hybrid, so we put down the weights and we went after those five brats again as Lincoln fired blasts of fire which melted their knives, Lola, Lisa, and Luan tried to attack first, but Lincoln grabbed Lola and Lisa and he head bonked their heads with Luan's head in the middle and he knocked those three out.

Irene Izumi: But, then came our two big challenges: Lori who was incredibly dangerous when her already dangerously violent temper is at its peak, and Lynn who was an aggressive, bad-tempered monster and she acts like an animal. But, before any of us could do so, Lynn just ran at Lincoln yet again and tried to beat him to death, but he grabbed Lynn's fists in his hands, and Lynn tried to kick him in the crotch, but he tightened his grip on Lynn's fists and made her fall to her knees, then he'd thrown a sharp right hook and knocked that animal down, and finally, Lori was left, and she ran right at

Lincoln with hatred in her heart, but Lincoln stood his ground and punched her in the stomach and he made her fall down to the floor.

Mariah Tachikawa: We were really impressed by Lincoln's rapidly developing and impressive immense upper-body and lower-body strength, and then, Lincoln fired red energy beams from his white angel wings and hands which turned into ropes and tied those five up. Then, we called Luna, and when that happened, she ran down there along with the rest of the Louds, and she was big-time mad at those five once again. But, Lincoln explained everything, and Nicholette Torrington showed the video clip of what Lincoln did to those five, and they were stunned. Luna said that Lincoln's like a dominant alpha male, and the way he stood his ground to defend his ladies, and we were blushing like mad.

Judy Kido: And so was Lincoln, that Luna sure knows how to tease us and her little bro. But, after we told and showed them what Lincoln did to stop Lori, Lynn, Lola, Lisa, and Luan, everyone cheered for Lincoln and they were proud of him for standing up for his Guardian Angels yet again, and for taking down Lori, Lynn, Lola, Lisa, and Luan. And as a result, Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they got sent to Aunt Ruth's during that time.

Leni: Having to deal with Aunt Ruth for fifteen weeks, that was a nightmare for those five, but they deserved it, if they were going to try and kill our brother, that's going to be the result of their horrible behavior.

Aurora Leocadia: Indeed, okay, now for my turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, Morana, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of Rome to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane. Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, I was beyond pissed off at those bitches, and I fired darkness and green energy blasts at them and they got blinded by darkness and hit with the energy blasts, then, we pounced on and attacked them all with a really dangerous fury. Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Aurora Leocadia: Yep, just like what happened before, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, Nephele, Morana, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for nine months months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, Rayne, Morana, and Aurora, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and we still questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy.

Girl Jordan: And a total big fat jerk to Linky.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired, but this is even more better: now that he's humiliation fodder, everyone is getting payback for all the dumb things he's ever done in his miserable life.

Gaia Han: That's right, we still got Venthera to deal with, and the second of The Extraterrestrial Order of the Planets of Holy Ghidorah should be arriving… right now.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Venthera.

A figure came out, and it was none other than Venthera, the second of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Venthera, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Venthera: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Gaia Han: The only one who deserves to be destroyed is you.

Suddenly, Gaia Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, earth, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Dark Gaia-themed greatsword from her back, and as she approached Venthera, she left black energy, darkness, dark magic, earth, fiends, phoenixes, and dark angels with every step.

Gaia Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Venthera: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Gaia Han was surrounded by a massive vortex of black energy with darkness, dark magic, and earth surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Dark Gaia flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Venthera: the red eyes of death. Then, as the vortex faded, Gaia Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Gaia Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, earth, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Dark Gaia emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Earth, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Dark Gaia with red gems for eyes and holding the Earth, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Gaia Han has on a short-sleeved blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, earth, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Dark Gaia surrounded by darkness and earth. Suddenly, Gaia Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Gaia Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring

on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Gaia Han's massive Evil HERO Dark Gaia-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, earth, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Dark Gaia's Darkness Seismic Earth Fiendish Phoenix Greatsword of Darkness Dark Earth Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Dark Gaia etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Dark Gaia's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. 地獄のフェニックスのマスター

Gaia Han has transformed into SUPER ANGEL-EVIL HERO DARK GAIA-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL SEISMIC EARTH EVIL HERO DARK GAIA PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL SEISMIC EARTH EVIL HERO DARK GAIA JUSTICE AND DIVINE DEMONIC DARK INFERNAL SEISMIC EARTH EVIL HERO DARK GAIA LOVE!

We were amazed by Gaia Han's Super Angel-Evil HERO Dark Gaia-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Venthera saw it, he fell into an infernal rage and he got out a blaster to fire at her, but Gaia Han fired a powerful black energy blast with darkness, dark magic, earth, fiends, phoenixes, and dark angels at Venthera, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Gaia's transformed, incredible!

Gretchen Holland: That's really incredible, and she really burned and smashed Entrada badly.

Nico: And she's really got him pissed off now big time.

Gaia Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Seismic Earthstorm Evil HERO Dark Gaia Angel and Divine Demonic Darkness Infernal Seismic Earth Darkness Phoenix Love) And now, the dark earth of The Netherworld are coming for you, Venthera.

Nico: Let me join in as well, Gaia, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Gaia Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Gaia Han and Nico went after Venthera who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Venthera and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Venthera, drawing more blood and leaving more scars on him, and he was being driven even more ballistic. Suddenly, Venthera took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Venthera began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Venthera's transformed into his King Ghidorah Hybrid Monster form.

Venthera fired a Gravity Lightning blast at Gaia Han and Nico, who dodged it.

Lincoln: Gaia, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Venthera from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Venthera and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Venthera into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Gaia, let's end this asshole for good.

Gaia Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Seismic Earthstorm Evil HERO Dark Gaia Angel and Divine Demonic Darkness Infernal Seismic Earth Darkness Phoenix Love) You got it, Nico.

Gaia Han and Nico sent Venthera flying into the air, and then, they prepared their combo to put an end to Venthera.

Gaia Han and Nico: DARK INFERNAL EVIL HERO DARK GAIA PHOENIX SEISMIC KAMEHAMEHA!

Fira Han and Nico fired two massive black energy Kamehameha waves with dark fire, earth, darkness, and phoenixes which hit Venthera, and they exploded with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Gaia Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Gaia Han and Nico holster their massive greatswords on their backs and powered down, and Gaia Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Gaia Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and fifty-one members to go. Thanks for helping me destroy Venthera once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Gaia.

Suddenly, Gaia Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Gaia Han's face, they kissed passionately as she moved her arms and placed her hands on

Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Dark Gaia flying in the air, and we saw many animals running across the field, along with elemental forces and mountains forming behind them and we cheered wildly. Then, Nico and Gaia Han absorbed the mountains and they came back to us as the display and Evil HERO Dark Gaia vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Gaia.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Elenthra, which means you're up next, Kaze.

Kaze Han: Yeah, we'll make Elenthra pay.

Nico: We sure will. Say, Lincoln, which Weather Gene-Slammer are you hoping to meet tomorrow?

Lincoln: The next one we're meeting tomorrow is the Gene-Slammer of The Weather Painter Thunder.

Althea Iridiana: Yes, and there's one person I know who'd be Gene-Slammed into The Weather Painter Thunder: Levina Zeus, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born amazing and incredibly powerful powers over lightning and the yellow color of the spectrum, and she's also recognizable because of her purple hair and massive and beautiful yellow angel wings. She, Lincoln, Laney, Nephele, Rayne, Morana, Aurora, and I also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome.

Nico: So, we got another artist to meet tomorrow.

Lincoln: Plus, you're also in for a surprise: Levina Zeus is also the daughter of Zeus, Greek God of Lightning, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa! So, that means the Weather Painter Gene-Slammers are not only your Guardian Angels.

Timmy Turner: But, also children of the Gods and my cousins, that's right.

Nico: (Whistles) Whoa. But, now we know what to expect when we meet the other Weather Painter Gene-Slammers.

King Shark: That'll show Zartog.

Beast Man: You said it.

Yenaldoshi: You guys did good today.

Titan: It was our pleasure.

Flynn: That's right. BOOM!

Chillyfish: Let's head back to NASA for a celebration.

Vulkanus: We'll even give you guys bananas.

Me: I'm craving freeze dried ice cream.

Nico: Now you're talking! Great job today everyone.

Flynn: (To the viewers) This was a great adventure in space. We sure had fun.

Me: It sure was awesome.

We went back home and had Astronaut Ice Cream and food they usually serve on the I.S.S. and it was good. We later went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Long Island, New York, and Lincoln and his group are going to take down a foe from the past of The Weather Painters: a fallen artist named Lucas Carson, he may be a talented artist, but he harbored nothing but hatred for all of mankind, and it got worse: like

Brushogun, he turned to using black magic, but the black magic spell he used resulted in his soul drowning in darkness and his sanity forever fractured by his hatred for all of mankind. Now, we're going to put a stop to him for good, and he'll answer for his crimes.

And we're going to meet the next Gene-Slammer for The Weather Painter Monsters, this time, it's a Gene-Slammer for Weather Painter Thunder named Levina Zeus, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born with amazing and incredibly powerful powers over lightning and the yellow color of the spectrum, and she's also recognizable because of her purple hair and massive and beautiful yellow angel wings. She, Lincoln, Laney, Nephele, Rayne, Morana, Aurora, and Althea also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Levina Zeus is also the daughter of Zeus, Greek God of Lightning, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

But, she won't be alone, we're also going to meet the last Gene-Slammer for The Weather Painter Monsters, this time, it's a Gene-Slammer for Weather Painter Sun named Helena Helios, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she was born with amazing and incredibly powerful powers over fire and the orange color of the spectrum, and she's also recognizable because of her orange hair and massive and beautiful orange angel wings. She, Lincoln, Laney, Nephele, Rayne, Morana, Aurora, Levina, and Althea also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Helena Helios is also the daughter of Helios, Greek God of The Sun and sister of Hailey Helios, Avatar of The Sun and Gene-Slammer of Helios Trice Megistus, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Get ready for a really awesome adventure for the wolves as we meet Humphrey and Kate and their pack and take on Tony and the Western Pack and making them pay for their crimes.

See you next time

Evil Wood Man, Mesmeralda, Asbestos Woman, So Yaguruma and Queen Bee Deadman along with Nick Russell's team consisting of Nick Russell, Huntsman, Meridith McHenrickson, Good 11, Luminoth and Dachora & Etecoons and we were heading there for an awesome and fun rescue. Also we were there to have an awesome breakfast and lunch.

Nico: This is going to be one awesome rescue, not only are we here for another rescue, but we're also going to deliver some well-deserved payback on Principal Huggins' Dark Side, Killjoy Huggins.

We gasped.

Lincoln: After what J.D. found out yesterday that he was the one responsible for turning Lori, Lynn, Lola, Lisa, and Luan into ruthless monsters because of that Dark Side Creation Serum he injected in them when I was in 3rd Grade, now we're going to unleash the ultimate wrath of The Guardian Angels on him.

Olivia Orrovia: I'll be the one to face him, guys, what he did all those years ago can never be forgiven nor forgotten, he deserves every inch of our wrath for his vile misdeeds.

Salene Sallamandia: Oh, he's really going to get burned, big time!

Elaine Wittgenstein: Yeah, he needs to be taught a lesson.

Nalania Cherikova: One he'll never ever forget.

Estella Skyla: He's really going to get burned big time.

Gem Cavvenport: We'll unleash pure Hell on him

Leona Tarra: And we'll even leave some scars on him for good measure.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury, and Moonface the Silver appeared as well.

Rosa Laurence: It's been a really, really long time coming, but that stupid killjoy is finally going to get what he rightfully deserves, and that's death. And to find out he was the one who made Lori, Lynn, Lola, Lisa, and Luan into the ruthless monsters we've smashed into the dirt, now he's really done it!

Nico: Yeah! That heartless toupee-wearing freak of nature's going to get it big time.

Lincoln: And I also sense Mom's also going to transform to help Olivia.

Rita: Right, honey, after what J.D. told us and finding out that stupid killjoy was the one who turned Lori, Lynn, Lola, Lisa, and Luan into the very ruthless monsters and having their Dark Sides take over them for all these years, now he's really going to pay… with his own blood!

Lincoln: Then, let me join in as well, Mom.

Then, the rest of Lincoln's Guardian Angels arrived.

Sheila Thatcher: (Australian Accent) Same with us, mate.

Me: Watch out, you stupid killjoy, we're coming for you!

Nico: You got that right.

Camie: Yeah.

Nick Russell: This is gonna be awesome.

Nico: Nick, I want to thank you, Boomerang, and your teams for coming.

Nick Russell: No problem Nico. This is gonna be awesome.

Boomerang: (Australian Accent) You said it mate. This is gonna be awesome.

Nico: It sure will be.

Huntsman: I'm really looking forward to this.

Nico: Huntsman, what do you like to do in your free time?

Huntsman: I like to have some fun with my animal friends. Also I bash bad guys.

Me: That's awesome.

Xenia: It sure is.

Qin: You have a great heart for animals too.

Fluttershy: I was just going to say that.

Laney: Me too.

Nico: I honestly forgot that monkeys used to go to space.

Me: It was for the Mercury program Nico. Back in the 1960's.

Nico: Oh right. I forgot about that.

Shanan: But it was still awesome.

Eli: Yeah and we had Freeze-dried ice cream.

Qin: Yeah it was awesome.

Nico: Yep.

Varie: That was so fun.

Lola: It sure was.

Lincoln: And a bonus victory we had yesterday was bringing Brainy back to the Legion.

Lola: That was our biggest achievement for the day that day.

Nico: Titan sounded like Joe Swanson.

Me: He sounded like Captain Flynn, Kronk and many people we know.

Qin: Yeah he is awesome.

Nico: He sure is.

Lola: I think it's awesome.

Me: Yeah.

Maria: They ate lots of bananas yesterday.

Me: They sure did. Donkey Kong now has awesome new friends too.

Qin: He sure does. Also I was being serious about that Rocket Monkeys remark. It was awesome.

Nico: I know Qin. That is true. They are just as funny as that.

Lola: Yeah that is funny.

We arrived at the restaurant.

Me: Here we are.

We went in.

Nico: GOOD MORNING LYNN'S TABLE CREW!

Lynn Sr.: Hey guys! Welcome. Usuals?

Nico: You know it Mr. Lynn.

Lynn Sr.: Coming right up.

We got our tables.

Boomerang: (to Nico) Mate, in my opinion, you should've killed Killjoy Huggins yesterday.

Nico: What did you think I wanted to do after my rescue yesterday?

Me: Now guys it wouldn't be fun to have just a few of us do him in. I wanted to have ALL of us on Nico's rescue have a shot at him.

Lincoln and his guardian angels were affected the most because of him and because of him they deserve to all have a shot at him.

Nico: You do have a point there.

Qin: That is a good reason.

Xenia: Yeah it's true.

Laney: Also he corrupted half of my family. So we also deserve some form of retribution as well.

Lily: That's for sure.

Camie: I agree there.

May: I think I understand what Nico's getting at.

Lola: Why?

May gestured to the tied up jerks… only Killjoy Huggins wasn't there!

We gasped!

Me: He's loose! He's close though. I sense it.

Suddenly, we heard an insane bellow of rage in the air, and we saw a figure barreling towards Lincoln with a knife in hand, but Lincoln then used one of his eleven massive and long white wolf tails to tie the figure's arms and the tail tightened which caused him to drop the knife as he yelped in pain!

Lincoln: Nice try, you stupid toupee-wearing heartless freak of nature.

Sure enough, the figure Lincoln caught was Killjoy Huggins, Principal Huggins' Dark Side, and Lincoln flung Killjoy Huggins outside of the restaurant into the colosseum, he got back up, and he was foaming at the mouth like a mad dog!

Me: He is foaming at the mouth!

Nico: GEEZ!

Killjoy Huggins: I HATE YOU SO FUCKING MUCH, LINCOLN LOUD, HAAAAATEEEE, HAAAAAATTTTEEE, HAAAAATTTTEEE, HHHHHHAAAAAAAAATTTTTTEEEEEE! IF YOUR STUPID GUARDIAN ANGELS HADN'T GOTTEN IN THE WAY, I'D FINALLY BE RID OF YOU, AND I USED YOUR STUPID SISTERS, LORI, LYNN, LOLA, LISA, AND LUAN TO DO IT! THAT'S RIGHT, I DID IT, AND I'D DO IT ALL AGAIN! (LAUGHING LIKE A TRULY FUCKED-UP MADMAN!)

Lincoln's rainbow energy aura exploded from the extent of Killjoy Huggins' extremely insane rage.

Me: You are fucking insane!

Qin: What kind of monster would do that to someone who didn't do anything but just want to live a normal life!?

Lincoln: We already knew of what you did, you used that accursed Dark Side Creation Serum and you injected it in Lori, Lynn, Lola, Lisa, and Luan. This whole nightmare began all because of you and your stupid hatred of me, you toupee-wearing freak! Now, we're going to end it once and for all!

Me: That's right!

Lincoln: But to be honest I should thank you. Thanks to you Killjoy you managed to have my prayers answered and you made my guardian angels and they are now part of my awesome harem.

Me: Ha! Talk about ironic! You gave Lincoln one of the most powerful forces that he has in his family.

Laney: That's right!

Lucy Loud: Yeah!

Maria: But now, it's time to kill you!

Me: That's right! Now you die!

Olivia Orrovia: And now, it's high time for you to die for everything that you've done!

Suddenly, something within Olivia Orrovia's mind snapped as memories of every single evil thing that Killjoy Huggins has done to try and ruin Lincoln's life for years rushed through her head and her turquoise eyes turned neon turquoise and she was surrounded by an orange energy aura with lights, bronze, and snakes, she unholstered her Alchemy Beast - Ouroboros the Bronze-themed greatsword from her back, and as she approached Killjoy Huggins, she left orange energy, lights, bronze, and snakes with every step.

Olivia Orrovia: That's it, I've had just about enough of you to last an eternity, no matter how many times you've been beaten up by Lincoln's Guardian Angels and even his mother, you just won't get it through your head. Lincoln hasn't done anything wrong to you, but you just hate him that much, you wanted his life ruined. (Suddenly Getting Pissed Off) But, you, I will never forgive you for what you'd done which was turning Lori, Lynn, Lola, Lisa, and Luan into ruthless monsters when you injected them with that accursed serum,… , YOU'VE GONE TOO FAR FOR THE LAST FREAKING TIME, AND NOW, I WILL SEE TO IT THAT YOU PAY THE PRICE FOR EVERYTHING THAT YOU HAVE DONE, YOU STUPID, HEARTLESS, TOUPEE-WEARING FREAK OF NATURE!

We gasped at the extent of Olivia Orrovia's fury.

Nico: Whoa!

Lincoln: That stupid killjoy's really fucked up for the last time, now he's going to pay the price for every last single evil thing he's tried to do to me all those years ago. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Killjoy Huggins went absolutely insane with homicidal rage and went after Olivia Orrovia to kill her, but Olivia Orrovia screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion and she was surrounded by a massive vortex of orange energy with light and bronze surrounding the vortex, there's an army of snakes and Alchemy Beast - Ouroboros the Bronze flying around the vortex, and in the vortex is a turquoise phoenix, and the force of the vortex blew Killjoy Huggins back and he crashed into another wall. Then, as the vortex faded, Olivia Orrovia emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Olivia Orrovia grew to 7'4" in height, she has the body of a goddess, she has bronze highlights in the bangs of her long orange hair, she has neon turquoise eyes and an orange energy aura with lights, bronze, and snakes surrounding her, she has Alchemy Beast - Ouroboros the Bronze emblazoned on her forehead and Third Eye with orange iris, she has on snake earrings with orange gems for eyes and holding the Bronze, Light, and Eternity Kanjis around its body, she also has Alchemy Beast - Ouroboros the Bronze with orange gems for eyes and holding the Bronze, Light, and Eternity Kanjis around its body on the bottom of her orange snake-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links. Olivia Orrovia has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Olivia Orrovia's massive Alchemy Beast - Ouroboros the Bronze-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, lights, bronze, and snakes, and when it emerged, it was transformed into Alchemy Beast - Ouroboros the Bronze's

Light Bronze Snake Alchemy Greatsword of Alchemical Bronze Light Justice, it's a brand-new massive greatsword with embedded bronze-colored gems and Alchemy Beast - Ouroboros the Bronze etched on the 7'0" massive, wide, double-edged orange blade, large Alchemy Beast - Ouroboros the Bronze heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large Alchemy Beast - Ouroboros the Bronze heads with orange gems for eyes and large orange gem on the bottom of the Alchemy Beast - Ouroboros the Bronze heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with orange gems on her wrists, her Belt of Elemental Bravery with a gold version of Alchemy Beast - Ouroboros the Bronze's head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. LOVE!

We were amazed by Olivia Orrovia's Super Angel-Ouroboros the Bronze-Snake-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Killjoy Huggins saw it, he went absolutely even more ballistic and he ran at her to kill her, but Olivia Orrovia fired a barrage of powerful orange energy blasts with lights, bronze, and snakes at Killjoy Huggins and it exploded as it hit him, and he was now really pissed off now.

Olivia Orrovia: (Divine Echoing Cosmic Voice of The Solar Alchemical Bronze Snake Angel and Divine Alchemical Bronze Light Ouroboros Snake Love) There's plenty more where that came from, you fucked-up heartless toupee-wearing freak of nature!

He went at us and Lincoln punched him in the face and kicked him in the stomach and punched him in the face with a powerful uppercut and sent him flying and smashed him down!

Me: I've had enough of you to last a goddamn eternity Huggins!

Rita: Like me, and you've had this coming for so many years!

Suddenly, something within Rita's mind snapped as memories of Killjoy Huggins' repeated attempts to ruin Lincoln's life and what he did in turning Lori, Lynn, Lola, Lisa, and Luan into absolute monsters years ago with that Dark Side Creation Serum rushed through her head and her purple eyes turn neon purple, and she was surrounded by a rainbow energy aura with rainbow flames, lightning bolts, phoenixes, bears, and angels, she unholstered her massive Taranis' Celtic Electric Lightningstorm Greatsword of Electric Angelic Justice, from her back, and as they approached Killjoy Huggins, she left rainbow energy, rainbow fire, lightning bolts, bears, and angels with every step.

Rita: I have absolutely had it up to hear with you for the last time, you heartless, stupid, toupee-wearing freak of nature, you've constantly made repeated attempts to ruin Lincoln's life and all for the simple reason that you hate him. That's really stupid, because Lincoln's done nothing wrong to even offend you, but you still hate him. (SUDDENLY GETTING SUPER-MEGA PISSED OFF) But, as if what you've constantly done in trying to ruin Lincoln's life wasn't bad enough, now I find out you're the one who turned Lori, Lynn, Lola, Lisa, and Luan into absolute monsters years ago with that Dark Side Creation Serum and it made their Dark Sides take over… , YOU HAVE ABSOLUTELY CROSSED ONE LINE TOO MANY TIMES, YOU STUPID, HEARTLESS, TOUPEE-WEARING ABSOLUTE FREAK AND DISGRACE TO THE SCHOOL SYSTEM, AND NOW, I WILL SEE TO IT THAT YOU FINALLY DIE HERE AND NOW, AND YOU WILL NEVER EVER COME BACK FROM THE FUCKING DEAD!

We gasped at the really sudden extent of Rita Loud's rage: Mama Loud has really roared with rage and that stupid Killjoy Huggins is about to experience true unimaginable Hell!

Lincoln: (Gasps) Mom!

Me: UH OH!

Lola: Oh boy, now he's really done it this time! And I thought I could get that mad, but Mom… !

Nico: Mama Loud's roared with anger, and now, Killjoy Huggins is in for true unimaginable Hell! HIT THE DECK, SHE'S GOING TO EXPLODE!

We suddenly stood our ground, as Rita screamed like an absolute madwoman out of Hell and she was surrounded by a massive vortex of rainbow energy with rainbow fire and lightning bolts surrounding it, there's an army of angels flying around it, along with an army of bears running around it, and in the vortex is a pink phoenix. Me: Time for you to feel TRUE PAIN!

I transformed into my Super Angel Wolf Moon Xelnaga form!

I teleported and kicked him in the crotch and kicked him in the face and punched him in the face and kicked him into the ground! He got up and went at us and I kicked him in his face and sent him flying.

He landed on the ground.

Me: Taste this!

I fired blue fireball blasts like Naruto in his 6 tails form did.

The blasts hit him all over and exploded!

KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

The explosions were incredible and they blasted him all over. Then the curse he had caused gold and jewels to explode out of him.

Qin: Forgot about the curse.

Maria: The only reason you got to live one more day is because we forgot!

Me: Well now we're going to correct that mistake!

I fired more fireballs!

KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was being blasted all over the place with indiscriminate fury!

Nico: Lincoln, remove that curse on him. We're killing him for real.

Lincoln snapped his fingers.

Lincoln: Done.

Lincoln went and faced him.

Lincoln: Lets do it!

Killjoy Huggins: I WILL FUCKING KILL YOU!

He went at Lincoln and then Lincoln kicked him in the face and kicked him in the chin and punched him in his face all over and punched him in his face and punched him in his stomach and bashed him in crotch and then BIT HIM!

KILLJOY HUGGINS SCREAMED LIKE A LITTLE GIRL!

Then Lincoln did something REALLY HORRIFIC TO HIM! HE RIPPED HUGGINS MANHOOD OFF!

Me: HOLY FUCKING SHIT!

Xenia: OH MAN! THAT IS GONNA HURT!

Lincoln: (SPITS) That's for sending my sisters multiple times to kill me with knives!

Anna Anyanova punched and kicked him in his face and smashed him in his face!

Anna Anyanova: That's for ruining all his projects he was assigned!

POW! BLAM SMASH!

I punched him on his face!

Me: That's for trying to prevent him from entering that contest!

The guardian angels really were letting him have in all over!

Nico: YEAH!

Xenia: Take that!

Nico: Eli, sense for Swartz's creations.

Eli: Right!

He concentrated.

Eli: I sense 7 of them. 6 of them are Another Huntik and 1 is Another Boomerang.

Xenia: Whoa!

Eli: They are 85 klicks away and closing.

Nico punched him in the face!

Nico: That's for making Luan do all those psychotic April Fools days!

Qin kicked him in the stomach and ripped out his intestines with that kick!

Qin: OH YUCK! But that was for having Lisa conduct all those torturous insane experiments!

Eli punched Huggins in the chest!

Eli: That was for having Lynn do all those evil beat up sessions!

Camie then ripped his arms out of his sockets!

Camie: that was for having Lori become an evil psychotic control freak witch!

Lily then bit him on his neck and ripped his neck open!

YUCK!

Lily: (SPITS) That was for turning Lola into a Blackmailing heartless sociopathic freak!

Lola: YEAH!

May: Think we should wrap this up?

Me: I think Lincoln and his angels are going to do that.

Qin: Yep.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope and he joined his mom.

And Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Olivia Orrovia.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You don't deserve to be live or breath ever again for what you've tried to do to me and what you did to Lori, Lynn, Lola, Lisa, and Luan, Killjoy Huggins!**

Nico: (Divine Echoing Voice of Rainbow Redemption) **As of right now, you are hereby sentenced to death!**

Lincoln, Rita, Olivia Orrovia, and Nico went after Killjoy Huggins, who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, orange energy, bronze, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Killjoy Huggins and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Lincoln and Nico slashed at that killjoy with their claws, drawing blood and leaving more scars on him, and he was being driven even more ballistic. Then, Lincoln used his eleven massive and long white wolf tails and they brutally pulverized him all over the place, and he used one of them to grab the idiot by the ankles and smash him down onto the left and right and sent him flying into another wall again.

Then, Lincoln's Guardian Angels also piled on and they viciously pulverized that stupid killjoy and they blasted him all over the place.

Olivia Orrovia: (Divine Echoing Cosmic Voice of The Light Alchemical Bronze Snake Angel and Divine Alchemical Bronze Light

Ouroboros Snake Love) **Let's finish him off once and for all!**

Rosa Laurence: Yeah. You ready, Lincoln?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Let's do it!**

Suddenly, the colored energy auras of Lincoln's Guardian Angels, harem, friends, and family flared up, and then, Lincoln raised his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds above his head, as the embedded gems and Elements of Harmony began glowing and the massive 7'0", wide, double-edged golden blade was surrounded by a rainbow energy aura and rainbow fire.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This is the end, Killjoy Huggins, and now, you shall suffer forever knowing I've finally triumphed over your insane hatred.**

Lincoln's Family, Friends, Guardian Angels, and Harem: NOW, LINCOLN, END HIM ONCE AND WHAT HE STARTED YEARS AGO!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **GUARDIAN ANGEL ELEMENTAL WRATH SLASHSTORM!**

Lincoln launched Killjoy Huggins into the air with a kick, and then, he unleashed a massive powerful slashstorm of elemental energy slashes with his massive greatsword which slashed at that killjoy with incredible fury, power, and strength, and he was slashed into ribbons, and Lincoln descended onto the ground.

Me: Whoa, now that was awesome, and now, for the final part.

Then, as soon as Killjoy Huggins's spirit appeared, Lincoln fired a rainbow Death Beam at his spirit which exploded as it hit him and he was sent to The Black Gates forever as he screamed in anger at Lincoln again. We cheered as we holstered our weapons and powered down, and Olivia Orrovia's new body, clothes, weapons, jewelry, Third Eye, eleven massive orange wolf tails, and massive orange angel wings are permanent, and Rita's new body, clothes, weapons, jewelry, accessories, Third Eye, eleven massive blonde wolf tails, and massive blonde angel wings are permanent.

Olivia Orrovia: Reap what you have sown, Killjoy Huggins. Thanks for helping me destroy that killjoy for good, Nico.

Nico: (Smiles Warmly) You're welcome, Olivia.

Suddenly, Olivia Orrovia wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Olivia Orrovia's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Ouroboros the Bronze flying in the air, and we saw many animals running across the field, along with elemental forces and light shining down on them and we cheered wildly. Then, Nico and Olivia Orrovia absorbed the light and they came back to us as the display and Alchemy Beast - Ouroboros the Bronze vanished.

Me: That's one less plague of Michigan, and no one's ever going to miss him.

Lincoln: No one will, his name's now mud after we exposed his crimes from long ago to the public.

Nico: And they now know the ruthless natures of Lori, Lynn, Lola, Lisa, and Luan were all the doings of Killjoy Huggins, and he did this years ago when you were in 3rd Grade.

Nicholette Torrington: I can't believe that he was the one who did this to Lori, Lynn, Lola, Lisa, and Luan, I knew he hated Lincoln, but this… , now he's really really gone too far!

Anna Anyanova: His hatred for Lincoln really destroyed his brain, and he really is nothing more than The Devil Incarnate of Michigan!

Me: You said it.

Maria: But the real Huggins' name doesn't have to go down with him.

Me: No it doesn't.

Qin: At least we purified his name and got rid of the demon that made him that.

Xenia: That's right.

Me: I agree there. But at long last the source of Lincoln's pain has been destroyed forever.

Anna Anyanova: That's right. But our work as Lincoln's guardian angels will never be finished.

Nico: That's true. But you girls did a great job.

Lola: Yep.

Nico: Now, our humiliation fodder is a little less crowded.

Me: Yep. Lets head back in and get some grub.

Nico: Good idea.

We went back into the restaurant.

Lynn Sr.: Order up!

We got our meal.

Me: Oh boy.

Nico: I'm starving.

Lynn Sr.: Here you go guys.

He gave us our food.

Anna Anyanova: All right.

We got to eating.

Me: Mmm! (Eating Ultimeatum burger) Mmm delicious.

Nico: You said it.

Lynn Sr.: Great job guys and Rita honey you did great.

Rita: Thanks Lynn.

Me: All of us did great.

Laney: We sure did.

Nico: But we're not done yet.

Me: Nothing like getting a good meal in before we do the real fun.

Qin: That's right.

Nico: True. Can't have a good battle on an empty stomach.

Xenia: Yeah.

Maria ate a burger.

Maria: (Eating) Mmm! Delicious.

Qin: Yeah it's awesome food.

We all had a great meal and finished up and we were stuffed.

Nico: Ahh! Good meal.

Me: You said it.

Laney: I'm stuffed.

Lola: (BELCH) Scuse me.

Xenia: All awesome food.

Nico: Who's up first?

Me: Who's coming first?

Eli: Well I sense that Another Forest Queen Diana is first.

Me: Hmm. I have just the one. I summon GUARDIAN EATOS!

I summoned Guardian Eatos!

Guardian Eatos: This is gonna be a good one.

Qin: It sure will be.

Nico: So, you're up first?

Guardian Eatos: That's right. This will be interesting.

Me: It sure will.

Then in came a figure and it was a dark version of FOREST QUEEN DIANA! It was ANOTHER FOREST QUEEN DIANA!

Me: Whoa! There she is!

Xenia: Wow!

Guardian Eatos: This one will be most interesting.

Another Forest Queen Diana then groaned.

Guardian Eatos: I'm sensing human forces in this one.

Another Forest Queen Diana: (GROANS) (In a girls voice) J.D. help me!

Me: (GASP) That voice!

She reverted back and it was a girl with green hair and had green clothes and had the symbol of Forest Queen Diana on her skirt, arm and forehead.

Me: (GASP) Diana Lexington!

Nico: Whoa you know her?

Me: She's an Amazon that was born and raised on Themyscyra.

We gasped!

Nico: Swartz really pissed off the population of Themyscyra big time!

Camie: Oh man!

Guardian Eatos: Hang on!

She swung her sword and fired a blast of energy and smashed her down and I caught the Wonder Ride book inside her and purified it. It was called The Amazons of the Moon Goddess Diana.

I went and picked her up and put her in a booth.

Varie: Wonder Woman is gonna have a field day when she hears about this.

Nico: You got that right.

Me: Well done Eatos.

Guardian Eatos: Thanks J.D.

Eli: Now here comes Another Gybolg.

Nico: Whoa! That one is said to be for the warrior, Cú Chulainn from Irish Folklore.

Xenia: I'll face that one.

Me: Okay Xenia. I have a feeling this one is gonna be Irish.

Leaves and vines grew.

Nico: Here it comes!

It formed into a dark version of Gybolg! It was ANOTHER GYBOLG!

Me: WHOA! Another Gybolg!

Xenia: WHOA!

Another Gybolg: (GROANS) (In a girls voice) (Irish Accent) J.D. help me lad!

Me: That voice!

Nico: It is an Irish one.

She reverted back and it was a girl with green hair and all green clothes and she had the symbols of Gybolg on her skirt, arm and forehead.

Me: (GASP) Bridget McFinnigan!

Nico: Oh man!

Bridget McFinnigan: You have to help me.

Me: Hold on Bridget.

Nico: How do you know Bridget?

Me: I rescued her from a quicksand pit in Ireland. The fairies that I helped end their war with the Leprechauns provided assistance.

Nico: Cool!

Xenia: But hang on!

She fired an energy arrow and it hit her and I caught the Wonder

Ride Book and Purified it. It was called The Celtic Dryad of The Irish Leprechauns. I went and brought her over.

Nico: Whoa. 2 down.

May: Next?

Eli: Another Salamandrake.

Nico: Whoa.

Qin: That one sounds like it's from Mexico.

Me: That's right.

Camie: This one will be good.

Then a huge snake creature came in and it had fire alongside it! It was a Dark Version of Salamandrake! It was ANOTHER SALAMANDRAKE!

Me: WHOA! Another Salamandrake!

Anna Anyanova: I'll face this one.

Me: Go for it.

Lincoln: Yeah!

Another Salamandrake groaned.

Another Salamandrake: (Groans) (In a girls voice) (Spanish Accent) Ay caramba! Help me J.D.!

Me: (GASP) That voice!

She reverted back and was a girl with red hair and had green eyes and red and green clothes.

Me: (GASP) Estella San Juan!

Lola: Oh man! You know her?

Me: I sure do. I met her in the ancient city of Tikal. We learned all about the Mayan ways and what they were like centuries ago.

Nico: That is amazing!

Anna Anyanova: Hold on!

Anna fired waves of energy and knocked her down and I caught the Wonder Ride Book and purified it. It was called The Angel of The City of Tikal. I went and brought her over.

Lincoln: Nice job Anna!

Anna Anyanova: Thanks Linky.

Nico: Who's next!?

Eli: Mucalin next.

Qin: That's a hydra monster right?

Me: That's right. It's said to be the monster that influenced the creation of Yamata No Orochi in Japanese myth.

Xenia: Wow!

Lola: I'll face this one.

Nico: Go for it.

A figure came in and it was a dark version of Mucalin! It was ANOTHER MUCALIN!

Me: WHOA!

Nico: Whoa! A 7-Headed Snake!

Xenia: Scary!

Lola: I hope this one isn't 7 people in one.

Nico: It's probably just one.

Then it groaned.

Another Mucalin: (In a girls voice) (Japanese Accent) Help me J.D.!

Me: That voice!

Then she reverted back and it was a girl from Japan with blond hair and had a yellow Kimono on and she had golden angel wings.

Me: (GASP) Yamiko Taiyou!

Nico: Oh man! You know her?

Me: I sure do. She is known as the Princess of the Sun and she has all the powers of the sun and fire.

Nico: Oh man!

Lola: Hold on!

She fired waves of fire and smashed her down and I caught the Wonder Ride Book and purified it. It was called The Princess from The Solar Flare. I went over and brought her over.

Nico: That was awesome.

Eli: 2 left before Another Boomerang. Next up is Hydramaskar.

Nico: Whoa!

Qin: This will be interesting.

Maria: Next?

Carol: I'll go.

Maria: You can do it Carol.

Carol: Thanks.

Then a figure came in and it was a dark version of HYDRAMASKAR! It was ANOTHER HYDRAMASKAR!

Me: Whoa! Another Hydramaskar!

Qin: That one is amazing! It has Hawaiian Tiki Mask totems for heads.

Nico: It sure does.

Another Hydramaskar: (GROANS) (In a girls voice) Help me J.D.!

Me: (GASP) That voice.

She reverted back and it was a girl with black hair and had a blue shirt and a green skirt!

Me: (GASP) Pele Kahunalagoona!

Nico: Oh man! One of your friends from Hawaii?

Me: Yep. She is a dancer and is also known as the princess of Pele. She has all the powers of a volcano in her.

Nico: Wow!

Carol: Hang on!

She fired a wave of energy and smashed her down and I caught the Wonder Ride Book and purified it and it was called The Volcanic Princeess of The Fire Goddess.

I went and brought her over.

Nico: One more to go.

Maria: Nice job, Carol.

Carol: Thanks.

Then a bird flew in! And it was a dark version of Solwing!

Me: WHOA! Another Solwing!

Qin: Wow! This one is fast!

Lola: Amazing!

She landed and then reverted back and it was a girl with blue hair and had blue and silver clothes and she had three pairs of wings. And she had the symbol of Solwing on her skirt, arm and forehead.

Me: (GASP) Sylvia Solwing!

Sylvia Solwing: Sorry to drop in like this. But I had more control over this one.

Me: That's good.

Sylvia Solwing: Yeah.

Nico: You know her J.D.?

Me: I sure do. She is an awesome Air Force Pilot.

Nico: Cool!

Xenia: Yep.

Sylvia Solwing: It sure is awesome. Also there's another version of him with us.

She pointed to Boomerang.

Boomerang: Eli managed to tell us all about that mate.

Me: Friendly or hostile?

Sylvia Solwing: Friendly. This one is interesting too.

Nico: Who's up?

Fluttershy: Um I will do this one.

Nico: Go for it.

Lincoln: You can do it Flutters.

Sylvia Solwing: Here we go.

She turned into Another Solwing and Fluttershy flew after her and fired waves of leaves and smashed her down and I caught the Wonder Ride Book and purified it and it was called The Flight of the 6 Winged Angel.

I caught Sylvia and brought her over.

Nico: Now for the fun part.

Xenia: Yep.

Maria: Time to summon backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) TEACHER FORCE 6!

Cantwell, Quirrel, Orion Zodiarts, Hachouchin, Chojuro Kon, and Fluffy Bunch along with Skinner, Universe 666 Mizuki and Krusty.

Krusty: Hey Hey Kiddies! (GOOFY LAUGHTER)

Me: Awesome.

Nico: And now, we wait.

Me: Hmm.

Universe 666 Mizuki: So you are the one that beat my prime universe self.

Me: Well yeah I am. In 150,000 years you were one seriously evil douchebag. You hated Naruto and you even had the insane gall to reveal his Jinchuriki Status and even skewer Iruka with a huge Ninja Star.

Universe 666 Mizuki: That's what I heard. I can't believe I was like that all because of Orochimaru.

Me: Hmm.

I looked at his arm and it had the symbol for the Animal Curse Mark on it.

Me: That's the Animal Curse Mark formula all right.

Nico: I have a feeling that the Orochimaru of Universe 666 was not evil at all.

Universe 666 Mizuki: No he isn't.

Nico: I'd like to meet him someday.

Me: Same here.

Qin: Yeah.

Then we heard a noise and then we saw a boomerang stick into the floor.

Qin: Whoa big boomerang.

Then a figure came in and it was a dark version of Boomerang. It was ANOTHER BOOMERANG!

Nico: Another Boomerang!

Me: Here we go.

Another Boomerang: (In a girls voice) (Australian Accent) Its been a while J.D. mate.

Me: Charlotte Monroe! Awesome!

She went up to me and then…

POW!

She punched me in the face and I bobbed back and forth like a bobblehead.

Me: (BLUBBERS) (Laughs) That was funny!

Nico: Silly greeting.

Me: Yeah. Charlotte is frome Australia and she is a powerful and skilled Boomerang master. She knows how to use elemental boomerangs across the board.

Qin: That is cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: You already are the greatest Boomerang user of all

Qin: Yeah.

Me: Swartz is gone now. We gave him the Black Gates.

Another Boomerang: That's good mates. I knew he was lying.

Me: He lied to everyone. Sorry we have to fight like this.

Another Boomerang: No worries. Come at me mates. And don't hold back.

Me: With pleasure. (ACTIVATES GOOD CINDER FALL'S RIDEWATCH)

(To Where You Are by Chloe Agnew plays)

Me: (SINGING DIVINELY AS FIRE AND ENERGY SWIRLED

AROUND ME)

To Where You Are

Who can say for certain

Maybe you're still here

I feel you all around me

Your memories so clear

Deep in the stillness

I can hear you speak

You're still an inspiration

Can it be

That you are mine

Forever love

And you are watching over me

From up above.

Fly me up to where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for a while

To know you're there

A breath away's not far to where you are.

Are you gently sleeping

Here inside my dream?

And isn't faith believing

All power can't be seen

As my heart holds you

Just one beat away

I cherish all you gave me

Everyday

Cause you are mine

Forever love

Watching me

From up above

And I believe

That angels breathe

And that love will live on

And never leave

Fly me up to where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for a while

To know you're there

A breath away's not far to where you are.

I know you're there

A breath away's not far to where you are

I floated and spread my wings and fired waves of energy and fire smashed her down!

Qin: AWESOME!

Nico: Nice one!

Sylvia Solwing: Wow! J.D. has a magnificent voice!

Nico: Yep.

Qin: Now for me. (ACTIVATES MORRIGAN'S RIDEWATCH)

(Yurgen's Tune plays)

Qin: (SINGING DIVINELY AS CELTIC SYMBOLS SWIRLED AROUND HER)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She floated and fired waves of green energy and smashed her down!

Qin: YEAH!

Camie: That was awesome!

Eli: This one is for Arrietty and my friends of the Borrowers. (ACTIVATES QUEEN BEE'S RIDEWATCH)

(ARRIETTY'S SONG PLAYS)

Eli: (SINGING DIVINELY AS HONEY SWIRLED AROUND HIM)

I'm 14 years old, I am pretty

I'm a teen tiny girl, a little lady

I live under the kitchen floor
Right here, not so far from you.
Sometimes I feel happy
Sometimes I feel blue
In my dreams O I wish I could…
Feel my hair blowing in the wind
See the sky and the summer rain
Pick a flower from the garden for you
Beyond the lane there's another world
Butterflies floating in the air
But is there someone out there for me?
And so life goes on, day after day
With knick-knacks on the floor, nooks and crannies
I live in a tiny world
But out there, someone waits for me.
I wish I had someone to watch over me
In my dreams O I wish I could…
Feel my hair blowing in the wind
See the sky and the summer rain
Pick a flower from the garden for you
Now I know there's another world
Butterflies floating in the air

There is someone out there for me.

Feel my hair blowing in the wind

See the sky and the summer rain

Pick a flower from the garden for you

Now I know there's another world

Butterflies floating in the air

There is someone out there for me.

Eli floated and fired waves of honey and smashed her down.

Nico: Awesome guys!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Camie: Nice!

Xenia: Oh yeah!

Nico: (gets out Boomerang's Ridewatch) Let's fight Boomerangs with Boomerangs!

He activated it and threw boomerangs and smashed her down.

Nico: YEAH! Now for this. (ACTIVATES EVIL WOOD MAN'S RIDEWATCH)

He fired waves of energy and leaves and smashed her down.

May: AWESOME! Now for me to pull the strings. (ACTIVATES MESMERALDA'S RIDEWATCH)

She fired waves of darkness and smashed her down.

May: Awesome! Hope the Health Department doesn't see this one. (ACTIVATES ASBESTOS WOMAN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Nice job! This one too. (ACTIVATES SO YAGURUMA'S RIDEWATCH)

She took off her weighted trench coat and then…

ZOOOOOMM!

She ran fast and smashed her all over the place.

Maria: That was awesome and fast! Now for this. (ACTIVATES QUEEN BEE DEADMAN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Waffle Woman and her team consisting of Crusher, T-119A, Mr. Breakfast, Universe 666 Trakeena and Cuppa Joe came.

Nico: Nice team, Waffle Woman!

Waffle Woman: Thanks. It's awesome.

Huntsman: Now here's my turn. (ACTIVATES EVIL WOOD MAN'S RIDEWATCH)

He fired waves of leaves and smashed her down!

Qin: YEAH!

Maria: Is the next Gene Slammer close?

Then a figure came in and it was a Lugia!

Qin: WHOA!

Me: Wow! A Lugia!

Nico: Incredible!

Lugia: (In a girls voice) (Scottish Accent) Aye it's amazing being a Lugia now.

Qin: Emily Erdenberger! Wow!

Lugia: Aye. Good to see you again Qin lass. And you too Nico laddie.

Nico: Thanks. Same to you.

Lugia: I got this now.

She fired a wave of water and smashed Another Boomerang down and she was back to normal. I caught the ridewatch and purified it and Charlotte was a girl with Australian Jungle explorer clothes on and she had brown hair and green eyes.

I picked her up.

Huntsman: What's your favorite memory of Nico?

Lugia: I have a lot of them now. But my favorite is when me and Nico found out all about the history of the Sawney Bean Clan.

Me: Oh man we destroyed them 2 years ago. I hurled my guts out.

Nico: No kidding there. What they did was absolutely horrible back then.

Xenia: It sure was.

Lola: Yeah.

Me: Lets get you back to normal.

I put on my blind man glasses.

Nico got out a blue jumpsuit.

The boys covered their eyes and I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had dark blue angel wings. She put on the jumpsuit.

Emily Erdenberger: (Groans) That was crazy now.

Qin: Yeah but you get used to it.

Nico and Qin hugged her.

Nico: We missed you Emily.

Emily Erdenberger: Me too laddies. Me too.

Nico: That was awesome.

Emily Erdenberger: But I feel like I could rip out of this jumpsuit.

Nico: It's tight at first but you'll fit into it.

Me: Yeah.

Nico: Lets head home guys. You all did great.

Xenia: Thanks.

Lynn Sr.: That sure was awesome. Thanks again guys!

Me: No problem Mr. Lynn.

Lincoln: Money's on the table for you.

Lynn Sr.: Thanks son.

We gave him $1,000.00.

We went back home and told everyone what happened and they were all glad.

But the Loud Girls are going to have one helluva nightmare to recover from.

Now, we're going to put a stop to him for good, and he'll answer for his crimes.

Lincoln: Whoa, we're here in Long Island, New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word of an old enemy of The Weather Painter Gene-Slammers being here: a fallen artist named Lucas Carson.

Althea Iridiana: Lucas Carson, here?! Oh no, not him.

Nico: Uh oh, this isn't good, and you said he's a fallen artist, can you explain that, Lincoln?

Lincoln: Certainly. See, Lucas Carson may be a talented artist, but he harbored nothing but hatred for all of mankind, and he hated Althea and the other Weather Painter Gene-Slammers deeply, and it got worse: like Brushogun, he turned to using black magic, but the black magic spell he used resulted in his soul drowning in darkness and his sanity forever fractured by his hatred for all of mankind.

Me: But unlike Brushogun, he wasn't captured and turned into a slave, and he has no heart when it came to art.

Lincoln: Yep, and now, we're going to put a stop to him for good, and he'll answer for his crimes, and I want to thank your team for joining us, Right.

Right: You're welcome, Lincoln.

Suddenly, we saw The Weather Painter Thunder and Weather Painter Sun appear before us, and with them are the five girls.

Nico: (Gasps) No way, The Weather Painter Thunder and Weather Painter Sun, awesome.

Weather Painter Thunder: (Girl's voice) That's right.

Weather Painter Sun: (Girl's voice) And we got the five girls away from the fallen artist, Lucas Carson.

Lincoln: (Gasps) Those voices, Levina Zeus and Helena Helios, it's so awesome to see you both again, but we'll talk later.

?: (Demonic Voice) ALTHEA IRIDIANA, YOU AND YOUR FRIENDS WILL NEVER LEAVE HERE ALIVE!

We then saw our target: a male with black hair, eyes filled with hatred, and his body was covered in ink and paint, it was Lucas Carson, and boy, was he pissed off big time!

Lincoln: Lucas Carson, right on time, and now, it's time to end your artist career once and for all.

Lincoln: Your days of trying to kill my Guardian Angels are over, you demonic monster. (To Levina Zeus and Helena Helios) And it's so good to see you again, Levina Zeus and Helena Helios

Levina Zeus reverted back to normal, and she's a beautiful girl with long purple hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful yellow angel wings and she reigned in the power of Weather Painter Thunder, she's dressed in a sleeveless yellow blouse, sleeveless yellow midriff top, yellow skirt, yellow pants, yellow knee-high high-heeled boots, and long white sleeveless trenchcoat with yellow lights, lightning bolts, paints, and angels on the coattails and on the back is Weather Painter Thunder and holstered on her back is a massive Weather Painter Thunder-themed greatsword with embedded yellow gems and Weather Painter Thunder etched on the 7'0" massive, wide, double-edged purple blade, large Weather Painter Thunder heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Thunder heads and large yellow gem on the bottom of the large Weather Painter Thunder heads for the pommel.

And Helena Helios reverted back to normal, and she's a beautiful girl with long orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings and she reigned in the power of Weather Painter Sun, she's dressed in a sleeveless orange blouse, sleeveless orange midriff top, orange skirt, orange pants, orange knee-high high-heeled boots, and long white sleeveless trenchcoat with orange lights, flames, paints, and angels on the coattails and on the back is Weather Painter Sun and holstered on her back is a massive Weather Painter Sun-themed greatsword with embedded orange gems and Weather Painter Sun etched on the 7'0" massive, wide, double-edged orange blade, large Weather Painter Sun heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large Weather Painter Sun heads and large blue gem on the bottom of the large Weather Painter Sun heads for the pommel.

Levina Zeus: You too, Lincoln.

Helena Helios: It's been such a long time.

Lincoln went up to Levina Zeus and Helena Helios and he hugged them, and Levina Zeus and Helena Helios are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were eleven, and as you can see, I really grew a lot since then.

Levina Zeus: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Helena Helios: You really grew a lot, but you're still the same kind boyfrom long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know them?

Lincoln: Indeed I do, Nico, the Weather Painter Thunder is Levina Zeus, she's my Guardian Angel from Michigan and classmate in Art, and she was born with amazing and incredibly powerful powers over lightning and the yellow color of the spectrum, and she's also recognizable because of her purple hair and massive and beautiful yellow angel wings. She, Laney, Nephele, Rayne, Morana, Aurora, and Althea also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Levina Zeus is also the daughter of Zeus, Greek God of Lightning, and she's another cousin of Timmy Turner, and although she hates

Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Awesome.

Lincoln: And the Weather Painter Sun is Helena Helios, she's my Guardian Angel from Michigan and classmate in Art, and she was born with amazing and incredibly powerful powers over fire and the orange color of the spectrum, and she's also recognizable because of her orange hair and massive and beautiful orange angel wings. She, Lincoln, Laney, Nephele, Rayne, Morana, Aurora, Levina, and Althea also painted many beautiful works of art in Art class and the paintings were even featured in an art exhibition at school one night and it was so awesome. Plus, we're also in for a surprise: Helena Helios is also the daughter of Helios, Greek God of The Sun and sister of Hailey Helios, Avatar of The Sun and Gene-Slammer of Helios Trice Megistus, and she's another cousin of Timmy Turner, and although she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, she hates Timmy's parents for their constant stupidity for always leaving Timmy alone with Icky Vicky, whom she despises, and she absolutely despises Francis, Crocker, and Timmy's other despicable enemies as well.

Me: Whoa, and I had no idea you had a sister, Hailey.

Hailey Helios: I did, and I knew she was also Lincoln's Guardian Angel, and she also has the same powers as me, and she never messes around.

Helena Helios: I never do, Hailey, any who mess with Lincoln deserves to be burned. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you and Levina want to give me your blood, right?

Levina Zeus: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Helena Zeus: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln first went up to Levina Zeus, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he went up to Helena Helios, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Levina Zeus: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Levina Zeus' neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck, and an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Helios' neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Levina Zeus: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Levina Zeus and Helena Helios.

Levina Zeus and Helena Helios had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln who they were, he immediately recognized them. The five girls are Kisumi Natsuki and Rina Takaoka from Natsuki Crisis Battle and Crane, Saojin, and Reika from Martial Masters.

Lincoln: Oh wow, it's Kisumi Natsuki and Rina Takaoka from Natsuki Crisis Battle and Crane, Saojin, and Reika from Martial Masters.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kisumi Natsuki: Yes, we're okay, thanks to you.

Then, when Kisumi Natsuki and the other four girls saw who it was that saved them from the fallen artist Lucas Carson, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Kisumi Natsuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kisumi Natsuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kisumi Natsuki, Rina Takaoka, Crane, Saojin, and Reika with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an old foe from the past of The Weather Painters: a fallen artist named Lucas Carson, he may be a talented artist, but he harbored nothing but hatred for all of mankind, and it got worse: like Brushogun, he turned to using black magic, but the black magic spell he used resulted in his soul drowning in darkness and his sanity forever fractured by his hatred for all of mankind.

But, when Lincoln showed what we did in beating him down, and Lincoln and the Weather Painter Gene-Slammers finishing him off by firing rainbow energy blasts and energy blasts of the seven colors of the rainbow which destroyed him and sent him to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Levira Zeus, and Helena Helios have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so the villain you faced was a fallen artist who had a hatred for mankind, and even worse, he used black magic like Brushogun, and it turned him into that demon, yikes!

Lincoln: Yikes is right, Maria. What Lucas Carson did couldn't be forgiven, even if he had a passion for art, he was forever driven by his hatred for mankind, and that's something we can never forgive.

Althea Iridiana: And now, he's gone for good, and he's never coming back.

---

After putting an end to the fallen artist Lucas Carson, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Levina Zeus and Helena Helios saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their nose were bleeding.

Helena Helios: Whoa, I was right that Lincoln's really grown into a

17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Levina Zeus: It's like he's been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Levina Zeus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Helena Helios: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, Jenbay Fishkarate, Levina Zeus, and Helena Helios what memories did you have with Lincoln?

Monkey D. Luna: Oh, we have one that we still remember to this day, and it involved an attack by that control freak, Lori, that sore loser, Lynn, that blackmailing pageant demon, Lola, that heartless mad scientist, Lisa, and that homicidal deranged prankster, Luan. One day, Lincoln was with me, Zaria, Mina, Usagi, Saria, Mylene, Nico Relena, Lili, Brenda, and Jenbay, and we were doing some workouts at our gym, and the rest of Lincoln's Guardian Angels were also with us and keeping an eye out for trouble.

Zaria Roronoa: But, then, we heard the sound of a thunderous loud burp in the air, and there was only one person who could do something like that: Lynn, and then, we heard deranged laughter, followed by the sound of three banshee screams, and we knew Lynn wasn't alone, she also had Lori, Luan, Lola, and Lisa with her, and they wanted Lincoln's head once again, along with ours.

Mina Stormbringer: Then, the doors burst open, and we saw the five hated Loud Sisters with red eyes filled with insane rage and hatred, and even worse, they had knives in hand. We knew they've now gone to resorting to try and stabbing Lincoln again, fat chance of that since Lincoln's a vampire-werewolf hybrid, so we put down the weights and we went after those five brats again as Lincoln fired blasts of fire which melted their knives, Lola, Lisa, and Luan tried to attack first, but Lincoln grabbed Lola and Lisa and he head bonked their heads with Luan's head in the middle and he knocked those three out.

Usagi Snipblast: But, then came our two big challenges: Lori who was incredibly dangerous when her already dangerously violent temper is at its peak, and Lynn who was an aggressive, bad-tempered monster and she acts like an animal. But, before any of us could do so, Lynn just ran at Lincoln yet again and tried to beat him to death, but he grabbed Lynn's fists in his hands, and Lynn tried to kick him in the crotch, but he tightened his grip on Lynn's fists and made her fall to her knees, then he'd thrown a sharp right hook and knocked that animal down, and finally, Lori was left, and she ran right at Lincoln with hatred in her heart, but Lincoln stood his ground and punched her in the stomach and he made her fall down to the floor.

Lili Nefertari: We were really impressed by Lincoln's rapidly developing and impressive immense upper-body and lower-body strength, and then, Lincoln fired red energy beams from his white angel wings and hands which turned into ropes and tied those five up. Then, we called Luna, and when that happened, she ran down there along with the rest of the Louds, and she was big-time mad at those five once again. But, Lincoln explained everything, and Nicholette Torrington showed the video clip of what Lincoln did to those five, and they were stunned. Luna said that Lincoln's like a dominant alpha male, and the way he stood his ground to defend his ladies, and we were blushing like mad.

Mylene Risqueboots: And so was Lincoln, Luna sure knows how to tease us and her little bro. But, after we told and showed them what Lincoln did to stop Lori, Lynn, Lola, Lisa, and Luan, everyone cheered for Lincoln and they were proud of him for standing up for his Guardian Angels yet again, and for taking down Lori, Lynn, Lola, Lisa, and Luan. And as a result, Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they got sent to Aunt Ruth's during that time.

Leni: Having to deal with Aunt Ruth for fifteen weeks, that was a nightmare for those five, but they deserved it, if they were going to try and kill our brother, that's going to be the result of their horrible behavior.

Levina Zeus: Indeed, okay, now for my and Helena's turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, Morana, Aurora, Helena, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of England to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane.

Helena Helios: Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, all of us were beyond pissed off at those bitches, and I fired fire and orange energy blasts at them and they got burned and hit with the energy blasts, then, we pounced on and we attacked them all with a really dangerous fury.

Levina Zeus: Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Levina Zeus: Yep, just like what happened, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, Nephele, Morana, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for nine months months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, Rayne, Morana, and Aurora, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and we still questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy.

Girl Jordan: And a total big fat jerk to Linky.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired. But, this morning on Nico's rescue, we did ultimately get years of well-deserved payback on that heartless toupee-wearing freak of nature and sent him to The Black Gates forever. J.D. told us yesterday that he was responsible for turning Lori, Lynn, Lola, Lisa, and Luan into ruthless monsters with that Dark Side Creation Serum, he definitely deserves to die.

Levina Zeus: (Gasps) So, he was the one… !

Bertha Sellington: Who made Lori, Lynn, Lola, Lisa, and Luan into the ruthless monsters we hated for so long, and he did that with that Dark Side Creation Serum, what a heartless jerk, and he did that all under our noses!

Nicholette Torrington: Now, we won't have to see his pathetic face ever again.

We got a shower, and then, Clyde, Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova are heading to Sirena Beach.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in blue swim shorts with a phoenix and clock surrounded by clocks and stars on it with gray flames coming off the swim shorts, blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova were dressed in two-piece colored bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova had feelings for Clyde, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, and after he tied them up, he sent them to Lincoln who sucked out their blood and killed them, which made Trina Riffins and Amy go completely insane with anger, until Clyde fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Kjersti Trollsøn: Whoa, so this is Sirena Beach, awesome.

Clyde: Yep, and Lincoln's been here many times before, and it's our first time here, Kjersti. Shall we?

Clyde, Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova dived into the waters and they had fun swimming in the waters and they even met the sea life there, then, they went back to the beach for an awesome game of volleyball, and Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up toKjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova, and they hugged the girls in their abnormally massive and powerful muscular arms, Kjersti Trollsøn, Lorna McNessie, Marisol Coxi, Gabby, Lightning Dust, Sci-Twi, Haiku, Sailor Pluto, Emma, Penelope, Glitter Drop, Spring Rain, Sassy Saddles, Gilda, Kiyomi Haunterly, Vandala Doubloons, River Styxx, Elissabat, Treesa Thornwillow, Posea Reef, Peri and Pearl Serpentine, Kala Mer'ri, Honey Swamp, and Astranova placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face.

Nico: (Snickers) Looks like someone had an awesome time at Sirena Beach, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

?: (Girl's voice) Aw man, we were expecting to run into Lincoln there, but it looks like the intel we got was wrong.

Suddenly, we saw Entbrat, Deedge, Riff, Shellbeat, and Quarrister come into the World Tree Estate.

Lincoln: (Gasps) Those voices, Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi of the Elemental Hero Ninjas, I knew it was you girls, it's so good to see you all again.

Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi reverted back to normal, and they're five beautiful girls with long hair, eyes, and massive and beautiful angel wings in the colors of the monsters they were Gene-Slammed into, they were 6'5" in height and had the bodies of goddesses, and they're dressed in colored clothes, and long white sleeveless trenchcoats with elemental forces and creatures on the coattails and on the backs are the creatures they were Gene-Slammed into, and holstered on their backs are Entbrat, Deedge, Riff, Shellbeat, and Quarrister-themed greatswords.

Chikara Uzumaki: You too, Lincoln, it's been such a long time, Ninja of The Elements.

Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi went up to Lincoln, who hugged each of them, and Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you five since you were ten, and as you can see, I really grew a lot since then.

Chikara Uzumaki: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute ten-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy I met long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know these five, and why did one of them call you Ninja of The Elements?

Lincoln: Indeed I do, Nico. Everyone, meet The Elemental Ninja Heroes, a group of ninjas from Konoha dedicated to protecting the world of Shinobi from the forces of evil. they moved to Michigan when they were 6 years old. I'm one of the members, and I'm known as The Ninja of The Elements due to having all the elements. We even fought even some demons and vampires, and we also steal from dirtbags. And here's something to make your heads spin: we learned how to use Chakra at 10 years old.

We were indeed floored.

Naruto: That's incredible.

Lincoln: Thanks, Naruto, and we even do charities for the poor and the needy, and I made bikinis for the members of the Elemental Ninja Heroes, and to show thanks, they kissed me on the lips, and they hate the jerks with a passion.

Me: Whoa, so you guys formed a group to protect the world of Shinobi from evil when you were only ten years old, that's so awesome!

Lincoln: And long before we met Naruto and his friends and the world of Shinobi merged with ours, and we didn't tell anyone that, especially with Danzo Shimura, Orochimaru, The Akatsuki, the Evil Sasukes, and those who have evil in their hearts.

Sakura Haruno: Touché, Lincoln, but that's a huge reason.

Lincoln: Exactly, now to handle the introductions. The first of The Elemental Ninja Heroes is Chikara Uzumaki, Gene-Slammer of Entbrat, she's my Guardian Angel from Japan and classmate in Math, and she's known as the Ninja of Fire from Konoha and one of the toughest of my Guardian Angels. She also protects me from dirtbags especially Killjoy Huggins. In fact, one time, before Killjoy Huggins could even try to ruin my life, she punched Killjoy Huggins' crotch so hard, his nuts literally came out of his mouth, and as a result, he was unconscious for a few days.

We winced.

Nico: Damn, now that's really brutal!

Lincoln: But, warranted since we know what kind of evil jerk that killjoy is, and to show my thanks, I kissed Chikara on the lips. Plus, she's also the cousin of Naruto Uzumaki, and she hates Killjoy Huggins with a passion.

Me: Whoa, so that means Asuka Shirogitsune isn't the only cousin who happens to be one of Lincoln's Guardian Angels, bro.

Naruto: That's right, J.D., I have two cousins who are among Lincoln's Guardian Angels.

Asuka Shirogitsune: (Japanese Accent) And I'm not the only Nine-Tailed Immortal Fox Hanyou.

We saw that Chikara Uzumaki had blonde fox ears on her head and nine massive blonde fox tails, and they're awesome.

Lincoln: She's wrapped one of her tails around my waist many times when we kissed, now you know where I picked that up from. The second of The Elemental Ninja Heroes is Daisy Haruno, Gene-Slammer of Deedge, she's my Guardian Angel from Japan and classmate in Gym, and she's known as The Ninja of Water from Konoha. She and I love to swim underwater, especially during summer, and this one time, before Pablo and Anderson could try and bully me, she punched them both straight into a pile of Lynn's stinky jockstraps. To show thanks, I kissed Daisy on the lips. She's also the sister of Sakura Haruno, and she hates Pablo and Anderson with a passion.

Lara Xīnxiàngmù: Why, it's been years since we last saw you, Daisy.

Sakura Haruno: Yeah, but I knew there's no mistaking the pink hair and jade eyes from anywhere.

We saw it for ourselves, Daisy had the same pink hair and jade green eyes as Sakura and Lara.

Mebuki: Those are two characteristics that identify us: pink hair and jade green eyes, and Lara and Daisy have the same enormous strength as Sakura.

Lincoln: Which explains how she knocked Pablo and Anderson into that massive pile of Lynn's stinky jockstraps. The third Elemental Angel Hero is Karai Nara, Gene-Slammer of Riff, she's my Guardian Angel from Japan and classmate in English, and she's known as the Ninja of Wind from Konoha. She and I have tackled some of the most difficult jigsaw puzzles, especially a 5000 piece puzzle.

Nico: (Whistles) That's really difficult.

Lincoln: It sure is, but we tackled it, and as you can see, I also made Karai a necklace of her favorite colors, and to show thanks, she kissed me on the lips. Plus, she's also the cousin of Shikamaru Nara, and she hates Lila Rossi with a passion, and it wasn't hard for me to figure out who she's related to, Shikamaru, despite his laziness, is known to be quite skilled in strategy and planning, and Karai has the same skillset in strategy and planning.

Shikamaru: Looks like we're going to be in-laws in the future when you and Karai marry.

Lincoln: That's right. The fourth Elemental Ninja Hero is Iroha Yamanaka, Gene-Slammer of Shellbeat, she's my Guardian Angel from Japan and classmate in Music, and she's known as The Ninja of Lightning from Konoha. She and I not only plant beautiful flowers, but we also love to play music alongside Luna and The Moon Goats. I also made Iroha a flute with her favorite colors, and to show thanks, she kissed me on the lips. She's also the sister of Ino Yamanaka, and she hates Trina Riffins and Icky Vicky with a passion.

Ino: Oh man, Iroha, it's been years since we last met, you've really grown up.

Iroha: Same with you, Ino.

Ino and Iroha hugged.

Lincoln: I also figured out she was related to Ino because of her love for flowers. And the fifth Elemental Hero Ninja is Chara Akimichi, Gene-Slammer of Quarrister, she's my Guardian Angel from Japan and classmate in Cooking, and she's known as The Ninja of Earth from Konoha. She and I once conquered several food challenges in a single day, and funny enough, I kissed Chara on the lips to show how much I loved her. She's also the sister of Choji Akimichi, and unlike her brother, she's not chubby but rather thin and beautiful, and she hates Lewis Travolta and Bubble Bass with a passion.

Me: Wait, what?!

Choji: It's true, guys, even though we share the same name, Chara's thin and beautiful, but she has the same love for food as all of us. Heh, her appetite could rival even Shaggy and his cousins.

Lincoln: Funny you should say that, Choji, Chara took on Audrey and her sisters in a really huge hot-dog eating competition, and they tied for first place.

Nico: (Whistles) That's cool.

Me: Plus, you guys did a lot to defend the world of Shinobi from evil.

Lincoln: We sure did, and they were so happy to find out Danzo Shimura, the corrupted Council Members, Orochimaru, The Akatsuki, and the other enemies of The Shinobi World have been forever obliterated. Now, then, there's also another thing to attend to.

Lincoln went up to each member of The Elemental Heroes, and then, one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chikara Uzumaki: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Chikara Uzumaki: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi.

Chikara Uzumaki, Daisy Haruno, Karai Nara, Iroha Yamanaka, and Chara Akimichi had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around the girls, and he leans down to each of their faces and he kissed them passionately on the lips, and they also returned it.

Nico: Awesome, and welcome to the team, girls.

Daisy Haruno: Thanks, Nico.

---

Later we were walking down the street back to the estate.

Beast Wars Bonecrusher: Guys, why are Poromon and Poliwag going near those dogs?

Nico: Oh no.

We saw them pestering 2 bulldogs.

Poromon: Hey there, stupid dogs!

Poliwag: Yeah where are your mothers!?

Poromon gave the dogs raspberries.

Nico: Uh oh.

Eli: This is not gonna end well.

We went over to them.

Ashi: Are you two nuts?!

Me: Yeah guys! These are the local junkyard guard dogs.

Lana: I remember seeing these dogs.

Fluttershy: Aw they are just lost.

Me: But wait I've seen these dogs before.

Poliwag: What are they going to do?

Just then, the two dogs grabbed Poromon and Poliwag.

Poromon: What the!?

Spike the Bulldog: Now we're going to make you scream!

Chester: Yeah Spike lets get them!

Me: Hey Spike and Chester!

Nico: Boy I love it how you guys beat up Sylvester.

Spike the Bulldog: Yeah good times.

Spike started slamming Poliwag to the ground by his tail.

Chester threw Poromon into the garbage cans.

Me: JUMPING PEANUTS!

Poromon: Why you little! LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted both Spike and Chester.

They were burned and knocked down.

Nico: You two trying to go to jail?

Poromon: I don't know?

Poliwag: Me neither.

Me: Must've seen something on a cartoon to do this.

Laney: Yeah.

Nico: Still crazy.

Maria: Should we stop this?

Me: I think they already did.

The dogs were down.

Me: I think we have 2 more potential members for the M.O.E.

Lola: Yep.

Snapdragon: The fuck were you two thinking?!

Poliwag: We had no idea they were famous Looney Tunes dogs.

Me: These are the very same dogs that beat up Sylvester. But they are funny.

Lola: Yeah they sure were.

Me: Yep.

Xenia: It's funny.

Hardhead: Wait. I hear something else.

We heard footfalls and then we saw a Tyranitar!

Me: Hey a Tyranitar.

Qin: Cool.

Tyranitar: (In a girls voice) That was crazy that happed to the mascots.

Nico: Ellie Maxwell! Wow!

She reverted back and was a girl with green hair and had red eyes and had green clothes on.

Ellie Maxwell: Boy that was rough.

Maria: What's your favorite memory of Nico?

Ellie Maxwell: Easy. When me and Nico made the largest ever bowl of mac and cheese and we ate it all.

Nico: Tasty one too.

Nico and Ellie hugged.

Nico: I've really missed you.

Ellie Maxwell: Me too Nico. Me too.

Cut Man: Nico, which teams have you made this time?

Nico: Martian Manhunter's team will include Felix the Cat, Blind Maria Johnson, Pan, Bambi and Goldie (Felix the Cat). Jake's team will include Yumi, Tabitha Welkington, Bonnie, Lucy and Sabrina.

Me: Awesome ideas!

Lola: I agree there.

Nico: Yep.

Felix: Goldie and I are going to be perfect together on a team.

Pan: You two sure are.

Bambi: Boy I'll say!

Nico: Yep.

Then the previous grop of M.O.E. members came.

Beast Man: Can me, Electrocutioner, Pyro, Grumblemon, Hsi Wu, Biowulf, King Shark, Yenaldoshi, Chillyfish, and Vulkanus go with you guys.

Zeru: Me, Evil Plug Man, Quillfire, Bluto, Fenghuang, Ludo, Utomodachi, Boss Wolf, Tiki Tak Tribe, and Suzaku will come too.

Nico: Yes you all can come with and Zarya and J.D. will like this mission we're going to do next.

Me: Ooh. What is it?

Nico: We're going to Sochi, Russia to meet Humphrey and Kate and their pack.

Xenia: Cool! So the world of Alpha and Omega next.

Nico: Yep. First we'll watch the movie and then we'll get ready.

Apeface: Boss, which Gene Slammers do you think you'll meet next?

Nico: Ho-Oh, Celebi and Sceptile next.

Me: Cool! The Johto region Pokemon are complete.

Nico: Yep and Sceptile enters us into the Hoenn Region.

Me: Awesome.

We got to watching the movie.

In the film's opening, in Alberta, Canada's Jasper National Park, Omega wolf Humphrey and his Omega friends slide down a hill on a log. However, the plan goes entirely wrong as they try to maneuver the log down the mountain. Meanwhile, Alpha wolf Kate practices her hunting skills on her younger Omega sister, Lilly, much to her annoyance. Humphrey and Kate join each other mid air, excited to see each other again. However, Humphrey begins to feel nauseated by their spinning, and the two fall onto the ground. As Humphrey tries to join Kate, Winston, leader of the Western pack and Kate's father, stops Humphrey in pursuing her. He reminds Humphrey that Alphas and Omegas cannot mate according to pack law, and that Kate is going off to Alpha school until Spring. Humphrey looks on, saddened by her departure.

Spring time comes around, and both Kate and Humphrey mature. Humphrey and his friends seem to master the ways of log boarding, but their fun stops short when they crash into a rock. They then see Kate on her first ever hunt, pursuing a herd of caribou. As Kate and her team close in on the caribou, they are interrupted by a group of two enemy Eastern pack wolves, which causes a stampede. As Kate saves the two Eastern wolves from getting trampled, the Western pack wolves start a fight. Humphrey and his friends then break up the conflict. Later that night, Winston meets up with Eastern pack leader Tony, as they discuss the pack's food shortage. The two then agree that merging the packs together would end their conflict, and decide that Kate should marry Tony's Alpha son, Garth. Kate, overhearing their conversation, agrees for the good of the pack.

During the Moonlight Howl (the howling between wolves), Kate and Garth finally meet. Garth tries to show off his howl, but Kate is unimpressed and excuses herself. She then runs into Humphrey, but the two get tranquilized by park rangers and are taken to Sawtooth National Recreation Area in Idaho. The two meet golfing goose Marcel and his duck caddie Paddy. Kate and Humphrey learn that they were relocated to repopulate the species, and agree that they must return home to Jasper Park before the two packs start a war. As the packs discover that Kate has gone missing, Tony warns Winston that if Kate doesn't return, war will be inevitable. Lilly decides to show Garth around the Western pack's territory until Kate returns, and the two fall in love.

As Kate and Humphrey catch a ride on an RV, Humphrey has to urinate and gets out while the vehicle pulls over at a nearby gas station. He then finds a cupcake and eats it, as the frosting covers his mouth. Two men mistake him for a wolf with rabies, and they attempt to shoot Humphrey with a gun. Kate then leaps out to save him, and the two flee. Kate, disappointed that they missed their ride home, leaves Humphrey out in the rain. Now traveling alone in the storm, Kate comes across a dangerous ravine, which has begun to flood. As Kate tries to cross it, she slips, and Humphrey comes to her rescue. Flattered by his bravery, Kate begins to admire Humphrey.

The following day, Marcel and Paddy find the wolves and direct them to a train heading to Jasper Park. Climbing over the snowy mountain, Humphrey finds a grizzly bear cub, and the two play as Kate goes to scout a head. As Humphrey throws snow at the cub, the cub begins to cry, which attracts an angry trio of grizzly bears. As the wolves slide off the side of the mountain, Humphrey and Kate ride on a log and manage to board the train.

As the two joke about their encounter with the bears, Kate and Humphrey begin to bond even closer. Back at home, Lilly compassionately teaches Garth how to howl. At the same time, Humphrey gazes at the full moon and begins to howl, urging Kate to howl with him. Although it is against pack law for an Alpha to howl with an Omega, the two begin to howl, falling in love. As Lilly and Garth finish their howling, Tony catches them, and ultimately declares war on the Western pack. As the train passes by Jasper, Kate and Humphrey's exchange of feelings is cut short by the sight of the two packs at war. As they return, Kate announces that she will marry Garth to unite the packs. The day of the wedding, a distraught Humphrey bids farewell to Kate, and decides to leave as a lone wolf, much to Kate's disappointment.

During the ceremony, Kate backs out and declares her love for Humphrey, as Garth subsequently declares his love for Lilly. Tony, enraged, declares war on the Western pack, and a large fight ensues. Their brawl is cut short by an oncoming stampede of caribou, and Winston and Tony get stuck between it. Humphrey and Kate cross paths, and work together by log boarding down the mountain to save them. They succeed, but Kate gets struck by the caribou in the process. As the stampede subsides, Humphrey tries to wake up Kate to no avail. Devastated, Humphrey begins to howl, causing everyone to howl with him. Kate then awakens to everyone's joy, and she and Humphrey confess their love for each other, as Garth and Lilly confess theirs. Winston and Tony abolish the law against mating between Alphas and Omegas, and accept a union of the two packs via marriage between Garth and Lilly.

At the Moonlight Howl, the wolves celebrate the love of Kate and Humphrey, and Garth and Lilly, breaking the social classes and traditions. The movie ends with Humphrey and Kate howling a duet.

When it was done we were laughing and more.

Me: (LAUGHS) That was great!

Laney: YEAH!

Nico: And also I had it wrong. It's really up in Alberta, Canada.

Zarya: Nice.

Lola: Awesome.

Electrocutioner: Shall we get going?

Evil Plug Man: We shall.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Elenthra, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Elenthra of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Elenthra, right, Kaze?

Kaze Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Tiffany Emmerson: While you and Nico destroy Elenthra and give her The Black Gates.

Lincoln: They've really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we're going to meet Humphrey and Kate and their pack and take on Tony and the Western Pack.

Lincoln: This is going to be one awesome adventure, and once we get done with taking on Tony and the Western Pack and making those bad wolves pay for their crimes, you better be ready to die, Elenthra.

Kaze Han: You better be ready, Elenthra, for you shall be shredded by the bladed caress of the dark winds of The Netherworld, and your soul will know nothing but eternal suffering.

We were off to Canada.

---

ALBERTA, CANADA

---

We arrived at the mountains of Alberta, Canada.

Hornet Man: Here we are.

Me: Always beautiful coming to the mountains.

Nico: Yep.

Lola: So pretty.

Xenia: Yep.

Nico: Lets find them.

Grumblemon: Anyone see them?

Bluto: No. (sighs) They could be any of these dogs!

Me: Hmm.

Nico: They got to be here somewhere.

Eli: Hmm

Biowulf: I could've done that.

Ludo: (sarcastically) Sure you could've.

Humphrey: Most of us are. I'm a western wolf.

Kate: And I'm Eastern. We brought our packs together.

Qin: That's awesome.

Xenia: Boy it sure is.

Qin: Yep.

Varie: We all are happy you guys are now one awesome pack.

Exhaust: Now, you're probably wondering why we're here.

Humphrey: King's back.

Me: Well yeah that's right. What can you tell us about him?

Kate: Well he is a Wolf that is bad.

She went over his history.

---

King is the main antagonist of Alpha and Omega 2: A Howl-iday Adventure and Alpha and Omega 7: The Big Fureeze. He is the Rogues' leader and Princess' father.

He was voiced by Blackie Rose.

It is revealed in the film that King and his wolves are a vicious group known as the Rogues, an offshoot of Eastern Pack wolves that broke away from Tony at some point. Not much else is given about them. King has darker fur than a lot of members in his pack, bearing a dark ash gray color. He also has prominent teeth, seen especially when he growls and laughs. Both of these are comparably different than many members of Tony's pack, emphasizing his distance from them.

While out, Stinky, Claudette, and Runt examine the place where Humphrey used to go log boarding. Runt climbs a tree to prove himself and sees three unfamiliar wolves approaching, quickly revealed to be members of the Rogues. In the ensuing encounter, the three wolves run off with Runt, bringing him back to their leader King. True to form, King seeks to use Runt as a bargaining chip to gain power. However, his plan also entails using the Rogues to kill every Alpha of both Winston and Tony's unified packs and take over their territory. King also makes it clear that he intends to kill Runt if the time for their ransom runs out or if his parents and pack don't show up.

In the meantime, King has his daughter Princess watch over Runt, which brings out her maternal instincts and makes her protective of the cub. To rescue Runt, Humphrey (standing atop Garth's back and partially hidden in the tall grass) poses as an abnormally large Alpha to distract King and his leading Rogues. When Kate rescues Runt, King orders his Rogues on the attack. However, the Rogues are fought back by the unified Pack members and bears directed by a bear cub Humphrey and Kate helped prior to this confrontation. His Rogues are defeated and sent running, trampling King in the process. King is forced to retreat and calls uselessly for Princess to aid him after she rejects his orders to attack the unified packs' home. What becomes of him afterwards is unknown, but it can be assumed that he and the other Rogues fled beyond their former territory.

King was first seen when he spotted the pups and the critters sliding down the hill and is out for revenge, due to his rogue pack being destroyed following the events in the second movie. With Hench being his only back-up, King charges for the pups, preparing to kill them. Stinky senses them coming closer and they all try to get away across the frozen pond. However, Brent falls through the ice and almost drowns. As the others try to get Brent out of the water, Claudette distracts Hench while King goes after Runt. After a struggle, the pups manage to save Brent and escape.

King and Hench went after the pups, only to be joined by the twins, Lyle and Link, who betrayed their pack and went rogue, due to the lack of food. Stinky senses King and Hench again, this time joined by Lyle and Link, and they all hide in the same cave the two wolves hid. Kate and Humphrey finally come across the caribou they've been looking for, only to be cornered by the grizzlies. The pups enter the bears' cave where Kate and Humphrey were hiding and manage to scare the rogues away, by making it look like the bears are in there.

While this is going on, Kate and Humphrey try to fight the bears, but the two of them get separated by the blizzard. They're reunited shortly after, and Kate distracts the bears while Humphrey goes to find a log on which they can logboard down the mountain. The pups arrive and notice their parents logboarding down the mountain with the three bears close behind. Claudette, Agnes and Runt distract the rogues while Brent and Stinky find a log to do the same thing their parents do. Kate and Humphrey logboard safely down the mountain and escape the grizzlies, while the pups and the critters deal with the rogues. They fly over a passing train, escaping King and reuniting with Kate and Humphrey. As the animals make their way across the valley, Marcel and Paddy arrive. However, Runt's distracted and starts playing in the snow, only to be spotted by King and the rogues who chase after him. Marcel and Paddy knock them, but King continues to chase after Runt. Just as Runt is about to get killed, Kate and Humphrey violently tackle King to the ground. Defeated and all alone, King runs away.

---

When she was done we were shocked!

Qin: Oh man!

Me: What a ruthless wolf!

Camie: He is definitely going to a zoo.

Utomodachi: What about Tony and the Western Pack?

King Shark: They've caused trouble for you guys too.

Humphrey: Oh don't worry about that. They are fully redeemed.

Xenia: Well that's a relief.

Qin: At least they learned their lesson.

Laney: Thank goodness

Disk Wars Deadpool: I hope there are future movies where you two get married and have kids.

Me: Me too.

Qin: That would be cool.

Xenia: It sure would

Hsi Wu: Me and Fenghuang will fly ahead to where King is.

Fenghuang: You guys catch up.

Me: Okay.

They flew off to find him.

Fenghuang and Hsi Wu came back and they found him and the Rogues in a clearing 20 klicks to the south.

Numbuh 274: Entrance time!

Nico: Lets do it!

We went to the clearing.

King and the Rogues were planning their attack when suddenly the spirits of wolves came and they swirled around them and they howled and then they converged and then the full moon appeared.

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

There was a wolf howling and blue fire came out and then the moon eclipsed and then out of a beam of light came us.

Me: Okay you walking fur coats, it's time for some pain!

Quillfire: Time for you to be thwarted, tyrants!

King: How dare you?!

Pyro: Actually, his use of the word "Tyrants" actually is accurate here.

Me: Yeah!

Nico: (gets out Captain Boomerang and Boomerang's Ridewatch) G'day, mates!

He threw boomerangs and smashed them down.

Qin: Yeah!

Then Moonstone, Kitty, Key, Radioactive Man, Evil Star, Springfield Mafia, Springield Bullies, Machinedramon, Samon Shakekisutanchin, Six Gum Gang, Opposite Senshi, Esdeath, Emperor Z, Nuclear Man, Stormy, UA Carnage, Technicolor Phantoms, Evil Aqua Man, Mr. Freeze, and Siren Sara appeared.

Zarya: I sure do.

Kitty: Glad to hear it.

Key: After all, you ARE the Mysticon of the Wolf.

Dixie: And Humphrey and Kate ARE wolves

Me: Yep.

Radioactive Man: (to Nico) We heard you destroyed Killjoy Huggins.

Nico: We sure did.

Evil Star: I thought you'd never get around to killing him.

Me: Well it wouldn't be fair for one of us to have a shot at him. So I wanted all of us to get shots in.

Evil Star: Fair enough.

Dumbbelltron then came.

Me: Dumbbelltron? You're up next?

Dumbbelltron: Yeah I know but it's my turn.

Me: Oh.

Dumbbelltron: Sorry if this looks weird but I drew the shorter straw

Me: I see.

Lynn: That's all right.

We got the battles underway.

Kopaka: You heard what he said. He wanted to have all of Lincoln's Guardian Angels get some shots in. It wouldn't be fair for them.

Rarity: I agree there darlings. But it was good seeing them fight it out against him like that.

Sweetie Belle: It sure was great and funny.

Gill Grunt: It was really awesome and fun.

Shannon Littlefield: You got that right.

Chione: Yep we all thought it was great.

Moonstone: That does make sense for them to all get some shots in. Lets do it!

Key: (to TJ) I heard Lincoln's rescue was in Long Island. How was it?

T.J.: It was really awesome! We took down a fallen artist named Lucas Carson, he was a talented artist, but he harbored nothing but hatred for all of mankind, and it got worse: like Brushogun, he turned to using black magic, but the black magic spell he used resulted in his soul drowning in darkness and his sanity forever fractured by his hatred for all of mankind.

Key: Goodness! That's crazy! But at least you guys got rid of him forever..

Pinkie Pie: Yeah we sure did and I'm glad he is gone.

Maud Pie: (Monotonously) He gave all artists everywhere a really bad name.

Nico: Yep. So, Monkey D. Luna, Zaria Roronoa, Mina Stormbringer, Usagi Snipblast, Saria Vinsmoke, Mylene Risqueboots, Nico Relena, Lili Nefertari, Soul Princess Brenda Songsoul, Jenbay Fishkarate, Levina Zeus, and Helena Helios what memories did you have with Lincoln?

Monkey D. Luna: Oh, we have one that we still remember to this day, and it involved an attack by that control freak, Lori, that sore loser, Lynn, that blackmailing pageant demon, Lola, that heartless mad scientist, Lisa, and that homicidal deranged prankster, Luan. One day, Lincoln was with me, Zaria, Mina, Usagi, Saria, Mylene, Nico Relena, Lili, Brenda, and Jenbay, and we were doing some workouts at our gym, and the rest of Lincoln's Guardian Angels were also with us and keeping an eye out for trouble.

Zaria Roronoa: But, then, we heard the sound of a thunderous loud burp in the air, and there was only one person who could do something like that: Lynn, and then, we heard deranged laughter, followed by the sound of three banshee screams, and we knew Lynn wasn't alone, she also had Lori, Luan, Lola, and Lisa with her, and they wanted Lincoln's head once again, along with ours.

Mina Stormbringer: Then, the doors burst open, and we saw the five hated Loud Sisters with red eyes filled with insane rage and hatred, and even worse, they had knives in hand. We knew they've now gone to resorting to try and stabbing Lincoln again, fat chance of that since Lincoln's a vampire-werewolf hybrid, so we put down the weights and we went after those five brats again as Lincoln fired blasts of fire which melted their knives, Lola, Lisa, and Luan tried to attack first, but Lincoln grabbed Lola and Lisa and he head bonked their heads with Luan's head in the middle and he knocked those three out.

Usagi Snipblast: But, then came our two big challenges: Lori who was incredibly dangerous when her already dangerously violent temper is at its peak, and Lynn who was an aggressive, bad-tempered monster and she acts like an animal. But, before any of us could do so, Lynn just ran at Lincoln yet again and tried to beat him to death, but he grabbed Lynn's fists in his hands, and Lynn tried to kick him in the crotch, but he tightened his grip on Lynn's fists and made her fall to her knees, then he'd thrown a sharp right hook and knocked that animal down, and finally, Lori was left, and she ran right at Lincoln with hatred in her heart, but Lincoln stood his ground and punched her in the stomach and he made her fall down to the floor.

Lili Nefertari: We were really impressed by Lincoln's rapidly developing and impressive immense upper-body and lower-body strength, and then, Lincoln fired red energy beams from his white angel wings and hands which turned into ropes and tied those five up. Then, we called Luna, and when that happened, she ran down there along with the rest of the Louds, and she was big-time mad at those five once again. But, Lincoln explained everything, and Nicholette Torrington showed the video clip of what Lincoln did to those five, and they were stunned. Luna said that Lincoln's like a dominant alpha male, and the way he stood his ground to defend his ladies, and we were blushing like mad.

Mylene Risqueboots: And so was Lincoln, Luna sure knows how to tease us and her little bro. But, after we told and showed them what Lincoln did to stop Lori, Lynn, Lola, Lisa, and Luan, everyone cheered for Lincoln and they were proud of him for standing up for his Guardian Angels yet again, and for taking down Lori, Lynn, Lola, Lisa, and Luan. And as a result, Lori, Lynn, Lola, Lisa, and Luan got grounded for fifteen weeks and they got sent to Aunt Ruth's during that time.

Leni: Having to deal with Aunt Ruth for fifteen weeks, that was a nightmare for those five, but they deserved it, if they were going to try and kill our brother, that's going to be the result of their horrible behavior.

Levina Zeus: Indeed, okay, now for my and Helena's turn, and you're not going to like it. One day, Lincoln, Laney, Althea, Nephele, Rayne, Morana, Aurora, Helena, and I were working on a huge art project in Art Class, we were asked to create a mural of the history of England to show to for the exhibition tonight. But, then, we heard a loud burp in the air, and Lincoln, Laney, and I knew there was no mistaking that loud burp from anywhere, we saw the doors burst open, and it was Lynn, and with her were Lori, Lola, Lisa, and Luan, and they were outright insane.

Helena Helios: Lola used a hose and washed away our mural, all of our hard work wasted, and those five brats were laughing cruelly at us, Lincoln and Laney were absolutely mad, but me, all of us were beyond pissed off at those bitches, and I fired fire and orange energy blasts at them and they got burned and hit with the energy blasts, then, we pounced on and we attacked them all with a really dangerous fury.

Levina Zeus: Then, Lincoln tied them up in energy ropes, and when Luna was called in, she grabbed her guitar and smashed it on the heads of Lori, Lynn, Lola, Lisa, and Luan knocking them out and dragging them back to Vanzilla. We then told the teacher of what those five did, and she granted us more time to do it over, but she was furious at Lori, Lynn, Lola, Lisa, and Luan for what they did, and she then called Principal Rivers and Principal Ramirez, and Lori, Luan, and Lynn got two weeks of detention, and Lola and Lisa also got two weeks of detention as well when the news hit

Superintendent Chen.

Nico: Wait, it reached Superintendent Chen? Oh lord, don't tell me that… !

Levina Zeus: Yep, just like what happened, we found out Killjoy Huggins asked Lori, Lynn, Lola, Lisa, and Luan to destroy our mural project and kill Lincoln, Laney, Althea, Nephele, Morana, and I, and Nicholette Torrington told Superintendent Chen about it, and she suspended Killjoy Huggins again, this time, for nine months months for what he did.

Lincoln: When we found out that killjoy was the mastermind behind it once again, I told Mom and Dad of what he did.

Rita: When I found out from the kids that Killjoy Huggins was at it again and he asked Lori, Lynn, Lola, Lisa, and Luan to destroy another mural project and kill Lincoln, Laney, Althea, Nephele, Rayne, Morana, and Aurora, I drove to the school and thrashed him all over the place, and I even hung him by the collar of his coat on a coat rack and told him, "If I get a call from my son yet again of any more of your dumb stunts, I'll personally take you straight to the nuthouse, you jerk!" Everyone cheered for what I did, and that killjoy grumbled wanting revenge, but I reminded him of what'll happen if he ever tries a dirty stunt like that again.

Me: He was warned numerous times by Superintendent Chen and by Ms. Rita not to do any of those dumb stunts again, but he just doesn't know when to quit.

Ronnie Anne: You got that right, and we still questioned why Superintendent Chen even hired him in the first place, since he was nothing more than a killjoy.

Girl Jordan: And a total big fat jerk to Linky.

Nico: That stupid killjoy, I ought to beat his brains in if he had any, and I'd also make him eat his own toupee.

Lincoln: Even that won't be enough to even dull his hatred of me, and you see why Shayla wanted to throw him in a nuthouse after he got fired. But, this morning on Nico's rescue, we did ultimately get years of well-deserved payback on that heartless toupee-wearing freak of nature and sent him to The Black Gates forever. J.D. told us yesterday that he was responsible for turning Lori, Lynn, Lola, Lisa, and Luan into ruthless monsters with that Dark Side Creation Serum, he definitely deserves to die.

Levina Zeus: (Gasps) So, he was the one… !

Bertha Sellington: Who made Lori, Lynn, Lola, Lisa, and Luan into the ruthless monsters we hated for so long, and he did that with that Dark Side Creation Serum, what a heartless jerk, and he did that all under our noses!

Nicholette Torrington: Now, we won't have to see his pathetic face ever again.

FLASHBACK ENDS

Lincoln: Hope you like spending the rest of your days at the zoo, you bad wolves.

Nico: Oh, Mrs. Chang's going to enjoy having a field day with teaching those bad wolves some very serious manners. Awesome job, gang, but we're not done yet.

Kaze Han: That's right, we still got Elenthra to deal with, and the third member of The Extraterrestrial Order of the Planets of Holy Ghidorah should be arriving… right now.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Elenthra.

A figure came out, and it was none other than Elenthra, the third of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Elenthra, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Elenthra: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Kaze Han: The only one who deserves to be destroyed is you.

Suddenly, Kaze Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, winds, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Wild Cyclone-themed greatsword from her back, and as she approached Elenthra, she left black energy, darkness, dark magic, winds, fiends, phoenixes, and dark angels with every step.

Kaze Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Elenthra: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Kaze Han was surrounded by a massive vortex of black energy with darkness, dark magic, and winds surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Wild Cyclone flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Elenthra: the red eyes of death. Then, as the vortex faded, Kaze Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Kaze Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, winds, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Wild Cyclone emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Wind, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Wild Cyclone with red gems for eyes and holding the Earth, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Kaze Han has on a short-sleeved blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, winds, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Wild Cyclone surrounded by darkness and winds. Suddenly, Kaze Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Gaia Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kaze Han's massive Evil HERO Wild Cyclone-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, winds, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Wild Cyclone's Darkness Wild Wind Cyclone Fiendish Phoenix Greatsword of Darkness Dark Wind Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Wild Cyclone etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Wild Cyclone's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and

Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Wild Cyclone that said, "Kaze Han, Gene-Slammer of Evil HERO Wild Cyclone, Third Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Vermida, Daughter of Dark Specter, Destroyer of Elenthra of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Wind, Dark Magic, and Infernal Phoenixes"

Kaze Han has transformed into SUPER ANGEL-EVIL HERO WILD CYCLONE-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL HURRICANE CYCLONE EVIL HERO WILD CYCLONE PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL HURRICANE CYCLONE EVIL HERO WILD CYCLONE JUSTICE AND DIVINE DEMONIC DARK INFERNAL HURRICANE CYCLONE EVIL HERO WILD CYCLONE LOVE!

We were amazed by Kaze Han's Super Angel-Evil HERO Wild Cyclone-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Elenthra saw it, she fell into an infernal rage and she got out a blaster to fire at her, but Kaze Han fired a powerful black energy blast with darkness, dark magic, wind, fiends, phoenixes, and dark angels at Elenthra, which hit her and pushed him back and she also got burned, but this really pissed her off now.

Fira Han: Whoa, Kaze's transformed, incredible!

Tiffany Emmerson: That's really incredible, and she really burned and smashed Elenthra badly.

Nico: And she's really got her pissed off now big time.

Kaze Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Hurricane Wind Evil HERO Wild Cyclone Angel and Divine Demonic Darkness Infernal Hurricane Wind Darkness Phoenix Love) And now, the dark winds of The Netherworld are coming for you, Elenthra.

Nico: Let me join in as well, Kaze, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Gaia Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Kaze Han and Nico went after Elenthra who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Elenthra and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Elenthra, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Elenthra took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Elenthra began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Elenthra's transformed into her King Ghidorah Hybrid Monster form.

Elenthra fired a Gravity Lightning blast at Kaze Han and Nico, who dodged it.

Lincoln: Kaze, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Elenthra from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Elenthra and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Elenthra into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Kaze, let's end this asshole for good.

Kaze Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Hurricane Wind Evil HERO Wild Cyclone Angel and Divine Demonic Darkness Infernal Hurricane Wind Darkness Phoenix Love) You got it, Nico.

Kaze Han and Nico sent Elenthra flying into the air, and then, they prepared their combo to put an end to Elenthra.

Kaze Han and Nico: DARK INFERNAL EVIL HERO WILD CYCLONE PHOENIX CYCLONE KAMEHAMEHA!

Kaze Han and Nico fired two massive black energy Kamehameha waves with dark fire, winds, darkness, and phoenixes which hit Elenthra, and they exploded with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Kaze Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for his crimes. We cheered as Kaze Han and Nico holster their massive greatswords on their backs and powered down, and Kaze Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Kaze Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and fifty members to go. Thanks for helping me destroy Elenthra once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Kaze.

Suddenly, Kaze Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Kaze Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Wild Cyclone flying in the air, and we saw many animals running across the field, along with elemental forces and winds blowing behind them and we cheered wildly. Then, Nico and Kaze Han absorbed the winds and they came back to us as the display and Evil HERO Wild Cyclone vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Kaze.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Talinian, which means you're up next, Valia.

Valia Han: Yeah, we'll make Talinian pay.

Nico: We sure will. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, I know, how about Gene-Slammers for The Neo-Spacian monsters.

Jaden: That's an awesome idea, Lincoln, and I did tell you guys I also use the Neo-Spacian monsters along with my Elemental HERO Neos monsters.

Me: You sure did, Jaden, this is going to be so awesome.

Wilbur: Looks like it's the zoo for King and his goons.

Me: Yep.

Fat Tony: Personally, I would've sent them to the pound.

Jimbo: The pound is for regular dogs, not wolves.

Me: Yeah.

Machinedramon: Either way, they got what they deserved.

Nico: That's for sure.

Samon Shakekisutanchin: (to Humphrey and Kate) You two did good today.

Goof: How would you two like a steak as a reward?

Humphrey; Oh boy!

Me: We got plenty of them.

Nico: Yep. Great job today everyone.

Zarya: (To the viewers) Hope you liked this one for the wolves. It was awesome guys.

Me: It sure was.

Me and Zarya kissed.

We went back home to enjoy the rest of the day and went to sleep.

The End.

Her name is Jen Scotts XXXVIII and she is a time traveller from the 71st Century that Nico knows and she is also the descendant of Jen Scotts from Power Rangers Time Force.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Green Bay, Wisconsin, and Lincoln and his group are going to take down an old enemy of The Elemental Ninja Heroes named Xander Diabolos, a dangerous vampire. But, years ago, when he was still human, he was a bully who terrorized everyone in Royal Woods until he was defeated by The Elemental Ninja Heroes and he was then expelled. But, then, one night, he wound up getting attacked by a vampire, but this wasn't from any of the vampires Lincoln and his Guardian Angels have known and fought against, no, the vampire that attacked him was one of the vampires that attacked Barrow, Alaska from the movie 30 Days of Night. Xander Diabolos survived, but when he rose again, he was no longer a human, he was turned into one of the vampires, and survived by attacking any one or thing crossing his path and feeding on their flesh and blood. But, now, we're going to destroy him for good.

Also during the exercise scene, Lincoln is going to tell us how Rita and Lynn Sr. met all of Lincoln's Guardian Angels and how they destroyed the iron grip of Lori, Luan, Lynn, Lola and Lisa and the punishments that followed to them.

And we're going to be meeting Gene-Slammers for the Neo-Spacian monsters in the days to come on Lincoln's rescues, the first of the Neo-Spacian Gene-Slammers is a Neo-Spacian Dark Panther Gene-Slammer named Alexa Oleson, she's Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also the leader of the Barrow Anti-Vampire Defense Coalition, a group formed by the Neo-Spacian Gene-Slammers in the wake of the aftermath of the vampire massacre of Barrow, Alaska that resulted in the deaths of the 98 men, women, and children that remained in Barrow, Alaska that day years ago during the month-long darkness. Lincoln's also a member of that group, and he's known as The Vampiric Elemental Slayer, because he'd slain a lot of vampires whenever any of them came out. Alexa Oleson also has powers of darkness, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a panther pendant, and to show thanks, she kissed Lincoln on the lips. She's also the younger sister of Sheriff Eben Oleson and Jake Oleson, and though she hates Lori with a burning passion, there's one person she absolutely hated, and it was Marlow Roderick, the vampire leader who was responsible for the attack on Barrow, Alaska those years ago, which led to the brutal deaths of those she knew and it also led to her older brother turning himself into a vampire to save the town, but he also had to sacrifice his humanity in order to save those who were still alive, and that included her second older brother Jake Oleson and her sister-in-law, Stella Oleson.

The next chapter is gonna be in two parts. For this Non-Combat Chapter we're going to learn all about the origin of Puss N Boots and we're going to learn about a flashback from the Loud House episode Game Boys.

See you next time.

# GAME BOYS

This chapter is based on the Origin of Puss N Boots and also the episode of The Loud House called Game Boys.

NOTE: The Flashback for the Game Boys episode takes place between chapters 7 and 8

Lola: Yeah! This will be fun!

Nico: Chiro, remember when we met you and your team?

Chiro: Boy how can I forget. That was during the final day of the 20 Days of Darkness. We helped you guys take down the Sullen 6.

Me: And we will always be forever grateful to you guys for that.

Nico: We sure will.

Lola: That was so awesome that you and the Super Monkey Force go all over the universe like that.

Camie: I wasn't with you guys when that happened. Can you tell me what went down?

Nico: We sure can.

I went over what happened during the events of chapter 1325 and it was awesome.

When I was finished everyone that hadn't heard about it was shocked.

Sirius: Whoa! That is amazing!

Lola: Yeah and that ended the chapter of the most dreaded saga in our teams history.

Tara: That was crazy.

Chiro: I was kinda skeptical that Mandarin could change.

Me: I know. But at least we saved him from the darkness he had in him.

Qin: Blame the Skeleton King for that.

Lola: Yeah no kidding.

Xenia: But now the Skeleton is gone thanks to the battle with Opaline.

Camie: Yep.

Chiro: Thank goodness.

Zarya: Yeah it was! I loved that mission.

Qin: We all did. Wolves are so awesome.

Me: Well it was my idea for it.

Nico: It worked really perfectly.

Eli: Boy I'll say.

Nico: That was so fun.

Maria: I fed Humphrey and Kate steaks.

Me: You sure did. Thanks to your own Rump Roast Magisword.

Nico: Yep.

Maria: That's true.

Nico: There's more steals where those came from.

Qin: So awesome.

Camie: But it was still an awesome adventure.

Me: Yep.

Nico: I wonder who we're going to face here

Me: I think our old friends of the P.T.O.O.E.Y. Squad!

Principal: Parent Teacher Organization Of Eradicating Youngsters, ATTACK!

Nico: WHOA!

Camie: Who are they?

Me: An evil version of the Parent Teachers Association.

I went over their history.

---

The Parent Teacher Organization of Eradicating Youngsters are a minor villainous faction in animated action-comedy series Codename: Kids Next Door.

It is a small group of five adult villains including both parents and teachers, as their name implies. They are a parody of the PTA. Like many of the show's villains, the members of the group represent archetypes of oppressive authority figures, in this case those related to school.

They consist of The Principal, a school principal and the de facto leader of the group, who can fly but seems to do little else, voiced by Tom Kenny, Mad Dad, an abusive father figure who is angry with his child's poor grades, voiced by Jeff Bennett, The Terrible Tutor, a a school tutor who can shoot textbooks from his sleeves, voiced by Dee Bradley Baker, Heli-Teacher, an old woman possessing a flying chair, voiced by Cree Summer, and Midwestern Mom, a wrestler-like mother figure, voiced by Grey DeLise.

Their only major appearance was in "Operation: N.O.-P.O.W.U.H.", in which they attack the Sector V Treehouse but are quickly defeated. Aside from this, the members of the group are frequently seen at large gatherings of villains.

Nico: (GASP) Jen Scotts XXXVIII!? Whoa!

Me: Wait are you…

Celebi: Yes I sure am. I'm the descendant of Jen Scotts from the

31st Century. I came from 4,000 years from her time. I'm from the year 7078 A.D.

All of us: WOW!

Me: That's 5,055 years from now. That's awesome!

Xenia: Yeah it is!

Me: Your ancestor is the Pink Ranger of the Time Force Rangers and she is an amazing and skilled warrior too.

Nico: She sure is.

Qin: She did so many good deeds over the years both in the 31st Century and in our time too.

Celebi: That's what I heard and knew. I'm proud of her.

Nico: We'll revert you back later.

Me: Yeah.

Celebi: No worries. I got plenty of time to wait.

Xenia: Wow!

Lola: This is gonna be awesome.

Another Dark Dryad: (In a girls voice) (British Accent) I saw you guys beat up these 5. Awesome job.

We gasped!

Nico: You got to be kidding me!? Hogwarts has a Sailor Soldier!?

Sailor Hogwarts: It sure is. But it's good to see you again J.D.

Me: You too. Rowena is the direct descendant of Rowena Ravenclaw.

Nico: That is amazing!

Me: Yep.

Sailor Hogwarts: Indeed. And I have seen you guys destroy Voldemort and his followers along with Salazar Slytherin and those Muggle morons the Dursleys.

Me: Well we sent the Dursleys to prison. But yeah those clods all got what was coming to them.

Nico: The Dursleys deserve jail.

Sailor Hogwarts: I agree with you there on that. Especially for their harsh treatment of young Harry Potter.

Qin: You'll get no argument from me on that.

Xenia: Yeah they were monsters.

Me: But they were not as bad as Voldemort was. He was going to wipe out 7.3 billion innocent people so pureblood wizards can rule in the name of evil.

Sailor Hogwarts: It's good you guys destroyed them.

Nico: That was a really epic battle.

Me: No kidding. One of the most explosive and most intense battles ever.

Qin: It sure was.

Sailor Hogwarts: And I'm glad they are all destroyed. The wizarding world went through a horrific nightmare with him and I'm glad he and his followers are gone forever.

Nico: Yep.

Me: What they were going to unleash was a wave of murder, genocide, annihilation, racism and evil on steroids.

Sailor Hogwarts: It's good you guys took them out. Thank you.

Me: You're welcome Rowena. Your ancestor and the founders of Hogwarts made a really good call to banish Salazar Slytherin.

Sailor Hogwarts: I'm glad that they did.

Maria: Harry still deserved to be raised better!

Me: You'll get no argument from me.

Sailor Hogwarts: I agree there. I'm glad the Dursleys are now in jail for their crimes.

Me: Yeah so is everyone on Earth. They hate wizards. Calls them freaks. The only freaks I see there are those 3 douchebags.

Sailor Hogwarts: That is for sure. Well said.

Nico: I agree. But thanks to J.D. bringing everyone back with the Cosmic Cube, I'm glad everyone has their lives back and that all the damage done by Voldemort and his followers was erased.

Me: Thank goodness. But using the Cosmic Cube was a one time deal.

Nico: Yeah that was awesome though.

Maria: And it was on the day the Redemption Squad was first formed.

Sailor Hogwarts: That is amazing.

Lola: Yeah that was awesome.

Me: Yeah. By the way Rowena are there anymore opponents with you?

Sailor Hogwarts: As a matter of fact yes. Another version of her.

She pointed to Waffle Woman.

Waffle Woman: Another me? Wow!

Me: This is a battle that will be part of a complete breakfast.

We laughed!

Nico: Hey that was awesome.

Me: Yep. Friendly or hostile?

Sailor Hogwarts: Friendly. And this one is gonna be interesting.

Me: I have a feeling it will be.

Nico: You're up, Laney

Laney: Here we go.

Sailor Hogwarts: This will be fun.

I brought Sailor Hogwarts over.

Sailor Hogwarts: Blimey! That is a nasty headache.

Nico: You'll be all right.

Nico: The Dursleys deserve jail.

Sailor Hogwarts: I agree with you there on that. Especially for their harsh treatment of young Harry Potter.

Sailor Hogwarts: Blimey! That is a nasty headache.

Nico: You'll be all right.

Maria: Time to call in the troops.

Maria: ARBOR FORCE 6!

She summoned Arbormon, Bushroot, Pitcher Plant Monster, Monster Tree Stump, Timberius, and RTN Kisame Hoshigaki along with Evil Wood Man, Evil Plant Man, Woodmon and Cherrymon.

Nico: This is gonna be awesome.

Qin: Yep.

Then a figure came out and it was ANOTHER WAFFLE WOMAN! It looked like a dark version of Waffle Woman.

Me: WHOA! Another Waffle Woman!

Eli: This is a really unusual one. I'm sensing 4 Energy Signals in this one.

Another Waffle Woman: (Voice 1) (Spanish Accent) That's right. But we're in a pickle. (Voice 2) (French Accent) It's a crazy one. (Voice 3) (British Accent) Yeah this is crazy. (Voice 4) (Canadian Accent) It sure is a crazy one eh.

Another Waffle Woman: (Voice 3) He put 4 Separate Wonder Ride Books that merge into one in each of us combined with a Ridewatch.

Me: And they merged you all into one. That is crazy!

Nico: How did you meet?

Me: We met during the Triwizard Cup. We became great friends. I saved their lives in that event.

Nico: Oh right! I remember that.

Me: Yep. And they make some of the best waffles ever for breakfast. They are awesome.

You know there's zombies on the prowl

And

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

You hear the beating of your heart

You know the screaming's gonna start

Here comes the really scary part

'Cause

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

All the trees begin to moan

And the monsters grunt and groan

Rotting faces full of slime

Don't you know it's terror time?

And…

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

I floated and fired waves of explosive eggs and blasted Another Waffle Woman all over the place with incredible fiery mess!

Nico: AWESOME!

Me: That was for the movie Otra película de huevos y un pollo.

Another Waffle Woman: (Voice 1) Another Movie about Eggs and a Chick. That is one of my favorites.

Me: That was a really awesome movie.

Eli: Those Zombie Eggs are now in our frenemies in the M.O.E.

Another Waffle Woman: (Voice 1) That is amazing.

Me: It sure is. Boy it must be harder than hell for you girls to have to share one body like this.

Another Waffle Woman: (Voice 3) Oui and it is a nightmare.

Me: Boy I would hate to imagine what would happen if me and Nico were like that. No offense.

Nico: None taken but yeah.

Qin: Yeah.

Nico: (gets out Waffle Woman's Ridewatch) Breakfast fight, bitches!

Nico fired Strawberry bombs and they hit her and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Nico: Coffee anyone? (ACTIVATES CUPPA JOE'S RIDEWATCH)

He fired Coffee and blasted her down.

Me: Nice!

May: (gets out Crusher's Ridewatch) Maria, you should go on Nerissa's mission today.

Maria: That's a good idea. But only if Carmen and Liam go with.

May: Fair enough.

May activated the Ridewatch.

She bulked her arms up and smashed the ground and smashed her down.

Qin: NICE!

May: Lets see what this does. (ACTIVATES T-119A'S RIDEWATCH)

BOOM!

The top of her head exploded and landed back on.

May: Okay that was weird.

Me: Sorry May but Plankton said that they were supposed to do that.

Maria: (gets out Mr. Breakfast's Ridewatch) Time to add more to this breakfast battle!

Maria activated it and fired waves of eggs, bacon and hashbrowns and smashed her down.

Me: YEAH! Now for my favorite. (ACTIVATES WAFFLE WOMAN'S RIDEWATCH)

(DO YOU LIKE WAFFLES BY PARRY GRIPP PLAYS)

Me: (SINGING DIVINELY AS WAFFLES, PANCAKES AND FRENCH TOAST SWIRLED AROUND ME)

Do you like waffles?

Yeah, we like waffles

Do you like pancakes?

Yeah, we like pancakes

Do you like french toast?

Yeah, we like french toast

Do-do-do-do, can't wait to get a mouthful

Waffles, waffles, waffles, waffles

Do-do-do-do, can't wait to get a mouthful

Do you like waffles?

Yeah, we like waffles

Do you like pancakes?

Yeah, we like pancakes

Do you like french toast?

Yeah, we like french toast

Do-do-do-do, can't wait to get a mouthful

I danced and fired waves of breakfast and smashed her down!

Nico: YEAH!

Maria: I don't take any prisoners! (ACTIVATES UNIVERSE 666 TRAKEENA'S RIDEWATCH)

She fired waves of energy and smashed her down!

Nico: OH YEAH!

Me: If that were our universes version of Trakeena I would gladly say that to her. I hope we face her tomorrow.

Nico: I have a feeling we won't face her.

Me: Well I can always wait on that one.

Then Lord Drakkon and his team came and he had Zen Aku, Mele, Cottontail Smith, Lady Flamicorn, and Gimme.

Nico: Nice team, Drakkon!

Drakkon: Thanks Nico.

Me: So it's my turn tomorrow! Awesome!

Nico: Yep.

Me: And talk about perfect timing. Because I unleash the ultimate extent of my rage and vengeance on Hiroshi on the big day.

Nico: Yep.

Me: And Cottontail Smith!? Boy those were great times. I loved watching you get bested by Bugs Bunny with Superman style powers.

Cottontail Smith: Yeah that was fun.

Camie: Yeah.

Lady Flamicorn: (Speaking in Korean) 내가 팀에 합류하는 것은 시간 문제라는 것을 알고 계셨습니까? (You knew that it was only a matter of time before I was put on a team?)

Me: (Speaking in Korean) 나는 그것이 올 것이라는 것을 알고 있었지만 네, 그리고 당신이 이런 팀에 합류하게 되어 정말 기쁩니다. 정말 기대됩니다. (I knew it was coming, but yeah and I'm really excited that you are going to be put on a team like this. I'm really excited for it.)

Qin: That is true.

Me: I'm excited myself too.

Chiro: Want some more coffee? (ACTIVATES CUPPA JOE'S RIDEWATCH)

He fired waves of energy and coffee and smashed them down.

Maria: Jen, you already came to us. You do the honors.

Celebi: With pleasure.

She fired an energy ball and smashed down Another Waffle Woman and I caught the Wonder Ride Book and Ridewatch and purified them. The Wonder Ride Book was called The Waffles of Interstellar Breakfast. It was a Wonder Almighty Size Wonder Ride book.

Me: Wow.

I brought over all 4 girls. Sailor Azkaban was a girl with black hair and purple clothes, Sailor Ilvermorny was a girl with Red Hair and Red and White Clothes, Sailor Castelobruxo was a girl with blond hair and had green and yellow clothes and Sailor Beauxbatons was a girl with Aqua blue hair and had blue and aqua blue clothes.

Me: That was awesome though.

Xenia: Yep.

Celebi: It sure was.

Me: Great job though.

Chiro: Any favorite memories of Nico?

Celebi: Actually yes. My favorite is when me and Nico went to the 71st century and we faced Long John Silver LXXV.

Me: WOW! That's amazing!

Nico: It sure was. An awesome futuristic Swashbuckling adventure.

Nicole: Boy that is amazing.

Me: Believe it or not we actually went to the 71st Century before. But it was to rescue Lori from a transporter incident. We actually met our 71st Century selves in that timeframe.

Celebi: That's what I heard! That is amazing!

Lola: You wouldn't believe what happened in your time.

Celebi: I heard about that! That is cool.

Nico: Yep.

I put on my blind man glasses and Nico got out a green leotard.

The boys covered their eyes and I snapped my fingers and Jen reverted back. She was a girl with green hair and had purple eyes and Nico gave her the leotard and she put it on and got up.

Jen Scotts XXXVIII: (Groans) That was rough.

Nico and Jen hugged.

Nico: I really missed you.

Jen Scotts XXXVIII: Me too Nico. Me too.

Qin: But Jen Scotts here is gonna flip seeing you here.

Jen Scotts XXXVIII: Yeah she sure will.

But, then, one night, he was attacked by a vampire, but this wasn't from any of the vampires Lincoln and his Guardian Angels have known and fought against, no, the vampire that attacked him was one of the vampires that attacked Barrow, Alaska from the movie 30 Days of Night. Lincoln: Wow, we're here in Green Bay, Wisconsin, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to destroy an old enemy of The Elemental Ninja Heroes named Xander Diabolos, a very dangerous vampire.

Chikara Uzumaki: Oh man, not that monster again.

Nico: Uh oh, looks like you all have quite a history with this guy, and he's also a dangerous vampire. Can you tell us about him?

Lincoln: Of course, Nico, but I got to warn you: it's linked to my rescue in Barrow, Alaska we did in The Simulator last year. See, years ago, Xander Diabolos at first wasn't a vampire, he was a human, but he was a really mean bully who terrorized everyone in Royal Woods until he was defeated by The Elemental Ninja Heroes and he was then expelled.

Daisy Haruno: But, then, one night, he was attacked by a vampire, but this wasn't from any of the vampires Lincoln and all of us had known and fought against in the past.

Karai Nara: No, the vampire that attacked him was one of the vampires that attacked Barrow, Alaska from the movie 30 Days of Night. Xander Diabolos survived.

We gasped.

Eli: Not those monsters again. Did he…?

Iroha Yamanaka: No, he survived, but when he rose again, he was no longer a human, he was turned into one of them, and he survived by attacking anyone or thing crossing his path and feeding on their flesh and blood, and staying out of the sun.

Gohan: Now, I know why you said it was linked to your rescue last year in the Simulator version of Barrow, Alaska, Lincoln.

Lincoln: That's right, Gohan, and you're going to hear even more about this later. But, right now, we got to find Xander Diabolos and destroy him for good by cutting his head off and making sure that his body is nothing but ashes, and I want to thank you and your team for joining us, Mallow.

Mallow: You're welcome, Lincoln.

Suddenly, we saw Neo-Spacian Dark Panther appear before us, and with it are the seven girls.

Nico: Whoa, that's Neo-Spacian Dark Panther, really cool.

Neo-Spacian Dark Panther: (Girl's voice) Thanks, and I also got the girls away from Xander before he could attack them.

Lincoln: (Gasps) That voice, Alexa Oleson, I knew it was you, it's awesome to see you again.

Suddenly, we heard an unearthly screech in the air, and we saw something heading for us: a male with black hair, pitch-black eyes, deathly pale skin, razor-sharp talon-like claws, mouth full of sharp fangs, mouth and jaw covered in blood, and dressed in a long pitch-black trenchcoat, white dress shirt, pitch-black pants, and pitch-black boots, it was Xander Diabolos.

Lincoln: Right on time, Xander Diabolos.

Me: And there was no mistaking the unearthly screech from anywhere, Lincoln's rescue last year in the Simulator version of Barrow, Alaska, was one of the most terrifying yet.

Nico: Yeah, and we saw what those vampires were like. Let's get him and cut his head off!

Then, Lincoln swung his massive greatsword which sliced off Xander Diabolos' head, and his headless body fell to the ground, and while his spirit was sent to The Black Gates, Lincoln fired a blast of ultra-concentrated sunlight at the head and corpse and it was burned to ashes, and then, he threw them into the sun and were completely incinerated. We cheered as we holstered our weapons and powered down.

Lincoln: And that's one less vampire we have to deal with. (To Alexa Oleson) And it's so good to see you again, Alexa Oleson.

Alexa Oleson reverted back to normal, and she's a beautiful girl with long black hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful black angel wings and she reigned in the power of Neo-Spacian Dark Panther, she's dressed in a long-sleeved black coat, short-sleeved black blouse, sleeveless black midriff top, black skirt, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with darkness, stars, panthers, and angels on the coattails and on the back is Neo-Spacian Dark Panther and holstered on her back is a massive Neo-Spacian Dark Panther-themed greatsword with embedded red gems and Neo-Spacian Dark Panther etched on the 7'0" massive, wide, double-edged black blade, large Neo-Spacian Dark Panther heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large Neo-Spacian Dark Panther heads and large red gem on the bottom of the large Neo-Spacian Dark Panther heads for the pommel.

Alexa Oleson: You too, Lincoln, it's been such a long time.

Lincoln went up to Alexa Oleson and he hugged her, and Alexa Oleson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were sixteen, and as you can see, I really grew a lot since then.

Alexa Oleson: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Alexa Oleson, she's my Guardian Angel from Barrow, Alaska and classmate in Gym, Alexa Oleson also has the powers of darkness, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, I made her a necklace with jewels in her favorite color and a panther pendant, and to show thanks, she kissed me on the lips.

Alexa Oleson: And before any of you ask, I'm also the younger sister of Sheriff Eben Oleson, and though I hate Lori with a burning passion, there's one person I absolutely hated: Marlow Roderick, the vampire leader responsible for the attack on Barrow, Alaska those years ago, which led to the brutal deaths of those I knew and it also led to my older brother turning himself into a vampire to save the town, but he also had to sacrifice his humanity in order to save those who were still alive, and that also included my second older brother, Jake Oleson, and my sister-in-law, Stella Oleson.

We gasped.

Me: That's right, in the Simulator version of Barrow, Alaska, we prevented the vampire massacre, but in the real world, the massacre did occur all those years ago.

Nico: And it led to the deaths of those ninety-eight people, and Eben turning himself into a vampire to save those still alive, but even after he killed Marlow, he knew the risk he took.

Lincoln: And he chose to die as the first sunrise in a month came, rather than live forever as one of the monsters that killed those he cared about.

Alexa Oleson: Stella and Jake told me about it, along with the others, and we were heart-broken to hear of it.

We then saw she had a symbol on her trenchcoat: it was an anti-Marlow symbol with the picture of Marlow Roderick with a No sign across his face.

Me: Hey, what's with that symbol on the back of your trenchcoat?

Alexa Oleson: What, this? Oh yeah, I forgot to tell you, I'm the leader of The Barrow Anti-Vampire Defense Coalition, a group Lincoln and I along with the other Neo-Spacian Gene-Slammers formed in the wake of the aftermath of the vampire massacre of

Barrow, Alaska that'd resulted in the deaths of the 98 men, women, and children that remained in Barrow, Alaska on that day years ago during the month-long darkness.

Lincoln: Yeah, I'm also a member of the group, I'm known as The Vampiric Elemental Slayer, because I'd slain a lot of vampires whenever any of them came out. Plus, you guys are also going to hear from me how Mom and Dad met all of my Guardian Angels, and how they destroyed the iron grip of Lori, Lynn, Lola, Lisa, and Luan and the punishments that followed to them.

Alexa Oleson: Yeah, it's something we still remember to this day. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Alexa Oleson: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Alexa Oleson: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Alexa Oleson, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Alexa Oleson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alexa Oleson's neck with purple gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird

Choker of Eternal Love on her neck.

Alexa Oleson: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alexa Oleson.

Alexa Oleson had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Lafanpan, Raelza, Flanril Lil Aril, and Liliza from Handyman Saitou in Another World and Grace, Candy, and Jane from Fighting Vipers.

Lincoln: Oh wow, it's Lafanpan, Raelza, Flanril Lil Aril, and Liliza from Handyman Saitou in Another World and Grace, Candy, and Jane from Fighting Vipers.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Lafanpan: Yes, we're okay, thanks to you.

Then, when Lafanpan and the other six girls saw who it was that saved them from that vicious and bloodthirsty vampire Xander Diabolos, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Lafanpan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Lafanpan: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lafanpan, Raelza, Flanril Lil Aril, Liliza, Grace, Candy, and Jane with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an old foe of The Elemental Ninja Heroes named

Xander Diabolos, a dangerous vampire. But, years ago, when he was still human, he was a bully who terrorized everyone in Royal Woods until he was defeated by The Elemental Ninja Heroes and he was then expelled. But, one night, he wound up getting attacked by a vampire, but not from any vampires Lincoln and his Guardian Angels knew and fought against, the vampire that attacked him was one of the vampires that attacked Barrow, Alaska from the movie 30 Days of Night. Xander Diabolos survived, but when he rose again, he was no longer a human, he was turned into one of the vampires, and he survived by attacking any one or thing crossing his path and feeding on their flesh and blood.

But, when Lincoln showed what we did in attacking him and Lincoln finishing him off by cutting off his head, sending his evil spirit to The Black Gates, and throwing his head and corpse into the sun as it incinerated his head and body into ashes, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Alexa Oleson have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so the villain you faced was a once a bully, but wound up getting attacked by one of the vampires responsible for the attack on Barrow, Alaska, yeesh, I can tell you had to chop his head off.

Lincoln: And throw his head and body into the sun to be incinerated.

May: And we met one of the Neo-Spacian Gene-Slammers who happens to be related to Eben Oleson.

William: Wait, we met Eben last year, right?

Lincoln: We only met him in The Simulator, but in the real world, he…

William: Oh, yeah, now I remember.

Roxas: Wait, we prevented the vampire massacre in Barrow in the Simulator last year, wouldn't that mean…?

Suddenly, we saw on the computer bright lights descending in

Barrow, Alaska, and from there, we all saw the 98 men, women, and children who died in the vampire massacre being brought back, and among them was Eben Oleson, restored to human form. Then, we saw the Simulator counterparts of the people we met merge with the real life counterparts.

Alexa Oleson: Eben.

Lincoln: Looks like you got your answer, Roxas.

After putting an end to the vampire Xander Diabolos, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alexa Oleson saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Alexa Oleson: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Alexa, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alexa Oleson: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Alexa Oleson: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lincoln, can you tell us how your parents met all of your Guardian Angels, and how they destroyed the iron grip of Lori, Luan, Lynn, Lola, and Lisa and the punishments that followed to them?

Lincoln: I've been wanting to tell you all this for a long time. I was only eight years old when I took Mom and Dad to meet all of my Guardian Angels, and they were quite surprised at how many of them there were, and Dad fainted as Mom got him back up. But, after the introductions were made, they'd decided to talk to my parents and they told them of what Lori, Lynn, Lola, Lisa, and Luan have been doing to me, and they even showed them the photos of me getting beaten, blackmailed, pranked, and experimented on all while they were laughing cruelly at me. This absolutely horrified Mom and Dad, but they couldn't turn against Lori, Lynn, Lola, Lisa, and Luan, because if they find out, they will kill them and everyone else, and then, they'd move onto killing everyone in town. The Arcana Force Gene-Slammers read their minds and found out those five had them in an iron grip, and they used a ton of fear on Mom and Dad, so they used telekinesis to calm them down, and then, they severed the psychological iron grip they had on them, and when that happened, they were now freed from that psychological horror Lori, Lynn, Lola, Lisa, and Luan had on them, and they went up to me and they hugged me tightly and they cried, as they apologized to me over and over. But, I just held onto them and hugged them tightly as I let out my own tears, and I forgave them, it wasn't their fault, Lori, Lynn, Lola, Lisa, and Luan were to blame. After the tears were finally let out, the Guardian Angels got together with my parents and I and we planned out the punishments that you guys were told about in the many revelations, and with a sharp resolve and renewed determination, Mom and Dad agreed to use the punishments on Lori, Lynn, Lola, Lisa, and Luan.

We cheered.

Me: Whoa, so Lori, Lynn, Lola, Lisa, and Luan had their parents in an iron grip of fear, and they also had a tyrannical iron grip on the house, and they did whatever they pleased, such as inflicting pain on you?

Lincoln: Yep, and this was long before you moved to Michigan, J.D.

Nico: Damn. J.D., we knew Lori, Lynn, Lola, Lisa, and Luan were ruthless monsters because of their Dark Sides, but to also have an iron grip on the lives of the nice sisters and parents, and include a threat of death on them if they ever broke free, that would've warranted getting them sent off to a boarding school in Russia.

Me: Where they'd be under some strict supervision and are taught manners and discipline. But, the one to blame for it.

Lincoln: Was Killjoy Huggins, and I was so glad I ripped his manhood off yesterday.

Alexa Oleson: Wait, you did what?

Rita: Lincoln bit that killjoy on the crotch, and he ripped his manhood off yesterday when he got loose to kill us, it was really brutal.

Nicholette Torrington: Yeah, and Qin kicked him hard in the stomach and that caused his intestines to spill out and Lily bit him on the neck hard and ripped it open.

Alexa Oleson: Yeesh, and to find out Principal Huggins' Dark Side was the one responsible for all this, there really is no end to his hatred.

Lincoln: The only way to end his hatred was to kill Killjoy Huggins, the very source of my pain from the very beginning.

Alexa Oleson: That's right, and our duty will always be to protect you, Lincoln.

We got a shower, and then, Lincoln, Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews are heading to Jolly Roger Bay.

Howleen Wolf: Whoa, so this is Jolly Roger Bay, awesome.

Lincoln: I've been here many times before, Howleen, and it's always awesome. Shall we?

Lincoln, Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews, and they hugged the girls in their abnormally massive and powerful muscular arms, and Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf

Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Clawdeen Wolf: (Snickers) Looks like someone's enjoyed their beach date at Jolly Roger Bay, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew that Amanita Nightshade, Ari Hauntington, Catrine DeMew, Catty Noir, Dayna Treasura Jones, Gilda Goldstag, Gooliope Jellington, Howleen Wolf, Iris Clops, Jane Boolitle, Scarah Screams, Silvi Timberwolf Wydowna Spider, Elle Eedee, Mouscedes King, and Luna Mothews had the hots for Lincoln.

Clawdeen Wolf: Thank the rest of us for introducing them to him, and now, they're part of his harem.

Howleen Wolf: You got that right, Clawdeen.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Talinian, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Talinian of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Talinian, right, Valia?

Valia Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Lucinda Stewart: While you and Nico destroy Talinian and give him The Black Gates.

Lincoln: They've really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go down to the park and hunt down Talinian.

Lincoln: You better be ready to die, Talinian, we're not going to let you get away with your desires for revenge.

Valia Han: You better be ready to suffer, Talinian, for you shall be burned by the dark winds of The Netherworld, and your soul will know nothing but eternal suffering.

Lincoln put up a rainbow energy field around The World Tree Estate, and we went out to the park to go after Talinian.

We arrived at the park to hunt down the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah, Talinian.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Talinian.

A figure came out, and it was none other than Talinian, the forth of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Talinian, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Talinian: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Valia Han: The only one who deserves to be destroyed is you.

Suddenly, Valia Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Infernal Sniper-themed greatsword from her back, and as she approached Talinian, she left black energy, darkness, dark magic, flames, fiends, phoenixes, and dark angels with every step.

Valia Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Talinian: wanting

King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Valia Han was surrounded by a massive vortex of black energy with darkness, dark magic, and flames surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Infernal Sniper flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Talinian: the red eyes of death. Then, as the vortex faded, Valia Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Valia Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Infernal Sniper emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Fire, Dark, and Eternity Kanjis in its hands, she also has Evil HERO Infernal Sniper with red gems for eyes and holding the Fire, Dark, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Valia Han has on a short-sleeved blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, flames, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Infernal Sniper surrounded by darkness and winds. Suddenly, Valia Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Valia Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Valia Han's massive Evil HERO Wild Cyclone-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, flame, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Infernal Sniper's Darkness Sniper Hellfire Fiendish Phoenix Greatsword of Darkness Dark Fire Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Infernal Sniper etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Infernal Sniper's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Infernal Sniper that said, "Valia Han, Gene-Slammer of Evil HERO Infernal Sniper, Expert Marksman, Third Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Evil Inferno, Destroyer of Talinian of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Wind, Dark Magic, and Infernal Phoenixes"

Valia Han has transformed into SUPER ANGEL-EVIL HERO INFERNAL SNIPER-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNAL SNIPER PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNAL SNIPER JUSTICE AND DIVINE DEMONIC DARK INFERNAL FIRESTORM EVIL HERO INFERNAL SNIPER LOVE!

We were amazed by Valia Han's Super Angel-Evil HERO Infernal Sniper-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Talinian saw it, he fell into an infernal rage and he got out a blaster to fire at her, but Valia Han fired a powerful black energy blast with darkness, dark magic, fire, fiends, phoenixes, and dark angels at Talinian, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Valia's transformed, incredible!

Lucinda Stewart: That's really incredible, and she really burned and smashed Talinian badly.

Nico: And she's really got him pissed off now big time.

Valia Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Evil HERO Infernal Sniper Angel and Divine Demonic Darkness Infernal Firestorm Darkness Phoenix Love) And now, the dark fires of The Netherworld are coming for you, Talinian.

Nico: Let me join in as well, Valia, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Valia Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Valia Han and Nico went after Talinian who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Talinian and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Talinian, drawing more blood and leaving more scars on her, and he was being driven even more ballistic. Suddenly, Talinian took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Talinian began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Talinian's transformed into his King Ghidorah Hybrid Monster form.

Talinian fired a Gravity Lightning blast at Valia Han and Nico, who dodged it.

Lincoln: Valia, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Talinian from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Talinian and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Talinian into his body through his skin and he assimilated his powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Valia, let's end this asshole for good.

Valia Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Evil HERO Infernal Sniper Angel and Divine Demonic Darkness Infernal Firestorm Darkness Phoenix Love) You got it, Nico.

Valia Han and Nico sent Talinian flying into the air, and then, they prepared their combo to put an end to Talinian.

Valia Han and Nico: DARK INFERNAL EVIL HERO INFERNAL SNIPER PHOENIX DEMONIC FIRESTORM KAMEHAMEHA!

Valia Han and Nico fired two massive black energy Kamehameha waves with dark fire, fire, darkness, and phoenixes which hit Talinian, and they exploded with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Valia Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Valia Han and Nico holster their massive greatswords on their backs and powered down, and Valia Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Valia Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-nine members to go. Thanks for helping me destroy Talinian once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Valia.

Suddenly, Valia Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Valia Han's face, they kissed passionately as she moved her arms and placed her hands on

Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Infernal Sniper flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Valia Han absorbed the flames and they came back to us as the display and Evil HERO Infernal Sniper vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Valia.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Fulexia, which means you're up next, Melissa.

Melissa Han: Yeah, we'll make Fulexia pay.

Nico: We sure will. Say, Lincoln, which Neo-Spacian Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, I know, how about the Neo-Spacian Flare Scarab.

Alexa Oleson: Awesome, and there's only one person I know who would be Gene-Slammed into Neo-Spacian Flare Scarab: Sophia Kitka, niece of Billy Kitka, my brother's old friend and Deputy Sheriff of Barrow, who died after that vampire, Arvin, attacked and bit him, but had to be beheaded by Eben due to him about to turn into a vampire. But, I know Eben and the others are going to want to see us now that we're coming back.

Nico: You said it, Alexa.

---

Later it was time for Nerissa's second mission.

William: Anyone else want to go with Nerissa? Besides Mandark and Cheese?

Maria: Me, Carmen and Liam will go too.

Twilight Sparkle: And me and my friends will go too.

Superman: And same with me and the Justice League.

Me: Awesome Kal. It'll be awesome for you guys to meet the Legion.

Nico: Yep.

Bender: Me and the Planet Express will go this time as well.

Fry: Yeah this will be awesome.

Leela: It sure will.

Eli: I have a feeling we're going to face Timber Wolf's evil father in this one.

Me: Me too.

Nico: Yep. Lets go.

We were off to Universe 10.

UNIVERSE 10, EARTH, 31ST CENTURY

---

We arrived in the 31st Century on Earth.

Me: Here we are guys.

Superman: Amazing!

Batman: This is incredible.

Wonder Woman: It sure is.

We arrived at the Legion Base.

Legion Superman: Hey guys!

Nerissa: Guys, meet my archenemy,

Mandark: Pleasure to meet you all. My name is Mandark.

Me: He is Dexter's archnemesis and he is a really smart and powerful force.

Maria: Yep. Sorry my name is Maria Dunbar. I'm second in command of the Redemption Squad.

Saturn Girl: Pleasure to meet you.

Maria: Same here. This is my sister Carmen and her husband Liam.

Liam: Pleasure to meet y'all.

Carmen: Same here guys.

Triplicate Girl: You too.

Phantom Girl: Wow! The Original Justice League!

Green Lantern: That's right guys.

Flash: Awesome to meet you all.

Bouncing Boy: Boy it's an honor.

Brainiac 5: It's awesome to have you guys here.

Hawkgirl: We're honored too.

Me: And this is Twilight Sparkle and her friends.

Twilight Sparkle: It's awesome to meet you guys. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

They introduced themselves.

Lightning Lad: It's truly an honor your highnesses.

Sunset Shimmer: No need for formalities.

Me: And this is the Planet Express team.

Bender: Awesome to meet you guys.

Fry: Same here. I accidentally got sent to the 31st Century myself.

They introduced themselves too.

Saturn Girl: It's an honor.

Mandark: Same here. You don't want to know what my real name is.

Me: Mandark came from a family that lived on an island that was a perfect utopia. It's called Flowertopia. It was a place that was very much set in the Woodstock 1969 era. His mother and father were very well into the groovy lifestyle. You know tie-dye shirts, incense, meditation, the peaceful style.

Triplicate Girl: Oh I get it.

Legion Superman: What was his real name?

Me: Don't laugh at him for this one. But he HATES this name.

I whispered in his ear and told him.

Legion Superman: What the!?

Me: I know. Crazy huh.

Cheese: I like cereal.

Lightning Lad: Good for you, man.

Cheese: I like cereal.

Lightning Lad: Good for you, I said.

Cheese: I. Like. Cereal.

Lightning Lad (Getting annoyed): Good. For. You.

Cheese: I like cereal!

Lightning Lad: Good for fucking you! Do you want a cookie?!

Cheese: I LIKE CEREAL!

Me: Okay Cheese that's enough. Oh sorry guys this little guy is Cheese. You'll have to forgive him, he is an idiot. He has a brain the size of an amoeba and he is a great annoyance tool. Gives the bad guys headaches and drives them bonkers.

Laney: Yeah he is funny too.

Lincoln: Yeah.

Suddenly, another time portal opened up.

Irma: A time portal?

Nico: (groans) Again?! This is seriously getting fucking old!

Me: I agree there.

Legion Superman: No. It's not one any bad guys opened up. I know this one.

Out came an older version of Superman.

Kal L.: Looks like the fun started.

Me: Whoa! Another version of Superman.

Kal L.: Team Loud Phoenix Storm! It's an honor to meet you.

Me: Same to you.

Legion Superman: This is the Superman from the 41st Century.

We gasped.

Me: Wow! 41st Century!

Lily: That is incredible!

Kal L.: (smiles) Hey, everyone. Did you guys miss me?

Phantom Girl: Boy we sure did!

Triplicate Girl: Yeah we sure did.

Kal L.: Brainiac 5 is back!?

Me: You have us to thank for that.

Nico: Yeah we brought him back home.

Lola: We sure did.

Eli: We found him on the planet Odym and brought him back after dealing with Alexis Luthor.

Nerissa: It was a great story there.

Legion Superman: Last time we saw you, you went back to your own time. What changed?

Kal L: (sighs) Honestly, living in my own time wasn't the same without you guys.

Me: It's a totally different world there. But also we have seen what the 41st Century is like ourselves.

Nico: It's true. We met Ed and his team from the 41st Century ourselves.

Lily: It's true.

Kal L: I see.

Superman: We heard about what went down during your time and you have our deepest condolences.

Me: Yeah that was terrible. Imperex did a number on your world.

Kal L: If he shows up next time you guys come here, I might need the help of the 2 Supermen present here plus the Lego one.

Me: You can count on that.

Superman: That will definitely be a sure thing.

Hawkgirl: That's right.

Me: Imperex be the first of your enemies that we give the Black Gates.

Nerissa: That is for sure.

Lincoln: Yeah no kidding there.

Cassidy: He is pure evil.

Phantom Girl: What about Doomsday? Did you guys give him the Black Gates?

Nico: No. And I wasn't part of the team during the first fight with him.

Me: He's right on that. But if we do face Doomsday we will give him the Black Gates.

Laney: That's for sure.

Me: Yeah.

Phantom Girl: Good.

Brainiac 5: That actually might be mandatory. He probably won't be sealed by the Book of Vile Darkness the second time.

Me: No he won't.

Laney: Doomsday is a dangerous and mighty force.

Lana: But we have gotten stronger and more powerful since our first fight.

Lola: Yeah we sure have.

Maria: That was an intense battle from what I heard.

Nico: No kidding.

Me: Yeah.

Nico: So, are any of your other enemies at large.

Timber Wolf: Actually yes. My so called father Dr. Mar Londo is back.

Me: That mad scientist that did this to you, his own son?

Timber Wolf: That's right.

Lola: That heartless fiend!

Lisa Loud: And they say that I was a mad scientist.

Lily: He's getting a one way ticket to prison.

Maria: Tell us more about him.

Brainiac 5: You are not going to like what he did.

* * *

Dr. Mar Londo was once a respected industrialist and scientist on planet Zuun. He led the charge to aggressively mine the planet's natural resource, Zune, since it aided in his experiments. Londo relocated to the planet Rawl with his son Brin Londo to carry on illegal research and avoid United Planets jurisdiction. He was also condemned by the Interplanetary Federation of Scientists as a radical.

Obsessed with creating the ultimate warrior, Londo experimented on Rawl's local indigenous species but to no avail. He turned to his son and bio-engineered him through irreversible DNA manipulation. Brin Londo went into a super agitated state and fled the facility.

Unable to capture him alone, Londo faked a distress call to the Legion of Superheroes and manipulated them into capturing his son.

The Legion realized what was happening and confronted Londo. Timber Wolf spared Londo but destroyed his computers and freed his subjects.

Two years later Dr Londo used invisible nanites that could travel through space and time and infected Brin Londo on Earth, stimulating his limbic system. This caused Timber Wolf to lapse into uncontrollable fits of rage. Doctor Londo manipulated Timber Wolf into attending an Interplanetary convention at Heisenberg-7. As Doctor Londo demonstrated his advances in genetic mutation with his new Bio Golems, Timber Wolf sprung from the audience and attacked him, seemingly killing him. In truth, Doctor Londo faked his death in the hopes of luring Timber Wolf back to his laboratory on Rawl. As it turned out however, Timber Wolf was apprehended by the Science Police and put on trial. Timber Wolf could not determine with any degree of certainty that he didn't in fact murder Doctor Londo. During his trial, Brin Londo lost control of his abilities once again and tore through the courtroom.

Timber Wolf returned to Heisenberg-7 to investigate the crime scene on his own. Convinced of his own guilt, he took a cruiser back to the planet Rawl. There he found his father Mar Londo still alive. Doctor Londo explained his actions to him, proclaiming that he wanted to help Timber Wolf. He wanted to stabilize the balance between man and wolf with the hopes of making Timber Wolf the leader of his own private army. Timber Wolf fought against his father and his Bio Golems, but just when he thought he had finally captured the renegade scientist, he discovered that this too was a ruse. The real Mar Londo was monitoring affairs from a remote location, leaving another of his advanced clones on Rawl to interact with Timber Wolf. Though frustrated beyond measure, Timber Wolf was cleared of all charges.

* * *

When he was done we were shocked!

Me: That is completely inhumane!

Laney: What kind of person or monster would do that!?

Nico: Someone who is really playing with fire.

Eli: And screwing around with the laws of Mother Nature.

Me: Just what the universe needs, another fucked up mad scientist running amok.

Nico: No kidding there.

Batman: He experimented on Timber Wolf after no success with Rawl's other life forms.

Mandark: The things he did to you and several others? Bastard.

Nico: No kidding there.

Me: He is going to prison and staying there forever.

Nico: Lock him up and throw away the key.

Laney: That's for sure.

Nico: Where is he right now?

Brainiac 5: He is on the planet Okaara.

Me: The Orange Lanterns homeworld.

Nico: Wonder what he is doing there.

Laney: Well we better find out.

Sceptile: Let me go with you guys too.

Nico: Okay.

I teleported us using Instant Transmission.

We arrived on the planet Okaara.

Me: Planet Okaara.

Nico: Even after so many years, this place hasn't changed much

Me: No it hasn't.

Eli: But I sense him. He's that way at 10 klicks.

He pointed to the northwest.

Kal L: Just like old times, huh?

Legion Superman: You were always a fan of the obvious.

Me: Still awesome though.

Nico: It sure is.

Twilight Sparkle: This will be so fun.

We found him.

Me: There he is.

I fired an energy blast at a machine and blasted it into scrap metal.

We came out.

Me: Dr. Mar Londo, you're under arrest!

Superman: That's right!

Legion Superman: So come along quietly.

Kal L.: Yeah what he said.

Dr. Londo: What?! 3 Supermen?!

Me: Surprised?

Laney: You should be.

Dr. Londo: Team Loud Phoenix Storm too!?

Me: That's right.

Dr. Londo: I see you brought my monster of a son as well.

Superman: The way I see it, there's only one monster here.

Me: And that monster is you!

I fired waves of energy and blasted him and his machines all over.

Me: Take that!

Just then, various robots popped up.

Irma: I knew it wasn't that easy!

I fired waves of lightning and blew the robots to scrap metal.

Me: These all you got?

Mandark: Hey, save some for me!

He fired his atomic blasters and melted the robots.

Nico: Yeah.

Nico: (Gets out Waffle Woman and Condiment King's Ridewatches) Hope this doesn't make you guys hungry.

He activated them and fired waves of ketchup and syrup and they drenched the robots and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMMMM!

Maria: Time to call in the cavalry!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) PLANT FORCE 6!

She summoned Evil Seed, Evil Mushroom Man, Monster Dandelion, Cataslisma, Plant Undead and Savage Noble along with Evil Poison Ivy, Evil Wood Man, Evil Plant Man, Terror Blossom, Vilevine and Biollante.

Nico: Awesome!

Evil Plant Man: This is gonna be good.

Brainiac 5: Fascinating. So, that's what the Masters of Evil Cannon does.

Maria: Yep. It summons members of the Masters of Evil. Dark Spicer built it.

Me: Another Zenkaiser took it and we got it back.

Nico: It's true.

Eli: Yep.

Timber Wolf snarled and slashed many robots.

Reducing them to scrap metal!

Dream Girl fired waves of energy and blasted them.

Twilight Sparkle and friends blasted the robots into dust.

Superman fired laser vision blasts and Hawkgirl bashed the robots into scrap metal with her mace.

Brainiac 5 hacked many of the robots.

And turned them against the other robots and blasted them into dust.

Nico: That was awesome!

Lola: YEAH!

Wonder Woman: (Batman grabs Dr. Londo) You experimented on your own son. And even had him framed for murder.

Dr. Londo: I'm not begging forgiveness from you!

Batman: We don't forgive. (headbutts him, knocking him out)

He was knocked out cold.

Me: That's an absolute fact Bruce.

Nico: When it comes to scumbags like him we have one method: Kill them. But not this time. Jail is more appropriate for him.

Eli: I have a feeling it's gonna be good.

Superman: (to Kal L) Don't worry. Next time, my Lego counterpart is coming with me.

Kal L: Looking forward to it.

Me: Yep.

Nico: That's right.

We took him to the Masters of Evil Prison.

Me: What you did to your own son, there is an infinitely worse place in hell for douchebags like you.

Dr. Londo: You fail to see the bigger picture, Team Loud Phoenix Storm. My work was about protecting the universe. You care more about the condition of my son than-

He stopped when he realized his cell was next to Shauna's, who grinned at him savagely.

Dr. Londo: Are you crazy?! You can't put me next to that monster. Let me out of here!

Me: Have fun with your new friend!

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone about it and it was great!

May: Awesome!

May: Next time, Sento and Ace Bunny will go with you.

Nico: Good idea!

Me: Oh right! Logan what is your favorite memory of Nico?

Nico: Oh right I forgot!

Sceptile: My favorite is when me and Nico made tons and tons of fruit trees all over Georgia. We gave them lots of trees than just peaches.

Me: Boy I bet that pissed off the SUSPENSE group.

Sceptile: It did.

Nico pulled out a green Leotard and she went into the bathroom and I snapped my fingers and she reverted back and came out with the leotard on. She had green hair and green eyes.

Logan Mallora: That wad rough.

Nico and Logan hugged.

Nico: I've really missed you.

Logan Mallora: Me too Nico. Me too.

Later we were going to learn more about Puss N Boots's Origin.

Juran: So, which Puss in Boots are we learning about?

Me: Where the fairy tale came from and how he rose up in fame in the movies.

Puss N Boots: (Spanish Accent) It will be an honor to share my story with you.

I revealed the story of how he came into being.

Puss in Boots" (Italian: Il gatto con gli stivali) is an Italian fairy tale, later spread throughout the rest of Europe, about an anthropomorphic cat who uses trickery and deceit to gain power, wealth, and the hand of a princess in marriage for his penniless and low-born master.

The oldest written telling is by Italian author Giovanni Francesco Straparola, who included it in his The Facetious Nights of Straparola (c. 1550-1553) in XIV-XV. Another version was published in 1634 by Giambattista Basile with the title Cagliuso, and a tale was written in French at the close of the seventeenth century by Charles Perrault (1628-1703), a retired civil servant and member of the Académie française. There is a version written by Girolamo Morlini, from whom Straparola used various tales in The Facetious Nights of Straparola. The tale appeared in a handwritten and illustrated manuscript two years before its 1697 publication by Barbin in a collection of eight fairy tales by Perrault called Histoires ou contes du temps passé. The book was an instant success and remains popular.

Perrault's Histoires has had considerable impact on world culture. The original Italian title of the first edition was Costantino Fortunato, but was later known as Il gatto con gli stivali (lit. The cat with the boots); the French title was "Histoires ou contes du temps passé, avec des moralités" with the subtitle "Les Contes de ma mère l'Oye" ("Stories or Fairy Tales from Past Times with Morals", subtitled "Mother Goose Tales"). The frontispiece to the earliest English editions depicts an old woman telling tales to a group of children beneath a placard inscribed "MOTHER GOOSE'S TALES" and is credited with launching the Mother Goose legend in the English-speaking world.

"Puss in Boots" has provided inspiration for composers, choreographers, and other artists over the centuries. The cat appears in the third act pas de caractère of Tchaikovsky's ballet The Sleeping Beauty. Puss in Boots appears in DreamWorks' Shrek franchise, appearing in all three sequels to the original film, as well as two spin-off films, Puss in Boots (2011) and Puss in Boots: The Last Wish (2022), where he is voiced by Antonio Banderas. The character is signified in the logo of Japanese anime studio Toei Animation, and is also a popular pantomime in the UK.

Nico: Wow! So it's a 16th Century story.

Me: Yep.

Puss N Boots: Awesome.

Me: Now we watch the movies.

Shrek: I always wondered what your life was like before you met me

Puss N Boots: You're going to see now my friends.

We got to watching the movies.

Puss in Boots is a Spanish-speaking, anthropomorphic cat named for his signature pair of boots. A fugitive on the run from the law, Puss is seeking to restore his lost honor. He learns that the murderous outlaw couple Jack and Jill have the magic beans he has long sought, which can lead him to a giant's castle known by legend to contain valuable golden goose eggs. When Puss attempts to steal the beans at their hideout, a female cat named Kitty So interrupts. She was hired to steal them as well by Humpty Alexander Dumpty, a talking egg and long-estranged childhood friend of Puss from the orphanage where they both were raised. Puss tells Kitty his origin story and how he felt betrayed by Humpty, who tricked Puss into committing a bank robbery in his hometown of San Ricardo. Puss has been on the run ever since. Humpty eventually convinces Puss to join them in finding the beans and retrieving the golden eggs.

Puss and Kitty's relationship turns romantic and, despite Puss's initial grudge against Humpty, he slowly warms up to him, as the trio steals the beans from Jack and Jill and plants them in the desert. They ride the beanstalk into the clouds and enter the giant's castle, where Humpty reveals to Puss that although the giant died a long time ago, they must still avoid the "Great Terror" who guards the golden eggs. They soon realize the golden eggs are too heavy, and decide to steal the golden gosling after witnessing it lay miniature golden eggs. They manage to escape the castle and cut down the beanstalk. After celebrating, the group is ambushed by Jack and Jill, and Puss is knocked unconscious.

When he wakes, Puss assumes Humpty and Kitty were kidnapped and tracks Jack and Jill's wagon back to San Ricardo. There, he learns that the kidnapping was staged. Jack, Jill, and Kitty are all working for Humpty, who is seeking revenge against Puss for abandoning him during the failed bank robbery. Puss is surrounded by the town's militia and turns himself in following pleas from his adoptive mother Imelda. As Puss is hauled away to prison, Humpty is celebrated as a hero for bringing the wealth of the golden eggs to the townspeople.

Puss meets Andy "Jack" Beanstalk in prison. Jack reveals that Humpty stole the beans from him when they shared a cell years ago, and warns Puss that the Great Terror is the Golden-Egg Goose herself, a gigantic bird who will stop at nothing to rescue her baby. Puss realizes that luring the Great Terror was Humpty's intention all along, hoping to destroy the town in revenge for his imprisonment and flee with the gosling in the chaos. Kitty frees Puss from prison and apologizes, revealing her feelings for him. He locates Humpty in time and convinces him to redeem himself by helping save the town from destruction. Using the gosling as bait, Puss and Humpty are able to lure the Great Terror away from town. With Kitty's help, they also thwart Jack and Jill's attempt to steal the gosling during the chase. As they reach the outskirts of town, Humpty and the gosling are knocked off a collapsing bridge but manage to hang onto a rope that Puss grabs. When it becomes evident that Puss cannot save them both, Humpty sacrifices himself by letting go. After a fatal impact, Puss discovers that Humpty was a large golden egg underneath his shell. The Great Terror is reunited with her gosling, and she takes Humpty's golden egg remains back to the giant's castle.

Despite saving the town and being hailed a hero by the townspeople, Puss is still a fugitive in the eyes of the militia. He flees with Kitty, who playfully steals his boots and runs off.

When it was done with the 2011 movie we were cheering.

Me: That's just part 1. Here is part 2.

We got to watching Puss N Boots: The Last Wish

*SPOILER ALERT*

In the town of Del Mar, renowned hero and outlaw Puss in Boots hosts a party at the governor's home and accidentally awakens the nearby Sleeping Giant of Del Mar. Puss subdues the giant and saves the town, but is fatally crushed by a bell. Puss wakes up in a hospital, where a doctor informs him that he has used eight of his nine lives and suggests he retire from adventuring. Puss initially refuses. Later, in a local cantina, Puss meets a mysterious black-hooded wolf, who disarms him and gashes his forehead in a duel. Puss flees to the house of a cat lady named Mama Luna, and ceremoniously buries his attire in her garden.

Later, the crime family of Goldilocks and the Three Bears show up at Luna's residence in search of Puss, only to find his "grave." Puss overhears them mention a magical Wishing Star that can grant a single wish to someone bearing its map. "Big" Jack Horner, a corrupt pastry chef and collector of magical artifacts, is scheduled to receive the map that night; Puss breaks into Horner's bakery to steal the map and restore his lives, unexpectedly reuniting with his resentful ex-fiancée, Kitty So who also seeks the map. After a brief skirmish with Goldi and Horner, Puss, Kitty, and a stray dog the cats call Perrito[a] escape with the map. Goldi, the bears, Horner, and his henchmen give chase, and Puss spots the hooded wolf again while fleeing.

The map leads the trio to the Dark Forest, a pocket dimension that changes its terrain depending on the map's holder. Puss and Kitty both receive dark, frightening landscapes, while Perrito's is a colorful and seemingly tranquil forest. During another skirmish with Horner's and Goldi's forces, Puss spots the hooded wolf again and flees, distracting Kitty and enabling Goldi to obtain the map. After Perrito calms him down from a panic attack, Puss confesses that he left Kitty at the altar on their wedding day. Kitty overhears them, and later reveals that she never attended the wedding either, feeling that she could never compete with someone who loved himself more than her.

Puss and Kitty reclaim the map from Goldi when her group gets distracted by a manifestation of their woodland cottage. As the landscape morphs, Perrito is captured by the bears, while Puss is trapped in a crystalline cave. While Kitty retrieves Perrito alone, Puss encounters crystal reflections of his past lives in the cave, who mock him for changing his arrogant attitude. The hooded wolf appears once again, introduces himself as Death, and reveals to Puss that he is to kill him for squandering through his past eight lives. Panicked, Puss flees with the map, an act which Kitty and Perrito witness from afar. Meanwhile, Goldi, after a squander with Baby Bear, reveals that she wishes to reunite with her biological family, devastating the bears; however, they still agree to help her.

Puss reaches the Wishing Star, but Kitty berates him for his selfishness, while also confessing her wish was to find someone she could trust. Goldi, the bears, and Horner arrive and another fight ensues, during which Goldi forfeits the wish to save Baby Bear's life and Horner is trapped inside his magical bottomless bag. Death arrives, surrounds himself and Puss with a ring of fire, and challenges Puss to a duel. Instead of wishing for more lives, Puss fights and disarms Death, boldly stating that while he knows he cannot win, he will continue fighting for his final life. Seeing that Puss has lost his arrogance, Death begrudgingly spares him, although he and Puss agree they will eventually meet again. After Death leaves, Horner, having eaten a magic growth cookie, reemerges from his bag as a giant and seizes the map from Puss and Kitty. As he attempts to make his wish to control all magic, Perrito distracts him long enough for Puss, Kitty, and Goldi to rip the map to shreds, causing the Wishing Star to collapse and consume Horner.

In the aftermath, Goldi accepts the bears as her family and leaves with them to take over Horner's bakery business, while Puss rekindles his romance with Kitty. Sometime later, Puss, Kitty, and Perrito steal a ship from Del Mar's governor and set sail to visit "some old friends".

When the movie was done we were amazed and cheered!

Nico: That is awesome!

Shrek: Lad, I didn't know you had it bad like I did back in the day.

Puss N Boots: I know guys. But it's good to be with friends.

Me: It sure is.

Qin: And you are a great hero.

Xenia: You sure are.

Lola: One of the cutest and most awesome.

Puss N Boots: One day, I'll take you to face some of my enemies.

Me: And I have a feeling it's gonna be awesome.

Qin: Yep.

Xenia: It sure will.

Lola: Yeah.

Nico: (hears something outside) Hear that?

We went to the window and to our amazement we saw the legendary Ho-Oh!

Qin: WHOA! The legendary Ho-Oh!

Xenia: Beautiful.

Dawn: That is amazing!

Ash: Just like the one I saw.

Me: That is cool!

Lola: Yeah!

We saw it flying at us.

Me: Open the roof and let her in.

Nico did so and opened the roof and it came in.

Me: Wow.

Nico: Incredible.

Ho-Oh: (In a girls voice) Awesome flying out there huh?

Nico: Gabriela Estupinan? Wow!

She reverted back and was a girl with red hair and purple eyes and had rainbow angel wings and rainbow color clothes.

Me: That was awesome though.

Nico: I'll say.

May: What's your favorite memory of Nico?

Gabriela Estupinan: When I used my weather powers to make it rain donuts. That was awesome.

Me: Boy that is cool.

Gabriela Estupinan: Yep.

Nico and Gabriella hugged.

Nico: I've really missed you.

Gabriela Estupinan: Me too Nico. Me too.

Later we were playing with the Switch System.

Clyde: Boy this reminds me of the Snap System.

Me: I remember that.

Laney: Me too.

---

[At the McBride residence with Clyde playing his video game console. His avatar moves forward, when suddenly a green zombie jumps out in front of him, Clyde blasts it and continues playing, but then another zombie appears right in front of him, startling him and Lincoln.]

Lincoln & Clyde: "Ahh!" [fall to the floor]

Lincoln: "It's like that zombie was coming right at us."

Clyde: "I know, that's the 2160p LED touch screen."

Lincoln: [he and Clyde get up] "Can I give it a try?"

Clyde: [Nervously looks at Lincoln and the console.] "Ye-yeah, sure."

[Lincoln takes the console with Clyde still holding on to it but Lincoln manages to break free of Clyde's grip.]

Lincoln: "Wow, feels like it was built for me."

Clyde: "That's the memory foam handle grips. They conform to each individual gamer's hand." [Notices something and puts on a latex glove.] "Whoops, little grease spot." [Takes out a cloth to rub it off.]

Lincoln: "I can't believe you got a Super Snap 95. They've been sold out for weeks." [starts playing it]

Clyde: "Yeah, my Nana Gayle won it at bingo, though she thought it was a postage scale."

Snap: "Game over."

Clyde: "Well, game over." [Attempts to take the Snap back.]

Lincoln: "Mind if I play again?"

Clyde: "Oh, sure. I was gonna suggest putting it back in its case, and admiring it from afar, but… go ahead?"

Lincoln: [starts playing it again] "Guess you've got your weekend all mapped out."

Clyde: "Well, actually, I can only play with this until 11:59 PM. Tomorrow is Screen-Free Sunday, it's a new McBride house rule. My dads think we need one day a week to completely unplug."

Lincoln: "I guess that fits right in with your Meatless Mondays and

Wheat-less Wednesdays."

Snap: "Game over."

Lincoln: "Dang it." [gets an idea] "You know, Clyde, since you have to unplug tomorrow, maybe I could borrow the Snap."

Clyde: "Uh, you mean, like at your house?"

Lincoln: [nods his head] "As long as you're cool with it."

[Clyde then imagines the Snap in Lincoln's house, and his sisters wanting to play with it.]

Lana: "Is that the Snap?"

Lola: "Gimme, gimme, gimme that Snap!"

[The thought ends up with the Snap being blown out the roof of the house and smashed into pieces.]

Snap: "Game over." [shuts down]

[End of fantasy]

Clyde's Thoughts: "Okay, Clyde, you know you're not comfortable with this, just tell him the truth. You don't want him to borrow it."

Clyde: [Cringes, and gleefully] "Of course you can borrow it! I'll bring it over tomorrow."

Lincoln: "Thanks, buddy."

[Clyde has an uneasy look and sweats.]

Clyde's Thoughts: "Dang it, Clyde! What was that?!"

Lincoln: [Still playing] "You know what, Clyde?"

Clyde: "You changed your mind about borrowing the console? No worries, these things happen." [Reaches to take the console]

Lincoln: [Still playing, unaware that Clyde is trying to take the console back, suddenly moves his arms.] "No, I probably don't say this enough, but I'm really lucky to have a best friend who's so cool about sharing his stuff."

Snap: "Game over."

[Lincoln hands the console back to Clyde.]

Clyde: [through his teeth] "That's me. Mr. Very Cool About Sharing His Stuff." [laughs]

[The scene then transitions to that night with Clyde unable to get some sleep because the fantasy from before keeps playing in his mind over and over and over until the next morning.]

Clyde: "This is ridiculous. You have to talk to Lincoln." [Gets out of bed and puts on his usual clothing and his glasses.] "Just let him know he's a good guy, no, no. Best guy. And you like him. No, you love him, but you can't let him borrow your Snap." [Marches out of his door, only to walk back in again confused.] "What are you, nuts? If you tell him he can't borrow it, it'll be the end of your friendship! You'll be destined to walk through life alone, and end up like one of those people who only talk to their cats!" [Camera zooms out to show Cleopawtra in front of him and meows. Clyde starts dreading.] "Oh no, it's happening already!" [Runs over to the rug that hides a secret compartment and opens it up to reveal the Snap. He is now seen with latex gloves.] "Okay, I have to lend him the Snap, but I need a plan to keep it safe." [gets an idea] "I know, I'll just spend the day at Lincoln's house. That way I can protect the console, and my friendship."

[Later, Clyde knocks on the door of the Loud House.]

Lincoln: [Answers the door] "Hey pal. Thanks for loaning me the Snap. Uh, where is it?"

Clyde: "In this briefcase." [Opens the briefcase he's holding, inside of which is another briefcase, which he also opens. Lincoln watches Clyde open more cases until finally, he gets to a large coin purse containing the Snap, which he pulls out and gives to Lincoln.]

Lincoln: "Thanks, buddy, I'd ask you to join me but, I know you're not supposed to be playing today. I'll have it back to you first thing tomorrow." [Goes back inside and closes the door, but Clyde jams his foot in it.]

Clyde: "Actually, I'd love to get off my feet for a second, my orthotics are worn down and I got blisters from walking over."

Lincoln: "But, you rode your bike over."

Clyde: "Right, did I say blisters? I meant pedal warts."

Lincoln: "Oh, well, come on in, bud."

[In Lincoln's room, Clyde has a glass of water, and his foot elevated, and is nervously watching Lincoln play. A small drip of apple juice leaks from the straw in Lincoln's juice box almost lands on the Snap, but Lincoln turns at the last second, Clyde gasps at this. Then a book falls from the shelf, just barely missing the Snap in the same way, Clyde gasps even more intensely. Walt then flies in through the window and almost poops on it, Clyde gasps even harder than before, he then looks at his glass.]

Clyde: [Coughs] "Man, this foot is killing me, would you mind grabbing me some ice?"

Lincoln: "Anything for the guy who loaned me his Snap." [Lincoln puts the Snap down, takes the glass from Clyde, and winks to Clyde as he leaves. Once he's gone, Clyde jumps off the bed, moves the Snap away from the juice box, and takes the box. He then tries to close the window, but Lincoln catches him.] "Clyde, why are you on my desk?"

Clyde: "Uh, there was a draft, and I wouldn't want you getting a cold."

Lincoln: "And your foot?"

Clyde: "It's a miracle! My foot is feeling much better."

Lincoln: "Great. Well, I'll walk you out."

Clyde: "Uh, actually, can I have a sip of this? I'm showing the classic signs of dehydration, dry mouth, dull headache, decreased urine output." [Squeezes the juice box on purpose to have it on his shirt.] "Oh, man! Would you look at that? Mind if I wash this before I leave? I don't want the stain to set."

Lincoln: "Uh, sure. I'd lend you a clean shirt, but I haven't done my laundry, so…"

Clyde: "I'll do it! I mean, I'm already doing mine."

[Later, Lincoln is still playing with the Snap, and Clyde finishes folding all the Loud family's laundry.]

Clyde: "All done."

Lincoln: "Wow, thanks for doing all of our laundry," [questioningly] "guess you'll wanna be heading out now."

Clyde: [Nervously trying to find another excuse.] "Uh, uh, uh… I've never noticed how thin this blanket on your bed is, you must be freezing at night."

Lincoln: "Well, actually-"

Clyde: "Say no more, I'll knit you a new one."

[Later, Clyde is knitting a blanket while Lincoln plays with the Snap, he waves at Clyde, who's eyes twitch, and then see Cliff approaching with mud on his paws.]

Clyde: "Not today, Clifford."

[Clyde throws one of his yarn balls out the door and Cliff chases after it. Clyde is satisfied, when suddenly… ]

Lincoln: "Bathroom break."

Clyde: "With the Snap?"

[Clyde gets up and follows Lincoln into the bathroom, something Lincoln is not too happy about.]

Lincoln: "Ahh!" [Flabbergasted] "Clyde! What the heck are you doing?!"

Clyde: "Uh…" [Turns on the faucet for the bathtub.] "Thought I'd grab a shower while you, you know, do your business. Bathroom buds!"

[Lincoln is not pleased and turns the faucet off.]

Lincoln: "Okay, Clyde, I know what's going on here."

Clyde: [nervously] "Y-you do?"

Lincoln: "It's obvious. The hovering, the laundry, the blanket, your foot. You're just dying to break Screen-Free Sunday and play with the Snap."

Clyde: "Well, actually-" [seeing this as an excuse] "Uh, you're right, that's exactly what's going on."

Lincoln: "I know you pretty well, Clyde. Luckily, I have a surefire way to save you from temptation." [Cuts to Clyde getting locked out of the house, Lincoln calls to him.] "This is for your own good, buddy!"

Clyde: [Spiraling] "Oh no, what have I done? My Snap is history." [Tries to calm himself] "Okay, okay, don't spiral, Clyde. Maybe it'll be fine. Lincoln hasn't done anything that bad with it yet, and as long as it stays in his room-" [suddenly hears Lola]

Lola: "Lincoln, you almost spilled my nail polish!"

[Clyde looks in the window and sees Lincoln with the Snap in the living room, along with Lola, with her nail polish, Lisa, with her chemicals, Charles running by with a peanut butter jar stuck to his face, Lucy drinking something red, Luan making a pie, Lily, on a tarp, playing with a bucket of lavender paint, Lana jumping around with Hops, and Lynn playing roller hockey.]

Clyde: "NOOOO!" [Calls one of his dads] "Hey Dad, uh, Lincoln invited me to stay over for dinner, so I'm gonna be here a bit longer." [His dad says something] "Yes, I have my antacid." [Hangs up the phone, looks around, and sneaks in through the dining room window.]

[In the living room, Lincoln is still playing with the Snap, Lori and Leni are on their phones. Luna is playing her guitar. Lola is still doing her nails. Lucy is still drinking her drink. Lisa is mixing chemicals. Lana and Hops are making a mud pie. Lily is still on her tarp, playing with her paint, and Luan has her pie, and looks around for a target.]

Leni: [On her phone] "And then Becky was like 'I don't know if I even wanna go anymore' and-"

Lynn: [On roller skates and still playing hockey] "Loud crosses the blue line," [Passes Lori] "throws a deke on the defender," [Clyde appears, hiding inside the coat rack.] "winds up for the slap shot," [An umbrella handle snatches the puck.] "she shoots, she-" [Attempts to take the shot, but due to the puck not being there, she spins out of control and falls over, confused.] "Denied?! What the heck?"

[Lynn looks over and sees the puck sliding the other way, and chases after it. Clyde puts the umbrella down, looks back at Lincoln, and sees Lily - covered in paint - walking across the tarp to see her favorite brother.]

Lily: "Inkin, Inkin." [Clyde gasps, sees the tarp at his feet, and pulls it - bringing Lily with it - and knocking the paint pot over, with the paint spilling all over the floor. Lincoln looks at the paint pot. Clyde pulls Lily closer, then pulls out a rag and cleans Lily's face and hands. Lily looks up and sees a friend.] "Ah, Cad!"

Clyde: "Shh."

Lincoln: [Thinking he heard something] "Huh?"

[Lincoln turns around, only to see Lily wave to him, he squints with suspicion and returns to his seat.]

There was a knock on the door.

Lincoln: I'll get it.

He answered the door and it was me and Varie.

Me: Hey Lincoln.

Varie: What's going on?

Lincoln: Oh hey guys. Come on in.

We came in.

Varie: We were just wanting to come by and see what you were doing.

Lincoln: Oh just getting ready for dinner.

Me: Cool cool.

[Clyde is still hiding in the coat rack.]

[Later, Lincoln is playing the Snap in the dining room area, Leni comes in talking on her phone while holding her kale juice.]

Leni: "Uh-huh, uh-huh, uh-huh." [Pours herself some juice. Clyde appears behind the curtain.] No. No… way!" [While she's talking to her friend, she doesn't notice a long straw drinking the juice right out of the glass in her hand. She tries to drink her juice, but is confused to find her glass empty. She pours herself another glass and continues talking on the phone.] "Uh-huh." [The straw returns and Clyde drinks out of the pitcher and the glass, while Leni is on her phone.] "No… dang… tootin'… way!" [Tries to take a drink, but find her glass and her pitcher empty. She looks at Lincoln, the only person in the room she can see, with annoyance.] "Lincoln! Stop drinking my kale juice."

[Lincoln has no idea what Leni's talking about.]

[Later, Lincoln plays his Snap up the upstairs hallway, heading back to his room. Clyde peeks out of Lynn and Lucy's room and sees Lisa coming down the other way, rapping.]

Lisa: [Using one of her beakers as a microphone.] "Biology, geology, I don't make no apology." [Continues down the hall, unaware that some acid spilled from her microphone and burned through the floor. Clyde gasps, he hastily looks around and sees Geo rolling into the doorframe, Clyde picks the hamster ball up and lines up his shot at Lisa, causing her to tread on it and roll her away.]

Lisa: "Whoa, whoa, whoa, whoa!"

[Lisa screams as she's out of control. Clyde hides his head away from the corridor to avoid a collision.]

Me: WHOA!

I caught Lisa and avoided having her explode.

Me: Careful Lisa. You tripped over Geo's hamster ball

Lisa: Silly me. Thank you though.

Me: You're welcome.

Laney was reading a book.

Varie: What are you reading Laney?

Laney: One of my favorite mystery books.

Varie: Cool.

Clyde: [Remorseful, scratching his head] "I'll apologize to Lisa later."

[Later on, Lincoln is playing the Snap in the kitchen with Lynn Sr. making tonight's dinner, whistling.]

Lynn Sr.: [singing] " Da-da-da, doo-doot-doo-doot, making dough, throw it high, never low, throw it high. " [While he was tossing the dough, he is unaware that some of it splatters on the walls, completely avoiding Lincoln and the Snap. All the while, Clyde is watching through the back door, worried.] "Watch closely, son, the key to a good pizza crust is loft. You can't be afraid to give it a good -toss!" [-As he tossed the dough in the air once again, Clyde quickly slides a leaf blower through the cat flap and blows the pizza dough right out the window.] "Okay, maybe a bit too much loft." [notices something and yells outside the window.] "Hands off that pizza, Grouse!"

[Later, Lincoln is seen in the dining room again playing the Snap. Unnoticed, he almost knocks over a vase containing water due to his elbows hitting the table, to which Clyde takes it and hides it under the table, which shows he is under the table as well and takes a sigh of relief, when suddenly… ]

Lynn Sr.: "Kids, dinner!"

[Clyde takes a peek out, and sees that Lincoln's sisters have him surrounded.]

Clyde: "Oh no." [Gasps as everyone takes their seats] "Okay, Clyde, just ride this out until everyone is done eating." [Takes a breath, and sees that the situation isn't so bad.] "Actually, this isn't so bad, it's kind of cozy under here."

Me: What are you guys having Mr. Lynn?

Lynn Sr.: Homemade pizza.

Me: Neat.

Lynn: [Lets one rip] "Whew! My compliments to the chef."

Me: Lynn excuse you.

[Clyde covers his nose and retreats in disgust, and bumps into Lana's feet.]

Lana: [Not knowing] "Oh, oh hey Charles," [starts petting Clyde] "who's a good boy?" [Clyde is very mixed up, Lana takes out some sausage.] "Want a snackie? Go on Charles, eat it."

[Clyde, seeing no other choice, gulps, takes the sausage, and starts eating, but unfortunately for him, the real Charles is right behind him and sees his sausage, and Clyde eating it, he is not happy.]

Clyde: [As Charles growls at him] "Charles, no, no, no, I don't even like sausage." [takes it out] "Here, you can have it."

[Above the table, which starts shaking, the whole family hears screaming and growling.]

Lana: "Charles, why are you so mad?" [Looks under the table and sees something she doesn't expect.] "Clyde? Why are you under the table?"

Me: Clyde?

We looked and saw him.

[Clyde awkwardly smiles]

Leni: [Gasps in disgust, towards her brother.] "Lincoln, you invite your friend at dinner, and you don't even give him a chair? That's rude!"

Lincoln: "I didn't invite him."

Lola: "That's even ruder, clearly he's hungry."

Me: I think there's a reason why he is here.

Lincoln: "Uh, Clyde, what's going on?"

Varie: Let him explain himself guys.

Clyde: "Lincoln, can I talk to you for a sec? In private."

[Lincoln looks at everyone, and slips under the table.]

Lincoln: "What's up, Clyde?"

Clyde: "Well, I've been following you around all day, because I was worried about the Snap, I never wanted to let you borrow it in the first place."

Lola: [Not minding her own business.] "Ooh, drama."

Lynn: [Also not minding her own business.] "Fight! Fight! Fight!"

Me: Lynn quiet.

Lincoln: [Annoyed; Shaking his fist.] "Would you guys grow up!?"

Lisa: "Says the guy having a confab under the dining room table."

Me: Lisa not helping.

Lincoln: "Come on, Clyde."

[The boys crawl out of the table.]

Me: We'll be right back.

We took them to the sofa.

[They are now sitting on the couch.]

Lincoln: "So why didn't you want me to borrow the Snap?"

Clyde: "I was afraid something was gonna happen to it, I'm pretty particular about my stuff, and you're um, a little, less particular, and then you throw in your ten sisters and-"

Lincoln: "Clyde, if that's how you felt, why didn't you just tell me?"

Clyde: "I was afraid you'd be hurt, and our friendship would be over, and I'd be destined to walk through life alone and become one of those people who only talk to cats." [Sees Cliff, who meows at him.] "Gah, it's happening again!"

Me: Cliff be nice.

Varie: Yeah.

Lincoln: [Assuringly] "Clyde, that's ridiculous. I might have been a little hurt at first, but, I would've understood, I know I'm not as careful with my stuff as you are, no one is."

Me: Yeah Clyde. To be honest I felt the same way myself.

Clyde: Really?

Me: Years ago actually. Long story.

Clyde: "Fair point, so, we're still friends?"

Lincoln: "Of course we are."

[The two do a handshake.]

Me: Good.

Clyde: "Thanks for understanding. I promise to be more honest in the future, and you've given me a lot to talk about on therapy Thursday."

Lincoln: [Takes out the Snap, and wipes the screen.] "Here's your Snap back."

Clyde: "Thanks, buddy. Well, I should probably get home."

[Lincoln and Clyde head to the door.]

Lynn Sr.: "Here you go, Clyde, take some deconstructed pizza for the road."

Lincoln: [Seeing Geo rolling under his dad's feet.] "Dad! Watch out!" [Lynn Sr. steps on Geo's ball and starts stumbling out of control and drops the deconstructed pizza, which is heading right for the Snap, but Lincoln jumps in and blocks it.] "NOOOO!"

Clyde: "Lincoln, are you okay?"

Lincoln: "Yeah, I'm good." [Noticing the Snap] "Uh-oh, got a little sauce on there."

Clyde: "Eh, it's nothing, thanks for the save buddy," [helps Lincoln up] "Alright, see you later." [Leaves]

Me: Bye Clyde.

Varie: Have a safe walk.

Lincoln: "Take it easy, Clyde." [Closes the door]

Clyde: [Calls his dads] "Dad, I'm on my way home, I'm gonna need a lint-free cloth, and some white vinegar." [runs home] "Meet me at the front door."

FLASHBACK ENDS

Nico: Oh Clyde to be honest I felt the same way about a game system too.

Varie: Wow.

May: Yeah.

Nico: But lets get ready everyone. We have a big day tomorrow.

Walking through a malevolently scary and creepy forest in the Duel Monster Spirit World was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily along with my team consisting of Riley Anderson, Yuna, Stella Nox Fleuret, Rikku And Yuffie along with Lord Drakkon, Zen Aku, Mele, Cottontail Smith, Lady Flamicorn, and Gimme and we were there to figure out the mystery of the Shadow Riders and the origin of the Sacred Beast Cards.

Me: This forest gives me the creeps.

Qin: Me too. It's scary.

Yuffie: But I'm really looking forward to this one.

Rikku: Me too guys.

Nico: We all are. This is gonna be awesome.

Laney: So what are we doing here in the Duel Monsters Spirit World again?

Me: To figure out the origin of the Shadow Riders and why they were made as well as figure out the Origin of the 3 Sacred Beast Cards.

Fiona Hernandez: Boy that will be interesting. It'll be amazing to find out more about the very monsters me, Maria and Nicole were gene-slammed with.

Lola: Yeah. And we don't know the ultimate extent of the full origin story of the Shadow Riders.

Lana: Yeah.

Drakkon: But this is gonna be interesting and cool.

Nico: Yeah. Thanks you and your teams for coming with me J.D. and Drakkon.

Me: No problem Nico. Even though I'm always with you on every rescue it's still going to be really fun.

Riley Anderson: It sure will be and this is gonna be awesome and cool.

Zen-Aku: It sure will be awesome.

Nico: Riley, remember when you met J.D. and the others?

Riley Anderson: I sure do. You weren't with us back then. But it was a great story.

Me: It sure was.

I went over what happened in Chapter 65 and it was awesome.

---

It starts in my room at the Knudson-Loud Estate.

I am looking at my computer and in a California news web site I saw a strange story.

Me: "Riley Anderson runs away from home. Police baffled." [Gasp] That's awful. "Riley Anderson moved to San Francisco, California from Minneapolis, Minnesota and she is believed to be running away from life." Oh no. We got to help her.

I rush over to Lincoln and Linka's room and explain everything.

Lincoln: (Shocked) What?! Why would she run away from home like this?

Me: My guess is she wants to go back to Minnesota and have her old life back.

Lincoln: That could very well be the reason. But it's not right to run away.

Linka: That's awful and you moved here from Colorado and you are fine with it.

Me: Yeah. I know. Come on lets find her and help her out.

Lincoln: Yeah. Lets do it.

Linka: Lets get the girls involved.

We gather the rest of the Loud Siblings, Varie, Aylene, Starfire, Jessie, Woody, Ed, Edd and Eddy and explain everything.

Lori: That poor girl.

Luna: That is awful dudes.

Laney: I don't blame her. I'd be really sad and upset too if I moved away from home.

Lola: Me too.

Luan: We got to help her.

Eddy: But how? The USA is a big place. She could be anywhere.

Lisa: Siblings and Friends, I have the solution. Follow me.

Lisa took us to her laboratory and we were in front of a super high tech computer.

Me: Wow. This is a huge computer.

Lisa: Yes. It's my super Q-4000 Quatroplex 500 Pentabyte Supercomputer. With it we can find Riley Anderson.

Me: Wow! That is a fancy schmancy computer. Lets see it action.

Lisa: All right. Lets type in her name and where she was from and her personal information.

In seconds it pulled up a map of Minnesota and a photo of her appeared and a red blinking dot appeared and it showed that she was already at her old house in Minnesota.

Me: She's over at her old house already.

Varie: Poor girl.

Lisa: Hang on. It says she's on the move.

Me: She must've gone to a friends house.

Lisa: She's on the move again.

Me: They must've turned her down for a place to stay.

Lori: Shes got nowhere else to go.

Lana: She's miles away from home.

Lily: What are we gonna do?

Me: Only one thing we can do: We got to help her by bringing her here and take care of her until her parents come and get her. Lets go!

I teleport us all to Riley's former home block

We arrive at Riley's old home block.

Me: Hmm. Interesting place.

We see her.

Me: There she is.

Riley was crying hard.

Riley: (Crying) Mommy, Daddy!

Me: Riley.

Riley saw us.

Me: It's all right. We mean you no harm.

Varie: Riley, I know it's hard to move away and it can change you.

Riley: How would you know?

Me: Because like you I had to move from Castle Rock, Colorado to Royal Woods, Michigan. It's a suberb of Detroit. I know it's tough but I quickly adjusted to it. I know you miss everyone here and it's tough to adjust in a new place that you don't know but these things take time.

Lincoln: That's right, Riley.

Linka: Yeah. Just give it some time to adjust.

Riley: Wait a minute, I've seen you all before. You're J.D. Knudson and the Loud Siblings.

Me: That's right.

Riley: You guys are awesome! I heard you all defeated the evil Black Daffodil Gang.

Varie: That's right.

Riley: Let me see if I can figure you out. (to Lori) You're Lori Loud, the eldest.

Lori: That's right. I'm 17 years old.

Riley: Cool. I heard you have awesome wind powers.

Lori: That's right.

Me: Show her Lori.

Lori spread her wings and had mini tornadoes in her hands.

Riley: Awesome! (To Leni) You're Leni Loud. I saw your fashions in magazines and they're awesome.

Leni: Thank you. I'm totes glad!

Ed: Hello my name is Ed. Leni is my girlfriend.

Leni: That's right Ed.

Riley: Aw. That's so sweet. (To Luna) You're Luna Loud.

Luna: That's right dudette. It's rockin to meet you.

Riley: Same here. I love your music. You rock! (Makes the Rock On hand sign)

Luna: I'm glad I have a fan. I also have Water Powers from the Sirens. Watch.

Luan spreads her wings of Water and she fired a ball of water at a tree and it entombed it in a ball of water and sang to drumbeats. The singing was so enchanting that it attracted criminals from all over like a magnet and pulverized them and police cars arrived and arrested them and drove off.

Riley: That was awesome! (To Luan) You must be Luan. You are the funniest person in the world. I love your jokes.

Luan: I'm glad you think so. This is one thing you can never RUN AWAY from. [Rimshot and Laughs] Get it?

Me, Varie, Aylene, Starfire, Ed, Edd, Eddy, Jessie, Woody, Riley and Leni laugh while the other siblings sigh.

Riley: (Laughing) Luan you are hilarious!

Luan: Thank you. I also have Light Powers. Watch.

Luan spread her Yellow Wings and formed a Fairy, a Mermaid, an elf and a Dragon of pure light and they spiraled around and went up into the air and exploded into a dazzling display of fireworks.

Riley: Awesome!

Eddy: Luan is my girlfriend. By the way, the name's Eddy. I like Jawbreakers and Jokes.

Riley: It's a pleasure. Are you talking about the tiny jawbreakers?

Eddy: No way. Those are pathetic. I'm talking about the jawbreakers that are as big as basketballs. Those are the best.

Riley: Wow! Those are huge and they must be really good. (To Lynn) You must be Lynn.

Lynn: That's right. I'm the sports star of the family.

Me: When it comes to sports for Lynn, Riley, there's no stopping her.

Riley: Wow! You have a lot of talent in sports. I play Ice Hockey.

Lynn: Cool. That's one of my favorites too.

Riley: Awesome!

Lynn: Yeah. I also have Earth Powers. Watch.

Lynn spread her wings and an earthquake shook the area and formed a bunch of crystal clusters of many colors.

Riley: Whoa! That was awesome!

Lynn: It was huh. I got my powers when we fought the Black Daffodil Gang.

Riley: Wicked cool! (to Shannon) I don't think I've seen you before.

Shannon: I was adopted into the Loud Family. My name is Shannon "Gaz" Loud. Former member of the Black Daffodil Gang.

Me: Shannon's parents were serial killers and they abused her terribly. She became a member of the Black Daffodil to get revenge on them.

Riley: Oh man. That's terrible.

Shannon: It's okay. It's all water under the bridge. I've forgiven them.

Riley: That's good. (To Lucy) You must be Lucy. The Dark Goth of the Family.

Lucy: That's right. I'm into vampires and everything dark.

Riley: I heard you destroyed Henry Kane in Chicago.

Lucy: That's correct. He was an evil monster that needed to be destroyed forever. I have Dark Powers. Watch.

Lucy spread her black wings and her eyes turned into the Demon Eyes and she found a man holding a woman at knifepoint and she fired a blast of Black Lightning at him and zapped him and the woman got away.

Lucy: Let fear consume you for your crimes.

The man started seeing everything as a horrific place and a paddy wagon arrived and 2 men wrapped him in a strait jacket and took him away to a mental institution.

Riley: Wow! That was awesome. What did you do to that man?

Lucy: I competely destroyed his mind and sanity with fear and paranoia. I zapped him with my Black Lightning and it consumed him with fear, distrust and paranoia.

Riley: Whoa. That is powerful. I heard you can also kill spirits.

Lucy: Only when they deserve it.

Riley: Wow. That is cool. (To Laney) You must be Laney.

Laney: That's right. I'm the bookworm, artist and gardener of the family.

Riley: Neat. I like reading books and gardening too. I heard you have awesome plant powers.

Laney: You heard right. Watch.

Laney spread her wings and touched the ground and grew a tree that actually grows money in the middle of the cul de sac.

Riley: Laney, that's amazing. I've heard of that expression "Money Grows on Trees" and you made it literal.

All the kids and people came out and grabbed alot of money.

Laney: That's not all. Watch.

She then grew a bunch of fruit trees and bushes.

Riley: Wow. Laney you have an amazing green thumb.

Laney: That's what I get told by everyone. Oh. This is my friend Crysta.

Laney had Crysta on her left shoulder.

Riley: Oh wow. It's a pleasure.

Crysta: Same here.

Laney: I can also do this.

Laney called a bunch of Loons with her animal communication powers and they flew in and did all sorts of aerial tricks and Laney flew up and she and the Loons did a message in the air. It said Lori and Bobby 4Ever.

Laney: What do you think?

Riley: That was awesome!

Lori: Laney that was so sweet.

Laney: Thanks Lori.

Riley: (To Lana) You must be Lana. The little handyman.

Lana: That's right. I do toilets, sinks, showers and cars.

Riley: You're quite the mechanic.

Me: When it comes to the houses internal and external plumbing, Lana can fix it all.

Lana: Yep. I have ice powers. Watch.

Lana spread her wings and she had ice and snow swirling around her hands. She saw a policeman chasing after an armed robber and she fired a blue beam and froze him in ice.

Policeman: Whoa. (Sees Lana wave at him) Hey thanks a lot!

Lana: You're welcome!

The Policeman called for a truck and the truck came and they lifted the ice block into it and went off.

Riley: Wow. That is awesome.

Lana: I know. It's a perfect way to freeze the competition.

Luan: (Laughs) Good one Lana.

Me: (Laughs) That was funny.

Riley: (Laughs) That was a good one. (To Lola) You must be Lola, the Beauty Pageant Queen.

Lola: That's right. I have won lots of Beauty Pageants and more. I also have fire powers. Watch.

Lola spread her wings and saw a burgler trying to break into a home in broad daylight.

Lola: Oh no you don't.

She fired a flame laser at his sneakers and set them on fire.

Burglar: Aaaahh! Fire!

Starts running around and the family comes out and put him out and wrestles him to the ground.

A Police car shows up and arrests him.

Riley: Wow! Lola that was intense.

Lola: I know. Fire is a very dangerous force. It can destroy everything in it's path.

Riley: I know.

Penny: My name is Penny. I was adopted.

Riley: Oh wow. It's a pleasure.

Penny: I was saved by Lincoln and Linka.

Riley: I heard about that. You were kidnapped from New York to find the largest diamond in the world.

Penny: That's right.

Me: Madam Medusa and Mr. Snoops were known as the Gulf Coast Bandits. They stole treasure from pirate caves all over the Gulf Coast from Florida to Texas.

Riley: That's big. (To Lisa) You must be Lisa, the scientist.

Lisa: That is correct. It is a pleasure to make your acquaintance.

Riley: Same here. I heard alot about your achievements in the scientific and medical world.

Lisa: That's correct. Being a genius is both a blessing and a curse though I believe in neither.

Riley: I can understand that. (to Lily) And you must be Lily.

Lily: That's right. I'm 15 months old but I look like a 10-year-old because of the Glowing Water of Coventina.

Riley: Wow.

Lily: Watch.

Lily spread her wings and fired a blast of glowing blue water at a kid bullying a kid and it got him all wet to the bone. The bully ran away screaming for his mommy.

Lily: Yeah you better run!

Riley: Whoa! That water has the same kind of light as Chel.. Cherne..

Lisa: Cherenkov Radiation. It's the blue glow of an underwater nuclear reactor.

Riley: Cherenkov Radiation. Thank you Lisa.

Lisa: You're welcome.

Lily: Yeah. That's unusual isn't it?

Riley: Yeah. But that's awesome. (To Lincoln) You must be Lincoln.

Lincoln: That's right. I'm the only son in my family.

Riley: Oh wow. I may not have a big family like yours but you guys are totally gifted.

Lincoln: Thank's Riley. I have lightning powers.

Linka: Me too. I'm Linka Loud by the way. Lincoln's twin sister from an alternate dimension.

Riley: That is too complicated for me.

Linka: It was complicated for me too.

Lincoln: But watch this.

Lincoln and Linka spread their wings and they see a man and woman driving a car and shooting at police as they drove by and fired lightning from their hands at the car and melted it and their guns. The police arrested the couple.

Lincoln: That showed them.

Riley: Wow! That was electrifying!

Lincoln: I know.

Varie: My name is Varie Knudson. I'm J.D.'s fiance.

Riley: Wow. It's a pleasure to meet you. Congratulations by the way.

Varie: Thank you. The wedding is not for 10 years.

Starfire: It's a pleasure to meet you Riley. My name is Starfire.

Riley: THE Starfire? You're one of my favorite superheroes.

Starfire: I am honored that I have a fan.

Riley: You are an awesome superheroine.

Aylene: My name is Aylene Carter. I moved to Royal Woods from West Virginia.

Riley: It's a pleasure.

Aylene: I'm the dinosaur adventurer and archer.

Riley: That's cool.

Jessie: My name is Jessie Bannon. I'm an adventurer and future scientist.

Riley: Cool.

Woody: I'm Woody Woodpecker.

Riley: Woody Woodpecker!? Awesome. I watch your show all the time. It's awesome.

Woody: It's nice to know I have lots of fans.

Riley: It's really nice to meet you all. But I don't think I'm ready to go back to San Francisco.

Me: Well. You can come stay with us until you're ready to go or you can wait until your parents come and get you.

Riley: Thank you J.D.

5 different color lights shined out of Riley and out came the embodiments of her emotions: JOY, SADNESS, ANGER, DISGUST, and FEAR.

Riley saw them.

Riley: Wha? Who are all of you?

Joy: We are your emotions. I'm your Joy.

Disgust: I'm your Disgust and is that a money tree? Ew!

Anger: I'm your Anger! Hey shut up over there!

Sadness: I'm your Sadness. I'm sorry.

Fear: And I'm your Fear. (Screams) What's that?

Me: This is amazing. These are the physical embodiments of her emotions.

Lisa: Indeed.

Riley: But how are you guys out here and not inside me?

Joy: We don't have any idea ourselves. But running away is not a good idea. Its ruined your parents.

Riley: I know. But I can't go back to San Francisco. It's so hard for me.

Sadness: It's sad. (Crying)

Me: Come on. Lets all go back to our house.

We all beam back to the Knudson-Loud Estate and Riley was amazed at where we live. Riley was given a tour. She was allowed to stay in one of the guest bedrooms for a while or until her parents came.

I got on the phone and called Riley's parents.

San Francisco, California.

At the Anderson's house, Riley's mom and dad were very nervous.

The phone rang and Mr. Anderson picked it up.

Mr. Anderson: Hello?

Me: (On the Phone) Hello is this Mr. Anderson?

Mr. Anderson: This is he.

Me: Good day to you. My name is J.D. Knudson and I have good news. We found your daughter Riley. She was all the way up in Minnesota.

Mr. Anderson let out a sigh of relief knowing Riley was safe.

Mr. Anderson: That's wonderful news. Wait. Did you say you're J.D. Knudson as in J.D. Knudson and the Loud Siblings that defeated the Black Daffodil Gang?

Me: That's Right.

Mr. Anderson: It's an honor to talk to you. I'm so glad that Riley is safe. She must be with you in Royal Woods, Michigan.

Me: That's right. Would you like to talk to her?

Mr. Anderson: Please.

Me: Riley.

Riley picked up the phone.

Riley: [On the Phone] Hello dad.

Mr. Anderson: Thank goodness you're safe sweetheart.

Riley: (Crying) I'm sorry I ran away dad. I hate San Francisco and I want my old life back in Minnesota. I went back to Minnesota to get it back but it was all for nothing. My old friends don't want anything to do with me anymore! I don't want to go back to San Francisco! I want my old life back!

Mr. Anderson: Honey I know it was a big adjustment and I'm sorry. I never should have pushed you into liking it. We love you honey and I tell you what. We'll pack up and move to Michigan with you.

Riley: Really?

Mr. Anderson: Of course. We love you honey.

Riley: Thank you dad.

Mr. Anderson: You're welcome honey. Put J.D. back on.

Riley: Okay.

Me: (On the Phone) I'm so sorry Riley ran away Mr. Anderson.

Mr. Anderson: Call me Bill. We're going to move to Royal Woods and be with Riley. I can tell she likes you guys.

Me: That's wonderful Bill. We like Riley too. She's a huge fan of ours and I can tell she has a strong spirit. If I may make a suggestion, how about moving into one of our guest houses. We would love to add another family to our estate.

Bill: That's wonderful. It will take some doing but we'll be right over in 1 week.

Me: I'll talk it over with my mom and dad and we'll see… Actually here's my dad. Here dad.

Sumner: (On the phone) Hello.

Bill: Are you J.D.'s dad?

Sumner: Yes, I'm Sumner Knudson.

Bill: It's a pleasure to talk to you. I'm Bill Anderson, Riley's dad. J.D. and the Loud Siblings found our daughter in Minnesota and she is with you guys.

Sumner: That's right.

Bill: J.D. suggested that we move into one of the guest houses to be with Riley. Is that all right with you?

Sumner: That's fine with me. I can tell Riley is happier here than in San Francisco.

Bill: Oh great. We'll be right over in a week.

Sumner: See you then. Bye.

1 Week Later.

Bill and Jill Anderson, Riley's mom and dad were reunited with Riley and Dad showed them around the 1st Guest House and they loved it. They moved in immediately and Riley felt right at home. Riley now goes to Royal Woods Elementary School in the 6th Grade. Joy, Disgust, Sadness, Anger, and Fear have the ability to change into jewelry and they chose a bracelet. Riley met Raven, Terra, Argent, Kole, Bumblebee, Volcana, Robin, Cyborg, Beast Boy, Jeri, the Jedi, Naruto, Sasuke, Sakura, Fu, Rin, Hinata, Ino, Tenten and our friends Clyde, Rusty, Liam, and Zach.

Riley was fast adjusting to her new home in Royal Woods. It was great for her.

---

When I was done everyone was amazed.

Qin: WOW! So that's how you met Riley!

Nico: That is awesome!

Lola: Yeah it was fun.

Nico: Yeah.

Nico: You running away from home is understandable

Riley: Yeah I didn't like California. So I went back home.

Me: Yeah.

Qin: How did you and Ben meet?

Riley: We met during the Sadie Hawkins Dance.

Me: Boy I remember that. That was so awesome.

I went over what happened in chapter 74.

[Lincoln's school; the cafeteria. Me, Varie, Riley, Aylene and the Eds. are having lunch with Zach, Liam and Rusty. Zach, Rusty, and Liam are grooming themselves. Suddenly, the doors open up and some girls approach.]

Rusty: "Oh, here they come! These ladies are definitely gonna ask us."

[They pose for the girls, but they just walk right past them to their disappointment.]

Liam: "Man, we're never gonna get dates."

Zach: Hold it! Here comes a girl.

Rusty: No, it's just one of Lincoln's sisters. [Laney walks by]

Laney: What's the occasion boys?

Liam: Tonight's the school's Sadie Hawkins Dance and we boys are trying to score hot dates.

Laney: A dance? [Thoughts] If Joey sees my dance moves, he'll see that I'm cooler than before!

Rusty: I don't suppose you want to reconsider asking me?

Me: Sorry Rusty, Laney's already spoken for.

Rusty: Aw.

Eddy: I remember going to a school dance when we lived in Peach Creek. I didn't have a date. So we went to impress everyone.

Edd: Oh yeah. I get really nervous and scared at these kinds of things. But the best part was I got to dance with Nazz at the dance.

Me: I'm happy for you Double D.

Ed: I got to dance with Rolf's pig Wilfred. It was weird and strange.

Eddy: I'm gonna see if I can ask Luan to the Dance.

Me: I'm sure she would love to Eddy.

Riley: I know how you feel guys. I don't have a date either. But I have someone on my mind.

Varie: Neat.

Me: This is gonna be fun. I've never been to a school dance before.

Varie: Me neither.

Aylene: I've been to one and I like to dance.

Me: This should be fun for all of us.

Liam: I hope we all can get dates for the dance.

Lincoln: [from under the table] "Don't give up hope, guys. And can someone pass the ketchup?"

[Lincoln is under there with Clyde, I hand Lincoln the ketchup bottle and Rusty looks under.]

Rusty: "Why are you guys under the table?"

Lincoln: "I'm hiding from Ronnie Anne so she can't ask me to the dance."

Clyde: "And I'm here for moral support."

Rusty: "Lincoln, I thought you love Ronnie Anne."

Lincoln: "I do, but there's a two-for-one deal at the arcade tonight, and there's no way I'm missing it."

Me: I know you like the arcade but you should ask Ronnie Anne to the dance Lincoln. I'm sure she would be more than happy to dance with you.

Lincoln: Maybe you're right J.D. But what if everyone teases me?

Me: We won't let that happen buddy.

Varie: We promised to protect you no matter what.

Lincoln: Thanks guys. [Ronnie Anne enters the cafeteria.] "GAH!

Here she comes. Okay I'm gonna ask her."

Lincoln pops out from the table.

Ronnie Anne: "Hey, guys. Hey Lincoln"

Lincoln: Hey Ronnie Anne. I was thinking maybe you would like to go to the Sadie Hawkins Dance with me tonight?

Ronnie Anne blushed when she heard that and a bunch of other kids ran over to tease them. Sarah joined me.

Me and Sarah: Back off Fish Faces!

The kids ran away frightened.

Me: Wow. That was great Sarah.

Sarah: Thanks J.D. Ed did some weird stuff when we lived in Peach Creek so I figured I could help you out.

Me: Neat. Thanks Sarah. [To Ronnie Anne and Lincoln] Sorry you two. Continue.

Ronnie Anne: That was cool. I would be glad to go with you Lincoln.

Lincoln: Thank you Ronnie Anne.

Liam, Rusty, Zach and Sarah cheered for Lincoln.

Me: Way to go buddy.

Varie: I knew you could do it.

Aylene: You are gonna have a really fun time.

Laney: I'm so happy for you big brother.

Rusty: I'm so happy for Lincoln. But we don't have any dates.

Me: No sweat guys. I know some people that can help you out.

---

Me, Varie, Aylene, Riley, Lincoln, Laney, Clyde, Zach, Liam, and Rusty were walking home.

Me: Okay. Zach, Liam, Rusty and Clyde, We're gonna try to hook you all up with dates. [We walk up to the front door] Clyde you'd better stay out here because of how you get around Lori.

Clyde: Okay.

Laney: Just in case though I brought a bottle of smelling salts. [Laney pulls out a bottle from her backback]

Clyde: Thanks Laney.

Laney: You're welcome, Clyde.

I open the door and we see that all of Lincoln's Sisters are there.

Lincoln: "YAH!"

[His sisters are there eagerly awaiting to hear the news.]

Leni: "So? Did Ronnie Anne ask you to the Sadie Hawkins Dance?"

Lori: [jubilant] "I bet she was so excited. The Sadie Hawkins is literally the most important dance in a girl's life."

Lincoln: She is and J.D. and Sarah stood up for me when we were about to be teased.

The Loud Sisters cheered.

Luan: Way to go little brother!

Lynn: All right J.D.!

Me: Thanks Lynn. But also we have another reason why we're here. [I turn and reveal Zach, Liam and Rusty. Clyde is standing outside on the porch.] You all remember Zach, Liam and Rusty?

Shannon: Oh yeah. Awesome guys.

Me: [to Lori] Clyde is outside because of how he gets around you

Lori.

Lori: Thank you for telling me J.D. Hi Clyde.

Clyde: [Goes into Robot Mode] SYSTEM OVERLOAD ABOR… [I snap my fingers and he reverts back] Thanks J.D.

Me: No problem Clyde.

Luna: Boy that really does work dude. I wish we all could do that.

Me: You can. It just takes practice. But we're getting off topic here.

Luna: Right. I know someone that can help out.

Luan: Me too.

Lynn: Same here.

Lucy: I know someone too.

Clyde: I was originally staying with Lincoln for moral support. But now that he's going to the dance I'll go with him. I don't have a date either. Lori would you like to go to the dance with me?

Lori: I'd love to Clyde but… [Shocked at Clyde's Question] Wait! Did you just ask me to go to the dance!?

Clyde: Yes. I did.

Me: Hmm. It seems that when I snap my fingers to break Clyde out of his robot mode, it gives him more courage and confidence when in Lori's presence.

Lisa: That is a very fascinating hypothesis. I managed to notice this during that power outage we had a while back when Lincoln plugged in the TV for Lucy.

Lori: That is cool. But I would love to go Clyde but I've already been to the Dance when I was your age.

Clyde: Oh. That's okay.

Lucy: I know someone who can go with you Clyde.

Laney: I'm going to the dance to impress Joey even more.

Gabrielle: [British Accent] That's great Laney. I hope he dances great like you do.

Laney: Thanks Gabrielle.

Liam: Lola are you going to the dance too?

Lola: I can't because I have a pageant tonight.

Lana: I can't go because I don't like dancing.

Me: Well that's okay. Hey Luan, how about you and Eddy go? I'm sure he would love it.

Luan: Eddy already asked me and I said Yes. We will Dance the night away! [Rimshot to Laugh] Get it?

Me, Varie, Aylene, Anastasia, Gabrielle, Shannon, Penny, Zach, Liam, Rusty and Clyde laughed and the other sisters sighed.

Me: Good one Luan. Linka did Double D ask you?

Linka: Yes he did and I'm going too.

Me: Awesome. Leni how about you and Ed?

Leni: I told him yes.

Me: Are you going with us Penny?

Penny: No I can't. I don't know how to dance.

Laney: Hey I can teach you how to dance when we get back.

Penny: Thank you Laney.

Me: Laney is a great dancer Penny. This is gonna be exciting. What about you Anastasia?

Anastasia: I'm going too. This is gonna be fun for me.

Me: It's gonna be fun for all of us.

---

[That night]

Lincoln: "Mom, we're off to the dance at school!" [heads for the door]

Naruto was wearing a white trenchcoat that had red flames on the bottom and it had the kanji for the 4th Hokage on the back. He was also wearing a black shirt, blue khakis and black shoes.

Luan: Thanks Naruto. Is that your father's jacket?

Naruto: It sure is. Dad's letting me borrow it for the dance and he put a Sealing Jutsu on it that shrunk it to fit me.

Me: You look amazing wearing your dads jacket bro.

Naruto: Thank you J.D. Sakura, Hinata, Ino, Fu, Tenten and Mikari are gonna meet me there.

Ronnie Anne: That's cool. But how are you gonna dance with 6 girls Naruto?

Ronnie Anne had a purple dance dress on and she had purple dance shoes on. Zach, Liam, Rusty and Clyde had their normal clothes on.

Naruto: Shadow Clones. When you can use them you can be in multiple places at once.

Ronnie Anne: Good thinking.

Linka: I'm ready too.

Linka had an orange Dance Dress and Orange Dance Shoes.

Edd: Linka you look positively radiant.

Linka: Thanks Double D.

Me: Okay. I got the files and we are all set. I have a ride that's gonna get us there.

We walk outside and there was a fancy limousine waiting.

Everyone but J.D.: A limousine?

Me: Yep. This is our driver Franklin.

Franklin: [French Accent] Pleasure to meet all of you monsieurs and mademoiselles. Maitriser J.D. it is always a pleasure to provide for you.

Me: You're welcome Franklin my friend.

We get in and drive to the school.

---

[The dance. Everyone is out on the dance floor and we are getting a raffle ticket from Lincoln's teacher.]

Mrs. Johnson: "And here's your raffle ticket."

Me: Thanks Mrs. Johnson.

Lincoln: "Ooh! There's a raffle?"

Mrs. Johnson: "Yep. The winner gets to have lunch with me in the teachers' lounge."

[Lincoln's facial expression shows he doesn't like that prize.]

Me: Cool!

Liam: Neat. I've always wanted to see that there Teachers Lounge.

Rusty: This is gonna be awesome.

Clyde: I know.

Luan: Hey Mrs. J. It's been a while.

Mrs. Johnson: Luan Loud. You sure have gotten big the last time I saw you.

Luan: I know. I've had lots of fun times here. It's a shame that TIME FLIED. [Rimshot to Laugh] Get it?

Mrs. Johnson, Me, Varie, Eddy and Aylene laughed.

Mrs. Johnson: That was funny. I've missed your jokes Luan.

Luan: Thank you.

Leni: Mrs L. It's been a while.

Mrs. Johnson: Leni Loud. You look amazing and It's Mrs. J.

Leni: Thank you.

Sakura: Naruto!

Naruto saw Sakura, Ino, Hinata, Fu, Tenten and Mikari dressed in matching dance dresses of their favorite colors.

We walk over.

Naruto: Girls you all look amazing.

Ino: Thanks Naruto.

Hinata: [Blushes] Thank you Naruto.

Fu: You ready to start dancing?

Naruto: You bet!

Me: Go bust some moves little brother.

Naruto takes Sakura, Ino, Hinata, Tenten, Fu and Mikari to the dance floor.

Me: "Okay. Lets start by finding your dates and then we can start dancing. [I point to a girl with purple streaks in her hair] That's Luna's friend, Tabby. She loves sweatin' to the oldies, turning it up to 11, and her ideal date is soundproofing a wall with egg crates."

Liam: Hot diggety dang! She sounds like the girl for me. [Liam walks up to her] Howdy Tabby. I'm Liam.

Tabby: [rapidly shakes his hand] "Good to meet ya! Wanna jam?"

Liam: "Yeah! [to the DJ] "Hot diggity dang! Turn it on up to 11!" [plays air piano]

Tabby: [ecstatic] "I love turning it up to 11!"

[The two of them start rocking out.

Tabby: "Rockin' that piano! You got some chops."

Liam and Tabby were now in love and dancing like no tomorrow.

Me: Way to go Liam!

Tabby notices me.

Tabby: Wow! J.D. Knudson! I saw you at that Mick Swagger Concert and you really brightened up Luna's day.

Me: It was truely an honor to perform a song with Mick Swagger. He is awesome.

Tabby: I know. Thanks for hooking me up with Liam here.

Me: You're welcome Tabby. I'm no Matchmaker but I pick up on stuff like this. [Liam and Tabby go dance.] [To everyone else] Okay. I think Zach will like Luan's friend from Clown School, Giggles. A Virgo with an infectious laugh, Giggles' ideal date is trying to figure out how many people she can cram into one car."

I point to Giggles and Zach thought she was cool.

We walk up to her.

Luan: Hey Giggles.

Giggles: Hey Luan. You here to dance?

Luan: Yep. This is my boyfriend Eddy

Giggles: "Pleased to meet ya!" [shakes hands with Eddy and zaps him with a joy buzzer.] "I heard a lot of buzz about you!" [laughs]

Eddy: "[Laughs] Good one! You got something on your shirt." [points to it and Giggles looks down, he then flicks her red nose.] "Boop!"

Giggles: [laughs] "Touché!"

Luan: Eddy is the greatest. He made a good poem for me on Christmas.

Giggles: I heard about that. Way to go to the both of you.

Eddy: Thanks Giggles.

Zach: My name is Zach and I…

Zach walks up to her and is about to shake her hand when he trips on his shoelaces and crashes into a pie on a nearby table.

SPLAT!

Giggles laughs at this and knew that Zach was just as funny as she was in love with him. Zach approved too.

Giggles: You are hilarious.

Zach: Thank you. Wanna dance?

Giggles: Sure. Thank you for hooking us up guys.

Me: No problem Giggles.

Giggles and Zach left to go dancing.

Me: Okay now. Lucy's friend, Haiku, is an up and coming poet. Her dislikes include kittens, sunlight, and people who smile too much. So we'd better act depressing for her. I think Clyde would be perfect for her."

Clyde: I think so too.

[We walk up to her Clyde puts on a frown to make a good impression on her.]

Clyde : [feigning a melancholy nature] "Hi. I'm Clyde."

Haiku: "Hi, Clyde. Wanna hear my poem? Empty, lonely, dark. The universe is weeping. I have no tissues. Okay, your turn."

Clyde: "Uh… Jack and Jill went up a hill to fetch a pail of water."

Haiku: "Oh, yes. The futility of teamwork. Deep stuff."

Clyde: "Haiku, I have to be honest. My heart belongs to an older woman." [shows her a picture of Lori]

Haiku: "That's okay. My heart belongs to an older man." [opens a locket showing a picture of Count Dracula.] "He just turned 200."

Clyde: [nodding in agreement] "Unrequited love. Am I right?"

[Haiku smiles in agreement.]

Haiku: J.D., Lucy told me the poem you wrote for her. It was really good.

Me: Thank you Haiku. Lucy is my little Angel of Darkness and she calls me 2nd Brother.

Haiku: I can believe it. You have good poetry skills even though you're not into poems.

Me: That's alright with me.

Clyde: So Haiku you want to dance with me?

Haiku: I would love to Clyde.

Haiku and Clyde go to the Dance floor.

Me: That's 3 out of four. Lastly is…

[Polly comes rolling in and gives me a surprise roller derby attack which launches me into the wall.]

Me: [in pain] "Ouch. I found her."

Polly: "Nailed ya, bro! In roller derby, that's a move I like to call the Booty Block!" [shakes her booty on the name and grabs me.] "And this is the Helicopter!" [starts spinning him over her head.]

Me: Whoa-oa-oa-oa!"

[Polly drops me on a mat.]

Polly: "Wow! You didn't even barf! I'm impressed."

Me: [in more pain] "Ow. Thanks…"

I get up and Varie comes over and heals me.

Me: Ow. You must be Polly Pain. You have a lot of Daredevil Roller Skating Tricks.

Polly: That's right.

Me: I'm impressed. You really got the drop on me. I did not see that coming.

Polly: Thank you J.D. Lynn told me all about your fighting skills and I wanting to see if it was all true.

Me: You heard right. Polly I'd like you to meet my friend Rusty Spokes.

Rusty: Hello.

Polly: Lets see what you've got.

Polly does the Booty Block and launches him into a nearby snack table and breaks the table.

Rusty: Gee. That Polly is quite a handful and I like it!

Me: Go get her tiger!

Rusty goes over to Polly and they dance.

Me: That's everyone. All right. Let's dance!

Me and Varie were dancing.

Anastasia was dancing with a boy named Ivan Hordiyenko. Ivan is from Ukraine and he's part of a special Foreign Exchange Program.

Anastasia: You are a magnificent dancer Ivan.

Ivan: [Ukrainian Accent] Thank you Anastasia. You are an amazing dancer too.

Riley was dancing with a boy named Ben Tennyson. (Yes it's Ben Tennyson from Ben 10 but It's Ben 10 Alien Force Ben)

Riley: Have you ever danced before Ben?

Ben: I have Riley. I practiced with my cousin Gwen at my cousin Joel's wedding.

Riley: Cool. [Notices something on Ben's left arm] What's this?

Ben: Oh, it's called the Omnitrix. It's an alien device that allows you to transform into a lot of aliens from across the galaxy.

Riley: That's amazing. I've seen those aliens on TV and they were awesome.

Ben: It's rough work though. Being a hero is very tough.

Riley: I know. I helped Laney destroy Chandler.

Ben: I've heard about that. It must've been rough for Laney when she made her first kill.

Riley: It was. But she's better now. Lets rest for a bit.

Ben: Okay.

I walk over.

Me: Hey Riley. Having a good time?

Riley: I sure am J.D.

Me: That's good.

Ben: So you're the famous J.D. Knudson.

Me: That's right. (Gasp) I know you. You're Ben Tennyson. I've read a lot about your achievements and how you fought the evil Vilgax.

Ben: That's right. Vilgax was one of my most formidable adversaries ever.

Riley: Who is Vilgax?

Ben: He's an evil Warlord from another planet that wants the Omnitrix to conquer the Universe.

Me: I've seen how powerful he was and he was also very ruthless. Are you here with any of your family, Ben?

Ben: Actually me and Gwen are here. But we got sucked into an unknown Wormhole.

Me: A transdimensional wormhole took you both here. We've had that happen here once. It took Starfire, Raven and Terra to our Dimension.

Ben: That sounds crazy. But we don't know how to get home to our dimension.

Me: That's the problem. There's an infinite number of dimensions and universes across the very fabric of time and space. You could've come from either one of them and finding your dimension is like trying to find a needle in a haystack as big as the infinitely vast reaches of the cosmos.

Ben: So we're stuck here?

Me: I'm afraid so. We have another that's going through the same problem. Her name is Jessie Bannon. But she is used to it here.

Ben: I see. But I have a feeling I'm gonna like it here because Riley here is an amazing girl.

Riley: [Blushes] Thanks Ben.

?: Ben, I see you have made more friends.

Ben: J.D. this is my cousin Gwen.

Me: Pleasure to meet you Gwen.

Gwen: Same here. It's truely an honor.

Me: I heard you can use magic like me.

Gwen: That's right.

Mrs. Johnson: [on a microphone] "Attention, everyone! The lucky student who gets to have lunch with me in the teachers' lounge is…" [draws the winning student's ticket] "… Lincoln Loud! Uh, Lincoln? Oh, where are you?"

[A spotlight shines down on Lincoln]

Me: Way to go Lincoln!

Then we all heard the sound of Thunder crashing.

I open the door and saw that it was snowing hard and thunder and lightning was in the storm. Lightning flashed and thunder rumbled.

Me: Wow! So this is Thundersnow! I've never seen this happen before.

Laney: What's going on J.D.?

Me: It's a freak snowstorm.

Liam: The weather didn't call for this did it?

Me: I don't think so. Sometimes weather like this happens without warning. [I check on my phone and it showed that the storm was indeed there] Yeah it's there.

A stream of snow and lightning hit Liam and he was in a tornado of snow and lightning.

Laney: It's another elemental choosing!

Joey: [British Accent] Oh wow! So this is how you got your powers Laney?

Laney: Yes, but mine was made of Leaves.

When the tornado died down Liam was unharmed. Liam got up.

Liam: Man. What happened? I feel like I was run over by the Alabama Railroad.

Me: You've been hit by a stream of snow and lightning from a Thundersnow Storm.

Liam saw snow and lightning come out of his hand.

Liam: Jumping Peas in a Pod! I have Lightning and Ice Powers!

Me: It seems you do.

A horse winney was heard and out of the darkness of the storm came a horse of fire and it came in and approached Zach.

Zach: Wow. You are a magnificent horse.

Zach pet it and they instantly became friends.

Suddenly Zach was in a tornado of fire. When it died down Zach got up.

Zach: Man I feel weird.

Me: You had an encounter with a horse from the Netherworld.

Zach: Wow. I wonder.

Zach held out his hand and a flame appeared in his hand.

Zach: I have fire powers!

Me: Incredible!

A jet of water erupted out of the floor and it was laughing water.

Me: Laughing Water? This is weird.

It hit Giggles and she was in a tornado of water.

Laney: It's an elemental choosing fiesta!

Me: Everyone remain calm! This is how some of us got our powers!

The Laughing Water Tornado died down and Giggles got up.

Giggles: What happened? I feel like I was hit with lots of pies. Wait a sec?

Giggles got up and she fired a ball of water and it hit a teenage kid picking on a little kid and the Teenage Kid was laughing uncontrollably.

Giggles: I have water powers!?

Luan: You do Giggles.

A raven suddenly flew in and it had glowing red eyes and it perched onto Haiku's left shoulder and Haiku was in a tornado of black feathers and moonlight. When it died down, Haiku got up.

Haiku: I feel really strange. Clyde, what happened?

Clyde: You were chosen to receive powers by some force.

Haiku: Let me see.

Haiku fired a wave of darkness that became a huge murder of crows.

The crows pecked a criminal running from a policeman. The crows flew away when the policeman arrested the criminal.

Haiku: Gasp! I have dark powers.

Clyde: Your Dark Powers are different from Lucy's.

A rainbow suddenly shined in and it became Iris the Greek Goddess of Rainbows and she stood before Tabby.

Me: Iris, the Goddess of Rainbows!

Iris: Tabby, you have been chosen to receive my powers of the Rainbow.

Iris gave her rainbow sash to Tabby and she was enveloped in a rainbow light. When it faded Tabby dropped to the ground.

Tabby: I feel weird. Wait.

Tabby fired a ball of rainbow light and it hit a tree and made it shine.

Tabby: I have rainbow light powers! Jammin'!

Then an angel came in and she had a torch in her hands. She stood before Polly.

Me: Nike, the Goddess of Victory!

Nike: Polly Pain, you have been chosen to receive my Torch of Victory. Use it's power well.

Nike gave her torch to Polly and she was in a tornado of fire.

When it died down, Polly got up.

Polly: I feel stange. Wait.

Polly swung the torch and out came a blade made of pure fire and it slashed a nearby tree in half down the middle.

Polly: Wow! I have Fire powers.

A living clock suddenly came in and approached Clyde.

Clyde suddenly was in a tornado of clocks and the sounds of ticking was heard.

When it died down Clyde was standing.

Clyde: That was weird. Wait a second.

Clyde fired a beam of light and it hit the wall and disintegrated that part of the wall very quickly.

Clyde: (Gasp) I have time powers!

Me: Incredible!

A stream of fireworks suddenly flew in and hit Ronnie Anne and she was in a tornado of fireworks and it was like the 4th of July. When it died down, Ronnie Anne was on the ground. She got up.

Ronnie Anne: What happened? I feel weird. Wait a second.

Ronnie Anne held out her hand and fired a burst of fireworks and it was a dazzling display.

Ronnie Anne: I have Firework Powers!?

Me: That's like Jubilee's Powers!

Ronnie Anne: Jubilee from X-Men? Awesome!

A phoenix of pure water flew in and landed on Rusty's head. He was in a water tornado. When it was done he was on the ground. He got up.

Rusty: That was weird. Wait a second.

Rusty held out his hand and a blast of water fired and became a bird of water and splashed Hawk and Hank as they sat in their prison cells.

Rusty: I have water powers now!? Awesome!

This was some unusual dance.

2 hours later we returned to the mansion and I looked up the powers in my book. Ben and Gwen were with us.

Me: Lets see here. Liam you got Snow and Lightning powers from the Storm of Qailertetang the Inuit Goddess of the Weather. Once every 600 years, she grants a worthy person her powers over Snow, Ice and Lightning to that person. They can also fly with wings, communicate with animals of the air and sea, and even control the weather.

Liam: That's amazing!

Ben: I had no idea that some of you got powers because of different circumstances.

Lucy: We got our powers by lots of Mythological sources.

Gwen: Incredible.

Me: Yeah. Zach, you have fire powers because of the Fire Horse of War, one of the 4 Horsemen of The Apocalypse in Christian Mythology. It is said that War's Horse will escape from him and grant the powers of fire to anyone that can tame him. That person can also ride him whenever he is needed.

Zach: That's amazing!

Laney: I had no idea such a thing even existed.

Aylene: Me neither.

Me: Yeah. That is surprising. Giggles you have water powers because of the Laughing Water of Veles, the god of Water and Mischief in Slavic Mythology. Once every 2,000 years, Vales grants a worthy bearer the ability to control water that makes anyone it touches laugh uncontrollably. You can also use regular water and even grow forests. You can also fly with wings and talk to plants. So you have plant powers too.

Giggles: Wow. I had no idea all sorts of powers even existed.

Lori: Most of us got our powers from different deities and mythological sources.

Luan: Yeah. I had no idea many gods and goddesses existed in several cultures.

Varie: Me neither.

Me: It is surprising huh? Haiku, you were given dark powers because of the Raven of Hodr, the God of Darkness in Norse Myth. Once every 300 years, Hodr sends a raven with glowing red eyes to a worthy bearer and imbue a that bearer with his powers of darkness, fly with black angel wings and even communicate with birds. But there's a catch. That bearer has to have a heritage from Norway, Sweden or Finland.

Lucy: Strange. Haiku do you have any ties to those places?

Haiku: Yes I do. I found out over a year ago.

Raven: That is stange. But neat.

Me: Yeah. Tabby, Iris gave you Rainbow Powers because she chose you. Once every 375 years, she journeys down from Mount Olympus, the abode of the Gods of Greek Myth and appears in person to bestow her rainbow powers to that bearer. They can also fly with wings and they have the ability to grow and control plants.

Tabby: That is neat!

Luna: Dude, you have no idea how great this is. You have powers like me and Sam.

Tabby: I know. It's awesome.

Me: Polly, Nike gave you Fire Powers when she gave you her torch. Once ever 1,800 years, she journeys down from Mount Olympus and gives her torch to a worthy bearer. It gives them fire powers, the ability to fly with wings made of pure fire, and have superhuman strength, speed and agility.

Lola: Wow. That is neat Polly.

Polly: I know.

Lynn: Polly, this is a tremendous gift. With great power comes a great responsibility.

Polly: Yeah.

Me: Rusty, you were given Water Powers by the Water Phoenix of Chalchiuhtlicue. That's a hard name to pronounce. She's the Aztec Goddess of Water, Lakes, Rivers, Seas, Streams, Storms and Horizontal Waters. Once every 750 years, she bestows her powers over all water to a worthy bearer. They have control over all water, winged flight and the ability to talk to fish.

Rusty: That is cool. I always wondered what it would be like to have powers.

Lincoln: It's not all fun and games Rusty.

Linka: Yeah.

Me: Ronnie Anne you got Fireworks Powers because of Zhurong the God of Fireworks in Chinese Mythology. He grants his powers of fireworks to anyone that loves fireworks on the 4th of July or New Years Day. That's coming up soon. You also have winged flight, numerous abilitie's attributed to fireworks and lots of fire powers attributed to it.

Ronnie Anne: Wow! This is incredible!

Liam: But how will we tell our parents?

Me: You can tell anyone who you feel is trustworthy.

Varie: Yeah.

Me: And lastly Clyde, you got Time Powers because of the Clock of Chronos AKA Father Time, the personification of Time. According to legend he will grant his powers over time to anyone with a good cause. That person will get the ability to fire time rays that can destroy anything on contact, fly with wings, and even reverse the age of anyone they choose.

Clyde: Incredible!

Lincoln: Clyde, this is incredible!

Linka: I agree.

After the information was given out, things went south very fast for some of them. Liam, Zach, Tabby, and Haiku got disowned by their parents when they told them about their powers and we decided to take them in. I just could not believe that they would disown them like that. But they were right at home with us. Clyde, Ronnie Anne, Rusty, Polly and Giggles parents were okay with their children having powers. Ben and Gwen now live with us in one of the guest houses. This was a memorable yet weird Sadie Hawkins Dance for us.

When it was done everyone was amazed.

Qin: Wow so that's how you met Ben and how many of you guys got some of your powers.

Lola: That was awesome!

Xenia: It sure was amazing.

Riley: That was so awesome.

Nico: And your personalities have separate form.

Riley: They sure do.

Qin: We all think that is so cool.

Riley: It sure is. Joy is so awesome and how she brings hope and happiness is awesome.

Joy: Aw glad you think so Riley.

Riley: Yeah.

Jen Tennyson: You and my brother are a perfect match made in heaven Riley.

Riley: Thanks Jen.

Jen Tennyson: I'm just sorry that it didn't work out between Julie and him. Julie has helped him out many times in the past.

Xenia: She sure has.

Camie: Yeah that is a shame.

Nico: But there's plenty of other fish in the sea so to speak.

Me: Nico answer me this first.

Nico: What is it?

Me: Have you ever read the book series for the Wingfeather Saga?

Nico: Actually yes I have. One of the most amazing book series ever.

Lola: It sure is and it will be awesome having the Wingfeather siblings with us in the future.

Xenia: Yeah.

Nico: Yesterday was fun learning about Puss' past.

Me: It sure was. Man he has had it rough.

Nico: He sure has. But it will be awesome helping him out in the future.

Xenia: It sure will.

Laney: Yeah.

Eli: That will be awesome.

Nico: And we learned how Clyde was reluctant give Lincoln his gaming device

Laney: That was a crazy time back then. Even though I never played video games back then as I mostly like reading books.

Twilight Sparkle: You and I sure have so much in common Laney.

Laney: Yeah we are both bookworms.

Lola: That's true.

Me: But that was awesome that Clyde got an amazing version of the Switch.

Nico: That is cool.

Nico: You understand Clyde's reluctance, right, Lincoln?

Lincoln: Yes I do and I understand completely.

Me: Me too. I know how he feels. He didn't want his game system to get damaged.

Nico: Yeah that was understandable.

Eli: It sure was.

Nico: That was very understandable.

Me: Yep.

Nico: What exactly are we looking for here?

Me: We're trying to figure out the origin of the 3 Sacred Beast Cards.

Qin: As well as the origin of the Shadow Riders and how they came into being.

Laney: And for what purpose.

Fiona Hernandez: We want to figure out more about the 3 Sacred Beast Cards roots.

Lola: That is gonna be interesting.

Me: Yep.

Brittney: And I got a message from one of the spirits of the Netherworld that the best place to look is in the castle of Infernalvania.

Laney: (GULP) That sounds scary.

Eli: I sense Swartz's creations here too. One is Another Antedeluvian and Another Lord Drakkon.

Qin: Oh boy.

We got to a creepy fog area.

Me: Boy this fog is creepy.

Lucy Loud: I think it's great.

Nico: Everyone, stay close.

We did so.

Me: Look up there.

We saw a scary and horrifying looking castle and its very presence radiated with darkness.

Nico: Is that it?

Me: That's Infernalvania all right.

Camie: Boy that castle gives me the creeps.

Eli: Me too.

Brittney: It reminds me very much of Count Dracula's castle. And this is exactly the very spot where I found Camula and she agreed to joined the M.O.E.

Shizuka Marikawa: As my archenemy.

Saya Takagi: That is so cool and awesome.

Miku Yuuki: It sure is.

We went into the castle and stayed on the alert for anything.

The castle was scary and horrifying.

Me: Wow.

Lucy: It's spooky. I like it.

Eli: Thank goodness Shaggy and Scooby aren't with us or they would be scared to death.

Qin: You're not kidding there.

Brittney: The best place to look is in the library.

We went to the library.

We arrived at the library. It was a creepy place and full of ancient books.

Qin: Whoa. Scary.

Nico: Even the library looks scary.

Me: You're not kidding.

We got to looking around.

Eli: Hmm. Lets see.

We got to reading all the books. We saw books on demons and monsters.

Me: Scary.

Nico: I found something!

Me: Lets see.

We got to Nico and we saw that he found a book called The Legend of The 3 Sacred Beast Cards.

Me: The Legend of The 3 Sacred Beast Cards. That sounds promising.

I formed a ball of light and we got to reading.

Nico: Lets see here.

He got to reading and it said that Uria, Hamon and Raviel were originally the Avatars of The Egyptian God Cards. Uria represented Slifer the Sky Dragon, Hamon represented The Winged Dragon of Ra and Raviel represented Obelisk the Tormentor. But then the Sacred Beasts were corrupted by a mysterious dark force and they became evil and embodied three beings from Christianity. Uria represents Uriah the Hittite from the Book of Samael, Hamon represents Haman, the villain from the Book of Esther and Raviel represents Raziel the Angel of Mysteries and they became the evil counterparts of the Three Egyptian God Cards. For thousands of years ever since the Biblical Times, these titans have been duking it out. The Three Egyptian Gods sealed the 3 Sacred Beasts into the Spirit Gates. If they were ever unleashed unto the Earth it would be Armageddon.

When he was done reading we were shocked and horrified!

Me: That is scary!

Nico: No kidding!

Fiona Hernandez: Boy no kidding. It's like a huge battle of Religion. For thousands of years, Egypt, the Jewish, The Muslims and the Christians have been locked in battle.

Qin: No kidding.

Nico: Good thing they're working for us, huh?

Me: Yeah.

Fiona Hernandez: So Uria is for Uriah the Hittite in the Book of Samuel. I've read about him. He was one of David's soldiers that David killed.

---

Uriah the Hittite (Hebrew: אוּרִיָּה הַחִתִּי ʾŪrīyyā haḤītī) is a minor figure in the Hebrew Bible, mentioned in the Books of Samuel, an elite soldier in the army of David, king of Israel and Judah, and the husband of Bathsheba, the daughter of Eliam. While Uriah was serving in David's army abroad, David himself, from the roof of his palace, looked down on his city and spied upon Bathsheba bathing in the privacy of her courtyard. Moved by lust at the sight of her, David called for Bathsheba to be brought to him and slept with her, impregnating her. In an effort to hide his misdeeds, David called Uriah home from war, hoping that he and Bathsheba would have relations and that he would be able to pass the child off as belonging to Uriah. But Uriah, being a disciplined soldier, refused to visit his wife. So David murdered him by proxy by ordering all of Uriah's comrades to abandon him in the midst of battle, so that he ended up getting killed by an opposing army. Following Uriah's death, David took Bathsheba as his eighth wife.

The name Uriah is of Hebrew origin, a theophoric name referencing Yahweh, meaning "the LORD (Yahweh) is my light."

Based on the Biblical account, Uriah was probably of the ethnic Hittite minority resident in Israel that had lived in and around the region, "the Land of Canaan", since before the time of Abraham. The Hebrews, upon their entry into Canaan, had been commanded (Deuteronomy 20:16-17) to kill "anything that breathes… in the cities of the nations the Lord your God is giving you as an inheritance," with the explanation that "otherwise, they will teach you to follow all the detestable things they do in worshiping their gods, and you will sin against the Lord your God" (Deuteronomy 20:18). Even so, some of the earlier inhabitants were spared, in some cases for cooperating with the Hebrews (Joshua 2:12-14, 6:23, Judges 1:24-25) in other cases from failure to carry out the extermination order (Joshua 15:63, 16:10, Judges 1:19, 21, 27-36).

The era of David's rule was generations after this time, a length of time so long that by his day, many residents of non-Israelite descent who followed the Israelite religion had come to be accepted as Israelites. It is likely this included Uriah, as his name in Hebrew means "Yahweh is my light". In addition, his status as an officer in the army and as one of David's "mighty men" would indicate acceptance within the ethnic community.

The Talmud states two opinions as to who Uriah was. 1) He was a convert to Judaism. 2) He lived amongst Hittites and so is known as a Hittite despite his being born Jewish. (Kiddushin 76b) Either way, he was not actually part of the Hittite nation since he would have been forbidden to marry Bathsheba had he been a Gentile.

David's mighty men were a group of his best thirty-seven fighters (later expanded to around eighty). Although the lists of his mighty men (2 Samuel 23:8-39 & 1 Chronicles 11:10-47) are given after David has become king, many of them may have been the loyal followers who stayed with him when he was fleeing King Saul. At the very least, they fought side by side with him. Uriah's closeness to David is illustrated by how closely he lived to the palace, and his position as one of the mighty men at the front battle lines allowed David to formulate and carry out his plot.

According to Second Samuel, King David was tempted upon seeing Bathsheba bathe in her courtyard from the roof of his palace. He had her brought to his chambers and had sex with her, resulting in a pregnancy. Informed that her husband was Uriah, David summoned Uriah from battle to meet him, suggesting that he go home and "wash his feet," meaning to spend time at home and attend to his wife.

Uriah refused, claiming a code of honor with his fellow warriors while they were in battle. It was common for warriors in preparation for battle to abstain from sex, as a practice of discipline. After Uriah repeatedly refused to see his wife Bathsheba, David sent him to his commanding officer Joab with a letter that ordered Joab to put Uriah on the front lines of the battle and have the other soldiers move away from him so that he would be killed by enemy soldiers.

Despite Uriah's status as one of David's mighty men, British rabbi Jonathan Magonet observes that Uriah refers to Joab, not David, as "my lord (or commander)" (2 Samuel 11:11). Joab is, Magonet notes, a kingmaker who dispatches ruthlessly his own military rivals, Abner and Amasa. He is sufficiently powerful that David, on his deathbed, advises Solomon to arrange his death (1 Kings 2:5-6). This prompts Magonet to speculate that David saw some deeper political threat from Joab through his entanglement with Uriah's wife.

The prophet Nathan soon after confronted David about this murder, by first telling him a parable of a rich man and a poor man: The rich man had many sheep, while the poor man had only one little ewe, whom he cared for greatly. A traveler approached the rich man for food, whereby the man took the poor man's ewe and dressed it to give to the traveler.

Hearing this story, David grew angry and replied: "As surely as the Lord lives, the man who did this deserves to die! He must pay for that lamb four times over, because he did such a thing and had no pity."

Nathan replied, "You are the man! This is what the Lord, the God of Israel, says: 'I anointed you king over Israel, and I delivered you from the hand of Saul. I gave your master's house to you, and your master's wives into your arms. I gave you the house of Israel and Judah.

"And if all this had been too little, I would have given you even more. Why did you despise the word of the Lord by doing what is evil in His eyes? You struck down Uriah the Hittite with the sword and took his wife to be your own.

"You killed him with the sword of the Ammonites. Now, therefore, the sword will never depart from your house, because you despised Me and took the wife of Uriah the Hittite to be your own.'" NIVBible Gateway passage: 2 Samuel 12:5-10 - New International Version

---

Nathan then informs David that his child with Bathsheba must die. Indeed, their first child dies after seven days. David and Bathsheba later had a second son, the future King Solomon.

Nico: That's right. I remember reading about that too.

Me: That's interesting.

Maria Hernandez: And Hamon is named after Haman the Agagite. I remember him. He was a court official in the Persian Empire under King King Ahasuerus in the Book of Esther.

Nico: That's right.

Haman (Hebrew: הָמָן Hāmān; also known as Haman the Agagite or Haman the evil) is the main antagonist in the Book of Esther, who according to the Hebrew Bible was an official in the court of the Persian empire under King Ahasuerus, commonly identified as Xerxes I (died 465 BCE) but traditionally equated with Artaxerxes I or Artaxerxes II. As his epithet Agagite indicates, Haman was a descendant of Agag, the king of the Amalekites. Some commentators interpret this descent to be symbolic, due to his similar personality.

The name has been equated with the Persian name Omanes (Old Persian: 𐎡𐎶𐎴𐎡𐏁, Imāniš) recorded by Greek historians. Several etymologies have been proposed for it: it has been associated with the Persian word Hamayun, meaning "illustrious" (naming dictionaries typically list it as meaning "magnificent"); with the sacred drink Haoma; or with the Persian name Vohuman, meaning "good thoughts". The 19th-century Bible critic Jensen associated it with the Elamite god Humban, a view dismissed by later scholars. Ahriman, a Zoroastrian spirit of destruction, has also been proposed as an suggests that Haman is a priestly title and not a proper name.

As described in the Book of Esther, Haman was the son of Hammedatha the Agagite. After Haman was appointed the principal minister of the king Ahasuerus, all of the king's servants were required to bow down to Haman, but Mordechai refused to. Angered by this, and knowing of Mordechai's Jewish nationality, Haman convinced Ahasuerus to allow him to have all of the Jews in the Persian empire killed.

The plot was foiled by Queen Esther, the king's recent wife, who was herself a Jew. Esther invited Haman and the king to two banquets. In the second banquet, she informed the king that Haman was plotting to kill her (and the other Jews). This enraged the king, who was further angered when (after leaving the room briefly and returning) he discovered Haman had fallen on Esther's couch, intending to beg mercy from Esther, but which the king interpreted as a sexual advance.

On the king's orders, Haman was hanged from the 50-cubit-high gallows that had originally been built by Haman himself, on the advice of his wife Zeresh, in order to hang Mordecai. The bodies of Haman's ten sons were also hanged, after they died in battle against the Jews. The Jews also killed about 75,000 of their enemies in self-defense.

The apparent purpose of this unusually high gallows can be understood from the geography of Shushan: Haman's house (where the pole was located) was likely in the city of Susa (a flat area), while the royal citadel and palace were located on a mound about 15 meters higher than the city. Such a tall pole would have allowed Haman to observe Mordecai's corpse while dining in the royal palace, had his plans worked as intended.

Nico: Amazing.

Nicole Hernandez: And Archangel Raziel is known as the Angel of Secrets.

---

Raziel, (Hebrew: רָזִיאֵל Rāzīʾēl, "God is my Mystery") is an angel within the teachings of Jewish mysticism (of the Kabbalah of Judaism) who is the "Angel of Secrets" and the "Angel of Mysteries". He is also called "Keeper of All Magic." He is one of the angels associated with the sephirah Chokhmah of Kabbalah, alongside Jophiel.

Various teachings assign Raziel to diverse roles, including that of a cherub, a member of the Ophanim, and chief of the Erelim.

Raziel, known as "Revealer of The Rock" and is described as the "Ruling Prince of the 2nd Heaven". He is said to expound the clear teachings of the "Torah's divine wisdom" and protects the ministering angels from the living creatures that uphold the universe.

The famous Sefer Raziel HaMalakh ("Book of Raziel the Angel") attributed to this figure is said to contain all secret knowledge, and is considered to be a book of magic. He stands close by God's throne, and therefore hears and writes down everything that is said and discussed. He purportedly gave the book to Adam and Eve after they ate from the forbidden tree of the knowledge of good and evil (that resulted in their expulsion from the Garden of Eden) so the two could find their way back "home" and better understand their God. Raziel's fellow angels were deeply disturbed by this, and thus stole the book from Adam and threw it into the ocean. God Himself decided not to punish Raziel, but instead retrieved the book by means of the Rahab and returned it to Adam and Eve.

According to some sources, the book was passed on through the generations to Enoch (In 3 Enoch believed to have later become the angel Metatron), who may have incorporated his own writings into the tome. From Enoch, the archangel Raphael gave it to Noah, who used the wisdom within to build Noah's Ark. The Book of Raziel was said to have come into the possession of King Solomon, and a number of texts claiming to be this volume have appeared.

Nico: Yep.

Qin: Wow that is amazing.

Me: Yeah. That is incredible.

Lola: No kidding.

Nico: Eli, sense for Swartz's creations.

Eli: Okay.

Eli concentrated.

Lucy: Guys I found something else.

She brought a black book. It was all on the Shadow Riders.

Me: The Origin of the Shadow Riders. That sounds promising.

Nico: Let's see what's in it.

We read it and we saw that they were created by the evil demon

# Nightshroud.

---

Nightshroud is the main antagonist of Yu-Gi-Oh! GX. He is an evil spirit that has the ability to possess human beings. He was also one of the seven Shadow Riders. He is a minor antagonist in the first and second season, but he later returns as the main antagonist in the fourth season.

In his true form, he was voiced by Hozumi Gōda. While possessing Atticus Rhodes, he was voiced by Kōji Yusa in Japanese and Jason Griffith in English. While possessing Yusuke Fujiwara, he was voiced by Makoto Naruse.

Nightshroud's character design was overseen by Kenichi Hara. While possessing a host, Nightshroud wears a tight-fitting overcoat with raised shoulders and waistline and gold and green trimmings.

His dark dragon mask, similar to that worn by his signature monster "Red-Eyes Darkness Dragon", is completely black with the exception of its blue eye-pieces and a red stone in the center of the forehead. In this incarnation, the bangs closest to his face are positioned in front of the mask.

Immediately before Yusuke's fall, Nightshroud's energy form is glimpsed as an immaterial spirit, with a body swathed in black smoke. He has two long, gangly arms ending in claws, and no legs. His true form is a cloaked skeleton with glowing blue eyes resembling a Grim Reaper. He wears grey and red robes with gold trim, and has a dragon-shaped skull for a head with horns at the back of it, with the same shape as the mask his previous hosts wore. In this form he does not use a Duel Disk - instead, he grows five wings, each serving as one Monster Card Zone and one Spell and Trap Card Zone apiece. His cards materialize directly into his hands - his Deck is unseen.

## Personality

Nightshroud is a calm individual with the belief that individuality, hope, and bonds are what bring about people's suffering. He believes himself to be a "savior" and that complete peace can be brought into people through complete nullification (giving people no hope or despair). Nightshroud rarely loses his composure in conversations or Duels unless he is tricked or caught off-guard, especially if it relates to darkness within people. He sees people as beings that will eventually enter his world, but sees people with Duel Monster Spirits inside them as "foreign objects" that must be eliminated.

When individuals show fortitude against Nightshroud by using hope and bonds, he will become determined to use anything he has to destroy all hope and bonds that people have within themselves and give himself a better advantage such as using illusions to trick his opponents, using any darkness they have against them, or using his opponent's Duel Partners against them.

According to himself, Nightshroud follows the logic and truth of the world and thus has no actual desires.

Biography

Nightshroud was the first of the Shadow Riders to challenge the "keykeepers" and therefore the first to lose. His shadow charm was the mask that he was wearing to conceal his face. He duels Jaden in the first night, right after Jaden was told about the Shadow Riders. He uses a "Red-Eyes Deck" which revolves around summoning "Red-Eyes Black Dragon". When Nightshroud is defeated, it turns out he is a spirit that took control of Atticus, Alexis long-lost brother.

During the Genex tournament, Atticus duels Zane Truesdale, and Nightshroud starts taking him over again, however, Zane finishes the duel before Nightshroud can take control over Atticus again.

---

Turns out that he is a primordial demon that is the TRUE driving force behind the creation of the Three Sacred Beast Cards!

We gasped in shock!

Me: So Nightshroud is behind it all!

Nico: Oh man! Thank goodness we destroyed him.

Lola: No kidding there.

Nico: What else does it say?

Me: Lets see.

It showed us Camula's biography.

---

Camula is an antagonist from the first season of Yu-Gi-Oh! GX. She is the second of the Seven Stars Assassins and considered one of the most dangerous Shadow Riders ever encountered.

She was voiced by Kanako Irie in Japanese and Erica Schroeder in English.

Camula is a female vampire. She has green waist length hair, with a giant curl above her forehead. She wears a long red dress, with slits revealing her long legs. She also wears a lot of jewelry, including gold bracelets and a necklace.

Camula is a female vampire, and the only one that remains of her race. She survived the medieval times by locking herself up in a coffin, and hiding it. She remained hidden until Kagemaru revealed her coffin and released her. He gave her the Shadow Necklace, which is her Dark Item. She is the second Assassin to face the "keykeepers". She uses a vampire-oriented zombie deck, that revolves around summoning monster from the grave. She is a very serious duelists, and she hopes to revive her race by gathering souls. If she beats someone, she locks his or her soul up in a doll, or she sends the soul to the Three Phantasms by using her Spell Card "Phantom Demon's Gate". She manages to beat Vellian Crowler and Zane Truesdale, but she is beaten by Jaden Yuki. Her soul is then taken by the Phantom Demon's Gate, leaving her body to crumble. The souls that were locked up in dolls are then released.

---

Brittney: So she wanted to revive all the vampires. But she had no idea that there were still vampires amongst us.

Nico: That's true. Here's Tania.

---

Tania is a villain from the first season of Yu-Gi-Oh! GX. She is an amazon, and the third of the Seven Stars Assassins.

She was voiced by Kazue Komiya in the Japanese version, and by Kathleen Delaney in the English version, who also voiced Snow Queen and Tina in Viva Pinata.

Tania is a lady with a dark skin, and big blue eyes. She has two scars running over her right eye. She wears a blue tank top, combat pants, and gloves, with several rings and a large spiked collar. Her long hair is tied back in a ponytail. She is very muscular.

Tania is a somewhat different Seven Stars Assassin. She promises rare cards to students of Duel Academia, but they have to help her build a colosseum. She does not take away souls. During her first duel, she falls in love with her opponent Bastion Misawa. He gets so distracted that he loses, and he stays with Tania in the colosseum. However, after a few days, he comes back to Duel Academia. It turns out that Tania lost interest in him after he began to lose duels with her. They go back to the colosseum, but this time, Judai Yuki duels Tania and he defeats her. She reveals her Dark Item, a gauntlet. When she takes it off, she turns into a tiger and leaves.

---

Nico: Tania really wasn't a villain. She was more like a loveseeker.

Eli: Yeah and she is a powerful Amazon that even Wonder Woman would be proud of.

We saw Don Zaloog and his Biography.

---

Don Zaloog is a member of the Shadow Riders and an antagonist from the first season of Yu-Gi-Oh! GX.

He was voiced by Taiten Kusunoki in Japanese and Darren Dunstan in English.

Don Zaloog has grey hair, that comes near his shoulders. He wears his common clothes and a golden eyepatch.

Don Zaloog tries to deceive the "Keykeepers" by making them believe he is a detective, that wants to help protect the spirit keys. However, he and his gang try to steal the keys when nobody is watching. They steal the keys, but they won't open the spirit gate. When he asks why they are not working, Chazz reveals that the keys have to be won in a duel. Don Zaloog then duels Chazz Princeton but he is easily beaten. When he is beaten the power of his shadow charm, the shadow eyepatch, stops working, and he turns back into the card he once was. Later, he is seen partying with the Ojamas.

---

Me: Like I said, he and the Dark Scorpions would give Sly Cooper and friends a huge amount of competition.

Eli: They aren't called the most notorious thieves in the Duel Monsters world for nothing.

Camie: No kidding.

We saw the biography of Abidos III.

---

Abidos the Third is an antagonist from the first season of Yu-Gi-Oh! GX. A member of the Shadow Riders, he uses a "Servants of the Pharaoh" Deck, with Monster Cards which greatly resemble his own servants.

He was voiced by Mamoru Miyano (who also voices D in Zyuden Sentai Kyoryuger) in Japanese and Darren Dunstan in English.

Abidos the Third is an ancient pharaoh who has never lost a duel in his life.

He regained his human body by the powers of his Shadow Charm, the Shadow Headband. He then became one of the Shadow Riders, and with his army of mummies, he abducted the "Keykeepers" to his flying ship in order to duel them and take their spirit keys.

While dueling Jaden Yuki, he realizes that he had never lost a duel because he only dueled his underlings. They were simply too scared of him, so they would always let them win, just because he was a pharaoh.

Jaden defeats him quite easily, and Abidos realizes what a real duel is like. He accepts his loss and gives his Shadow Charm to Jaden. He then leaves for the afterlife.

---

Eli: Yeah father told me all about Abidos. He was a very powerful duelist. And a very skilled one.

Qin: Yeah that was awesome.

Nico: What else does it say? And I remember Helena McTroy is Titan's archenemy.

Me: Yes she is.

We read about Titan.

---

Titan is an antagonist from the first season of Yu-Gi-Oh! GX. He is a member of the Shadow Riders.

He was voiced by Norio Wakamoto in Japanese and Eric Stuart in English.

In one of the early episodes, Titan is seen as a hitman hired by Vellian Crowler. He is supposed to beat Jaden Yuki in the abandoned dorm. If he would win, Jaden would have been send from Duel Academy. Titan makes Jaden belief he has the power of a Millennium Item, but after a while, Jaden finds out he is just a fraud and beats him. Because he is beaten in the cursed "Abandoned

Dorm" he gets sucked into the Shadow Realm.

Kagemaru promises to help Titan out of the Shadow Realm if he promises to fight as the sixth Shadow Rider. When Titan accepts this deal, he gets his Shadow Charm, the Shadow Mask. He uses the mask to appear to one of the "Keykeepers" Alexis Rhodes in a dream. He tells him he can tell her the secret about the missing memories of her brother, if she comes to the abandoned dorm. When she goes there, the rest of the "Keykeepers" follow her, and watch her duel. However, Titan has changed and has real Shadow powers now, so he is no longer a fraud. After a long and hard duel, Alexis manages to beat him, and he gets sent to the Shadow Realm once again.

---

We gasped.

Me: I don't know what the hell Crowler was thinking in hiring him in an attempt to get Jaden expelled.

Nico: Me neither.

Me: Here's Amnael.

---

Daitokuji, also known as Lyman Banner and both better known as Amnael, is a supporting character who is eventually revealed to be an antagonist, in the first season of Yu-Gi-Oh! GX. He is the seventh of the Shadow Riders, therefore the best duelist among them and the last to be introduced. He serves as the secondary antagonist of the show's first season.

He was voiced by Wayne Grayson.

In the beginning of the season Amnael is presented as Lyman Banner (Daitokuji in the Japanese dub), the teacher in charge of the Osiris Red dorm, where the least skilled duelist in the academy (at least in term of grades) reside. He gives lessons about the origins of the Duel Monster game and about alchemy.

He appears as someone friendly, easygoing, and slightly goofy, who takes good care of his students, and he frequently gives advice and guidance to Jaden Yuki and his friends, witnessing almost all their duels throughout the season, and never being seen far from his pet cat Pharaoh.

As the first six Seven Stars Assassins are defeated, Lyman Banner seems to have gone missing. Shortly after, a mysterious masked duelist who introduces himself as the ancient alchemist Amnael appears on the Duel Academia island and starts challenging all the remaining keykeeper (duelists in charge of one of the six keys that keeps the Phantom God Beasts cards locked, since these cards wields a very dangerous mystical power that the Assassins covet).

Amnael beats Alexis Rhodes and Chazz Princeton easily, before taking Atticus as a hostage. He then challenges the last keykeeper, Jaden Yuki. Jaden and his friends then follow Pharaoh into a cave where they discover an alchemy laboratory and Banner's mummified corpse in a coffin. Then Amnael appears and reveal that he trapped the souls of the duelists he defeated within his grimoir, the Emerald Tablet, in which he concentrates his alchemic power. (Amnael's book is named after a legendary book of alchemy, rumored to have belonged to the fabled alchemist Hermes Trismegistus.)

Amnael proves himself to be a formidable foe, but Jaden manages to hold his own. Amnael's true identity is revealed when his mask falls apart. Amnael explains that he fell terminally ill during an experiment, forcing him to transfer his soul into a homunculus who looks exactly like him. However, the homunculus has a very short lifespan and Amnael joined the Seven Stars Asassins, hoping to use the Phantom God Beasts' power to create the Philosopher's Stone and become immortal.

Amnael then gains the upper hand and starts telling Jaden that they are rather similar and that the way he duels is somehow close to alchemic principles. In the "4Kids" dub, he makes a rather classical villainous speech about how Jaden was manipulated, so that he would win all his duels and look like a powerful duelist and be entrusted one of the keys, while he is in fact a weakling. It must be noted that this speech is hardy coherent, since Jaden defeated most of the Seven Stars Assassins all by himself. Furthermore, how the duels could have been rigged is not even explained, though it would later be revealed that he lied about all that.

Jaden eventually realizes the truth in Amnael's words and wins the duel by fusing four monsters of the Earth, Water, Wind and Fire elements (uniting the elements being a major theme in Alchemy). Amnael then gives him the Emerald Tablet and appoints him as his successor, before crumbling into dust. (In the "4Kids" dub, he tells him that he became a Seven Stars Assassin to keep an eye on the others, and lied about rigging duels to force Jaden to give his best, in order to see if he was ready for the true threat.) In the grimoir, Judai finds a powerful spell card "Philosopher's Stone - Sabatier" which would later enable him to defeat the leader of the Seven Stars Assassins, Kagemaru.

Amnael's spirit survives, but gets eaten by his pet cat Pharaoh. During the rest of the series, the spirit leaves the cat's mouth from time to time and gives advice to Jaden. He helped Jaden to seek out Chazz's Ojama cards that he discarded when he was brainwashed by Sartorius Kumar.

---

When we were done reading we were shocked.

Me: That still shocks me though. It's hard to imagine that Professor Banner was afflicted with this terrible curse and we didn't even know about until it was too late.

Nico: Yeah the poor guy. If he just told us we would have gladly helped him out.

Eli: No kidding.

Nico: What else does it say?

Me: Lets see.

We flipped a page and in some blank pages cut out was another book. It was a little black book.

Me: What's this?

I opened it.

Me: It's a diary. And it's about what Kagemaru went through.

I read it.

---

Kagemaru is the main antagonist from the first season of Yu-Gi-Oh! GX. He is the leader of the Shadow Riders.

In Japanese, he was voiced by Mugihito in his old form and Nobutoshi Canna in his young form. In English, he was voiced by Michael Alston Baley in his old form and by Marc Thompson in his young form.

Kagemaru was once the superintendent of Duel Academia. When he left Duel Academia, he became ill and old. In terrible health, he now hopes to regain his health and youth by sucking the energy out of duel monster cards. He wanted to use the Three Phantasms for his plan. The only problem is that they were locked underneath Duel Academia and protected by seven spirit keys which he once gave to Samejima.

He sends the Seven Stars Assassins to win the spirit keys. When they all failed, he went to Duel Academia himself. He placed his body in a large machine which would infuse him with the power of the duel monster cards from all over the world once he had summoned the Three Phantasms. While dueling Jaden Yuki, his youth did indeed return but once he was beaten, he regained his old age.

Kagemaru then promises to leave his evil ways behind him. His Dark Item was a ring. He plays a "Three Phantasms" Deck, which revolves around summoning the Three Phantasms. He returns in Season 4 as an advisor to the heroes.

---

When it was done we were shocked.

Nico: That is terrible!

Eli: No kidding.

Me: Here's the last entry. "The Shadow Riders have all been assembled and our destiny is drawing close. The day of reckoning and destiny is upon us. Our enemies have been tested, our allies have been gathered. The hour is upon us. It is time to flood the world in shadow. Darkness is coming."

Qin: Whoa! Scary.

Me: No kidding.

Nico: I think that's everything.

Me: Yep. Now we know everything.

We decided to take the books with us to show everyone.

Nico: Lets get out of this fright zone.

Maria: And find Swartz's creations.

We left the castle.

Me: That was good. We got valuable info.

Fiona Hernandez: We sure did.

Eli: I sense the first of Swartz's Creations. 5 klicks ahead.

We got to the edge of the forest and then the fog cleared up.

Me: That's better.

Nico: I can see now.

May: Who's up first?

Natasha Hernandez: I will go first.

Nico: Okay.

Then a figure swooped in and we saw that it was a dark version of

Antedeluvian! It was ANOTHER ANTEDELUVIAN!

Me: WOW! Another Antedeluvian!

Qin: Wow this one is a creepy one.

Xenia: Yeah.

Another Antedeluvian: (In a girls voice) (Transylvanian Accent) Scary place for you all to be in huh?

Me: (GASP) That voice.

She reverted back and it was a girl with black hair and had a black dress and red eyes and had the symbols of Antedeluvian on her skirt, arm and in the middle of her forehead.

Me: (GASP) Anna Antedeluvian!

Anna Antedeluvian: It's good to see you again J.D.

Me: Same to you Anna.

Nico: You know her?

Me: Yep. Anna believe it or not is really the descendant of Camula.

We gasped!

Nico: Wow! That is amazing!

Anna Antedeluvian: That's right and yes I am a vampire.

Nico: We were just reading about your ancestor!

Anna Antedeluvian: I had a feeling. I wanted to try and stop my ancestor from trying to destroy humans and my friends. I wanted to speak out against what she was doing but I didn't because I was too weak to stop her.

Me: Anna it's not your fault. But now that all the vampire villains are dead we have come to a special understanding and form of coexisting.

Nico: Yeah. All the good vampires that come out at night drink blood from vending machines.

Me: They are like soda machines except they have blood in them.

Anna Antedeluvian: That's interesting and I'm glad they can do that.

Me: Indeed.

Natasha Hernandez: But it will be amazing having you on the team. You'll make a great member of the Goths of Darkness.

Anna Antedeluvian: Indeed.

Nico: You're up, Natasha.

Me: Before we fight, Anna are there anymore opponents with you?

Anna Antedeluvian: Yes there are. Another version of him.

Lord Drakkon: Another me? Wow.

Me: Friendly or hostile?

Anna Antedeluvian: Hostile. But this guy really hates you with a vengeance J.D.

Me: I could use a little warmup before the big battle with Hiroshi coming up.

Nico: Go nuts, Natasha!

Natasha nodded.

Anna Antedeluvian: Lets do it.

She turned back into Another Antedeluvian and flew into the air and Natasha flew after her and fired waves of blue fire and blasted her down and I caught the Wonder Ride Book and it was a book called THE VAMPIRE OF THE BLOOD OCEAN!

Natasha caught her and brought her over.

Me: Not done yet.

?: (RASPY VOICE) J.D. KNUDSON!

Me: Uh oh! No mistaking that voice!

We saw Another Lord Drakkon and it was a black version of him!

Me: Another Lord Drakkon. Or should we call you by your true name, RITA REPULSA!

We gasped in shock and she reverted back and it was RITA REPULSA!

Rita Repulsa: You will pay for killing me!

Nico: You make us sick Rita!

Me: Even after almost 30 years you sill don't know how to take a hint.

Kaito: (gets out Faiz gear) Normally, we'd ask you what Swartz promised you.

Zocks: (gets out Blade gear) But I think we know what that promise was.

Me: And that is to get revenge on us for killing you last year. Right?

Rita Repulsa: What do you think!?

Me: I think that's a big yes.

Kaito got a Faiz Sword and Zocks got a Blade Sword.

Me: You still have a lot to learn even after 24 years have passed.

I went Super Angel.

Me: I don't need my most powerful form to take you down.

She turned into Another Drakkon and I teleported and punched her in the stomach and kicked her in her face and kicked her in her stomach and smashed her in her face and kicked her down.

She got up and fired green energy blasts and they hit the ground behind me and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out behind me and I was still standing.

I fired a powerful energy blast and knocked her down in a powerful explosion!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Sougo: (Gets out Faiz Ridewatch) No Void Queen to back you up this time!

Armor Time! (Pop music) Complete! Faiz!

Geiz: (gets out Garren Ridewatch) Right now, it's Kamen Riders against a Power Ranger villain!

Armor Time! (Rock music mixed with Garren Buckle standby noise) Garren! (Garren transformation noise)

Sougo got FaizArmor while Geiz got GarrenArmor.

Me: That's for sure!

Another Lord Drakkon: I DON'T CARE! I HATE ALL OF YOU SO FUCKING MUCH!

Our auras flared up with incredibly explosive force!

Me: Thanks for the power boost Rita. Even after 24 years you still will never learn.

Nico: Yeah.

I fired waves of energy and blasted her all over.

Me: Time to get this party started! (ACTIVATES LORD DRAKKON'S

RIDEWATCH)

I fired waves of green energy blasts and they hit her and exploded and a massive fiery explosion blasted out behind her and blew her back!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: (gets out Drakkon's Ridewatch) Funny how I'm using the powers of a version of Tommy against you.

Me: What's ironic is that Lord Drakkon in the Power Rangers comic books killed you.

Fiona Hernandez: And my archenemy the Pink Ranger Slayer wanted to kill Drakkon! (Activates Pink Ranger Slayer's Ridewatch)

Nico activated Drakkon's Ridewatch and Nico and Fiona fired waves of green energy and blasted her down in a powerful fiery explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was really blasted down.

Qin: YEAH!

Me: Time for some flute power. (ACTIVATES ZEN-AKU'S RIDEWATCH)

Riley Anderson: Let me do that too. (ACTIVATES ZEN-AKU'S RIDEWATCH)

Nico: Same here. (ACTIVATES ZEN-AKU'S RIDEWATCH)

We got flutes.

Me, Nico, Riley and Zen-Aku: DARK WILD ZORDS ARISE!

We blew a tune.

I summoned the Manta Ray of Manta Bayarsh, the Salmon of Samon Shakekisutanchin and the Oarfish of Ryugu Tamatebako!

Nico summoned the Vampire Bat of Myotismon, The Flying Fox of Count Spankulot and the Spectral Bat of Evil Shade Man!

Riley summoned the Orchid Mantis of Marluxia, The Barn Owl of The Grand Duke's Minions and the Bobcat of Evil Desert Man

Zen-Aku summoned the Wolf of Koragg, The Alligator of Gator Ghoul and the Hammerhead of King Shark!

They flew and blasted Another Lord Drakkon and blasted her all over.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down by them.

Maria: Let me summon backup. This one has one Power Ranger Monster leading it!

Me: Go for it!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) FIRESTORM ANIMAL FORCE 6!

She summoned Dumbbelltron, Laughing Ghosts, Creeper, Mad Giraffes, Universe 666 Zira, and Evil Chili Pot! Along with Goldar, Finster, Vypra, Diabolico, Trifire, Quakemon, Chillyfish and Whirlin.

Goldar: Rita!

Another Lord Drakkon: Goldar! Finster!

Nico: Finster just joined the M.O.E.

Vypra: Been a while Repulsa.

Me: Not used to family reunions are you?

Another Lord Drakkon: I HATE THEM!

Me: Boy Rita you need a hobby.

Eli: I agree there.

May: (Gets out Mele's Ridewatch) Then you'll hate this!

She fired a wave of darkness and smashed her down!

Goldar and Finster fired waves of lightning and energy and blasted her down!

Lord Drakkon: I can't believe that Rita is that deranged.

Me: Why do you think Zordon had her sealed over 10,000 years ago?

Nico: I think the Morphin Masters might have done it.

Me: That just might be the case.

May: (ACTIVATES COTTONTAIL SMITH'S RIDEWATCH) I HATE RABBITS! Don't tell bugs or our bunny friends I said that.

She fired waves of gunfire and blasted Another Lord Drakkon all over.

Maria: (Gets out Lady Flamicorn's Ridewatch) Feel the heat, bitch!

She fired waves of fire and blasted her down.

Me: Nice one!

Qin: YEAH!

Maria: And this too.

She activated Gimme's Ridewatch and fired waves of darkness and blasted her all over.

Qin: Take that!

Me: You will still pay for your crimes.

Rita Repulsa: (laughs) I guess this is the part where you let me go.

Me: Why the fuck would we do that? You know we're going to send you into the Warp!

Rita Repulsa: Need I remind you that if it weren't for me, Tommy Oliver wouldn't have met the other Rangers? You could at least give me SOME credit by letting me go with a slap on the wrist!

?: I don't think so Repulsa!

Then a portal came and out of it was THE MORPHIN MASTERS!

Qin: The Morphin Masters!

Xenia: Wow!

Zuria: Oh wow!

Nico: She's in for it now.

Master Red: You are not going to interfere in the affairs of the Earth Ever again.

Master Green: For eons you have tormented innocent lives and no more will we allow it.

Master Blue: It's time to end it.

They fired a wave of energy and it hit her and imprisoned her in a powerful magical unbreakable crystal and then they opened a portal and banished her to the Warp for all eternity.

Me: Good riddance.

Master Red: You all did well destroying the Void Queen last year.

Me: Thank you Master Red. We did what we had to do.

Nico: Now most of the Rangers enemies are gone forever.

Xenia: That's for sure.

Laney: But many more are still out there.

Me: And we'll be ready for them.

Master Red: Indeed. Good luck to you all.

They left.

Blaziken: That was awesome.

Me: It sure was.

She reverted back and was a girl with red hair and had an orange Japanese School Uniform on.

Ashleigh Hunter: That was great that we got to face Rita.

Nico: If she shows up later this year when it's time to go after Lord Zedd, we WILL give her the Black Gates.

Me: She's got 24 years of crimes to be judged upon.

May: Same with Lord Zedd.

Ashleigh Hunter: That is for sure.

Riley Anderson: Yeah. What's your favorite memory of Nico?

Ashleigh Hunter: My favorite is when me and Nico were in martial arts class and Nico taught me how to do a fire version of the Kamehameha Wave.

Nico: Yep.

Me: Wow! I got to see that.

Ashleigh Hunter: Okay.

She got ready and cupped her hands.

Ashleigh Hunter: FIRESTORM KAAAAAA MEEEEEE HAAAAAA MEEEEE HAAAAAAAAAAAAAA!

She fired a powerful Fire Kamehameha Wave and it hit a rock out at sea and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

Me: WHOA!

The explosion obliterated the rock with incredible fiery power!

Qin: WOW! That was incredible!

Lola: WOW!

Me: Unbelievable! Nico you taught her that!?

Nico: Yep.

Me: That was amazing!

Sunset Shimmer: Think you can teach me that Nico?

Nico: I would be honored.

Nico and Ashleigh hugged.

Nico: I've really missed you Ashleigh.

Ashleigh Hunter: Me too Nico. Me too.

We went back home.

Lincoln: Wow, we're here in the Mewni sector of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to destroy Mina Loveberry, who's come back from the dead and she wants revenge on Star and her friends, along with Zoe Weather, for destroying her years ago after Mewni merged with Earth.

Me: We'll finally get rid of her once and for all.

Nico: Yeah, the world's had about enough of that delusional genocidal extremist to last an eternity.

Lincoln: Zoe destroyed Mina Loveberry with only a single energy blast before she could try and attack us, and as a Solarian Warrior, she has powerful magic to augment her physique and strength, but the bad news for her: we're not the same as we were years ago, so she's in for one nasty surprise, and I want to thank Lucy Dark, Luz Noceda, Amity Blight, Willow Park, and Gus Porter for joining us, Nico.

Lucy Dark: You're welcome, Lincoln. Plus, isn't today the day of Evelyn's big mission?

Lincoln: It sure is, finally, we're going to help Kazuma and the team destroy Hiroshi Tennoji once and for all.

Me: And I'm also going to transform as well. That bastard's going to pay in full and with his blood for everything he's ever done.

Suddenly, we saw Neo-Spacian Flare Scarab appear before us, and with it are the five girls.

Nico: Whoa, that's Neo-Spacian Flare Scarab.

Neo-Spacian Flare Scarab: (Girl's voice) You got that right, and I also got the girls away from that genocidal deranged Solarian.

Lincoln: (Gasps) That voice, Sophia Kitka, I knew it was you, it's awesome to see you again.

?: I WILL KILL YOU ALL FOR RUINING MY PLANS TO DESTROY EVERY LAST MONSTER AND HUMAN IN EXISTENCE!

We then saw our target, Mina Loveberry, and she was really really pissed now!

Lincoln: But, we'll have to talk later, we've got a deranged extremist to destroy. But, just to piss her off.

Lincoln fired a rainbow energy blast at Mina Loveberry, which slashed out her right eye, and she let out a scream of pain.

Nico: Oh man, Lincoln's drawn first blood!

Me: Nice!

Suddenly, Mina Loveberry fell into a really black rage and she underwent her Solarian transformation, as she becomes muscular and grows to nearly twice her original size, her eyes turned white, her ears take on an elfin-like shape, her teeth become sharp, her voice deepens, and her attire gains a pink/ magenta cape.

Lincoln: So, she decided to go all-out, huh? Alright, then, so will we, let's get her and rip her head off!

Nico: And mount it on a stake!

Mina Loveberry ran right at Lincoln, and she tried to punch and kick him, but Lincoln dodged all of her attacks, and then, he grabbed her neck with his left hand and hoisted her up, and as he tightens his grip, he began sucking out all of Mina Loveberry's powers, as her muscular physique shrank and her appearance changed back. Then, Lincoln set her on fire with rainbow flames and he threw her body into the air and she was forever incinerated and her spirit was erased forever by The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of Star's major enemies exterminated for good. (To Sophia Kitka) And it's so good to see you again, Sophia Kitka.

Sophia Kitka reverted back to normal, and she's a beautiful girl with long orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings and she reigned in the power of Neo-Spacian Flare Scarab, she's dressed in a long-sleeved orange coat, short-sleeved orange blouse, sleeveless orange midriff top, orange skirt, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with flames, stars, scarabs, and angels on the coattails and on the back is Neo-Spacian Flare Scarab and holstered on her back is a massive Neo-Spacian Flare Scarab-themed greatsword with embedded orange gems and Neo-Spacian Flare Scarab etched on the 7'0" massive, wide, double-edged orange blade, large Neo-Spacian Flare Scarab heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large Neo-Spacian Flare Scarab heads and large red gem on the bottom of the large Neo-Spacian Flare Scarab heads for the pommel.

Sophia Kitka: You too, Lincoln, it's been such a long time.

Lincoln went up to Sophia Kitka and he hugged her, and Sophia Kitka is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you

were sixteen, and as you can see, I really grew a lot since then.

Sophia Kitka: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sophia Kitka, she's my Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition and she's known as The Firestorm Vampire Slayer. Sophia Kitka also has powers of fire, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, I also made her a necklace with jewels in her favorite color and a scarab pendant, and to show thanks, she kissed me on the lips.

Sophia Kitka: And before you guys ask, I'm also the niece of Deputy Sheriff Billy Kitka, and though I hate Lynn with a burning passion, there's one person I absolutely hated: the vampire, Arvin, Marlow Roderick's vicious enforcer, who not only attacked my uncle, but also, killed Kirsten Toomey, as well.

Alexa Oleson: Plus, I also told her of what happened yesterday in Barrow, Alaska: the resurrections of those who died at the hands of those vampires and the merging of their Simulator counterparts with the real world counterparts, and she's happy to have her uncle, aunt, and cousins back, and I'm also happy to have Eben and my grandmother, Helen, back as well. Stella and Jake were happy about that as well.

Nico: But, I have a bad feeling The Stranger's also come back as well, and the vampires might try to get him to cut off the town again.

Lincoln: Ever since Eben killed Marlow years ago in the real world, the vampires disappeared into the darkness never to be seen again, but you're on to something there, Nico: if The Stranger's come back from the dead, there's a chance Marlow will also come back as well, and he'll be wanting revenge on Eben.

Sophia Kitka: Which is something we need to prevent. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Sophia Kitka: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Sophia Kitka: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Sophia Kitka, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sophia Kitka: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sophia Kitka's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal

Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Sophia Kitka: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sophia Kitka.

Sophia Kitka had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Brandish μ and Dimaria Yesta from Fairy Tail, Wu-Ling and Yu Lan from Rabbit, and Ling Xiaoyu from Tekken.

Lincoln: Oh wow, it's Brandish μ and Dimaria Yesta from Fairy Tail, Wu-Ling and Yu Lan from Rabbit, and Ling Xiaoyu from Tekken.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Brandish μ: Yes, we're okay, thanks to you.

Then, when Brandish μ and the other four girls saw who it was that saved them from Mina Loveberry, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and

Brandish μ: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Brandish μ: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Brandish μ, Dimaria Yesta, Wu-Ling, Yu Lan, and Ling Xiaoyu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was Mina Loveberry, who's come back from the dead and she wants revenge on Star and her friends, along with Zoe Weather, for destroying her years ago after Mewni merged with Earth.

But, when Lincoln showed what we did in laying a brutal beatdown on her when she was in her augmented form and Lincoln finishing her off by grabbing her neck and sucking out all of her Solarian powers and magic, and then, setting her on fire with rainbow flames and throwing her into the air where she burst into flames and her spirit was sent to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Sophia Kitka have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that genocidal, crazy, madwoman never to come after our friends ever again.

Star Butterfly: We're so glad to finally be rid of her for good, she was crazy!

Marco Diaz: Beyond crazy, Star.

Lincoln: And that look she had on her face when she saw we weren't the same as we were years ago was priceless.

Zoe Weather: And that was a sweet move blasting her right eye out and pissing her off, Lincoln, that was really some awesome karmic justice for those she's killed.

Lincoln: Thanks, Zoe.

---

After finally destroying Mina Loveberry and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sophia Kitka saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sophia Kitka: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Alexa, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Kitka: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sophia Kitka: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Alexa, Sophia, what memories did you have with Lincoln?

Alexa Oleson: Right, we never got to that because of the story Lincoln told yesterday. Oh, I know, I still remembered this one time, all of us were with Lincoln, and we were hunting down a dangerous vampire who was sighted in Royal Woods by the name of Jasper Bancroft, who was causing havoc in Royal Woods by dragging thugs away and draining them of blood, and even worse, decapitating their heads and mounting them on stakes.

Sophia Kitka: Just like what happened in Barrow, Alaska. Anyways, we found Jasper's hideout which was an abandoned sports stadium, and we saw the mess he made: littered severed body parts, heads mounted on stakes, and blood all over the floor, and we confronted him in his lair, and we defeated him in a very vicious battle, and it ended with Lincoln driving a stake through his black heart, and he burst into flames and was left as a pile of ashes.

We cheered, but we were horrified at what they described.

Nico: Sheesh, that guy is one bad vampire.

Lincoln: And we've killed a lot of evil vampires long before the team formed and in the past soon-to-be seven years.

Suddenly, we heard the doorbell ring.

Eli: Uh, is anyone expecting any visitors?

Nico: Not until later. Come in!

The doors opened, and suddenly, we saw Flowah, Stogg, Glowl, and Boskus come inside.

Me: Whoa, Flowah, Stogg, Glowl, and Boskus from My Singing Monsters.

Flowah: (Girl's voice) Yep, and we managed to catch you guys before you head off to kill Hiroshi.

Lincoln: I knew it was you four, it's so awesome to see you all again.

Amber Strongflower: You too, Lincoln.

Brittney Stonestego: And it's also good to see you again to, Ava.

Skyla Stormeagle: It's been a long while.

Emily Twilightheart: But, now we're reunited once more.

Ava Microphonefish: (Australian Accent) Too right, Emily.

Amber Strongflower, Brittney Stonestego, Skyla Stormeagle, and Emily Twilightheart went up to Lincoln and he hugged them, and Amber Strongflower, Brittney Stonestego, Skyla Stormeagle, and Emily Twilightheart are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, we haven't seen you four since you were eleven, and as you can see, I really grew a lot since then.

Amber Strongflower: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Brittney Stonestego: You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Skyla Stormeagle: Nice to see all our training is really paying off for you.

Emily Twilightheart: And you're still seriously ripped, that's incredible.

Nico: Whoa, Lincoln, Ava, you know these four girls?

Lincoln: We sure do, Nico. Everyone, meet the members of The Aquatic Gardeners Club, a club that's dedicated to doing underwater gardening all the while researching marine life and they love singing as well. Ava Microphonefish and I are also members of the club as well. I'm known for growing fruits and vegetables that have Lightning Affinity that when eaten will give those who don't have Lightning Affinity can give them Lightning Affinity, while those that already have Lightning Affinity will have their powers increased 100 fold.

Ava Microphonefish: (Australian Accent) While I'm known for growing fruits and vegetables that have Water affinity that when eaten by those who don't have Water affinity can not only give them Water Affinity, but also the ability to breathe underwater, while those that already have Water Affinity will have their powers increased 100 fold as well.

We were stunned!

Nico: Whoa! No wonder I saw some elemental fruits and veggies growing underwater, that was you guys all along, awesome!

Lincoln: Yep, and Ava I made bikinis based on their favorite sea creature for the other members of The Aquatic Gardeners Club along with a bikini for Ava, and to show thanks, they kissed me on the lips while underwater, and they hate the jerks with a passion.

Lincoln and Ava Microphonefish introduced the first member of The Aquatic Gardeners Club: Amber Strongflower, Gene-Slammer of Flowah, she's Lincoln's Guardian Angel from New York and classmate in Music, and she's known for growing fruits and vegetables that have Fire Affinity that when eaten will give Fire Affinity to those who don't originally have it, while those who already have Fire Affinity who eat them will have their powers increased 100 fold. She and Lincoln also love to play music together and Lincoln made Amber a Great White Shark-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's also Pocahontas' sister, and she hates Flip with a passion.

Then, they introduced the second member of The Aquatic Gardeners Club: Brittney Stonestego, Gene-Slammer of Stogg, she's Lincoln's Guardian Angel from Nevada and classmate in Music, and she's known for growing fruits and vegetables with Earth Affinity that when eaten can give those who don't have it Earth Affinity, and those who already have Earth Affinity will have their powers increased 100 fold. Lincoln made Brittney a Dolphin-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's also the sister of Princess Aurora and she hates Trina Riffins and Icky Vicky with a passion.

Then, they introduced the third member of The Aquatic Gardeners Club: Skyla Stormeagle, Gene-Slammer of Glowl, she's Lincoln's Guardian Angel from Minnesota and classmate in Music, and she's known for growing fruits and vegetables with Wind Affinity that when eaten by those who don't have Wind Affinity will be given Wind Affinity while those who already have Wind Affinity will have their powers increased 100 fold. Lincoln made Skyla an Orca-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's also the sister of Princess Jasmine, and she hates Lewis Travolta and Bubble Bass with a passion.

Finally, they introduced the last member of The Aquatic Gardeners Club: Emily Twilightheart, Gene-Slammer of Boskus, she's Lincoln's Guardian Angel from Utah and classmate in Music, and she's known for growing fruits and vegetables that have both Light and Darkness Affinity that when eaten by those who don't have Light and Darkness Affinity will be given Light and Darkness, while those who already have Light Affinity will also be given Darkness Affinity while increasing Light powers 100 fold and those who already have Darkness Affinity will also be given Light Affinity while increasing their Darkness powers 100 fold. Lincoln made Emily a Clownfish-themed bikini, and to show thanks, she kissed Lincoln on the lips. She's also the sister of Snow White, and she hates Scoots and Lila Rossi with a passion.

When they were finished with the introductions, we were really stunned.

Nico: Whoa, so not only are you all talented gardeners and singers, but you four are also the sisters of Pocahontas, Princess Aurora, Princess Jasmine, and Snow White?!

Eli: Incredible, then, that means… !

Lincoln: Meridia isn't the only relative of one of The Disney Princesses, Eli.

Amber Strongflower: And there may be more. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you and the others want to give me your blood, right?

Amber Strongflower: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Amber Strongflower: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to each member of The Aquatic Gardeners Club, and one by one, he hugged each of them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on their necks, and he slowly bit them and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Amber Strongflower: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Amber Strongflower, Brittney Stonestego, Skyla Stormeagle, and Emily Twilightheart with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Amber Strongflower: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amber Strongflower, Brittney Stonestego, Skyla Stormeagle, and Emily Twilightheart.

Amber Strongflower, Brittney Stonestego, Skyla Stormeagle, and Emily Twilightheart had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans his head down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them.

We got a shower, and then, Lincoln, Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Hannah: Whoa, so this is Emerald Coast, awesome.

Lincoln: I've been here many times before, Hannah, and it's always awesome. Shall we?

Lincoln, Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie, and they hugged the girls in their abnormally massive and powerful muscular arms, and Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Clawdeen Wolf: (Snickers) Looks like someone's enjoyed their beach date at Jolly Roger Bay, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hannah, Casta Fierce, Clawdia Wolf, Pandora (Kid Icarus), Gabby, Joy, Rachel, and Sadie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew Pandora, Clawdia, and Casta Fierce had the hots for Lincoln.

Girl Jordan: Same with Hannah, Gabby, Joy, Rachel, and Sadie.

Clawdeen Wolf: Thank us for introducing them to him, and now, they're part of his harem.

Clawdia Wolf: You got that right, Clawdeen.

---

Later we were watching TV and then Luan came in and she had her hand on her face and was groaning in pain.

Flash Sentry: You okay, Luan?

Luan: (Groans) My tooth hurts.

Me: Uh oh. You got a toothache?

Rita Loud: Oh let me have a look sweetie.

She looked in her mouth.

[Edd and Rita looks in on Luan's teeth. One of them is decidedly wobbly. Rita touches the tooth, and Luan screams.]

Edd: "You're losing your last baby tooth, Luan."

Me: That means you're almost finished losing all your baby teeth.

Nico: The Tooth Fairy is gonna pay you big bucks for that one.

Luan: Wow.

Me: What did you eat that caused this.

Luan: Well I was going to chew some gum.

---

She took a gumball but she didn't know that it was a jawbreaker. Luan clamps down upon it and is immediately greeted by a burst of pain.

CRUNCH!

Luan was in pain!

Laney: "Are you all right, Luan? You look as though you're in pain."

Luan: [spitting the candy out] "Ow! My tooth hurts!"

FLASHBACK ENDS

Me: Ouch! I hate it when that happens.

Eddy: You'll be all right Luan.

Me: Also the same thing happened to me once. I mistook a jawbreaker for a gumball and I lost 2 of my baby teeth in one sitting.

Nico: Ouch!

Eli: YIKES!

Poromon: We'll get it out!

Airazor: You sure about that?

Poliwag: We tried this on Nico before.

Poromon took a string and tied one end of it to Luan's Tooth and Manaphy tied the other end to a door.

Me: Oh boy. I know this method.

Cybertron Dirt Boss: You better hope the tooth isn't bloody.

Me: Lets hope.

Poromon: Ready Luan?

Luan: (Nods)

Me: Here we go.

Then…

SLAM!

POINK!

Luan: (SCREAMS IN PAIN)

The tooth came flying out of her mouth!

Me: OUCH! It worked!

Luan had blood dripping from her mouth.

Luan: But that really worked! I'm all better now.

Varie got her some water to wash the blood out.

Luan: Thanks Varie. Man that was amazing.

Varie: It sure was.

Luan picked up her tooth.

Luan: Thanks Poromon, guys.

Manaphy: You're welcome Luan.

Luan: That one sure was Toothy! (LAUGHS) Get it?

We laughed at her joke!

Me: (LAUGHS) That was a good one.

Eddy: (LAUGHS) Good one!

Chromedome: Let's put this under Luan's pillow.

Nico: We'll do that tonight.

Luan: Thanks guys.

Eddy: At least it's not stuck in a gutter. When that happened to me and Ed he ended up eating both his and my teeth.

Me: EW!

Nico: Gross!

Me: No kidding.

Then there was a knock at the door.

Maria: Who's at the door?

Me: (Imitating Mr. Krabs) (Singsong) Come in!

In came a Swampert!

Qin: Hey a Swampert!

Lola: Cool!

Nico: Awesome!

Swampert: (In a girls voice) Looks like you guys are doing great.

Nico: Kristen Farrel! Wow!

Qin: You look great as a Swampert Kristen.

Swampert: Thanks Qin.

She reverted back and was a girl with blue hair and had a blue hillbilly girl outfit on.

Kristen Farrel: I was born in the Okefenokee Swamp but raised in the city.

Me: I like the outfit though.

Kristen Farrel: Thanks.

May: Your favorite memory of Nico?

Kristen Farrel: Oh right. My favorite is when me and Nico were on a cruise ship and we busted a band of mercenaries trying to rob it.

Me: Robbing a cruise ship: Is that even possible?

Nico: Crazy huh?

Laney: It sure is.

Kristen Farrel: I know. But I also have amazing water powers and we stopped them.

Me: Cool.

Nico and Kristen hugged.

Nico: I've really missed you.

Kristen Farrel: Me too Nico. Me too.

Clown Man: Nico, which teams have you done today?

Nico: Akira's team will include Milly Ashford, Yumi Korra, Dawnstar, Sun Lad, and Ferro Lad. Iron Man's team will include Korra, Stella Copernicus, Infectious Lass, Selena Shub-Niggurath, and Sailor Dwarf Woodlands.

Me: Awesome choices.

Yumi Korra: I agree there!

Me: Uhh. One problem though. Those members of the Legion of Superheroes won't be with us till April 7th.

Nico: I know that. That's why I'm going to save those teams till after they join us.

Me: Okay then.

Then the previous group came.

Fat Tony: Can me, Moonstone, Kitty, Key, Radioactive Man, Evil Star, my boys, Springfield Bullies, Machinedramon, Samon Shakekisutanchin, and Six Gum Gang go with you guys?

UA Carnage: Me, Opposite Senshi, Esdeath, Emperor Z, Nuclear Man, Stormy, Technicolor Phantoms, Evil Aqua Man, Mr. Freeze, and Siren Sara will come as well.

Louie: I hope Luan's okay now.

Luan: I'm okay. Don't worry.

Qin: Yeah she's all right.

Nico: And to answer your question yes you all can come with.

Xenia: This is gonna be awesome.

Totally Spies Alice: Nico, which Gene Slammers do you think you'll meet next?

Legs: It's 3 this time, right?

Nico: Nope. 4. I'm hoping to meet one for Mightyena, Linoone, Beautifly and Dustox next.

Qin: Ooh! Those are gonna be awesome.

Lola: Cool!

Nico: Yep.

Kitty: It's gonna be great to see Kazuma again.

Esdeath: It hasn't been the same without him.

Dixie: You said it.

Nico: Lets get a move on then.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Fulexia, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is Fulexia of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Fulexia, right, Melissa?

Melissa Han: Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form.

Lorelai Delancey: While you and Nico destroy Fulexia and give him The Black Gates.

Evelyn Burmingham: I'm also joining in as well, since today's the day.

Lincoln: We meet up with the Blade Kamen Riders and destroy Hiroshi. We're going to make that evil and ruthless monster pay, and those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go meet with Kazuma and the Blade Kamen Riders, and help them destroy Hiroshi once and for all.

Lincoln: Prepare yourself, Hiroshi, for you shall pay for every last one of your crimes with your own blood, and once we get through with him, you better be ready to die, Fulexia, we're not going to let you get away with your desires for revenge.

Melissa Han: You better be ready to suffer, Fulexia, for you shall be sliced to shreds and burned by the dark fires of The Netherworld, and your soul will know nothing but eternal suffering.

With that we were off to Japan.

---

We arrived in Japan and we saw the Blade Team battling the Squid Undead, Beetle Undead, Zebra Undead, Eagle Undead, Moth Undead, Locust Undead, Shell Undead, Capricorn Undead, Spider Undead, Mole Undead, Buffalo Undead, Deer Undead, Trilobite Undead, Giraffa Undead, Lizard Undead and Tarantula Undead!

Me: WHOA!

Nico: Looks like they have a massive number of Undead to deal with.

Me: Lets go!

But that wasn't all! We saw Sakuya and Mutsuki fighting Kazuma!

Tomahawk Man: Why are Sakuya and Mutsuki fighting Kazuma?!

Dolph: My guess is that Sakuya is being forced to do it.

Kearney: Mutsuki is probably being mind controlled.

We flew at them.

They were brutally outnumbered. But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion that blasted out above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Kazuma: That's Zocks! Everyone is here!

We appeared and fired waves of energy and blasted the Undead and we flew over and I threw Rouse Cards and sealed them.

Eli: Kazuma I sense abnormal brainwave patterns!

Kazuma: Mind control!

Me: Yep.

Eli fired Force Lightning Blasts and electrocuted Sakuya and Mutsuki and knocked them down.

Radioactive Man: Hey, Kazuma!

Nuclear Man: Can't leave you alone for nearly 2 months without everything getting all out of whack, can we?

Wilbur: How did this happen?

Kazuma: Hiroshi did this.

Me: Wait a second.

I saw spiders coming out of Sakuya and Mutsuki.

Me: Spiders!

Nico: I knew it! Spider Undead's power did have the power of mind control.

I fired waves of energy and blasted the spiders and destroyed them.

They woke up.

Sakuya: (GROANS) What happened?

Mutsuki: (GROANS) What a headache.

Me: Are you guys alright?

Sakuya: J.D.? Everyone? What happened?

Me: Spider Undead was controlling you.

Evelyn: Yeah.

Napalm Man: Can we talk back at your base?

Kazuma: Sure.

We went back to the Jacaranda Cafe.

We arrived and everyone was there.

Shiori: Hey guys!

Me: Shiori, Hajime awesome to see you all.

Shiori: Same here.

Me: We took care of the Undead for you guys.

I showed the cards.

Machinedramon: Kazuma, it hasn't been the same without you.

Evil Aqua Man: Evelyn missed you very badly.

Goof: But we kept your room.

Kazuma: I'm glad you guys did and I missed you guys a lot. You helped me out big time.

Hajime: Yeah we owe you guys.

Me: We also owe you guys too for helping us out during the 20 Days of Darkness.

Xenia: Yeah.

Kazuma: I can already tell it's the big day today.

Evelyn: It's true.

Nico: Yep. And Hiroshi pays big time.

Kazuma: That's for sure. Also he has Albino Joker with him.

Me: (GASP) I remember him! He was bad news. That means Jashin 14 is with him too.

Poromon came out in a fairy costume carrying two bottles of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to the Blade Team) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Brawl: (to Kazuma) Long story short, this is what Poromon dresses up as when he's offering people beer.

Me: We think it's really cute.

Kazuma: I can see that.

Shiori: It's so adorable.

Nico: It sure is.

Hajime: I don't drink beer though sorry.

They shook their heads for no.

Me: It's all right guys. We still think it's really cute.

Siren Sara: We get why you're called Kamen Rider Blade.

Runt: It's because you're skilled with a sword.

Lunk: (laughs) Touma's named after a type of sword too!

Me: That's true.

Kazuma: That's right. And yes it's true.

Sakuya: Yeah.

Maria: What can you tell us about Jashin 14?

Kazuma: We call him Fourteen normally. But Daiki knows him.

Daiki: Yes I do. He is really bad news.

He went over his history.

---

Fourteen, also known as Jashin 14, is the ruler of the World of Diend and main antagonist of the "Diend" arc of Kamen Rider Decade.

History

The ruler of the World of Diend, Fourteen commanded an army of Darkroaches and regularly brainwashed humans to serve him.

Fourteen was confronted Kamen Rider Decade and his allies when they traveled to the World of Diend. Facing the, Fourteen assumes his true form as Jashin 14 to fight the Riders. He was cut in half by Decade in Complete Form with aid from Armed Hibiki. After Fourteen was destroyed, the Roaches vanished and everyone brainwashed by him was set free.

---

When he was done we were shocked and horrified!

Qin: So not only are we facing Hiroshi but also Jashin 14 too!?

Nico: Oh man!

Me: So we have a Decade villain that Daiki knows and Hiroshi that you guys faced. Villains from series almost 5 years apart.

Laney: Wow.

Apple Bloom: I definitely know what's coming for that one.

Scootaloo: Yeah! Me and the Crusaders and Natsumi and team are gonna face him.

Me: Yep. But leave Hiroshi to me though. I vowed to make that monster suffer for everything he did and I promised that I would see that through to the end.

Sakuya: We can't wait to see what kinds of things Kazuma did with you guys.

Chan Lee: You're gonna love what Gotham Royal York has to offer.

Me: Yeah.

Manaphy: But it has some things you might dislike. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Sakuya's face) LOOK AT IT!

Fourtress: (to Kazuma) The reason why SAKUYA'S being shown the trailer? You already saw it when the mascots showed it to us.

Me: Yeah. (SPINS MAGISWORD BRACELET)

ROUNDY SPINNY THING MAGISWORD!

I calmed the mascots down with it.

Sakuya: Oh man you saw the trailer for that movie?

Me: Yeah we sure did. It was awful. Scared the mascots and our friends of the Hundred Acre Wood bad.

Lola: Yeah.

Marah: I can't believe you drove all the way to Gingka and his team's base to give us your thanks of killing Masato Kusaka.

Kazuma: It was the least I can do.

Me: We were amazed you came that far too.

Kazuma: Yeah.

Ellie Singh: But thank you guys for doing that.

Kazuma: No problem.

Gingka: It was great.

Sakuya: When does that movie for Winnie the Pooh come out though?

Me: 2 days. February 15th.

Shiori: Oh man.

Me: Yeah. That's one of our blacklisted movies. We're not going to watch that even if you paid us.

Shiori: I don't blame you guys.

Mr. Freeze: Now that your Undead halves are gone, the rules of the Battle Fight no longer apply.

Samon Shakekisutanchin: All thanks to us!

Me: Yep.

Kazuma: Thank goodness.

Me: And I should correct myself on where we found Kazuma. It wasn't on a cornish game hen planet, it was actually a sweet potato planet. Sorry had them mixed up.

Kazuma: No worries.

Sakuya: That is still amazing and interesting though.

Laney: It sure was.

Turbo Man: How about I zoom around and find where Hiroshi is?

Nico: Go for it.

ZOOOOOM!

He zoomed out of there.

Nico: He sure is fast.

Me: Yep.

Jimbo: Well, he IS a speed Robot Master.

Chocolate Technicolor Phantom: What did you expect?

Me: True.

Nico: Also the Donbrothers finish up their missions later next week. So we're going to be coming back here later on for them.

Lola: Yeah.

Camie: That will be interesting.

Lyra Heartstrings: And I'm really excited for it too.

Shiori: I can tell on that one.

Kazuma: Yeah.

Evil Star: There's also the Agito team.

Stormy: And remind us to recruit the Kuuga team before a random mission.

Me: Noted and noted.

Qin: And we still have to recruit all the Rider Teams from the 1970s and 80s too.

Me: Yeah. But that's for a later time.

Varie: Yeah.

Kazuma: You guys have a lot of work to do.

Me: Yep.

Turbo Man came back.

Turbo Man: Found him. He's in a warehouse by the abandoned BOARD building.

Me: I had a feeling he would be there.

Eli: Same here.

Me: This battle is going to be very explosive so going to a Galaxy from Super Mario Galaxy is not an option this time.

Windsweeper: (pouts) Aww. Not even to Honeyhive Galaxy?

Me: Sorry no. With the power of this transformation that is coming, it will obliterate an entire galaxy like that in the blink of an eye.

Windsweeper: Oh you do have a point there.

Me: You guys saw how strong my power gets every time I transform right?

Laney: Yeah.

Me: Well this new transformation is going to be unlike anything you all have ever seen.

Kazuma: I have a feeling it will be amazing.

Shiori: Same here.

Me: Yeah. When I vowed to destroy Hiroshi, something exploded inside me. I knew what it was.

Nico: A new transformation.

Me: Yep.

Nico: How about Pyros then? That's hot enough for an explosive transformation like that.

Me: Planet Pyros is good.

Qin: Yeah.

Kazuma: Good idea.

Maria: It's always good to have a backup plan.

Me: True.

Qin: Yeah.

Kazuma: I think that's a good enough talk though.

Me: Agreed.

Nico: Yep. Time for a demonstration of our power in our usual battles.

Key: You can join in too, Kazuma.

Emperor Z: You know what your archenemy is.

Kazuma: Yep. Piledriver.

Me: Yep. We decided to have the groups of members for the M.O.E. like for those of Lok, Syd, Hulk and those like that have battles individually.

Nico: Yep.

Qin: Still working on the Dark Turtles and Power Pack.

Me: Yep.

We went outside and Maria called it in.

Sweetie Belle: She sure is and her story is cool.

Nico: Yep. So, Alexa, Sophia, what memories did you have with Lincoln?

Alexa Oleson: Right, we never got to that because of the story Lincoln told yesterday. Oh, I know, I still remembered this one time, all of us were with Lincoln, and we were hunting down a dangerous vampire who was sighted in Royal Woods by the name of Jasper Bancroft, who was causing havoc in Royal Woods by dragging thugs away and draining them of blood, and even worse, decapitating their heads and mounting them on stakes.

Sophia Kitka: Just like what happened in Barrow, Alaska. Anyways, we found Jasper's hideout which was an abandoned sports stadium, and we saw the mess he made: littered severed body parts, heads mounted on stakes, and blood all over the floor, and we confronted him in his lair, and we defeated him in a very vicious battle, and it ended with Lincoln driving a stake through his black heart, and he burst into flames and was left as a pile of ashes.

We cheered, but we were horrified at what they described.

Nico: Sheesh, that guy is one bad vampire.

We were off.

We flew and we arrived at the warehouse by the BOARD Building.

Me: Here we are.

Nico: Wow.

Then we saw an ugly and hideously butt ugly monstrosity! It was JASHIN 14!

Evelyn: You must be Jashin 14.

Jashin 14: That's right. If you want Hiroshi, you'll have to go through me!

Me: All right then.

BANG!

Just then, Jashin 14 was hit in the shoulder by a bullet.

Natsumi: You got bigger fish to fry chump!

We saw Natsumi and Miyki!

Apple Bloom: We're helping too!

Natsumi: Thanks girls.

We went into the building and Changkey Dragon came.

Nico: Thanks for coming, Changkey Dragon.

Changkey Dragon: No problem Nico. This is gonna be fun.

Qin: Yep.

We went on and we got to a big room and in it was HIROSHI! Changkey Dragon went in.

Hiroshi: You must be Changkey Dragon. You're not even human. So why are you opposing me?

Changkey Dragon: Because I know which side I'm truly on. And just because I'm not human doesn't mean we're buddies.

Hiroshi: We'll see about that.

Then the spirits of the Undead came and then they swirled around him and then they converged and then numerous graves popped out and satanic cult music was heard and then zombies came out and then they bursted open and out came us!

We were ready!

Me: Hiroshi Tennoji. So we meet at last.

Hiroshi: Team Loud Phoenix Storm. Nice of you to come.

Me: This time I'm going to finish you for good. I've waited for this day for a long time!

Evelyn: This time, you don't have the Battle Fight to use to your advantage.

Hiroshi: I see. (to Kazuma) You may not be part Undead anymore, Kenzaki. But that just means you get to die with your worthless friends!

Kazuma: We'll see about that.

Me: I will not let you get away with everything you did Hiroshi, I will avenge those you will hurt!

Hiroshi: X Borgs. Kudakks. Indavers. Attack!

An army of X Borgs, Kudakks, and Indavers appeared.

Me: X-Borgs, Kudakks and Indavers! Nice!

Qin: Now we're talking!

I fired waves of energy and elements and blasted the Footsoldiers all over.

I teleported and punched him in the face and stomach and kicked him into a rock.

Then the footsoldiers jumped the Blade Team.

Albino Joker then appeared.

Nico: Albino Joker. This is gonna be good.

Nico teleported and punched him in the stomach and face and kicked him down.

The Blade team lay defeated at the hands of the X Borgs, Kudakks, and Indavers.

Hiroshi: (smirks evilly) Pretty soon, the only things walking the Earth will be the Undead. Not you and your friends!

Albino Joker: (laughs evilly) This is almost too easy. I don't even have to use my Glaive form.

Juran: (punches an X Borg) Guys, any ideas?

Evelyn got an idea.

Evelyn: Everyone in the audience! Lend the Blade team your strength! They get stronger with your support! When I give the signal, share your energy with the BladeTeam! Okay?

Ready… go!

Everyone in the audience began sharing their energy with the Blade team. And soon, Kazuma found the strength to get up.

Kazuma: I was forced to leave my friends before. But that will never happen again!

Kazuma then grabbed an X Borg and threw it at a Kudakk and Indaver, knocking all three to the ground.

Hiroshi: WHAT!?

POW!

I punched him down.

Kazuma: Thanks for the support, everyone.

Mutsuki: I didn't know we had lots of fans.

Sakuya Tachibana: Well, we ARE Kamen Riders.

Poliwag: (with Ricky on his head) Woohoo!

Stacey: DARK CHANGE!

Saber Riders: Henshin!

With that, Kazuma pulls what looks like a strangely high-tech belt buckle and what looks like a playing card, an Ace of Spades, displaying a beetle of some kind with the Spade symbol on it's back and text reading "Change Beetle", before slipping the playing card into a slot on the belt buckle. He then slams the belt buckle onto his waist, causing a stream of cards to fly out of one end and connect to the other, forming the actual belt. Then with an arm raised to the sky, he lets out his battle cry.

Kazuma: Henshin!

(At his transformation cry, Kazuma pulls on a handle on the right side of his belt buckle, causing the front plate to flip around, revealing a red background and golden Spade symbol)

Blay Buckle: Turn Up!

As the Blay Buckle announces that, a blue energy card bearing the same beetle and Spade symbol emerges from the Buckle, which Kazuma immediately runs through, generating his suit. Primarily blue, but covered in silver armor with red detailing revealing a Spade symbol, and a head that kind of looks like a silver spade on a blue head with large red eyes, carrying a sword with a gold sided blade, some sort of counter set to 5000 and a silver Spade atop a red background on the hilt.

Sakuya: Don't leave me out.

Sakuya pulls out a device similar to the Blay Buckle, and a card similar to Kazuma's "Change Beetle" card, only is a Diamond suit Ace rather than a Spade, and is labeled "Change Stag" rather than "Change Beetle". Just as with Kazuma, Sakuya places the card into the Blay Buckle like device before placing it on his waist, forming the belt from cards just as before.

Sakuya: Henshin.

Now just as Kazuma did before, Sakuya pulls a switch on the right of his belt device, causing the panel holding the card to flip over, revealing a green background with a gold diamond on it

Garren Buckle: Turn Up!

With the announcement made, a blue card-like screen featuring the stag beetle from the "Change Stag" card appears from the Garren Buckle, and passes over Sakuya, providing him his suit of primarily red and silver, with two silver horns representing the pincers of a stag beetle emerging from above the green eyes, and forming a red and gold gun, with a similar counter to the one on Kazuma's sword, in his hand.

Mutsuki pulls out a gold and violet buckle with a clear plastic sleeve on one side, and another card, the fourth Ace, Ace of Clubs, showing a green and violet spider marked with the Club symbol, with the text "Change Spider" written upon it. The card is then immediately placed into the sleeve on the buckle before placing it on his waist.

Mutsuki: Henshin.

With that, Mutsuki hits the side of the belt, opening it up, revealing a purple Club symbol.

Leangle Buckle: Open Up!

As the Club symbol is revealed, a violet energy card with the same spider symbol on it emerges and covers Mutsuki, generating his green and gold suit with a bishop style helmet and a case of some sort on his right hip, holding a giant staff with a counter similar to

Kazuma's sword and Sakuya's gun, with a giant club symbol on the end of it.

Hajime takes out a card, yet another Ace, but this time that of the Suit of Hearts, with "Change Mantis" written on it, showing a Mantis contained in a heart of pink amber.

Hajime: Henshin!

Hajime then scans the card through the split in the heart on his belt buckle, causing a shadowy energy to engulf him, consolidating into a black and gold armor with a mantis style head, with the heart symbol acting as a compound-eye style visor, carrying a bow)

She summoned Goro, The Ghost of Jeremiah Pratt, Evil Roxas, Pineoctopus, Psycho Yellow and Lord Pain. Along with Subzero, Scorpion, Kano, Motaro, Bane, Jorgen Von Strangle and Ubu!

Nico: YEAH!

As we faced Hiroshi, I was enraged at him.

Me: Hiroshi you will pay for everything you did to Kazuma and his team!

I got to thinking about everything Hiroshi did.

Me: (In my head) Hiroshi, everything you did to Kazuma and his team was completely unforgivable and all for your own selfish desire to turn Earth into a version of War World! I won't let that happen! You turned Kazuma and his team against each other and several people got hurt all because of you! I won't let you do that anymore!

But then something snapped inside me! My eyes glowed neon rainbow color.

Me: (in my head) AND I WON'T LET PEOPLE SUFFER FROM YOU ANYMORE!

I began SCREAMING LIKE A DERANGED AND INSANE MADMAN AND THEN…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THERE WAS AN INCREDIBLY MASSIVE AND UNBELIEVABLE EXPLOSION OF ENERGY AND POWER THE LIKES OF WHICH NO ONE HAS EVER WITNESSED! I SCREAMED FEROCIOUSLY WITH INCREDIBLE FURY! THE GROUND WAS SHAKING EXTREMELY VIOLENTLY WITH INTENSE FURY AND POWER AND THE SKY DARKENED WITH STORM CLOUDS AND LIGHTNING STRUCK ALL OVER THE PLACE WITH INCREDIBLE!

Nico: (GASP) WHAT POWER!

Eli: UNBELIEVABLE!

Vegeta: (GASP) IT'S UNREAL!

Trunks: This is it.

Camie: INCREDIBLE!

Zuria: WOW!

Me: I WILL NEVER FORGIVE YOU!

(Gohan's Anger Theme Plays)

Fire, Lightning, Water, Wind, Earth, Light, Lava, Crystal, Ice, Blood, Leaves, Sand, Blue Fire, Bubbles, Steam, Stars, Nebulonic Gas, Moons, Suns, Darkness, Aurora, and Aura energy were swirling around me all over and my power was rising more! My muscles were bigger and my rainbow hair hair grew longer. Then I GLOWED WITH INCREDIBLE POWER AND MY MUSCLES GREW AND RAINBOW FLAMES ERUPTED OUT ALL OVER ME AND RAINBOW FIRE WINGS BURSTED OUT OF MY BACK AND THEY

WERE SURGING WITH INTENSE LIGHTNING AND THE ELEMENTS THEN I SCREAMED FEROCIOUSLY AND THEN IN A MASSIVE EXPLOSION OF RAINBOW FIRE AND ENERGY AND ELEMENTS I WAS FOREVER CHANGED! WHEN THE SMOKE CLEARED I EMERGED COMPLETELY AND FOREVER CHANGED!

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

I grew from 7'0" to 7'9" in height but my shirt was still like that of Gohan's except they were ALL RAINBOW FIRE, THE ELEMENTS AND FLAMES and my abnormally large and powerful upper and lower body muscles grew a little bigger, and I still had eight-pack abs, my eyes changed to neon rainbow colors with neon rainbow sclera, and I had a rainbow energy fire aura with rainbow fire, planets, stars, elemental forces, and phoenixes surrounding me, my rainbow hair grew reaching the bottom of my lower back and I now had glowing fire highlights in the bangs, the phoenix with the emblem of the Ebonwu Squadron emblazoned on my forehead now had glowing fire rainbow colors, I had phoenix earrings with the Kanji for Eternity Wing in its claws and a necklace with the phoenix holding the Eternity Kanji in its claws across my chest, I had massive Rainbow Elemental angel wings with reflecting stars and nebulae and rainbow element tips on the large feathers, and my massive and long eleven rainbow-colored wolf tails with tips and elements were out and they had rainbow fire. The gems on my large cuff Bracelets of the Champions of The Universe on my wrists and the large gem belt buckle on my Belt of Elemental Bravery were now rainbow colors, and the massive, wide, double-edged blade of my Phoenixcalibur sword grew to 7'0" in length and the long gold handle grew a little longer. I now had on the same wardrobe as Lincoln, Liam, and Lynn Sr. And many of us but my version of He Man 2002's loincloth is rainbow, and I had rainbow fire pants with the elements on them on them and I had on long rainbow fire trenchcoat flaps with all of the elemental forces on the coattails, which were held up by my Belt of Elemental Bravery, Universal Spellbook of The Elemental Forces on my right hip, I now have on large rainbow colored weighted bands on my large biceps and thighs, large black pants with elemental forces on them, and a pair of large black leather ankle-high combat boots with silver armor on the toes, and the eight large planets and stars orbiting around my legs had remained the same, along with my Eater of Sins revolver still holstered to my right hip and Crystal Saber holstered to my left hip. I had a phoenix encased in rainbow fire tattooed on my massive right pec and on the back of my trench coat there's a rainbow kanji written below the phoenix that said "James Dean Knudson, Powerful former Leader now Second in Command of Team Loud Phoenix Storm, Almighty Golden-Hearted Loving Future Husband of Many Wives, Golden-Hearted Loving Father of Many Children, Golden-Hearted Loving Brother of The Loud Family and Many Friends All Over The World and many friends and people all over the universe, Master of the Black Gates, Amazing and Powerful Student of Many Masters, Brave Warrior of the cosmos and the Protector, Defender and Savior of The Universe, Multiverse and Beyond, Master of the Powers of Friendship and the Elements and Master of The Fury of Celestial Xelnaga and Ultimate Force of Ultimate Good and Destroyer of Irredeemable Black-Hearted Villains, Destroyer of Evil, Destroyer of Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage and Love, and God of Friendship, Hope, Love, Courage and Justice."

My aura was a neon rainbow aura and had all the elements swirling in it. I had transformed into my most powerful and most incredible transformation ever! I turned into SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF

MOON PHOENIX!

Everyone gasped in shocked and absolute awe and amazement!

Nico: WHOA!

Eli: INCREDIBLE!

Nico: WOW! J.D. you look amazing!

Zuria, Camie and my harem had hearts in their eyes and did Tex Avery style wild takes!

Nico: WOW! J.D. how do you feel?

Me: (Divine Godly Elemental Cosmic Voice) In a word, Prime.

Hiroshi: It won't matter! You will die by my hands! KILL THEM ALL!

The footsoldiers came at me and I swiped my hands and blew them all apart in massive fiery explosions!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSIONS!

Massive walls of fire covered the area!

Evelyn Burmingham: Alright, that is it, I've had it up to hear with you to last an eternity, Hiroshi.

Suddenly, Evelyn Burmingham's crimson red eyes turned neon crimson red and she was surrounded by a green energy aura with plants, leaves, angels, animals, Celtic symbols, and Dryads, and as she approached Hiroshi, she left green energy, plants, leaves, angels, animals, Celtic symbols, and Dryads with every step.

Evelyn Burmingham: You are nothing but a sick, twisted, sadistic monster, Hiroshi, you've caused far too much pain and suffering to Kazuma and the team, along with far too much pain and suffering to too many innocent people, well, that ends here and now, today, you will die here and now!

Suddenly, Evelyn Burmingham was surrounded by a massive vortex of green energy with plants and trees growing all around the vortex and leaves and Celtic symbols surrounding the vortex, there are animals, angels, and Dryads flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Evelyn Burmingham emerged, but she was changed forever.

Evelyn Burmingham grew to 7'1" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing black hair and flowers in her hair, she has neon crimson red eyes and a green energy aura with plants, leaves, angels, animals, Celtic symbols, and Dryads surrounding her, she has a Celtician Dryad emblazoned on her forehead and Third Eye with green iris, she has on Dryad earrings with green gems for eyes and holding the Nature, Tree, and Eternity Kanjis in its hands, she has on a Crystal Necklace of The Buddha with green gems on the gold metal leaf links and green crystal links and a green Dryad-shaped Element of Harmony, and on the bottom of the Element of Harmony is a Celtician Dryad with green gems for eyes and holding the Nature, Tree, and Eternity Kanjis in its hands for the pendant. Evelyn Burmingham has on a sleeveless dark blue crop top, dark blue shorts, blue socks, blue sneakers, and long sleeveless white trenchcoat with plants, leaves, angels, animals, Celtic symbols, and Dryads on the coattails, and on the back is a Celtician Dryad surrounded by leaves and plants. Suddenly, Evelyn Burmingham felt a sharp pain on her back, and then, massive black angel wings with green tips on the large feathers, grew and sprouted out from her back and she now has eleven massive and long black wolf tails. Evelyn Burmingham has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Evelyn Burmingham's Celtician Dryad greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, plants, leaves, angels, animals, Celtic symbols, and Dryads, and when it emerged, it was transformed into Celtica's Celtician Dryad Nature Plant Greatsword of Celtician Dryad Nature Justice, it's a brand-new massive greatsword with embedded forest green gems and a Celtician Dryad etched on the 7'0" massive, wide, double-edged green blade, large Celtician Dryad heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large Celtician Dryad heads with green gems for eyes and large green gem on the bottom of the Celtician Dryad heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with green gems on her wrists, her Belt of Elemental Bravery with a gold Celtician Dryad head with green gems for eyes and a large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the Celtician Dryad that said, "Evelyn Burmingham, Gene-Slammer of Celtician Dryad, Ornithologist and Studier of Birds, Daughter of a Rich and Powerful Stock Broker Family, Loving Sister of The Blade Kamen Riders, Destroyer of Hiroshi, Archenemy of Changkey Dragon, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Animals, and Plants"

イヴリン・バーミンガム、ケルティシャン・ドライアド の ジーンスラマー、鳥類学者および鳥の研究者、裕福で強力な株式仲買人の娘、ザ・ブレイド 仮面ライダー の愛情深い姉妹、ひろし の破壊者、チャンキードラゴン の宿敵、悪の殺し屋、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして自然、動物、植物の達人

Evelyn Burmingham has transformed into SUPER ANGEL-CELTICIAN DRYAD XELNAGA ETERNITY INFINITY CELTICIAN DRYAD NATURE PLANTSTORM DRYAD ANGEL OF DIVINE CELTICIAN DRYAD NATURE PLANTSTORM JUSTICE AND DIVINE CELTICIAN DRYAD NATURE PLANTSTORM LOVE!

We were amazed by Evelyn Burmingham's Super Angel-Celtician Dryad Xelnaga Eternity Infinity transformation, but when Hiroshi saw it, he went insane and fired a blast of energy at her to kill her, but Evelyn Burmingham formed a forest of trees to block the blast of energy, then they disappeared and she fired a powerful green energy blast at Hiroshi, which exploded as it hit him, and that really pissed him off now.

Kazuma: Whoa, so that's her…?!

Nico: That's only her Phase 1 transformation, Kazuma.

Lincoln: Yep, her Phase 2 transformation's coming up, and it's against another member of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Lincoln explained who they were, and when he was done, Kazuma and the other Blade Kamen Riders were horrified.

Kazuma: Oh God, they're nothing but pure evil.

Evelyn Burmingham: (Divine Echoing Cosmic Voice of The Nature Plantstorm Celtician Dryad Angel and Divine Celtician Dryad Nature Plantstorm Love) They are, but we're taking them down one at a time, and we're going to see to it they never dare to hurt anyone else ever again.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

I punched and kicked Hiroshi all over the place and massive fiery explosions blasted all over the place with incredible force and indiscriminate fury!

Albino Joker became Kamen Rider Glaive while Hiroshi turned into

Kerberos II

Touma: (gets out Road Kamelot's Rouse Card) This is a different type of Undead!

Nico: One that will soon die!

Nico went SUPER SAIYAN INFINITY!

Nico kicked Kamen Rider Glaive and smashed and pulverized him all over and blasted him all over the place.

Touma activated his Rouse Card and fired waves of darkness and blasted Glaive all over..

I punched Hiroshi in his face and kicked him in the stomach with devastating force!

I sent him crashing into a rock wall!

He got up and fired a massive barrage of energy blasts.

Me: **HEEYAH!**

I fired a massive shower of energy blasts and the blasts all hit each other and exploded with incredible power!

MASSIVE NUMBERS OF FIERY EXPLOSIONS!

I teleported and flipped over him and kicked him in the back of the head and kicked him in his stomach and he went flying and caught himself. Then he fired more energy blasts and I did the same and we dodged them all.

KRABBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Massive fiery explosions were decimating the land as incredible explosions of fire were blowing everything apart!

Mutsuki: (gets out Bogey Gocart & Laurie Be-Cool's Rouse Card) Let's see what this does.

Mutsuki activated it and fired waves of mallets and gunshots and blasted Glaive all over.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

I blasted Hiroshi down and he got back up.

Hiroshi: (GROWLS) What makes you think you can do this to me!? YOU'RE NOTHING BUT AN OVERGROWN MOTHERFUCKING MONKEY!

He flew at me and I did the same and then we collided and then a massive fiery explosion blasted out and we really went at each other and punched and kicked and smashed each other all over the place with extreme savagery and brutality! Massive numbers of thunderous shockwaves blasted out from our punches.

I punched and kicked Hiroshi down! He got back up!

Hiroshi was enraged!

Hiroshi: YOU MAY BE FUCKING STRONG BUT YOU'RE STILL JUST A STUPID MOTHERFUCKING ANIMAL!

Me: **I would rather be a brainless beast than a heartless monster and a motherfucking son of a fucking bitch! Like you!**

THAT REALLY SET HIM OFF!

Hiroshi: YOU MOTHERFUCKING WRETCH! (SCREAMS IN FURY!)

He went at me and I ducked under his punch and then….

KRABLAM!

I punched him in the stomach with devastating force and he belched up a tremendously huge amount of blood! I then kicked him in the face and sent him crashing into a rock wall and he was buried under the rubble!

He got out of the rubble and I teleported and kicked him in the face and smashed him into the ground and he got up and I teleported and kicked him in the back and punched him in the face more.

Jake: (gets out Etemon's Rouse Card) Time for Digimon power!

He activated it.

Jake: (ECHOING) DARK NETWORK!

He fired a green energy ball and blasted Glaive down in a fiery explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Piper: (gets out Nemesis Prime Armada's Rouse Card) Now for some Cybertronian fun!

She activated it and got the Dark Star Saber and then slashed Glaive in half and was knocked down.

Everyone then set their sights on the footsoldiers that refused to stay down.

Hammie: (Gets out Blue Aardvark's Rouse Card) Time for the Aardvark to play!

She activated it and fired blue energy blasts and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!

Zocks: (Gets out Seth's Rouse Card) I hope no one here is afraid of snakes.

He activated it and fired waves of venom fire and blasted the footsoldiers all down into fiery dust.

Everyone then set their sights on Hiroshi.

Nico: (gets out Drakkon and Shendu's Ridewatches) Considering J.D.'s transformation just now, these Ridewatches are fitting for this battle!

Nico activated them and fired waves of fire and energy and the blasts hit Hiroshi and he exploded all over!

Rintaro: Save some for me!

Nagare Battou! Tategami Tenkai! Subete wo Hikiishi Tategami! Hyoujuusenki! Gao! Long Get!

Kazuma: Time for me to use Blade King form!

Sakuya: I'll use Garren Jack Form!

Kazuma and Sakuya remove cards from their Rouze Absorbers. Both take out a Queen of their suit, "Absorb Serpent" for the Queen of Diamonds and "Absorb Capricorn" for the Queen of Spades, but Sakuya grabs a Jack of Diamonds while Kazuma goes for the King of Spades, both placing their Queen cards in an empty slot near the top of the Rouze Absorbers.

Rouze Absorbers: Absorb Queen!

Now seeing their opportunity, Sakuya scans his Jack of Diamonds, labelled "Fusion Peacock".

Rouze Absorber (Sakuya): Fusion Jack!

Following suit, no pun intended, Kazuma scans his King of Spades, labelled " Evolution Caucasus"

Rouze Absorber (Kazuma): Evolution King!

With this process complete, the Rouze Absorbers gain a covering unique to their Riders. Sakuya's gains a green and gold diamond plate with a peacock on it, while Kazuma's is a blue and gold spade plate with a giant beetle on it. As these plates form, Sakuya's chest armor and parts of his helmet turn gold, revealing the same peacock design on the chestplate as six prongs resembling peacock feathers appear on his back. Once these prongs settle into a pseudo cape, a bayonette like blade forms on the end of Sakuya's gun. Simultaneously, every card in the Spade suit surrounds Kazuma, turning all of his armor gold while settling themselves into certain points across his body before changing the structure of his helmet to include two crown like points projecting from the sides, in addition to replacing the Blade Rouzer with an absolutely massive blue and gold sword with the signature Spade on it.

Hajime: Time to go Wild Chalice.

With his plan known, Hajime slides the card through the Chalice Rouzer.

Chalice Rouzer: Evolution!

As this happens, all of the cards in the Heart suit consolidate into Hajime, and in a red haze change his armor from black and gold to red and gold, with green replacing his visor, implanting the symbol of his King card onto his chestplate, while giving a spiky quality to his armor and conjuring two small sickle like swords in his hands.

Me: **This will be good.**

Raimusa blasted and smashed and kicked him.

Kazuma: You guys attack after us!

Hajime folds up the two sickle like blades, sticks them together and slots them into his bow, causing the Heart suit cards to come flying out of him and consolidating into one card marked "Wild", before he scans it against the gap in the two sickles.

Chalice Arrow: Wild!

Meanwhile, Sakuya and Mutsuki have both drawn three cards, though we don't get to see their numbers or identifiers and scan them into their gun and staff respectively.

Garren Rouzer: (As each card is scanned) Drop! Fire! Gemini! Jack Burning Shot!

Leangle Rouzer: (As each card is scanned) Rush! Blizzard! Poison! Blizzard Venom!

And all the while, Kazuma has pulled 5 cards from his armor and is inserting them into his giant sword)

King Rouzer: Spade Ten! Jack! Queen! King! Ace! Royal Straight Flush!

With their attacks ready, Sakuya's pseudo cape expands into wings, enabling him to fly. Icy energy begins to form around the tip of the Leangle Rouzer. Energy cards appear in front of Kazuma ready for him to slice through. Hajime draws back his Chalice Arrow, ready to fire. And then, Sakuya fires massive flaming bullets at Hiroshi, followed by Hajime's arrow, Mutsuki charging in and slashing right through Hiroshi, leaving him paralyzed from the poison in his strike.

Super Megaforce Rangers: Super Mega Cannon!

Kyurangers: All-Star Crash!

Orion: Super Silver Spear, Blaster Mode!

Tsurugi: Phoenix End!

Zenkaigers: Zenkai Cannon!

Rintaro: Blizzard Blades!

Rintaro delivers two light blue energy slashes to Hiroshi, partially freezing him in place. He then thrusts Suiseiken Nagare forward, producing a barrage of small icicles that strike Hiroshi.

Touma: Haou Souseizan!

Touma launches a silver energy slash with a galaxy trail at Hiroshi. At the same time, Kazuma charges straight into the Albino Joker with his King Rouzer in hand.

Airazor: This guy is really ticking us off. Airazor, MAXIMIZE!

She transformed and went at him.

Flash Sentry, Dirt Boss, Airazor and Chromedome used the Earth, Velocitron and Animatron Cyber Planet Keys and they enhanced Flash Sentry's powers, Airazor's missiles and power, and Chromedome's lasers 100-fold and had laser cannons appear on Dirt Boss's shoulders.

Qin: AWESOME!

Kazuma: Lets do it!

They charged up their ultimate finisher attacks.

Kazuma: FIRE!

They fired a massive blast of energy and it hit Albedo Joker and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD!

I sealed him and banished his spirit to the Black Gates!

Troy: That's a Super Mega Win!

Kaito: It's a full-power world! All okay!

Kyurangers: We will take back the Galaxy!

Me: It's over guys.

We saw Junichi on the ground and I went over and pulled out my cuffs.

I slapped them on him.

Me: **You are going to spend the rest of your life in the pokey.**

I powered down, and my new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rainbow wolf tails, and massive rainbow angel wings are permanent.

Kazuma: Good riddance forever, Hiroshi.

Me: You've had this coming for a very, very long time, you scum-sucking son of a bitch!

Nico: He sure has, guys. Awesome job, everyone, we're finally rid of Hiroshi for good.

Melissa Han: Yeah, but, we're not done yet, there's still Fulexia to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Talinian.

A figure came out, and it was none other than Fulexia, the fifth of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Fulexia, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Fulexia: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Melissa Han: The only one who deserves to be destroyed is you.

Suddenly, Evelyn Burmingham's crimson red eyes turned neon crimson red and she was surrounded by a green energy aura with plants, leaves, angels, animals, Celtic symbols, and Dryads, she unholstered her Celtica's Celtician Dryad Nature Plant Greatsword of Celtician Dryad Nature Justice from her back, and as she approached Fulexia, she left green energy, plants, leaves, angels, animals, Celtic symbols, and Dryads with every step.

Evelyn Burmingham: Sheesh, you really are a religious fanatic as they say, but we're not going to let you do as you wish, Fulexia, this is our home, and religious fanatics like you don't belong here, and we don't appreciate threats being made to destroy our planet and for the worship of King Ghidorah from your time, now it's time for you to meet the same fate as your fellow cult members.

Suddenly, Evelyn Burmingham was surrounded by a massive vortex of green energy with plants and trees growing all around the vortex and leaves and Celtic symbols surrounding the vortex, there are animals, angels, and Dryads flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Evelyn Burmingham emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Evelyn Burmingham grew from 7'1" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing black hair and flowers in her hair, she has neon crimson red eyes and a green energy aura with plants, leaves, angels, animals, Celtic symbols, and Dryads surrounding her, she has a Celtician Dryad emblazoned on her forehead and Third Eye with green iris, she has on Dryad earrings with green gems for eyes and holding the Nature, Tree, and Eternity Kanjis in its hands, she has on a Crystal Necklace of The Buddha with green gems on the gold metal leaf links and green crystal links and a green Dryad-shaped Element of Harmony, and on the bottom of the Element of Harmony is a Celtician Dryad with green gems for eyes and holding the Nature, Tree, and Eternity Kanjis in its hands for the pendant. Evelyn Burmingham has on a sleeveless dark blue crop top, dark blue shorts, blue socks, blue sneakers, and long sleeveless white trenchcoat with plants, leaves, angels, animals, Celtic symbols, and Dryads on the coattails, and on the back is a Celtician Dryad surrounded by leaves and plants. Suddenly, Evelyn Burmingham felt a sharp pain on her back, and then, her massive black angel wings with green tips on the large feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Evelyn Burmingham has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Evelyn Burmingham's Celtica's Celtician Dryad Nature Plant Greatsword of Celtician Dryad Nature Justice and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, plants, leaves, angels, animals, Celtic symbols, and Dryads, and when it emerged, it was transformed into Celtica's Celtician Dryad Eternal Nature Plant Greatsword of Celtician Dryad Nature Justice, it's a brand-new massive greatsword with embedded forest green gems and a Celtician Dryad etched on the 7'0" massive, wide, double-edged green blade, large Celtician Dryad heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large Celtician Dryad heads with green gems for eyes and large green gem on the bottom of the Celtician Dryad heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with green gems on her wrists, her Belt of Elemental Bravery with a gold Celtician Dryad head with green gems for eyes and a large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the Celtician Dryad that said, "Evelyn Burmingham, Gene-Slammer of Celtician Dryad, Ornithologist and Studier of Birds, Daughter of a Rich and Powerful Stock Broker Family, Loving Sister of The Blade Kamen Riders, Destroyer of Hiroshi, Archenemy of Changkey Dragon, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Animals, and Plants"

イヴリン・バーミンガム、ケルティシャン・ドライアド の ジーンスラマー、鳥類学者および鳥の研究者、裕福で強力な株式仲買人の娘、ザ・ブレイド 仮面ライダー の愛情深い姉妹、ひろし の破壊者、チャンキードラゴン の宿敵、悪の殺し屋、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして自然、動物、植物の達人

Evelyn Burmingham has transformed into SUPER ANGEL-CELTICIAN DRYAD-HARMONY CELESTIAL ETERNAL XELNAGA CELTICIAN DRYAD NATURE PLANTSTORM DRYAD ANGEL OF DIVINE CELTICIAN DRYAD NATURE PLANTSTORM JUSTICE AND DIVINE CELTICIAN DRYAD NATURE PLANTSTORM LOVE!

We were amazed by Evelyn Burmingham's Super Angel-Celtician Dryad-Harmony Celestial Eternal Xelnaga transformation, but when Fulexia saw it, he fell into an infernal rage and he got out a blaster and fired at her, but Evelyn Burmingham formed a forest of trees which blocked the blast, then they disappeared and she fired a powerful green energy blast at Fulexia, which exploded as it hit him, and that really pissed him off now.

Kazuma: Whoa, so that's her…?!

Lincoln: Yep, that's her Phase 2 transformation, and now, Fulexia's going to pay for everything he's done and all the blood that he's spilled

Evelyn Burmingham: (Divine Echoing Cosmic Voice of The Nature Plantstorm Celtician Dryad Angel and Divine Celtician Dryad Nature Plantstorm Love) He sure will. Melissa, Nico, you guys ready?

Melissa Han: Yeah, and now, it's my turn.

Suddenly, Melissa Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Malicious Fiend-themed greatsword from her back, and as she approached Fulexia, she left black energy, darkness, dark magic, flames, fiends, phoenixes, and dark angels with every step.

Melissa Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Fulexia: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Melissa Han was surrounded by a massive vortex of black energy with darkness, dark magic, and flames surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Malicious Fiend flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Fulexia: the red eyes of death. Then, as the vortex faded, Melissa Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Melissa Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Malicious Fiend emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Fire, Dark, Sword, and Eternity Kanjis in its hands, she also has Evil HERO Malicious Fiend with red gems for eyes and holding the Fire, Dark, Sword, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Melissa Han has on a short-sleeved blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, flames, fiends, phoenixes, swords, and dark angels on the coattails, and on the back is Evil HERO Malicious Fiend surrounded by darkness, flames, and swords. Melissa Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Melissa Han's massive Evil HERO Malicious Fiend-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, flames, fiends, phoenixes, swords, and dark angels, and when it emerged, it was transformed into Evil HERO Malicious Fiend's Darkness Fire Sword Hellfire Fiendish Phoenix Greatsword of Darkness Dark Fire Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Malicious Fiend etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Malicious Fiend's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Malicious Fiend that said, "Melissa Han, Gene-Slammer of Evil HERO Malicious Fiend, Expert Swordswoman, Fourth Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Grizzlor, Destroyer of Fulexia of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Flames, Swords, Dark Magic, and Infernal Phoenixes"

We were amazed by Melissa Han's Super Angel-Evil HERO Malicious-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Fulexia saw it, he fell into an infernal rage and he got out his blaster again, this time, to fire at her, but Melissa Han fired a powerful black energy blast with darkness, dark magic, fire, fiends, phoenixes, and dark angels at Fulexia, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Fira Han: Whoa, Melissa's transformed, incredible!

Lorelai Delancey: That's really incredible, and she really burned and slashed Fulexia badly.

Nico: And she's really got him pissed off now big time.

Melissa Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Sword Evil HERO Malicious Fiend Angel and Divine Demonic Darkness Infernal Sword Firestorm Darkness Phoenix Love) And now, the dark fires of The Netherworld are coming for you, Fulexia.

Nico: Let's get him, Melissa and Evelyn, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Melissa Han and Evelyn Burmingham.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Melissa Han, Nico, and Evelyn Burmingham went after Fulexia who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Fulexia and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Fulexia, drawing more blood and leaving more scars on her, and he was being driven even more ballistic. Suddenly, Fulexia took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Fulexia began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Fulexia's transformed into his King Ghidorah Hybrid Monster form.

Fulexia fired a Gravity Lightning blast at Melissa Han, Nico, and Evelyn Burmingham, who dodged it.

Kazuma: Why, that overgrown… ! Let's get him!

Me: Wait, Kazuma, let Lincoln handle this.

Lincoln: He's right, Kazuma, just keep your eyes peeled. Melissa, Nico, Evelyn, hang on!

Lincoln fired a rainbow energy blast which separated Fulexia from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Fulexia and he bear hugged him, so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Fulexia into his body through his skin and he assimilated his powers and abilities.

Kazuma: What the…?! What did we just see?!

Eli: Lincoln fired that rainbow energy blast which separated Fulexia from his King Ghidorah Hybrid Monster form, and Lincoln absorbed him into his body. He's done this before, he's absorbed evil vampires, werewolves, and powerful human villains and powerful monsters into his body, or used Cell and Majin Buu's absorption techniques on them as well.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Melissa, Evelyn, let's end this asshole for good.

Melissa Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Firestorm Sword Evil HERO Malicious Fiend Angel and Divine Demonic Darkness Infernal Sword Firestorm Darkness Phoenix Love) You got it, Nico.

Evelyn Burmingham: Your time's almost up, you son of a bitch, hope you've said your goodbyes.

Melissa Han, Nico, and Evelyn Burmingham sent Fulexia flying into the air, and then, they prepared their combo to put an end to Fulexia.

Evelyn Burmingham: CELTICIAN DRYAD NATURE'S WRATH KAMEHAMEHA!

Melissa Han and Nico: DARK INFERNAL EVIL HERO MALICIOUS FIEND PHOENIX DEMONIC SWORD FIRESTORM KAMEHAMEHA!

Evelyn Burmingham fired a massive green energy Kamehameha wave with dryads, Celtic symbols, plants, leaves, and animals, and Melissa Han and Nico fired two massive black energy Kamehameha waves with dark fire, fire, darkness, and phoenixes which hit Fulexia, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Melissa Han and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Melissa Han, Nico, and Evelyn Burmingham holster their massive greatswords on their backs and powered down, and Valia Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Evelyn Burmingham's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Melissa Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-eight members to go. Thanks for helping me destroy Fulexia once and for all, Nico, you too, Evelyn.

Nico: (Smiles Warmly) You're welcome, Melissa.

Evelyn Burmingham: You're welcome, Melissa, glad we brought an end to that religious nut.

Suddenly, Melissa Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Melissa Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Malicious Fiend flying in the air, and we saw many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Nico and Melissa Han absorbed the flames and they came back to us as the display and Evil HERO Malicious Fiend vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico, Melissa, and Evelyn.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Rudella, which means you're up next, Eden.

Eden Han: Yeah, we'll make Rudella pay.

Nico: We sure will. Say, Lincoln, which Neo-Spacian Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, I know, how about a Fusion Gene-Slammer for Neo-Spacian Aqua Dolphin and Marine

Dolphin.

Alexa Oleson: Awesome, and there's only one person I know who would be Gene-Slammed into Neo-Spacian Aqua Dolphin and Marine Dolphin: Riley Robbins, cousin of Gail Robbins, who was the only one among the family who survived after her parents and her baby brother, Larry, were slaughtered by that vampire, Zurial, on the 27th day of the 30 Days of Night.

POW!

Jashin 14 was really having a hard day.

Natsumi: You're going down, dirtbag!

Sweetie Belle, Scootaloo and Apple Bloom fired waves of energy and blasted him down and banished him to the Black Gates!

Natsumi: That did it!

Apple Bloom: What do ya'll want to do now?

Miyuki: Want to just talk?

Sweetie Belle: Sure.

We later came back.

Jet: That's it for Hiroshi.

Me: And the Undead.

Artie Ziff: And Junichi is locked up.

Me: Yep.

Toyman: (to Natsumi and her friends) You guys helped too.

Natsumi: Damn right we did!

Me: You sure did and we owe you big time girls.

Miyuki: Same here.

Kazuma: We'll see in 9 days.

Natsumi: See you then!

Natsumi then patted Kazuma on the shoulder with a smile.

Me: Natsumi, Miyuki, be safe till then.

Natsumi: We will.

Miyuki: Thanks.

They left.

Me: Great job you 3.

Applejack: My little sister is all grown up.

Me: Was there any doubt?

Dr. Polaris: Like J.D. and the others said, we kept your room.

Riddler: It's all ready for you again when we get back.

Me: And the best part is that we avenged all those that Hiroshi hurt.

Qin: Yep.

Me: And I got an awesome more powerful and amazing new transformation out of it.

Nico: You sure did. Great job everyone. Number 6 of the missions are done.

Me: Next up is Number 7 and that is with Natsumi and her friends.

Lola: Yep.

Kazuma: (To the viewers) This was an awesome and great adventure and we are now officially apart of the team.

Me: You sure are.

Nico: Lets go home.

We went back home and we got the Blade team settled in and enjoyed the rest of the day and went to sleep.

But, that wouldn't keep him locked up for long, now years later, he'd escaped and he now wants revenge on The Aquatic Gardeners Club for ruining his plans, and even worse, he'd turned himself into a hulking monster with the use of a serum he created after he escaped back to his lab. She's also the cousin of Gail Robbins, and though she hates Lola with a burning passion, there's one person she absolutely hated: the vampire, Zurial, who slaughtered Gail's parents and baby brother, Larry, on the 27th day of The 30 Days of Night, and the reason why Gail was the only one among her family who survived.

In the early morning hours at 2:35 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Giza, Egypt. But, they were no ordinary two figure, they were Moony Moondancer & Dove, son and daughter of Lincoln's future wife, Trixie Lulamoon. Lincoln woke up from the dream, but he wasn't the only one, Trixie Lulamoon, Luna the Werewolf, Zeta "Silver" Telekinetic, Black Alpha, Nico, and me also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Trixie Lulamoon: And not only that, it also means that we found out where my kids are at.

Zeta "Silver" Telekinetic: And the question is, Where?

Me: they're at Giza, Egypt.

Nico: The same place when we found Sphinx Moth and Magnolia May? That's not good. It is not a safe place for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go Giza, Egypt, to rescue Moony Moondancer and Dove, Then suddenly, there was a knock at the door.

Trixie Lulamoon: (went to the door) The Great and Powerful Trixie, get it.

Trixie Lulamoon opened the door and found a big and giant Humanoid male robot with construction style features. His body is tan, dark-orange, silver line marks, & dark-brown, the head has streetlight-like eyes with steam pipe-like horns, a front loader at the front of the crest, medium size wheels on forearms and shins with small blades swing out from the middle of each tire, and a battery pack that helps him to gives him charge of electricity. He wields the pile driver-like sword called the Steel Pounder. and A beautiful and slender Young Girl Genie who has olive skin, gray eyes with full eyelashes, and long growing magenta hair tied up in a ponytail stem stalk. She wears a golden circuit with a red magic element jewel in the middle, golden earrings, red bedlah top that reveals her midriff and navel with sewn-in off-the-shoulder straps, harem pants with a golden belt with a purple underside, and red sandals with ribbons. She wields a Double-Edge Sword called the Magic Blade. They were Construct-Bot and Scarlet Genie.

Construct-Bot: (techno accent) Are you Trixie Lulamoon.

Trixie Lulamoon: Yes, And who are you guys?

Scarlet Genie: I'm Scarlet Genie, the Magic Knight.

Construct-Bot: The names Construct-bot, the Brown Knight. And do these young kids belong to you?

The two kids that whore with Construct-Bot and Scarlet Genie, Was a slender 13-year-old boy who has white skin, purple eyes, and long blonde hair with light blue streaks. He wears a black cloak, white tuxedo shirt with black bow, black gentleman pants, black men's dress shoes. And a beautiful and young 12-year-old girl who has grayish white skin, navy blue eyes, and shoulder length navy blue hair with light blue streaks. She wears a white feathered cloak with a round blue jewel, blue dress, and blue ballet flats with straps. They were Moony Moondancer and Dove.

When Trixie Lulamoon saw them, she were stunned.

Trixie Lulamoon: (Stunned) How? How did you find them?

Scarlet Genie: we find them out on the streets in Giza, Egypt, abandoned and alone.

Trixie Lulamoon ran up to Moony Moondancer and Dove, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, Black Alpha, and Zeta "Silver" Telekinetic.

Me: Thanks, guys.

Scarlet Genie: It's in honored.

Construct-Bot: (to Lincoln) Do you have something to say to them?

Lincoln: Course. (To Moony Moondancer and Dove) there's something you guys should know, Trixie, your mother is one of my many future wives.

Moony Moondancer and Dove: That means… you're our father.

Lincoln smiled, and that filled Moony Moondancer and Dove with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Lincoln told everyone what happened. and he then introduced Moony Moondancer and Dove to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Construct-Bot, and Scarlet Genie did in reuniting Trixie Lulamoon with her kids, and Moony Moondancer and Dove now have Lincoln as a loving, strong, brave, and caring father in their life. As well as Construct-Bot and Scarlet Genie join the Team Loud Phoenix Storm as new members of The Heroic Elementals.

Me: Boy its been a while since we were in L.A.

Xenia: It sure has been a long time.

Kaalia of the Vast: I can't remember the last time we were here.

Lola: I do. We were here to find the Abominable Snowman of Pasadena and help him.

Me: That's right! I remember that.

Gwen Tennyson: And it was a hot day that day.

Mr. Fizz: It sure was.

Nico: Gwen, I want to thank you, Mr. Fizz, and your teams for coming today.

Gwen Tennyson: It's not a problem Nico. And it's gonna be awesome.

Bulma: It sure is.

Floating Talking Gumball Machine: James you want a gumball?

Me: Sure.

I was given one and I was chewing it.

Me: Mmm. Flavorful.

Nico: Bulma, are you happy with being married to Vegeta?

Bulma: I sure am and he is a great man, prince and a father.

Me: He sure is. Sure he was hardheaded at first when he and Master Goku were fighting a lot but he did give him a lot of competition.

Nico: Yeah Kakarot and Vegeta were always going at it but it was just for Kakarot to test his limits.

Xenia: That's true.

Me: But Bulma I think it's awesome that you are married to Vegeta and that makes you a Saiyan Princess.

Bulma: That is true. I like that.

Nico: I do too.

Lola: Same here.

Nico: But you can choose if you want that title or not.

Bulma: Thanks Nico.

Nico: You're welcome.

Laney: That's so awesome that you knew Master Goku from when he was a child.

Nico: It sure is.

Bulma: Yeah Goku has been an amazing force back then.

Nico: He sure has. Kakarot is a power to be reckoned with.

Me: That's for sure.

Nico: Yep. Evelyn you did a great job on your mission yesterday.

Evelyn Burmingham: We all did a great job.

Kazuma: I honestly missed you guys.

Me: We're glad to have you back Kazuma.

Nico: Yeah we sure are.

Lola: Now you are your team are now part of the team.

Nico: Yep and we can officially start rebuilding your lives now that Hiroshi and his evil minions are gone.

Qin: Thank goodness.

Kazuma: Yeah I agree. And also I'm glad you guys saved me from a terrible fate. If you guys hadn't found me on that Sweet Potato planet I would never have been able to realize I was just as important to everyone as every rider is.

Me: That's true.

Qin: I'm glad we did. We still owe you a lot for helping us during the 20 Days of Darkness.

Xenia: We sure do.

Nico: Like we said, we didn't sell your room.

Kazuma: I know. Thanks guys for keeping it safe for me.

Me: Anytime Kazuma.

Nicole: But yesterday was still a fun day for all of us.

Nico: Yeah it was.

Eli: Yeah. We just have the Revice and Faiz teams along with the Agito and Kuuga teams and we'll have all the Rider Teams with us from the 21st Century.

Nico: That's right.

Me: But we still have the Geats Team too.

Nico: Yeah but that's a long way off.

Maria: And we also owe you one for helping to defeat Tetsuya Watarigani.

Kazuma: That was awesome.

Me: It sure was.

Nico: And now J.D. is officially headache free from having to deal with Hiroshi and Masato.

Me: That's for sure.

Eli: Yeah justice was brought to those nasty monsters!

Camie: You got that right.

Varie: Yeah that is a fact.

Nico: I wonder if there's any trouble here.

Me: We'll find out. But the reason we're here is to show those that haven't seen this what went down here before we went to Paris a while back.

We went to Mount Wilshire.

Nico: Wow.

Camie: Is that a volcano?

Zuria: Wow! It sure is! I remember seeing this all over the news!

Laney: Yeah this was a very strange one.

Me: You wouldn't believe what it was before. This volcano used to be right where the La Brea Tar Pits were.

Xenia: I remember that.

Nicole: Me too. Thanks to my seismographic analysis and the data I gathered we saved the entire city from destruction.

Nico: That was scary and awesome.

Laney: It sure was. We witnessed a new volcano forming right here in Los Angeles.

Nicole: Yeah.

Nicole went over what happened during the events of chapter 845 and it was awesome.

* * *

At the estate, Andrew Hartford was in his study doing research and and he heard his phone ring.

Andrew: Hello?

On the phone was world famous French fashion designer Gabriel Agreste.

Andrew Hartford: Gabriel! How've you been?

Gabriel: I've been fine, Andrew. How are things with Mack?

Andrew: Quite well. He and I have really been bonding after the Legendary War.

Gabriel: I heard about that. I'm glad to know that he's alright.

Andrew: He is. The two of us and the rest of Operation Overdrive have joined forces with Team Loud Phoenix Storm and most of the other Power Rangers. Is everything okay in Paris? I've heard about the Akuma attacks.

Gabriel: Oh, everything's fine on my end. Me and Adrien haven't been harmed. But we're still trying to cope with Emile being in a coma.

Andrew: Well, if you need anything-

Gabriel: Don't worry, Andrew. Adrien and I are ok so far.

Andrew: If you say so. I'll talk to you later.

Gabriel: I'm looking forward to it. Goodbye! (hangs up)

What Andrew didn't know was that Gabriel was actually the ruthless powerhungry super villain Hawk Moth!

Spencer: I am so glad that Gabriel and young Adrien are alright.

Andrew: I just can't help notice that something was off about the way Gabriel was talking.

Mack: Dad, he's probably still mourning Emile's condition. Just give him time.

In Maria's room, she brought lunch over for Horsea.

Maria: Horsea, lunchtime!

She had apples and more ready.

Horsea: Yummy!

Later the next morning at 7:15 AM, Nicole was working on some research in the lab and then the Volcanic Activity Alarm went off.

Nicole: Uh oh!

She went to the computer and she found out that there was volcanic activity brewing in Los Angeles, California!

Nico: There's volcanic activity in Los Angeles!

Nicole went to a glass cover and lifted it and pressed a big red button. The alarm sounded and she pulled out a microphone.

We heard it.

Nicole: (On the loudspeaker) ATTENTION ALL MEMBERS OF TEAM LOUD PHOENIX STORM! THIS IS NICOLE ASHLEY KNUDSON, ISSUING EMERGENCY CODE VΩΣE T-9! THIS IS NOT A DRILL! REPEAT! THIS IS NOT A DRILL!

Double D: Good lord! A volcano's about to erupt?!

We went into Nicole's lab.

Me: What's the problem Nicole?

Nicole: There's a new volcano about to erupt!

Agony: Shouldn't be a problem. We've dealt with a volcano before. How bad can this one be?

Nicole: It's worse than you think Agony. There's a new volcano forming as we speak in Los Angeles, California.

We gasped in shock!

Nico: This is not good.

Nicole pulled up the seismographic satellite data and what we saw was incredible! The X-Rays and Satellite images of the Earth's crust underneath Los Angeles, California found a massive magma chamber directly underneath the city and a volcanic vent is starting to form! The magma chamber was 491 miles deep, 715 miles wide and 263 miles in length.

Me: Whoa! Look at that!

Lisa: Inconceivable! There's a magma chamber directly underneath the city!

Sam (TS): My home is in danger!

Me: It's a good thing we moved all of you here to Gotham Royal York when we did.

The alarm on the Seismographs went off.

Nicole went over and she saw that a massive earthquake was shaking Los Angeles.

Nicole: Huge earthquake in Los Angeles! 8.2 on the Richter Scale. Eruption and volcanic formation is imminent.

Me: The eruption must be minutes or seconds away. We better get over there and fast!

With that, we were off to Los Angeles, California.

LOS ANGELES, CALIFORNIA!

We arrived at Los Angeles, at 5:27 AM and we saw a huge column of ash and rock spewing out of the La Brea Tar Pits!

Me: Whoa! Look at that!

Nicole: The Volcano is about to erupt out of the La Brea Tar Pits!

Nico: Oh shit! This is not good!

Qin: This is awful!

Suddenly we saw lava bombs explode out of the tar pits and they hit buildings, billboards and more. We saw the manhole covers explode off like a cork on teapots!

Me: Whoa! Looks like we got here just in the nick of time!

Carter: Me and my team will help get the civilians out of here!

Me: Good idea Carter. Lets put out some of the fires.

Lola and Yuko absorbed some of the fire and we did the rest. A lava bomb hit a firetruck and it wrecked. We lifted it up and took them to the hospital.

But then we felt a powerful earthquake and then a massive explosion occurred right over the tarpits!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it shattered all the windows in some of the buildings! We then saw a massive amount of volcanic lava explode out of the tar and into the air and a new volcanic cone was forming! We then saw a massive amount of volcanic lava pour out of the volcano and spilled onto the street! It was unbelievable!

Me: Lava is pouring onto the street!

Ben: Maybe we can use water to put out some the lava.

Me: Lava doesn't extinguish when you put water on it. It turns into solid rock.

Nicole: This is unbelievable!

Lana: We could plug up the volcano.

Me: No that won't work. It's too dangerous. If you plug up a volcano it'll build up the intense pressure to incredible levels. We got to get everyone out of here and save as much of Los Angeles as we can! Lets go! Lets go! Double Time! Lets go!

We got to work and saved a lot of people and got them out of the area. We got their possessions with them and their pets and more. As we were saving as much of the city as we could, the lava was burning everything it touches. It was incinerating everything in its path and turning much of the city into a massive conflagration of epic proportions. Not only that but a subway train under McArthur Park was in Peril. Lily and Lola went down and got everyone in that train out of there and they were saved. Buildings, stores, shops, cars and more were on fire. We saved everything in the local museum and formed a bunch of blocks to channel some of the lava away from the major buildings. We got everyone all over the entire city moved to San Diego, Mariner Bay, Sacramento and San Francisco. We also helped move the injured to Cedar Sinai Medical Center near the Beverly Center. The whole city was totally in peril! With us was Nicole's friend and colleague of the United States Geological Survey, Dr. Amy Barnes.

Nicole: Amy, we have evacuated everyone all over the area. We're doing everything we can to save the city.

Amy: Great Nicole.

Nicole: We found out that there was a massive magma chamber directly underneath the city.

Nicole pulled out her data charts and Amy was amazed!

Amy: This is amazing! We never even knew this was here.

Nicole: No one did. This totally happened without warning.

Eddy: Good thing we got here in time. The death toll would've really been high otherwise.

Luan: Yeah that is true.

Nicole: We've lost only 10 people. But so far our evacuation efforts have been successful.

Prowl: We can't run. We can't stop the lava. But… what if we divert it into the ocean?

Me: No. That won't work Prowl. If we do that, then the lava will continue to burn through the city until there is nothing left. But I do have a plan.

I revealed that we were going to stop the flow of lava with concrete k-rails and block the flow and then with the combined efforts of the firefighters, helicopters loaded with thousands of gallons of water and our powers over water and ice we would cool the lava until it was rock solid. We put our plan into action and we put the rails in a horseshoe formation and a bunch of firetrucks arrived. Fires were breaking out all over the city and more as the lava was getting closer and closer. The heat coming from the lava was unbelievable as it was moving toward us. It was over 2,200˚ Fahrenheit and it was so hot that it was intense. We were sweating waterfalls. Everything was on fire and we all were absorbing as much fire as we could from all of the buildings that were all on fire. Newspaper reporters from all over the city were telling everyone all over the country and the world about what was going on in Los Angeles. The lava then was blocked by the rails and it was pushing some of us back. It was pooling up all the way to the top. But then a massive armada of helicopters loaded with thousands of gallons of water arrived!

Me: Here they come! Open hoses Chief!

Fire Chief: Open Hoses!

The firemen released the water and so did the helicopters by dumping the water. Lily, Maria, Lana, William, Irma, Bai Tza, Luna, Oceanus Shenron, Varie, Girl Jordan, The Neptune Crusaders, Nico, Sakura Avalon, Sakura Haruno, Lapis Lazuli and most of us were firing water at the lava. The amount of steam coming off of it was incredible as the lava was being cooled down! It took over an hour but we managed to cool the lava down to where it was rock hard and cooled down! We cheered wildly as our plan worked and it was a success!

Me: We did it!

Nico: It sure as hell worked!

Varie: Way to go!

Naruto: Awesome thinking bro!

Me: Thanks bro. We all did it together.

But then I got a call on my cell phone and she told me that something was happening. We were told to meet her over at a vent that leads to the subway tunnel.

We went over to where she was and we opened a vent that leades into the Red Line Subway Tunnel.

Amy: We're right over the Red Line.

Me: What's going on Doctor?

Nicole: I think something is brewing down in the tunnel.

I have an idea.

We attached a video camera to a rope and it had a flashlight on it.

Me: So far so good.

Amy: This is so stupid.

Me: Sometimes stupidity works.

We saw on as screen the tunnel.

Amy: I can't see anything.

Then an orange glow was seen and we saw lava in the tunnel! We pulled up the camera and we saw a blast of fire explode out and it was sucked back into the tunnel.

Me: Whoa!

Lola: Did you all see that!?

Me: Yeah!

We went over and we saw lava flowing in the tunnel!

Nico: There's lava in the tunnel!

Lana: How freaky!

Amy: The tunnel's insulating it! It's like a lava tube. It's keeping it fluid, which is why it's moving so fast.

Me: Where's it heading?

Amy: It's gonna go through the tunnel, till it hits the block. When it hits the block it's gonna punch through!

Me: This is bad! We got to follow it!

We went into a jeep and some of us flew.

Nicole: Lets see here.

Amy: 1… 2… 3…

Amy was measuring the lava and how fast it was going before we pulled up the camera.

Amy: 1… 2… 3… How far between tunnel sections?

Nicole: 10 to 12 feet I think.

I called my friend in the city subway engineering Dan.

Me: Dan, J.D. here. We need to know where the Red Line subway tunnel stops.

Amy: I got to figure out how fast this shit is moving.

Dan: You mean where the last station is?

Me: No. Where did you stop the drilling for the tunnel?

Dan: We stopped drilling under the Beverly Center, La Cienega.

Me: Oh shit! All those people are in danger!

Nicole: How long before it gets there Amy?

Amy typed in a code on her laptop and a red line showed the Red Line and the time it will take for the lava to get there. It was moving at 0.15 Miles Per Minute.

Amy: God! 30 minutes! Maybe less.

Me: Holy shit!

Lana: It's moving fast!

Nico: We got to get moving!

Lana: And get those people out of there!

We hightailed it over there!

Emmit: No, no. That ain't a possibility J.D. We don't have any hands left for that kind of evacuation. We have secondary fires popping up all over the city. They're looting in Beverly Hills for Christ's sake.

Me: We got to reroute it somehow Emmit. We got 2,000 people in the way down there Emmit.

Emmit: J.D. listen. Moses couldn't reroute this shit. It's everywhere. We got a flow in the storm drain under Fairfax, the Genesee Transformer is out. That means the whole west side is dark now.

Me: Where does the Storm Drain go Emmit?

Emmit: It dumps into Ballona Creek.

Me: That's it! We can reroute the flow into the Holly Hills Trench! Lets go!

We went there fast. We arrived and went over the plan with the L.A.P.D., the National Guard and the military. Our plan was to extend the Holly Hills Storm Drain Extension 200 yards up to San Vicente Blvd to the spot where the lava is gonna break out. But there was a problem. The street sloped in the opposite direction at a 159.5˚ to 162˚ Angle. But luckily we have a plan for that. Lynn and Earth are gonna form the trench and Tara is gonna form a dam that will block the lava to prevent it from going into that direction. We got to work and we put our plan into action. We formed the dam and it was ready.

Lynn and Earth placed explosive rocks that act like dynamite into the street and it was all set!

Me: 1 minute left. All set.

Then an earthquake was felt!

Me: HERE IT COMES!

We went for cover. Everyone was out of the way. Steam was shooting out of the vents and manhole covers.

Nico: It's gonna blow!

May: It's gonna blow!

Lincoln: Move everyone!

Then a massive fountain of lava exploded of out the street!

KRABBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

What we saw could only be described as a nightmare from Hell. We saw a huge fountain of lava spew 10's of feet into the air and it was unbelievable!

ME: WHOA!

Nico: HOLY SHIT!

Lincoln: UNBELIEVABLE!

Fu: OH MY GOD!

Vince: What power!

Carol: Holy fuck!

Laney: Incredible!

Lava was going high into the air and it was raining all over the street. Setting everything in its path on fire.

Me: Start detonation sequence!

Air Raid sirens sounded.

Me: (Into a radio) La Cienega, are we clear?

Man 1: La Cienega clear.

Me: Lower San Vicente?

Man 2: Lower San Vicente all clear.

Me: Upper San Vicente?

Man 2: Upper San Vicente all clear.

Me: All clear. BLOW IT!

Lynn and Earth snapped their fingers and on command each charge was blowing 1 at a time towards the lava. They were blowing a trench into the street and it was working. We got the trench made and the lava was pouring into the trench and it was working. The trench had the lava go into the creek and it went into the Pacific Ocean and the steam coming off of it was unbelievable!

Me: We did it guys!

We cheered wildly!

We were the heroes of Los Angeles, California! Damage was estimated to be in the 10's of billions of dollars and only 10 people were dead. We rounded up the looters and recovered everything that was stolen. But now Los Angeles has a new problem: A Volcano was now in the middle of the city where the La Brea Tar Pits once were.

We were looking at the volcano and it was over 75 feet high and it was spewing smoke out of the top.

Me: Whoa! This was unbelievable. This has to be the most infernal challenge we have ever faced. But we saved all of Los Angeles.

Nico: We sure did J.D. But this is a brand new volcano. We should name it.

Me: Good idea. Since Nicole told us about it she should have the honors.

Nicole: Thanks dad. We'll call it Mount Wilshire. It formed on Wilshire blvd and it's now as active as Kilauea.

Lola: Great name Nicole.

Qin: I like it.

Hunter: (German Accent) Ja. Wunderbar! Perfect name for it.

Me: I agree. But now not only is Los Angeles an Earthquake spot, but it is also a volcano spot. Now we have to help get them ready for volcano drills and tests should Mount Wilshire erupt like it did today.

Nico: Good idea.

We were awarded medals for our heroism in saving Los Angeles. We headed back home to Gotham Royal York and now Nicole has Mount Wilshire under her watchful eyes.

---

When it was done everyone that hadn't heard about it was shocked and amazed!

Nico: I know. Amazing, huh?

Camie: That is incredible!

Laney: Yeah. That was amazing seeing a volcano form.

Lola: But we did not expect it to be right in the middle of one of the most populated cities of the United States.

Twilight Sparkle: That is crazy! I'm amazed it even formed here.

Nico: No kidding.

Lincoln: Yeah. Sam, Clover and Alex were shocked to hear about a volcano like this forming here.

Laney: Yeah they sure were.

Lola: Yeah. And it's terrible how this was once the most perfectly preserved tar pit in the country.

Nico: It's sad how things change.

Me: I know. But the strangest part is that the people of Los Angeles had no idea that a new volcano was going to form right here in the middle of the city.

Eli: That is amazing!

We saw spill pipe trenches in the volcano that were built.

Applejack: What are these trenches here for?

Me: These are lava creeks. We built them to avoid having the same damage that was dealt to Los Angeles happen again. Whenever Mount Wilshire erupts it will pour lava into these which will have it go right into the ocean.

Nico: Yep.

Eli: Very clever.

Xenia: Yeah.

Nico: I guess there's no trouble here.

Me: In a busy city as Los Angeles, California? Trouble is always here.

Then we heard screaming and we saw kids running and then we saw THE JOLLY OLLY MAN RUNNING AMOK!

---

Willie (more commonly known as The Jolly Olly Man) is a fictional character in the Hey Arnold! TV series.

He wears a white ice cream man uniform with a cap, red pants and brown black shoes. He has black hair and brown skin. In earlier appearances, his head is more rounded, but later became more square-shaped.

Willie is an ice cream salesman who drives the Jolly Olly Ice Cream Truck. He hates kids, but he's forced to tolerate them as his customers.

It's implied that he has some sort of mental illness, as proven by his delusional opinion of what he sees of the children whom he sells to, and what he described as his worst day. It is implied this stems at least in part from his strained relationship with his uncaring father (who is also his boss), as well as being fired from 57 jobs in the past. He can be seen as a bit jittery at time, easily angered and can have a bad temper, often cowardly, and he's normally seen with a sour disposition. He also appears to suffer from depression as well.

As Arnold's career day mentor, the Jolly Olly Man learned to be more nicer to his customers and earned the respect of every child in the neighborhood. However, it appeared that the Jolly Olly Man later regressed, as he stole Phil's Packard Clipper under the name of "Ivana Davancevic".

---

He was trying to blast the kids with a strawberry bomb cannon!

Me: The Jolly Olly Man!

Nico: Oh boy.

Maria: That's a waste of good ice cream!

Me: I've had it with this monster!

I went at him.

The Jolly Olly man was laughing like a deranged and completely fucked up lunatic as he was blasting cars and causing property damage everywhere.

But then I swooped in and punched him down.

Nico grabbed the Strawberry Bomb cannon.

I grabbed him.

Me: You make me sick Willie! First during that heat wave and now this! What the fuck is Wrong with you!?

Jolly Olly Man: I HATE PEOPLE LIKE YOU!

Our auras flared up.

Jolly Olly Man: But you want to know why I do this? BECAUSE I HATE KIDS! I WANT THEM ALL TO SUFFER AND DIE! I WISH ALL THE KIDS EVERYWHERE WOULD DIE!

Ed Bighead: I might be grumpy most of the time. But killing kids is crossing the line!

Jolly Olly Man: I DON'T CARE! (LAUGHS DERANGEDLY) I WILL KILL THEM AND DRINK THEIR BLOOD AND EAT THEIR HEARTS! (LAUGHS INSANELY AND DERANGEDLY!)

Me: YOU ARE FUCKING CRAZY AND INSANE! But you were always fucked up! First you tried to sell ice cream for $25.00 and now you stoop this low by killing kids in cannibalistic ways!? WHAT KIND OF FUCKING LUNATIC ARE YOU!?

Nico: Eli, can you sense for Swartz's creations?

Eli: I already did and there is two of them. One is Another Icarus and the other is Another Mr. Fizz.

Qin: Ooh these are gonna be interesting.

POW!

I punched the Jolly Olly Man in the face and punched him hard and pulverized him all over!

POW! BLAM SMASH WHAM POW BAM POW!

I mercilessly beat his face in!

Maria: We might as well take some of his ice cream.

Qin: His truck is back in Gotham Royal York.

Maria: Oh right I forgot.

I continued beating him up REALLY BAD!

I stopped 20 minutes later and he was broken, battled, bloody and bruised and I was panting hard.

Me: (PANTING HARD) YOU MOTHERFUCKING PIECE OF SHIT! I SHOULD JUST KILL YOU RIGHT HERE AND RIGHT NOW TO PUT YOU OUT OF YOUR FUCKING MISERY!

Jolly Olly Man: THEN DO IT!

I raised my fist and then Nico and Eli stopped me.

Nico: J.D. that's enough!

Eli: It's not worth it bro. Besides he is not worth killing.

Me: (Pants) (Sighs) You're right.

Nico: You're getting locked up!

The cops came and took him away.

Me: Get this fucking piece of garbage out of my sight!

They did so.

Nico: What the fuck is wrong with him?

Me: He is totally fucked up in the head.

Xenia: No kidding.

Eli: Yeah. All because of a toxic relationship with his dad.

Me: Well for someone like him I couldn't care less. Normally I would but not this time.

Nico: At least his strawberry bomb cannon is up for grabs.

Zuria: That's a cool cannon though.

Qin: It sure is.

Nico: Where did he even get an awesome cannon like this?

Me: No idea but it's amazing. Tara would love this because she has Waffle Woman as her archenemy and she can fire strawberry bombs.

Lola: That's a good idea.

Xenia: I agree there.

Camie: Yeah.

Nico: Okay then this will be for Tara.

Me: Yeah. Sorry you guys had to see that.

Nico: No worries J.D. You doing all that to him was justified.

Qin: He was a total jerk.

Laney: No kidding there.

Nico: We're not done yet.

Lola: Nope.

Nico: She could be anywhere.

Lola: Stand ready.

We then saw a figure in the sky and it was a dark version of Icarus! It was ANOTHER ICARUS!

Qin: WHOA!

Lola: Wow! Another Icarus!

Me: At least this one is for a Huntik Titan and not the legend from Greek myth.

Lola: Yeah.

Nico: Zuria, you're up!

Zuria: Yeah!

Another Icarus landed.

Nico: Awesome.

Another Icarus: (In a girls voice) I saw you beat up that jerk and that guy had it coming.

Me: (GASP) That voice.

She reverted back and was a girl wearing sky blue clothes and had sky blue hair and had sky blue angel wings and the symbol for Icarus on her skirt, arm and in the middle of her forehead.

Me: (GASPS) Ivy Icarus!

Ivy Icarus: That's right J.D. Awesome to see you again.

Me: Same to you.

Nico: You know her?

Me: I sure do. Ivy is a girl that was literally born up in the sky. It was part of a new experimental building project that was built by NASA called Project Flight Fortress. It's a Flying City Project to see if mankind can live at 50,000 feet up in the sky.

Xenia: WHOA!

Nico: I've heard about that project. That is amazing.

Ivy Icarus: It sure is. I was actually born to normal parents. But I somehow got these amazing angel wings while I was up there. Essentially making me part of the sky.

Xenia: That is cool.

Me: Must've been the magic of the sky.

Nico: We can fly too.

Ivy Icarus: Yeah I can see all that. You guys are now true angels of heaven.

Lola: We get that all the time.

Ivy Icarus: I can tell. Also there's another one with me and it's another version of him.

She pointed to Mr. Fizz.

Mr. Fizz: Another version of me? This will be interesting.

Nico: Yeah.

Me: I was about to ask that. Friendly or hostile?

Ivy Icarus: Friendly. And you will like this one.

Me: I have a feeling we will.

Zuria: Yep. Lets dance shall we?

Ivy Icarus: We shall.

She turned into Another Icarus and flew into the air and Zuria flew after her and fired waves of wind and smashed her all over and she caught her and then I caught the Wonder Ride Book and it was called FLIGHT OF THE GIRL FROM 50,000 FEET.

Zuria brought her down.

Maria: I know just who to summon!

She got out the M.O.E. Cannon.

Maria: (TURNS DIAL) Breakfast Force 6!

She summoned Waffle Woman, Cuppa Joe, T-119 A, Mr. Breakfast, Crusher, and Universe 666 Trakeena along with Mr. Breakfast, Sour Milk, Lord Hotcakes and The Ovulator.

Nico: Awesome!

Me: Part of this complete breakfast.

We laughed!

Waffle Woman: That would've been a good commercial!

Me: Yeah it sure would have been awesome.

Lola: Yeah!

Maria: I see something.

A figure came out and it was ANOTHER MR. FIZZ! It was a dark version of him.

Me: Another Mr. Fizz!

Qin: WHOA!

Another Mr. Fizz: (In a girls voice) Hope you guys love some soda.

Me: (GASP) Celine Dew! Awesome!

Another Mr. Fizz: Good to see you again J.D.

Me: You too.

Nico: You know her?

Me: I sure do. Celine is an awesome soda maker. She makes some of the most awesome sodas ever. Made thousands of different flavors that were out of this world.

Eli: Wow!

Mr. Fizz: That sure is an amazing thing.

Me: It sure is. But this one time she made a soda that was ABSOLUTELY GROSS and gave it to a bully as a prank. It was called Rotten Egg Chum. It was a soda made from rotten eggs and chum and the bully drank it and got sick to his stomach and hurled all over the place and inundated the cafeteria in vomit!

All of us: EEEEEEWWW!

Lola: That is disgusting!

Lana: Boy that is cool!

Me: Yeah but the bully was puking for weeks. He got expelled from school and sent to spend the rest of his days in the Intensive Care Unit.

Nico: GEEZ!

Qin: Gross!

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger Gear) Because we can grant it instead.

Another Mr. Fizz: Just to be the greatest soda maker of all time.

Me: You already are the greatest. You made over 50,900 flavors of soda. You're known as the Bertie Botts Every Flavor Bean Queen of Soda.

Nico: Hey that's a good way to put it.

Me: It was the best I could come up with.

Another Mr. Fizz: That is true. But how about Celine Dew the Queen of Every Flavor of Soda.

Nico: That works.

Kaito got a Beast X Blaster and Zocks got a Super Megaforce Saber and blaster.

Me: Gokaiger is perfect for you Zocks. After all you do represent the

Gokaigers in the Zenkaigers.

Zocks: That is totally true.

Me: Yep. Celine we're sorry we gave to fight like this.

Another Mr. Fizz: No worries. Come at me and don't hold back.

Me: With pleasure.

Sougo: (gets out Beast Morphers Ridewatch) Waffle Woman, we found an interesting weapon today.

Geiz: (gets out Super Megaforce Ridewatch) One Tara can use.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor.

Waffle Woman: That is gonna be interesting.

Xenia: Yep.

May: (gets out Floating Talking Gumball Machine'a Ridewatch) Gumball time!

Me: Just don't swallow it.

May activated it and fired gumballs and smashed her down.

Qin: Yeah!

Camie: Nice one.

May: (gets out Zomom's Ridewatch) You look like a tasty snack!

She activated it and fired waves of energy and smashed her down.

Laney: Yeah!

Eli: Noice!

Maria: (gets out Cook Roidmude's Ridewatch) Let's cook!

She activated it and fired waves of energy and smashed her down.

Maria: And now for this! (ACTIVATE'S PORCINA'S RIDEWATCH)

She fired waves of bacon and smashed her down!

Qin: Take that!

Knightbrace and his team came out and he had Garigari, Yost Whiplash, Universe 666 Ebony Maw, Baron Bedlam and Insect Queen.

Nico: Nice team, Knightbrace!

Knightbrace: Thanks Nico.

Qin: Cool!

They fired waves of energy and smashed her down.

Bulma: My turn!

She activated Ed Bighead's ridewatch and fired waves of energy and smashed her down.

Nico: J.D. doesn't know need to use his new transformation for this one!

Me: No I don't.

Maria: I hope the next Gene Slammer is close

Then we saw a Beautifly and a Dustox.

Me: Ooh a Beautifly and Dustox.

May: Wow I like the Beautifly.

Beautifly: (In a girls voice) Thanks May.

Dustox: (In a girls voice) Looks like the fun has started.

Nico: Eleanor and Elena Fosdwick!? Whoa!

Beautifly: Yep. We got this.

They fired waves of energy and blasted down Another Mr. Fizz and I caught the Ridewatch and purified it. I went over to Celine Dew and she was a girl with orange hair and had green clothes on.

I picked her up and brought her over.

Me: That was awesome.

Bulma: What are your favorite memories of Nico?

Beautifly: Our favorites are when we found many kinds of butterflies.

Dustox: And moths.

Beautifly: We found this amazing island with butterflies of many kinds as large as birds.

Me: Whoa! That is amazing!

Nico: Yep.

Me: Lets get you girls back to normal.

I put on my blind man glasses.

Nicole: Shows over people no looks or else!

Nico: You heard the lady!

Nico pulled out a green and purple leotard and the boys covered their eyes and I snapped my fingers and they reverted back. Eleanor was a girl with green hair and green eyes and had the wings of the Queen Alexandra's Birdwing Butterfly and Elena was a girl with purple hair and purple eyes and had the wings of the Atlas Moth.

They put on the leotards and got up.

Elena Fosdwick: (GROANS) What a rush.

Eleanor Fosdwick: No kidding. But we're glad to be back to normal.

Nico hugged them both.

Nico: I missed you girls.

Eleanor Fosdwick: We did to Nico.

We went back home.

But, that wouldn't keep him locked up for long, now years later, he'd escaped and he now wants revenge on The Aquatic Gardeners Club for ruining his plans, and even worse, he'd turned himself into a hulking monster with the use of a serum he created after he escaped back to his lab.

Lincoln: Whoa, we're here in the center part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the girls here, but we got word that Royal Woods' teenage mad scientist, Rowan Curran, has broken out, and he wants revenge on us.

Amber Strongflower: Ugh, not that mad lunatic again, I thought we beat him down and destroyed his monstrous creations last time, and got him sent to prison for good.

Nico: Whoa, so you guys had to deal with another fucked-up mad scientist from your past? Yeesh, I hate to find out about him.

Lincoln: Well, brace yourself, Nico, you're not going to like it. Rowan Curran was a scientist who was known for his intelligence, and Becky Long once worked with him on some projects. But, she found out the truth about him: she found out he was a mad scientist, and for years, he'd terrorized Royal Woods with his monstrous creations and he dreamed of taking over the world.

Me: Jeez, just what the world needs: another fucked-up world-domination crazed mad scientist.

Lincoln: Precisely, J.D., but even worse, he tried to get the secret of our elemental fruits and veggies that we in The Aquatic Gardeners Club had grown, and in every way, it reminded all of us of Ophelia Shroud. But, we refused, but knowing he refused to take a hint, he created more of his monstrous creations to destroy the town and force us to give up the secret, but we destroyed his monstrous creations, and then, Brittney knocked him out cold and we tied him up. Then, Ava called the cops on him, and he was arrested for what he did. And thanks to the evidence we had on him, Rowan Curran was sent to prison for the rest of his life.

Ava Microphonefish: (Australian Accent) I thought that'd be the last we'd see of that bloke, but even prison would keep him contained for long. We got word from the police that Rowan broke out of jail, and he escaped back to his lab.

Lincoln: That's not good, we need to find that psycho and stop him for good, and I want to thank you and Silphymon for joining us, Raven.

Raven: You're welcome, Lincoln. Now, where do we find Rowan's lab, this is a huge place though.

Becky Long: I know where it is, Raven, but we need some cover.

Raven: We're on it.

Lincoln, Raven, and The Goths of Darkness created a cover of darkness and we headed for the lab of Rowan Curran. But, when we got there, it was completely trashed. We dropped the cover, and we all saw the trashed lab.

Eli: Jeez, what the heck happened here?

Me: What a wreck.

Suddenly, Becky Long found a camera that's still intact.

Becky Long: Aha, there's a camera. It should tell us what that lunatic was up to in here.

A plug came out of Lincoln's large left gold cuff Bracelet of The Champions of The Universe, and then, it plugged into the camera, and then, a video came on as a light shined out of the large orange gem. We saw a young man dressed in an orange prison jumpsuit with dark brown hair, red eyes full of hate and insanity, it was Rowan Curran, and in his hand was a red-glowing liquid inside a beaker. We saw him drink all of the contents, suddenly, he convulsed in pain, and then, he suddenly grew to 12'5" in height and his upper and lower body muscles grew to massive proportions, and he let out a roar and then, the video cut off as soon as he began trashing the lab.

Becky Long: That lunatic, the contents of that beaker he drank: it's a Virility Serum, I kept a journal of that formula, and in the notes, it said that once consumed, it will dramatically increase the male's testosterone levels, along with also giving them stronger bones, increased denser muscle mass, even more energy, and it'll also increase his physical strength levels to incredible height, but of course, it'll also dramatically increase the male's sex drive. I'd begun investigating the genes in Lincoln's family, and I found out the males and females of the Loud Family when they reach puberty tend to acquire an extremely powerful sex drive, and it's something I've kept hidden from Lisa, since I hated her and I kept it secret from Rowan upon learning of his true nature, and I was quite intrigued after finding it out.

Me: Whoa, now this is quite a really genealogical discovery.

Nico: Big time.

Lincoln: I never thought much about this until now, but after knowing about what my hyperpuberty did for me, now this is really interesting to hear. But, we'll discuss this later: we got to stop Rowan.

Becky Long: Wait, hold on, Linky. With that Virility Serum inside him, Rowan will no doubt be a very dangerous and wild target to take down, luckily, I made the serum again, but this time, I'd kept them hidden from that egotistic mad scientist.

Becky Long went up to a hidden compartment, and she typed in a code on the digital lock, and once it beeped, the door opened, and inside it are extra beakers with the Virility Serum inside the beakers. She then gave one to Lincoln, Nico, Ed Cowart, Ets, Clyde, and I.

Lincoln: Well, bottoms up.

Lincoln drank the serum first, and suddenly, he began to feel something happen to him as a powerful heat overtook his body, and then, we saw firsthand the changes happening to him: first, Lincoln felt his abnormally massive and powerful upper and lower body muscles grew a bit bigger and as they'd bulged, veins formed, and he still retained his eight-pack abs, then, he felt all his bones getting even more stronger, he had a sudden increase in muscle mass which also became even more denser, his already infinite energy and power skyrocketed astronomically, and his already immense and powerful superhuman upper-body and lower-body physical strength increased even more, and we also saw his rainbow energy and blue aura with elemental forces and mythological animals flare up as he gained a massive power and energy boost.

Lincoln: Whoa, now this really feels so incredible, I feel even more stronger than ever, this feels like I've been working out at the gym times infinity, and I feel like I can take on any tough musclebound villain.

Suddenly, Lincoln's deep sapphire eyes turned deep red as he looked at Lily the Mermaid, and then, he approached her and he hugged her in his abnormally massive and even more muscular arms, and then, he deeply kissed her passionately on the lips, and she suddenly returned it, and as soon as Lincoln and Lily separated their lips, she had a deep red blush on her face.

Lily the Mermaid: (Stunned) Whoa, that… was… really incredible! (Seductively) Oh, you can bet all of us are so getting used to this newer even more passionate side of you, Linky.

Girl Jordan: You said it.

Lincoln's deep red eyes changed back to deep sapphire blue.

Me: Holy cow! Was that what that serum did?!

Becky Long: Yes, and when that wilder passionate side of him emerges, his eyes change from deep sapphire blue to deep red.

Nico: That we can handle, and if it helps us beat that son of a bitch, down the hatch!

Nico, Ed Cowart, Ets, Clyde, and I drank the other beakers of Virility Serum Becky Long gave us, and suddenly, we all felt the same thing happen to us just like with Lincoln: we first felt a powerful heat overtake our bodies, and then, our abnormally large and powerful upper and lower body muscles grew a bit bigger and as they bulged, veins formed, and we suddenly felt the same benefits that Lincoln had.

Ed Cowart: Whoa, okay, now we're more than ready, let's get that bastard.

We then left the trashed lab, and then, suddenly, we saw Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin appear before us, and with them are the eleven girls.

Nico: Cool, that's Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin.

Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin: (Girl's voice) Yeah, and I got the girls away from Rowan Curran, and that hulking monster's already on the rampage.

Lincoln: (Gasps) That voice, Riley Robbins, I knew it was you, but we'll talk later.

?: MUST SMASH AQUATIC GARDENERS CLUB!

We then saw our target, Rowan Curran, who's turned into a hulking muscular monster thanks to his serum, and he's barreling towards us.

Lincoln: But, we'll talk later, look who's shown up.

Lincoln grew to 12'5" and he punched Rowan Curran hard in the face and he was sent flying into a forest of trees.

Me: (Whistles) Nice one, Lincoln. Let me, Nico, Ed, Ets, Clyde, and I also join in as well.

Nico, Ets, Clyde, Ed Cowart, and I also grew to 12'5" in height, and we also pummeled Rowan Curran hard, and we were really making him angrier and angrier. But, then, Timmy Turner fired Eye of Lupus orbs which knocked the musclebound Rowan Curran down to the floor. Lincoln shrunk back down to 7'5", Nico, Ed Cowart, Ets, and Clyde shrunk back to 7'5", and I shrunk back to 7'9".

Timmy: Now, let's rip him in two.

Lincoln: You got it.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm

Then, Lincoln, Nico, and I used ten of our tails to pin Rowan Curran to the ground, and then, we turn the tips of our eleventh tail into Cell's stinger, and as we stabbed them into Rowan Curran's chest, we began absorbing him and we were also absorbing the Virility Serum that he already took before we got after him. Then, as soon as Lincoln, Nico, and I were done absorbing Rowan Curran, all that was left of him were his orange jumpsuit pants, the stingers on our eleventh tails changed back, and our tails retracted, then, Rowan

Curran's spirit was sent to The Black Gates forever. We cheered as we'd holstered our weapons and powered down.

Lincoln: That's it for you, you fucked-up mad scientist. (To Riley Robbins) And it's so good to see you again, Riley Robbins.

Riley Robbins reverted back to normal, and she's a beautiful girl with long aqua blue hair, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful aqua blue angel wings and she reigned in the power of Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin, she's dressed in a long-sleeved aqua blue coat, short-sleeved aqua blue blouse, sleeveless aqua blue midriff top, aqua blue skirt, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with water, ocean waves, stars, dolphins, and angels on the coattails and on the back is Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin and holstered on her back is a massive Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin-themed greatsword with embedded aqua blue gems and Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin etched on the 7'0" massive, wide, double-edged aqua blue blade, large Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin heads and large red gem on the bottom of the large Neo-Spacian Aqua Dolphin and Neo-Spacian Marine Dolphin heads for the pommel.

Riley Robbins: You too, Lincoln, it's been such a long time.

Lincoln went up to Riley Robbins and he hugged her, and Riley Robbins is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were sixteen, and as you can see, I really grew a lot since then.

Riley Robbins: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Riley Robbins, she's my Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition and she's known as The Maelstrom Vampire Slayer. Riley Robbins also has powers of water, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, I made her a necklace with jewels in her favorite color and a dolphin pendant, and to show thanks, she kissed me on the lips.

Riley Robbins: And before you ask, I'm also the cousin of Gail Robbins, and though I hate Lola with a burning passion, there's one person I absolutely hated: the vampire, Zurial, who slaughtered Gail's parents and baby brother, Larry, on the 27th day of The 30 Days of Night, and he's the reason why Gail was the only one among her family who survived.

Lincoln: She was only a little girl when that happened: seeing her own family slaughtered by Zurial during the 30 Days of Night.

Alexa Oleson: I know, it was awful. Gail lost her family when that all happened, and she almost got caught by that vampire, if Stella hadn't gotten her to safety.

Riley Robbins: Yeah, that's right. But, what Lincoln did in the Simulator last year in one of his rescues in Barrow, Alaska, he prevented the massacre, and in the real world now a year later, it had led to the resurrections of the 98 men, women, and children who died in that massacre, and it also led to the merging of their Simulator counterparts with their real world counterparts. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Riley Robbins: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Riley Robbins: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln went up to Riley Robbins, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Riley Robbins: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Riley Robbins' neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Riley Robbins: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Riley Robbins.

Riley Robbins had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw who they were, he immediately recognized them. The eleven girls are Lihua and Liza from Kaiser Knuckle, Hina, Shimo, and Hattori Hanzo Uruka from Legend of Raven, Amyu, Efa, Fiona Urd Aleglife, Lize, and Yuki from The Reincarnation of the Strongest Exorcist in Another World, and Stella the Soldier from Dragon Quest 3.

Lincoln: Oh wow, it's Lihua and Liza from Kaiser Knuckle, Hina, Shimo, and Hattori Hanzo Uruka from Legend of Raven, Amyu, Efa, Fiona Urd Aleglife, Lize, and Yuki from The Reincarnation of the Strongest Exorcist in Another World, and Stella the Soldier from Dragon Quest 3.

Nicole: Whoa, awesome!

Lincoln: Are you girls okay?

Lihua: Yes, we're okay, thanks to you.

Lihua: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Stella the Soldier: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lihua, Liza, Hina, Shimo, Hattori Hanzo Uruka, Amyu, Efa, Fiona Urd Aleglife, Lize, Yuki, and Stella the Soldier with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an enemy of The Aquatic Gardeners Club named Rowan Curran, a teenage mad scientist who terrorized Royal Woods years ago with his completely monstrous creations and dreams of taking over the world, but his monstrous creations were destroyed by Lincoln and The Aquatic Gardeners Club, and he was arrested and put in jail for the rest of his life. But, years later, he'd escaped and he wanted revenge on The Aquatic Gardeners Club for ruining his plans, and even worse, he turned himself into a hulking monster with the use of a serum he created after he escaped back to his lab.

But, when Lincoln showed what he, Ed Cowart, Nico, Ets, Clyde, and I did in beating him down and then, all of us giving him quite the brutal beatdown, which ended with Lincoln, Nico, and I pinning him down with our tails and using our eleventh tail by turning the tip into Cell's stinger and finishing him off by stinging him in his chest and absorbing him until nothing was left but his orange jumpsuit pants and sending his spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Riley Robbins have a lot of catching up to do, now that she's back in town.

Maria: That's one mad scientist fucker gone for good, and that serum he made and drank was really crazy.

Lincoln: It turned him into a rampaging hulk, but the ones Nico, J.D., Ets, Ed Cowart, Clyde, and I drank were made by Becky Long, which she locked up in her safe, and we beat him at his own game.

Me: Plus, we saw what it did for us.

Varie: It sure did.

Camie: (Seductively) Plus, we're going to have a lot of fun with you tonight, big, tall, muscular, and handsome.

May: (Seductively) Same with you, our big, strong leader and warrior.

Lily the Mermaid: (Seductively) Along with you, our big, white-haired, handsome, muscular hunk.

Cattleya: (Seductively) Along with the big and strong leader of The Anti-Sindri Myr-Controlled Royal Defenders Resistance.

Katie Pidge Holt: (Seductively) Same with you, our big and strong cyborg hunk.

Syd Chang: (Seductively) Same with you, Clyde.

I had an atomic red blush on my face and my eyes turned into hearts, Nico had an atomic red blush on his face and his eyes turned into hearts, Lincoln had an atomic red blush on his face and hearts in his eyes, Ets had an atomic red blush on his face and hearts in his eyes, Ed Cowart had an atomic red blush on his face and hearts in his eyes, and Clyde had an atomic red blush on his face and hearts in his eyes.

Liam: (Snickers) Looks like Lincoln's already in for one wild night tonight.

Maria: (Snickers) Same with J.D., Nico, Ed Cowart, Ets, and Clyde.

Carmen: (Seductively) And I can also say the same to you, Liam, my big, strong, muscular husband.

Liam had an atomic red blush on his face and hearts in his eyes. Then, Carmen kissed him on the lips, and he returned it.

Liam: HOOOWEEEE!

* * *

After finally destroying Rowan Curran and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Riley Robbins saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Riley Robbins: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Riley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Riley Robbins: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really

strong, and really powerful man.

Riley Robbins: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Riley, what memories did you have with Lincoln?

Riley Robbins: I remembered this one time, Lincoln was helping me with a marine biology project, we were to create a diagram of the marine ecosystem of Lake Huron, and since Lincoln knew a lot about Lake Huron, that made things easier since I was new to Michigan and it was different from Barrow. But, then, I heard a loud shriek, and I knew who it was: Lola. She was going to try and blackmail her older brother into doing something when clearly he's busy helping me, so right as she kicked the door down and before she was about to barge in, I fired a blast of water at her and it made her make-up run, and she shrieked and ran back to her room. But, I knew she'd tattle-tail on me, so Lincoln and I ran down and we told Mr. and Mrs. Loud of what Lola tried to do to Lincoln, so they went upstairs and scolded her, and then, they grounded her with no dessert tonight, and she was really mad, but I was not scared in the slightest, because the vampires that attacked Barrow were much scarier than her.

We cheered.

Nico: Whoa, that was some bravery you displayed, Riley.

Lincoln: She'd known of Lola's vicious temper, but to her, Lola's vicious temper was nothing compared to the evil of the vampires that attacked Barrow, and she was more than ready for Lola.

Me: Awesome!

Alexa Oleson: And Lola's just lucky she didn't wind up on the receiving end of Riley's wrath, she was saving that for that Nosferatu, Zurial.

Lincoln: If Marlow does come back, Alexa, then, we'll end him and his coven once and for all, right at the very place where it all began: Barrow, Alaska.

Me: Yeah, they'll pay for what they've done.

We got a shower, and then, Lincoln, Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of thugs Trina Riffins and Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Trina Riffins and Amy go completely insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those two bitches.

Melona: Wow, so this is Gelato Beach, awesome.

Lincoln: I've been here many times before, Melona, and it's always awesome. Shall we?

Lincoln, Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma, and they hugged the girls in their abnormally massive and powerful muscular arms, and Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: Oh man, I definitely knew Karen, Emma, Malva, Echidna, Romelle, Mina, Melona, Nanael, and Irma had the hots for Lincoln.

Girl Jordan: Melona especially, and she's since cut her ties with The Swamp Witch.

Melona: (Seductively and rubs her right hand on Lincoln's massive right pec) Thanks to this big hunk who got rid of her for good.

Eli: Along with a few other uninvited guests.

Nicholette Torrington: Thanks to Damian Alaister going mad, the fucker. But, Melona, do we need to remind of what happens when you flirt with Lincoln, especially since he also drank Becky Long's Virility Serum that she made and hidden.

Melona: Oh, I know that, Nicholette, but don't think I haven't seen you all do the same with Linky.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Melona's waist, which took her by surprise and brought an atomic red blush to their face, and then, Melona wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face. Then, as Lincoln leaned down to Melona's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs. When Lincoln separated, Melona had an atomic red blush on her face.

Melona: (Stunned) Whoa.

Lincoln: Nicholette did warn you, didn't she?

Me: She sure did.

Nico: But, when they take the challenge to flirt with you, I guess we already know what happens: you turn the tables on them, Linc.

---

Later it was time for Nerissa's 3rd mission.

William: Anyone else want to go with Nerissa? Besides Sento and Ace Bunny?

Sailor Moon: Me and the Sailor Soldiers will go.

Me: Awesome Serena.

Xenia: Good idea.

Nico: Anyone else?

We got no response.

Lego Superman: I'll go guys.

Me: Awesome!

Nico: Cool!

Me: Okay then. Lets go.

I opened the portal and we were off.

EARTH - UNIVERSE 10, 31ST CENTURY

We arrived.

Me: Here we are.

Sailor Jupiter: Wow! This is amazing!

Sailor Cosmos: Yeah it sure is.

We arrived at the base.

Legion Superman: Hey guys! Welcome.

Me: Awesome to see you guys.

Nerissa: Guys, meet Sento Kiryu and Ace Bunny.

Sento Kiryu: Awesome to meet you guys. I'm the leader of the Build Riders.

Ace Bunny: And I'm the leader of the Loonatics in the 28th Century.

Phantom Girl: Awesome to meet you. Whoa are they the Sailor Soldiers?

Nico: Yep.

Sailor Moon: The very same.

They did their trademark poses.

Triplicate Girl: Awesome!

Me: And meet the Lego version of Superman.

Lego Superman: Hey guys. Nice to meet you all!

Legion Superman: Wow! How many versions of me are there?

Me: Lots.

Nico: Yeah.

Superman: Me and my Lego self are here as promised.

Nico: Yep.

Brainiac 5: You were with the group last time.

Me: Yep. That's true.

Twilight Sparkle: This is gonna be awesome too.

Laney: I have a feeling we're going after a really bad foe you guys know.

Dream Girl: Guys, is it okay if I use my powers to see what future missions are next for you?

Me: Go for it.

Nico: This is gonna be awesome too.

Legion Superman: By the way guys we felt this massive power.

Me: Wait you guys felt my power in the prime universe?

Brainiac 5: Yeah this power was so strong that it was unbelievable.

Dawnstar: It was amazing!

Chlorophyll Kid: It was amazing and we felt how strong it was.

Me: Wow! My power has evolved really tremendously yesterday. I didn't know it would be felt all the way from here.

Dream Girl used her powers and saw visions of the Donbrothers, Kamen Rider Agito, the Powerpuff Girls Z, and the heroes of Pokemon Colosseum and Gale of Darkness.

Dream Girl: Wow! I am seeing us meet the Donbrothers, the Agito team, an anime style version of the Powerpuff girls and the heroes of Pokemon Colosseum and Gale of Darkness.

Me: Wow! Those must be more missions either for the first half of the year or second half missions.

Nico: Yeah!

Twilight Sparkle: Lyra Heartstrings has been looking forward to the Donbrothers one.

Me: Yep.

Phantom Girl: That is awesome.

Nico: I wonder how similar those versions of the Powerpuff Girls will be to the ones we know and love.

Me: We'll find out later.

Saturn Girl: It will be awesome.

Me: I have a feeling we'll be battling their version of HIM. Oh god.

Laney: Yeah.

Me: Princess Cadance is gonna be looking forward to that one.

Me: Yeah.

Nico: See? HIM is one of the reasons why we're not using time travel to change the past.

Me: Big time. But Princess Cadance is going to love that version of the Powerpuffs.

Phantom Girl: I have that feeling too.

Me: The Rowdyruff Boys in that version must be absolute jerks.

Nico: Oh boy. Just like old times.

Ace Bunny: They and everyone else except for that version of HIM could be great recruits.

Me: Yeah I'm sure they would.

Nico: We have many of the Powerpuff Girls old enemies on both sides including a Universe 666 version of HIM.

Me: It's true. And to be honest, Fuzzy Lumpkins is one of the villains I've felt sorry for.

Phantom Girl: How come?

Me: He lived out in the forest in his cabin all by himself and he didn't have any friends and didn't like visitors.

Eli: It's true.

Phantom Girl: Poor guy. What enemies of the Powerpuff Girls did you banish to the Black Gates?

Me: Lets see. HIM and that's it. The rest are all either with us and in the Masters of Evil.

Lego Superman: So, you guys wanted me and my prime self here to be prepared for Imperiex?

Kal L: That's right. Last time, I didn't get the chance to end him since the original Brainiac… deleted him.

Nico: I think I know what that means.

Me: Yeah. Imperiex is back. Right?

Kal L: Bingo.

Me: Perfect opportunity to test out my new transformation on him.

Nico: Yep.

Sailor Moon: This is gonna be so cool.

Me: Yeah it sure will. But before we get to work what can you tell us about him?

Kal L: Well it's not good. You know he is from the 41st Century right.

Me: Yes.

Kal L: Well it's not good.

He told us all about him.

---

Imperiex is a powerful warlord from the 41st Century. He can fly, is stronger than Superman and is, for the most part, virtually indestructible. The only time that he is vulnerable to few, if any head-on attacks is when he uses a cannon mounted in his chest, which is also his most powerful weapon, but even using that weakness against him only succeeds in defeating him for a few minutes. In addition, he has extendable claws and he wields a pair of powerful swords that can fire out waves of energy. He is also exceptionally intelligent and cunning. Imperiex was originally an alien slave from the planet Apokolips raised in a gladiator lifestyle. In a flashback he was seen being whipped by Granny Goodness. Over time his body was modified by technology that was created by a scientist named Abel, that allowed a perfect union of organic tissue with cybernetics, until nothing remained of his original self.

In the 41st century, Imperiex has conquered most of the universe and wiped out nearly all resistance that stands in his way, with a clone of Superman named Kell-El among the forces left to oppose him. Unable to stop Imperiex and his army, Kell-El travels back to the 31st century to recruit the Legion of Superheroes to help stop Imperiex. Although Brainiac 5 comes up with a plan that appears to stop him by taking advantage of his weak point, Imperiex is able to take the device Kell-El used to travel through time to escape to the Legion's timeline. After escaping to the 31st century, Imperiex secretly frees the Fatal Five and the Legion of Super-Villains from prison, recruiting Validus. He hacks into Computo, downloading information about the Legion's arsenal at the time as well as acquiring some data that he offers to the Dominion. Outside of Validus, the Dominion, and his Destructo-Bots, Imperiex works with and recruits villains such as Mekt Ranzz, Ron-Karr, and Grimbor the Chainsman to aid him, although he was perplexed by those villains when they left him.

The cybernetic villain Terra-Man was targeting a younger Abel which Imperiex wouldn't allow. In the final fight with Terra Man, Superman X and Imperiex agreed to work together to destroy Terra Man.

Imperiex and his armies invade the Fortress of Solitude so he can steal "The Messenger" from the shrunken city of Kandor. Brainiac 5 was forced to tap into his ancestor's knowledge and used it to turn the sun yellow, allowing the Kandorians to fight back and cause Imperiex's army to, Imperiex intended Brainiac 5 to do that in order for him to succumb to the original Brainiac's influence and become an ideal member of his campaign.

When this plan succeeded, he did a transmission to the Legion of Super Heroes stating that Braniac 5 has joined up with him. During the transmission, Imperiex ultimately ends up being impaled by Brainiac 1.0 (in Brainiac 5's body) who thanked him for his part of bringing him back, but stated that he was no longer of any further use to him. He then kills Imperiex in a violent unseen way robbing Kell-El the chance of doing the job himself.

---

When he was done we gasped in shock and horror!

Me: So it was Imperiex that made Brainy become like his ancestor!

Nico: What a monster!

Sento: This time, there won't be any Brainiac to intervene.

Me: No there sure won't. The Original Brainiac will be only for us to destroy.

Laney: That's for sure.

Lana: Yeah!

Sailor Mars and Sailor Moon were then going at it again!

Sailor Mars: YOU NEED TO GET IT THROUGH THAT THICK MEATBALL BRAINED HEAD OF YOURS THAT YOU ARE A CRYBABY!

Sailor Moon: YOU SHUT UP REI!

They stuck their tongues out at each other.

BEEP!

Eli: Quiet you two!

Sailor Mars was laughing hysterically thanks to the tickle belt.

Me: At least the Tickle Belt works.

Phantom Girl: Do they always argue like that?

Me: You have no idea. They argue like a couple of two year olds.

Kal L: Considering that there's a chance that some of us might die at Imperiex's hands, they should savor that argument.

Me: No one is going to die. Besides Team Loud Phoenix Storm has one trait that makes us more powerful and unstoppable. Not only are we immortal and invincible but our teamwork has all managed to get us through the toughest of times.

Nico: Yep.

Eli: Besides we're not going to let him get away with this.

Chameleon Boy: Well, it's not like he's going to just fall out of the sky.

Me: Oh really?

I looked outside and saw a figure falling and it was IMPERIEX!

Me: Like him?

I fired a massive blast of energy and it hit him and exploded and sent him crashing into the ground!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

Phantom Girl: Wow nice shot.

Me: Thanks.

We went to face him.

Imperiex got up and he was badly mangled up.

Me: Welcome to the 31st Century Imperiex.

Imperiex: Superman. Kal L. I've come to kill you two. (smirks evilly) Is now a bad time?

Me: That line is severely overused. Besides now you have us to deal with too.

I fired a blast of energy and it hit him and exploded and blasted a hole in his armor.

Nico: Take that.

Me: That's just for starters.

Imperiex: Do you two have any last words before I snap your necks?

Kal L: Actually, I do have a couple. Something I learned from our new friends.

Imperiex: And that is?

Kal L: (smirks) Hick says what?

He formed a Kryptonite Crystal Sword and slashed him.

Me: And here is this!

I flared up my rainbow fair aura and the elements swirled around it and I went into my newest Transformation!

Me: (DIVINE COSMIC GODLY VOICE) Time to make you pay Imperiex.

I teleported and punched him in the stomach with devastating force and knocked the wind out of him and then I punched him in his stomach and kicked him in the face and then kicked him in the back of the head and he belched out a huge amount of blood!

Sento: Henshin!

He transformed!

Nico: YEAH!

Nico went Super Saiyan Infinity!

Laney: Time to die.

I fired waves of energy and smashed him all over.

Sento: (gets out Avalanche's Fullbottle) I've gone toe to toe with Evolt. You're nowhere near his level.

AVALANCHE! STONEDOZER! BEST MATCH!

He fired waves of rock and boulders and smashed him down.

I fired waves of fire and they hit Imperiex and blasted him all over.

Sailor Moon blasted him all over the place.

Imperiex punched Kal L, knocking him back.

Imperiex: There's no Brainiac to interrupt me this time. I'm going to kill you. Slowly and painfully. But not before you watch as I kill each and every last one of your friends. (smirks evilly) And then, I'm going to find that traitor Mekt. And tear him apart.

Lightning Lad: You're not laying a finger on him! (fires lightning blast)

Lincoln: That's for sure!

Lincoln fired waves of lightning and electrocuted Imperiex!

I fired a Kamehameha Blast and it hit him and exploded! BLASTING

A HUGE HOLE INTO HIS CHEST!

Ace Bunny: (throws Kal L the Guardian Strike Sword) You'll need something to deal the finishing blow with!

Kal L: What about you?

Ace Bunny: (smirks and gets out Zavok's Fullbottle) Don't worry. I've got my own.

ZAVOK! CAVALIER! BEST MATCH!

He got a powerful and awesome sword!

Then a howl was heard and out came a Mightyena!

Me: Wow a Mightyena!

Mightyena: (in a girls voice) I got this.

Nico: Erin Fay!? Cool!

She reverted back and was a girl with black hair and purple clothes and had a deadly purple bladed sword.

Erin Fay: Lets get him!

Kal L: You got it!

Erin Fay, KaL L, and Ace went at Imperex and stabbed him all the way through his black heart.

Kal L: It's over, Imperiex. Black Gate Energy is already charging through our swords. You're finished.

Imperiex: (laughs as he starts to fade away) But Brainiac isn't. I've seen how powerful he is first hand. And so have you. He's still out there waiting. And he can't be stopped.

Ace Bunny: But you have.

Me: And we'll be ready for him.

Imperiex: (continues laughing) Enjoy your victory. Because you won't feel so victorious when Brainiac comes knocking at your door.

Me: We'll see about that.

Imperiex continued laughing evilly even when he bursted into black fire. He was banished to the black gates forever!

Bouncing Boy: Well, he didn't have to be such a jerk about it.

Me: He always has been a jerk.

Laney: Yeah.

Kal L: Thanks for letting me borrow your sword, Ace. But you can have it back.

Ace got it back.

Ace Bunny: No problem Kal.

Me: But at least you've seen the last of Imperiex.

Nico: Yep.

Lego Superman: Good riddance.

Sailor Moon: Thank goodness.

Sento: What's your favorite memory of Nico?

Erin Fay: When Nico got me this powerful magical sword. It's called the Divine Sword of the Stars of the Gods. It has all the powers of the Gods themselves.

Nico: I found that sword on one of our treasure hunts.

Lola: That is amazing.

Nico and Erin hugged.

Nico: I've really missed you.

Erin Fay: Me too Nico. Me too.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and it was awesome.

May: WOW! So you guys destroyed Imperiex.

Lola: Yep.

May: Next time, Kairi Yano, Keiichiro, and Lupin should go with you.

Nico: Good idea.

---

Nicole, Jet Vac and Courage were walking down the street back to the estate. They had just finished an amazing grocery shopping excursion.

Nicole: Boy it's an amazing and gorgeous day.

Courage: Boy you said it Nicole.

Jet Vac: Hope you don't mind me and the others patrolling with you, Nicole.

Nicole: Not at all Jet Vac. It's an awesome day for it.

Courage: Oh yeah.

Nicole: (Sees something) Hey what are those kids doing?

They saw them poking at something.

Nicole: I sense something here.

She went over.

Nicole: Hey kids what are you doing?

Kid 1: Oh Hey Nicole. We bumped into thin air and it feels like a person.

Nicole: Does it really?

Voice: Hey Nicole!

Nicole: Huh? Lucy? I hear you but I can't see you.

Courage: Uh, Nicole, I think you should start taking deep breaths!

Lucy Heartfilia: Yes it's me! I'm invisible!

Nicole: Wait.

She turned on her infrared vision and saw LUCY HEARTFILIA AND SHE WAS COMPLETELY INVISIBLE BUT TOTALLY NAKED!

Nicole: (GASP) It is you Lucy! Oh my god you're naked! What happened!?

Lucy Heeartfilia: I took a potion and it made me invisible and it destroyed my clothes. I'm naked now.

Nicole: Oh boy. Kids why don't you go back to your parents now. I got this under control.

Kid 2: Okay. Thanks Nicole.

Kid 3: Have a good day.

Nicole: You too.

They left.

Nicole pulled out a blanket and put it on Lucy.

Nicole: Lets get you back to the estate before it wears off.

Lucy Heartfilia: Good idea.

Jet Vac: Wait is that really Lucy?

Nicole: Ugly story guys.

They went back to the estate and they got there in 10 minutes.

They got there and saw Lucy's head appear.

Nicole: Whoa perfect timing.

Courage: It is Lucy!

Nicole: She accidentally took an invisibility potion and it destroyed her clothes.

They took the elevator and went back into the estate.

Nicole: Lets get you back to your room and get you some clothes.

Lucy Heartfilia: Okay.

Varie: What happened to Lucy?

Guyhawk: Do I even want to know how this happened?

Nicole: She accidentally took an invisibility potion and it destroyed her clothes. If any of you peek at her I will KILL YOU!

G1 Brainstorm: Where did you even get an invisibility potion?

Nicole: I honestly have no idea.

Lucy Heartfilia: It was from one of my adventures in Fiore.

Nicole: Oh boy. Lets get you back to your room.

Nicole did so.

Nicole dropped the scroll off that had all the groceries and gave it to Lynn Sr.

She took Lucy to her room and Lucy got her clothes on.

Misty Tredwell: Nico, which teams have you made this time?

Nico: Hay Lin's team will include Kurano Kiriha, Evelyn Hatfield, Wally & Gus, Shimmer and Trup'Tika. Flora's team will include Yuki Yuna, Irina Verokkova, Coconut Cream, Sailor Glaren and Aurora Gettysburg.

Me: Oooh good choices!

Edyn: Our fellow friends of Arderial and Orothe are getting a chance too.

Qin: That is gonna be awesome. And Wally and Gus are gonna be honored too.

Lola: Yep.

Me: They are really funny.

Nico: They sure are.

The Previous group came.

Chemistro: Can me, Nergal, Motor Ed, Anti Wanda, Mammoth, Jet, Artie Ziff, Toyman, Dr. Polaris, and Riddler go with you guys?

MOE Sinestro: Me, Ayatoriko, Roller Ghost, Cajun Fox, Hercules Cyclops, Beagle Babes, Gourd, Vomiting Frog Prince, Yost Magneto, and Yzma will come as well.

Nico: Yes you all can come with us.

Qin: Yeah.

Me: We don't even know what our mission is though.

Clayface: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ludicolo and Shiftry next.

Qin: Cool!

Xenia: Good choices.

Me: This will be a good one.

King Kai: (Telepathically) Everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) I've got some bad news: Prince Vekar, The Armada, and The Warstar are back, and they want revenge on all of you.

We gasped.

Me: Not him again!

Lincoln: Oh man, I should've known they wouldn't stay dead for much longer.

Me: Yeah.

Nico: They really are a bunch of sore losers, they refuse to give up until they've gotten revenge on us.

Lincoln: But, now we got our opportunity to destroy Prince Vekar, The Armada, and the Warstar once and for all and make them all pay for their crimes in full, especially Prince Vekar since he's Vrak's brother.

Troy Burrows: You got that right, Lincoln. This time, our conflict with them ends here and now!

Nico: Yeah!

Me: YEAH!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Rudella, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Rudella of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Rudella, right, Eden?

Eden Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Reggie McDonald: While you and Nico destroy Fulexia and give him The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, it's time to destroy Prince Vekar, The Armada, and the Warstar once and for all.

Lincoln: We'll make that arrogant warlord pay for trying to conquer our planet, this time, The Armada and The Warstar die once and for all, and once we get through with them, you better be ready to die, Rudella, we're not going to let you get away with your desires for revenge.

Eden Han: You better be ready to suffer, Rudella, for you shall be consumed by the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Eli: I sense that Vekar is 400 klicks away. It's gonna be a while before they get here.

Me: But we'll be ready for them.

Nico: Yep.

Nergal: (to the Megaforce Rangers) You guys wanna eat some pizza while waiting?

Ayatoriko: Can't kick Vekar's ass on an empty stomach.

Troy: That's a wise idea.

Me: I agree. I'm hungry too.

Nico: Same here.

Nergal then got some pizza for all of us.

Nergal: WHO WANTS PIZZA!?

Billy and Billy's Dad started hooting and acting like monkeys.

SNAP!

Mandy snapped her fingers and they stopped.

Mandy: Down you monkeys!

Me: They sure love pizza.

Stormy Weather: There's plenty for all of us.

Me: Yep.

Camie: So who is Prince Vekar?

Me: You would not like this guy one bit.

I went over his history and it was brutal.

At some point before the invasion of Earth, his father, Mavro assigned Damaras as Vekar's 2nd in command alongside Vrak of his fleet. Not only that, to babysit him which Vekar grew angry of. He heard a private conversation between his father and Damaras, where Mavro called him foolish and silly, but Mavro obviously would never have said those things if he knew Vekar was listening. His abilities to prove his worth to his father was heavily hindered. At some point, Mavro had Vekar invade the planet Andresia.

After Malkor's death, Vekar has the Messenger go to Vrak's lair to inform Vrak that the Armada was approaching the planet and to confirm if the resisting forces, particularly the Rangers, have been defeated.

After the Messenger and Metal Alice were destroyed and Vrak went into hiding, the Armada attacked Earth with a full scale invasion. While Levira mulled over not having a device to track down Vrak, Prince Vekar brushed off his death and went straight to the invasion. He sent his first commander to Earth, alongside thousands of XBorgs, telling his crew that this is to avenge his brother's supposed death.

After his first commander, Headridge, was destroyed by the Rangers, he realized that Earth can fight back and immediately sent down another commander, Tentacus, who was also destroyed, holding back the full scale invasion.

On his second attempt, Vekar had missiles positioned to target all major cities of the world at once. However, he had the misfortune of having the missiles set to launch after two full hours, a fact he immediately regretted when he realized that it was more than enough time for the Rangers to defeat Cybax, his commander in charge of the operation. When Cybax was defeated, the Rangers used the Legendary Megazord to destroy all Armada ships except the Mothership which somehow got away from the attack. It is heavily implied Vekar called for reinforcements after that, but didn't get as many ships as he used to have.

Skatana volunteers to conquer Earth for the Armada. Vekar allows him to conquer Earth. When he ran off, Vekar scolded Skatana for retreating and told him to go back to the battle field. The plan failed when Skatana got destroyed.

Prince Vekar finds out that Damaras is acting behind the back with his own plan which is to capture the Wild Force Red Lion Wildzord. Vekar scolded him that the Armada's mission is to rule the entire universe and that they can't be sidetracked from their plan by "searching for one puny lion". Then he had Argus alert the troops that there had been a change of plans. As a result of changing the plan to attacking random civilians, the attempt to conquer Earth failed.

Sometime later, Argus, some XBorgs, and a member of the Elite Guard tag along with Vekar so he can introduce himself to the world, but the rangers arrive, only to anger him. After being hit by Noah's Mega Blaster, he is teleported back to the ship, thanks to Levira's interference. Vekar then told Matacore to attack the Rangers again, only for him to be destroyed.

With all of his efforts thwarted, Vekar allows a volunteer to try and take on the Rangers but he did not succeed.

Some time after, Vekar added Gorgax to a platoon of XBorgs and sent them down in another assault on Earth. although the XBorgs were destroyed, Gorgax was able to escape, though was later criticised by Vekar for his cowardice. Vekar then had Levira "upgrade" his collar by attaching a bomb to it, and sent him down to fight the rangers again. This plan also failed due to the appearance of the Silver Ranger.

Prince Vekar had since fallen into deep depression due to the fact that none of his plans were able to beat the rangers. Damaras noted that they may be better without him.

Moments later, Vekar regained his will to conquer Earth when he escaped his deep depression. He dubbed himself a genius when he recruited Skeltox to conquer Earth. This plan, however, failed. He said that he can't take much more of the defeats.

When an intense storm broke out, Vekar had Damaras deploy Sirjinkor to place the Powermid Vrak has been working on in Mount Edonova. Sirjinkor took the tip of the Powermid with him while it gathers energy from the storm. When that was complete, Sirjinkor placed the tip back into the Powermid and absorbed all the powers in it. With that done, Vekar had Sirjinkor summon a planetary meteor to Earth. This plan was thwarted once more by the Megaforce Rangers.

While waiting for his tea from Invidious, his new butler, Vekar complained about how he kept on failing and told Levira to hatch a new plan to conquer Earth. However, Levira having drank a love potion wanted to be with Jake. Vekar found this disgusting. Luckily for him, the love potion wore out on her.

At some point later, Vekar catches an earthly cold. Levira says the only way he can be cured is by human happiness. She has Desolar gather human happiness in Earth as a means for a cure. Though the attempt failed, enough happiness was gathered for a cure.

Vekar decides to send two monsters in one day. One whose role is to replace all the worlds leaders with Xborgs. When the plan failed, he sent down another monster, only for it to fail.

When an interdimensional portal opens, Professor Cog jumps out of it. As egotistical as ever, Vekar didn't want Cog to rule Earth. As a means to get Cog out of the way, he gathered up a team to fight him. Knowing that they are outmatched, Vekar retreated.

Later, Emperor Mavro sends an Imperial Ship to the Armada Mothership to drop down the Armada Megazord. The royal guards presented it to Vekar as a gift from his father. He was indeed pleased and started fantasizing about his future. He stated that news about his supposed future victory will spread across the galaxy and that his father will finally see his worth.

To that end, Vekar decides to use his Megazord against the Rangers. Despite Damaras advising to reconsider his plan, Vekar snaps back at him, having grown sick of his minions doubting his abilities. He went as far as stating that his brother Vrak always hogged the glory and that today it will be his.

As he entered his Megazord, Vekar had a flashback about eavesdropping on his father about Damaras being placed as his 2nd in command, and of how his father thought of him as an empty headed blunderer, unlike Vrak. After the flashback, Argus entered the scene, and Vekar states that he is the only one he can truly rely on. Vekar asked if he is willing to join the battle, he agreed to join. Then they led an assault into the city. Having the element of surprise, Vekar used his Megazord against the Rangers, easily beating them.

Vekar partied over his accomplishment in the Armada Mothership, believing that the Rangers were destroyed and that he now has his father's favor. However, when he heard of Argus's defeat by Blue Ranger, he immediately went to his Megazord. Damaras tried to stop him to no avail. Though Vekar had the upper hand like last time, the tables turned when the Rangers gained a new combination. With the Ultimate Legendary Megazord, the Rangers destroyed Vekar's Megazord. His Megazord's explosion consumed him, resulting in his death.

Aftermath and Legacy

By nighttime, Damaras scoured the Megazord's wreckage and found Vekar's corpse. He blamed himself for the death and swore revenge on the Rangers.

At the same time, near the site, Vrak was expressing his gratefulness about Vekar's death as he starts his master plan and thanks the Rangers for having destroyed his useless brother, allowing him to become the only heir of Mavro's empire.

Vekar's father Mavro came to the Armada, and destroyed the fleet and replaced it with his own. He greatly mourned both his sons deaths and threw Damares in prison for failing to protect his son.

When I was done everyone that hadn't heard about it was shocked and horrified!

Nico: Yep.

Roller Ghoster: How dangerous is he?

Jake: (laughs) You really wanna know?

Motor Ed: Of course we do, dude! Seriously!

Jake: He's basically similar to Prince John.

Me: I remember that. He is a crybaby like Prince John.

Qin: That was crazy.

Me: But that was still epic that all the great ranger teams from over the course of 20 years teamed up.

Nico: Yep.

Me: But now we have 45+ Years of Power Rangers for him to face.

Ren Krawler: He's not worth using the Black Gates on.

Linehalt: Even if he DOES get destroyed today, we'll just revive him and put him in the MOE Prison.

Me: Yeah but he is a very dangerous foe.

Xenia: Yeah at least he isn't like Prince Olympius.

Nico: Thank goodness.

Qin: Yeah.

Cajun Fox: How about we have some of my cajun cooking while waiting some more?

Anti Wanda: I'd like some!

Me: Good idea.

Nico: I agree.

He cooked us spicy cajun food too.

Me: (EATING SPICY CAJUN GUMBO AND DUMPLINGS) HMM! Delicious.

Luxord: (to the Mighty Morphin Rangers) To think that you guys were the ones who started the entire Power Rangers legacy.

Jason Lee Scott: I know. That was awesome.

Me: That's just over in America back in 1993.

Daita: And we are the ones that started it in Japan back in 1975.

Xenia: That is a fact.

Lola: Yep.

Nico: But now Vekar has no idea that we have over 45+ Years of rangers with us.

Hercules Cyclops: (hears a knock) Who's at the door?

Mammoth: Think it's Vekar or one of his goons?

Me: Lets find out. (Imitating Mr. Krabs) (Singsong) COME IN!

The door opened and in came a Linoone.

Me: Hey a Linoone!

Eli: Cute little one.

Linoone: (In a girls Voice) I know it's awesome.

Nico: (GASP) Callie Briggs Lexxington!? Wow!

She reverted back and she was actually a girl with pink hair and brown cat ears and a cat tail and pink eyes and pink clothes.

Callie Briggs Lexxington: Awesome to see you again Nico.

Nico: You too.

Me: Are you from Megakat City?

Callie Briggs Lexxington: I sure am. But I'm actually half cat.

Me: Oh.

Jet: Would you like to help us out?

Beagle Babe Leader: We could use all the help we can get.

Callie Briggs Lexxington: I would be honored.

Xenia: Awesome.

Me: Yep.

Eli: (Concentrates) 150 klicks and closing.

Nico: It's a while yet. But at least we know they are coming.

Slugsfest: What's your favorite memory of Nico?

Callie Briggs Lexxington: Oh my favorite is when me and Nico had a sushi eating contest and I won.

Yugito Nii: You like sushi as much as I do. That is awesome.

Lola: It sure is.

Nico and Callie hugged.

Nico: I really missed you.

Callie Briggs Lexxington: Me too Nico. Me too.

Dr. Ghastly: (to Spongebob) Is that similar to when you and Patrick used that invisible spray?

SpongeBob: It sure was. Except me and Patrick sprayed each other.

Nico: Yeah.

Me: That was cool that Invisible Spray works.

Eli: It sure is.

Me: At least the kids didn't think that Lucy was a ghost.

Nico: Yeah.

Toyman: And they weren't perverts.

Vomiting Frog Prince: They left when Nicole told them to. (VOMITS)

Me: Clean up on Aisle 12!

Nico: (LAUGHS)

Me: But yeah those kids listened well.

Nicole: They sure did. Lucy was really ticklish though.

Lucy Heartfilia: Sorry about that guys. But it was funny though.

Nico: Yeah.

Xion: Well, by now, Vekar and his forces are probably close. We might as well go and give them a warm welcome.

Me: And by Warm you mean give him the asskicking and buttwhooping of an eternity.

Xenia: That is for sure.

Qin: Lets do it.

Nico: Right: Lets do it!

Eli: Lets go.

We were off to the Park. That's where he was going to show up.

Dr. Polaris: You gotta be kidding me. Vekar's forces only include X Borgs and Loogies that still follow him!

Yost Magneto: The X Borgs I can deal with easily.

Me: I have a feeling there will be more.

Qin: Same here.

Lola: Yeah.

We arrived and saw VEKAR!

Me: Target sighted.

Ransik: Entrance time!

We went at him.

Vekar was looking around and then the spirits of all the ranger teams from over the course of 45+ Years appeared!

They swirled around him and converged and then…

Me: You brought all that on yourself.

Vekar: You all may have stopped me before. But this time, victory will be mine. Mine!

Yzma: Don't count on it.

Riddler: Riddle me this: How many Ranger teams do you think there are right now?

Shiv: That's counting the fact that the Patrangers and Lupinrangers are seperate teams.

Beautful Gorgeous: It'll be 46 when the Donbrothers meet us.

Ragdoll: (to Nico) We heard you went to Los Angeles.

Nico: We sure did.

Eccentro: How was it?

Nico: Awesome and we showed the volcano Mount Wilshire and also battled the Jolly Olly Man.

Me: We sure did.

?: Boy that is awesome.

A figure came out and it was SOAP SHADOW from episode 21 of ToQgers!

---

A Shadow who has the ability to spew the Change Soap (チェンジ系シャボン Chenji-kei Shabon) bubbles which switch his targets' minds and bodies, using it on Miss Glitta's wish to exchange bodies with Mio to avoid her wedding to Emperor Z. However, having also used his powers on Right, Tokatti, and Hikari, little did Miss Glitta know that Soap Shadow's Change Soap has a deadly side effect where those under his spell would eventually be killed. Luckily, everyone is restored back to their normal bodies after Soap Shadow is destroyed by the three body-swapped main ToQgers and ToQ 6gou. Enlarged, using his Bubble Bombs (泡系爆弾 Awa-kei Bakudan), Sabão Shadow is destroyed for good by Diesel-Oh Police Fire and BuildDai-Oh.

Right: Soap Shadow!

Soap Shadow: Been a while rangers.

Me: I remember you! You used your awesome change soap on Right Tokatti and Hikari and man that was confusing! I told myself I had to stop drinking steak sauce after seeing that one.

We laughed.

Nico: That was funny.

William: So, you really switched the ToQgers bodies?

Soap Shadow: Yep. Let me demonstrate.

Soap Shadow then switched May and Maria's bodies.

Soap Shadow: What do you girls think? Don't worry. After the first 10 battles are done, I'll switch you back

May: (In Maria's Body) WOW! May you're in my body!

Maria: (In May's Body) And you're in my body May!

Me: That is awesome! And it's déjà-vu all over again!

Qin: YEAH!

Nico: This is awesome.

We got the battles underway.

Nicole Goodall: The guy had 57 jobs and he was fired from all of them. All because of his father!

Valeria Cenozoica: J.D. says that the Jolly Olly Man and his father both have an incredibly toxic relationship. His father hates his guts.

Lola Gia: Yeah normally J.D. would care about something like that but not this time.

Laney: No kidding and I don't blame J.D. for hating him.

Pinkie Pie: Boy she sure is and her story is just as amazing.

Maud Pie: (monotonously) We all were amazed too.

---

Nico: Yep. So, Riley, what memories did you have with Lincoln?

Riley Robbins: I remembered this one time, Lincoln was helping me with a marine biology project, we were to create a diagram of the marine ecosystem of Lake Huron, and since Lincoln knew a lot about Lake Huron, that made things easier since I was new to Michigan and it was different from Barrow. But, then, I heard a loud shriek, and I knew who it was: Lola. She was going to try and blackmail her older brother into doing something when clearly he's busy helping me, so right as she kicked the door down and before she was about to barge in, I fired a blast of water at her and it made her make-up run, and she shrieked and ran back to her room. But, I knew she'd tattle-tail on me, so Lincoln and I ran down and we told Mr. and Mrs. Loud of what Lola tried to do to Lincoln, so they went upstairs and scolded her, and then, they grounded her with no dessert tonight, and she was really mad, but I was not scared in the slightest, because the vampires that attacked Barrow were much scarier than her.

We cheered.

Nico: Whoa, that was some bravery you displayed, Riley.

Lincoln: She'd known of Lola's vicious temper, but to her, Lola's vicious temper was nothing compared to the evil of the vampires that attacked Barrow, and she was more than ready for Lola.

Me: Awesome!

Alexa Oleson: And Lola's just lucky she didn't wind up on the receiving end of Riley's wrath, she was saving that for that Nosferatu, Zurial.

Lincoln: If Marlow does come back, Alexa, then, we'll end him and his coven once and for all, right at the very place where it all began: Barrow, Alaska.

Me: Yeah, they'll pay for what they've done.

Anna Antedeluvian, Ingrid Third and Miyuki Murakami VS Universe 666 Mizuki

* * *

Anna Antedeluvian was facing Universe 666 Mizuki.

Universe 666 Mizuki: This is good that I'm getting the Antedeluvian Gene-slammer as my archenemy.

Anna Antedeluvian: (Transylvanian Accent) You sure are and it's going to be fun.

Miyuki Murakami: I'm really looking forward to this.

Universe 666 Mizuki gasped.

Universe 666 Mizuki: Wait a second! I've heard about you! You are Miyuki Murakami, The Harbinger of Death! Your achievements have been widely known all over the 5 Great Nations for years even before the time of the 4th Hokage.

Miyuki Murakami: Thats right.

She went over her history.

* * *

Miyuki Murakami (村神ミユキ, Murakami Miyuki) was a Jōnin level kunoichi from Kagegakure's famed Murakami clan. She died with the rest of her clan in what would later become known as the Murakami Clan Massacre. Among her enemies, Miyuki was known as The Harbinger of Death (死の前兆, Shi no Zenchō) due to the terror her reputation inspired on the battlefield.

Miyuki was born into the Murakami clan as the only daughter of Hanabi and Gofuku and was praised by all as the best of her generation; a genius above all others. Even by the standards of the

Murakami clan, Miyuki's prowess far outshone their own.

In her early years, Miyuki was the subject of great envy from her Academy classmates, who were jealous of her because of her great ninja skills and the fact that she was younger than all of them. Miyuki became a shy individual, and it only was years later that she made up with her classmates and became an outgoing person.

At age 6, she graduated from the Academy at the top of her class, mastered the Ketsugan at age 8, passed the Chūnin Exams at age 9, and became a Jōnin at age 14.

Sometime after graduating from the academy, Miyuki's father decided to teach her the clan's signature genjutsu. Miyuki first displayed her natural aptitude for genjutsu on that occasion, when she learned the high-ranked technique in less than one day. This left Gofuku and the rest of the clan in shock and amazement.

She was praised highly by Gofuku, who saw the family's future in her, inadvertently neglecting his son, Daisuke. However, during this time Miyuki showed great affection towards her little brother, spending many afternoons playing with him as well as helping him with his training. In the anime, it was revealed that Miyuki had made a game out of collecting raven feathers with Daisuke, and they had contests to see who could collect the most, though she always won.

Soon after becoming a Jōnin, Miyuki asked Hizari to accept her as his apprentice. The Kurakage initially refused, but reconsidered his decision after witnessing Miyuki's prodigious talents firsthand. This had occurred when he asked Miyuki to fight 20 of the village's ANBU, as a test. Miyuki had been on one side of the training field, Hizari on the other, while the ANBU were in between them. Miyuki had instantly vanished, and in a few seconds, had reappeared on Hizari's side of the field. Moments later, all 20 of the ANBU collapsed, having been rendered unconscious by Miyuki. Hizari decided that she would be a worthy student after all, and trained Miyuki in his spare time.

During one of her missions, Miyuki encountered one of the Seven Ninja Swordsmen of the Mist and infamous missing-nin, Zabuza Momochi. Zabuza, greedy for the fame that would inevitably come with defeating her, attacked Miyuki. Miyuki, however, easily beat him with only kenjutsu. After complimenting him for his swordsmanship, Miyuki began to walk away from the injured Zabuza. This astounded him, as he thought that Miyuki would have killed him then and there. When Zabuza asked Miyuki why she had spared his life, she responded that she had no orders to kill him. That display of mercy by Miyuki, coupled with her prowess as a swordswoman, left Zabuza with great respect and admiration for her, which he held up until his death.

Miyuki's second skirmish with one of the Seven Ninja Swordsmen of the Mist took place when she was sent on a mission to gather information about the Akatsuki. During the course of the mission, Kisame Hoshigaki approached her, and told her that Akatsuki knew of her infiltration mission. He then attempted to cleave her in two with his Samehada, but Miyuki deflected the attack with her Tenshiken. Miyuki tried to use the Ken'nan to finish Kisame, but to her shock, Samehada absorbed the sword's Chi Chakra. Miyuki and Kisame exchanged various ninjutsu, and Kisame soon summoned a large number of sharks, to which Miyuki responded by summoning a flock of ravens. Miyuki proceeded to initiate the Wind Release: Heaven's Vengeance. Kisame said he would not give her the chance to use the technique. It was soon revealed to be a ploy by Miyuki, who used her ravens to incapacitate Kisame. Kisame grudgingly acknowledged her as the more powerful of the two before disappearing with the Body Flicker Technique.

It was often said that wherever Miyuki made an appearance, rain was sure to follow. These stories were often corroborated by occurrences of light showers in places which she visited. For this reason, and because of her ability with the Water Release, Miyuki was often called "The Rain from a Cloudless Sky" (天泣, Tenkyū).

Sometime before Haganegakure invaded Kage, Daisuke accompanied Miyuki on one of her missions to capture a giant raven, which was causing havoc for the residents of a small town. Miyuki paralyzed the raven, creating an opportunity for Daisuke to use his Wind Release: Air Cutter Technique. After completing the mission, Miyuki took Daisuke to a dango shop, and they spent the rest of the day together.

At some point, Miyuki encountered Yashagorō. The latter expressed his intentions to destroy Kagegakure and attempted to kill Miyuki in an attempt to gain the Ketsugan, however Miyuki trapped him in a genjutsu and severely injured him.

During Hagane's Invasion of Kage, Miyuki was left alone to take care of Daisuke, and promised to protect him with her life. She later fought against Hagane's forces in the Kagegakure-Haganegakure War. Her abilities struck fear into all of the enemy ninja, and flee-on-sight orders were given to them should they encounter her on the battlefield. Miyuki gained reputation as a legendary ninja in the Battle of Chimatsuri Pass, when she annihilated an entire battle division of Hagane using the Tendō. That fame, however, came with a steep price. Upon her return to Kage after the battle, Miyuki approached her friends, and to her shock, they shunned her. They told her that they did not want to be friends with a shinobi who could kill thousands of people with a single technique. Miyuki tried to convince them that she was a nice person and that she would never hurt them, but to no avail. Miyuki's friends abandoned her, which hurt her so deeply that she began to cry. Shortly afterwards, Miyuki decided to look for her lover, Azusa, and eventually found him in one of Kage's parks. When she approached him in tears, Azusa told her that he didn't want her to be a part of his life any longer, as he was terrified of her. Following those two events, Miyuki became very distraught, and remained so until her death.

When the Murakami began conspiring to overthrow the Kurakage, Miyuki was chosen as one of the negotiators to attempt to reach an agreement with the Kage Council. Knowing a coup d'état would lead to much bloodshed on both sides, Miyuki took the side of the Kage Council. Due to her stance, her father lost hope in her, and bgan turning his attention to Daisuke instead. However, a peaceful agreement to the conflict could not be reached, so the Kage Council arranged to send the Murakami Clan to their deaths in the Kagegakure-Haganegakure War, unbeknownst to the Murakami.

On the night of the clan's massacre, Miyuki fought against Haganegakure with the rest of her clan, and slew well over a thousand ninja from Hagane's First Company with relative ease. When Hagane brought in two battalions to crush the Murakami, she fought valiantly against them, killing one fifth of the enemy alongside her fellow clansmen. However, she was eventually worn down by the enemy ninja by the time Hitsuchi, Hagane's head ninja, arrived on the battlefield. Hitsuchi was an incredibly powerful shinobi who possessed a transplanted Ketsugan. Hitsuchi engaged Miyuki's parents, Gofuku and Hanabi, and they, although powerful shinobi themselves, proved to be almost no match for Hitsuchi. After activating his Rankyō, Hitsuchi killed the two Murakami. Miyuki showed true rage for the first time in her life, and fought with Hitsuchi, though she was exhausted and was subsequently killed, along with the rest of the Murakami clan in what would later become known as the Murakami Clan Massacre. However, Miyuki was only defeated by Hitsuchi because she was very exhausted, having fought for several days on end without respite, and she had less than one quarter of her strength by the time she faced him. In addition, because she had overused her Saishū Ketsugan, her mental state had deteriorated to the point where she was in a blind rage.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Rudella.

A figure came out, and it was none other than Rudella, the sixth of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Rudella, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Rudella: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Eden Han: The only one who deserves to be destroyed is you.

Suddenly, Eden Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Sinister Necrom-themed greatsword from her back, and as she approached Rudella, she left black energy, darkness, dark magic, fiends, phoenixes, and dark angels with every step.

Eden Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Rudella: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Eden Han was surrounded by a massive vortex of black energy with darkness and dark magic surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Sinister Necrom flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Rudella: the red eyes of death. Then, as the vortex faded, Eden Han emerged, but she was changed forever.

Eden Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Eden Han's Super Angel-Evil HERO Sinister Necrom-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Rudella saw it, she fell into an infernal rage and she got out her blaster to fire at her, but Eden Han fired a powerful black energy blast with darkness, dark magic, fiends, phoenixes, and dark angels at Rudella, which hit her and pushed her back and she also got burned, but this really pissed her off now.

Fira Han: Whoa, Eden's transformed, incredible!

Reggie McDonald: That's really incredible, and she really burned Rudella badly.

Nico: And she's really got her pissed off now big time.

Eden Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Undead Evil HERO Sinister Necrom Angel and Divine Demonic Darkness Infernal Undead Darkness Phoenix Love) And now, the darkness of The Netherworld is coming for you, Rudella.

Nico: Let's get him, Eden, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Eden Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Eden Han and Nico went after Rudella who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Rudella and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Rudella, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Rudella took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Rudella began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Rudella's transformed into her King Ghidorah Hybrid Monster form.

Rudella fired a Gravity Lightning blast at Eden Han and Nico, who dodged it.

Lincoln: Eden, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Rudella from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Rudella and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Rudella into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Eden, let's end this asshole for good.

Eden Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Undead Evil HERO Sinister Necrom Angel and Divine Demonic Darkness Infernal Undead Darkness Phoenix Love) You got it, Nico.

Eden Han and Nico sent Rudella flying into the air, and then, they prepared their combo to put an end to Fulexia.

Eden Han and Nico: DARK INFERNAL EVIL HERO SINISTER NECROM PHOENIX DEMONIC UNDEAD DARKNESS KAMEHAMEHA!

Eden Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, and phoenixes which hit Rudella, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Eden Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Eden Han and Nico holster their massive greatswords on their backs and powered down, and Eden Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Eden Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-seven members to go. Thanks for helping me destroy Rudella once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Eden.

Suddenly, Eden Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Eden Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Sinister Necrom flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Eden Han absorbed the darkness and they came back to us as the display and Evil HERO Sinister Necrom vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Eden.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Gundinna, which means you're up next, Gina.

Gina Han: Yeah, we'll make Gundinna pay.

Nico: We sure will. Say, Lincoln, which Neo-Spacian Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, I know, how about a Fusion Gene-Slammer for Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss, along with a Gene-Slammer for Neo-Spacian Grand Mole, and a Gene-Slammer for Neo-Spacian Air Hummingbird.

Alexa Oleson: Awesome, there's only one person I know who would be Gene-Slammed into Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss: Emily Riis, the niece of Ally Riis and John Riis, the next two victims of the vampires after they killed Gus and cut off the power at the Cell Tower.

Sophia Kitka: And there's only one person I know who would be Gene-Slammed into Neo-Spacian Grand Mole: Ellie Davies, the niece of Carter Davies, who survived when the vampires attacked, but he got scratched by one of the vampires and turned, but he held onto his humanity, but he couldn't live forever and Eben had to end his life, so he can be with his family, who got hit by a drunk driver.

Riley Robbins: And there's only one person I know who would be Gene-Slammed into Neo-Spacian Air Hummingbird: Hazel Ikos, the granddaughter of Lucy Ikos, who's one of the survivors of the vampire attack on Barrow, Alaska, but she's never forgotten what'd happened during the month-long darkness from the attacks by the vampires to the deaths of her dear friends.

Nico: Yep. But still great job today everyone!

Eli: This was so awesome!

Laney: Yeah!

Troy Burrows: (to the viewers) This was a great adventure! Hope you all loved this one.

Me: I know we did.

We later went back home and then enjoyed the rest of the day and went to sleep.

And we're going to meet the last three of the Neo-Spacian Gene-Slammers, the first one is a Fusion Gene-Slammer for Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss named Emily Riis, she's Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition and she's known as The Holy Light Vampire Slayer. Emily Riis also has powers of light, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a phoenix pendant, and to show thanks, she kissed Lincoln on the lips. She's also the niece of Ally Riis and John Riis, and though she hates Lisa with a burning passion, she despises the vampires even more because her aunt and uncle became the next two victims of the vampires after they killed Gus and cut off the power at the Cell Tower.

The second Neo-Space Gene-Slammer is a Gene-Slammer for Neo-Spacian Grand Mole named Ellie Davies, she's Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition, and she's known as The Grand Earth Vampire Slayer. Ellie Davies also has powers of earth, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a mole pendant, and to show thanks, she kissed Lincoln on the lips. She's also the niece of Carter Davies, and though she hates Luan with a burning passion, she despises the vampires, because her uncle who survived for that long got scratched by one of the vampires at the General Store in Barrow and he turned after reaching the Police Station, but he managed to hold onto his humanity, but he couldn't live forever and he asked Eben to end his life, so that he can be with his family, who got hit by a drunk driver.

And the final Neo-Spacian Gene-Slammer is a Gene-Slammer for Neo-Spacian Air Hummingbird named Hazel Ikos, Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition, and she's known as The Sky Wind Vampire Slayer. Hazel Ikos also has powers of wind, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a hummingbird pendant, and to show thanks, she kissed Lincoln on the lips. She's also the granddaughter of Lucy Ikos, and although she hates Lori with a burning passion, she hates the vampires even more, because although they hadn't murdered her grandmother who had survived the vampire attack on Barrow, Alaska, she'd never forgotten what'd happened during the month-long darkness: from the attacks by the vampires to the deaths of her dear friends that she'd known all her life.

Tomorrow is Valentines day and it's love all over the team.

See you next time.

Lola: You said it! It's so awesome.

Sunny Starscout: Boy this is amazing! Look at all the sweets and candy.

Izzy Moonbow: (EATING CHOCOLATE) MMM! Boy this is delicious!

Kaina Tsutsumi: Boy this is so cool! It's amazing you guys were here before.

Zuria: It sure is.

Nico: Yep. It was awesome coming here.

Camie: Boy this is amazing.

Me: We loved it.

Zarya: We sure did.

Nico: Zarya, I want to thank you, Knightbrace, and your teams for coming.

Zarya: No problem Nico. It's gonna be so awesome helping you guys this time even though I'm always with you all.

Lala: It sure will be fun.

Nico: Lala, what do you like to do in your free time?

Lala: I like dancing and it's awesome and fun.

Me: That's cool.

Nico: Yeah it sure is.

Me: Yeah.

Lala: Yeah it brings out the graceful person in me.

Lola: That is awesome and cool.

Nico: Most of us, if not all, like to dance too.

Lala: That is true.

Me: Yeah. That is still cool though.

Varie: It sure is.

Camie: Yep.

Nico: Yesterday was Legendary Battle 2.0!

Me: You got that right! That was so epic!

Nico: You bet it was!

Me: Except this time we had all the ranger teams from over the course of 45+ Years with us.

Nico: Boy that was so awesome!

Eli: Yeah it was!

Sougo: That was so awesome that we did all that.

Me: It sure was. And the best part is that Caitlyn and Anna got their first taste of their usual battles too.

Lincoln: That was awesome.

Me: Yeah. May how did it feel being in Maria's body and vice-versa?

May: It was awesome at first.

Maria: Boy it sure was. To be honest it was cool.

Nico: As promised, Vekar got revived by us and put in the M.O.E. prison.

Me: Yeah he sure did. Prince John now has a thumbsucking crybaby cellmate.

We laughed.

Qin: (LAUGHS) That is funny!

Me: Yeah that is funny. But it was so awesome living one of the rangers awesome battles again.

Nico: The most awesome ever.

Varie: Yeah!

Wendy Sapphira: That was so awesome and great.

Lana: I'll say!

Nico: An even number of teams participated in the battle yesterday.

Me: They sure did.

Qin: That sure was cool.

Lola: Yep.

Nico: J.D. how did you meet Miyuki Murakami. Just curious.

Me: I'm glad you asked. In 150,000 years shortly after we formed the Knights of The New Fire, the Hokage gave us a huge mission in the Hidden Shadow Village.

FLASHBACK - 150,000 Years Hence

Me: (Voiceover) We were sent to the Hidden Shadow Village to help deal with some bandits that were terrorizing the place.

Rin Nohara: Boy I haven't been to the Hidden Shadow Village in a long time.

Me: It sure has been a while.

Naruto: I can tell. So what's the reason why we are here bro?

Me: Well not only are we here to destroy a clan of bandits here but also I have a secret surprise of my own.

Sakura: I have a feeling this will be good.

Me: With the world in danger we need all the help we can get.

We walked on.

Me: (Voiceover) I'll fast forward to the nitty-gritty.

The flashback fast forwarded to when we were at a graveyard.

Me: (Voiceover) Here we are.

We were at a graveyard.

Naruto: A graveyard?

Me: Yep.

We were in front of the grave of the famous and legendary kunoichi Miyuki Murakami.

Sakura: Miyuki Murakami? I've heard a lot about her. She was widely known throughout the 5 Great Nations as the Harbinger of Death and she had garnered an amazing and powerful reputation for her incredible swordsmanship and was known for destroying a huge number of enemies.

Me: That's right and I promised to resurrect her. You'll see right now.

I went over to the coffin and I chanted a powerful incantation and then a beam of light shined down and then the divine singing of angels was heard and out of the light came Miyuki Murakami!

Miyuki Murakami: Hello J.D. Awesome to see you again.

Me: You too Miyuki.

Miyuki Murakami: I see you formed your own team.

Me: Yep. We are called the Knights of The New Fire.

Naruto: That's right.

Everyone introduced themselves.

Miyuki Murakami: It's an honor to meet you all.

We had a nice chat and more.

Me: (Voiceover) After that mission we had Miyuki put into our ranks and she has been an amazing addition to the team ever since. After the worlds merged thanks to the Dragonballs, she has been a huge help for us.

FLASHBACK ENDS

Nico: Boy that explains it. That is so cool.

Lucy Loud: It sure is.

Ingrid Third: I think it's awesome too. Now she is on the same group we have where we face Universe 666 Mizuki.

Lola: That is awesome.

May: That is so awesome.

Maria: I'm giving the Masters of Evil Cannon a rest for today.

Nico: Okay.

Camie: J.D. how did you find this place?

Me: Well it was 3 days after the battle with Thanos.

I went over what happened in the events of chapter 930.

In the estate, we were watching TV and playing card games.

The doorbell rang.

Lynn Sr.: I'll get it.

Me: Okay.

Lynn Sr. got the door and he got a box and opened it and in it was a bunch of bags full of M&M's candy.

Lynn Sr: Odd. We didn't order a package full of M&Ms.

Poromon: Oh that's for us.

Poliwag: We have a special project for them.

Lincoln: What are the M&M's for guys?

Poromon: Me, Poliwag, Manaphy and Horsea are going to attempt to break a world record.

Manaphy: We're going to construct the largest pyramid made entirely out of M&M's.

We gasped.

Melman: You four are going to make a pyramid made of M&Ms?! Are you crazy?!

Huffer: Do you guys know how hard it is to make an M&M pyramid?

Me: Yeah, that record has never before been attempted. That's why it's very hard.

Lisa: That is correct. The odds of completing said project of constructing a pyramid of chocolate candies; street name: M&M's are approximately 7,235,235,236 to 1.

Nico: That is not very good odds.

Lisa: Indeed.

Maria: But I can tell that they want to try it.

May: Yep.

Me: Okay. Go for it. Lynn, you better get a stopwatch just to be on the safe side.

Lynn: I'm on it.

Lynn went to her room and came back with her stopwatch.

Lynn: Got it.

Me: Okay.

We dumped all of the M&M's in a giant washtub and they got to work. After 6 hours, 43 minutes and 12 seconds, they built a full scale replica of the Great Pyramid of Giza made entirely out of M&M's and it was successful! It was 754 feet wide and 426 feet tall and composed of 10 million plus M&M's!

Dirt Boss: Oh man. The four of you actually did it!

Me: Wow! They did it! They pulled it off!

May: Wow!

I took an instant picture of it and wrote down the dimensions and how many M&M's it took to make it.

Bomb Man: I think that's a new world record!

Me: It sure is.

With us was the editor-in-chief of the Guinness Book of World Records, Craig Glenday.

Craig Glenday: (British Accent) You have broken the world record for the first time you four!

We cheered wildly for them!

Poromon, Manaphy, Poliwag and Horsea were forever immortalized in the Guinness Book of World Records.

Poromon: Now comes the best part.

Nico: What's that?

Poliwag: Eating it.

Manaphy: Yeah!

They got to eating in and in minutes, the whole pyramid was completely devoured and gone. They were belching and burping.

Me: Boy that's a lot of M&M's you guys ate.

Maria: No kidding.

They were stuffed.

Later we were watching TV and then Laney, Luan, Eddy and Nico came in with big boxes full of candy.

Laney: Hey guys. I got an awesome snack for all of us.

Me: What you guys got?

Nico: You'll like this. We got candy from Willy Wonka.

Me: Willy Wonka candy!? I haven't had their candy in like forever.

Lincoln: It's so good.

Laney: I know. Look what we got.

They opened the boxes and in them were Nerds, Laffy Taffy, Shock Tarts, Chewy Runts, Oompas, Pixisticks, Gobstoppers, Wonka Bars and more.

Mary Knudson: Boy I haven't had their candy in a long time. It feels like forever.

Laney: I know. I'm drooling for their chocolate.

Me: We all are.

I looked at a Wonka Bar.

Me: Hey look! There's a contest. "Find the Golden Ticket in a Wonka Bar and you could win a tour of the Willy Wonka Chocolate Factory!" Wow! Just like in the movie!

Nico: Cool!

Lincoln: Lets see if we can find it!

Lana: Yeah!

We started looking and then right off the bat Lincoln found it!

Lincoln: (GASP) I found it! I found the golden ticket!

Me: Wow! Way to go Lincoln!

Laney: Yeah! Awesome!

Poromon: I can't wait to eat all of that chocolate!

Me: We're off to the Willy Wonka factory.

We were off to the Willy Wonka Chocolate Factory in Munich, Germany.

MUNICH, GERMANY

We arrived in Munich, Germany and we were standing in front of the Willy Wonka Chocolate Factory.

Me: Wow!

Laney: I'm drooling with chocolate cravings!

Lori: It's so good!

?: Wow! Team Loud Phoenix Storm!

We turned and we saw Charlie Bucket and his friend Violet

Beauregarde and Charlie's grandpa Joe.

Me: Charlie Bucket! Violet Beauregarde and Grandpa Joe. It's great to see you all here.

Charlie Bucket: You too J.D.

Violet: Yeah you are all awesome!

Grandpa Joe: Yeah.

Lincoln: You guys won the ticket too?

Charlie: We sure did.

Violet: It's gonna be so cool having you all with us.

Me: It sure is.

We went into the factory and we were greeted by the great chocolate maker Willy Wonka himself!

Willy Wonka: Team Loud Phoenix Storm welcome to my chocolate factory.

Team Loud Phoenix Storm: By the sweet love and deliciousness of chocolate. (Bows) Ye are worthy, we are not.

Me: It's an honor to meet the great candy maker Willy Wonka.

Willy Wonka: Same to you J.D. Word about all of your adventures is truly remarkable. And you have my sincere condolences for what happened to Ra's Al Ghul and Bowser.

Me: We appreciate that Mr. Wonka.

Charlie Bucket: Yeah.

Me: We love all your candy and it's so delicious.

Willy Wonka: Why thank you all.

He went over the tour lines and we were ready. It was gonna be an awesome tour. We got to see where they make Nerds and they were really awesome! They use giant hammers to smash them into smaller pieces and they get two flavors in a box. We then saw where they make the Chewy Runts. They shook a bunch of fruit trees and put them through a giant set of novelty chattering teeth and it makes them chewy and they were awesome! Next we saw where they make Xploder Chocolate and it was really good chocolate with Pop Rocks in it. The Oompa Loompas blow explosives and the explosion energy is transferred to Cardiac Defibrillators and infused into the chocolate. Awesome! It was delicious. Next we saw where they make Laffy Taffy. One of my favorites. It's flavored taffy and there's jokes on the wrappers and they are funny. Hence why it's called Laffy Taffy. We saw where they make the jokes. It was funny! Luan can't have taffy because of her braces. But the jokes she can use for her material. Next we saw where they make the Shock Tarts, extremely sour sweet tarts and they were tasty. Lincoln loves those and they were electrifying. Next we saw where they make Pixi Stix. It was little stick wrappers filled with candy powder. Dexter and Lisa's favorites. Next we saw Fun Dip. It was delicious dip candy that you spread on your tongue and you can even eat the sticks that come with it. Next was saw Gobstoppers. They were jawbreakers with many layers of flavors on them. Eddy and Luan loved those. We also saw where they had the Geese that laid the golden eggs. It was awesome! We then went into Oompa Land and we saw how they made a chewy candy called Oompas and they were delicious. When trying one of Willy Wonka's full course meal chews, Violet turned blue and inflated up and Lisa made an antidote that got her back to normal. But she released a massive blueberry scented fart while doing so.

We had a lot of great candy and sugar rushes all over.

Me: Boy this was really delicious.

?: Soon you all will die!

We turned and we saw VERUCA SALT!

Veruca Salt is the spoiled daughter of the Salts, her husband of whom is the owner of a successful peanut factory. Having been spoiled by her parents and her high status, Veruca has become immensely arrogant and self-centered. She browbeats her father into giving into her every demands.

When Willy Wonka, the owner of a chocolate factory which had shut down, unexpectedly reveals he will be hosting a tour of his factory and has sent out five Golden Tickets to determine the winners, Veruca demands to be given one. To cater to his daughter's demands, Mr. Salt demands his worker's "shell" thousands of Wonka bars until one of them finds a Golden Ticket. Veruca becomes the second Golden Ticket winner, and is thus allowed entry into his factory, along with the poor Charlie Bucket, the gluttonous Augustus Gloop, the competitive gum-chewer Violet Beauregarde, and the TV-obsessed Mike Teavee.

Veruca is the third child to meet her downfall when she tours Wonka's Nut Room, where she takes a liking to Wonka's trained, nut-sorting squirrels. When Wonka refuses to give her one, Veruca enters the Nut Room and attempts to steal one, but is ambushed and overpowered by the squirrels, who then dispose of her in the garbage chute leading to the incinerator. Her parents join her shortly afterwards.

Veruca survives the ordeal and leaves the factory alive, albet humiliated and covered in garbage.

1971 film

Veruca appears in the 1971 film, portrayed by actress Julie Dawn Cole. Veruca is shown as one of the older and more prominent children to show up at Wonka's factory, as well as one of the more bratty.

Veruca berates and intimidates her father into finding her a Golden Ticket so she can go to Willy Wonka's factory. When she does get the ticket, she is approached by a man named Mr. Slugsworth, who asks that she get him an Everlasting Gobstopper in exchange for whatever she wants. At the factory, Veruca introduces herself to the factory owner, as well as meeting the other ticket winners. Veruca and Violet antagonize each other throughout the tour, shoving each other and insulting one another. Veruca also briefly tries to convince Charlie that Wonka is "bonkers", though he retorts that that's not a bad thing. Veruca, along with the other ticket winners, are given an Everlasting Gobstopper. However, when Wonka tells them to promise not to show it to anyone, Veruca crosses her fingers behind her back.

Veruca meets her end when she enters Wonka's Golden Egg Room and demands a golden goose from Wonka. When Wonka refuses, Veruca throws a tantrum and trashes the Egg Room before plummeting down the Eggdicator, having been deemed a 'bad egg'. Her father joins her soon afterwards. Wonak reassures the remaining guests that Veruca and her father will be okay, and presumably become more wiser from the experience.

2005 film

Veruca appears in the 2005 film directed by Tim Burton, portrayed by Julia Winter.

Me: Veruca Salt!

Veruca: That's right J.D.!

Me: I thought you learned your lesson the first time you were here but obviously you didn't.

Charlie: Veruca!

Maria: Who's she again?

Charlie: One of the kids who didn't learn her lesson. Specifically, she was a spoiled brat.

Violet: How did you get back here, anyway? Mr. Wonka and Charlie banned you from here!

Veruca: And after the prize at the end of the tour was rightfully mine! Fortunately, I made some new friends that don't like following the rules. And starting today, I'll be one of the top employees of this factory.

Violet: You, making chocolates? You'll just screw it up!

Veruca: Who said anything about making chocolates? Candies just won't cut it now these days. But making weapons? That's more productive!

Me: You're insane!

William: We won't let you turn this factory into a weapons sweatshop. Same goes with whoever's helping you!

Veruca: Just try and stop me. You'll see soon enough. I'm gonna be a legend around this place. Now, consider your careers officially over. (teleports out)

As we looked around for any signs of Veruca, we suddenly heard Veruca's voice over the intercom.

Veruca (over the intercom): We're in control of this factory now. And I suggested a few improvements - some real doozies I just know you're gonna love. In fact… you're not getting out of here alive…

Randy: (growls) There you are, Veruca! Don't think you'll run away from us that easily!

Veruca: (grins evilly) Who's running? (snaps fingers)

Then we saw bubbles in the chocolate and out of it came a new heartless! It looked like a giant living bon bon with an evil grin and glowing yellow eyes and it was made of chocolate that tastes great and it had breath that smells horrible. It was called the Sweet Tooth Horror.

Me: A Heartless made of pure chocolate!

Sora: That's unusual!

My dark orb detector went off.

Me: There's a dark orb in here.

Laney: And I see it in that pump right there.

Laney went over to it and smashed the dark orb.

Veruca: Finally. This is exactly what I needed to take over the factory. But first, I am getting rid of you. (To the Heartless) Attack!

Me: I don't think so!

I punched the Chocolate heartless and splattered it all over.

SPLAT!

We were covered in chocolate and we licked it off.

Lana: (Slurps) Yummy!

Lola: Delicious chocolate!

Me: Look!

We saw two people floating in the lake of chocolate and we recognized them.

Me: That's Augustus Gloop and Mike Teavee.

?: Not just them.

We then saw Vypra and Dark Jack Spicer come out of the shadows.

Me: Vypra and Dark Spicer! What are you doing here!?

Vypra: We're here to help Veruca control this factory!

Dark Spicer (to Charlie Bucket): Here's your warning: Your ass is about to be kicked!

Me: Not on your life you fucking cavity inducer!

But Veruca was then thrown from the control room and she fell into the chocolate pool.

SPLASH!

Kevin Levin: (sees the Antitrix on Dark Spicer's wrist) Hey! That's the Antitrix my younger evil self used!

Dark Spicer: It is, isn't it? Though, unlike your younger bad counterpart, my aliens aren't unstable.

Me: You must mean Kevin's 2016 counterpart.

Vypra: That's right.

Dark Spicer: And watch what it can do.

Dark Spicer turned into a different version of Heatblast. He was a Pyronite but with purple flames and he had a really ugly hole in his chest that burned with intense fire.

Lea: Who in the world is this Heatblast knock off? Hot Shot?

Hot Burn: Nah. I prefer a more cooler name. Like… Hot Burn! (generates a sphere of fire in his hands and throws it at Lea)

Lola caught it and absorbed it.

Shanan: This is not a normal Pyronite. This is a Pyronite hybridized with something else.

Me: You guys deal with Dark Spicer, I'll face Vypra.

Nico: Okay.

Jessica Namiko: No J.D. I'll face Vypra. I haven't had my shot at her yet.

Me: Okay. Mr. Wonka, this is about to get really ugly so you may want to get to somewhere safe.

Willy Wonka: No I want to watch you all.

Me: Okay.

Dark Spicer then transformed again. He was a purple Petrosapien with razor sharp crystals on his arms and shoulders and on his head.

Crystal Freak: Say hello to Crystal Freak! (fires Diamond shards at Aeleus)

Aeleus deflected them back.

Shanan: This is a Petrosapien mixed with something else.

Troy: You're not the only one who can transform!

Megaforce Rangers: Legendary Ranger Mode: Dino Thunder!

The Megaforce Rangers turned into the Dino Thunder Rangers and Emma Goodall turned into a new Dino Thunder Ranger never seen before. She was turned into the new Purple Stegosaurus Ranger and she had a Stego Scythe.

Augustus and Mike woke up.

Kevin Levin: (to Mike and Augustus) Your buddy Veruca is being helped by two villains that have in their possession a device that one of my evil selves used. If they harm anyone, you two are gonna pay for it!

Me: Lets dance!

We went at them and I punched Crystal Freak in the face and kicked him in the stomach and Nico punched him in the stomach and kicked him in the face. Lincoln fired a powerful blast of lightning and electrocuted him. Emma Goodall tried her new Dino Thunder powers out and she slashed Crystal Freak all over with her Stego Scythe and cut him really good. Troy Burrows smashed his head with his Tyranno Staff and Lola fired a powerful blast of fire at him and burned him all over. Lana fired a powerful blast of ice lightning and froze his legs. Laney fired poison barbs at him and they cut him all over and he was itching like crazy. Linka fired a powerful blast of lightning and electrocuted him. Aurore fired a powerful blast of lightning and electrocuted him all over.

Me: Lets get him with teamwork!

Huffer: Roger that boss! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his strength and weapons 100-fold and it enabled him to fire a powerful fire cannon from his shoulder.

Melman: Time for this giraffe to strike! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into a collar around his neck and it enabled him to use Cybertron Scourge's twin fire dragon heads.

Huffer and Melman: SUPER FIRESTORM BEAM!

They both fired powerful blasts of fire and they hit Crystal Freak and burned him all over.

Cybertron Dirt Boss: Time for this boss to pound! CYBER KEY POWER!

The Velocitron Cyber Planet Key went into his back and it caused a powerful cannon to pop out on him.

Bomb Man: Time for this guy to get bombed! GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his right arm and it enhanced his Hyper Bomb 100-fold.

Cybertron Dirt Boss and Bomb Man: DIRT DOG BADDA BOOM!

Cybertron Dirt Boss fired his Dirt Dog Attack and Bomb Man threw a bomb and they hit Crystal freak and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Lets finish him!

Charlie: You got it J.D.! I've always wanted to try this out! CHOCOLATE DELUGE CAVITY STRIKE!

Charlie fired a powerful shower of chocolate and it hit Dark Spicer and covered him in chocolate.

Fudgy used a Final Smash called CHOCOLATE MEGADRENCH and it covered Dark Spicer in chocolate.

Willy Wonka: Try this on! GOBSTOPPER JAWBREAKER FACESMASH!

He threw massive gobstoppers and they smashed into his face!

SMASH! SMASH! SMASH!

Lola: Now for you to burn! FIRESTORM DRAGON STRIKE!

Lola fired a powerful blast of fire and it turned into a dragon of pure fire and it slammed into Dark Spicer and exploded. He was burned and knocked down and he was back to human.

Jessica Namiko was facing Vypra and she had a sword of pure lightning ready and they went at each other and clashed ferociously. It was a powerful clash and they were really going at each other and it was powerful. Jessica fired a powerful 700 billion volt blast of electricity and electrocuted Vypra.

Dark Spicer just transformed back to human.

Dark Spicer: Well, this has been fun. But we should be going.

Veruca: Wait. Where are you two going?

Vypra: We're off to recruit more villains. Specifically, ones that don't whine like spoiled brats!

Veruca: Hang on! I can finish this! Wait for me!

But it was too late. Vypra and Dark Spicer teleported out. Fudgy blew a raspberry at Veruca.

We tied up Augustus, Mike and Veruca.

Nico: You three have failed this factory.

Willy Wonka: Thank you all so much for saving the factory J.D.

Me: It was our pleasure Mr. Wonka. But we just do what we do best and that's kicking the living crap out of bad guys.

Willy Wonka: Guys, for helping to stop Veruca and behaving yourselves throughout the tour, you've earned yourselves some prizes!

We got eternal passes to visit the factory at anytime and we got a lifetime supply of our favorite candies from Willy Wonka.

Laney: What do we do about these three.

Me: Well Augustus and Mike were coerced into doing all this against their wills. So we'll let them go. But Veruca needs to be punished harshly. I think spending the rest of her life in Switzerlands Limburger Mines doing backbreaking hard labor is perfect for her.

Nico: Limburger Mines?

Me: It's a special mine I found. It was after the battle with Princess Morbucks during 2018's Christmas, I found it in a cave under The Matterhorn and it was a mine full of Limburger Cheese. It smells like rotten socks down there and I figured that it would be a perfect prison for spoiled brats.

Nico: Nice!

Lincoln: I like it!

Lori: This wretch literally deserves it.

Me: You got it.

Veruca: You can't do this to me! I'm Veruca Salt and I will make you all suffer for this!

Me: Do we look like care?

Later, Veruca was in prison clothes and she had a pickaxe and she was working in the Limburger Mines For Spoiled Ungrateful Brats. We even Resurrected Chandler Henderson and he too got the same punishment. But they were under the constant watch of the Swiss Guards.

Veruca: I hate that Team Loud Phoenix Storm!

Chandler Henderson: Me too.

Back in America we were having an awesome rest.

Charlie: (To the viewers) Never mess with an awesome sweet tooth or Willy Wonka or you will face Team Loud Phoenix Storm.

Charlie Bucket and Violet Beauregarde were now an awesome couple. They grew into it during the fight.

We were proud of them.

Kevin Levin: Hey J.D., I heard you all busted Michael Morningstar during your worldwide trip.

Me: We sure did Kevin.

Julie Yamamoto: Was it the Michael Morningstar we faced?

Me: No Julie. He was from 2016's Ben 10. But the one you all faced is still out there and when that time comes we will face him.

Nico: Yep.

We were gonna face him later.

---

When I was done everyone was amazed!

Nico: Yeah that was also the day where the usual battles were starting. We had our very first usual battle here.

Me: Yep. Except back then it was starting out with Vypra and Dark Spicer.

Lola: Yep.

Nico: This is a very historical location as a result.

Me: Yep. Not only did some of our most awesome and favorite candies come from here. But this factory became the very birth spot of our usual battles.

Twilight Sparkle: Wow! So this is the very place where you had your first ever usual battles.

Nico: Yep.

Maria: Boy that brings back memories.

Lana: It sure does.

Me: Yep. And I wasn't nearly as powerful back then as I am now. But it was still fun to experience nonetheless.

Camie: That is amazing!

Knightbrace: I myself am not gonna eat from here. But you guys can though.

Me: That's all right. But thanks.

Zarya: But it was still all extremely fun and amazing back then.

Nico: This is going to be one awesome Valentine's Day rescue, gang, but we also got bad news: the warden at The Limburger Cheese Mines told me that Veruca Salt has escaped, and she somehow acquired lightning powers!

We gasped, especially Lincoln.

Lincoln: How was that even possible?! (Realizes something) Oh no. Anna, Sabrina, Eman, tell the Tenshi no Ongaku Gang we got a Code: Satanic Punk, and we'll be dealing with him on my rescue after we take down Veruca Salt.

Anna Anyanova: We're on it, Linky.

Anna Anyanova, Sabrina Lorelai, and Eman Reynolds alerted the Tenshi no Ongaku Gang.

Nico: Code: Satanic Punk, you're saying someone from the past of the Tenshi no Ongaku was the one responsible for giving Veruca Salt those lightning powers, Lincoln?

Lincoln: That's exactly it, Nico, and if it's who I think it is, he's just sealed his own doom. Right now, let's get after that mega spoiled brat, and put her in her place.

Suddenly, Rosa Laurence, Gene-Slammer of Golden Homunculus, Salamandra the Steel, Ouroboros the Bronze, Leon the Lead, Eatos the Tin, Ekenas the Mercury, and Moonface the Silver appeared as well.

Rosa Laurence: That brat needs to be put in her place once and for all, and that's back in prison.

Nico: It sure was. Oh Speaking of which, guys you are not going to like this at all. I got word that Veruca Salt escaped from the Limburger Cheese mines and is out for revenge.

We gasped!

Me: That rotten to the core Spoiled Brat!

Qin: Man I've had enough of her to last an eternity!

Leona Terra: Yeah I hate her to the core. She is a really rotten apple. No offense Applejack.

Applejack: None taken. But yeah I don't like people like that.

Wendy Sapphira: Boy I remember watching her on the movie back when I was a little girl and she was one rotten to the core brat. She didn't give a flying fuck about anyone except herself.

Me: She is a spoiled rotten psychopath.

Eli: No kidding! I hate people like that.

Xenia: Yeah she deserved to be thrown away with the rest of the garbage here.

Eli: Yep.

Nico: But we'll be ready for her.

Sirius: We sure will.

Me: But we are not going to kill her. She needs to go back to prison where she belongs.

Nico: Yeah.

Little did we know however that there was a figure watching us with glowing red eyes filled with incredible pure evil.

Nico: While waiting, let's get some Valentine's Day candies.

Me: Good idea.

Maria: Guys I can't shake this feeling that we're being watched.

Xenia: I feel it too.

Chloe: Later, let's spend the day in Paris.

Me: Good idea Chloe.

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and coming out towards us was none other than VERUCA SALT!

She was a really nasty mess and her hair was a mess and she was ain a yellow prison jumpsuit and she smelled like rotten socks.

Veruca Salt: (ENRAGED SCREAMING) TEAM LOUD PHOENIX STORM!

She was surging with lightning powers too!? WHAT THE FUCK!?

Me: There you are.

Nico: Um… Eli, can you sense for Swartz's creations while we deal with this?

Eli: Sure.

Veruca Salt: All I ever wanted was for everything to be handed to me on a silver platter, to instantly be rich and wealthier than you! For everyone to love me as much as they love you. No! You turned everyone against me! You humiliated me! You threw me out with the garbage and got me ruined! I'VE HAD IT WITH YOU TEAM LOUD PHOENIX STORM! I WANT YOU ALL TO DIE!

Nico: She has completely lost her mind!

Xenia: Not good!

Varie: Look!

We saw a dark orb imbedded right in the middle of her chest!

Knightbrace: See, this is why Vypra and Dark left you for dead!

Veruca Salt: AND AFTER I'M DONE WITH THESE WRETCHED FUCKUPS I'M COMING FOR YOU AND THEM NEXT!

Me: We'll see about that!

Lola: Yeah!

Varie: You make me sick Veruca!

Laney: And another thing, you will NEVER have everything you want!

Camie: That is for sure!

Me: If there is one thing I hate more than an Evil Sasuke, it's People like YOU!

THAT REALLY PISSED HER OFF!

Veruca Salt: ENOUGH TALKING!

Nico: Yeah. Quite enough!

I fired a blast of energy and smashed her down.

Leona Terra: That's it, I've had just about enough of you to last an eternity, you really are nothing more than a heartless spoiled brat who has no conscience or soul, nor even any consideration of the consequences for your misdeeds. (Suddenly Getting Pissed Off) I would've thought that you learned your lesson after you were defeated by the team years ago and sent to The Limburger Cheese Mines, but no, you decided to escape and even worse,… , YOU'VE GONE TOO FAR FOR THE LAST FREAKING TIME, AND NOW, I WILL SEE TO IT THAT YOU PAY THE PRICE FOR EVERYTHING THAT YOU'VE DONE, YOU MISERABLE SPOILED LITTLE BRAT!

We gasped at the extent of Leona Terra's fury.

Nico: Whoa!

Lincoln: Veruca Salt has caused us enough trouble for the last time, now she's really going to get a really severe beating even worse than last time. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Veruca Salt went insane with homicidal rage and went after Leona Terra to kill her, but Leona Terra screamed like a madwoman and she was surrounded by a massive vortex of green energy with lead and earth surrounding the vortex, there's a pride of lions and Alchemy Beast - Leon the Lead flying around the vortex, and in the vortex is a green phoenix, and the force of the vortex blew Veruca Salt back and they crashed into another wall. Then, as the vortex faded, Leona Terra emerged, but she was changed forever.

Leona Terra grew to 7'4" in height, she has the body of a goddess, she has turquoise highlights in the bangs of her long green hair, she has neon turquoise eyes and a green energy aura with earth, lead, and lions surrounding her, she has Alchemy Beast - Leon the Lead emblazoned on her forehead and Third Eye with blue iris, she has on lion earrings with blue gems for eyes and holding the Lead, Earth, and Eternity Kanjis in its claws, she also has Alchemy Beast - Leon the Lion with blue gems for eyes and holding the Lead, Earth, and Eternity Kanjis in its hands on the bottom of her green lion-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold flame links. Leona Terra has on a sleeveless green open blouse, sleeveless green top, green frilly skirt with jewels around the waist, green pants, green heeled sneakers, and long sleeveless white trenchcoat with lead, earth, and lions on the coattails, and on the back is Alchemy Beast - Leon the Lead surrounded by earth. Suddenly, Leona Terra felt a sharp pain on her back, and then, her massive brown angel wings with green tips on the large feathers grew much bigger for her new body and she now has eleven massive and long green wolf tails. Leona Terra has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Leona Terra's massive Alchemy Beast - Leon the Lion-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, earth, lead, and lions, and when it emerged, it was transformed into Alchemy Beast - Leon the Lead's Earthquake Lead Lion Alchemy Greatsword of Alchemical Lead Earth Justice, it's a brand-new massive greatsword with embedded lead-colored gems and Alchemy Beast - Leon the Lion etched on the 7'0" massive, wide, double-edged green blade, large Alchemy Beast - Leon the Lion heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large Alchemy Beast - Leon the Lead heads with green gems for eyes and large green gem on the bottom of the Alchemy Beast - Leon the Lead heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with green gems on her wrists, her Belt of Elemental Bravery with a gold version of Alchemy Beast - Leon the Lead's head with turquoise gems for eyes and a large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Alchemy Beast - Leon the Lion that said, "Leona Terra, Gene-Slammer of Alchemy Beast - Leon the Lion, Great Cave Explorer, Discoverer of Ancient Artifacts and Discoveries, Expert on Earth Science and History of The Caves, Loving Friend and Future Wife of Nico Chan, Archenemy of Mylene Farrow, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Lead, Caves, and Lions"

レオナ・テラ、アルケミー・ビーストのジーン・スラマー - レオン・ザ・ライオン、偉大な洞窟探検家、古代のアーティファクトと発見の発見者、地球科学と洞窟の歴史の専門家、ニコ・チャンの愛する友人であり未来の妻、ミレーヌ・ファローの大敵、スレイヤー悪、錯乱、殺人、冷酷、サディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な学生、地球、鉛、洞窟、ライオンのマスター

Leona Terra has transformed into SUPER ANGEL-LEON THE LEAD-LION-HARMONY CELESTIAL ETERNAL XELNAGA ALCHEMICAL LEAD EARTHQUAKE LEON THE LEAD EARTH LION ANGEL OF DIVINE ALCHEMICAL SEISMIC LEAD LION JUSTICE AND DIVINE ALCHEMICAL SEISMIC EARTH LEON LOVE!

We were amazed by Leona Terra's Super Angel-Leon the Lead-Lion-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Veruca Salt saw it, she went absolutely ballistic and fired a blast of lightning at her to kill her, but Lincoln absorbed the lightning blast and fired a more powerful blast of lightning and electrocuted her, and then, Leona Terra fired a barrage of powerful green energy blasts with earth, lead, and lions at Veruca Salt and it exploded as it hit her, and she was now really pissed off now.

Leona Terra: (Divine Echoing Cosmic Voice of The Seismic Alchemical Lead Lion Angel and Divine Alchemical Lead Earth Leon Lion Love) There's plenty more where that came from, you spoiled brat!

Nico: Let me in on this as well, Leona, it's high-time someone taught that spoiled brat a very painful lesson again.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Leona Terra.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you rotten-brained spoiled brat, time to put you back in your place once again!

Leona Terra and Nico went after Veruca Salt who's now gone even more full-blown ballistic and she fired more blasts of lightning at them, but they dodged them all and Lincoln absorbed the blasts of lightning, and they fired extremely powerful blasts of rainbow energy, green energy, lead, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Veruca Salt and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at the spoiled brat, drawing blood and leaving more scars on him, and he was being driven even more ballistic. Then, Lincoln came into the fray and used his eleven massive white wolf tails and they brutally pulverized them all over the place, and he used one of them to grab the spoiled brat by the ankles and smash her down onto the left and right and sent her flying into yet another tree again. Then, he coiled his tail tightly around her like a snake, and he sucked and absorbed those lightning powers that she'd mysteriously gotten, and he dropped her to the floor, now she was weak and powerless.

Nico: (Divine Echoing Voice of Rainbow Redemption) Nice one, Lincoln, using one of your tails to coil it tightly around that spoiled brat and suck out those lightning powers she'd gotten, and I'm surprised you didn't shatter any of their bones.

Lincoln: With just how strong I've been continuously getting, Nico, I could've broken her bones easily, but nah, I think the pain you and Leona gave her was more than enough punishment, the stripping her of her powers that she'd mysteriously gotten was just a bonus. Now, then to send her back to the Limburger Cheese Mines again, but this time, with a curse.

Leona Terra: (Divine Echoing Cosmic Voice of The Seismic Alchemical Lead Lion Angel and Divine Alchemical Lead Earth Leon Lion Love) Right.

Rosa Laurence: Time to send you back to the Limburger Cheese Mines once again, you spoiled brat!

Nico: (gets out Dark Spicer's Ridewatch) Here's your warning: Your ass is about to be kicked!

Me: And it's gong to hurt! REALLY BAD!

Nico activated it and used the power of Dark's Crystal Freak form and fired purple crystal and smashed her all over with crystal shards.

Nico: More where that came from you little cretinous freak!

Veruca gasped!

GOAT BLEET!

Veruca: WHAT THE FUCK DID YOU CALL ME!?

Nico: (gets out Vypra's Ridewatch) Now, here's something from Vypra!

He activated it and got her sword and then he slashed her right across her chest and destroyed the Dark Orb!

Nico: YEAH!

Our Anti-Dark Orb Auras flared up and protected us from the shards of it.

Nico: WHOA!

Me: Sailor Mysterious Tower's auras work perfectly.

Nico: Now, it's spanking time!

May: Let me do it. (ACTIVATES COUNT SPANKULOT'S RIDEWATCH) (Transylvanian Accent) Those who do horrible things for their own greed are bad and must be punished Veruca Salt! Prepare to feel the stingy wrath of MAY CHAN! (EVIL LAUGHTER)

Veruca Salt screamed and then…

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Me: OOH! OUCH!

Nico: She's going to be feeling that!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport surrounded Veruca Salt on eight sides, and then, Leona Terra's green energy aura had flared up even more, and Nalania Cherikova, Estella Skyla, Olivia Orrovia, Salene Sallamandia, Elaine Wittgenstein, and Gem Cavvenport were surrounded by colored energy auras representing the other Alchemy Beasts, and Rosa Laurence was surrounded by a red energy aura with the elemental forces of all Seven Alchemy Beasts.

Veruca Salt: YOU PATHETIC LOSERS HAVE NOT SEEN THE LAST OF ME!

Lincoln: No, this is the last time we ever have to see you running loose in society again, you spoiled brat. Enjoy heading back to The Limburger Cheese Mines.

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport: SEVEN ALCHEMY BEASTS ELEMENTAL METAL STRAITJACKET PRISON!

Rosa Laurence, Estella Skyla, Nalania Cherikova, Salene Sallamandia, Olivia Orrovia, Leona Terra, Elaine Wittgenstein, and Gem Cavvenport fired energy blasts with the elemental metals of the Seven Alchemy Beasts, and as they hit Veruca Salt, she was put in a straitjacket made of gold, silver, tin, mercury, lead, steel, and bronze, and she was sent back to The Limburger Cheese Mines, but not before Lincoln and I put a curse on her. We cheered as Leona Terra and Nico holster their massive greatswords on their backs and power down, and Leona Terra's new body, clothes, weapons, jewelry, Third Eye, eleven massive green wolf tails, and massive brown angel wings are permanent.

Leona Terra: That'll teach you never to come after us again, you poisonous little snake. Thanks for helping me take down Veruca Salt once again, Nico.

Nico: (Smiles Warmly) You're welcome, Leona.

Suddenly, Leona Terra wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Leona Terra's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Alchemy Beast - Leona Terra flying in the air, and we saw many animals running across the field, along with elemental forces and mountains forming behind them and we cheered wildly. Then, Nico and Leona Terra absorbed the mountains and they came back to us as the display and Alchemy Beast - Leon the Lead vanished.

Me: I can't believe that spoiled brat had the nerve to escape from the Limburger Cheese Mines.

Lincoln: We're going to have to tighten security around the prison from now on. There's no telling if there's more of the enemies that my Guardian Angels and I have made over the years are lurking at.

Anna Anyanova: Yeah, and I'll be damned if we're going to let any of them try and piss us off again.

Nico: (pouts) I was hoping I would spank her!

Me: Nico don't pout like that.

Nico: Sorry. But it's true.

Me: Best to let a woman do it.

Nico: Okay.

Veruca was taken back to prison. This was her second strike on her. If she gets out again she is getting the Black Gates.

Qin: Lets hope she stays in prison this time.

Me: Or else she is getting the Black Gates.

Nico: I know you don't want me spanking people because of how strong I am. But Veruca's a spoiled brat. So, that's an exceptiion, right?

Me: Whoa whoa whoa back up. I know you're strong true. But after what happened with Girl Jordan, I do not want that to happen again. I'm sorry Nico but I can't let you do that again. Please.

Nico: Okay okay okay. I'm sorry maybe I was a little extreme back there.

Lola: Yeah.

Nico: Okay then.

Juran: You realize that if what happened with Girl Jordan didn't happen, Nico wouldn't have been led to visiting the Aligned World and the Ambassador missions wouldn't have been born, right?

Nico: I know that.

Me: Guys lets not worry about that anymore.

Girl Jordan: Yeah what's done is done.

Juran: You're right.

Maria: Hey, Mr. Wonka. Sorry if you heard a ruckus. We were cleaning house.

Willy Wonka: No worries everyone but thank you for getting rid of Salt for me.

Me: No problem. Happy Valentines day to you.

Willy Wonka: Same to all of you.

Girl Jordan: This was still awesome though.

Nico: Speaking of Ambassador missions, you think our mascots can go on the ones involving the heroes of Pokemon Colosseum and Pokemon Gale of Darkness?

Me: That's a great idea Nico.

Xenia: I agree.

May: Yeah!

Nico: Great!

Violet: Me and Charlie are getting ready for our date later.

Me: Cool!

Nico: Awesome.

Violet: But thanks for taking down Salt.

Me: No problem. She'll be getting the Black Gates if this happens again.

Nico: Yep.

Eli: Guys I sense Swartz's creations here.

Nico: Who wants to go next?

Girl Jordan: I will.

Xenia: Cool.

Lola: Yeah.

Eli: The Another Huntik Titan is Another Tremayne.

Me: The 4 armed fairy titan of mischief. This will be interesting.

Nico: Get ready!

Then we heard mischievous giggling.

Qin: I hear it.

Me: Sounds like it's coming from all over.

Nico: Yeah.

But then…

Nico: (LAUGHING HYSTERICALLY) HEY!

We saw a dark version of Tremayne tickling Nico!

Nico: (LAUGHING HYSTERICALLY) STOP IT!

May: Hey! No one tickles my man but me!

Another Tremayne: (LAUGHS)

She jumped in front of us.

Another Tremayne: (LAUGHS) Sorry about that. I just wanted to have a little fun.

Me: Annie Tremayne! I knew it was your mischievous work.

She reverted back and was a girl with neon pink hair and green eyes and purple butterfly wings and had purple and green clothes and the symbols of Tremayne on her skirt, arm and in the middle of her forehead.

Annie Tremayne: Sorry about that guys. That was funny getting the drop on Nico.

Eli: Boy you sure surprised him.

Nico: (LAUGHS) You sure gave me a good laugh.

Xenia: Yeah you sure did.

May: (holds Nico close to her) Nico is mine. Mine, you hear me?! Mine! No one tickles him but me! Mine!

Nico: May calm down. It's better than me getting wedgied or pantsed.

Me: Besides, Annie has been known all over as a trickster and an awesome prankster too. One time in school we had an evil teacher that we hated and he was making our lives hell and she did a prank on him that was so bad that he lost his mind and was committed to an insane asylum forever.

May: Wow!

Qin: That is crazy but awesome.

Annie Tremayne: Yeah that was funny. Mr. Lowchew really got damaged on that one.

We laughed on that one.

Me: Boy he sure did. He hasn't been the same since then.

Nico: Sorry to ask. But what was the prank?

Annie Tremayne: I catapulted him into a swimming pool full of live worms and cockroaches and left him in there for 3 days with the poor cover over him.

All of us: EW!

Lana: Cool!

Qin: That is gross!

Nico: That is crazy!

Me: That's very similar to how Skinner became who he was because of another prankster that Bart idolized. (Season 21 Episode 6.)

Nico: Yeah but that is awesome!

Lola:: Yeah it is!

Nico: Lana would like that prank!

Lana: You bet I would! And you know how much I love eating worms and roaches.

Qin: You got that right! But that was awesome!

Annie Tremayne: Thanks. That was a funny one.

Me: It sure was. I would have picked a swimming pool full of nuclear hot peppers and hot sauce but that's just me. But that was awesome! We called that night the Weekend of the Mad Wigglers.

We laughed.

Nico: That must've been on a Friday.

Me: Yep.

Annie Tremayne: Yeah. That was funny.

Nico: And Happy Valentine's Day!

Annie Tremayne: You too.

Me: Yeah. Oh any other opponents with you?

Annie Tremayne: Actually yes. Another version of him.

She pointed to Knightbrace.

Knightbrace: I knew it was gonna be Another version of me.

Me: Yeah. Friendly or hostile?

Annie Tremayne: Friendly. But this one is someone that fits perfectly with him.

Nico: I have a feeling it will be good.

Me: Yep.

Girl Jordan: Lets get it on.

Annie Tremayne: Lets do it.

She turned into Another Termayne and Girl Jordan flew after her and fired waves of water and smashed her down and I caught the Wonder Ride Book and it was called The Fairy of Pranks and Nature.

Girl Jordan Brought her over.

Nico: That was funny though.

May: (pulls Nico closer to her) Mine!

Me: May stop that.

Nico: Yeah May.

May: Sorry. I'm just feeling a little possessive right now. That's all.

Me: No worries. But May, Nico is always willing to let others tickle him. He is always available on the market.

Lincoln: Yeah May. Just like all my guardian angels like tickling me.

May: Oh you're right.

Me: Good.

But then..

SPLAT!

I got Toothpaste squirted right into my mouth!

Me: What the!? Spearmint flavor.

I brushed my teeth and gargled and rinsed and went to a sink and spit in it.

Me: Ahh. Minty. Okay who did that!?

Then a figure came out and it was ANOTHER KNIGHTBRACE! It was a dark version of Knightbrace.

Me: Another Knightbrace!

Lola: That was cool!

Nico: Got that in that blue toothpaste? I like those!

Another Knightbrace: (LAUGHS) (In a girls voice) I think I can work on something.

Me: Jill Casey! I had a feeling it was your work.

Another Knightbrace: Yeah. But awesome to see you J.D.

Me: Same here. Jill is one of the people that helped clean my teeth at the dentist.

Nico: I see.

Another Knightbrace: Yeah I also am the inventor of many different flavors of toothpaste.

Qin: That is cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Knightbrace: No he didn't promise me anything. I squirted my hottest flavor of toothpaste into his mouth and ran.

Me: She made Carolina Reaper Cinnamon flavor toothpaste. Hottest flavor ever.

Qin: WHOA! That is lethel!

Nico: No kidding! Wow!

Xenia: Potent.

Varie: Yeah.

Me: Sorry we have to fight like this.

Another Knightbrace: No worries guys.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Qin: YEAH!

Nico: (gets out Knightbrace's Ridewatch) On second thought, nevermind the blue toothpaste. I'll get it myself.

Nico activated it and fired waves of blue toothpaste into her mouth.

Another Knightbrace: Peppermint flavor!

Me: Nice.

Nico: And this too. (ACTIVATES GARIGARI'S RIDEWATCH)

He fired waves if bluish white toothpaste into her mouth too.

Another Knightbrace: Arctic Ice Peppermint flavor! Minty to the extreme.

Me: (to the viewers) Brush your teeth after every meal kids. (Teeth Glisten)

May: Try this one. (ACTIVATES YOST WHIPLASH'S RIDEWATCH)

May formed a whip and she lashed her.

May: And this. (ACTIVATES UNIVERSE 666 EBONY MAW'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Top this! (ACTIVATES BARON BEDLAM'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: And this one! (ACTIVATES INSECT QUEEN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Me: YEAH!

Lala: My turn! (ACTIVATES GARIGARI'S RIDEWATCH)

She fired red Toothpaste and it went into Another Knightbrace's mouth.

Another Knightbrace: Ooh Cinnamon.

Then Vypra and her team consisting of May Kanker, Nasty Canasta, Marcel, Cloaked Ghostfreak, and NES Ghidorah appeared.

Nico: Nice team, Vypra!

Vypra: Thanks Nico. Boy this brings back memories.

Me: It sure does. We had our first usual battle here.

Vypra: We sure did and that was cool.

Marcel: You got that right.

Nico: You JUST missed Veruca getting her ass beat!

Vypra: Aw shoot!

Pipp Petals: Don't worry I totes made a video of it on my phone for everyone.

She showed it to her.

Vypra: Wow! That is great! And great job using my sword to finish the job Nico.

Nico: Thanks. That was awesome.

Luan: And Veruca smelled worse than a sludge pile.

Qin: HOOWEE! She sure did.

Maria: I hope the next Gene Slammer is close.

Then a Ludicolo came out.

Me: A Ludicolo. Neat.

Ludicolo: (In a girls voice) I got this guys.

Nico: Jacana Lillytoes! Awesome!

She reverted back and was a girl with green hair and had aqua blue angel wings and had green clothes and had a picture of a Lily Trotter bird on her shirt and skirt. She fired a blast of light and it hit Another Knightbrace and knocked her down and I caught the ridewatch and purified it.

I went over and she was a girl with blond hair and had a blue dentist uniform on and I picked her up and brought her over.

Lala: What's your favorite memory of Nico?

Jacana Lillytoes: My favorite is when me and Nico went to the jungle and we found a tree that makes jeweled apples and it was awesome.

Me: That is interesting.

Nicole: It sure is.

Nico and Jacana hugged.

Nico: I've really missed you.

Jacana Lillytoes: Me too Nico. Me too.

We went back home.

Nico: We got chocolate for everyone!

Poromon: OH BOY!

Qin: Yep.

Varie: Awesome.

Aika Furūtofurai: (Japanese Accent) Ugh, not that black magic using heartless jerk, I thought we had defeated him and sent him off to juvie, and by the time he turned eighteen, he was sent to prison for life.

Lincoln: That's right, Reina, Nathaniel Zankoku doesn't deserve to be running free ever again. So, we are going to send him straight to Hell for good, and we'll show him that love always wins over hatred.

Palutena: That's a good idea, Lincoln.

Me: You said it, Palutena, and you're right, Lincoln, that punk's going to see that love always wins over hatred.

Suddenly, we saw Neo-Spacian Glow Moss, Neo-Spacian Twinkle Moss, Neo-Spacian Grand Mole, and Neo-Spacian Air Hummingbird appear before us, and with them are the nine girls.

Nico: Whoa, Neo-Spacian Glow Moss, Neo-Spacian Twinkle Moss, Neo-Spacian Grand Mole, and Neo-Spacian Air Hummingbird, awesome!

Lincoln: (Gasps) Those voices, Emily Riis, Ellie Davies, and Hazel Ikos, I knew it was you three, it's awesome to see you again.

?: (Demonic Voice) TENSHI NO ONGAKU, I WILL DESTROY ALL OF YOU FOR RUINING MY LIFE!

We then saw our target: Nathaniel Zankoku, the dark magic-worshipping punk, he had black hair, eyes of hatred, pale skin, and he was dressed in an orange jumpsuit, but he had demonic black wings, thanks to him getting dark powers again.

Lincoln: Well, look who's finally shown up.

Nathaniel Zankoku summoned a group of huge muscled thugs to kill us, but then, we saw Lincoln fire blobs of orange slime at them, which quickly engulfs them, and they suddenly crawled to Lincoln, who called them back, and they merged with him as he absorbed the thugs and sent their souls to The Black Gates for good, and that pissed off Nathaniel big time.

Lincoln: Using a combination of Melona and Majin Buu's absorption minimized any uninvited trouble, now to take care of Nathaniel for good.

Then, Lincoln chanted a Latin incantation and covered the massive blade of his massive greatsword in bright light, and with one swing, he cut down Nathaniel Zankoku, and in the process, not only did he destroy Nathaniel's powers, but he also sent him straight to the Tombs of Heresy in Hell for good. We cheered as we holstered our weapons and powered down.

Lincoln: Hope you have a very nasty time in The Tombs of Heresy, you punk. (To Emily Riis, Ellie Davies, and Hazel Ikos) And it's so good to see you again, Emily Riis, Ellie Davies, and Hazel Ikos.

Emily Riis reverted back to normal, and she's a beautiful girl with long black hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings and she reigned in the power of Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss, she's dressed in a long-sleeved white coat, short-sleeved white blouse, sleeveless white midriff top, white skirt, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with lights, stars, and angels on the coattails and on the back is Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss and holstered on her back is a massive Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss-themed greatsword with embedded white gems and Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss etched on the 7'0" massive, wide, double-edged white blade, large Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss heads for the crossguard, large white gem embedded in the rainguard, longer midnight black handle, four large Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss heads and large white gem on the bottom of the large Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss heads for the pommel.

Emily Riis: You too, Lincoln.

Ellie Davies: It's been a long time.

Hazel Ikos: And it's also good to see you again, Alexa Oleson, Sophia Kitka, and Riley Robbins.

Alexa Oleson, Sophia Kitka, and Riley Robbins: You too, Emily, Ellie, and Hazel.

Lincoln went up to Emily Riis, Ellie Davies, and Hazel Ikos and he hugged them, and Emily Riis, Ellie Davies, and Hazel Ikos are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were sixteen, and as you can see, I really grew a lot since then.

Emily Riis: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Ellie Davies: You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you, Alexa, Riley, and Sophia know them?

Lincoln: Indeed I do, Nico, the Fusion Gene-Slammer for Neo-Spacian Glow Moss and Neo-Spacian Twinkle Moss is Emily Riis, she's my Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition and she's known as The Holy Light Vampire Slayer. Emily Riis also has powers of light, and she also knows the strengths and weaknesses of the very monsters that destroyed the town she came from, I made her a necklace with jewels in her favorite color and a phoenix pendant, and to show thanks, she kissed me on the lips. She's also the niece of Ally Riis and John Riis, and though she hates Lisa with a burning passion, she despises the vampires even more because her aunt and uncle became the next two victims of the vampires after they killed Gus and cut off the power at the Cell Tower.

Alexa Oleson: The Neo-Spacian Grand Mole Gene-Slammer is Ellie Davies, she's Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition, and she's known as The Grand Earth Vampire Slayer. Ellie Davies also has powers of earth, and she knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a mole pendant, and to show thanks, she kissed Lincoln on the lips. She's also the niece of Carter Davies, and though she hates Luan with a burning passion, she despises the vampires, because her uncle who survived for that long got scratched by one of the vampires at the General Store in Barrow and he turned after reaching the Police Station, but he managed to hold onto his humanity, but he couldn't live forever and he asked Eben to end his life, so that he can be with his family, who got hit by a drunk driver.

Riley Robbins: And the Neo-Spacian Air Hummingbird Gene-Slammer is Hazel Ikos, she's Lincoln's Guardian Angel from Barrow, Alaska and classmate in Gym, she's also another member of The Barrow Anti-Vampire Defense Coalition, and she's known as The Sky Wind Vampire Slayer. Hazel Ikos also has powers of wind, and she also knows the strengths and weaknesses of the very monsters that destroyed the town she came from, Lincoln made her a necklace with jewels in her favorite color and a hummingbird pendant, and to show thanks, she kissed Lincoln on the lips. She's also the granddaughter of Lucy Ikos, the diner's owner, and although she hates Lori with a burning passion, she hates the vampires even more, because although they hadn't murdered her grandmother who had survived the vampire attack on Barrow, Alaska, she'd never forgotten what'd happened during the month-long darkness: from the attacks by the vampires to the deaths of her dear friends that she'd known all her life.

Nico: I knew it, and we knew of a common link all of you have: each of you had lost those you loved during the 30 Days of Night in Barrow, Alaska years ago.

Alexa Oleson: Yeah, we were linked by the loss of those we loved during that horrible chapter in the town's history. Even though the town was rebuilt and life went on, those who survived would never forget what happened, including us.

Emily Riis: And we hate those vampires for everything they've ever done. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you, Ellie, and Hazel want to give me your blood, right?

Emily Riis: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Ellie Davies: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Then, Lincoln first went up to Emily Riis, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, he went up to Hazel Ikos, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also

kissed where he bit her.

Ellie Davies: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Emily Riis, Ellie Davies, and Hazel Ikos with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on their necks.

Emily Riis: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emily Riis, Ellie Davies, and Hazel Ikos.

Emily Riis, Ellie Davies, and Hazel Ikos had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also return it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Yoko Kishibojin, Wolf Girl Jo, and Clair Andrews from Ehrgeiz: God Bless The Ring, Epon and Mary Ivonskaya from Tobal No. 1, and Shun Ying Lee, Kelly Bowman, Vera Ross, and Lilian Evans from Urban Reign.

Lincoln: Oh wow, it's Yoko Kishibojin, Wolf Girl Jo, and Clair Andrews from Ehrgeiz: God Bless The Ring, Epon and Mary Ivonskaya from Tobal No. 1, and Shun Ying Lee, Kelly Bowman, Vera Ross, and Lilian Evans from Urban Reign.

Nicole: Whoa, awesome!

Yoko Kishibojin: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Wolf Girl Jo: (Seductively and rubs her right hand on Lincoln's

massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yoko Kishibojin, Wolf Girl Jo, Clair Andrews, Epon, Mary Ivonskaya, Shun Ying Lee, Kelly Bowman, Vera Ross, and Lilian Evans with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an enemy of The Tenshi no Ongaku Gang named Nathaniel Zankoku, a punk kid who's caused havoc in Royal Woods for years and tried to ruin the reputation of The Tenshi no Ongaku Gang mainly because he's nothing more than a jerk and an asshole who doesn't even care about anyone except for himself, and even worse, he's toyed with black magic and tried to summon demons to destroy them, but Lincoln's skills with white magic had destroyed that demon punk kid's link with the dark forces and destroyed his dark powers forever, and not only that, but The Tenshi no Ongaku Gang sent the information of his crimes to the police, who took him away, and after his conviction, he was sent to juvie until he reached eighteen, after which, he was sent to prison for life. But, he broke out and he was suddenly given dark powers of his own, and he wanted revenge on the Tenshi no Ongaku Gang.

But, when Lincoln showed what we all did in beating that punk kid down, and Lincoln finishing him off with that incantation he used to cover the blade of his massive greatsword with white light, and then, cutting Nathaniel Zankoku down and sending his soul to The Tombs of Heresy for eternal torment for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Emily Riis, Ellie Davies, and Hazel Ikos have a lot of catching up to do, now that they're back in town.

Maria: Sheesh, so you guys had to deal with that punk who's tried to ruin your reputations more than once, mainly because he was a jerk and a monster who caused havoc, and even worse, toyed with dark magic?! How sick is he?!

Lincoln: He's just as sick and twisted as many of our enemies that my Guardian Angels and I have made over the years, and we made a lot of them.

Rita: Just like I told Beautiful Gorgeous yesterday, the Guardian Angels made a lot of enemies over the years, and it wasn't just Flip, Scoots, Lori, Lynn, Lola, Lisa, Luan, Hawk, Hank, Killjoy Huggins, Lewis Travolta that they've had to deal with, along with the many other jerks, but they've had to deal with many more sinister and ruthless monsters.

Lincoln: And they've wanted one thing: to kill us all and destroy mankind, but we've put them down and sent them to prison for good, but they wind up breaking out to get revenge on us, but we always put an end to them for good, and send them straight to Hell.

---

After finally destroying Nathaniel Zankoku and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Emily Riis, Ellie Davies, and Hazel Ikos saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Emily Riis: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Ellie Davis: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Hazel Ikos: Along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Riis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ellie Davies: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Emily, Ellie, Hazel, what memories did you all have with Lincoln?

Emily Riis: I remembered this one time, Lincoln was helping me, Ellie, and Hazel with some training in elemental magic, and we weren't alone, Alexa, Sophia, and Riley were with us as well. But, then, we heard the sounds of banshee yells of vengeance, homicidal laughter, and a loud burp in the air, and we knew who it was: Lori, Lynn, Lola, Lisa, and Luan, and we saw them coming, and they were really mad.

Ellie Davies: But, this would be the next part of Lincoln's lesson: using elemental magic to take down any attacking enemies. Lincoln demonstrated by firing ice magic blasts at Lynn and Lola and they're immediately frozen in blocks of ice. Alexa went next by firing shadow magic blasts and blinded Lisa and Luan, then Sophia Kitka fired fire magic blasts at the ice blocks which shattered and sent Lynn and Lola flying into a tree.

Hazel Ikos: And Riley fired water magic blasts and drenched Lori, Lynn, Lola, Lisa, and Luan. We then fired light, earth, and wind magic blasts, and they hit those five hard and knocked them out. Then, Lincoln fired red energy blasts at Lori, Lynn, Lola, Lisa, and Luan from his white angel wings and he tied them up, and put them into red energy orbs.

We cheered.

Nico: Whoa, Lincoln, you really taught them a lot about elemental magic, and they used the lessons you taught them to take down Lori, Lynn, Lola, Lisa, and Luan, who were on the rampage again, that's awesome!

Lincoln: Thanks, Nico, and to tell the truth, I didn't expect any of my lessons that day to be rudely interrupted by Lori, Lynn, Lola, Lisa, and Luan when they went on the rampage again, but this did provide another lesson: defending against the jerks whenever they go on another rampage.

Me: Awesome!

Eli: Killjoy Huggins had some nerve to use that Dark Side Creation serum on Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: Yeah, he was the source of my pain the whole time, and none of us ever knew about it. But, thanks to J.D.'s investigation, we brought an end to Killjoy Huggins for good, and ended a nightmare that's plagued us for years.

Suddenly, we heard the doorbell ring.

Me: Huh? We aren't expecting any visitors.

Yuna Kamihara: Ooh, Sasha, Dolores, Audrey, Jessica, Toriko, Makiko, our special guests are here. Come in.

The door opened, and we saw Floogull, Barrb, Whaddle, Woolabee, Wynq, Sooza, Ziggurab, Rootitoot, and Thrumble enter.

Me: Whoa, Floogull, Barrb, Whaddle, Woolabee, Wynq, Sooza, Ziggurab, Rootitoot, and Thrumble.

Floogull: (Girl's voice) That's right, and I hope we weren't late.

Lincoln: (Gasps) That voice, Umihana Kamihara, I knew it was you.

Clyde: Along with Sara Hanagaiken, Darla Shirutori, Andrea Kaizokuhana, Jennifer Ninki, Mari Kinka, Tara Gamechisei, Sora Kasugano, and Kaede Kanzuki of The Izayoi Island Ohana Friends.

Umihana Kamihara, Sara Hanagaiken, Darla Shirutori, Andrea Kaizokuhana, Jennifer Ninki, Mari Kinka, Tara Gamechisei, Sora Kasugano, and Kaede Kanzuki reverted back to normal, and they're nine beautiful girls with long flowing hair, eyes, massive angel wings, and clothes matching the colors of Floogull, Barrb, Whaddle, Woolabee, Wynq, Sooza, Ziggurab, Rootitoot, and Thrumble, and long white sleeveless trenchcoats with elemental forces, music, water, ocean waves, angels, and hibiscus flowers on the coattails and on the back are the monsters they were Gene-Slammed into, along with massive greatswords matching the themes of the monsters they were Gene-Slammed into.

Umihana Kamihara: You too, Lincoln, it's been a long time, and it's also good to see you too, Clyde.

Clyde: You too, Umihana.

The Izayoi Island Ohana Friends went up to Lincoln and Clyde, who hugged them, and Umihana Kamihara, Sara Hanagaiken, Darla Shirutori, Andrea Kaizokuhana, Jennifer Ninki, Mari Kinka, Tara Gamechisei, Sora Kasugano, and Kaede Kanzuki are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It's been two years since, we last met, and as you can see, Clyde and I grew a lot since then.

Clyde: Yeah, and Lincoln especially.

Umihana Kamihara: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wait a second, Lincoln, Clyde, Yuna, Sasha, Dolores, Audrey, Jessica, Toriko, Makiko, you guys know these girls?

Lincoln: We sure do, Nico. Everyone, meet the members of The Izayoi Island Ohana Friends, we're a club dedicated to to helping other people as well as friendly monsters such as the friendly Yokai, such as Kijimunaa and the artist Yokai, Bojo.

Clyde: We even defended Izayoi Island from the forces of evil, especially evil demons, evil aliens, and villainous monsters, as well as those try to harm the Chitama Spiritual Stone. Surprisingly, Yuna Kamihara, Sasha Hanagaiken, Dolores Shirutori, Audrey Kaizokuhana, Jessica Ninki, Toriko Ginka, and Makiko Kinka happen to be members of the club, and when Lincoln helped Yuna rescue Sasha, Dolores, and Audrey, Yuna made lincoln the newest member.

Lincoln: And when Clyde rescued Jessica, Toriko, and Makiko, Yuna and I made Clyde the newest member of the club. They, Clyde, and I would even help the needy and even do charities as well. Clyde made Jessica a beautiful pink bikini with birds of paradise on it, Toriko a beautiful silver bikini with silverbirds on it, and Makiko a beautiful golden bikini with American goldfinches, while I made Yuna, Sasha, Dolores, Audrey, Umihana, Sara, Darla, Andrea, Jennifer, Mari, Tara, Sora, and Kaede beautiful bikinis with their favorite colors and flowers. To show thanks, Jessica, Toriko, and Makiko kissed Clyde on the lips.

Clyde: While Yuna, Sasha, Dolores, Audrey, Umihana, Sara, Darla, Andrea, Jennifer, Mari, Tara, Sora, and Kaede kissed Lincoln on the lips while swimming underwater, and they really hate the jerks with a passion.

Nico: Holy cow, so that explains why reports of the slayings of evil demons, villainous monsters, evil aliens, and evil humans have been reported in Izayoi Island for two years, that was you guys fighting them, awesome!

Me: And we had no idea you guys formed that club when you helped Yuna save Dolores, Sasha, and Audrey, and when Clyde saved Jessica, Toriko, and Makiko, you guys welcomed them in, Lincoln.

Lincoln: That's right, but we had to do it, we weren't going to let the good Yokai be harmed, along with everyone on Izayoi Island, and we certainly weren't going to let someone take The Chitama Spiritual Stone.

When Lincoln was done with introductions, we were very stunned.

Nico: Wow. That was quite a lot of info we got from our latest set of Gene-Slammers, Lincoln.

Lincoln: And we've done a lot to defend the people, friendly monsters, friendly Yokai, and the Chitama Spiritual Stone of Izayoi Island from evil in those two years. Now, to get down to business.

Then, Lincoln went up to each member of The Izayoi Island Ohana Friends, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit the girls and he fed on their blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Umihana Kamihara: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, ten Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Umihana Kamihara and the other Izayoi Island Ohana Friends with colored gems on the gold lightning bolts and aqua blue crystal links from their merged Crystal Necklaces of The Buddha along with ten Elemental Thunderbird Chokers of Eternal Love on their necks.

Umihana Kamihara: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and the others are now part of my harem and my many future wives, Umihana.

Umihana Kamihara and her friends had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them.

Pyra: Wow, so this is Lake Lamode, this is truly amazing.

Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nebula Violette, Gwen Darcy, Octavia Ember, Ilia Amitola, Robyn Hill, Fiona Thyme, Joanna Greenleaf, May Marigold, Pin Yin, Sona, Terra, Liquidelle, Pyra, and C.A. Cupid with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Ruby Rose: Oh, awesome, Nebula, Gwen, Octavia, Ilia, Robyn, Fiona, Joanna, and May are now part of Linky's harem!

Luna, Daughter of Tso Lan: And so are Pin Yin, Sona, Terra, Liquidelle, and Pyra.

Frankie Stein: Along with C.A. Cupid.

This also brought happy tears to Bai Tza's eyes.

Bai Tza: I'm so proud of my little girl.

Tso Lan: Now, Lincoln's going to be related not only to me, but also, you, Shendu, Dai Gui, and Hsi Wu, when he marries the girls in the future. But, I don't know if he's ever met Tchang Zu's daughter yet, if not, then, we might need to set up a meeting between them.

Bai Tza: Right, brother.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Gundinna, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Gundinna of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Gundinna, right, Gina?

Gina Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Micaela Davis: While you and Nico destroy Gundinna and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go down to the park and hunt down Gundinna and end that religious fanatic before she does any sort of damage.

Lincoln: Right, we'll make sure Gundinna never leaves here in one piece for trying to attack us for revenge.

Gina Han: You better be ready to suffer, Gundinna, for you shall be consumed by the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Lincoln put up a rainbow energy field around the World Tree Estate as we left for the park to hunt down Gundinna of The Extraterrestrial Order of The Planets of Holy Ghidorah.

We arrived at the park to find our target: Gundinna of The Extraterrestrial Order of The Planets of Holy Ghidorah.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Gundinna.

A figure came out, and it was none other than Gundinna, the seventh of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Gundinna, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Gundinna: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Gina Han: The only one who deserves to be destroyed is you.

Suddenly, Gina Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Malicious Bane-themed greatsword from her back, and as she approached Gundinna, she left black energy, darkness, dark magic, fiends, phoenixes, and dark angels with every step.

Gina Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Gundinna: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Gina Han was surrounded by a massive vortex of black energy with darkness and dark magic surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Malicious Bane flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Gundinna: the red eyes of death. Then, as the vortex faded, Gina Han emerged, but she was changed forever.

Gina Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, flames, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Malicious Bane emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Evil HERO Malicious Bane with red gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Gina Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, fiends, phoenixes, swords, and dark angels on the coattails, and on the back is Evil HERO Malicious Bane surrounded by darkness. Suddenly, Gina Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Gina Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Gina Han's massive Evil HERO Malicious Bane-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, fiends, phoenixes, swords, and dark angels, and when it emerged, it was transformed into Evil HERO Malicious Bane's Darkness Dark Brawn Undead Fiendish Phoenix Greatsword of Darkness Dark Brawn Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Malicious Bane etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Malicious Bane's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Malicious Bane that said, "Gina Han, Gene-Slammer of Evil HERO Malicious Bane, Brawn of The Han Sisters, Sixth Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Evil Cicadacon, Destroyer of Gundinna of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Strength, and Infernal Phoenixes"

Gina Han has transformed into SUPER ANGEL-EVIL HERO

MALICIOUS BANE-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL BRAWN EVIL HERO MALICIOUS BANE PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL BRAWN EVIL HERO MALICIOUS BANE JUSTICE AND DIVINE DEMONIC DARK INFERNAL BRAWN EVIL HERO MALICIOUS BANE LOVE!

We were amazed by Gina Han's Super Angel-Evil HERO Malicious Bane-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gundinna saw it, she fell into an infernal rage and she got out her blaster to fire at her, but Gina Han fired a powerful black energy blast with darkness, dark magic, fiends, phoenixes, and dark angels at Gundinna, which hit her and pushed her back and she also got burned, but this really pissed her off now.

Fira Han: Whoa, Gina's transformed, incredible!

Micaela Davis: That's really incredible, and she really burned Gundinna badly.

Nico: And she's really got her pissed off now big time.

Gina Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Brawn Evil HERO Malicious Bane Angel and Divine Demonic Darkness Infernal Brawn Darkness Phoenix Love) And now, the darkness of The Netherworld is coming for you, Gundinna.

Nico: Let's get him, Gina, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Gina Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Gina Han and Nico went after Gundinna who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gundinna and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Gundinna, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Gundinna took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Gundinna began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Gundinna's transformed into her King Ghidorah Hybrid Monster form.

Gundinna fired a Gravity Lightning blast at Gina Han and Nico, who dodged it.

Lincoln: Eden, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Gundinna from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Gundinna and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Gundinna into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Gina, let's end this asshole for good.

Gina Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Brawn Evil HERO Malicious Bane Angel and Divine Demonic Darkness Infernal Brawn Darkness Phoenix Love) You got it, Nico.

Gina Han and Nico sent Gundinna flying into the air, and then, they prepared their combo to put an end to Gundinna.

Gina Han and Nico: DARK INFERNAL EVIL HERO MALICIOUS BANE PHOENIX DEMONIC BRAWN DARKNESS KAMEHAMEHA!

Gina Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, and phoenixes which hit Gundinna, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Gina Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Gina Han and Nico holster their massive greatswords on their backs and powered down, and Gina Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Gina Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-six members to go. Thanks for helping me destroy Gundinna once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Gina Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Malicious Bane flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Gina Han absorbed the darkness and they came back to us as the display and Evil HERO Malicious Bane vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Gina.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Lorexxa, which means you're up next, Irina.

Irina Han: Yeah, we'll make Lorexxa pay.

Nico: We sure will. Say, Lincoln, who are you going to meet tomorrow on your rescue.

Suddenly, the Wonder Ride Books began glowing with such incredible energy.

Lincoln: I think I know who we're meeting tomorrow, Nico: Guardian Angels who're the embodiments of Kamen Rider Saber, Kamen Rider Blades, Kamen Rider Espada, Kamen Rider Buster, Kamen Rider Kenzan, Kamen Rider Slash, Kamen Rider Calibur, Kamen Rider Falchion, Kamen Rider Saikou, Kamen Rider Sabela, Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious.

Touma: This should be interesting.

Me: We've never met any of Lincoln's Guardian Angels who are also embodiments of Kamen Rider Saber, Kamen Rider Blades, Kamen Rider Espada, Kamen Rider Buster, Kamen Rider Kenzan, Kamen Rider Slash, Kamen Rider Calibur, Kamen Rider Falchion, Kamen Rider Saikou, Kamen Rider Sabela, Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious, so this should be good.

Later me and the team were leading Nico and Laura to an awesome spot on a new planet. We had them blindfolded.

Nico: J.D., where are you leading me?

Me: You'll see.

Varie: You guys will love it.

Laura: I have a feeling we will.

Nico: Just so you know, I have Speed Demon and Ticklepuss' Ridewatches in my pocket.

Me: I'm counting on it.

Nico: Where are we.

Me: Tadah!

We took off their blindfolds and they saw that they were having an awesome picnic on a blue raspberry forest planet! It was a world where everything was blue and made of blue raspberries!

Nico: WOW!

Laura: Wow! What a fruity world!

Nico and Laura gasped!

Nico: LAURA!

Laura: NICO!

Nico and Laura: YOU'RE MY BLIND DATE!?

Me: Surprise!

Nico: Oh, to Hell with it. It's Valentine's Day!

Laura: That's right. Lets have fun.

Me: What do you think of this planet? Me and Eli thought it would be perfect for you.

Nico: It's awesome.

Me: And the fruit is good.

I had some of the fruit and raspberries on the planet.

Me: MMM! Delicious.

Nico held Laura's hand.

Laura: Oh you Romeo.

Qin: This is cool finding a blue raspberry planet though.

Laney: It sure is.

Me: Yep.

Armada Jetfire: (Australian Accent) I agree mates. But J.D. I would start running.

POOF!

I was already gone!

The smoke had a message that said WAY AHEAD OF YOU!

Lisa Loud: I found him hiding in the island where he met Cecilia Mendoza.

Nico: Nice try.

Eli: Oh boy.

Nico: You want to transform or just go with me as normal?

Laura: Normal is fine.

Qin: (GULPS) J.D. is in for it.

Nico: (gets out Speed Demon and Ticklepuss' Ridewatches) Alrighty then!

He activated them and they teleported back to Earth.

They arrived at the cave Lisa said I was in but to their shock and surprise they saw I wasn't there.

Nico: What the!?

They heard beeping and saw the chip that was put into my neck!

Nico: A tracer chip!

Lincoln: (Sternly) LISA Did you put a tracer chip in J.D.?

Lisa: [wickedly] "Noooo…"

Nico: That sneaky devil. He can run but he can't hide.

Qin: Where could he have gone.

Nico: (gets out Kyd Wykkyd's Ridewatch) I'll just teleport to where he is!

He activated it and teleported to the jungles of India in a temple.

Nico: AHA!

He saw a treehouse and went into it.

He saw an energy emitting device that made it look like my energy signal was there and found a note.

Nico: (Reading) "Nice Try but I'm somewhere else. But there is someone here you know." Huh?

?: He means me.

He saw a Shiftry.

Nico: Hey a Shiftry!

Shiftry: (In a girls voice) Awesome to see you Nico.

Nico: Jennifer Fuchs! Wow!

Shiftry: Awesome to see you again though.

Nico: Same to you.

Laura: Wanna help us find J.D.?

Shiftry: Sure! I think he said something about hiding in a forgotten building in Moscow.

Nico: Okay then.

May: By the way what's your favorite memory of Nico?

Shiftry: When me and Nico were over in the Amazon and we found a Blue Fruit Volcano. It's a literal blue volcano that erupts out Blue Raspberry syrup.

Lincoln: That is cool!

Lana: Boy I would love to see a volcano like that.

Laney: Me too.

Nico: Lets get you back to normal.

Nico covered his eyes and so did the boys and he snapped his fingers and she was back to normal and was a girl with green hair and green eyes and Nico gave her a green jumpsuit.

She put it on and got up.

Jennifer Fuchs: That was crazy.

Nico: I've really missed you.

Jennifer Fuchs: Me too Nico.

They teleported to an abandoned building in Russia.

In Moscow, they were over at a hotel that was shut down years ago.

Nico: I hope he's here!

In a room they heard my voice.

Me: I hope Nico and everyone don't find me in here.

Nico: AHA!

They kicked the door down and saw the room empty. All there was, was a recording of my voice.

Nico: Duped again!

Eli: Bro is one step ahead of us!

Ben: That's it. I'm going Alien X to find him!

Nico: Ben that's not needed.

Eli: Found him! He's whoa! He's in a hidden sanctuary in the Center of the Earth world!

Nico: WHOA! All the way down there!? That is genius!

Qin: Wow!

They teleported all the way down there.

They arrived.

When they arrived they were shocked at what they saw!

Princess Celestia: Oh wow!

Princess Luna: This is incredible!

Lola: We told you it was that amazing.

Nico: A perfect spot to hide. Awesome.

They saw a cave and found me and my stuff.

Me: Took you guys long enough to find me.

Nico: You are a sly fox J.D.

Maria: If only Nico could do the same for us when HE sets up a blind date.

Nico: I know.

Me: Took you 3 hours to find me though.

Nico: I know. Still won't escape your punishment though.

Me: Okay you guys found me.

I stood ready for the tickling of my life.

Nico activated Ticklepuss' Ridewatch.

He went up to me. But then…

TICKLE MAGISWORD!

I teleported behind him and tickled Nico all over.

Nico: HEY! (LAUGHS HYSTERICALLY!)

Me: SUCKER! (LAUGHS)

Nico: (LAUGHS HYSTERICALLY) HEY! (LAUGHS) NO FAIR!

Nico tickled me right back.

We both laughed.

Me: (LAUGHS HYSTERICALLY)

We both stopped.

Me: (PANTING) Whew.

Then…

BLAM!

May hit me right on my head.

Me: OUCH! May what the heck was that for!?

Nico: For you tickling me?

May: That's right! Like I said, NO ONE Tickles My Man but me!

Me: Okay okay okay! I'm sorry.

May: Nico, which teams have you made this time?

Nico: Jen's team will include Anya Rodriguez, Lila Slate, Anna Antedeluvian, Bunnyx, and Vina Lexington. Thor's team will include Uta, Meadow Evans, The Muses, Elastika, and Z Strap

Me: Awesome! But we will have to save that team till later when the Zevo 3 join us officially.

Xenia: I agree.

Lola: Same here. But Jen's team can still go.

Maria: And which Gene Slammers do you think you'll meet next?

Nico: Swellow, Wingull, Pelipper and Gardevoir next.

Camie: Ooh those will be awesome.

Lola: Yeah!

We went back home.

---

We were over in Paris, France.

Poromon, Poliwag, Manaphy, and Horsea: HAPPY VALENTINE'S DAY, EVERYBODY!

Me: Same to you guys.

Nico: Ahh l'amour.

Camie: So awesome.

Celica: Yeah.

Nico: (to May) What should the two of us do together here?

May: It's up to you champ.

Nico: Lets have an awesome dinner.

May: Good idea.

William: (to Maria) What should the two of us do together for the rest of the day?

Maria: Lets go to the Louvre.

William: Good idea.

We went and did all kinds of awesome things together.

Zocks: (to Chloe) This is your hometown. You pick what the two of us do together here.

Chloe: You got it.

They went to the Eiffel Tower for the view and it was awesome and beautiful.

Poromon: (to Manaphy) What do you want the two of us to do together here?

Manaphy: How about we go to a good restaurant?

Poromon: Good idea.

Poliwag: I agree there.

Horsea: Same here.

They agreed and went to an awesome restaurant.

Poliwag: (to Horsea) You want the two of us to do anything together here?

Horsea: Up to you guys.

Poliwag: Okay.

Jirachi: (to Tentacool) What should the two of us do together?

Tentacool: Lets go to Notre Dame and learn about the history.

Jirachi: Good idea.

We were going to have a fun time.

Poliwag: (to Horsea) How about we visit the bakery that Marinette's parents run?

Horsea: Good choice!

They agreed.

They went to the Sabine Bakery.

Nico was eating a Steak Frites at the restaurant he and May were in.

Nico: Mwah. Cest magnifique.

May: Delicious.

It was all good and delicious.

William: Hey, Maria. Why don't I take a few pictures here with you in them?

Maria: You got it.

William and Maria took all sorts of awesome pictures.

They were awesome.

Poromon was eating a croissant at the restaurant he and Manaphy were in.

Poromon: Mmm.

Manaphy: Delicious.

It was exquisite.

Andre Bourgeois: Chloe! Zocks! Good to see you two!

Chloe: You too dad.

Zocks: Same to you sir.

Chloe: Happy Valentines Day.

Andre Bourgeois: You too sweetie. How have things been?

CHloe: Busy as ever.

Andre Bourgeois: And how's your mother?

Chloe: She's great dad. Busy as ever.

Zocks: Yeah. Sir Lila Rossi is going to die shortly. J.D. told me to send you the message.

Andre Bourgeois: That's great news Zocks! I can't wait to hear about it,

Chloe: It's going to probably be on the Cutie Mark Crusaders' mission. Thing is, I don't know what final plan she has up her sleeve on that day. And that's what scares me.

Zocks: But we're ready for her.

Andre Bourgeois: I know you are.

Chloe: She only has 7 days to live.

Poliwag: Hello, Mr. and Mrs. Cheng!

Sabine: Poliwag and Horsea bonjour.

Horsea: Bonjour.

Sabine: How is Marinette doing?

Poliwag: Really great.

Tom: Did you two come here all by yourselves?!

Poliwag: No all of us are here for valentines day.

Tom: Oh.

Horsea: Can we have some Macarons?

Sabine: You sure can.

They got lots of different flavor macarons and they looked awesome.

Sabine: Now, it's come to my attention that Lila Rossi has busted out of her cell a few times.

Poliwag: That's right.

Sabine: Look, I don't mean to pressure Nico. But the next time she busts out, it needs to be the last time. I know you guys don't like killing kids. But surely, you can make an exception, right?

Poliwag: Oh don't worry. Nico promised that the Cutie Mark Crusaders big day mission is going to be the last day of her life.

Horsea: And to add insult to injury, Nico is going to have all of Paris watch us kill her.

Sabine: I think that's awesome.

We regrouped.

Nico: So, how was everyone's Valentine's Day today?

Me: Breathtaking.

Eli: Yeah it was amazing.

Lola: We all had a great time.

Camie: We sure did.

Nico: I'm glad you all did.

Jirachi: You know, this place serves as Quasimodo's home.

Tentacool: I know. So awesome and neat.

Jirachi: I know.

Lincoln: Now, how about I take a picture of the 6 couples here today?

Me: Good idea Lincoln.

I formed a clone and it got ready.

Clone: I'll do all of us for one and then the couples.

Nico: Good idea.

I had us all gathered and we smiled and it took a picture of all of us in front of the Eiffel Tower. Then it took a picture of each of the 6 couples and then all the 6 couples together.

Me: Today was a great Valentines Day.

Lola: Yep.

We returned home and enjoyed the rest of the day and went to sleep.

After he'd heard Lincoln and The Digimon Digital Heroes destroyed The Seven Demon Lords long ago, and we threw The Digimon Emperor in prison and gave Kurata The Black Gates, he eventually went absolutely insane, and now, he wants our heads on a pike for what we did to save the world. It's time that psychopathic sicko learns a painful lesson on what happens when he worships three of the most dangerous evils ever to haunt the Digital World and the human world.

And brace yourselves, for the next set of rescues we're going to be meeting embodiments of Kamen Rider Saber, Kamen Rider Blades, Kamen Rider Espada, Kamen Rider Buster, Kamen Rider Kenzan, Kamen Rider Slash, Kamen Rider Calibur, Kamen Rider Falchion, Kamen Rider Saikou, Kamen Rider Sabela, Kamen Rider Durendal, Kamen Rider Solomon, and Kamen Rider Storious who are Lincoln's Guardian Angels. Like Kita Yuan, Embodiment of Kamen Rider Saber, Taylor Kamiyama was born and blessed with incredible elemental powers and immortality, and she introduced Lincoln to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. Lincoln made Taylor a tiara with the Kamen Rider Saber logo on it and necklace with Kamen Rider Saber logo for the pendant, and to show thanks, she kissed him on the lips. She's also the sister of Touma Kamiyama A.K.A. Kamen Rider Saber, and she hates Flip with a burning passion.

Get ready for an awesome adventure in the world of Puss N Boots and we're going to help Puss N Boots kill Death the Wolf and make that monster pay and we're going to recruit Humpty Dumpty into the Redemption Squad.

Xenia: Boy this is gonna be so awesome.

Me: I love coming to Rhyboflavin. It is so awesome.

Lightning Lass: Boy it sure is awesome.

Luz (X-Men): I can't wait to kick some butt.

Lightspeed: Me too. I have a feeling this will be fun.

Luan: You bet it will. It'll be Lights Out for whatever villain is here. (LAUGHS) Get it?

We laughed at her joke.

Me: (LAUGHS) That was a good one.

Eddy: (LAUGHS) That was funny!

Nico: (LAUGHS) That was awesome.

Eli: (LAUGHS) That was a good one Luan.

Nico: Luan, I want to thank you, Vypra, and your teams for coming.

Luan: No problem Nico. It's gonna be so awesome helping you guys out.

Tony Jones: I'm really looking forward to all this too.

Camie: We sure are.

Nico: Tony, remember when we met you and your friends?

Tony Jones: Boy how can I forget! That was so awesome!

Me: That was one of our most awesome adventures and that was when we first destroyed Agram the first time.

Eli: That was so awesome! And we were introduced to the world of the Moonlands and the power of Animite and the Magim.

Nico: That was so awesome and cool!

Laney: Yeah it sure was!

Twilight Sparkle: It sure was amazing going to the Moonlands every now and then. It was amazing and fun.

Xenia: It sure was Twilight. We all had a great time.

Me: We sure did and that was back when we were facing many enemies that would later be known as Team Dark Phoenix Storm.

Nico: Yep.

Lola: That was awesome.

Eddy: And that's when Double D became handsome.

Lincoln: He sure did and man everyone was all over him. I never saw Linka so pissed off like that.

Nico: Yeah no kidding.

Me: They do say Hell Hath No Fury Like a Woman Scorned but yeah no kidding.

Laney: That was crazy.

Lily: That was crazy yeah. But the same thing happened to Squidward and man oh man did he look so handsome. He looked like one of those awesome Teen Heartthrob Supermodel Guys you see in magazines.

Nico: Yeah he sure did.

Lola: Boy no kidding!

Vypra: So, how was everyone's Valentine's Day yesterday?

Me: We had a really awesome blast Vypra.

Nico: Yep we went to Paris and had a great time.

Me: The mascots told Marinette's mom and dad about us getting ready to kill Lila Rossi.

Nico: And Zocks and Chloe told Chloe's dad the same thing.

Zocks: It's true. And when that happens all of Paris will be watching he said.

Me: It'll be the perfect way to add severe insult to injury on that bitch Lila.

Nico: Yeah I agree there.

Camie: That monster has been asking for this ever since you guys first beat her in Paris.

Lola: You got THAT right Camie.

Nico: Yeah I hate that bitch Lila. She brought all this on herself.

Chloe: No kidding there!

Nico: Poromon and the other mascot couples had some love time to themselves as well.

Me: They sure did.

Qin: It was so adorable.

Maria: And me and William got to have an awesome view session in the Eiffel Tower.

Me: And Carmen and Liam got to have a great learning experience in the Church of Notre Dame.

Nico: Yep. And so did Jirachi and Tentacool.

Me: Yep. By the way Nico how did you like your meal at that restaurant.

Nico: MWAH! Cest magnifique.

Me: Delicious as always.

We laughed.

Maria: William even took pictures of the Louvre with me in them.

Me: And those were great.

Laney: I love the Louvre museum because of some of the most awesome paintings there.

Lola: Those are really beautiful paintings.

Me: Some of the most awesome and most famous paintings in the world are in the Louvre as well as some of the most famous works done by the greatest artists from over the centuries.

Laney: That's right they are.

Xenia: Yeah. That is so awesome.

Nico; But regardless we did have a great time in quet Paris.

Eli: We sure did.

Then a Metroid suddenly flew in and was right in front of me.

Me: Whoa a Metroid!

Nicole: YIKES!

Me: Wait I think I know this Metroid.

It squealed in joy to see me.

Me: I know this little one. And I have a feeling that Samus and

Janeen know it too.

Nico: Wait. Isn't that the kind of Metroid used as an Assist Trophy?

Nicole: Normally yes it is.

Me: But this one is one that Samus knows. This is the baby Metroid she knows.

We gasped!

Nicole: Wow! That Metroid was blown into oblivion by Mother Brain.

Laney: Yeah!

Me: And I have a good feeling I know who brought it back.

Nico: Who?

Me: Lets find out.

SOON! AT MOUNT MA'AL!

We were in Mount Ma'al.

Nico: So why are we here again?

Me: To reprimand Ralphio about these preposterously ridiculous prices he has on some of the Magiswords he sells. Look at these.

Nico: Oh right. I forgot.

But then we heard yelling coming from Ralphios!

Me: Uh oh.

?: You need to stop selling Magiswords at these prices Ralphio! You're going to drive people bankrupt if you do!

Me: Wait I know that voice.

Nico: Someone beat us to it!

Me: Wow that was fast.

We looked in and saw a girl with aqua blue hair and neon blue clothes and had neon blue angel wings and had a really awesome glowing blue blade sword!

Me: (GASP) Sora Phaaze!?

Sora saw me and she had blue eyes and the Metroid Icon on her arm and forehead.

Sora Phaaze: J.D.!

Me and Sora hugged.

Me: Sora this is awesome seeing you here.

Sora Phaaze: Sorry about all the yelling I was in the middle of giving Ralphio here a piece of my mind about these ridiculous prices on these magiswords.

Me: What a coincidence. We were going to do the same thing. Oh guys meet Sora Phaaze.

Sora Phaaze: Awesome to meet you all.

Nico: Same here to you Sora.

Me: Sora was born on the planet Phaaze.

Nicole: Whoa the Source of all the Phazon and the epicenter of the Phazon Crisis.

Sora Phaaze: That's right. I was born on the planet K2L originally but I landed on the planet Phaaze when I was a baby. I was badly wounded and I was injected with liquid Phazon which not only healed me but gave me incredible powers. As a result my hair turned aqua blue and my eyes turned neon blue as well. And I got these wings too.

Nico: Wow that is amazing!

Sora Phaaze: It sure is. And I see you got reacquainted with the Baby Metroid.

Lola: We sure did.

Maria: You know this Metroid is used as an Assist Trophy, right?

Sora Phaaze: Yes I sure do.

Maria: Just wanting to be sure.

Me: Anyway where were we? Oh right.

We walked up to Ralphio.

Me: Ralphio we need to talk about these ridiculous prices you have been selling Magiswords for!

Ralphio: What's the big deal? You guys have enough money, don't you?

Me: Yes we do have more than enough money. That's true. But we're not talking about us. We're talking about the Warrior Siblings.

Ralphio: Ah yes my two best customers. How are they doing?

Me: They are doing good. I'll be sure to relay the message that you are thinking about them. But that's besides the point. We're here because we're talking about these ridiculous prices you have been selling the magiswords for. Look at these. 950,000 Jemms for a Tongue Twist Magisword.

Lola: 9,000,000 Jemms for a Fruit Tree Magisword.

Xenia: 90,000,000 Jemms for a Chili Pepper Magisword!? This is crazy!

Qin: Yeah!

Me: Also I found this one over in Yellowstone National Park a couple of weeks ago.

I showed him the Steaming Geyser Magisword.

Me: Look at this. 90 billion Jemms for this one!? That is insane!

Ralphio: It really is nothing personal. It isn't. But I have to keep the prices high or it's bad for business. You understand, right?

Me: Maybe so but to quote Double D all items have to be sold at prices that are both fair and economical. It's part of the business process.

Nico: That is something Double D would say.

Me: Yep. Also you're going to drive people bankrupt with those kinds of prices.

Ralphio: (sighs) Okay. Maybe lowering g the prices a bit won't hurt.

Nico: What's the worst that can happen?

Me: Nico please don't ask that. Otherwise something bad REALLY WILL happen.

Nico: Sorry.

He lowered the prices of the magiswords to something affordable. Then ZOOOM! The customers all poured in and bought EVERY SINGLE MAGISWORD there was in the store! CLEANING HIM OUT! There was a massive bag of jemms by us.

Ralphio: WHOA! Wow that really helped.

Me: (Dazed) Anyone get the number of the people that trampled me over? (Blubbers) Holy guacamole!

Ralphio: Thanks guys! That really helped a lot.

Me: Anytime.

But then…

ROOOOOOAAARRRR!

Sora Phaaze: Whoa what was that!?

Me: Oh boy.

Nico: (hears a roar) Eli, can you please sense for Swartz's creations?

Eli: Okay.

He concentrated.

Eli: Found 2 of them. 300 klicks away to the northwest.

Me: It'll be a while before they get here but lets go see where that roar came from.

Nico: Right!

But then we smelled something REALLY FOUL!

Nico: What's that smell?!

Me: (Sniffing) It smells like Garlic! Really strong garlic!

Eli: WHEW! That is strong! Not even a vampire would want to come near that. No offense Lucy.

Lucy Loud: None taken.

Me: I sense that it's coming from the Kotassian Garlic District.

Nico: Lets go!

SOON! IN THE KOTASSIAN GARLIC DISTRICT!

We arrived and saw a huge muscular bunny hulk creature! AND HE SMELLED LIKE REALLY STRONG GARLIC!

Me: WHOA! He is huge!

Hulk Rabbit: (ROARS)

Me: And he smells HORRIBLE!

It grabbed Nico and slammed him to the ground several times.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

He threw Nico into a tree and it smashed onto him!

Nico: I'm hurt now!

Prohyas and Vambre came!

Both: Cease and desist you stinker!

Me: Perfect timing guys!

Vambre: (British Accent) Thank you.

I saw a garlic Magisword with a sinister face on it.

I kicked it out of his hands and grabbed it and to our shock the hulk bunny was really HOPPUS!

Vambre and Prohyas: Hoppus!?

Me: Hoppus!?

Eli: Hoppus!?

May: Hoppus!?

May got Nico out.

Nico: How did he get like that?!

Hoppus: (GROANS) So hungry.

Me: You ate this entire village Hoppus.

Prohyas: Yeah what he said.

Hoppus: Did I? I can explain. I can't go back to the farm for your mothers mouthwatering broccoli soup without Denelda getting in the way and I can't go back to the rabbit village because of unresolved story conflicts. So to get my vegetable intake I collected tons and tons of Vegetable Magiswords. I found a weird looking garlic

Magisword too. But that one just makes me hungrier and turns me into that thing.

Me: Hmm. This appears to be a Cursed Garlic Magisword.

Cursed Garlic Magisword: (Laughs) I sure am! (SINISTER LAUGHTER!)

Nico: WHOA!

Hoppus's stomach growled andhe was getting mad and hungry.

Hoppus: It's making me Hungry. YOU WOULDN'T LIKE ME WHEN I'M HUNGRY!

He then grabbed Juran and slammed him to the ground several times.

SMASH SMASH SMASH!

Juran grabbed Hoppus and knocked him down.

Juran: WHOA! Strong for a little guy.

Me: I may like Garlic on my spaghetti and pizza and all that but this is too much!

Jared then came.

Jared: Hey guys! I just got back from eating more of Kablamica's soup. (MEGA BELCH) Oops. Sorry.

Nico: No worries Jared.

Jared: Uh oh. Looks like you guys got trouble with Hoppus under the influence of the Cursed Garlic Magisword. Evil Luxord informed me that it escaped from a Magisword Safe in the M.O.E. HQ 3 days ago.

Hoppus then grabbed Gaon and slammed him to the ground several times.

SMASH SMASH SMASH SMASH SMASH!

Jared: GEEZ!

Gaon got up and grabbed him and smashed him down.

Eli: I got this!

He used the Force and held Hoppus in place!

Eli: (GROANS) HE IS REALLY STRONG!

Nico then grabbed Hoppus by his arms.

Me: Prohyas, Vambre, Everyone we're going to need all the Vegetable Magiswords we can muster to sooth this savage beast!

Vambre: I have a feeling you're right!

Me: Lets do it!

We spun our Magisword Bracelets!

ALL THE VEGETABLE MAGISWORDS!

All of us: OMEGA SUPER TEAMWORK COMBO: ALL YOU CAN EAT SALAD BAR!

We fired a massive stream of vegetables of all kinds of Hoppus's mouth and he was stuffed and full and then he belched loudly and he fell asleep.

Nico: WHOA! Nice thinking guys!

Jared: Awesome idea dad.

Me: Thanks.

Vroon: He would've attacked me next!

Me: Shh!

Vroon: Oops sorry.

Vypra: I'll have Dark come and take him and the Cursed Garlic

Magisword back to HQ.

ZOOOM!

Dark came in his XLR8 form.

Dark Spicer: Wow you guys did great.

Me: Sorry about the mess.

Dark Spicer: No worries.

He picked up Hoppus and the Cursed Garlic Magisword and teleported back to the HQ.

Me: We're not done yet.

Nico: Nope.

Me: You aren't hurt too badly are you Nico?

Nico: I'm fine. But Juran and Gaon got beat up too.

Juran: Nah we're okay. Besides it'll take more than him to beat us up.

Gaon: Yeah we're tough.

Sora Phaaze: But that was intense.

Me: Boy no kidding there.

Misty Brightdawn: Thank goodness I don't like garlic myself.

Me: Yeah no kidding. After seeing the Cursed Garlic Magisword, I'm never looking at garlic the same way again.

Nico: Me neither.

Jared: Who can blame you guys.

LOUD FART TOOT!

Jared farted like Garby did.

Jared: Whoops. Sorry.

Me: No worries son. Broccoli does the same thing to me too.

Qin: Jeez.

Me: Yeah.

Nico: Who's up next?

Eli: I sense that Another Kerosan is coming.

Me: The Firedancing Demon Titan.

Qin: Wow!

Nico: This one will be interesting to see.

Lola: I love firedancing. It's awesome.

Nico: It sure is and it's a great and graceful work of dancing too.

Maria: Seriously, who's next?

Me: We were just wondering what the next Another Huntik Titan was too.

Maria: Oh no worries.

Lola: I'll do this one. I love dancing and I use fire sometimes in my ribbon dancing too.

Xenia: Awesome. You have the makings of a graceful firedancer Lola.

Lola: Thanks.

Lincoln: Lola used Firedancing combined with Ribbon Dancing in her pageants and become Little Miss Sirena Serpentina.

Nico: Cool! What's that?

Me: It's a special Firedancing Group that lives over in Los Angeles, California and they are great firedancers.

Qin: Wow!

Nico: That is cool!

Xenia: Yeah it is.

Then walls of fire were creeping up to us.

Nico: Get ready!

Me: Whoa!

Then out of a vortex of fire came a dark version of Kerosan! It was ANOTHER KEROSAN!

Lola: Whoa!

Xenia: Another Kerosan!

Jared: Wow! This one is infernal.

Sora Phaaze: You got that right.

Another Kerosan: (In a girls voice) Great entrance though.

Me: Jane Sirenia! Wow!

She reverted back and was a girl with black hair and had orange and red clothes and had fire angel wings and she had a torch staff.

Jane Sirenia: But it's good to see you again J.D.

Me: You too Jane.

Nico: How do you know her?

Me: Jane is a great firedancer and she is an amazing and great master of fire and loves incredibly spicy foods like me.

Jane Sirenia: Yep.

Nico: That is awesome.

Lola: Sit back and let the fireworks happen. Literally! (sighs) Great. I'm starting to sound like Lori now.

Lori: (Offscreen) I HEARD THAT!

Lola: Sharp hearing. Oh wait the mandatory questions for this.

Me: Right. Jane are there any other opponents besides you?

Jane Sirenia: Yes there are. Another version of her.

She pointed to Vypra.

Vypra: Another version of me!?

Me: Whoa this will be interesting. Friendly or Hostile?

Jane Sirenia: Friendly. And this one knows you well J.D.

Me: Interesting.

Nico: Be on guard. Another Vypra could be anywhere!

We were on the alert.

But then a figure came out and it was ANOTHER VYPRA! She had black bat wings and black hair.

Me: Whoa!

Qin: Wow! Another Vypra!

Lola: Looking good!

Nico: Whoever you are, you've became the Another Version of Vypra. You should be honored.

Another Vypra: Oh I sure am.

Me: (GASP) That voice. Lorelai Vypra.

Vypra: (GASP) It can't be!?

Another Vypra: Yeah.

She reverted back and it was a blue version of Vypra but she had blue angel wings and had a blue sword and had blue hair and had blue eyes and black pants and a blue midriff top.

Lorelai Vypra: Been a long time twin sister.

WE GASPED IN SHOCK!

Nico: Vypra has a twin sister!?

Lola: WHOA MAN! First bad blood with Praxina and now we find out that she has a 2nd Sister.

Vypra and Lorelai then hugged each other for the first time in like ever.

Vypra: Sister I have so much to tell you.

Lorelai Vypra: I know. I know. I heard about everything from Swartz and how you were double crossed by Queen Bansheera.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Lorelai Vypra: He promised to help me get revenge on Bansheera.

Me: Well too late for that. Bansheera is gone for good. I gave her the Black Gates from the Dream World.

Nico: Yeah it's an amazing story.

Vypra: It's true sister.

Lorelai Vypra: I'm glad she is gone and I heard that Praxina is back too. J.D. can you give that witch the Black Gates as well?

Me: I was going to do just that. But Vypra already has her in the M.O.E. Prison.

Nico: Yep.

Me: Vypra said she plans to have her put into the M.O.E. in the future.

Nico: Yeah.

Me: Sorry we have to fight like this Lorelai.

Lorelai Vypra: No worries J.D.

Vypra: Help her and take care of her J.D. But if I find out that you have done something to her I will give you the worst ever castration ever!

She had her sword pointed right at my crotch!

Me: (GULPS) Okay okay okay Vypra. You have my word.

Vypra: Good.

Lorelai turned into Another Vypra.

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Nico: YEAH!

Me: Lets do it.

Nico: (gets out Vypra's Ridewatch) Don't worry about Praxina. She's been behaving herself ever since we caught her.

Another Vypra: Good. I hope so.

Me: That you can be sure of.

Another Vypra: Good.

Nico activated it and got Vypra's sword and they clashed and sparks flew all over.

He jumped back and fired a blast of lightning and smashed her down.

Nico: (gets out May Kanker's Ridewatch) Also, Vypra is a good opponent to have in the usual battles. And a damn good leader!

Another Vypra: That is for sure! I heard so much about what she was doing since the end of the Battle with Thanos and I'm proud of her.

Me: We all are. We weren't at first but now we are.

Nico activated it and I grabbed Nico and used him as a battering ram.

Me: Time to use your head Nico.

I ran fast.

Nico: BUT I DON'T WANT TO USE MY HEAD!

Me: (ROARS)

Nico: (SCREAMS)

SMASH!

We sent her flying and she smashed into a rock!

Nico: NICE!

She got up.

May Kanker: That was funny!

Me: Now Nico knows how Rex feels.

May: Have a drink! (ACTIVATES NASTY CANASTA'S RIDEWATCH)

She made a drink of Old Panther, Cobra Fang Juice and Hydrogen Bitters and Another Vypra drank it and she was acting funny.

Another Vypra: (Acting stupid) Mary had a wittle wamb, it's fleece was white as snow and everywhere that Mary went the wamb was sure to go.

Shew acted like a wind up toy and flew into into the air and smashed into the ground.

Me: Never get tired of that gag!

May: Feel the power of Napoleon! (ACTIVATES MARCEL'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: (gets out Cloaked Ghostfreak's Ridewatch) It's like I'm using one of Ben's aliens.

She activated it and flew in front of her.

Maria: Want to see something really scary?

She opened her shirt and scared her bad with a ghost image!

Maria: That was awesome.

She jumped back.

Maria: And this too. (ACTIVATES NES GHIDORAH'S RIDEWATCH)

She fired Gravity Lightning blasts and smashed her all over.

Tony Jones: Now here is a good one. (ACTIVATES MAY KANKER'S RIDEWATCH)

Me: Time to use your head Tony!

I ran fast with him like a battering ram!

Tony Jones: BUT I DON'T WANT TO USE MY HEAD!

Me: (ROARS)

Tony Jones: (SCREAMS)

SMASH!

She was smashed into a rock!

Another Vypra got up.

Then Duskmon, and his team consisting of Phantom Blot, Black Suit Spidey, Dark Bones, Snake Demon, and the Hell-Ementals came.

Nico: Nice team, Duskmon!

Duskmon: Thanks Nico. This is gonna be awesome.

Spiderman: Wow! I forgot what it was like for me wearing a black suit.

Black Suit Spiderman: It sure is different.

Lola: I'll say.

Duskmon: (to Another Vypra) Wait until you meet Dark.

Another Vypra: I know he will take great care of my sister.

Qin: He is a great boyfriend to her.

Me: Yep.

Then we saw a Wingull and a Pelipper appear.

Me: Wow a Wingull and Pelipper.

Maria: I think we found the next Gene Slammers.

Me: More like THEY found us.

Wingull: (In a girls voice) (Cajun Accent) Ooowee! We sure did.

Pelipper: (In a girls voice) (Cajun Accent) Ooowee! And it's going to be awesome.

Nico: Naomi and Nina Pepperdance!? Wow!

Me: Wait you mean the Great Cajun Creole Twins!? Wow! I love all the awesome food you made!

Wingull: Andouile! It's great food there.

Me: Boy every time I saw you girls cook on TV you made me hungry. And I love the hot sauces you made too.

Pelipper: Glad you like our food. We got this.

They fired Bubblebeam blasts and knocked down Another Vypra and I caught the Ridewatch and purified it and I went and brought her over.

Tony Jones: What's your favorite memory of Nico?

Wingull: Our favorites are when we made Nico all of his favorites from Louisiana.

Pelipper: Ooowee! We made an all you can eat buffet of food for him.

Nico: And I ate it all and man was it delicious. I even put their hottest hot sauce on some of it and man was it great.

Me: We'll have to try it all. Lets get you girls back to normal.

I put on my blind man glasses and Nico got out 2 red Leotards and I snapped my fingers and the boys covered their eyes.

They were back to normal. Nina was a girl with red hair and blue eyes and Naomi was a girl with purple hair and orange eyes.

Naomi Pepperdance: (Groans)

They put on their leotards.

Naomi Pepperdance: (Groans) Ooowee! I feel like I got hit by a boatload of Moonscar Island Peppers.

Nina Pepperdance: Me too.

They got up and Nico hugged them.

Nico: I missed you girls.

Naomi Pepperdance: We did too Nico. We did too.

Nina Pepperdance: We'll cook something for you guys later.

Me: Awesome.

Laney: We can't wait.

Lana: Comic Book Guy would like to try some too if that's okay.

Vypra: He loves his food.

Xenia: Yeah he sure does.

We later went back home.

Lincoln: Wow, we're here in Okinawa, Japan, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but, Digimon Digital Heroes, we got a problem: our old enemy, local thug, Logan Gatlin, has escaped from prison, and he still wants to destroy us all.

Haruhi Kamiya: Not that miserable thug again, I thought we trounced him and sent him running long ago.

Me: Oh boy, I have a feeling I'm not going to like hearing about this asshole.

Lincoln: You certainly aren't going to, J.D. Logan Gatlin is a heartless thug who terrorized all of Royal Woods for years, and he's also tried numerous times to kill us, and even worse, he worshipped The Seven Demon Lords, The Digimon Emperor, and that evil genocidal mad scientist lunatic, Kurata, for all the evil things they'd done to both The Digital World and the human world.

Nico: What a delusional fucking sicko.

Lincoln: He certainly is an absolute sicko. After he'd heard we destroyed The Seven Demon Lords long ago, along with throwing The Digimon Emperor in prison, and finally giving that delusional genocidal mad scientist, Kurata, The Black Gates, he eventually went absolutely insane, and now, he's here in Okinawa, and he still wants our heads on a pike for what we did to save the world.

Haruhi Kamiya: It's time that psychopathic sicko learns a very painful lesson on what happens when he worships three of the most dangerous evils ever to haunt the Digital World and the human world.

Lincoln: You got that right, Haruhi, and I want to thank you and your team for joining us, Lane.

Lane: You're welcome, Lincoln. Now, where's that sicko hiding at?!

Suddenly, we saw a beautiful girl with long red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, she has on a tiara with the Kamen Rider Saber logo, she's dressed in a short-sleeved red blouse, sleeveless red midriff top, necklace with the Kamen Rider Saber logo for the pendant, red skirt and she has the Brave Dragon and Elemental Dragon Wonder Ride Books on her waist, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with elemental forces, dragons, and angels on the coattails and on the back is the Kamen Rider Saber logo and holstered on her back is a massive Brave Dragon and Elemental Dragon-themed greatsword with embedded red gems and Brave Dragon and Elemental Dragon etched on the 7'0" massive, wide, double-edged white blade, large crimson red dragon heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large crimson red dragon heads and large red gem on the bottom of the large crimson red heads for the pommel, and in her hand is the Kaenken Rekka for the Brave Dragon, and she has the eleven girls with her.

Sailor Savrille: Whoa!

Qin: She looks just like Kita Yuan, because of the tiara and necklace with the Kamen Rider Saber logo.

Girl: I do, but not exactly, in fact, I'm someone that Lincoln knows all too well, and I also got the eleven girls away from that thug.

Lincoln: (Gasps) Taylor Kamiyama, Embodiment of Kamen Rider Saber, I knew it was you, it's really awesome to see you again.

?: I WILL KILL YOU STUPID DIGIMON HEROES FOR DESTROYING THE SEVEN DEMON LORDS AND I WILL KILL ALL OF TEAM LOUD PHOENIX STORM FOR WHAT YOU DID TO THE DIGIMON EMPEROR AND KURATA!

We saw our target: Logan Gatlin, the heartless thug and fanatical worshipper of The Seven Demon Lords, The Digimon Emperor, and that evil genocidal mad scientist lunatic, Kurata. He's a thug with black hair, eyes full of hatred and insanity, and he's dressed in black punk clothes.

Lincoln: Should've known you'd show up right on time, Logan, now we can teach you a lesson.

Then, Lincoln fired elemental blades from powerful swings of his massive greatsword, and the blades pierced Logan Gatlin and he was pinned to a wall like he was crucified, then Lincoln sprouted out two muscular tentacles from his back and on the tips are suckers, and as they latched onto Logan Gatlin's chest, they began to suck out and drain him dry of every last drop of blood. Then, as soon as Lincoln was done, the tentacles then unlatched themselves and went back, Logan Gatlin looked like a lifeless corpse, and when his spirit appeared, Lincoln drew the Judgement Kanji on his forehead, and he was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you never to come after us ever again, you ruthless thug. (To Taylor Kamiyama) And it's so good to see you again, Taylor Kamiyama.

Taylor Kamiyama: You too, Lincoln, it's been a long time.

Lincoln went up to Taylor Kamiyama and he hugged her, and Taylor Kamiyama is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Taylor Kamiyama: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Taylor Kamiyama, Embodiment of Kamen Rider Saber, she's my Guardian Angel from Japan and she's my classmate in Gym. Just like Kita Yuan, Embodiment of Kamen Rider Saber, Taylor Kamiyama was born and blessed with incredible elemental powers and immortality, and she introduced me to Kamen Rider Saber when we were eight years old, and have watched every episode ever since.

Megan Kiraton: I introduced him to the other incarnations of Kamen Rider when we were seven years old, but Taylor was indeed the one who introduced him to Kamen Rider Saber.

Lincoln: That's right, Megan, and I made Taylor a tiara with the Kamen Rider Saber logo on it and necklace with Kamen Rider Saber logo for the pendant, and to show thanks, she kissed me on the lips. And you all are going to be in for one explosive surprise:

Taylor Kamiyama is also the sister of Touma Kamiyama A.K.A. Kamen Rider Saber.

CLANG CLANG!

My jaw dropped to the floor and so did Nico's.

Lincoln put our jaws back.

Nico: Wait, what?!

Me: So, Taylor is…?!

Touma: Yes, she's my sister alright, and it's so good to see you again, Taylor.

Taylor Kamiyama: You too, Touma.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storius, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has The Brave Dragon and Elemental Dragon Wonder Ride Books, awesome.

Lincoln: Yep, along with the Kaenken Rekka, the weapon of Kamen Rider Saber, and a massive Brave Dragon and Elemental Dragon-themed Greatsword and she hates Flip with a burning passion.

Taylor Kamiyama: And I've got quite a tale to tell you all of how I set his butt on fire with a page I read from the Brave Dragon Book. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Taylor Kamiyama: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Taylor Kamiyama: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln's deep sapphire blue eyes turned deep red as he went up to

Taylor Kamiyama, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Taylor Kamiyama: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Taylor Kamiyama's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Taylor Kamiyama: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Taylor Kamiyama.

Taylor Kamiyama had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw who they were, he immediately recognized them. The eleven girls are Naoko Izumi, Mayuko Asano, Chikako Shirai, Saeko Iijima, and Miyabi Aizawa from Great Teacher Onizuka, Mila from Dead or Alive, and Alice Carrol, Annie Murakami, Cassandra, Pupa Salgueiro, and Sonia Romanenko from Rage of the Dragons.

Lincoln: Oh wow, it's Naoko Izumi, Mayuko Asano, Chikako Shirai, Saeko Iijima, and Miyabi Aizawa from Great Teacher Onizuka, Mila from Dead or Alive, and Alice Carrol, Annie Murakami, Cassandra, Pupa Salgueiro, and Sonia Romanenko from Rage of the Dragons.

Nicole: Whoa, awesome.

Lynn Baker: (Gasps) Oh man, Alice, Annie, Cassandra, Pupa, and Sonia were here?! Thank goodness Taylor got them away from that lunatic.

Lincoln: She sure did, that's what happens when you mess with one of my Guardian Angels. And are you girls okay?

Naoko Izumi: Yes, we're okay, thanks to you.

Then, when Naoko Izumi and the other ten girls saw who it was that saved them from Logan Gatlin, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of

Naoko Izumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Naoko Izumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Naoko Izumi, Mayuko Asano, Chikako Shirai, Saeko Iijima, Miyabi Aizawa, Mila, Alice Carrol, Annie Murakami, Cassandra, Pupa Salgueiro, and Sonia Romanenko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was an old enemy of The Digimon Digital Heroes named Logan Gatlin, a heartless thug who terrorized all of Royal Woods for years, and also tried numerous times to kill the Digimon Digital Heroes, and even worse, he worshipped The Seven Demon Lords, The Digimon Emperor, and that evil genocidal mad scientist, Kurata, for all the evil things they'd done to both The Digital World and the human world, and after he'd heard that Lincoln and The Digimon Digital Heroes destroyed The Seven Demon Lords long ago, and us throwing The Digimon Emperor in prison and gave Kurata The Black Gates, he went absolutely insane, but was sent running, but he still wanted our heads on a pike for what we did to save the world.

But, when Lincoln showed what we did in beating that insane thug down and Lincoln finishing him off by using the Star Vampire's feeding method of using those muscular tentacles he'd sprouted from his back to suck out and drain him dry of every last drop of blood and sending his spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Taylor Kamiyama have a lot of catching up to do, now that she's back in town.

Maria: At least, that lunatic has been destroyed for good, and we met the Embodiment of Kamen Rider Saber on Lincoln's side, and she's also Touma's sister, that's awesome.

Lincoln: It sure is.

Me: Which means that the other Embodiments of the Kamen Rider Saber team are also relatives of Touma's team, nice.

Nico: And the Embodiment of Storious is Storious' sister, but she hates her brother that much.

Lincoln: That's right.

---

After finally destroying Logan Gatlin and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Taylor Kamiyama saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Taylor Kamiyama: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Taylor, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Taylor Kamiyama: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Taylor Kamiyama: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Umihana, Sara, Darla, Andrea, Jennifer, Tari, Mari, Tari, Tara, Sora, Kaede, and Taylor, what memories did you have with Lincoln?

Umihana Kamihara: Oh, I remembered this one time, Lincoln, along with me, Sara, Darla, Andrea, Jennifer, Tari, Mari, Tari, Tara, Sora, and Kaede had an awesome time swimming at Lake Huron, and we were doing some martial arts underwater. But, then, we heard a loud burp as the ground shook like crazy, but even from underneath the water, we knew there was no mistaking that loud burp from anywhere: it was Lynn, and she was on the rampage again. We saw her jump into Lake Huron and she was about to attack us, but Lincoln and I used our underwater karate and we defeated her, she may be used to land karate, but we're both masters of karate both on land and in water.

Sandy Cheeks: Whew, remind me to have a sparring session with y'all one day, I want to see this for myself.

Tari Ginka: We will, Sandy.

Lincoln: Lynn's attempt to kill us eventually ended in failure for her though, after we defeated her and I tied her up again, we got out of Lake Huron and dragged Lynn home where we told Mom and Dad of what she tried to do, and as a result, Lynn got grounded for two months, and we soon found out Lori, Lola, Lisa, and Luan were also involved in the plot, and they got grounded for three months, and we threw Lori, Lola, Lisa, and Luan in separate metal cages, while we threw Lynn in a metal box, and she roared and punched at the door to try and burst out, but Umihana gave her the finger, and that set Lynn off as she roared and beat her chest like a gorilla again.

Nico: Sheesh, Lynn was a monster with that Dark Side of hers.

Lincoln: And when a Packing Day is declared, she becomes even more of a monster. But, I showed her what a real monster looked like on that very Packing Day when she attacked Miyuki years ago.

Taylor Kamiyama: Lynn had it coming that day, okay, now for my turn. One day, Lincoln and I were finishing doing some shopping at the supermarket, and it was only us since Mr. and Mrs. Loud had to look after Lily, Luna, Laney, Lucy, and Lana were with their friends, Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were grounded in their rooms after I busted them for trying to kill Lincoln again. But, then, as we were walking home, we heard a really loud bellow of rage and Lincoln caught the stench of an unwashed cheapskate, and we saw who it was heading for us: Flip, Royal Woods' stupid mutant cheapskate, and he was really enraged, but before he could attack, Lincoln fired a powerful fireball at Flip and he went flying into a tree. Then, I read a verse from my Wonder Ride Book, and a dragon appeared and it fired a breath of fire at Flip's butt and he got burned badly. Then, Lincoln called the cops and Flip got arrested and sent back to prison, this time, he got another Life Sentence added to the Life Sentences he's been accumulating.

Me: Whoa, so that red dragon I saw that day… , that was you?!

Taylor Kamiyama: Yep.

Nico: Sheesh, Flip made the big mistake in trying to mess with your sister, Touma.

Touma: He sure did.

May: But, that was some awesome work using your Wonder Ride Book to give Flip a nasty dose of pain, Taylor.

Taylor Kamiyama: Thanks, May. So, is it also true that you guys have Wonder Ride Books imbued with the powers of your archenemies in The Masters of Evil?

Lincoln: Yeah, we do, and there's only one person to blame for that: Swartz.

Touma: When the team told us of what Swartz did, we were absolutely pissed off, but we're glad he got The Black Gates for good.

Me: Same here.

We got a shower, and then, Lincoln, Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha are heading to Kujukuri Beach in Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new

large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Menoa Bellucci: Wow, so this is Kujukiri Beach, awesome.

Lincoln: I've never been here before, but from what I heard from my Guardian Angels from Japan and our friends from Japan, Kujukiri Beach is amazing, and it's also a perfect spot to do some surfing. Shall we?

Lincoln, Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there and they also did some surfing, then they went back to the beach and they also had a game of volleyball, and Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha, and they hugged the girls in their abnormally massive and powerful muscular arms, and Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Kujukiri Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Menoa Bellucci, Sonnya, Anna, Catherine Deneuve, Narissa, Shauna, and Natasha are now part of your harem, awesome!

Nico: And you guys went to Kujukiri Beach?! I haven't been there in a long time.

Me: I've heard about it before, but I've never gone there.

Lincoln: It's really awesome, and it's also a perfect spot to do some surfing there.

---

Later it was time for Nerissa's final mission.

William: Anyone else want to go with Nerissa? Besides Kairi Yano, Lupin, and Keiichiro?

Caleb: I'll go.

Me: Caleb are you sure?

Caleb: Yes I am.

Me: Well okay. Anyone else?

Robin: Me and the titans will go too.

Me: Okay lets go.

We were off to the 31st Century in Universe 10.

---

UNIVERSE 10 - 31ST CENTURY!

---

We arrived and saw the legion fighting the Legion of Supervillains!

Me: Whoa it's Mekt's teammates!

Nico: Lets go!

We went at them and punched and pounded and pulverized them!

Legion Superman: Hey guys!

Me: Hope we're not too late to join the party!

I punched Ron Karr and knocked him out.

Chameleon Boy: (to Ron Karr) I remember you helping to save my home planet, dude. Consider getting you recruited even.

Ron Karr: Well things change.

Me: You can always get recruited into our frenemies in the Masters of Evil

Twilight Sparkle: That's right.

Wave: You guys are a really formidable force.

Maria: So we have heard.

Maria fired waves of water and smashed her down.

Starfire blasted down Ty.

Ferro Lad: We heard that you've included some of us in your teams. Honestly, us helping you guys out on rescues before the big day doesn't bother us.

Me: Oh thank goodness.

Nico: We're glad to have you with us as guests before the big day.

Laney: Yeah this will be awesome.

Nico: (to Legion Superman) Has anyone told you that you sound like Ben Tennyson?

Me: I was just about to point that out.

Legion Superman: I sure do sound like him don't I?

Me: Yeah you sure do.

Eli: That is coincidental.

Me: Yeah. Both Kal L and Superman here sound like him. Kal L. sounds like Sasuke too.

Kal L.: An Evil Sasuke?

Me: No the good Sasuke. Even though they sound alike they both sound like they do have the same voice.

Nico: That is true.

Bouncing Boy: We had a great time.

Legion Superman: How about you guys?

Me: We went to Paris, France for an awesome time of L'amour.

Nico: Yeah it was fun.

Lana: Yeah.

Nerissa: Have any other villains caused trouble since the last visit?

Me: I was just about to ask that.

Saturn Girl: Just one of them.

Me: Let me guess, the Fatal 5?

Phantom Girl: Yes! How did you know?

Me: Just call it a hunch.

Maria: Yeah. Also I had a feeling that Nerissa's final mission would involve them.

Me: Same here. Also Mitsuzane Kureshima the Gaim team rider of the Grape Arms has the prime universe version of Emerald Empress as his archenemy.

Nico: It's true.

Legion Superman: Wow that is intense.

Lupin: You guys try to find them. I'll go outside to take in the sights.

Me: Okay.

He went to find some valuables from criminals to swipe stuff from.

Me: Lupin and his gang hand a REALLY potent reputation of stealing only from criminals.

Nico: Yep.

Legion Superman: That is amazing.

Me: Yep. Oh.

I gave the Legion all their own legend items.

Me: Here are all your legend items guys.

Bouncing Boy: Nice!

Lupin went outside… only to find the entire Fatal Five there.

Emerald Empress: Hi. Can the Legion come out to play?

Lupin immediately went back inside.

Kairi Yano: Changed your mind?

Lupin: Slow criminal day.

Eli: I sense them! They are RIGHT Outside!

Me: Boy that was fast!

Nico: Saves us the trouble of having to hunt them down.

Me: Lets get them!

We went to face them.

We were facing THE FATAL FIVE!

Me: Sarya of Venegar A.K.A. Emerald Empress.

Emerald Empress: Team Loud Phoenix Storm.

Nico: Along with Nyeun Chun Ti A.K.A. Persuader, Mano, Tharok and Validus.

Validus: Nice to see you know who we are.

Me: Nice to know that we made an impression.

Emerald Empress: So, you really thought you could move onto Imperiex and leave us behind?

Legion Superman: To be fair, Imperiex was more evil.

Me: He's right on that.

Eli: Sorry we left you guys out.

Me: Looks like it's time for a big time asskicking!

Eli: Yeah!

Kairi Yano: Kaitou Change!

Keiichiro: Keisatsu Change!

They transformed!

Kairi Yano: (SNAPS FINGERS) LUPINRED!

Keiichiro: PAT1!

Kairi Yano: (to Persuader) Here's an advance notice: We're taking your treasure!

Keiichiro: (to Tharok) In the name of the GSPO, We're taking you down by force!

Me: And we're going to kick all your big ugly fucking asses!

Keiichiro fired his VS Changer at Tharok. Kairi Yano followed Keiichiro's example and somersaulted towards Persuader, Mano charged at Legion Superman, Nerissa flew towards Emerald Empress, and Lupin jumped to avoid Validus' fist.

I teleported and punched Mano in his face and fired energy blasts and blasted him all over.

Emerald Empress fired a green energy blast at me and I teleported and it hit Mano instead!

Mano: (to Legion Superman) Been a while since I fought you.

Legion Superman: (gets out Universe 666 Toneri Ōtsutsuki's Fullbottle) Well, I've learned some new tricks since then.

UNIVERSE 666 TONERI ŌTSUTSUKI! UNIVERSE 666 ANUBIS! BEST MATCH!

He turned into an awesome green fire version of Naruto's Tailed Beast Mode and fired blasts of green energy balls and smashed down Mano all over in intensely powerful explosions!

Nico: WHOA! What power!

Me: AWESOME! Just like in 150,000 years.

Nico: Yep.

Validus: (to Lupin) Hold still, will you?!

Lupin: (gets out Bug-Eaten's Fullbottle): Alright. But you're gonna be sorry that I did.

BUG-EATEN! MTG PLAGUE RATS! BEST MATCH!

He grew rat teeth and bit Validus!

CRUNCH!

Validus screamed!

Validus then got REALLY REALLY SICK!

He was HURLING HIS GUTS OUT!

Persuader: (to Kairi Yano) Not gonna steal my axe?

Kairi Yano: (gets out Don Octavio's Fullbottle) Nah. It's too big for my taste

DON OCTAVIO! GENERAL TSAO! BEST MATCH!

He fired waves of energy and blasted him down.

Lola fired waves of fire and blasted him and burned him.

Tharok: Always wanted to take down a cop!

Keiichiro: (gets out El Jefe's Fullbottle) Careful what you wish for!

EL JEFE! BIG TOE! BEST MATCH!

He fired waves of lightning and fire and blasted Tharok down!

I fired waves of energy and blasted down Emerald Empress.

Me: You know Sarya, this is your Prime Universe Archenemy's power.

EMERALD EMPRESS! EMERALD! BEST MATCH!

I fired a green energy blast and blasted her down.

Emerald Empress tried to use her Emerald Eye on Nerissa.

Emerald Empress: Now, look into the eye.

Nerissa: Sorry. But I've used mind control before. You think I'm not immune to it?

Nerissa fired a massive lightning blast and it hit her and electrocuted her.

Nico fired waves of energy and lightning and blasted them down.

Unknown to us, the next Gene Slammer was watching.

It jumped out.

Then a psychic energy wave was felt and all the Fatal Five were brought together and we flew and tied them all up.

Me: Whoa! Nice!

Nico: That was great! Thanks Saturn Girl!

Saturn Girl: Uh I didn't do anything.

Kairi Yano: Furthermore… adieu!

Keiichiro: Mission complete!

Me: Consider all 5 of your asses kicked!

Nico: Big time!

?: By me.

We saw a Gardevoir!

Me: Whoa a Gardevoir.

Laney: Beautiful Pokemon.

Gardevoir: (In a girls voice) (Posh Accent) Oh I am a very beautiful Pokemon aren't I darlings.

Nico: Margaret Gilroy!? Whoa!

She reverted back and was a girl that had green hair in the same style as Rarity's and had green eyes and pink and green clothes with jewels on them.

Me: Wait a second you're another awesome top dog fashion designer that I remember seeing in some fashion magazines that Leni had.

Leni: (GASP) O.M. Gosh! It's totes an honor to meet you! I didn't know you were one of Nico's friends.

Margaret Gilroy: I most certainly am and it's amazing to meet you all darlings.

Me: Same to you Margaret.

Legion Superman: What's your favorite memory of Nico?

Margaret Gilroy: My favorite is when me and Nico made this absolutely beautiful designer dress for an amazing gala that was being held in England.

Me: Wait the famous Watermelon Tourmaline Diamond Dress was your doing!?

Nico: Yep.

Me: Whoa! That dress is beautiful!

Leni: O.M. Gosh! That dress is so totes gorge.

Lola: It sure is!

Laney: No kidding. That is so cool!

Margaret Gilroy: It sure is.

Nico and Margaret hugged.

Nico: I've really missed you.

Margaret Gilroy: Me too darling. Me too.

Legion Superman: Nerissa, ever since I met you, I've seen you as a big sister.

Nerissa: Really? Oh Superman.

She and Superman gently hugged

Me: So awesome.

* * *

Later we came back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything and more and it was awesome.

May: Whoa that is awesome!

Qin: Yeah it sure was awesome!

Xenia: YEAH!.

May: Missy, for your first mission, Ultimate Alliance Iron Man and 2 Rabbids should go with you.

Missy Rodgers: Good idea! This is gonna be awesome!

Me: Yep and you're going to love your missions Missy. You're going to Eden City to help the Zevo-3 team.

Missy Rodgers: Neat!

Me: Yep.

Naomi Pepperdance: We also have these too.

She got out one of our all time favorites. HOT SAUCES!

They had a massive number of flavors too.

Timon: (gets some of Pumbaa's food) Hey, you gonna have that?

Pumbaa: Hey, that's mine!

Me: Now now guys there's plenty for everyone. Velma are you still intolerant of spicy?

Velma: I'm afraid so. My body tolerates spicy even less than someone ending a sentence with a preposition.

Nico: Ouch.

Naomi: Ooowee. But J.D. loves our food. Especially this.

She pulled out a bottle of glowing neon blue hot sauce! It was called THE FROSTBYTE APOCALYPSE OF HONDURAS NOVA SAUCE! It was emitting a low hum like a nuclear fuel rod.

Me: Whoa and you girls made all these hot sauces?

Nina: We sure did.

Me: This is gonna be good.

I started with the mildest one: Bayou Jalapeño. I put it on some Cajun Boudin and ate it and it was tasty.

Me: Mmm! Delicious.

Qin tried some.

Qin: Mmm! Yummy.

Cybertron Crumplezone: That must be the spiciest!

Naomi: No that's the mildest flavor. The Frostbyte Apocalypse of Honduras Nova sauce is the most hottest we made.

Comic Book Guy: But all the food is absolutely delicious.

Qin: It sure is.

Me: Hey Nico!

Nico: What is it?

Me: I challenge you to a spice off. Whoever can eat these 10 hottest flavors without crying wins and leads the team for the day!

Nico: (GASP) Oh you are on!

Highbrow: This should be interesting.

Me and Nico got to eating and then we were trying the hottest hot sauces.

Me: Time for the final boss level. You scared?

Nico: No way!

I put the glowing blue nightmare hotsauce on a bunch of po boy sandwiches and me and Nico ate it all down.

But then we glowed neon blue and our bodies rose in temperature and Nico's eyes had atomic supernova explosions in them and he was sweating waterfalls.

But then…

Nico: AAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

He screamed and blue fire exploded out of his mouth and he ran around like a chicken with its head cut off!

Nico: WATER! WATER! WATER! WATER!

Maria splashed him with water and a massive cloud of steam came out of his mouth!

Nico: Aaaaaahhh…. Looks like J.D. wins…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive blast of blue fire exploded from my mouth and it hit Nico and smashed him into the a sand barrier and knocked him down!

I absorbed all the fire!

Me: WOW! (COUGHS) That was intense!

Nico: Fine. You can lead. But only for today!

Me: Sorry Nico. That blast of fire was completely unintentional. But you did great too.

Nico: Thanks. And no worries.

Me: That was the hottest hot sauce I've ever had. And it was great.

We finished eating our meal and we were stuffed.

Me: Ahh. Man I am stuffed. (BURPS) Scuse me.

Qin: (BELCH) Me too. Pardon me.

Nico: Man that was great! Awesome meal girls.

Nina Pepperdance: Thanks Nico.

Eli: Everything was so delicious.

A Swellow was watching.

Then we saw it.

Me: Hey a Swellow.

Laney: Cool.

Swellow: (In a girls voice) That was an awesome meal you all had.

Nico: Jackie Yellowstone! Wow!

She reverted back and was a girl with blue and green clothes and had green hair and a ranger hat on.

Jackie Yellowstone: Park Ranger Jackie Yellowstone reporting.

Laney: Awesome! What park do you work at?

Jackie Yellowstone: Grand Canyon.

Me: Beautiful place. Largest natural canyon in North America.

Xenia: Yep.

May: What's your favorite memory of Nico?

Jackie Yellowstone: My favorite is when me and Nico found an ancient Anasazi Treasure in a cliff dwelling temple. We found the Amulet of Pawa.

Me: The goddess of the Moon in the Anasazi Myth.

Nicole: That's amazing.

Lola: Yeah!

Me: Boy the Grand Canyon is amazing.

Jackie Yellowstone: It sure is. And that amulet I'm still wearing to this day.

She had it around her neck. It was a blue and yellow jeweled moon amulet.

Nicole: Wow that is beautiful.

Lola: I'll say.

Jackie Yellowstone: It sure is.

Nnico and Jackie hugged.

Nico: I've really missed you Jackie.

Jackie Yellowstone: Me too Nico. Me too.

Comic Book Guy: I can honestly say this too. Best. Meal. Ever.

Qin: It sure was Jeff.

Homer: Boy we were hungry.

Nico: Me too J.D.

Aligned Bumblebee: I remember watching that movie with you guys.

Maria: That was so fun!

William: It sure was!

Me: I remember you guys had a great time watching that one.

The previous group came.

Red Guy: HELLO It's me the Red Guy!

Ben Ravencroft: Can me, Shiv, Beautiful Gorgeous, Ragdoll, Eccentro, Bonz, Multiplex, Dumbbelltron, King Hiss, and Zexion go with you guys?

Heart: Me, Nightstrike, Lipsyncher the lipstick monster, Indigestible

Wad, Red guy, Beany the Braindead Bison, Count Marzo, Laughing Ghosts, Kaa, and Spellbinder will come too.

Me: You sure can guys.

Nico: I gave J.D. permission to lead the team for the day.

Me: And I have just the mission for us too. We're going to San Ricardo and we're going to battle one of Puss N Boots's enemies.

Puss N Boots: It will be amazing for us.

Qin: Sweet!

Shiv: (Sniffs) Ew! I still smell garlic.

Me: Oh sorry. Nico, Juran and Gaon got the living shit beaten out of them by Hoppus who was under the influence of the Cursed Garlic Magisword.

Laney: Yeah it smelled horrible.

Me: Yeah not even vampires like Count Spankulot would want to go anywhere near anyone that smells like that big an amount of garlic.

Xenia: Yeah.

Chill Bill: Nico, which Gene Slammers do you think you'll meet next?

Nico: Masquerin and Breloom next.

Qin: Interesting.

Me: Yeah. I hope you have someone you know that is related to the great Harry Houdini that is the Masquerin Gene-slammer.

Lola: That would be awesome and cool.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure was Lorexxa, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Lorexxa of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Lorexxa, right, Irina?

Irina Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Annalise Halston: While you and Nico destroy Lorexxa and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we got an adventure happening at San Ricardo.

Lincoln: This is going to be so awesome, we get to see Puss in Boots' hometown way before he met Shrek and his friends in Far Far Away, and once we get done with the villain awaiting us, you better be ready to die, Lorexxa.

Irina Han: You better be ready to suffer, Lorexxa, for you shall be consumed by the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Puss In Boots: Amigos, I've kept you waiting long enough. It's time I showed you where my adventures all began.

Shiv: Lead the way!

Nightstrike: It'll be nice to see friends from your past.

Me: Lets head out people!

We were off to San Ricardo!

## SAN RICARDO - WORLD OF SHREK

We arrived in the world of Shrek and we were in the land of San Ricardo.

Me: Wow! So this is the village of San Ricardo.

Nico: It's beautiful.

Eli: It is awesome.

Camie: I'll say.

Me: Boy this place would make an amazing vacation spot.

Puss in Boots: Take a good look. Here is where I started out.

Eye Five: This is a nice place.

Me: It sure is.

Shrek: Boy Puss this is a really nice place lad.

Puss In Boots: It's home.

Me: Boy everyone here looks like they are living the life of happiness.

Beautiful Gorgeous: Are any of your friends here?

Lipsyncher the lipstick monster: It would be nice to meet them.

Puss In Boots: Here comes one now.

We saw Kitty Softpaws She was being chased by a bunch of thugs!

Nico: Kitty So

Puss In Boots: Lets take them down J.D.

Me: You got it amigo!

Me and Puss went at them and punched and slashed and kicked the thugs down and I took my sword and carved the letter J in the middle of his forehead.

Me: (Imitating Zorro) (Spanish Accent) To let the devil know who sent you.

Kitty Softpaws: Thanks for that guys and Puss it's awesome you're back!

Puss In Boots: Same to you Kitty.

Grave Clobber: You must be Puss' girlfriend. I bet you know what he's been up to these last several years.

Kitty Softpaws: I sure have and I'm so proud of Puss.

Me: We all are. Awesome to meet you Kitty.

Kitty Softpaws: Same here to you all and it's an honor to meet the famous Team Loud Phoenix Storm. I heard you all destroyed Fairy Godmother and Lord Farquaad.

Me: Well you're half right. No we didn't destroy Lord Farquaad. But we took on Fairy Godmother and Prince Charming.

Pipp Petals: We sure did and it was totes amazing.

Lola: It sure was.

Kitty Softpaws: And you must be his ogre and donkey friends.

Ragdoll: That's them.

Shrek: (laughs) Take a picture, lass. It'll last longer.

Indigestible Wad: Puss has been a great help to them.

Me: Yep. Meet Shrek and Donkey.

Shrek: Pleasure to meet you.

Donkey: Same here.

Swift Foot: Are you a siamese cat?

Kitty Softpaws: Not really sure myself.

Qin: But you and Puss are both awesome.

Puss: We get that a lot.

Xenia: Yeah.

Me: We also came to destroy one of your enemies.

Red Guy: And no. It ain't Humpty. We know he redeemed himself.

Eccentro: Speaking of whom, is he here?

A figure came out and it was Humpty Alexander Dumpty.

Humpty Dumpty: Awesome to see you guys!

Me: Same to you Humpty. You are a true hero and you saved this world too.

Nico: Yep.

Me: I have a pretty good idea on who it is.

Eli: Jack Horner?

Me: Jack Horner.

Nico: Oh boy.

Camie: What can you tell us about him?

Me: He is a ruthless monster and a powerhungry crime lord.

I went over his history.

---

Big Jack Horner is introduced in the film judging his company's new pie connoisseur, when he is joined by the Serpent Sisters who have brought him the map to the Wishing Star as requested. Big Jack Horner takes them to his trophy room where he shows them all the magical memorabilia he has collected and collected over the years, but still calling them "trinkets" compared to the Wishing Star. While viewing the map savoring the wish with which he would become the master of all magic, however, one of the Serpent Sisters asks him about the rhyme for which he became famous, and this reminds him of when as a child he used to perform on the streets in his classic nursery rhyme calling himself "Little Jack Horner" and being overtaken by magical creatures like Pinocchio, and Big Jack Horner claims that now that side of him "that had nothing magical about it" is long dead.

When paying the Serpent Sisters, Jack Horner offers them the Hand of King Midas so that one of them will be turned into gold, as he promised "their weight in gold". At that moment Baby Bear bursts into the room, causing Goldilocks, the Three Bears, Puss and Kitty to face Jack. The latter immediately recognizes Kitty, having worked for him in the past, but in the confusion generated by the Three Bears the two cats escape with the map. Big Jack Horner tries to block them using a trident to hit the flying carpet they were escaping with, but in the end Puss and Kitty still manage to escape and Big Jack Horner decides to gather the Baker's Dozen, to take all his magical objects and creatures and put them all inside his bag (except Cinderella's glass slipper which he promptly throws to the wall) and, having transformed a pumpkin into a tank with Fairy Godmother's wand, set off in pursuit of the enemies by locating them using a crystal ball.

Once they arrive in the Dark Forest, they find Goldilocks and the Three Bears and Jack throws them off the road by hitting them with

Excalibur, and then continues on to the field of flowers, the first evidence of the map wielded by Perrito. Jack orders his subordinates to cut them down, but when the plants rebel and start killing some members of the Baker's Dozen Jack Horner decides to resort to his weapons. He brings out what he thinks is a magical locust and orders it to eat the plants, but it turns out to be the Ethical Bug (the movie's version of the Talking Cricket from Pinocchio), who tries to convince him to help his subordinates despite Jack saying he doesn't want to bother with what happens to his subordinates. After that, Jack takes the Phoenix out of his endless bag and uses it as a flamethrower, burning the plants and thus being able to continue his journey.

Once they get to the river, Jack kidnaps Perrito and, threatening him with the unicorn's horn despite the Ethical Bug trying to dissuade him, tries to persuade Puss and Kitty to give him the map, however as Goldilocks and the Three Bears arrive, a free-for-all battle ensues to get the map. Jack tries to hit Puss using the unicorn horn, however he ends up hitting three of his underlings killing them and exploding them into confetti, to the shock of both Puss and the Ethical Bug. Eventually, Kitty is distracted by seeing Puss running away and Goldilocks takes the map, changing locations and separating from the other two groups, despite Jack Horner trying to shoot her and the Three Bears with unicorn horns.

As he continues his journey through the Dark Forest, Jack keeps an eye on the cats and Goldilocks through his crystal ball, wondering whether to let the cats retrieve the map and then kill them or kill them all and forget about it, all while traversing a ravine using his subordinates as a bridge. This leads the Ethical Bug to ask him about his past hoping to bring out the good in him, but Jack claims he's always had junk like "parents, stability, and a business to inherit one day" and that only after expressing wishing to have all the magic in the world just to himself would be truly happy, which leaves the Ethical Bug totally shocked. Jack Horner ignores this and still takes his tank through the bridge of his underlings, which doesn't hold and ends up collapsing along with the tank, with all of the Baker's Dozen dead except for one underling, who clung to the ravine in time, horrifying the Ethical Bug, who then renounces trying to change Jack and defines him as an "irredeemable monster". For his part, Big Jack Horner sarcastically tells him that it took too long to understand this and flicks him away, only to save his only surviving subordinate because she's only one who does not talk too much.

Jack Horner and his only underling make it to the Wishing Star just before Puss can make his wish in front of Kitty and Perrito, claiming it for Jack. However, upon the arrival of Goldilocks and the three Bears, a free-for-all battle ensues to take possession of the map. Big Jack Horner uses a magical scepter to shoot first at Puss and then Kitty to take the map from him, but as he shoots the latter, he hits his last subordinate who ends up disintegrated from the edge of the star, despite her having asked Jack for help and him, ignored her as he continuously attacks his opponents. As Mama Bear takes the map, Jack prepares to blast her, but is knocked down by Baby Bear who threatens to kill him and steal his dress. Jack awkwardly hits Baby by firing his magic scepter and knocking him off the edge, distracting Goldilocks, Papa and Mama to rescue him and allowing Jack to retrieve the map. Kitty manages to get it out of his hand and Jack tries to hit her with poison apple-shaped bombs, but the cat takes one with her velvet paws and throws it at Jack Horner, sending him to the ground. The man tries to use a hatchet to attack her, but Kitty with a double kick sends him into his endless bag and locks him inside, trapping him.

After the battle between Puss and Death, Big Jack Horner reemerges from the endless bag after eating an "Eat Me" cookie, growing large as a giant. After taking the map from Puss and Kitty, he prepares to grant his wish to take all magic, but just before succeeding he is distracted by Perrito who, using his bewitching gaze, tries to convince him to give up his wish. Jack Horner does not fall into the trap because he defines himself as "dead inside", but Perrito confesses that it was just a way to distract him so that the "Team Friendship" could attack him. In fact, with a combined attack Puss, Kitty, Goldilocks and Baby Bear manage to take the map from Jack Horner's hand to recover it before Puss, Kitty, and Goldi (as they no longer need the wish already having what they want) rips it into pieces before Jack could recover it. Jack Horner desperately tries to recover the pieces of the map as the Wishing Star begin to collapses before everyone flees escapes in time. Jack manages to recover most of it, but a piece is taken by the Ethical Bug who, resigning as his conscience after all terrible acts he did during the journey and abuse he gave him, uses the angered and abused Phoenix to burn it, causing the destruction of the map and the total collapse of the Star. Big Jack Horner, wondering what he did to "specifically" deserve this, crashes into the Wishing Star and dies in the star's explosion.

* * *

When I was done EVERYONE was shocked, horrified and enraged!

Lola: Why that monster!

Qin: Yeah he will pay!

Xenia: Big time!

Humpty: Personally, I have no objections with you guys killing Lila Rossi. But having fooled Puss in the past, I think she might have a few tricks up her sleeve.

Koichi: Any hints as to what it might be?

Humpty: I'm not 100% sure yet. But for all we know, on the Cutie Mark Crusaders' big day, she'll want you guys to think she's powerless. And then, bam! Gotcha!

Nico: Thank you for that warning. I'm gonna keep that in mind.

Me: I have a feeling she is going to pull a fast one. But luckily we are always one step ahead.

Beany the Braindead Bison: (to Kitty Softpaws) Puss is lucky to have a girl like you.

Kitty SoftPaws: I know.

Fiona: (Shrek) If that's true, how come the minute he saw me in my human form, he flirted with me?

Bonz: (to Puss) You really did that?

Puss: Sorry about that. Fiona is just so beautiful.

Me: She is.

Qin: Yeah.

Slobber Trap: Didn't Horner also have a cricket similar to Jiminy following him?

Nico: Yes he sure did.

Lola: Yeah I remember that.

Me: I remember that. He was his advisor. But after seeing Horner's true colors he left him.

Eli: Good. Good he did.

Me: Yeah.

Multiplex: I think there's a meme somewhere involving him.

Count Marzo: It says he's an irredeemable monster. And that's pretty accurate.

Me: Yes there is a meme on him and that is PERFECTLY accurate.

Xenia: It sure is.

Me: What he did in his lust for power pushed him far beyond the Moral Event Horizon.

Lola: Big time.

Wave Man: The rest of Puss' enemies can be in the Masters of Evil. But Horner? He's going down.

Me: Big time.

Qin: Yeah!

Me: Death can be in the M.O.E. too.

Lola: Good idea there.

Xenia: Yeah.

Dumbbelltron: We're gonna try to get him to stand down.

Laughing Ghost: And if not, then we beat the crap out of him.

Steven Universe: Leave that to me.

Qin: Steven does have an amazing way to reason with people.

Me: Yeah he got an entire tyrannical empire to change their ways and now the Gems and people of Earth are living together in peace.

Lola: Yeah.

Hard Man: First, where is he right now?

Puss: He's over there.

We saw his castle.

Me: That's obvious.

Xenia: But it'll be perfect for his final resting place.

Qin: Yep.

King Hiss: What are we waiting for then?

Kaa: Let's not keep the fat irredeemable fuck waiting.

Me: You read my mind guys. Lets roll!

We were off.

We saw him looking over the Kingdom in rage.

Me: Target sighted.

Beekeeper: Entrance time!

Steven: Let me try to reason with him after we have the usual battles.

Me: Go for it Steven.

Xenia: Okay.

We went at him.

Jack Horner was really mad.

But then the spirits of the great fairy tales appeared and they swirled around him and then they converged and then a massive tree appeared and grew in his castle and smashed it apart and then fruit grew and then it all popped open and out came us.

Me: Now that is an entrance!

Xenia: YEAH!

Zexion: Horner, let's talk about this.

Steven: He's right. Do you REALLY want to continue harming innocent people? Think about it!

Horner: Let's see. (pretends to think) Yes, I DO want to continue harming innocent people!

Spellbinder: Then I guess we're putting you out of your misery.

Horner: (to Shrek) You must be the ogre. When you see your daddy in law in Hell, tell him Jack Horner sent you!

Steven: You are a lost soul!

Qin: Pure evil!

Me: Completely irredeemable!

Homer: WHY YOU LITTLE!

He strangled Horner!

Then the next group came. Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mummy, Shendu, Hsi Wu, Ranamon, Abomination, Mr. Mittens, Roulette, Zeru, Capricorn Zodiarts, Lanhua, Mummy of Anhk-Ha, Evil Butane Man, Fenghuang, Mz Ruby, Lego Bane And Superfriends Cheetah.

Nico.: It's fine. I have to let J.D. lead sometimes, right?

Beast Man: That's right.

Unicorn: No harm in that.

Killer Shrike: We also heard that you, Juran, and Gaon got beaten up.

Nico: You got that right!

Mummy: And that Vroon was almost next.

After Sledge and his crew repair the Warrior Dome but are swindled out of the Ninja Super Steel, Madame Odius decides to steal the Ninja Nexus Prism. As such, she kicks off the next season of Galaxy Warriors and Cosmo Royale introduces Smellephant who is able to use his super smell to locate it. Smellephant accompanies Odius and Badonna in getting the Ninja Nexus Prism in order to act as muscle in case the Ninja Steel Rangers appear. They arrive on

Earth and, right before they can get the Prism which is hidden within a statue of Victor, a group of citizens arrive and try to fend off Odius, Badonna, and Smellephant with Victor and Monty's Monster repellent, but it has no effect and Smellephant just sucks it up with ease. Right after the Rangers try to trap them in Preston's magic cage, they get imprisoned in their own trap by Odius who revives the Prism and uses her evil magic to make it create new Power Stars with Badonna and Smellephant but the Rangers break the spell and they get new Ninja Power Stars, allowing them to morph once more. Smellephant then fights them but is crippled by the Ninja Blaster Whiplash and killed by a combination of Lion Fire Red's Lion Fire Flame Strike and Levi's Ninja Star Morpher. Cosmo gigantifies him so Brody summons the Lion Fire Megazord. Smellephant tries to paralyze it with his eye beams but the Megazord turns around and uses the seat for the Ninja Ultrazord to reflect it back. Smellephant is paralyzed and helpless as he is then destroyed by the Lion Fire Slash Final Attack.

---

Me: Yuck. I remember that too.

Apu: (Indian Accent) And has anyone ever told you that you look like Ganesh?

Smellephant: (LAUGHS) I do look like that huh?

We got the battles underway.

---

Nico: Yep. So, Umihana, Sara, Darla, Andrea, Jennifer, Tari, Mari, Tari, Tara, Sora, Kaede, and Taylor, what memories did you have with Lincoln?

Umihana Kamihara: Oh, I remembered this one time, Lincoln, along with me, Sara, Darla, Andrea, Jennifer, Tari, Mari, Tari, Tara, Sora, and Kaede had an awesome time swimming at Lake Huron, and we were doing some martial arts underwater. But, then, we heard a loud burp as the ground shook like crazy, but even from underneath the water, we knew there was no mistaking that loud burp from anywhere: it was Lynn, and she was on the rampage again. We saw her jump into Lake Huron and she was about to attack us, but Lincoln and I used our underwater karate and we defeated her, she may be used to land karate, but we're both masters of karate both on land and in water.

Sandy Cheeks: Whew, remind me to have a sparring session with y'all one day, I want to see this for myself.

Tari Ginka: We will, Sandy.

Lincoln: Lynn's attempt to kill us eventually ended in failure for her though, after we defeated her and I tied her up again, we got out of Lake Huron and dragged Lynn home where we told Mom and Dad of what she tried to do, and as a result, Lynn got grounded for two months, and we soon found out Lori, Lola, Lisa, and Luan were also involved in the plot, and they got grounded for three months, and we threw Lori, Lola, Lisa, and Luan in separate metal cages, while we threw Lynn in a metal box, and she roared and punched at the door to try and burst out, but Umihana gave her the finger, and that set Lynn off as she roared and beat her chest like a gorilla again.

Nico: Sheesh, Lynn was a monster with that Dark Side of hers.

Lincoln: And when a Packing Day is declared, she becomes even more of a monster. But, I showed her what a real monster looked like on that very Packing Day when she attacked Miyuki years ago.

Taylor Kamiyama: Lynn had it coming that day, okay, now for my turn. One day, Lincoln and I were finishing doing some shopping at the supermarket, and it was only us since Mr. and Mrs. Loud had to look after Lily, Luna, Laney, Lucy, and Lana were with their friends, Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were grounded in their rooms after I busted them for trying to kill Lincoln again. But, then, as we were walking home, we heard a really loud bellow of rage and Lincoln caught the stench of an unwashed cheapskate, and we saw who it was heading for us: Flip, Royal Woods' stupid mutant cheapskate, and he was really enraged, but before he could attack, Lincoln fired a powerful fireball at Flip and he went flying into a tree. Then, I read a verse from my Wonder Ride Book, and a dragon appeared and it fired a breath of fire at Flip's butt and he got burned badly. Then, Lincoln called the cops and Flip got arrested and sent back to prison, this time, he got another Life Sentence added to the Life Sentences he's been accumulating.

Me: Whoa, so that red dragon I saw that day… , that was you?!

Taylor Kamiyama: Yep.

Nico: Sheesh, Flip made the big mistake in trying to mess with your sister, Touma.

Touma: He sure did.

May: But, that was some awesome work using your Wonder Ride Book to give Flip a nasty dose of pain, Taylor.

Taylor Kamiyama: Thanks, May. So, is it also true that you guys have Wonder Ride Books imbued with the powers of your archenemies in The Masters of Evil?

Lincoln: Yeah, we do, and there's only one person to blame for that: Swartz.

Steven Universe: Okay, it looks as though reason's not going to work on you, so we have no choice but to take you down, Jack Horner.

Suddenly, Steven Universe's rose pink eyes turned neon rose pink and the Rose Quartz gem in his bellybutton is glowing and he was surrounded by a rose pink energy aura with light, rose quartz gems, pink diamonds, and pink rose petals, he unholstered his massive Sword of The Crystal Gems from his back and he summoned his shield in his left arm, and as he approached Jack Horner, he left rose pink energy, light, rose quartz gems, pink diamonds, and pink rose petals with every step.

Steven Universe: I really hoped it wouldn't have to come to this, but if we're going to have a chance at killing Death the Wolf and make him pay for his crimes, you need to be taken down once and for all, Jack Horner, I hope you like spending the rest of your life in the slammer.

Then, Steven Universe was surrounded by a massive vortex of rose pink energy with rose petals, light, rose quartz gems, and pink diamonds surrounding it, there's a pink lion running around the vortex, and inside the vortex is a gold phoenix. Then, as the vortex faded, Steven Universe emerged, but he was changed forever.

Suddenly, Steven Universe felt a sharp pain on his now wider and more muscular back, and then, his massive pink angel wings with gold tips on the large pink feathers grew much bigger for his new body and he now has eleven massive and long dark brown wolf tails, Steven Universe has on a Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Star Sapphire Corps Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Steven Universe's massive Sword of The Crystal Gems and all the greatswords that he'd gotten began merging together and they're surrounded by a kaleidoscope of rose pink energy, light, rose quartz gems, pink diamonds, and pink rose petals, and when it emerged, it was transformed into Steven Universe's Rose Quartz Lion Crystal Brigade Greatsword of Celestial Rose Light Justice, it's a brand-new massive greatsword with embedded rose quartz gems and Steven's Lion etched on the 7'0" massive, wide, double-edged pink blade, large pink lion heads for the crossguard, large pink gem for the rainguard, longer midnight black handle, four large pink lion heads with white gems for eyes and a large pink gem on the bottom of the lion heads for the pommel, he has on his large gold cuff Bracelets of the Champions of The Universe with pink gems around them, his large gold Belt of Elemental Bravery with gold lion's head with pink gems for eyes and large pink gem in its mouth for the belt buckle on his waist, large gold Belt of Elemental Bravery with large gold lion head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and his Eater of Sins revolver holstered on his left hip. Steven Universe has transformed into SUPER ANGEL-CRYSTAL GEM-ROSE QUARTZ-LION-HARMONY CELESTIAL ETERNAL XELNAGA CELESTIAL SOLAR LIGHT ROSE QUARTZ CRYSTAL GEM LION ANGEL OF DIVINE CELESTIAL SOLAR LIGHT ROSE QUARTZ JUSTICE AND DIVINE CELESTIAL SOLAR LIGHT ROSE QUARTZ LOVE!

We were amazed by Steven Universe's Super Angel-Crystal Gem-Rose Quartz-Lion-Harmony Celestial Eternal Xelnaga transformation, and when Connie saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Jack Horner saw it, he went into a rage and he rushed at Steven to kill him, but Steven fired a powerful rose pink energy blast with light, rose quartz gems, pink diamonds, and pink rose petals and it exploded as it hits Jack Horner and forced him back a bit, but this made him angrier than ever.

Steven Universe: (Divine Cosmic Voice of The Celestial Solar Rose Quartz Crystal Gem Lion Angel and Divine Celestial Solar Light Rose Quartz Love) Guys, I'll handle Jack Horner, you get after Death, and make that monster pay.

Nico: You got it, Steven.

We left to get after Death the Wolf, and Steven Universe went after Jack Horner, and he fired powerful blasts of rose pink energy, rose quartz gems, pink diamonds, and pink rose petals, and they exploded with incredible power as they hit him, and he also attacked Jack Horner with his massive greatsword tearing at his outfit and leaving scars on him, and it was really making him mad now.

Jack Horner: Why, you!

Jack Horner fired an arrow at Steven from his crossbow, but Steven blocked it with his shield, then, Steven punched Jack Horner hard in the stomach, and that caused him to fall down to his knees as he glared at Steven with incredible hatred.

Steven Universe: (Divine Cosmic Voice of The Celestial Solar Rose Quartz Crystal Gem Lion Angel and Divine Celestial Solar Light Rose Quartz Love) You really are a truly irredeemable person, Jack Horner, your sick desire to control all magic has caused far too many innocent people to suffer. By the time I've finished my fight, the team's already taken care of Death the Wolf, but I'm going to miss out on the chance to punish him, but you, you're done, Jack Horner.

Steven Universe drew the Judgement Kanji on Jack Horner's forehead, and he was erased by The Black Gates. Then, he flew back to us.

Steven Universe: (Divine Cosmic Voice of The Celestial Solar Rose Quartz Crystal Gem Lion Angel and Divine Celestial Solar Light Rose Quartz Love) I've taken care of Jack Horner, guys, I didn't miss out on anything did I?

Me: No, Steven, the show's just getting started.

Steven Universe: (Divine Cosmic Voice of The Celestial Solar Rose Quartz Crystal Gem Lion Angel and Divine Celestial Solar Light Rose Quartz Love) Alright! Plus, I also have something to say to Connie, but it'll be for after we take care of Death.

Me: But don't kill him. He's going into the M.O.E.

We blasted and smashed him all over. And then we tied him up.

Puss N Boots: (Spanish Accent) Good riddance, Muerte!

Steven Universe holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, and massive pink angel wings are permanent.

Steven Universe: That'll teach that Grim Reaper wolf. Connie, there's something I've been wanting to ask you.

Steven Universe went up to Connie Maheswaran, and he kneeled on one knee. Then, he took out a small black box and put it behind him. HE WAS GOING TO PROPOSE TO HER!

Steven Universe: Connie, ever since that day I first met you, I couldn't hide the very fact that I've harbored feelings for you, and I always wanted to keep you safe from harm. But, then, over time, our friendship blossomed into something more, and we started going steady. But, now I want to take this one step further.

Steven Universe then took out the box, and he opened it, and inside it was a beautiful gold ring with a heart-shaped pink gem and star-shaped yellow gem surrounded by small pink diamonds, and inscribed on the gold sashes around the two gems are the words: "Steven Universe and Connie Maheswaran: Earth and Gem World Eternal Love United Together For Eternity".

Steven Universe: Connie Maheswaran, will you marry me?

Those words brought tears to Connie's eyes and a smile on her face, and we also had the same tears in our eyes and smiles on our faces.

Connie Maheswaran: Yes, I do, Steven Universe! I will marry you!

Steven got up, and he placed the ring on Connie's right ring finger, and they both hugged, and then, Steven leaned down to Connie's face, and he kissed her on the lips, as she placed her hands on his massive pecs, and we cheered wildly for them.

Me: Way to go Steven!

Laney: YEAH!

Pearl and the gems were crying in joy!

Nico: So, that's Steven's surprise?! That's really awesome!

Me: And I can't wait for the wedding in the future.

Lincoln: Same here!

Lincoln: Wow, now that was one awesome and amazing adventure!

Nico: Puss' adventures long before he met Shrek were indeed epic and swashbuckling. Awesome job, gang, but we're not done yet.

Irina Han: That's right, we still got Lorexxa to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Gundinna.

A figure came out, and it was none other than Lorexxa, the eighth of the fifty-two members of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Lorexxa, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Lorexxa: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Irina Han: The only one who deserves to be destroyed is you.

Suddenly, Irina Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, earth fiends, phoenixes, and dark angels, she unholstered her massive

Evil HERO Infernal Gainer-themed greatsword from her back, and as she approached Lorexxa, she left black energy, darkness, dark magic, earth, fiends, phoenixes, and dark angels with every step.

Irina Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Lorexxa: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Irina Han was surrounded by a massive vortex of black energy with darkness, earth, and dark magic surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Infernal Gainer flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Lorexxa: the red eyes of death. Then, as the vortex faded, Irina Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Irina Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, earth, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Infernal Gainer emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Evil HERO Infernal Gainer with red gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Irina Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, earth, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil HERO Infernal Gainer surrounded by darkness and earth. Suddenly, Irina Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Irina Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Irina Han's massive Evil HERO Malicious Bane-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, earth, fiends, phoenixes, swords, and dark angels, and when it emerged, it was transformed into Evil HERO Infernal Gainer's Darkness Dark Intellect Fiendish Phoenix Greatsword of Darkness Dark Intellect Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Infernal Gainer etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Infernal Gainer's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Infernal Gainer that said, "Irina Han, Gene-Slammer of Evil HERO Infernal Gainer, Genius of The Han Sisters, Seventh Eldest of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Evil Ram Horn, Destroyer of Lorexxa of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Brains, and Infernal Phoenixes"

We were amazed by Irina Han's Super Angel-Evil HERO Infernal Gainer-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lorexxa saw it, she fell into an infernal rage and she got out her blaster to fire at her, but Irina Han fired a powerful black energy blast with darkness, dark magic, earth, fiends, phoenixes, and dark angels at Lorexxa, which hit her and pushed her back and she also got burned, but this really pissed her off now.

Fira Han: Whoa, Irina's transformed, incredible!

Annalise Halston: That's really incredible, and she really burned Lorexxa badly.

Nico: And she's really got her pissed off now big time.

Irina Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Brawn Evil HERO Infernal Gainer Angel and Divine Demonic Darkness Infernal Intellect Darkness Phoenix Love) And now, the darkness of The Netherworld is coming for you, Lorexxa.

Nico: Let's get her, Irina, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Irina Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Irina Han and Nico went after Lorexxa who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lorexxa and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Lorexxa, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Lorexxa took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Lorexxa began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Lorexxa's transformed into her King Ghidorah Hybrid Monster form.

Lorexxa fired a Gravity Lightning blast at Irina Han and Nico, who dodged it.

Lincoln: Irina, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Lorexxa from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Lorexxa and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Lorexxa into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Irina, let's end this asshole for good.

Irina Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Brawn Evil HERO Infernal Gainer Angel and Divine Demonic Darkness Infernal Intellect Darkness Phoenix Love) You got it, Nico.

Irina Han and Nico sent Lorexxa flying into the air, and then, they prepared their combo to put an end to Lorexxa.

Irina Han and Nico: DARK INFERNAL EVIL HERO INFERNAL GAINER PHOENIX DEMONIC INTELLECT DARKNESS KAMEHAMEHA!

Irina Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, earth, and phoenixes which hit Lorexxa, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Irina Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Irina Han and Nico holster their massive greatswords on their backs and powered down, and Irina Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Irina Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-five members to go. Thanks for helping me destroy Lorexxa once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Irina.

Suddenly, Irina Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Irina Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Infernal Gainer flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Irina Han absorbed the darkness and they came back to us as the display and Evil HERO Infernal Gainer vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Irina.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Binniia, which means you're up next, Iona.

Iona Han: Yeah, we'll make Lorexxa pay.

Nico: We sure will.

Taylor Kamiyama: And on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Blades.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

Shendu: Sorry you couldn't get through to Horner, Steven.

Steven: It's fine. Just some people are incapable of changing their ways.

Me: No they aren't. Leopards don't change their spots and there are people that will never change no matter how hard you try.

Hsi Wu: Either way, he's not gonna be hurting anyone anymore.

Kitty Soft-Paws: I'm sorry you have to leave again, Puss.

Ranamon: Leave? Sugah, what are you talking about?

Abomination: You can stay with Puss on the team.

Mr. Mittens: So can Humpty.

Kitty Soft Paws: I would be honored!

Humpty: Same with me.

Nico: Great job today everyone.

Me: Yeah I agree. Great job guys.

Nico: And J.D. you did great leading today.

Me: It was awesome though.

Puss In Boots: (To the viewers) Hope you all loved this great adventure.

Me: We all did and the best part is that Steven and Connie are now engaged too.

Steven: We sure are.

Connie: Yeah.

Me: Congratulations you two.

Lola: Yeah.

We went back home and enjoyed the rest of the day and went to sleep.

Me: This is gonna be awesome and great!

Xenia: Yeah! I have a feeling this is gonna be awesome and cool.

Nico: I can't wait to kick some butt.

Me: Me too!

Camie: The 4 Sisters and Rubeus are going to pay for their crimes!

Lola: You got that right!

Varie: And I have this feeling we're going to really show no mercy on them.

Nico: Big time.

Jeri Katou: And it will be great and fun.

Nico: Jeri, I want to thank you, Duskmon, and your teams for coming.

Jeri Katou: It's no problem Nico. I think it's going to be so fun helping you guys.

Shirley: (Meditating) Oh what a loon I am. Oh what a loon I am. Oh what a loon I am.

Nico: You okay, Shirley?

Me: She's just meditating Nico. She is in a huge state of incredible concentration.

Nico: Oh like how you were.

Me: Yep.

Lola: Wow.

Nico: But just stay focused when it's asskicking time, okay? The 4 Sisters and Rubeus aren't gonna give you a chance to meditate.

Shirley: Like you can count on that. I'm just focusing my powers for that.

Me: Good way to put it.

Qin: That is awesome.

Jeri Katou: It sure is.

Nico: It was awesome helping Puss out yesterday.

Me: It sure was awesome! We really had a great time on that one.

Lola: Yeah we sure did and Jack Horner got what he deserved.

Nico: Oh yeah. Thanks to Steven.

Maria: Puss helped Shrek plenty of times. We helped Shrek return the favor.

Me: Yep and it's only fair that friends do that for friends.

Qin: Yep that is true.

Me: But it was still so fun.

Lola: Yeah and the best part is that Steven and Connie are now engaged.

Me: I knew it was coming. It was only a matter of time before Steven Popped the Question.

Nico: And now, Puss and Kitty are together again

Me: Yep they sure are. Sorry you had that spicy hot sauce Nico.

Nico: No worries. But it was cool having you lead for that one.

Me: It was fun. Don't worry I'm not going to lead ALL the time.

Nico: Good.

Me: Yeah. But it was still fun nonetheless.

Nico: It sure was and I'm happy for Steven and Connie.

Me: We all are.

King Kai: Nico, can you hear me?

Nico: Loud and Clear and Relax, King Kai. We're going after the 4 Sisters and Rubeus right now.

King Kai: This is actually good news. I just learned that Kamen Rider Kuuga is in the area.

Me: Wow!

Nico: Cool! This will be awesome meeting him.

Qin: Yeah!

Me: Darn shame that Kuuga didn't help out during the 20 Days of Darkness though.

Nico: We should find him on the way.

Me: Good idea.

Qin: I agree.

Xenia: Yeah.

We got to looking around.

May: And keep an eye out for our targets.

Me: okay.

We were on the alert.

Nico: I think I see someone!

We saw a figure come out and it was Yusuke Godai A.K.A. Kamen Rider Kuuga!

Me: Yusuke Godai!

Qin: Whoa! Kamen Rider Kuuga!

Yusuke Godai: Team Loud Phoenix Storm! It's an honor to meet you guys.

Nico: It's an honor to meet you at last!

Yusuke Godai: You too Nico. I heard so many incredible things about you guys. And Hitoshi and all my fellow riders it's an honor.

Hitoshi: You too Yusuke. You're looking great.

Souji: You have come a long way in 22 years.

Nico: Yeah.

Me: You're the very first rider series of the Heisei of Kamen Riders from 2000 to 2020.

Yusuke Godai: That's right.

Sougo: I thought we'd never get to recruiting you.

Yusuke Godai: I know. Sorry about all that. But I heard you guys have been massively busy taking out all of the riders major enemies.

Me: We sure sure have. We finished the Blade mission last week and killed Hiroshi and his evil plans.

Xenia: Yeah those were awesome back then.

Lola: They sure were.

Nico: If we ever see your main enemy N·Daguva·Zeba we'll gladly send that asshole to the Black Gates for you.

Qin: Yeah we sure will!

Nico: Eli, can you sense for Swartz's creations?

Eli: I can do that.

Eli concentrated.

Yusuke Godai: I saw a white version of him just a few minutes ago.

He pointed to Duskmon.

Duskmon: A white version of me!? That is unusual.

Me: Swartz must've known he was already covered in black so he made an inverted version of Duskmon.

Nico: Very unusual.

Eli: He's right. I found them. It's Another Neptunia and Another Duskmon.

Lola: Wow!

Yusuke Godai: I'm sorry I didn't get to help you guys out during the 20 Days of Darkness.

Me: No worries Yusuke.

Yusuke put his hands on Nico's and Lincoln's Shoulders.

Yusuke Godai: Just so you know guys I didn't buy any of that bullshit about any of you guys during the whole Team Buktu Horseshit Fiasco and Nico you are doing an awesome and magnificent job as the new leader.

Nico: Thanks Yusuke that means a lot to me.

Albedo: I was actually the only one out of my former teammates who cared about civilian casualties.

Yusuke Godai: And I am proud that you were doing that Albedo. You did a great job there.

Albedo: Thank you.

Yusuke Godai: You're welcome.

But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBOOOOOOOOMM!
KRABBBOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOMMMMMM!

Massive fiery explosions were blasting everything all over the place!

Me: Looks like the city is under attack!

People were screaming and running for their lives!

Nico: Lets go!

Maria: Looks like we found our targets.

We ran and saw PRISMA, AVERY, BERTIE, CATSY AND RUBEUS DESTROYING EVERYTHING!

Me: Oh no!

I teleported and kicked Rubeus in his face!

Me: Your fight is now with us Rubeus!

Xenia: You douchebags are going down!

Evil Catsy: We'll see about that!

Nico fired a blast of red fire and Evil Catsy fired a blast of blue fire and the blasts collided and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion that blasted apart most of the area!

Nico teleported out of the smoke and kicked Catsy in her face!

Nico: Plenty more where that came from princess!

Sailor Moon: Alright, that's it, we've had it up to hear with you to last an eternity, Rubeus and the Four Sisters!

Suddenly, the eyes of The Sailor Soldiers of The Sun, Mercury, Venus, Earth, Moon, Mini, Moon, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta turned into neon colors and they're surrounded by colored energy auras with elemental forces, stars, planets, and angels, and as they approached Rubeus and The Four Sisters, they left colored energy, elemental forces, stars, planets, and angels with every step.

Sailor Moon: You make all of us absolutely sick, Rubeus, what you five dirtbags have done can never be forgiven, you've caused us a lot of trouble in the past, and you also have done too much trouble in the world of the 30th Century.

Sailor Sun, Mercury, Venus, Earth, Moon, Mini, Moon, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta: And for that, we shall end your miserable lives here and now, and we will see to it that nothin is left of any of you!

Suddenly, Sailor Sun, Mercury, Venus, Earth, Moon, Mini, Moon, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta were surrounded by massive vortexes of colored energy with elemental forces and stars surrounding the vortexes, there are planets and angels flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Sailor Sun, Mercury, Venus, Earth, Moon, Mini, Moon, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta emerged, but they were changed forever.

Sailor Mini-Moon has transformed into SUPER ANGEL-SAILOR MINI-MOON SOLDIER-HARMONY CELESTIAL ETERNAL XELNAGA HOLY CELESTIAL MOON STARLIGHT SAILOR ANGEL OF DIVINE HOLY CELSTIAL MOONLIGHT JUSTICE AND DIVINE MOONLIGHT STAR LOVE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of The Sailor Soldiers of The Sun, Mercury, Venus, Earth, Moon, Mini-Moon, Mars Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta, and when Lincoln saw The Sailor Soldiers of The Sun, Venus, Earth, Mini-Moon, Jupiter, Saturn, Neptune, Ceres, Pallas, Juno, and Vesta, he had an absolute massive atomic red blush on his face, hearts in his eyes, and his nose was bleeding like crazy, but when Rubeus and the Four Sisters saw them, they went absolutely mad with rage, and Rubeus fired a blast of fire at them to kill them, but Lincoln fired a blast of water at it and extinguished it, and The Sailor Soldiers of The Sun, Mercury, Venus, Earth, Moon, Mini-Moon, Mars Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta fired powerful blasts of colored energy, elemental forces, angels, stars, and planets at Rubeus and The Four Sisters, and they exploded as they hit them, and that really pissed them off big time!

Sailor Jupiter: (Divine Echoing Cosmic Voice of The Holy Celestial Eternal Sailor Jupiter Angel and Divine Holy Celestial Electric Thunderstorm Love) There's plenty more where that came from, you douchebags!

Lincoln: And this time, we're making sure you never ever come back!

A strange silver belt materializes around Yusuke Godai's waist, with a red stone in the center, with blue, red, green, and violet button looking stones moving from right to left on either side of it.

Yusuke Godai: (Thrusting an arm in front of him while moving it slowing from left to right, with the other tucked against the side of the Arcle) Henshin!

With the famous battle cry uttered, Yusuke Godai brings in his extended arm so his hands meet, which causes a black and red armor with golden accents, a gilded horn crest, and giant red eyes to materialize on him .

Nico: AWESOME!

Rubeus: You will pay for what you did to my face!

Me: Go fuck yourself you wretch!

I transformed into my most powerful transformation!

Me: (DIVINE GODLY VOICE) **Now die!**

I teleported and kicked him in the stomach and kicked him in his stomach with massively devastating fury and then I punched him in the face!

I punched him down.

He flew up to me.

Rubeus: Just hand over that brat!

Me: **You can take her over my cold fucking dead body!**

Rubeus: Fine then! Taste the fire of the Negamoon!

He fired dark energy balls at me and I teleported and they hit a building and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported and kicked him in his back!

Nico fired fire energy blasts at Bertie and blasted her all over!

Yusuke Godai punched Prisma into a car.

SMASH!

Prisma got up and fired waves of black lightning and Lincoln fired waves of lightning and the blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lincoln bursted out of the smoke and he punched Prisma and they clasped hands and then they flared up their auras of light and darkness and lightning struck all over the place and storm clouds were building above and lightning struck all over!

---

Lincoln then gave her a deadly headbutt and kicked her into a building!

Nico: (gets out Knightbrace and Mr. Fizz's Ridewatches) See how you like this!

Nico activated them and fired waves of toothpaste and root beer and they smashed down Avery and Sailor Venus kicked her in her face.

POW BLAM SMASH!

I punched Rubeus all over.

Me: **You can't win Rubeus!**

Rubeus: WE'LL SEE ABOUT THAT!

He fired a massive blast of dark energy and I fired a massive energy wave and the blasts collided and my blast overpowered it and it hit Rubeus and exploded with incredible power!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He crashed into the ground and then got up and I landed and went at him with powerful energy blasts in my hands! He fired massive numbers of energy blasts at me and a massive wall of fire exploded out from the blasts and then I teleported and landed behind him and fired the blasts and they hit him with incredibly massive and powerful fiery explosions!

KRRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired a massive barrage of energy blasts right at him and blasted him all over in a massive number of fiery explosions! He was being pummeled and burned all over with indiscriminate fury! Then I formed a Blue Fire Stardust Diviner Ball and threw it and it hit Rubeus and he screamed in pain it hit him and exploded with incredible power!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

He was knocked down from the explosion and then he got up as a broken and mangled and burned mess!

Some civilians were filming the whole thing.

Maria: Will you guys get out of here?!

Eli: Maria let them watch. They deserve to have a good show.

Qin: Yeah!

I punched Rubeus and kicked him down and Nico smashed Avery and Bertie's heads together!

Nico teleported back.

Nico: Hope you liked getting a concussion!

Rubeus was REALLY INFURIATED!

Rubeus: I HATE YOU!

My aura flared up intensely!

I teleported and punched him in his stomach and kneed him in his face!

Lola fired a massive blast of fire and burned Catzi all over!

Prisma punched Nico through a building. He got up and saw… a man riding a tricycle and holding a lollipop and paddleball?!

Man: Uhh I can explain.

Nico: I don't think I want to know.

Nico teleported out.

Nico: Let's wrap this up!

We transformed and went after Rubeus and The Four Sisters, and we blasted them left and right with rainbow and colored energy blasts, elemental forces, mythological animals, stars, and planets, and they exploded with such incredible power as they hit them. The Sailor Soldiers fired blasts of energy from their Mage's Staves, and Lincoln punched Rubeus so hard, he damaged his left eye rendering him blind in one eye, and Lincoln also tore off his arms from their sockets and he screamed in such excruciating pain.

Nico: OH, BRUTAL!

Then, Lincoln sank his fangs into the throats of The Four Sisters and he sucked out all their blood and powers and they turned into desiccated corpses, and he set them all on fire and sent their souls to The Black Gates. Then, we fired massive black energy blasts at Rubeus, and he too was sent to The Black Gates. We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, and massive colored angel wings of The Sailor Soldiers of The Sun, Mercury, Venus, Earth, Moon, Mini-Moon, Mars Jupiter, Saturn, Uranus, Neptune, Pluto, Ceres, Pallas, Juno, and Vesta are permanent.

Suddenly, The Sailor Soldiers of The Sun, Venus, Earth, Mini-Moon, Jupiter, Saturn, Neptune, Ceres, Pallas, Juno, and Vesta went up to Lincoln, and one by one, they each kissed him on the lips and he also returned them with equally intense passion as he wrapped his abnormally massive and powerful muscular arms around them. When they were done making out with Lincoln, he had colored kisses on his face, abnormally massive and powerful muscular body, and eight-pack abs, lovestruck look on his face, and steam coming out of his ears.

Lincoln: (In Heaven) Wow… , that… was… so… AWESOME!

Sailor Mars: (Snickers) Someone's definitely on Cloud Nine from that make-out session, and don't worry about Clyde, Lincoln, when we comes back and he sees me, Ami, and Trista, he's also going to be in for quite the intense make-out session.

Nico: He sure will.

Me: No kidding.

Nico: That was epic!

Qin: Boy it sure was!

Sailor Moon: Yeah no kidding! We had so much fun.

All the citizens came and cheered wildly for all of us!

Nico: Next time, folks, don't film while your lives are in danger!

Me: I agree there. But they deserve some form of entertainment.

Eli: I protected them in a force field though. So at least that is done.

Xenia: Good.

We saw the mess and devastation.

Me: Whoa what a battle!

Xenia: They really caused TONS of damage didn't they.

Me: So did we.

I snapped my fingers and fixed the city.

Yusuke Godai: There we go.

Me: We're not done yet though.

Nico: Who's up next?

Me: Another Neptuna. I have a feeling this one will be interesting.

Xenia: Yeah.

Camie: I'll face her this time.

Me: Go for it Camie.

Lola: Yeah.

Nico: Get ready, Camie!

Me: This monster is in the water.

We went onto Tokyo Bay and in a vortex of black water came out ANOTHER NEPTUNIA! It looked like a dark version of Neptunia!

Me: WHOA!

Lola: Like a beautiful mermaid.

Another Neptunia: That's because I have the powers of one and all the legendary spirits of Water.

Me: (GASP) That voice.

She floated up to us and she reverted back and was a girl with aqua blue hair and had the Digimon Symbol for Water in the middle of her forehead and had water swirling around her and she had water angel wings and blue clothes.

Me: (GASP) Aqua Orimoto!

Nico: WHOA!

Aqua Orimoto: Awesome to see you again J.D.

Me: You too.

Nico: Are you related to…

Aqua Orimoto: Yeah I sure am. Zoe Orimoto is my little sister.

CLANG CLANG CLANG!

Mine, Nico and Varie's jaws fell and crashed into the top of the water and Eli put them back!

Eli: You guys need to stop doing that or you're going to catch flies.

Camie: I didn't know Zoe was your sister.

Aqua Orimoto: Yep.

Nico: Zoe's gonna be happy to see you again.

Me: She sure will. I take it you heard about what she was doing in the Digital World.

Aqua Orimoto: I sure have and I heard that she did so much to help lots of Digimon all over. I'm really proud of her.

Me: We all are.

Nico: She has come a long way ever since she became the master of the Legendary Warriors of Wind.

Lola: Yeah she sure has.

Aqua Orimoto: I can tell. Also has Zoe been learning all about the

Italian Cooking too?

Me: She sure has.

Nico: She has been learning so much under the great Italian Chefs we have on the team and learning a lot.

Eli: The food she makes is awesome.

Aqua Orimoto: I'm so happy for her. She has come a long way. I'm proud of her.

Me: We all are.

Nico: And Mirror Master's her archenemy.

Aqua Orimoto: I know. I'm proud of her.

Qin: We all are.

Camie: Sorry we have to fight like this.

Aqua Orimoto: No worries. I take it you know about the Another version of Duskmon?

Me: Yes Yusuke told us it was here.

Nico: Friendly or Hostile?

Aqua Orimoto: Hostile and this one REALLY has it out for Chloe Bourgeois.

We gasped!

Me: Uh oh. I hope it's not Lila Rossi.

Aqua Orimoto: No it's not.

Me: Good.

Chloe Bourgeois: Is this one from Paris?

Aqua Orimoto: Yes he is.

Nico: Oh boy.

Me: We're going to find out in a few minutes.

Camie: Yeah. Shall we dance Aqua?

Aqua Orimoto: We shall.

She turned into Another Neptuna and Camie used her Quirk and made the illusion of the castle of Atlantica and she fired waves of energy and smashed her down and I caught the Wonder Ride Book. It was called The Waters of The Mermaids of Justice.

I went over and caught her as she was wobbling and brought her over.

Aqua Orimoto: (Groans) That was intense.

Nico: At least you're okay.

Maria: Better get Tala's team in here.

Maria got out the M.O.E. Cannon!

Maria: (Turns Dial) MAGIC STANLEY 6!

She summoned Tala, Virgo Zodiarts, Bubbles, Grady Twins, Anti-Sora and Mama Cosma. Along with Universe 666 Jafar, Evil Magic Man and Adventure Time Magic Man.

Tala: I have a feeling this will be fun.

Me: It sure will be.

Then a figure came out and we saw that it was a White Version of Duskmon! It was ANOTHER DUSKMON!

Me: Whoa!

Duskmon: Wow! A White Verson of me! Wicked scary and cool.

Another Duskmon: (In a boys voice) (French Accent) And you will pay for everything you did to Lila Rossi!

Nico: Oh no! That voice!

Chloe Bourgeois: Not him!

He reverted back and it was a boy with black hair and had an orange prison jumpsuit on!

Nico: (GASP) Giovanni Rossi!

Giovanni Rossi: That's right Nico! You hurt my sister!

Me: I didn't know Lila had any siblings!

Xenia: Me neither!

Me: Wait a second. I thought you looked familiar! I remember seeing you when we met Marinette and her friends the first time!

Giovanni Rossi: That's right! I want revenge on you all for putting my sister in prison.

Me: Uhh have you looked in the mirror lately. Your sister is a monster!

Nico: Yeah she is pure evil! She did all kinds of horrible crimes not just to Chloe and Marinette but to the entirety of Paris!

Qin: And I can't wait to snap that bitches neck and send her to the Black Gates!

Camie: YEAH!

Kaito: (gets out Boukenger gear) Normally, we'd ask what Swartz promised you.

Zocks: (Gets out Magiranger gear): But I think said promise is obvious.

Nico: Yep. Revenge on us for sending your sister to the stony lonesome.

Giovanni Rossi: That's right!

Me: Before we fight though answer me this.

Giovanni Rossi: Make it quick.

Me: What lead your sister to become like this?

Giovanni Rossi: You do have a right to know. She was diagnosed with Histrionic Personality Disorder and she a nightmare from ever since she was 5. Mom and dad were terrified of her ever since. But I loved my sister even though she was like this.

Me: That's a strong bond with your sister and I do respect that. But sadly I'm afraid you are not going to see your sister ever again. Surely you heard about everything she did right?

Giovanni Rossi: Yes. What she did was terrible. But I still love her.

Zocks got a Magi Staff and Kaito got an Operation Overdrive Spear.

Me: Did your family ever give her the psychological help she needed?

Giovanni Rossi: No they were just too scared of her to do anything.

Me: I don't blame you for being scared of her. She is completely too far gone.

Sougo: (gets out Operation Overdrive Ridewatch) You don't know what kind of monster your sister is!

Geiz: (gets out Mystic Force Ridewatch) But at least her X Squad counterpart isn't like that.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Giovanni Rossi: What do you mean?

Me: My friend Drakus has a team called the X-Squad and he was able to help his version of Lila realize that her crimes are bad and he helped turn her to a good person. Let me show you.

I showed him everything that happened and more and it was crazy.

Giovanni Rossi was shocked! He saw the horrible atrocities that his sister in the Prime Universe did and it was horrible! He then did something we never expected! He broke down crying!

Giovanni Rossi: (CRYING HARD) OH SISTER! WHAT THE FUCK HAS HAPPENED TO YOU!? WHAT HAVE YOU BECOME!?

Nico: (gets out Duskmon's Ridewatch) Sorry we still gotta fight. But we have a job to do.

Me: Nico wait. Lets give him a couple of minutes to collect his thoughts and digest everything we told him.

Nico: (Reluctantly Agrees) Okay.

He was crying his eyes out for 3 minutes and then he got up.

Me: Are you better?

Giovanni Rossi: Yeah I'm fine now. I realize it now. That monster is not my sister. She is a devil in human skin! Chloe I'm so sorry about everything I did to you. Can you ever forgive me?

Chloe Bourgeois: I sure can Giovanni.

Giovanni Rossi: Good. Zocks take good care of her.

Zocks: I will.

Giovanni Rossi: Now I'm ready.

He turned back into Another Duskmon.

Nico activated the ridewatch!

Nico: (Echoing) DEADLY GAZE!

Nico fired energy blasts from his hands and eyes and smashed him down.

Me: Giovanni, after we're done here we'll have your punishment be community service.

Qin: Good idea.

Laney: And maybe you can rebuild bonds with the X-Squad version of Lila.

May: (gets out Black Suit Spiderman's Ridewatch) This is my second time using symbiote powers.

She activated it and got a blue black version of her Symbiote Suit.

May: You are now meeting. (Echoing) THE MOONLIGHT SPIDERGIRL!

Me: Cool!

Spiderman: WOW! May that looks awesome on you!

Nico: Wow!

Me: Mary Jane and you are gonna get along great.

Xenia: Yep!

May: Thanks guys.

She fired waves of blue webs and smashed him down.

May: (Gets out Dark Bones' Ridewatch) No bones about it!

She activated it and threw bones and smashed him down.

Starlight Glimmer: That was awesome!

Qin: Yeah it was!

Maria: Time for the SSSSnake to strike! (Activates Snake Demon's Ridewatch)

She spit venom and it hit Another Duskmon and burned him.

Maria: That was awesome! Now for the fun! (ACTIVATES HELL-

EMENTAL'S RIDEWATCH)

She fired waves of Cyber, Radiation, Blood, Oil, Coal, Smoke, Stars, Concrete, Coral, Soot and Wood and smashed him down!

Nico: WHOA! Nice one!

Maria: Yeah!

Shirley: Like here is me.

She activated Phantom Blot's Ridewatch and fired waves of ink and smashed him down.

Vexen along with his team consisting of Evil Ice Man, NES Varan the Unbelievable, Harddrive, Zimbo, and Sheegoth came.

Nico: Nice team, Vexen!

Vexen: Thanks Nico.

Qin: So it's Lana's turn tomorrow.

Lana: Awesome!

Another Duskmon: By the way guys if you ever see my sister Savanna, have her join the team. She would love teaching Lila some manners.

Me: We'll be sure to find her.

Qin: I agree.

Me: She is the opposite of Lila from what I heard right?

Another Duskmon: That's right.

Me: Good.

Maria: I hope the next Gene Slammer is near.

Then a Masquerain flew in and landed on Maria's nose.

Maria: Hey a Masquerain.

Masquerain: (In a girls voice) Sorry to drop in like this guys.

Nico: Yakumo Kurama XV!? Whoa!

Me: Whoa is right!

She glowed and reverted back and she was a carbon copy of Yakumo but had a stronger physique and had purple eyes.

Yakumo Kurama XV: I got this guys.

She fired waves of energy and knocked him down and I caught the ridewatch and purified it and we went over and I put the cuffs on Giovanni.

Me: At least we aren't tying you up though.

May: Are you related to?

Yakumo Kurama XV: Yes I sure am. Yakumo from 150,000 years is my ancestor. I'm from 50,000 years into the future from 150,000 years. That makes me from 200,000 years hence.

All of us: WOW!

Qin: That is amazing!

Laney: Lady Tsunade and everyone in the Leaf are going to flip!

Nioc: Yep.

Shirley: What's your favorite memory of Nico?

Yakumo Kurama XV: My favorite is when I made an illusion of a burning fire and burned numerous bad guys all over and we put them in prison. These were drug cartel men.

Nico: I remember that.

Me: That is amazing.

Xenia: It sure is. You have the same powers as our Yakumo.

Me: It really runs in the family.

Nico and Yakumo hugged.

Nico: I've really missed you.

Yakumo Kurama XV: Me too Nico. Me too.

Nico: Savanna Rossi, huh? We might have to look out for her before the upcoming big mission.

We went back and told everyone everything and it was awesome.

But, we're not going to let that xenophobic sheep get away with it.

Lincoln: Wow, we're back in Zootopia, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word Dawn Bellwether has broken out of prison and she wants revenge, and even worse, she's got a massive army of Heartless with her and she won't stop until she gets her revenge. But, we're not going to let that xenophobic sheep get away with it.

Me: That xenophobic sheep, she just refuses to quit! Well, now we're through going easy on her.

Nico: We sure are.

Just then, Judy Hopps and Nick Wilde arrived.

Nick Wilde: Guys, did you hear the…?!

TLPS Mr. Wolf: Yeah, Bellweather's back, and she wants revenge big time, and she's got an army of Heartless with her.

Judy Hopps: I've had it up to hear with her, now she's gone way too far.

Lincoln: Don't worry, Judy, we'll put an end to her for good, and I want to thank you and your team for joining us, Penny.

Penny: You're welcome, big brother.

Judy Hopps: She really looks up to you and Linka as your siblings, doesn't she?

Lincoln: She sure does, ever since Linka and I saved her from Madame Medusa, and it'll be seven years ago to the day we did just that and got Madame Medusa arrested for her crimes.

Suddenly, we saw a beautiful girl with long dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful dark blue angel wings, she has on a tiara with the Kamen Rider Blades logo, she's dressed in a short-sleeved blue blouse, sleeveless blue midriff top, necklace with the Kamen Rider Blades logo for the pendant, blue skirt and she has the Lion Senki Wonder Ride Book on her waist, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with ice, snow, lions, and angels on the coattails and on the back is the Kamen Rider Blades logo and holstered on her back is a massive Lion Senki-themed greatsword with embedded blue gems and Lion Senki etched on the 7'0" massive, wide, double-edged blue blade, large blue lion heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large blue lion heads and large blue gem on the bottom of the large blue lion heads for the pommel, and in her hand is the Suiseiken Nagare, the seiken for the Lion Senki, and she has the six girls with her.

Nico: Whoa!

Qin: She looks just like Lydia Blades, because of the tiara and necklace with the Kamen Rider Blades logo.

Girl: I do, but not exactly, in fact, I'm someone that Lincoln knows all too well, and I also got the eleven girls away from that xenophobic sheep.

Lincoln: (Gasps) Rachel Shindo, Embodiment of Kamen Rider Blades, I knew it was you, it's really awesome to see you again.

?: I WILL KILL YOU ALL FOR RUINING EVERY LAST ONE OF MY PLANS, TEAM LOUD PHOENIX STORM!

We then saw our target, xenophobic former mayor now convicted criminal Dawn Bellweather, and boy was she steaming mad, and even worse, she has a massive army of Heartless with her.

Lincoln: Well, look who's here!

Suddenly, we saw Nick Wilde clench his left paw hard with anger and rage, and we saw blood come out from the palm, and when it hit the ground, it sizzled.

Everyone: UH OH!

Judy Hopps: Nick…?

Lincoln: Judy, wait, step back, we already know what's about to happen to him.

Suddenly, something within Nick Wilde's mind seriously snapped as memories of Dawn Bellweather's xenophobic crimes and her despicable behavior rushed and echoed through his head, and then, his green eyes turned neon green and he was surrounded by a marine blue energy aura with ice, snow, ice fire, keys, and foxes, he unholstered his Defender of Zootopia Keyblade from his back, and as he approached Dawn Bellweather, he left marine blue energy, ice, snow, ice fire, keys, and foxes with every step.

Nick Wilde: I've absolutely had it up to hear with you for the last time, what you tried to do four years ago in your attempts to take over Zootopia and ruin the harmonious relationship all Predators and Prey in the city have all because of your xenophobic views, and that just makes me sick to my stomach, and you're still the same irredeemable, remorseless, heartless, cold-blooded, evil, back-stabbing, sadistic, and xenophobic piece of trash from four years ago. (SUDDENLY NOW GETTING REALLY BEYOND PISSED OFF) Though I have my duty as a member and officer of The Zootopia Police Department to bring you in and send you back to prison, but deep inside of my heart, I already know the crimes that you'd committed can never ever be forgiven and not even throwing you back in prison will help… , YOU TRULY ARE NOTHING MORE THAN THE DEVIL INCARNATE OF ZOOTOPIA, YOU HEARTLESS, WORTHLESS, IRREDEEMABLE, REMORSELESS, COLD-BLOODED, EVIL, SADISTIC, BACK-STABBING XENOPHOBIC PIECE OF TRASH, AND FOR THAT, I WILL SEE TO IT THAT YOU PAY A FAR GREATER PRICE FOR ALL OF YOUR CRIMES… WITH YOUR LIFE AND YOUR OWN BLOOD!

We suddenly gasped at the sheer extent of Nick Wilde's fury, and the temperature suddenly went cold due to his fury: Dawn Bellweather's about to pay the price for all her crimes, and not even The Ninth Circle of Hell will ever welcome her!

Me: UH OH!

Judy Hopps: What the?! What did we just hear, and why did the air suddenly grow cold?!

Lincoln: What you just heard was your partner's fury being unleashed, and the sudden cold air you felt, it means one thing: Nick's going to transform.

Judy Hopps: Oh boy, and I have a feeling things are about to get even more ice cold! HIT THE DECK, HE'S GOING TO BLOW HIS TOP!

We stood our ground as Nick Wilde screamed like an absolute madman to the infinite power and he was surrounded by a massive vortex of marine blue energy with ice, snow, ice crystals, and snowflakes, there are foxes running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Nick Wilde emerged, but he was changed forever.

Nick Wilde grew from 6'11" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has neon green eyes and a marine blue energy aura with ice, snow, ice crystals, snowflakes, and foxes surrounding him, he has a red fox emblazoned on his forehead and Third Eye with green iris, he has on a Crystal Necklace of The Buddha with marine blue gems on the gold snowflake links and snow blue crystal links and an orange fox-shaped Element of Harmony and on the bottom of The Element of Harmony is a fox with marine blue gems for eyes and holding the Snow, Ice, and Eternity Kanjis in its paws for the pendant, Nick Wilde has on a navy blue long-sleeved shirt with gold aiguillette and the ZPD insignia on his shoulders and badge on his chest, navy blue pants, black knee-high combat boots, dark blue fingerless gloves, and long long-sleeved white trenchcoat with ice, snow, ice crystals, snowflakes, and foxes on the coattails and on the back is a fox surrounded by snowflakes and ice and on top of the fox is the Zootopia Police Department Badge. Suddenly, Nick Wilde felt a sharp pain on his back, and then, massive red angel wings with navy blue tips grew and sprouted out and his tail grew longer for his new body, Nick Wilde has on a Ring of The Phoenix with large navy blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in it on his left paw.

Suddenly, Nick Wilde's massive Defender of Zootopia Keyblade and all the greatswords he'd gotten began merging together and they're surrounded by a kaleidoscope of marine blue energy, ice, snow, ice crystals, snowflakes, and foxes, and when it emerged, it was transformed into Nick Wilde's Arctic Snowstorm Zootopia Defender Fox Angel Keyblade, it's a brand-new Keyblade with embedded marine blue gems surrounding the world of Zootopia, a Hidden Mickey, Crown pendant, a Keyblade, and the symbol of Kingdom Hearts etched on the 7'0" massive, wide, double-edged venetian red blade, large white angel wings for the Keyblade's guard, red fox's eye for the hilt, longer black handle, four large white fox heads with blue gems for eyes for the pommel, three Pawpsickles for the keychain links, and the keychain token is The Zootopia Police Department Badge, he has on his brand-new large gold cuff Bracelets of The Champions of The Universe with venetian red gems on his wrists, his new large gold Belt of Elemental Bravery with a gold fox head with marine blue gems for eyes and marine blue gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his right hip. There's a gold kanji below the Angel that said, "Nick Wilde, Officer of The Zootopia Police Department, Partner of Judy Hopps, Former Con Artist With A Dark and Tragic Past, Keyblade Wielder of Zootopia, Member of Team Loud Phoenix Storm's Team Light Key, Despiser of Prejudice, Preserver of Harmony, Destroyer of Xenophobic Former Assistant Mayor Now Convicted Criminal Dawn Bellweather, Archenemy of The Fox Rinshi, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Snow, Light, The Keyblade, Ice Fire, and Foxes"

We were amazed by Nick Wilde's Super Angel-Red Fox-Archangel-Harmony Celestial Eternal Xelnaga transformation, even Judy Hopps was stunned by the transformation, but when Dawn Bellweather saw it, she went absolutely insane with rage and ordered the Heartless to kill him, but Nick Wilde fired powerful marine blue energy blasts with ice, snow, snowflakes, ice crystals, angels, and foxes at the army of Heartless and they were destroyed and we absorbed the negative energy from them and our auras flared up as we got stronger.

Nick Wilde: (Divine Echoing Cosmic Voice of The Heavenly Arctic Light Archangel Fox and Divine Heavenly Light Archangel Fox Hope) Now, I know how you escaped from jail, Bellweather, you got your hooves on a Dark Orb. Something like that is far too dangerous in your hands.

Nick Wilde fired a beam of light at The Dark Orb she had in her hooves and it shattered, and our Anti-Dark Orb auras protected us from the shards and they were obliterated for good. Suddenly, we saw Dawn Bellweather's eyes turn yellow and they glowed, and she was suddenly surrounded by a black aura of pure evil, and when she emerged, she was transformed into a Heartless known as THE DARK XENOPHOBIC SHEEP OF HORROR!

Max Goof: She's turned into a Heartless! Okay, now we've got no choice but to get rid of her, and this time, for good!

Nick Wilde: (Divine Echoing Cosmic Voice of The Heavenly Arctic Light Archangel Fox and Divine Heavenly Light Archangel Fox Hope) Fine with me. You guys okay with it?

Lincoln: Yeah, we are. Let's get her.

Then, we saw her spirit appear, and Nick Wilde drew The Judgement Kanji on her forehead, and she was banished to The Black Gates for her crimes. We cheered as we holster our weapons and powered down, and Nick Wilde's new body, clothes, weapons, jewelry, Third Eye, and massive red angel wings are permanent.

Nick Wilde: Whoa, okay, that was quite a rush.

Me: You just experienced your first transformation, Nick, it tends to give you a rush at times.

Nico: But, you really showed that xenophobic sheep no mercy whatsoever.

Lincoln: And she also transformed into a Heartless by letting herself attract them to her, and combine that with a Dark Orb in her hands, and that was basically asking for trouble big time, but in the end, we got rid of her for good and saved Zootopia. (To Rachel Shindo) And it's so good to see you again, Rachel Shindo.

Rachel Shindo: You too, Lincoln, it's been a long time.

Lincoln went up to Rachel Shindo and he hugged her, and Rachel Shindo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Rachel Shindo: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Rachel Shindo, Embodiment of Kamen Rider Saber, she's my Guardian Angel from Japan and she's my classmate in Gym. Just like Lydia Blades, Embodiment of Kamen Rider Blades, Rachel Shindo is a really powerful force of justice with the powers of the most powerful predators of the Earth, and she's also a powerful master of ice, and she introduced Lincoln to Kamen Rider Saber when they were eight years old, and have watched every episode ever since. Lincoln made Rachel a tiara with the Kamen Rider Blades logo on it and necklace with Kamen Rider Blades logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: Whoa, that's really awesome. Wait a second, you said her last name is Shindo… , then, that means?!

Lincoln: Yep, she's also the sister of Rintaro Shindo A.K.A. Kamen Rider Blades, and she hates Hawk and Hank with a burning passion.

CLANG! CLANG!

My jaw dropped to the floor and so did Nico's.

Camie and May put our jaws back.

Nico: Wait, what?!

Me: So, Rachel is…?!

Rintaro: Yes, she's my sister alright, and it's so good to see you again, Rachel.

Rachel Shindo: You too, Rintaro.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has the Lion Senki Wonder Ride Book, awesome.

Lincoln: Yep, along with the Suiseiken Nagare, the weapon of Kamen Rider Blades, and a massive Lion Senki-themed Greatsword and she hates Hawk and Hank with a burning passion.

Rachel Shindo: And I've got quite a tale to tell you all of how I froze those two with a page I read from the Lion Senki Book. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Rachel Shindo: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Rachel Shindo: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln's deep sapphire blue eyes turned deep red as he went up to Rachel Shindo, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Rachel Shindo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rachel Shindo's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Rachel Shindo: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rachel Shindo.

Rachel Shindo had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Akane Yasashīha, Hinata Wakaba, Kyoko Minazuki, Ran Hibiki, Yurika Kirishima, and Himezaki/Zaki from Rival Schools.

Lincoln: Oh wow, it's Akane Yasashīha, Hinata Wakaba, Kyoko Minazuki, Ran Hibiki, Yurika Kirishima, and Himezaki/Zaki from Rival Schools.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akane Yasashīha: Yes, we're okay, thanks to you.

Then, when Akane Yasashīha and the other five girls saw who it was that saved them from Dawn Bellweather, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of

Akane Yasashīha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln

and his clones, and we cheered wildly at the scene.

Akane Yasashīha: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Yasashīha, Hinata Wakaba, Kyoko Minazuki, Ran Hibiki, Yurika Kirishima, and Himezaki/Zaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was our old enemy, Dawn Bellwether, who's broken out of prison and wanted revenge on us.

But, when Lincoln showed what happened such as Nick Wilde transforming his Super Angel-Fox-Archangel Harmony Celestial Eternal Xelnaga form and we all brutally beat her down and Nick Wilde destroyed her for good and sent her spirit to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Rachel Shindo have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that xenophobic sheep never to show her face here ever again, and we met the Embodiment of Kamen Rider Blades on Lincoln's side, and she's also Rintaro's sister, that's awesome.

Lincoln: It sure is.

Me: Which means that the other Embodiments of the Kamen Rider Saber team are also relatives of Touma's team, nice.

Nico: And the Embodiment of Storious is Storious' sister, but she hates her brother that much.

Lincoln: That's right.

---

After finally destroying Dawn Bellweather and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rachel Shindo saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rachel Shindo: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rachel, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rachel Shindo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Rachel Shindo: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Rachel, how did you use your Lion Senki Book to freeze Hawk and Hank in their tracks before they could try and kill Lincoln?

Rachel Shindo: Oh, I still remembered that day from years ago. One day, Lincoln and I were finishing doing some shopping at the supermarket, and it was only us since Mr. and Mrs. Loud had to look after Lily, Luna, Laney, Lucy, and Lana were with their friends, Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were grounded in their rooms after I busted them for trying to kill Lincoln again. But, then, as we were walking home, we heard two really loud bellow of rages and Lincoln caught the stench of two stinkers, and we saw who it was heading for us: Hawk and Hank, the two butt-faced Hazeltucky Hockers, and they were really enraged and still out for revenge, but before any of them could attack, Lincoln fired a powerful blast of ice which froze the road and sent them slipping into a tree. Then, I read a verse from my Wonder Ride Book, and a lion appeared and it fired a breath of ice and froze them in a block of ice. Then, Lincoln called the cops and Hawk and Hank got arrested and sent back to prison, this time, they got another Life Sentence added to the Life Sentences they've been accumulating.

Me: Whoa, so that blue lion I saw that day… , that was you?!

Rachel Shindo: Yep.

Nico: Sheesh, Hawk and Hank made the big mistake in trying to mess with your sister, Rintaro.

Rintaro: They sure did.

May: But, that was some awesome work using your Wonder Ride Book to give Hawk and Hank a nasty dose of pain, Rachel.

Rachel Shindo: Thanks, May. So, is it also true that you guys have Wonder Ride Books imbued with the powers of your archenemies in The Masters of Evil?

Lincoln: Yeah, we do, and there's only one person to blame for that: Swartz.

Touma: When the team told us of what Swartz did, we were absolutely pissed off, but we're glad he got The Black Gates for good.

Me: Same here.

We got a shower, and then, Clyde, Laurie, Miles, Ellody, and Mary, along with the rest of Clyde's harem are heading to a fancy Italian restaurant in the north of Gotham Royal York.

Clyde snapped his fingers, and the 7'5" tall and extremely muscular teen was dressed in a fancy tuxedo with accessories and he has his weapons holstered in case of trouble, and Lincoln sprayed a fancy cologne on him he calls Juniper Phoenix.

And Laurie, Miles, Ellody, Mary, and the rest of Clyde's harem are dressed in fancy dresses with accessories, high-heels, and perfume on, and they have their weapons holstered in case of any trouble. Plus, we found out Laurie, Miles, Ellody, and Mary have feelings for Clyde, and he also has those same feelings for them as well, and he saved them from an ambush by thugs Flip hired to have them killed, but Clyde saved them and killed them all which made Flip go insane with anger, until Clyde fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Laurie: Wow, I've never been to a fancy Italian restaurant here before.

Clyde: Lincoln told me about this place, Laurie, the food here is truly delicious, and the restaurant's appearance makes it feel like we're in Italy, even though we've been to Italy more than once.

Syd Chang: True.

Clyde, Laurie, Miles, Ellody, Mary, and the rest of Clyde's harem sat at their table, and they placed their orders with the waiter. Then, a few minutes later, their food arrived, and when Clyde took his first bite of his order, his taste buds went into overdrive.

Clyde: Wow, this is really incredible!

Then, Laurie, Miles, Ellody, Mary, and the rest of Clyde's harem tasted their food, and their taste buds literally went wild.

Laurie: Mmm, this is so good!

Then, after they finished their meals, Clyde, Laurie, Miles, Ellody, Mary, and the rest of Clyde's harem paid for their food, and they shared an amazing kiss after they left, and they came back to the Estate and were back in their original clothes.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to a fancy Italian restaurant.

Syd Chang: The same restaurant you and your harem went to.

Ronnie Anne: Awesome, and did you guys taste the food there, Syd?

Syd Chang: So awesome! Plus, for dinner, you guys are going to love what my Dad's going to make for us: his famous pizza bao.

Nico: Awesome!

Lynn Sr.: Tell your dad to save some for me, Syd.

Syd Chang: Got it.

Lincoln: I haven't tried that before, this should be awesome.

---

Eustace was reading his paper and Muriel was rocking in her chair and sipping tea and they were watching TV. Francesca and Lana and Blossom were watching TV too.

Courage was sitting on Muriel's lap.

Eustace then got out his ugly mask!

Eustace: OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH!

Eustace laughed at Courage being scared.

BLAM!

Francesca hit Eustace on his head with a rolling pin!

Eustace: OW! What did I do!?

That never gets old.

Eustace: (hears something) What's huh?

They saw the mascots up to something again.

Eustace: What's going on now?

Me: Oh the mascots are trying out new trap doors we have.

Poromon: Yep.

Me: Yzma and Kronk have been helping us out.

Nico: I got to see this.

Me: Yep.

Yzma: Pull the lever Kronk.

He pulled it and the mascots fell through a trap door.

Mascots: WRONG LEVER!

KRASPLASH!

Kronk: Whoops.

They came back up all soaking wet.

Poliwag: Yzma how in the world did you do it?

Yzma: Surviving the many shenanigans of the wrong lever being pulled? I'm pretty tough.

Me: We can see that. But that gag NEVER gets old.

Lana: No it doesn't.

Blossom: You 4 okay?

Poromon: At least we landed in the swimming pool.

Nico: Yeah.

Horsea: WEE!

Energon Scorponok: And Horsea just activated another trap door.

This one lead to Maria's room!

Maria: Whoa!

Horsea: Hey Maria! Testing out some trap doors.

As all this was going on I was reading The Wingfeather Saga Books.

Fortess Maximus: Ok. Who activated a trap door this time?

Poliwag: That… actually wasn't one of us.

Varie: I think it was from there!

We saw a Breloom!

Nico: Hey a Breloom!

Laney: Cool!

Breloom: (In a girls voice) (Italian Accent) It's-a cool that you have-a all these amazing-a trap doors.

Nico: Gianna Giordano!? Wow!

She reverted back and was a girl with red hair and had red, white and green clothes and had the flag map of Italy on her skirt.

Qin: Pasta Master Gianna! Been a long time.

Gianna Giordano: It has-a been a while Qin.

Maria: What's your favorite memory of Nico?

Gianna Giordano: Oh my favorite was when-a we made the largest-a bowl of spaghetti and-a we filled up everyone in-a our school.

Nico: She makes the best spaghetti sauce ever. Made from the most delicious San Marzano Tomatoes ever and it's delicious.

Qin: Boy I haven't had spaghetti that good in ages.

Lola: Boy it sounds tasty.

Nico and Gianna hugged.

Nico: I've really missed you.

Gianna Giordano: I've missed-a you too Nico.

Nico saw me reading.

Nico: What are you reading J.D.?

Me: I'm reading the Wingfeather Saga. If we're going to meet the

Wingfeather Kids, I might as well do some reading to help me get prepared.

Nico: Good thinking.

Lola: Nice.

Nico: And good idea too. That's our next mission.

Me: I had a feeling it was.

Miranda (W.I.T.C.H): Nico, which teams have you made this time?

Nico: Aerrow's team will include Olivia Echmeneff, Gemini Richie, Levina Zeus, Aurora Leocadia and Morana Marzanna. Aang's team will include Ms. Cheerilee, Athena Rollins, Rebecca Madison, Riley Misaki, and Elastic Waistband.

Lincoln: Awesome choices.

Lola: I'll say.

Riley Misaki: I'm going to like this one.

Ms. Cheerilee: It'll be awesome being part of a group.

Levina Zeus: It sure will.

The previous group of M.O.E. Members came.

Trap Jaw: Can me, Beast Man, Unicorn, Killer Shrike, Mummy, Shendu, Hsi Wu, Ranamon, Abomination, and Mr. Mittens, go with you guys?

Roulette: Me, Zeru, Capricorn Zodiarts, Lanhua, Mummy of Anhk-Ha, Evil Butane Man, Fenghuang, Mz Ruby, Lego Bane And Superfriends Cheetah will come as well.

Nico: Yes you all sure can. We're going to meet the Wingfeather Kids today and help them destroy their enemy Gnag the Nameless.

Lanhua: I love the Wingfeather Saga! Great adventure there.

Zeru: It sure is.

Ranamon: It's an amazing story there y'all.

Aqua Orimoto: It sure is. And Ranamon it's awesome to meet the legendary warrior of water. I'm Aqua Orimoto and I'm the Embodiment of the Legendary Warriors of Water.

Ranamon: It's a pleasure to meet y'all. Just joined the team?

Aqua Orimoto: I sure did.

Nico: Yep.

Camie: Before we go after Gnag what can you tell us about him?

Me: Well this guy is pure evil.

I went over his history.

---

Gnag the Nameless was the lost son of Ortham and Madia Wingfeather, who ruled the Shining Isle of Anniera. He serves as the central antagonist of Andrew Peterson's The Wingfeather Saga. Davion Wingfeather was born deformed and twisted, unlike his brother Jru. He was stolen by Bonnifer Squoon while his mother slept and taken to Castle Throg, where he was adopted by the mad wizard, Ouster Will. The ancient wizard bestowed upon him a name better suited for his crippled form; Gnag.

Biography

Growing up under the tutelage of Ouster Will, the man responsible for breaking the world and submerging the Dragon Kingdom, Gnag learned how to use the Holoré and Holoél to meld people with animals. Ouster Will harbored in him a deep hatred for his family, telling him that they hadn't even deigned to give him a name upon seeing his deformities. After killing and usurping his master, Gnag used the Ancient Stones to create an army of Fangs by melding captive humans with lizards. With his army, he struck out against the Shining Isle to reclaim his destiny as its heir. In the fury of his assault, Anniera was utterly destroyed, and the survivors fled to the far lands of Skree.

After building his armies further, Gnag pursued to Skree and conquered it. There, the Fangs seemed to settle in as its rulers as the Nameless One reigned silently from the darkness of Castle Throg. But the conquest of Skree was not without purpose; Gnag sought the Jewels of Anniera, the children of the Shining Isle's last king and queen. With them in his clutches, he could open the Fane of Fire and retrieve more of the Holoré to further expand his powers.

After finally capturing the Jewels in the Green Hollows, Gnag used them to access all the Ancient Stones he needed. Then, he presented the skull of Ouster Will to Yurgen, the great dragon king who had been wronged by the man countless ages ago. Gnag melded himself with Yurgen, so that they both might take their vengeance against the world. But as the Fangs of Dang battled the Hollowsfolk, in the darkest hour, Oskar N. Reteep informed Gnag that he had a name, that he'd always had a name. Realizing at last that he'd been deceived, that all his actions had been on account of a lie, Gnag the Nameless crumbled to dust.

---

When I was done everyone was shocked!

Qin: He is a monster!

Xenia: How can he be so evil!?

Me: He was made that way. But what's ironic is that he is trying the to kill the very family that he was going to destroy.

Nico: Geez! But not if we give him the Black Gates first.

Astro Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm going for Slaking, Ninjask & Shedinja and Exploud next.

Lola: Awesome choices.

Qin: Yeah.

Nico: This will be awesome.

Me: Yep. We're going to the world of Aerwiar and it'll be awesome.

Laney: Neat!

Lanhua: This will be so fun.

Me: Scans show that Aerwiar is located 515 lightyears from Earth.

Nico: Wow.

Qin: This is gonna be awesome.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Binniia, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Binniia of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Binniia, right, Iona?

Iona Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Phoebe Ramirez: While you and Nico destroy Binniia and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we're going to meet the Wingfeather Siblings, and we're going to destroy Gnag the Nameless.

Lincoln: We will not allow that fiend to open the Fane of Fire, and we will free the lands that he'd put under his tyrannical rule, and once we get done with destroying Gnag the Nameless, you better be ready to die, Binniia.

Iona Han: You better be ready to suffer, Binniia, for you shall be consumed by the darkness of The Netherworld, and your soul will know nothing but eternal suffering.

Nico: Lets get a move on guys!

We were off to the ship.

We were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7319.6: The U.S.S. Valorous Phoenix is en route to the planet Aerwiar from the book series The Wingfeather Saga. Our mission is to meet the Wingfeather Kids and destroy the evil and terror of the malevolent Gnag the Nameless.

Me: This is gonna be awesome.

Nico: It sure is and that was great thinking preparing for this mission by reading the books J.D.

Me: Like I have always learned about and that is to be prepared for anything.

Nico: Yep.

Unicorn: How far are we?

Capricorn Zodiarts: I hope it isn't long.

Nicole: 511 light years from Earth. We're close.

Nico: We're almost there.

Laney: I love the Wingfeather Saga too. It's a great story.

Varie: It sure is.

Phage: You know, today is the first time we've turned a hostile Another M.O.E. member into a friendly one.

Nico: You're not kidding there Phage.

Qin: But we were really shocked that it was Lila Rossi's brother.

Xenia: Yeah we had no idea Lila had any siblings.

Marinette: Savanna is a really nice girl. She is the polar opposite of Lila.

Qin: Wow!

Marinette: Savanna is Lila's older sister and she is a good friend and a great team member too.

Adrien: She sure is.

Me: We're definitely going to recruit her into the team before we head out to meet Natsumi and friends on the 21st.

Apple Bloom: This is gonna be a really fun adventure.

Mummy: I don't care if she'll be a Gene Slammer or Another M.O.E. member or any other if Swartz's creations.

Mummy of Anhk-Ha: We're recruiting her before the 21st one way or another.

Me: That's for sure.

Marinette: I have a feeling she won't be a gene-slammer or Another M.O.E.

Me: But one way or another we're going to add the biggest insult of all to Lila the Terrible: TURNING HER OWN SIBLINGS AGAINST HER!

Nico: That is for sure!

Camie: Yeah!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Aerwiar.

Snake Man: We're here.

Me: Wow it's beautiful from up here.

Qin: It sure is.

Xenia: Yep.

We got to landing and we landed on the planet and we got out and it was beautiful.

Me: Wow. This planet is amazing.

Xenia: It sure is beautiful.

Fluttershy: Oh I think it's an amazing and magical place.

Qin: It sure is.

Me: Yeah. And there's Glipwood Township. That's where we'll find the Wingfeathers.

Nico: Okay.

We went to the town.

Hsi Wu: I'll fly to look for them.

Fenghuang: No need. I see them already

We saw them being harassed by Slarb, one of Gnag the Nameless's minions.

Me: That's Slarb.

Nico: He sure is ugly. Reminds me of the lizardmen.

Qin: Yeah.

Me: Lets go!

We went up to him.

Me: HEY!

Slarb saw us!

Leeli: Wow! Team Loud Phoenix Storm!

Tink: It's an honor.

Nico: You too guys.

Me: Slarb you got three seconds to get out of here.

Slarb: I am going to destroy these kids.

Me: I don't think so.

I fired an energy blast and obliterated him in an instant!

Janner: Wow! Thanks guys.

Me: No problem. You guys aren't hurt are you?

Janner: No we're all right.

I went and got Leeli's crutch for her.

Leeli: Thanks J.D. That was awesome.

Me: You're welcome.

Giganta: It's nice to meet you guys.

Janner: Same to you. Thanks for saving us.

Me: It was our pleasure.

Qin: We came from Earth to help you guys.

Me: We're here to destroy Gnag the Nameless.

Janner: Great! Lets take you to our home so we can talk.

Me: Sure.

We went to the Wingfeather house.

Abomination: I heard you play a Whistleharp well.

Lego Bane: (Spanish Accent) Can we hear it?

Leeli: Sure.

She pulled out her Whistleharp and played Yurgen's tune and it was beautiful.

Aylene pulled out her Ocarina and played along.

It was beautiful.

When she was done we were in awe.

Me: Leeli that was amazing

Leeli: Thanks. It's what I like.

We then got to the Wingfeather house and it was a nice home.

Me: This is a nice place.

Janner: Yeah it's home.

Clawful: Is there a Thunderbird around here?

Leeli: I don't think so.

Qin: There probably isn't.

Janner: No there isn't.

Then we saw a Fang watching the house.

Me: Oh no you don't.

I fired an energy blast and obliterated it in an instant.

Me: Jeez those Fang dirt clods want you gone.

Leeli: Yeah they want to kill us.

Me: Not on our watch.

Nico: They can get to you over our dead bodies.

Mr. Mittens: Okay. No one else unfriendly is around.

Superfriends Cheetah: I think we're safe for the moment.

Me: Don't worry I'll blast any Fangs that come near here.

Leeli: Thanks J.D.

We went in.

Janner: We're home!

Tink: And we have guests.

Nia: Oh. (GASP) Team Loud Phoenix Storm it's an honor.

Me: Hello Nia. It's a pleasure to meet you.

Podo: And you too J.D. Was that you outside?

Me: Yes it was. I blasted a Fang that was watching the house.

Janner: And he blasted Slarb earlier.

Me: Yep. I apologize for all the commotion.

Nico: We came to help you guys destroy Gnag the Nameless and end his reign of evil.

Gabriel: The irony of the situation is obvious here.

Me: It's something you guys are not going to like. We know for a fact that he is a Wingfeather. His goal is to destroy all the Wingfeathers.

Nia: What!? Why!?

Me: He was lied to and told that you guys are bad people. But you really aren't.

Qin: Yeah.

Me: That's why we're going to make sure he never returns. We're going to kill him.

Leeli: I know you can do it.

Me: Yeah. I'm sorry guys but he must answer for all his crimes.

Mz Ruby: Even if we have to snap his neck.

Ranamon: Among other ways to kill him.

Me: That's right. As long as Gnag is around he will continue to cause problems.

Nia: We understand. But thank you guys.

Me: You're welcome.

Eli: (Senses something) The Fangs are coming. They are all heading this way.

Me: Leave them to me.

I went outside and saw 15 of them coming.

Me: Okay lizardfaces. Come and get me.

They roared and went at me.

I fired a massive energy blast and obliterated all of them in one fell swoop in an instant.

Me: (Blows on finger) Take that.

But more of them came.

Ludwig Koopa: I got an idea.

Ludwig summoned several Bullet Bills.

They went at them and they hit the Fangs and they exploded and killed the rest of them.

Me: Take that!

Leeli: Wow! Yeah!

Qin: Yeah!

Eli: That's the last of them.

Me: Great.

Leeli: Thanks guys.

Nico: No problem.

Shendu: (sees the same man riding a tricycle and holding a lollipop and paddleball) Him again?

Man: I can explain.

Evil Butane Man: Will you get outta here?!

Lily: I haven't seen him or anyone dressed like that since the time I was helping Sandy with her Hibernation Week.

Lynn: Or Lincoln helping me with my sports issues.

Xenia: Yeah.

Kabuto: Or when we were fighting Talpa.

Me: Yeah I remember that.

Ryo: That was funny and crazy.

Sage: You got that right.

Camie: Yeah.

Nico: Lets just focus.

Leeli: But that was funny.

Brittney: Leeli how would you like to have me heal you after this is all done.

Leeli: But how? I was born this way.

Nico: We have the power to heal anyone.

Me: Yep. Watch.

I had my hand glow and I touched Podo's leg and he grunted in pain and then it grew back and he had his foot back! His peg leg fell off.

Podo: My leg is back!

Janner: Wow! How did you do that!?

Eli: My bro and the team are gods among man. They have done so much all over the universe that it's amazing.

Killer Shrike: But we haven't gotten Joe his legs back.

Lanhua: He says he'll be ready to get them back when he feels

ready.

Me: Yeah.

Joe Swanson: Just take your time guys. I'm not in a rush.

Xenia: Okay.

Janner: I have a feeling this will be awesome.

Me: It sure will.

Camie: Yep.

Nico: So where is Gnag's castle?

Me: Castle Throg in the Killridge Mountains.

Leeli: That's to the Northeast.

Me: Then that's where we'll go.

Nico: Yep.

Eli: This is gonna be good.

Bonecrusher: Entrance time!

Leeli: Lets get him!

Janner: This ends now!

Tink: Yeah!

Nia: Be careful guys.

Me: Don't worry Nia. Your kids are in really good hands. And we are the most powerful force in the entire universe. We'll be fine.

We were off.

Gnag was wondering where his minions were. He hadn't heard from them. But then the spirits of the myths from all over the world came and then they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we landed.

Me: Gnag the Nameless!

Gnag: Team Loud Phoenix Storm!

Qin: That's right!

Leeli: This ends right now Gnag!

Xenia: We're going to destroy you!

Prisonable made his first appearance on the Sagittari Ark where Azald announce it was his turn to cause mayhem on Planet Earth.

Speaking of which he appeared on Planet Earth where he used his Shackle Wrecking Ball to capture a couple of fleeing Japanese civilians then he used his combo to teleport his captured victims into an underground prison. However this kind of action brought the attention by the arrivals of the Zyuohgers. So he battles them while Leo carries Misao. After that, he used Shackle Wrecking Balls to capture Tusk and Misao then used his combo move to sent the two to an underground prison as well before he retreats.

A while later Prisonable appears at the entrance of his underground prison to prevent Tusk from leaving by using the Shackle Wrecking Ball to stop him from moving even further then he used his Iron Bar Shield to start a cave in on him.

A while later he appeared at the beach where the group found him and they're about to free his prisoners, so to prevent this from happening he sends out the Moeba to stop them. He then joined the fight too until it was stop by the awakened Cube Bat that used its echolocation and freed everyone including Tusk and Misao. So Prisonable was left with no choice, but to battles Misao and the team. After that Prisonable was then defeated by Misao and Tusk when they used Beast unleashed.

However thanks to Naria she inserts a continue medal right in the middle of Prisonable's chest to enlarge him as he battles Tousai Zyuoh, Zyuoh King and Wild. However he used his Iron Bar Shield to trapped the three in place as he gives them an electric shock. But with the Cube Bat Misao gained he used it to free the bots. After that Prisonable was then destroyed by this finisher called Komori Boomerang Zyuoh Cutter.

One day, Lincoln and I were finishing doing some shopping at the supermarket, and it was only us since Mr. and Mrs. Loud had to look after Lily, Luna, Laney, Lucy, and Lana were with their friends, Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were grounded in their rooms after I busted them for trying to kill Lincoln again. But, then, as we were walking home, we heard two really loud bellow of rages and Lincoln caught the stench of two stinkers, and we saw who it was heading for us: Hawk and Hank, the two butt-faced Hazeltucky Hockers, and they were really enraged and still out for revenge, but before any of them could attack, Lincoln fired a powerful blast of ice which froze the road and sent them slipping into a tree. Then, I read a verse from my Wonder Ride Book, and a lion appeared and it fired a breath of ice and froze them in a block of ice. Then, Lincoln called the cops and Hawk and Hank got arrested and sent back to prison, this time, they got another Life Sentence added to the Life Sentences they've been accumulating.

Lincoln: Good riddance forever, Gnag the Nameless.

Nico: Your days of terrorizing Aerwiar and The Wingfeather Siblings are finally over, you monster from Hell. Awesome job, gang, but we're not done yet.

Iona Han: That's right, we still got Binniia to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Binniia.

A figure came out, and it was none other than Binniia of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Binniia, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Binniia: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Iona Han: The only one who deserves to be destroyed is you.

Suddenly, Iona Han's red eyes turned neon red and she was surrounded by a black energy aura with darkness, dark magic, fiends, phoenixes, and dark angels, she unholstered her massive Evil HERO Infernal Prodigy-themed greatsword from her back, and as she approached Binniia, she left black energy, darkness, dark magic, fiends, phoenixes, and dark angels with every step.

Iona Han: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Binniia: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I will unleash the true powers of the darkness of The Netherworld upon you, and your miserable soul will be damned to Hell for all eternity!

Suddenly, Iona Han was surrounded by a massive vortex of black energy with darkness and dark magic surrounding it, there are fiends, phoenixes, dark angels, and Evil HERO Infernal Prodigy flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Binniia: the red eyes of death. Then, as the vortex faded, Iona Han emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Iona Han grew to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, dark magic, fiends, phoenixes, and dark angels surrounding her, she has Evil HERO Infernal Prodigy emblazoned on her forehead and Third Eye with red iris, she has on demon earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Evil HERO Infernal Prodigy with red gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold flame links. Iona Han has on a short-sleeved black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, dark magic, fiends, phoenixes, and dark angels on the coattails, and on the back is Evil

HERO Infernal Prodigy surrounded by darkness. Suddenly, Iona Han felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Iona Han has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Iona Han's massive Evil HERO Infernal Prodigy-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, dark magic, fiends, phoenixes, and dark angels, and when it emerged, it was transformed into Evil HERO Infernal Prodigy's Darkness Dark Intellect Mythical Fiendish Phoenix Greatsword of Darkness Dark Intellect Mythic Justice, it's a brand-new massive greatsword with embedded red gems and Evil HERO Infernal Prodigy etched on the 7'0" massive, wide, double-edged crimson red blade, large black phoenix heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black phoenix heads with red gems for eyes and large red gem on the bottom of the black phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Evil HERO Infernal Prodigy's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Evil HERO Infernal Prodigy that said, "Iona Han, Gene-Slammer of Evil HERO Infernal Prodigy, Genius of The Han Sisters, Genius of The Myths of The World, Eighth Sibling of The Han Sisters, Master of The Powers of Dark Magic, Daughter of Damian Alaister of The Church of Necrom, Future Wife of Nico Chan, Archenemy of Evil Sea Clamp, Destroyer of Binniia of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Myths, and Infernal Phoenixes"

イオナ・ハン、悪のヒーロー地獄の天才のジーンスラマー、ハン姉妹の天才、世界の神話の天才、ハン姉妹の8番目の兄弟、ダークマジックの力のマスター、ネクロム教会のダミアン・アレイスターの娘、ニコ・チャンの未来の妻、邪悪な海のクランプの大敵、ホーリーギドラの惑星の地球外秩序のビニニアの破壊者、悪のスレイヤー、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、およびマスター オブ ダークネス、ダーク マジック、神話、および地獄のフェニックス

Iona Han has transformed into SUPER ANGEL-EVIL HERO INFERNAL PRODIGY-DEMON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARK INFERNAL INTELLECT MYTHIC EVIL HERO INFERNAL PRODIGY PHOENIX ANGEL OF DIVINE DEMONIC DARK INFERNAL INTELLECT MYTHIC EVIL HERO INFERNAL PRODIGY JUSTICE AND DIVINE DEMONIC DARK INFERNAL INTELLECT MYTHIC EVIL HERO INFERNAL PRODIGY LOVE!

We were amazed by Iona Han's Super Angel-Evil HERO Infernal Prodigy-Demon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Binniia saw it, she fell into an infernal rage and she got out her blaster to fire at her, but Iona Han fired a powerful black energy blast with darkness, dark magic, fiends, phoenixes, and dark angels at Binniia, which hit her and pushed her back and she also got burned, but this really pissed her off now.

Fira Han: Whoa, Iona's transformed, incredible!

Phoebe Ramirez: That's really incredible, and she really burned Binniia badly.

Nico: And she's really got her pissed off now big time.

Iona Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Mythic Evil HERO Infernal Prodigy Angel and Divine Demonic Darkness Infernal Intellect Darkness Phoenix Love) And now, the darkness of The Netherworld is coming for you, Binniia.

Nico: Let's get her, Iona, this asshole doesn't deserve to live any longer.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Iona Han.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Iona Han and Nico went after Binniia who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Binniia and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Binniia, drawing more blood and leaving more scars on her, and she was being driven even more ballistic. Suddenly, Binniia took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then she drank it. Suddenly, Binniia began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Binniia's transformed into her King Ghidorah Hybrid Monster form.

Binniia fired a Gravity Lightning blast at Iona Han and Nico, who dodged it.

Lincoln: Iona, Nico, hang on!

Lincoln fired a rainbow energy blast which separated Binniia from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Binniia and he bear hugged her, so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Binniia into his body through his skin and he assimilated her powers and abilities.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Iona, let's end this asshole for good.

Iona Han: (Divine Echoing Cosmic Voice of The Demonic Darkness Infernal Mythic Evil HERO Infernal Prodigy Angel and Divine Demonic Darkness Infernal Intellect Darkness Phoenix Love) You got it, Nico.

Iona Han and Nico sent Binniia flying into the air, and then, they prepared their combo to put an end to Binniia.

Iona Han and Nico: DARK INFERNAL EVIL HERO INFERNAL PRODIGY PHOENIX DEMONIC INTELLECT DARKNESS KAMEHAMEHA!

Iona Han and Nico fired two massive black energy Kamehameha waves with dark fire, darkness, earth, and phoenixes which hit Binniia, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Iona Han and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for her crimes. We cheered as Iona Han and Nico holster their massive greatswords on their backs and powered down, and Iona Han's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Iona Han: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and forty-four members to go. Thanks for helping me destroy Binniia once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Iona.

Suddenly, Iona Han wrapped her arms around Nico's wider and muscular back, as her chest pressed against Nico's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Nico leaned down to Iona Han's face, they kissed passionately as she moved her arms and placed her hands on Nico's massive pecs, and behind them was a Dragon, Phoenix, Angel, and Evil HERO Infernal Prodigy flying in the air, and we saw many animals running across the field, along with elemental forces and the undead wailing in torment and darkness behind them and we cheered wildly. Then, Nico and Iona Han absorbed the darkness and they came back to us as the display and Evil HERO Infernal Prodigy vanished.

Me: Whoa, now that's what I call another cult fanatic put down for good, nice job, Nico and Iona.

Nico: Thanks, J.D., and like Lincoln said, those potions the members of The Extraterrestrial Order of the Planets of Holy Ghidorah have allow them to transform into King Ghidorah Hybrid Monsters and they also acquire his powers as well.

Lincoln: But, they only use it when they've really been pushed too far. However, one rainbow energy blast separates them from their King Ghidorah Hybrid Monster form.

Nico: And they wind up becoming your next meal for you to absorb, Lincoln, and for tomorrow, the next member is Fexxtia, which means you're up next, Bianca.

Bianca Han: Yeah, we'll make Fexxtia pay.

Nico: We sure will.

Taylor Kamiyama: And on Lincoln's rescue tomorrow, we're going to meet the next Kamen Rider Saber Embodiment, this time, it's for Kamen Rider Espada.

Lincoln: That's right, Taylor, and we're going down the list for those who happen to be part of the Saber team which'll lead to us meeting the Embodiment of Storious.

Nico: It's also amazing to believe that you also have Embodiments of The Kamen Rider Saber team as part of your Guardian Angels, Lincoln.

Me: You said it, say, maybe there could be Embodiments for the other Kamen Rider teams.

Nico: That could be a possibility, J.D.

Diana Elementa: It is, after all, you've met us: The Sailor Soldiers of the planets that you've gone to during the treasure hunts and who are also Lincoln's Guardian Angels.

Lincoln: That's right.

Greiger: Gnag won't be bothering you guys anytime soon.

Rex Goodwin: Or ever again.

Me: Now he is in the Black Gates forever.

Hydrax: I think this calls for a celebration.

Felix Faust: How do you guys celebrate around here?

Janner: Well we want to celebrate with you guys.

Me: That works. You guys are going to love Earth. It's beautiful and awesome.

Steam Smythe: (to Leeli) But first, we're healing you.

Brittney: Now this is gonna hurt just so you know.

Leeli: I'm ready.

Brittney's hand glowed and she touched her and Leeli winced and she felt her leg getting feeling and she felt herself getting fully healed! Then she got up and then she felt her leg and it was amazing!

Leeli: I can walk! I can walk!

She didn't need her crutch anymore!

Qin: Awesome!

Nico: Yep. But J.D. you deserve most of the credit. Your preparation for all this lead to our awesome victory here.

Me: Well thanks Nico.

Nico: But everyone did great. Great job today everyone.

Twilight Sparkle: (To the viewers) This was an awesome and epic adventure. Hope you all loved it.

Me: I know we all did.

Nico: And now Gnag will never terrorize this world again. Lets go home.

We did so and went to Lynn's Table and had a great meal and enjoyed the rest of the day and went to sleep.

Lana: But it's really awesome seeing this world for the first time.

Nico: It sure is and Lana, I want to thank you, Vexen, and your teams for coming.

Lana: No problem Nico. Even though I'm always with you guys it's awesome.

Vexen: It sure is awesome.

Rip: You got that right. I think this is gonna be fun.

Crag: It sure will be Rip.

Nico: Rip, what do you like to do in your free time?

Rip: I like to help in ripping the secrets from nature. And also I like making fun of Chunk.

Chunk: Shut up!

Rip: (GROWLS)

WHAM!

He punched Chunk square in the stomach.

Crag: Hey you guys! Break it up!

Juran: So you're the leader of the Ripping Friends?

Rip: No. That's Crag's job.

Crag: Yeah I've been the leader of the Ripping Friends for a long time.

Lincoln: Also me and Luna met the Ripping Friends the first time too.

Me: I remember that day. That was so fun.

Nico: I wasn't with you guys when that happened. Can you tell me?

Me: Sure.

I went over the events of chapter 62.

---

Luna and Lincoln are in the Simulator.

Me, Varie, Sam, Jessie, Anastasia, Ahsoka, Starfire, Raven, Terra, Volcana, Lori, Eddy, Luan, Lynn, Lucy, Linka, Laney & Crysta, Lana & Lola, Penny, Lily and Lisa are in the control room.

The Simulator Activated and Luna and Lincoln found themselves by RIPCOT (The Really Impressive Prototype City Of next Tuesday) and the home and laboratory for the legendary RIPPING FRIENDS.

Lincoln: We're in the Ripping Friends! One of my favorite shows.

Luna: Mine too bro. This is gonna be rockin'!

They heard a loud Fart and saw the Ripping Friends Chunk, Slab and Rip under attack by Citracett who had now been transformed into Stinky Butt.

Lincoln: That's Citracett!

Luna: Yeah bro! And he's using farts as dangerous weapons.

Lincoln: I remember this episode! This one with Stinky Butt always made us both laugh the hardest.

Luna: Me too. Lets help them out.

Lincoln and Luna ran to them.

The Ripping Friends stood ready.

Stinky Butt: [European Accent] Have a taste of my Hot Pepper Grenades, Ripping Fellows!

Stinky Butt farted out farts that looked like chili peppers at Slab, Chunk and Rip and Luna and Lincoln appeared and Lincoln fired a bolt of lightning and ignited the peppers and they turned into flames and fizzled out and the lightning hit Stinky Butt and electrocuted him.

Stinky Butt fell to the ground sizzling.

Chunk: Did you see what that kid just did?

Slab: Yeah. He got Stinky Butt with lightning.

Rip: Way to go kid!

Lincoln: Thanks guys! Me and my sister Luna here watch your show "The Ripping Friends" all the time and it is awesome!

Luna: It is rockin' dudes! [Makes the rock on hand sign]

Crag came down.

Crag: Looks like you guys need some help.

Lincoln: Crag! I'm glad you came. By the way I'm Lincoln Loud.

Luna: And I'm his big sister, Luna.

Stinky butt got up.

Stinky Butt: You little bratty urchins! Prepare to feel the power of my invincible arsenal!

Luna: I don't think so!

Luna punched Stinky Butt in the face and kicked him in the stomach and punched him in the nose and mouth.

Luna: You need to lay off the beans for a while stinky dude!

Luna kicked him and he went flying and crashed into a tree head on.

Rip: Oooh! Man that's got to hurt.

Chunk: Your sister is one good fighter Lincoln.

Lincoln: We've had a lot of training Chunk.

Stinky Butt got up and he was infuriated. But out of the blue a ball of water with a rainbow music note inside it appeared out of nowhere and touched Luna and she was in a tornado of water and glowing musical notes.

In the Control Room.

Me: Another choosing process.

Laney: Yeah. I can sense it.

Ahsoka: How did you guys get all of your powers if I may ask?

Laney: We were given different powers from the gods of different Myths from all over Earth. I got my plant powers from the Diamond of Gaia. But only those that are pure of heart can get them.

Lori: I got my Wind Powers from the Wind of Ga-Oh, the Spirit of Wind in Iroquois Myth.

Lily: I got my Glowing Water Powers during the April Fools Travesty from the Glowing Water of Coventina, the Celtic Goddess of Water in Irish Myth. It made me into a 10-year-old as a result.

Lana: I got my Ice powers from the Snowflake of Khione, the

Goddess of Snow in Greek Myth.

Lola: I got my Fire Powers from the Flame of Gabija, the Spirit of Fire in Lithuanian Myth.

Lucy: I got my Dark Powers from the Black Lightning of Nott, the Goddess of the Night in Norse Myth.

Linka: Me and Lincoln got our Lightning Powers from the Lightning of Hinon, the Iroquois God of Thunder.

Lynn: I got my Earth Powers by the Earthquake of Guabencex, the Goddess of Volcanoes and Earthquakes in the Caribbean Tainos Tribe.

Luan: And I got my Light Powers from Sulis, the Goddess of the Sun in Celtic Myth.

Ahsoka: Wow. This family is like a magnet for superpowers of different types.

Me: Yeah it sure is. I was given my powers because of Cosmic Radiation.

Sam: Well now it looks like Luna will have Superpowers too.

Varie: Lets see what happens.

The Water tornado was emitting divine singing and rock music. When it died down, a blue comet appeared by Luna and it was a sea dragon. It was the Skylander, Echo.

Luna: [Groan] What hit me? I feel strange.

Echo: You've been chosen by an Unknown force Luna Loud.

Luna saw Echo.

Luna: A sea dragon? Cool!

Echo: It's a pleasure to meet you Luna. I'm Echo.

Luna: Same here dude. Wait. I've been given powers too. I wonder what I got.

Luna held out her hand and a stream of Water singing Divinely shot out and hit Stinky Butt and he was enchanted by it. In encased him in a ball of water and it was emitting Rock and Roll Music.

Echo: Rock on Luna! That is some awesome noise.

Luna: Thanks Echo. This is Rockin'!

Echo: That's like my Call of the Siren technique.

Luna: Rockin'!

Lincoln: Luna, That. Was. AWESOME!

Luna: I know bro. Echo this is my brother Lincoln.

Echo: Nice to meet you.

Lincoln: Same here.

The Ball of water popped and Stinky Butt was madder than ever.

Stinky Butt: I've had it with all of you! Prepare for the dying. I will now finish you all Twice and For Once!.

Lincoln: That's "Once and for all" you brainless farting monkey!

Crag: Let us help you all.

Lincoln: Sure Crag.

Crag: Come on guys!

All: IT'S RIPPING TIME!

They all slammed their fists together and a powerful surge of power was felt in them and they charged.

Stinky Butt fired a big stream of fart gas and Lincoln fired a lightning bolt and ignited it and the flaming gas followed Stinky Butt right back to him and exploded in his butt with a powerful force at point blank range. It sent him crashing into a nearby building. Crag, Chunk, Slab and Rip began pulverizing him in a brutal manner and Stinky Butt blew them away with a cloud of stinky fart gas. Luna and Echo fired a stream of music and it hit him and Stinky Butt screamed in pain as his ears began bleeding.

Lincoln fired a ball of lightning and it hit Stinky Butt and electrocuted him.

Echo: Good shot Lincoln.

Lincoln: Thanks Echo.

Crag: How did you like that Stinky Butt?!

Crag punched him in the nose. (BLAM!) Kicked him in the stomach. (CRASH!) Kicked him in the crotch. (WHAM!)

Chunk: Take this you menace to the Earth!

Chunk punched Stinky Butt in the mouth. (BIFF!) Headbutted him. (CRACK!) Kneed him in the stomach. (ZONK!)

Rip: You Like that? How about some more?

Rip punched Stinky Butt in the back. (SMASH!) Leg sweeped him (TRIP!) and kicked him into the air. (WHAM!) Rip jumped up and Pile Drived him into the ground with incredible force. (KRABLAM!)

Slab: Take this you Living Whoopie Cushion!

Slab punched Stinky Butt in the multiple times. (POW BIFF CRACK BASH THWACK ZONK WHAM KATOW WHOMP BLAM CHOMP QUACK!)

Lincoln: Try this on for size. It will shock you to the core.

Lincoln formed some lightning on his fist and punched him with a 1 billion volt shock. (ZAP!)

In the Control Room.

Me: Ooh! That must've really hurt.

Luan: That was truely SHOCKING! [Rimshot] [Laughs] Get it?

Me, Varie, Eddy, Ahsoka, Starfire, Sam, Jessie, Raven and Anastasia laughed.

Me: [Laughs] Good one!

Eddy: [Laughs] Good one, Luan.

Raven: [Laughs] Shocking. I just got it.

Ahsoka: That was funny. Luan you know how to make people laugh.

Luan: Thanks Ahsoka.

Sam: Luan is always a hoot.

Then the door opened and in came a small flame and it touched Sam and she was inside a tornado of fire and a red light came in and it was the Skylander, Sunburn.

When it died down, Sam got up.

Sam: What happened and I feel weird.

Sunburn: You have been chosen by a force Sam.

Sam saw Sunburn.

Sam: A phoenix dragon? Cool!

Sunburn: My name is Sunburn. It's a pleasure.

Sam: Same here. I must've gotten powers of Fire too. Like Lola.

Me: That could be the case. I'll have to look this up later.

Stinky Butt was defeated and he was laying on the ground in total defeat, disgrace and humiliation. He returned to Citracett.

Rip: He's back to Citracett again.

Crag: Yes. When we all defeated him he was stripped of his powers and reverted back to his weak and powerless self.

Lincoln: Good riddence.

Citracett got up and he was weak. He didn't hear the whole conversation.

Citracett: You haven't… Beaten me yet Ripping Fools. I still have my invincible arsenal.

Citracett let out a fart but nothing formed or happened.

Citracett: Wha? What happened? Where is my fart monster?

Luna: You lost your powers dude.

Lincoln: You've now been rendered powerless dude.

Luna: It's over Citracett. You're finished.

Citracett: I will never surrender to the likes of you all! Euroslavia will conquer everything!

Lincoln: You should learn how to accept defeat like a man instead of always fighting like a coward.

Citracett: I will never stop fighting!

Crag: Are you really that desperate, Citracett?

Slab: How can you be so stupid?

Rip: Yeah man. What's your deal?

Chunk: Yeah.

Echo: You're starting to sound like a stupid annoying pipsqueak buffoon we all don't like in Skylands.

Luna: Who is that, Echo?

Echo: I'll explain later, Luna.

Citracett: I will not stop until I destroy all of you and then the world will be mine!

Luna: We'll see about that.

Police cars drove up and arrested Citracett and took him away.

Citracett was sentenced to Eternity in the Los Angeles CryoPrison. Never to be released ever.

Crag: Luna, Lincoln, Echo, we can't thank you three enough for helping us defeat Citracett.

Luna: It's no problem dudes.

Echo: We did what we had to do for the world.

Slab: We all owe you one big time.

Lincoln: It's no trouble guys.

Rip: You guys are awesome man.

Chunk: Yeah. You guys are amazing.

Crag: We couldn't have done it without all of you.

Crag gave Luna and Lincoln brown rings with the Letter R on them.

Crag: Luna and Lincoln Loud, you are now honorary members of the Ripping Friends.

Luna: Thanks Crag.

Luna and Lincoln put the rings on and they were happy.

A vortex appeared and Luna, Lincoln and Echo left.

The Exercise was done.

In the Living Room I looked up what had happened to Luna and Sam and it was interesting.

Me: Luna, you were given Water Music Powers by the Water of the Sirens of Greek Myth. Whoever gets these powers will have the same powers as the sirens as well as the ability to control water. They will also get Sound Control and a divine singing voice and well as winged flight and the ability to breath and fight underwater.

Luna: Dude. That's amazing.

Echo: No kidding. She has powers that are very similar to mine.

Me: Yeah. Sam was given Fire Powers because of the Fire of Pele, the Hawaiian Goddess of Fire and Volcanoes in Hawaiian Myth. Once every 100 years, Pele sends a small flame to someone who has a massive love for music. That person will have fire powers such as cosmic pyrokinesis, Winged Flight, Volcano Synthesis, Lava Control, Immortality, Invinciblility, Flaming Teleportation, Create Beasts of Fire and more.

Sunburn: That's incredible. Some of those powers are very similar to mine.

Me: But one thing still puzzles me. How did some of the Skylanders end up here on Earth?

Echo: We were fighting Kaos and he banished us here. Kaos was once Master Eon's apprentice and he became powerhungry and driven to conquer all of Skylands no matter what the cost was. We banished him to the Outlands but in the process he banished us all here. He destroyed the Core of Light which was our tool to keep an evil force called The Darkness at bay.

Sunburn: Kaos has been a huge problem for all of us for years. He will stop at nothing to take all of Skylands and kill us all.

Me: That's pure evil!

Lincoln: We got to stop Kaos for good!.

Varie: Are there anymore Skylanders besides you guys?

Echo: Yes. There's lots of us.

Me: That's the key then. If we team up, we can take him down for good.

Echo: I like that.

Sunburn: Lets do it.

Me: First we got to find your friends and comrades, go to Skylands and take Kaos down for good. He picked the wrong people to mess with. It's gonna take some time but we can do it.

Varie: Kaos will pay the Ultimate Price for his crimes.

Me: You hear that Kaos?! We're Coming FOR YOU!

---

When I was done everyone was amazed!

Nico: WHOA! So that day is when you guys saw Luna and Sam get their powers as well as meet 2 of the Skylanders.

Me: Yep. That was awesome.

Nico: It sure was fun.

Me: Yep. Also yesterday's mission was a blast as well.

Nico: Good thing you prepared for yesterday's mission.

Me: I sure did. The books for the Wingfeather Saga really came in handy.

Lincoln: They sure did.

Laney: That was so awesome.

Me: And the Wingfeather Siblings are now loving it on Earth.

Vexen: I'm glad they are.

Nico: Yep. We all are happy for them.

Lana: Yep and we're teaching them so much about Earth and helping them learn a lot in school.

Nico: Yeah you sure are.

Camie: That is so awesome.

Me: Leeli is really excelling in music class.

Lincoln: She sure is. And she and I are great flute partners too.

Anna Anyanova: That is so awesome Linky. We're happy for her.

Camie: Yeah we sure are.

Sora Phaaze: That is so awesome.

Nico: It sure is.

Tsuyu: And we're so happy now that Gnag the Nameless is gone.

Nico: We also healed Leeli.

Brittney: Along with their grandfather. That is cool.

Qin: Yeah it sure is.

Camie: And we destroyed all their enemies in one fell swoop in one day.

Me: Fastest we ever did. The Fangs and Gnag the Nameless are all dead now.

Tsuyu: That is good.

Lola: Big time.

Nico: We would heal Joe but he likes his wheelchair.

Me: Yeah he doesn't mind it. But that's okay.

Lola: Yeah. Joe told us that when he got his legs back he became a totally different person and left Bonnie and dumped his friends back

then.

Nico: Oh man.

Lola: Yeah.

Me: So we don't want that to happen again.

Lana: No way.

Camie: No way guys.

We were at the Sanctuary Fortress.

Nicole: Wow the Sanctuary Fortress.

Lola: This is amazing!

---

An ancient place of Luminoth study, the Sanctuary Fortress (known as the Holy Floating Fortress Horeito[1] in the Japanese release) is the vast, technologically-advanced stronghold that makes up Sanctuary Sector in Metroid Prime 2: Echoes. It is built high on the cliffs of Temple Mountain in the northern part of the planet, overlooking what appears to be an enormous city. A-Kul's Clues refer to it as the "holy fortress". When the Ing attacked, the Luminoth used the Fortress as a safe haven and defense against the Ing. Only mechanoids such as the Quad MB, Quad CM, Rezbit, Octopede, Serenity Class Drones, and the Ingsmashers remain in the Fortress. Now serving the Ing, the mechanoids see both the Luminoth and Samus Aran as foes they must terminate immediately (save for the Serenity Class Drones, whom the Ing do not possess, and seemingly the flying maintenance units). The Fortress' Dark Aetherian counterpart is the Ing Hive.

The Sanctuary Fortress is clearly divided into two main areas:

Lower level:

Its rooms form a "T" shape. Its tips contain the elevators to all the other Aether areas (excluding the Great Temple, which can only be accessed via Temple Grounds).

Main rooms:

Sanctuary Entrance

Reactor Core

Hall of Combat Mastery

Main Research

Upper level

The Upper level is only accessible through two elevators from the lower level. It contains the main gyro and the rooms where the Screw Attack is obtained.

Main rooms:

Sanctuary Temple

Main Gyro Chamber

Watch Station

Aerie area

It can be considered that the rooms that only lead to the Aerie are part of a separated area. In this case, only four rooms are part of this area.

Main rooms:

Checkpoint Station

Aerie

Me: This is incredible.

Nicole: This is also a place where the Luminoth studied a lot.

Nico: Amazing.

Sora Phaaze: And this is where we're going to face Samus's evil doppelgänger Dark Samus.

We gasped!

Nico: Nothing we can't handle.

Camie: Remind me again who Dark Samus is?

Me: She was Samus's evil doppelgänger that was made when Metroid Prime absorbed Samus's Phazon Suit and was reborn as Dark Samus.

I went over her history.

---

Dark Samus is the main antagonist of the Metroid Prime trilogy, serving as the final antagonist of Metroid Prime, the overarching antagonist of Metroid Prime 2: Echoes and the main antagonist of Metroid Prime 3: Corruption.

Her name comes from how she is a dark copy of the hero Samus Aran and the reborn form of the Phazon-mutated Metroid Prime.

Similarly to Ridley, another villain of the Metroid franchise, Dark Samus never talks (unless one counts her deep and sinister laugh), this makes it hard for people to analyze her personality, though there are some notable characteristics that she has.

Her name is quite telling, Dark Samus is extremely ruthless and cruel, as she will do anything to win a battle, even risking her allies' lives just because she wants the advantage. She once corrupted Rundas, Ghor, and Gandrayda, so that she would not risk getting damaged. The only creatures she is shown to respect are the Metroids. If her greedy and egotistical qualities were not shown enough yet, she is very materialistic for the Phazon, most likely because of her origins as Metroid Prime as she wants to grow and grow and become more powerful, and if anyone tries to get in her way, she will instantly destroy the threat, regardless if they are friend or foe, even fellow space pirates get killed if they even try to question her goal.

While she has always been insane, her character changes a lot depending on the game, which might be related to her growing from the Phazon, in Metroid Prime 2: Echoes, she is a complete maniac who is completely out of control and has a terrible laugh, while in Metroid Prime 3: Corruption, she is presented much more sophisticated, which can also make her seem more threatening, considering that she can be emotionless while killing people.

Metroid Prime

After Samus defeated the Metroid Prime, it clung onto Samus's Power suit and tore the Phazon suit off of her in a desperate move to save itself. After Samus leaves the planet, the DNA of Metroid Prime combines with the DNA of Samus and the Phazon Suit in order to reincarnate itself as Dark Samus.

Metroid Prime 2: Echoes

After fully regenerating, Dark Samus left planet Tallon IV to search the universe for Phazon, driven by her instincts from Metroid Prime. Samus eventually found a planet named Aether, which had suffered a war with a dark dimension when strange dark creatures had invaded Aether and its native species, the Luminoth. Dark Samus traveled through Aether and found portals to a dark dimension which she entered, and to her delight, she found tons of Phazon from the meteor impact. Coming and going through the portals, Dark Samus ate all the Phazon she wanted, and grew in power, regenerating herself after her defeat on Tallon IV.

The Galactic Federation, who would later be her enemies, came to Aether and were attacked and killed by the Ing. Dark Samus later found her old nemesis, Samus Aran, come to Aether in search of the Troopers. Samus did not get far before she met Dark Samus, and Dark Samus lured her almost to death in Dark Aether, where the Ing attacked, but only barely missed the bounty hunter. So Dark Samus traversed Dark Aether for awhile.

Samus later met Dark Samus again when she was in the Agon

Wastes. Dark Samus was feeding off of Phazon crystals, and Samus entered, unaware of who Dark Samus was. She soon learned she was the Metroid Prime when she used Phazon to attack. This became a fight to the death which Samus won.

Dark Samus exploded into blue particles upon "death". However, it was just a maximum overload and she repaired herself. The particles reached the Torvus Bog, where she solidified and laughed at Samus before flying off. Dark Samus then returned in the Sanctuary Fortress, where she was seen sadistically laughing after gunning down some Space Pirates trying to protect their Phazon. Samus challenged her to an epic elevator battle, in which Dark Samus became invisible after a while due to all the Phazon power. Later, rather than admit defeat, Dark Samus committed suicide by jumping off the elevator tower and falling into the city below.

Dark Samus was unseen through the rest of Samus' adventure, but right at the end, she made a surprise return. Dark Samus returned and she was now skeletal, bereft of armor, and her organs resembled the Metroid Prime's, thus confirming who she truly was. Enraged, Dark Samus blocked off Samus' escape from Dark Aether by gliding and firing Phazon missiles at her, Samus noted that if she repelled them back at Dark Samus it would cause another overload. After enough hits, Dark Samus crashed to the ground and crawled towards Samus, trying to absorb her Light Suit, but she disintegrates and was believed destroyed in Dark Aether.

Metroid Prime 3: Corruption

Despite her disintegration, Dark Samus' particles re-formed in space around Aether. In Metroid Prime 3: Corruption, on the planet Phaaze, the source of all Phazon, she controls the Leviathan Seeds: living creatures that are spawned from Phaaze and contain rooms within their bodies and carry massive amounts of Phazon.

She plants a seed first into the Pirate Homeworld. Then, Dark Samus, along with the help of the space pirates, leads an attack on the Galactic Federation and manages to implant one of the gigantic Seeds on the planet Bryyo.

Samus manages to stop one seed from crashing into Norion, a planet important to the Galactic Federation. Dark Samus appears then and hits Samus and her bounty hunter allies and implants Phazon within their bodies. Soon after, a Seed is implanted into the planet, Elysia. The Seeds begin to corrupt the planets and the forms of life (In Elysia's case).

To destroy each of the Leviathan Seeds, Samus enters them and must destroy a monster who is powered by the Phazon energy inside (probably inside a lung-like cavity). Every time she destroys a monster, the Phazon released begins to corrupt her even further.

In the end, Dark Samus merges with Aurora Unit 313 to fight Samus, but is defeated, and is destroyed for good. Her death and the destruction of the Phazon frees Samus Aran of the infection.

---

When I was done everyone that hadn't heard about it was shocked and horrified!

Lola: Yeah we were shocked ourselves.

Sora Phaaze: I've heard about everything that Dark Samus did and what she did was beyond horrible.

Qin: She affected Janeen greatly because she destroyed her biological mother Gandrayda.

Xenia: No kidding there.

Sora Phaaze: That's why I'm going to stop her. I'll show her the true power of Phazon and the power that I have as the Avatar of Phaaze.

Nico: Too bad Megan isn't with us.

Me: I know.

Touma: But we'll tell her all about it.

We walked around the fortress and it was amazing.

Me: You know many of the creatures here would be perfect for the

M.O.E.

Qin: They sure would.

Lola: Yep.

Nico: Keep your eyes peeled.

Qin: Okay.

Lola: She isn't going to be hard to find though.

Nicole: She turned into blue sparkles and can reform from them.

We arrived in the big room that was also where Samus fought Quadraxis on Dark Aether while it was a separate world.

Nico: No sign of her yet.

Sora Phaaze: Uh guess again.

We saw blue sparkles.

Nico: Blue sparkles?

Nicole: That's her!

We saw them converge and they reformed into DARK SAMUS 4 - THE FINAL BOSS OF METROID PRIME 2 :ECHOES!

Nico: WHOA!

Lola: Scary!

Sora Phaaze unsheathed her sword and it was a glowing blue blade of Phazon.

Sora Phaaze: It's time for you to pay for everything you have done to this planet! I, Sora Phaaze - Avatar of The Planet Phaaze, will make sure you face justice for your crimes!

Qin: YEAH! You tell her!

Nico: FIRE AT WILL!

Dark Samus laughed malevolently and ominously.

Nicole: That ominous laugh she has had always been a really scary one.

Nico: No kidding.

Dark Samus 4 went at Sora and jumped back and then she glowed and Sora flew at her and then they both fired a massive blast of Phazon and the blasts collided and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired massive energy blasts and blasted Dark Samus 4 all over

Dark Samus 4 then glowed in a powerful blue ball of energy and she fired massive blasts of energy and Sora deflected them back! Sora fired a powerful Super Energy Blast from her sword and it hit Dark Samus 4 and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico fired a lightning blasted at Dark Samus 4 and electrocuted her and Sora fired a Wave Blast from her sword and did the same!

Eli: Swartz's Creations are close! I sense 2 of them. One is Another Enfluxion and the other is Another Vexen.

Nico: Whoa!

Eli: 25 klicks away!

Nico: They are close.

Sora Phaaze: Are you too hot!? Let me cool you down!

She fired an Ice blast and it hit her and hurt her.

Sora and Dark Samus fired Icespreader blasts and they collided and created a huge light and dark ice crystal!

Qin: WHOA! That is awesome!

Sora Phaaze: Feel the burn!

She fired a Plasma and Flamethrower Blast!

Dark Samus did the same and the blasts collided and exploded!

KRABBBBBBBBBBNBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Varie: YEAH!

Sora Phaaze: Is it too bright out here?

She fired a Darkburst Blast and it hit Dark Samus and exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Qin: Incredible!

Sora Phaaze: Time to brighten things up!

She fired a Sunburst blast and it hit Dark Samus and exploded in a powerful flash of light and it was awesome!

Qin: WOW!

Camie: That was bright!

Sora Phaaze: Feel the power of Light and Darkness.

She fired twilight Annihilator Blasts and smashed her all over the place. Then she fired a Sonic Boom Blast and it hit Dark Samus and blasted her down.

Sora Phaaze: Now watch this! HYPER MISSILES!

She fired Hyper Missiles and they hit Dark Samus and exploded!

KRABBBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOMMMMM!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

Massive walls of fire exploded out from all over the place with amazing force and power.

Qin: WOW! Their power is amazing!

Nico: Wow no kidding! J.D. you have an awesome future wife with you.

Me: All of my future wives are!

Misty Tredwell: YEAH!

Sora Phaaze: Time to end this!

She charged up an Omega Cannon Blast and it hit Dark Samus and it hit her and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Dark Samus was down and she screamed and then she yelled and then exploded and Sora absorbed her into her sword!

Me: WHOA!

Sora Phaaze: That was amazing!

Nico: WOW! Sora that was amazing! Well done!

Sora Phaaze: Thanks. Dark Samus is now sealed into my sword. Her power is now mine.

Nico: That is incredible.

Lola: Yeah!

Me: Great job though Sora!

Sora Phaaze: That will show her never to mess with the power of the Avatar of Phaaze.

Me: You got that right. Now we have the Another Huntik and Another M.O.E. to face.

Nico: Who's up this time?

Varie: I will go next.

Nico: Go for it Varie.

Maria: There she is!

Then a figure came out and it was a dark version of Enfluxion! It looked like Enfluxion but made of Black Water!

Me: Wow!

Xenia: Made of pure water!

Maria: Just like me when I was Aquamaria.

Another Enfluxion: And I still am.

She reverted back and it looked like a carbon copy clone of Aquamaria! Except she had her hair in a ponytail.

We gasped!

Me: She is…

Maria: (GASP) It can't be! Estella!? Is that you?

Estella Rockell: That's right Maria. I was made like this because of the Big Bang.

Me: Oh man!

Maria: Estella I was looking for you everywhere! Mom and Carmen and I were worried sick!

Estella Rockell: Maria I can't go back there! Look at me!

Maria: Estella listen I know the pain you are experiencing. I know how you feel too.

Juran: I don't suppose there's another Elemental Choosing on the way that can help her?

Me: I don't think so. I don't see anything.

Maria: Estella listen. I know how you feel. We both were caught in the Quantum Vapor Gas when the Big Bang happened. In fact me, you and Carmen were all caught. I was given the same powers you were given when I became Aquamaria and Carmen got fire powers.

Carol: And I never gave up on Maria when she became that.

Maria: That's right. But thanks to Carol and the divine blessing of the Water of Tefnut, I was given my humanity and my life back but I still have my powers and I became a redeemed hero. It's not too late for you to join us.

Estella Rockell: But look at me! I'm a freak!

Maria: You're not a freak. Sure you may be made of pure water now but you are still my sister.

Carol: (to Maria) This DOES seem similar to when I first reunited with you.

Maria: It sure is. In fact this is a very strong example of déjà-vu.

Me: It does feel that way. Wait look there!

We saw a huge river of water floating over and it formed into an angel and then it flew and hit Estella and enveloped her in vortex of water.

Juran: I knew an Elemental Choosing was coming!

Me: Yep!

Then when the vortex faded, Estella was back to her human form and she had brown hair in a ponytail and was in a blue bikini.

Estella Rockell: (GROAN) What happened? I feel very strange.

Nico: (to Maria) Was she swimming as well?

Maria: She wants to be a great swimmer like me. But look Estella you're back to normal.

She showed a mirror.

Estella Rockell: (GASP) I'm back to normal! Wow!

Me: But you were blessed by a deity that did it.

I did a scan.

Me: Here it is. It was from the Floating River Angel of Ezili, the Goddess of Sweet Water, Beauty and Love in Benin myth.

Qin: WHOA!

Me: Yeah!

Maria: And you still have the same water powers as me too.

Estella Rockell: (Smiles) I missed you sister!

Maria and Estella hugged.

Maria: I missed you too Estella.

Varie got the Wonder Ride Book was thrown out from her. It was called The Water Elemental of Undine.

Varie: That was easy.

Me: Yep.

Estella: Oh guys. The Another Vexen that I saw is a friendly one. She knows J.D.

Me: Ah thanks for telling us.

Maria: Now, let me show you what I have.

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) THE ICE STORM 6!

She summoned Captain Cold, Evil Blizzard Man, Chilly Willy, Windigos, Ice King, and Lemongrab along with Evil Killer Frost, Evil Blizzard Man, Evil Chill Man and Evil Tundra Man.

Nico: Nice!

Lemongrab: J.D.!

Me: Lemongrab!

Lemongrab: UNACCEPTABLE!

Me: Shut up! What a freak!

Nico: (to Estella) Is the Another Vexen Savanna Rossi?

Estella Rockell: No.

Qin: Oh.

Maria: We'll find out shortly.

We saw a figure come out and it was a dark version of Vexen! It was ANOTHER VEXEN! It had black hair and the same black clothes and had the same shield Vexen had.

Me: WHOA!

Vexen: Another me! Wow!

Lola: Wow!

Lana: Awesome!

Another Vexen: (In a girls voice) This is gonna be a really cold one.

Me: (GASP) Adrianna Vexen!

She reverted back and was a girl with blond hair and had a fur parka on and had Antarctica clothes on. And she had the symbol of the Nobodies emblazoned in the middle of her forehead.

Adrianna Vexen: Good to see you again J.D.

Me: You too Adrianna. Adrianna is a research scientist for Antarctica and goes through extreme cold to do research down in Antarctica.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (Gets out Gaim gear) Because we can grant it instead.

Adrianna Vexen: Just to figure out what is under the ice of Antarctica.

Me: We can easily do that. We have the technology for that.

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Sougo: (gets out Wizard Ridewatch) Okay. So maybe we won't meet Savanna Rossi today.

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Baron Ridewatch) But we still have 3 more days to go.

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Me: Plenty of time.

Qin: Yeah agree!

Nico: Lets do it.

Adrianna turned back into Another Vexen!

Me: Time to fight ice (FLARES UP FIRE AURA) With Fire!

Nico: (gets out Vexen's Ridewatch) I shall freeze you!

He formed an ice shield and fired waves of ice and froze her.

I fired blasts of fire and blasted her.

Me: For over 13.7 billion years Fire and Ice have been duking it out ever since the beginning of time.

Nico: (gets out Evil Ice Man's Ridewatch) Here's another example!

Nico activated it and fired waves of ice and smashed her down.

Rip: IT'S RIPPING TIME!

He went at Another Vexen and smashed and pulverized her all over.

Me: YEAH!

May: Hope you can handle these ice cubes! (ACTIVATES MR. FROSTY'S RIDEWATCH)

She threw ice blocks and smashed Another Vexen in her face!

SMASH SMASH SMASH!

Qin: OUCH!

May: YEAH! Now this. (ACTIVATES PENG'S RIDEWATCH)

May fired waves of ice and smashed her all over.

Maria: Try this one!

She activated Frost Walrus's Ridewatch and fired ice blasts and smashed her down!

Me: OH YEAH!

Qin: That is what I call getting the cold shoulder.

Maria: And this! (ACTIVATES ICE PUFF'S RIDEWATCH)

She fired waves of energy and ice and smashed her down.

Estella: Wow! Maria you learned LOTS of powers.

Maria: Many of our powers didn't just come from the gods. We got our powers from many sources.

May: (gets out Sheegoth's Ridewatch) Now for this!

She activated it and Another Vexen fired ice blasts and she absorbed them all and fired waves of energy and smashed her down.

May: Now for the power of a Kaiju from 1958!

May activated NES Varan the Unbelievable's ridewatch and fired waves of energy and smashed her down.

Maria: (gets out Harddrive's Ridewatch) Watch and learn, sis.

She activated it.

Maria: (Imitating Harddrive) I am Harddrive. Bare witness to my first campaign.

She fired a powerful energy blast and it hit Another Vexen and knocked her down.

Qin: Nice shot!

Maria: Thanks. Now to scare you bad! (ACTIVATES ZIMBO'S RIDEWATCH)

She formed a horrible scary face and scared the living crap out of Another Vexen!

Qin: Nice!

Rip: It's time to Rip some ice! (ACTIVATES EVIL ICE MAN'S RIDEWATCH)

He fired waves of ice and smashed her down!

Then Blizzard and his team consisting of Neapolitan Man, Frost, Lumi the Snow Queen, Ice Geargolem And Nadare Rouga came.

Nico: Nice team, Blizzard!

Blizzard: Thanks Nico.

Me: Time for fire to melt ice.

I fired a blast of fire and smashed her down and I caught the ridewatch and purified it and she was back to normal. I went and picked her up.

Me: Weird where's the next gene-slammer?

Nico: That's funny. Usually they just appear and do the job.

Eli: Weird.

Then we heard snoring.

Me: Snoring?

Maria: Shh. You guys hear that?

We looked and behind a bunch of boxes was a Slaking and it was sleeping.

Nico: A Slaking.

Me: She is really tired.

Nico: I know this one too. Ai Yomi. She is really sleepy all the time and likes it. She can't help it though. She has severe narcolepsy.

Me: Oh boy.

Qin: I remember Ai. And her favorite memory from you Nico is when you and Ai had an egg nog drinking contest and she fell asleep first glass in.

Nico: Yes.

Me: Lets get her back to normal.

I put on my blind man glasses and Nico got out a grey leotard and I snapped my fingers and the boys covered their eyes. She was back to normal and was a girl with brown hair and brown eyes and Nico put on the leotard and carried her on his back.

Ai Yomi: (Tired and groggy) Huh? Nico? Oh hey big guy. I missed you.

Nico: I missed you too.

We went back home.

Lincoln: Whoa, we're here in Orchid Bay, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got word that another old enemy of Juniper Lee is here: Auntie Roon, an ancient evil witch who was banished from the magic realm by the mighty Te Xuan Ze of her time 400 years ago, and she's still out to destroy Juniper Lee, but we're going to put an end to that ancient evil witch for good.

Just then, Juniper Lee and the others arrived.

Juniper Lee: I never thought I'd have to deal with her again, but she just doesn't know when to take a hint.

Ophelia Ramirez: She sure doesn't.

Me: I've heard tales of what Auntie Roon tried to do 400 years ago, and that was to destroy the line of The Te Xuan Ze, but when she was defeated, she was banished from the magic realm forever.

Nico: But, her hatred for The Te Xuan Ze hasn't died out, she's tried many times to kill June, only to fail at every turn.

Juniper Lee: That's right, she's failed at every turn.

Monroe: (Scottish Accent) Aye, but she hasn't learned her lesson.

Rayman: Then, there's only one thing awaiting her: death and eternal damnation for her crimes. Plus, I can't help that she's going to try and blast June, and it's going to cause me to go into some sort of wild fury and transform.

Nico: (Gulps) And if you go into a wild fury and transform, you're definitely going to make a mess of her and her minions.

Lincoln: This is going to get really wild, and I want to thank you and your team for joining us, Leif.

Leif: You're welcome, Lincoln.

Suddenly, we saw a beautiful girl with long yellow hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful yellow angel wings, she has on a tiara with the Kamen Rider Espada logo, she's dressed in a short-sleeved yellow blouse, sleeveless yellow midriff top, necklace with the Kamen Rider Espada logo for the pendant, yellow skirt and she has the Wonder World Story of Raimeiken Ikazuchi Wonder Ride Book on her waist, black pants, black knee-high high-heeled boots, and long white long-sleeved trenchcoat with lightning bolts,, and angels on the coattails and on the back is the Kamen Rider Blades logo and holstered on her back is a massive Raimeiken Ikazuchi-themed greatsword with embedded yellow gems and Raimeiken Ikazuchi etched on the 7'0" massive, wide, double-edged blue blade, large yellow phoenix heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large yellow phoenix heads and large yellow gem on the bottom of the large blue lion heads for the pommel, and in her hand is the Raimeiken Ikazuchi, the seiken for the Raimeiken Ikazuchi, and she has the nine girls with her.

Nico: Whoa!

Qin: She looks just like Vicky Ann Jupiter Espada, because of the tiara and necklace with the Kamen Rider Espada logo.

Girl: I do, but not exactly, in fact, I'm someone that Lincoln knows all too well, and I also got the nine girls away from that evil witch.

Lincoln: (Gasps) Kenzie Fukiyama, Embodiment of Kamen Rider Espada, I knew it was you, it's really awesome to see you again.

?: I will destroy you if it's the last thing I do, Te Xuan Ze!

We then saw our target, Auntie Roon, riding on her flying shark.

Juniper Lee: Great, I knew she'd show up, and on that overgrown flying carp no less.

Suddenly, Auntie Roon fired a blast of green energy from her staff, and it hit June in the arm, and it left a really nasty burn.

Juniper Lee: YOWCH! Hey, that was a low blow!

Rayman saw it for himself, and almost immediately, he glared angrily right at the witch who did that as she was cackling evilly, but all Hell was about to be let loose! He fired a blast of purple energy at that flying shark and destroyed it, and knocked Auntie Roon down to the ground.

Auntie Roon: Hey, who do you even think you are to do that to my pet?!

Rayman: Someone whom you've just ABSOLUTELY PISSED OFF, YOU OLD HAG!

Suddenly, something within Rayman's mind absolutely snapped as memories of Auntie Roon's crimes against the human and magic worlds 400 years ago and her recent attack on June a second ago had rushed through his head, and then, his purple eyes turned neon purple and he was surrounded by a purple and red energy aura with stars, light, darkness, Lums, and dragons, he unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his back, and as he menacingly approached Auntie Roon, he left purple and red energy, stars, light, darkness, Lums, and dragons with every step.

Rayman: You make me absolutely sick to my stomach, Auntie Roon, you were and always will be a heartless, evil, sadistic, worthless witch, you've caused nothing more than pain and suffering to both the human and magic worlds for over 400 years, and the Te Xuan Ze of your time was right to have banished you for what you've done. (SUDDENLY GETTING EXTREMELY MEGA PISSED OFF BIG TIME AND PURPLE AND RED ENERGY AURA FLARES UP EVEN MORE FURIOUSLY) But, as always, you just don't even know when to ever give up, you've constantly invaded Orchid Bay more than once with yet another hair-brained scheme to kill Juniper Lee and her friends and destroy the worlds, and for what you just did in attacking June before she could get her chance to kick your butt again… , YOU HAVE CROSSED ONE LINE TOO MANY AND ABSOLUTELY PISSED ME OFF, YOU OLD SHREW, AND FOR WHAT YOU'VE DONE, YOU JUST EARNED YOURSELF THE FULL EXTENT OF MY ANGER! PREPARE YOURSELF, AUNTIE ROON, THE LEGENDARY HERO OF THE GLADE OF DREAMS IS COMING TO TAKE YOUR LIFE, AND NOT EVEN YOUR MAGIC NOR YOUR MINIONS WILL SAVE YOU FROM MY WRATH!

We suddenly gasped at the extent of Rayman's rage, and he's right, not even Auntie Roon's magic nor her minions will save her from his wrath.

Jody Irwin: Yikes, what just happened?!

Ophelia Ramirez: And did we just hear what he said to that old hag?!

Varie healed June's arm.

Juniper Lee: Rayman's anger and fury has been unleashed big time after what he just saw. But, he's never like that.

Nicole: That's right, June, but when he saw you get blasted by that old hag, I think that awakened a very dangerous fury inside him, and it's already found it's mark! HIT THE PAVEMENT, HE'S GOING TO BLOW!

We stood our ground as Rayman screamed like an absolute madman to the infinite power and he was surrounded by a massive vortex of purple and red energy with stars, light, and darkness surrounding it, there are Lums and a dragon flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Rayman emerged, but he was changed forever.

(TWO STEPS FROM HELL - TITAN DUNE PLAYS)

Rayman remained tall at 7'5" in height, he still retained his abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has purple highlights in the bangs of the two fronds of his strawberry-blonde hair and it also grew to reach down to the bottom of his neck, he has neon purple eyes and a purple and red energy aura with light, darkness, stars, fairies, Lums, and dragons surrounding him, he has a Lum in the hands of a dragon emblazoned on his forehead and Third Eye with purple iris, he has on his Crystal Necklace of The Buddha with red and purple gems on the gold crescent moon links and red and purple crystal links and a purple dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a Fairy with red and purple gems for eyes and it's holding a Lum and the Light, Dream, Dark, and Eternity

Kanjis in its hands for the pendant. Rayman has on a purple short-sleeved shirt and mysterious white ring on it and the phoenix with the symbol of The Celtic Dream Crusaders above it, long purple pants, black leather knee-high combat boots with dragons for the shoe buckles, and long long-sleeved white trenchcoat, with Lums, light, darkness, dragons, and fairies on the white coattails and on the back is a fairy with Lums surrounding it, along with the symbol of The Celtic Dream Crusaders above her head. Suddenly, Rayman felt a sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers on his wider and more muscular back then grew much larger for his new body. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his right ring finger and his Blue Lantern Corps ring on his left ring finger and he has on his Celtic Moon Gauntlets of Glade Justice and he has a Stone of Gelel embedded in his left hand.

Suddenly, Rayman's massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and all of the swords he'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of purple and red energy, stars, dragons, fairies, light, darkness, and Lums, and when it emerged, it's transformed into Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice, it's a brand-new massive greatsword with embedded red gems and the Greek God of Dreams, Morpheus and a Celtic Triquetra etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads with red gems for eyes for the crossguard, large red and purple gem embedded in the rainguard, longer midnight black handle, four large purple dragon heads with red gems for eyes and purple gems in their mouths and on the bottom of the four large dragon heads is a large purple and red gem for the pommel, he has on his brand-new large gold cuff Bracelets of The Champions of The Champions of The Universe with red gems on his wrists hidden in the long sleeves of his long-sleeved white trenchcoat and his new gold Belt of Elemental Bravery with a gold dragon head with purple gems for eyes and a large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and

Equestrian Peace Equestrian Peace, his Spellbook of Eternal Dreams, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his left hip. There's a red kanji below the fairy that said, "Rayman, Legendary Hero and Guardian of The Glade of Dreams, Best Friend of Globox and Many, Defender of Betilla the Fairy and The Fairy Council, Member of The Celtic Dream Crusaders, Emissary of Morpheus, Owner and Wielder of The Spellbook of Eternal Dreams, Destroyer of Mr. Dark and The Nightmare Creatures, Slayer and Destroyer of The Evil Ancient Witch Auntie Roon, Archenemy of Red Herring, Defender of Peaceful Dreams and The Night, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Darkness, Lums, Fairies, Moonbeams, Dragons, and Celtic Dreams"

We were really really amazed by Rayman's Super Angel-Fairy-Dragon-Lum-Harmony Celestial Eternal Xelnaga transformation, but when Auntie Roon saw it, she got mad with rage and was about to fire yet another blast from her staff, but Rayman fired a powerful purple and red energy blast with light, darkness, stars, fairies, Lums, and dragons at Auntie Roon which disarmed her of her staff and he fired another blast which destroyed it, and then, he fired another blast at her which exploded as it hit her and forced her back, but this angered her even more.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Light Fairy and Night Dragon and Divine Celtic Dream Moonlight Light Fairy and Night Dragon Hope) You've spent 400 years in trying to destroy the Te Xuan Ze only to be banished from the magic realm forever, and now, you're about to be destroyed forever by all of Team Loud Phoenix Storm, but just remember, you brought this on yourself.

Rayman went at Auntie Roon, and he fired powerful blasts of purple and red energy, stars, dragons, fairies, Lums, light, and darkness at that witch, and they exploded with incredible power as they hit her, then, he attacked her with his massive greatsword as he slashed at her leaving scars on her and he also drew blood, then, he punched her hard in the face.

Juniper Lee: Whoa, awesome! Let me in on this!

Juniper Lee then kicked Auntie Roon hard in the face and sent her flying into a tree.

Juniper Lee: Okay, gang, it's time to end this.

Lincoln: Right, June. Everyone, let's get her!

Then, Rayman and Juniper Lee chanted a powerful incantation which stripped Auntie Roon of all her magical powers and we made them our own, and then, they fired black energy beams at the witch which explode with incredible power and she was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Rayman's new body, clothes, weapons, jewelry, Third Eye, and massive angel wings are permanent.

Juniper Lee: That'll teach that witch never to come back here… !

Suddenly, Rayman walked up to Juniper Lee and he hugged her tightly, which surprised her greatly.

Juniper Lee: Rayman… , hey, what's with the sudden hug? (Suddenly realizes) Oh, now I see.

Juniper Lee suddenly returns the hug as she hugs Rayman.

Rayman: That really scared me, June. But, that witch isn't going to hurt anyone ever again, and that also includes you.

Juniper Lee: Rayman?

Just then, Rayman held her tightly and he leaned his head down to her face, and then, he kissed her on the lips, and she suddenly returned it. We saw it for ourselves, and our jaws dropped.

Nicole: Uh oh, looks like The Legendary Hero of The Glade of Dreams has a huge love interest in the Te Xuan Ze. Ooh, wait 'til Natilee hears about this, along with the rest of the Glade.

Lincoln: Whoa, now, that we didn't see coming.

Monroe: (Scottish Accent) Same here, but then again, love works in many ways.

Me: It sure does.

Rayman and Juniper Lee separated from the kiss.

Juniper Lee: That… was a sudden surprise you sprung on me, Rayman. But, to tell the truth, I've had my feelings about you the whole time, but didn't know how to tell you, you're definitely a strong and brave person who cares deeply for the people around you.

Rayman: Same with you, June. I guess now was indeed the time for me to confess my feelings for you.

Juniper Lee: You waited two years for this moment, I guess we've been patient enough.

Me: I'm proud of you two for confessing your feelings, and waiting two years for it, that's definitely a lot of patience to wait for the right moment.

Lincoln: It sure was, and not only are we rid of Auntie Roon for good, but now, Rayman and June are now a couple, sweet. (To Kenzie Fukiyama) And it's so good to see you again, Kenzie Fukiyama.

Kenzie Fukiyama: You too, Lincoln, it's been a long time.

Lincoln went up to Kenzie Fukiyama and he hugged her, and Kenzie Fukiyama is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eight, and as you can see, I really grew a lot since then.

Kenzie Fukiyama: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eight-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new. You really grew a lot, but you're still the same kind boy from long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Kenzie Fukiyama, Embodiment of Kamen Rider Espada, she's my Guardian Angel from Japan and classmate in Gym. Like Vicky Ann Jupiter Espada, Embodiment of Kamen Rider Espada, Kenzie Fukiyama has incredibly strong and powerful powers over lightning and also knows how to seriously electrocute all forms of evil to the brink, and she also introduced me to Kamen Rider Saber when we were eight years old, and we watched every episode ever since. I made Kenzie a tiara with the Kamen Rider Espada logo on it and necklace with Kamen Rider Espada logo for the pendant, and to show thanks, she kissed me on the lips.

Nico: Whoa, that's really awesome. Wait a second, you said her last name is Fukiyama… , then, that means?!

Lincoln: Yep, she's also the sister of Kento Fukiyama A.K.A. Kamen Rider Espada, and she hates Lynn with a burning passion.

CLANG! CLANG!

My jaw dropped to the floor and so did Nico's.

Nico: Wait, what?!

Me: So, Kenzie is…?!

Kento: Yes, she's my sister alright, and it's so good to see you again, Kenzie.

Kenzie Fukiyama: You too, Rintaro.

Lincoln: Plus, she heard of what we did to that delusional lunatic, Storious, last year, and she was glad to be rid of that monster.

Me: We all are, and she, like her brother, also has the Wonder World Story of Raimeiken Ikazuchi Wonder Ride Book, awesome.

Lincoln: Yep, along with the Raimeiken Ikazuchi, the weapon of Kamen Rider Espada, and a massive Raimeiken Ikazuchi-themed Greatsword.

Kenzie Fukiyama: And I've got quite a tale to tell you all of how I electrocuted Lynn with a page I read from the Raimeiken Ikazuchi Wonder Ride Book. (To Lincoln) Oh, Lincoln, there's something I want to give you.

Lincoln: Let me guess, you want to give me your blood, right?

Kenzie Fukiyama: How did you know about…?!

Lincoln's harem showed everyone the marks Lincoln left on them when he bit them and fed on their blood.

Kenzie Fukiyama: Oh, I knew it, I knew you'd start marking your future wives sooner or later.

Lincoln's deep sapphire blue eyes turned deep red as he went up to Kenzie Fukiyama, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and his deep red eyes turn back to deep sapphire blue.

Kenzie Fukiyama: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kenzie Fukiyama's neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Kenzie Fukiyama: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kenzie Fukiyama.

Kenzie Fukiyama had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Claire Fox, Ameth, Kaoru Kuraki, Lee Won Hee, Linn, Rurity, Shirley, Sheva, and Ciel from King of Combat.

Lincoln: Oh wow, it's Claire Fox, Ameth, Kaoru Kuraki, Lee Won Hee, Linn, Rurity, Shirley, Sheva, and Ciel from King of Combat.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Claire Fox: Yes, we're okay, thanks to you.

Then, when Claire Fox and the other eight girls saw who it was that saved them from Auntie Roon, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Claire Fox: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Claire Fox: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Claire Fox, Ameth, Kaoru Kuraki, Lee Won Hee, Linn, Rurity, Shirley, Sheva, and Ciel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out that the villain we went after was another old enemy of Juniper Lee's: Auntie Roon, an ancient evil witch who was banished from the magic realm by the mighty Te Xuan Ze of her time 400 years ago, has come back, and she was still out to destroy Juniper Lee.

But, when Lincoln showed what happened such as Rayman literally exploding with incredible furious anger and rage when he saw that witch blast Juniper Lee on the arm and he'd transformed into Super Angel-Fairy-Dragon-Lum-Harmony Celestial Eternal Xelnaga Light Darkness Celtic Dream Glade Fairy Dragon Night Angel of Divine Celtic Moon Light Fairy Night Dragon Darkness Celtic Dream Justice and Divine Celtic Moon Light Fairy Night Dragon Darkness Celtic Dream Hope and all of us beating that evil witch down which ended with Rayman and Juniper Lee firing black energy beams which hit her and sent her to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Kenzie Fukiyama have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that old witch never to show her face again, and that scene of Rayman kissing Juniper Lee, now that I didn't even see coming.

Lincoln: And to find out June's had feelings for Rayman for two years, and he harbored the very same feelings for her.

Me: Yep. But, we're happy for them.

Nico: Same here. Plus, June's happy to also have some help in case Ray Ray gets into any trouble yet again.

Juniper Lee: It's not easy keeping an eye on him, it's like he never runs out of energy or anything.

Connor Chan: Well, we'll also give Rayman a hand in looking after your little brother in case he gets into any trouble again.

Ray Ray: Hey, I never get into trouble.

Rayman: Not according to what your sister and Monroe have told us, and don't lie, we can sense it.

Ray Ray: Nuts.

---

After finally destroying Auntie Roon and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kenzie Fukiyama saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kenzie Fukiyama: Whoa, I was right that Lincoln's really grown into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kenzie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kenzie Fukiyama: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Kenzie Fukiyama: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Kenzie, how did you use your Wonder Ride Book to electrocute Lynn before she could try and kill Lincoln?

Kenzie Fukiyama: Oh, I still remembered that day from years ago. One day, Lincoln and I were done with our homework, we went outside to do some shopping for Mr. and Mrs. Loud, and it was only us, since Luna was with her band, Laney was helping Lily with some homework, Lana was doing some work on Vanzilla, and Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were both grounded again for their attempted attack on Lincoln, but what we didn't know was that Lynn broke out by climbing out of the bedroom window. We finished with the shopping and we were heading back home, but then, we heard a loud burp, and we knew who it was: Lynn, and it meant she snuck out of The Loud House. Then, we saw her charging right at us, but I took out my Wonder Ride Book, and I read a verse in it, and it caused Lynn to get electrocuted by a massive barrage of lightning bolts that appeared from the skies, and Lynn was then tied up by Lincoln firing red energy blasts from his white angel wings. We then dragged Lynn back home, and after we unloaded the groceries, we told Mr. and Mrs. Loud of what Lynn did in sneaking out and her attempted attack, and as a result, she got another grounding, this time, it's for two months.

Me: Whoa, so those multiple lightning strikes I saw that day… , that was you?!

Kenzie Fukiyama: Yep.

Nico: Sheesh, Dark Lynn made the big mistake in trying to mess with your sister, Kento.

Kento: She sure did.

May: But, that was some awesome work using your Wonder Ride Book to give Lynn a taste of her own medicine, Kenzie.

Kenzie Fukiyama: Thanks, May. So, is it also true that you guys have Wonder Ride Books imbued with the powers of your archenemies in The Masters of Evil?

Lincoln: Yeah, we do, and there's only one person to blame for that: Swartz.

Touma: When the team told us of what Swartz did, we were absolutely pissed off, but we're glad he got The Black Gates for good.

Me: Same here.

We got a shower, and then, Lincoln, Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal are heading to Yoshi's Tropical Island.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Nowa: Wow, so this is Yoshi's Tropical Island, awesome.

Lincoln: I've been here before on past dates, Nowa, and it's always awesome. Shall we?

Lincoln, Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal, and they hugged the girls in their abnormally massive and powerful muscular arms, and Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Yoshi's Tropical Island, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nowa, Ymir, Menace, Airi, Alleyne, Shizuka, and Mirabel Madrigal are now part of your harem, awesome!

Nico: I knew they had feelings for Lincoln, and Lincoln gave Airi her chance for love.

Lincoln: She needs it after what she went through with her Dark Side, and what that monster made her unleash.

Airi: I can't believe I was like that because of my Dark Side, but I'm so glad she's gone for good.

Me: Me too.

---

Later it was time for Missy's first mission.

Me: You're going to love this one Missy.

Qin: Yeah.

William: Anyone else want to go with Missy? Besides 2 Rabbids and Ultimate Alliance Iron Man?

Yusuke Godai: I think I'll go as well.

Qin: I will too.

Nico: Cool cool.

Me: This will be awesome. I can't wait to kick some butt.

Nico: Yep. Eden City went through hell.

Me: Yep.

Eli: But we're ready for it.

Nico: Lets go.

We were off to Eden City.

* * *

We arrived.

Me: Wow Eden City.

Nico: It's awesome.

Qin: It sure is.

We then saw Jason James and team.

UA Iron Man: There they are.

Jason James: I know you! Iron Man, right?

U.A. Iron Man: Not the one from this universe.

Me: Long story.

Ellie Martin: Wow! Team Loud Phoenix Storm! An honor to meet you!

Missy Rodgers: Awesome to meet you too.

Nico: I gotta say. This is a nice city you got here.

Kevin: I'll say!

Kewl: Thanks. It's home and it's awesome.

Me: We don't know the full extent of the story about what happened here.

Jason James: We'll tell you at my place.

Matt Martin: Missy, I can tell that you're not entirely human.

Missy: That's right. It's because I'm a Pokemon Gene-slammer.

Me: She got Slammed with a Mewtwo. She now has the powers of one and is just as strong and powerful.

Eli: It's true.

Ellie Martin: Wow! That is cool.

We arrived.

Jason James: Here we are.

Me: Nice pad.

Jason James: Thanks. It's home.

Grams: You must be Team Loud Phoenix Storm.

Me: Yes we are.

Jason James: This is my grandma.

Me: Awesome to meet you.

Grams: Same to you all.

Nico: So what happened to this whole town a while back?

Ellie Martin: Stankfoot happened.

Me: What can you tell us about him?

Jason James: It's not a good sight.

He told us about it and how he got his power and more.

---

Dr. Stankfoot is one of the main antagonists in Zevo-3. Stankfoot was originally named Stanley K. Foot, the heir of the Foot family fortune and the cause of the accident that turned many people to mutants and turning him to stone.

He was voiced by Mark Hamill, who also played The Joker in Batman: The Animated Series, the Skeleton King in Super Robot Monkey Team Hyper Force Go!, Maximus in the Fantastic Four animated series, the Hobgoblin in Spider-Man: The Animated Series, Kavaxas in Tales of the Teenage Mutant Ninja Turtles, Stickybeard in Codename: Kids Next Door, Flint in Disney's Buzz Lightyear of Star Command, Niju in Balto II: Wolf Quest by Universal Pictures, Solomon Grundy in the DC Animated Universe, Fire Lord Ozai in Avatar: The Last Airbender, Trickster in The Flash, Dictatious Maximus Galadrigal in Trollhunters, ShiverJack in Disney's Jake and the Never Land Pirates, Undergrowth in the Danny Phantom series, Agent Goodman in Disney's Recess: School's Out, Popsicles in the 2016 reiteration of The Powerpuff Girls, and Alvin the Treacherous in DreamWorks' How to Train Your Dragon series.

When he tried to make an experiment, it went wrong and froze him. Later on he was revived and mutated by the Zevo Compound, he realized his city had been demolished in favor of New Eden City.

He has shown the ability to create new lifeforms (Blacktop and Dark Materia) and mutating someone (mutates Ronson into an insectoid-humanoid mutant).

He wishes to destroy New Eden City to regain his birthright. Stankfoot is one of the two main antagonists in the series. It is revealed that he and Ronson knew each other.

During his battle with Ronson in the season finale, Stankfoot was hit with Anti-Zevo and was reduced to slime as a result.

---

When he was done we were shocked and horrified!

Qin: Whoa man!

Nico: So that's how this whole town went to hell.

Me: Just what the universe needs, another fucked up crazy mad scientist running amok.

Matt Martin: Fucked up is right. Look at the mutants he makes!

He showed us a database of all the mutants he made and we were even more shocked.

Me: HOLY FUCKING SHIT!

Nico: NO SHIT!

Me: These are not just mutants they are absolute crimes against nature!

Missy: And I thought me and my fellow gene-slammers had it rough!

Ellie Martin: And let's not forget about Mayor Ronson.

Me: Wait Mayor Ronson as in Brett Ronson III?

Matt Martin: That's right! You know our mayor?

Me: Know him? I've been in battle with his ways for years even long before the team was formed!

Qin: Whoa!

Me: The reason? I destroyed all of his plans for trying to rid the world of mutants like the X-Men and all that. In a way he is very similar to Bolivar Trask.

Nico: What can you tell us about him?

Me: He is NOT a nice guy.

I went over his history.

---

Brett Ronson III is one of the main antagonists of the Nicktoons TV series Zevo 3.

After Footville was destroyed by an outbreak of a mutagenic substance known as the Zevo Compound, an industrialist took it upon himself to rebuild the city in his own vision. The residents of New Eden City see Ronson as a philanthropic city-planner, but he is, in fact, a highly charismatic megalomaniac, obsessed with building the perfect community.

His vision of a "perfect community" is clean, without crime, poverty or dissent. To enforce his vision, he controls the police, and maintains an army of a troop called "The Brute Squad." Both are equipped with powered armor-suits.

He is also obsessed with eradicating the mutant blight. This is made disturbing because he is a self-loathing, (literal) two-faced mutant. Although they - Brett Ronson and "Mutant-Head" - interact like two people bound to the same body, they are of one mind with a split-personality.

---

When I was done everyone was shocked!

Qin: OH MAN!

Eli: That is awful!

Me: Yeah. It's the reason why my family and I traveled the world so much over the years. We were destroying all his plans and campaigns to wipe out all mutants. We are at the top of his hit list.

Nico: GEEZ! I didn't know you had such a terrible history with this guy! And we had no idea this was all before the team was even formed.

Me: Yeah. But now during Missy's missions, I have a chance to finish up unfinished business.

Qin: Good. What are we gonna do with Ronson? Are we gonna give him the black gates?

Me: No he's not worth killing. Stankfoot is the bigger threat. We're going to throw Ronson in prison.

Nico: (Pats my back) Good call there.

Me: Thanks.

Jason James: With him still as mayor, he's probably gonna start a smear campaign against us.

Yusuke Godai: Let him try. Our actions will just ensure more people side with us.

Me: That's right. Because we have a greater man with us on our side too. The President.

Nico: Just a few weeks ago the president has made an amazing new law that calls all forms of terrorism and smear campaigns against us acts of treason and is punishable by death.

Qin: It's true.

Me: Yeah.

UA Iron Man: I may have supported the SRA back in my world. But I won't make that kind of mistake again.

Jason James: SRA?

Me: Superhero Registration Act. It's a really ugly story.

Qin: Yeah.

Eli: And we do not want to go through that again.

Nico: Nope.

Matt Martin: When are you guys coming to help us destroy Stankfoot?

Me: We're projecting April 14th.

Qin: Yep.

Jason James: For the past week, there have been no mutant attacks. But that's probably not gonna last.

Me: That's right. But we'll be ready for them.

Nico: That's right.

Me: Also you three were given a great gift and you guys all have tremendous great potential to be on the team. Just remember this though. With Great Power Comes Great Responsibility.

Ellie Martin: We'll remember that.

Jason James: Also, we'll gladly go on any rescues with you guys before April 14.

Nico: I'm truly honored.

Qin: Yeah.

Ellie Martin: By the way J.D. what are the Black Gates?

Me: Oh it's the deadliest technique we have in our arsenal. It judges those that are really bad by the spirits of those they hurt and if they are found guilty they are erased from existence forever as if they were never born at all.

Matt Martin: Wow! That is amazing.

Nico: Though considering an… incident last year, we might have to make sure it doesn't work on innocent people.

Me: Don't worry it doesn't work on people that are innocent. It only works on those that are completely irredeemable.

Nico: Good.

Me: Oh guys just a heads up there's a dark side of Eddy here that is coming for you guys. He was made when Eddy got hit on the head by 2 bowling balls and a bowling pin. He wants to kill all heroes and villains and prove that he is the only hero the world needs.

Ellie Martin: That's insane!

Nico: It is. But I put a curse on him that will have him only appear on the first mission of each ambassador mission for the first half of the year. And after 24 times he will be banished to the black gates.

Me: This will be number 14. So we have 10 to go.

Ellie Martin: Wow!

UA Iron Man: (sighs) And these are Rabbids.

Rabbid jibbers.

Ellie Martin: Oh they are so cute.

Me: Oh they may be cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Matt Martin: Yeah they must be idiots.

Me: Yep. But they are still funny. They are mostly with us for comedy.

Qin: Yeah.

A Rabbid tried to lick the stove.

Jason James: No! You don't lick that!

Rabbid raspberried him.

Jason James: Don't you raspberry me!

Me: (LAUGHS) See what I mean?

Nico: They are funny but we like them.

Eddy: Yeah.

Me: (LAUGHS)

Just then, we heard an explosion.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Uh oh! I sense mutants coming!

Qin: Lets go guys!

Nico: You heard the lady!

Missy: Yeah!

We were off!

They then glowed in red, blue and pink auras!

Jason James turned into Z Strap, Matt turned into Kewl Breeze and Ellie turned into Elastika!

Me: WHOA!

Qin: That is so cool!

Missy: It sure is!

Z-Strap: Yep. It sure is awesome.

Qin: Wait look!

We saw FLYING PIGG-MEN!

Nico: WHOA!

Kewl Breeze: The Flying Pigg-Men!

Me: Whoa! I've heard of that old saying When Pigs Fly but this is ridiculous!

Yusuke Godai: Henshin!

He transformed and was ready.

I fired a wave of energy and blasted the Pig Men down.

Me: Time for the Wolf to strike! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Me: Lets do it!

We went at them.

Yusuke Godai: (gets out Helmut's Kuuga Weapon) Time to get this started! DORKS!

He got a sword that formed into Helmut's helmet and he bashed them down.

Me: WHOA! NICE!

Z-Strap: That was cool!

Me: It sure was.

I fired blasts of blue fire and blasted them down.

Nico: Okay you dumb pigs, prepare to be turned into bacon!

BACON MAGISWORD!

He fired waves of bacon at them and it scared them!

UA Iron Man: (gets out 2017 Rita Repulsa's Kuuga Weapon) My turn!

He got a staff for 2017's Rita Repulsa and fired waves of energy and blasted them.

Me: (Sniffs) What's that smell in the air? (Sniffs) I smell Dark Eddy!

I fired blue fire blasts and they hit a tree and blasted it down and out came a figure and it was DARK EDDY!

Dark Eddy: Let's see how fast you can run!

Dark Eddy fired his blaster at nearby civilians but Elastika got them out of the way.

I fired my blaster and blasted Dark Eddy all over and I teleported and grabbed his blaster.

Me: Cul De Sac kids go wild!

Kevin: GET HIM!

TRAIN HORN HONK!

They went at him and smashed and pulverized Dark Eddy.

Me: Play nice guys!

I went back at the Pigg Men.

Z Strap hopped on one of them.

He road one of them like a bull!

Z-Strap: YEEHAW!

Me: Here's a funny one. (Gets out Wonder Ride Book) Watch this. (Reads Verse) "And as the battle raged on with the heroes the foes were crushed from a massive and huge gigantic cake that weighed over 10,000 tons and it was filled with chocolate, vanilla, strawberry, mint cream and banana cream filling."

AIR WHISTLING.

Z-Strap saw the cake coming and then he ran out of the way and then…

KRASMASSSSSSSSSHHHHHH!

It crushed two of the Pigg Men with devastating force and smashed them!

Z Strap: So that's what a Ride Book does.

Me: Yep. It's amazing.

Nico tasted some of the huge cake.

Nico: (Eating) Mmm! But it's a really delicious cake.

Me: That cake weighs over 20 million pounds.

Qin: Yeah it does.

Nico: Speaking of which, we should really do another adventure with Chowder.

Me: I was just about to say the same thing.

Nico: But lets worry about that later.

We set our sights on Dark Eddy.

Me: Okay guys take 5.

Nico: I got lots of choice words for him.

They stopped and Nico went over to him.

Nico: OKAY YOU JAWBREAKER CRAZED VILLAIN HATING SACK OF HOT AIR! YOU BETTER START GETTING READY FOR THE BLACK GATES (ENRAGED LOUD SCREAMING) OR SO HELP ME I WILL TAKE A WARHAMMER AND BEAT THE LIVING

SHIT OUT OF YOU WORSE THAN A PINATA FILLED WITH CANDY AND GOLD COINS!

NICO SCREAMING LOUDLY AND INCOHERENTLY!

The screaming was so loud and so powerful and deadly that it made DARK EDDY SCREAM IN FRIGHT and he ran through a portal back to the Book of Vile Darkness dimension!

Nazz: No offense, dude, but you sounded a lot like Truffles.

Nico: That's exactly what I was doing. And none taken.

Qin: That was awesome Nico!

Me: Boy you sent him running like a dog with its tail between its legs.

Nico: Yep.

Z-Strap: We're not done yet!

But then a loud scream came and blasted the last Pigg Men down!

Me: WHOA! Nico did you scream again?

Nico: That wasn't me this time.

Me: I think it was from that loud fella.

We saw an Exploud!

Qin: Whoa an Exploud!

Elastika: Wow!

Exploud: (In a girls voice) Sorry about that.

Nico: Jenna Grande!? Whoa!

She reverted back and she was a girl with purple hair in a ponytail and had yellow highlights in it and had a punk rock shirt on and had purple clothes.

Jenna Grande: That was awesome though guys.

Me: Thanks.

UA Iron Man: What do we do with these little piggies?

Me: Well no way are we gonna eat them.

Nico: EW! They would taste awful.

Me: Yeah. Lets throw them into the sun.

Qin: Good idea.

I opened a portal and we threw them into the sun.

Nico: Nice.

Qin: That was awesome.

Jenna Grande: But I saw your battle guys and that was great. And before you ask, my favorite memory with Nico is when me and Nico did an awesome song for Pantera. We played 10.

Me: Pantera rocks!

Qin: That was cool!

Eli: That is awesome.

Nico: Yeah that was great.

Nico and Jenna hugged.

Nico: I've really missed you.

Jenna Grande: Me to Nico. Me too.

Jason James: Next time, we'll work on gathering full evidence of Ronson's shady activities.

Me: I can have some of the team come and help you too.

Jason James: I would like that.

Me: Cool.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome!

Missy: It was so fun!

We told everyone about it and they were shocked!

May: WHOA! We had no idea you had a huge history with Ronson!

Me: No one ever asked.

Qin: But we're going to gather lots of evidence on him and show everyone his evil activity.

Cyclops: He's like Trask.

Me: That's exactly right Scott. He's Eden City's version of Bolivar Trask.

Nico: Yep.

May: Next time, Zelos Wilder, Cheese, and Turtleini should come.

Missy: Awesome idea May.

Qin: Yeah!

---

Later we were watching TV and then we heard Rarity crying yet again.

Me: Oh no!

Numbuh 5: (growls) Numbuh 5 is gonna strangle the dirtbag who made Rarity cry this time!

Qin: Save seconds for me!

We went to her room and found her crying on her lounge.

Me: Rarity are you okay?

Rarity: (CRYING) I have no idea what to come up with for my newest line!

Varie hugged her.

Big Guy: For the love of mike.

Muriel: Oh, you poor dear.

Me: Lets have a look.

I went to her line in progress and saw that she was making red dresses but didn't know what to do for it.

Me: Hmm. (Gets an idea) Hey I have an idea!

I used my magic and used materials and all that and made awesome Fire Nation Style Royal Princess Dresses. They were beautiful and I used my magic to give them the power to grow phoenix angel wings.

Me: There. How's this Rarity. Phoenix Fire Princess Fashions.

Qin: Those are magnificent!

Rarity: (GASP) J.D. you are a genius!

She went and hugged me.

Nico: Boy learning under Leni and the Fashion Brigade really helped out so much.

Aligned Megatron: Good thing no one insulted her this time.

Me: If they did they would have to answer to us.

Qin: In blood.

Juru: That's for sure.

Xenia: You got that right. Helmut had to learn the hard way the last time.

Me: Yep.

Sweetie Belle: No one messes with my sister.

Juru: You got that right Sweetie Belle.

Optimus: Isn't this the part where a Gene Slammer appears?

Eli: Usually yes but I sense that they will appear during the next mission.

Lola: That's okay.

Leeli: But Rarity your dresses are absolutely amazing.

Rarity: Oh thank you darling.

Me: They are stunning.

Golden Queen: Nico, which teams have you made today?

Nico: Devon's team will include Tsukuyomi, Erin Utakara, Emily Riis, Bonnie Reggington and Tina Lindsington. Skyla's team will include Rinka Kunitachi, Selene Jomannovich, Ophelia Bluestein, Naomi & Nina Pepperdance and Hazel Ikos.

Qin: Cool!

Lola: This will be awesome.

Skyla: I'm looking forward to this one.

Emily Riis: This will make us glow bright.

Hazel Ikos: And soar high.

Xenia: It sure will girls.

Nico: Yep.

Twilight Sparkle: I agree there guys.

The previous group came.

Steam Smythe: Can me, the Dark Signers, Felix Faust, and Hydrax go wtih you guys?

Sir Raleigh: Me, SHS Carnage, Bui, Professor Monkey for a Head, Cammy Chameleon, Superfriends Giganta, Tobias Whale, Blackbird, Ozzie Ostrich, and Terror Dopant will come as well.

Nico: Yes you all can come with.

Lola: Yeah this will be fun.

Me: We're going to Marzipan to check on Mung and Chowder and see how they are doing.

Lana: Awesome.

Terror Dopant: We haven't seen the Ninjask and Shesinja.

Hydrax: They might be in Marzipan City

Nico: Yeah.

Me: I got this message from Mung that they are having problems with the Puckerberry Overlords. Mung will have to tell us about them soon.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Fexxtia, another member of The

Extraterrestrial Order of The Planets of Holy Ghidorah, and she's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Fexxtia of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and she's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Fexxtia, right, Bianca?

Bianca Han: Right, and just like what happened, she's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate her King Ghidorah Hybrid Monster form from her real form and absorb the King Ghidorah Hybrid Monster form.

Lorelai Delancey: While you and Nico destroy Binniia and give her The Black Gates.

Lincoln: Those deranged fanatics have really been playing with fire when they created that potion, don't they have any idea of what that stuff will do to them should they dare to consume it.

Nico: Unfortunately not. Alright, gang, let's go, we got an emergency from Mung Daal that Chowder ate the Puckerberry.

Lincoln: And he got sucked into his own mouth, and we're going to be dealing with the Puckerberry Overlords, we'll show those sour berries what happens when they dare to mess with the mouth of one of our friends, and once we get done with teaching those sour berries a lesson, you better be ready to die, Fexxtia.

Bianca Han: You better be ready to suffer, Fexxtia, for you shall be consumed by the dark fires of The Netherworld, and your soul will know nothing but eternal suffering.

Nico: We haven't got a moment to lose! Lets go!

We were off!

---

We arrived.

Blastertron: Scanning for any Ninjask and Shedinja.

We went into the catering restaurant and we saw them trying to pull Chowder out of a hole.

Me: We got your message!

Mung: Hurry guys!

Me and Nico pull on a String Bean rope!

Me: (GROANS)

We were pulling and out came Chowder's tail.

Me: Someone form a chain!

Nico used his powers and did so! He threw it and it grabbed Chowder.

Me: (GROANS)

Nico: PULL!

Me: (GROANS)

Eli: HOLD ON CHOWDER!

Eli used the Force and pulled on Chowder!

Ozzie Ostrich: Almost there!

Felix Faust: Pull harder!

Ibara grabbed him with her vine quirk.

Out of the hole came his body.

Then his arms and head! And then he was out!

Chowder: WHOA!

CRASH!

He crashed into me and Nico.

Me: Ouch.

Strike Man: You okay, buddy?

Chowder: (Groans) That was sour.

Me: Yeah no kidding. Boy those fruits must be lethal.

Qin: No kidding.

Me: Get Chowder some apple juice.

Chowder: Yeah please.

Rex got him some.

Rex Goodwin: Here you go, Chowder.

Blackbird: Drink up. It's gonna be a busy day.

Chowder: Thanks.

He drank it.

Me: What were you guys making with dangerous fruit like that?

Mung: We were making a Puckerberry Squirt Tart.

Me: Are these fruits like lemons?

Mung: No they are really worse than lemons.

Chowder: It was an order we were doing.

Quake Woman: How worse?

Mung: 100 million times worse.

Qin: That bad?

Mung: Yep. Let me tell you. Chowder ate one and his lips puckered up, then his eyes watered uncontrollably, he got the dithers, then he farted bad and then his entire head and body finally imploded.

Me: WHOA!

Qin: That is lethal!

Me: Those fruits should be classified as weapons of mass destruction and be banned by the Geneva Convention.

Mung: I agree there.

Tobias Whale: Have you seen any Pokemon?

Greiger: Like a Shedinja and Ninjask?

Schnitzel: Radda radda.

He showed us them.

Me: There they are.

Qin: Wow.

Shedinja: (In a girls voice) That was a good save.

Ninjask: (In a girls voice) I agree there.

Nico: Megan and Mara Murakawa!? Wow!

They reverted back and Megan was a girl with black hair and had a crescent moon on her forehead and had yellow clothes and she had a Ninjask on her arm and Mara was a girl that had yellow hair and a sun on her forehead and she had black clothes and had a Shedinja on her arm.

Qin: Awesome!

Threatpack: What are your favorite memories of Nico?

Mara: That Nico taught us how to use the Kamehameha Waves of the Sun and the Moon.

Qin: Wow!

Me: Those sound powerful.

Lola: Yeah.

Nico hugged them both.

Nico: I missed you girls.

Mara: We missed you too Nico.

Superfriends Giganta: Good to have you girls with us.

Kalin: Now, as to why we're here.

Me: Yep.

Qin: Can we make some food before we battle?

Nico: Good idea.

G1 Vortex: What are you guys gonna make?

Mung: Cryberry Pies.

We got to making them.

They were called cryberry pies because they cry and they stop when they are cool.

Chowder: I have something.

We then smelled a HORRIBLE ODOR!

Nico: Oh man! What is that smell!?

Chowder: It's this.

We saw that Chowder made a HORRIBLE GROSS DISH! It was a moldy bread sandwich made with garbage!

Me: Oh good god!

Nico: What the fuck is that!?

Chowder: It's called Foof N' Scoops!

Lana: Cool!

Chowder: Want to try some?

Lana: Sure!

We gasped!

Me: I think I'm gonna be sick!

Lana ate the sandwich and to her it was tasty.

YUCK!

Me: OH MAN!

Nico: Geez!

Cammy Chameleon: How about I try the cryberry pies?

Misty Tredwell: Those sound more tasty.

Me: Good idea.

They were cooled down and they stopped crying. At least no one stole them this time.

We tried some of the pies and they were delicious.

Me: Mmm! Delicious.

Nico: Yummy!

Dusk: Now THESE are more tasty! Got any strawberries as well?

Mung: Sure.

He gave her strawberries.

Qin: Yep.

Nico: It's all good.

Lola: But we still have to take on the Puckerberry Overlords.

Qin: Those guys are really sour.

Devack: J.D. and Nico were just talking about having a Marzipan City Adventure.

Professor Monkey for a Head: And this is it!

Me: Yep. It was thanks to a massive cake I had squish some of the mutants in Eden City.

Xenia: Wow.

Me: Yep. Besides we haven't been to Marzipan City in a while.

Lola: We sure haven't.

Konan: Where are they right now?

Me: Wait look!

We saw a pucker portal.

Me: They are coming.

Qin: Oh boy.

Nico: Entrance time guys.

Me: When they come out we'll ambush them.

Carly Atlas: What do they look like?

Bui: You'll be sorry you asked.

Me: We'll find out soon.

Xenia: This is gonna be good.

Lola: I bet they are uglier than Truffles.

Truffles: (Offscreen) I HEARD THAT!

Wendy Koopa: NOW it's entrance time!

We got hiding and then figures came out and they were green men that had Puckerberries for heads and they had red eyes.

Me: Whoa they are sour and ugly.

Sour Ron: Find that bunny guy!

Frank: That sick putrid freak is going to pay for getting out! NO ONE ESCAPES!

Me: Rotten temper.

We went at them.

Then the spirits of fruit came and they swirled around them and then converged and then a fruit tree grew and then coconuts grew and then they popped open and out came us.

Nico: Now that was a coconutty entrance!

Qin: YEAH!

Sour Ron: Team Loud Phoenix Storm!?

Me: That's right Sour Balls!

Sour Ron: It's Sour Ron!

SHS Carnage: Sorry! Sometimes we're bad with names!

Roman Goodwin: But not at combat!

Me: I was saying that as a joke.

Qin: You sour freaks are going to be mush!

Xenia: YEAH!

Sweetie Belle: Boy she sure is and her power over lightning is amazing.

---

Nico: Yep. So, Kenzie, how did you use your Wonder Ride Book to electrocute Lynn before she could try and kill Lincoln?

Kenzie Fukiyama: Oh, I still remembered that day from years ago. One day, Lincoln and I were done with our homework, we went outside to do some shopping for Mr. and Mrs. Loud, and it was only us, since Luna was with her band, Laney was helping Lily with some homework, Lana was doing some work on Vanzilla, and Leni was at Reinengers' for work, and Lori, Lynn, Lola, Lisa, and Luan were both grounded again for their attempted attack on Lincoln, but what we didn't know was that Lynn broke out by climbing out of the bedroom window. We finished with the shopping and we were heading back home, but then, we heard a loud burp, and we knew who it was: Lynn, and it meant she snuck out of The Loud House. Then, we saw her charging right at us, but I took out my Wonder Ride Book, and I read a verse in it, and it caused Lynn to get electrocuted by a massive barrage of lightning bolts that appeared from the skies, and Lynn was then tied up by Lincoln firing red energy blasts from his white angel wings. We then dragged Lynn back home, and after we unloaded the groceries, we told Mr. and Mrs. Loud of what Lynn did in sneaking out and her attempted attack, and as a result, she got another grounding, this time, it's for two months.

Me: Whoa, so those multiple lightning strikes I saw that day… , that was you?!

Kenzie Fukiyama: Yep.

Nico: Sheesh, Dark Lynn made the big mistake in trying to mess with your sister, Kento.

Kento: She sure did.

May: But, that was some awesome work using your Wonder Ride Book to give Lynn a taste of her own medicine, Kenzie.

Kenzie Fukiyama: Thanks, May. So, is it also true that you guys have Wonder Ride Books imbued with the powers of your archenemies in The Masters of Evil?

Lincoln: Yeah, we do, and there's only one person to blame for that: Swartz.

Touma: When the team told us of what Swartz did, we were absolutely pissed off, but we're glad he got The Black Gates for good.

Me: Same here.
